**TITLE V—MILITARY FAMILY HOUSING AND HOMEOWNERS
ASSISTANCE PROGRAM**

AUTHORIZATION TO CONSTRUCT OR ACQUIRE HOUSING

Secretary of
HUD,
consultation.

SEC. 501. (a) The Secretary of Defense, or the Secretary's designee, is authorized to construct or acquire sole interest in existing family housing units in the numbers and at the locations hereinafter named, but no family housing construction shall be commenced at any such location in the United States until the Secretary shall have consulted with the Secretary of Housing and Urban Development as to the availability of suitable private housing at such location. If agreement cannot be reached with respect to the availability of suitable private housing at any location, the Secretary of Defense shall notify the Committees on Armed Services of the Senate and the House of Representatives, in writing, of such difference of opinion, and no contract for construction at such location shall be entered into for a period of thirty days after such notification has been given. This authority shall include the authority to acquire land, and interests in land, by gift, purchase, exchange of Government-owned land, or otherwise.

Notification to
congressional
committees.

Cost limitations.

(b) With respect to the family housing units authorized to be constructed by this section, the Secretary of Defense is authorized to acquire sole interest in privately owned or Department of Housing and Urban Development held family housing units in lieu of constructing all or a portion of the family housing authorized by this section, if he, or his designee, determines such action to be in the best interests of the United States, but any family housing units acquired under authority of this subsection shall not exceed the cost limitations specified in this section for the project nor the limitations on size specified in section 2684 of title 10, United States Code. In no case may family housing units be acquired under this subsection through the exercise of eminent domain authority, and in no case may family housing units other than those authorized by this section be acquired in lieu of construction unless the acquisition of such units is hereafter specifically authorized by law.

(c) Family housing units:

Fort MacArthur, California, two hundred units, \$11,500,000.

Tinker Air Force Base, Oklahoma, three hundred thirty-two units, \$12,000,000.

(d) The amount specified in this section may, at the discretion of the Secretary of Defense, or the Secretary's designee, be increased by 10 per centum, if he determines that such increase (1) is required for the sole purpose of meeting unusual variations in cost, and (2) could not have been reasonably anticipated at the time such estimate was submitted to the Congress. The amounts authorized include the costs of shades, screens, ranges, refrigerators, and all other installed equipment and fixtures, the cost of the family housing unit, design, supervision, inspection, overhead, land acquisition, site preparation, and installation of utilities.

LEASING OF FAMILY HOUSING

SEC. 502. (a) Section 2686(c) of title 10, United States Code, relating to leases for military family housing, is amended by striking out "\$300" in clause (1)(A) and inserting in lieu thereof "\$310".

(b) Section 2675(d) of title 10, United States Code, relating to leases in foreign countries, is amended—

(1) by striking out "\$485" and "\$850" in the first sentence of paragraph (1) and inserting in lieu thereof "\$550" and "\$970", respectively; and

(2) by striking out "18,000" in paragraph (2) and inserting in lieu thereof "17,000".

AUTHORIZATION OF APPROPRIATIONS

SEC. 503. (a) There is authorized to be appropriated for fiscal year 1980 for use by the Secretary of Defense, or the Secretary's designee, for military family housing as authorized by law for the following purposes:

(1) For construction of, or acquisition of sole interest in, family housing, including minor construction, an amount not to exceed \$15,000,000, and for planning, an amount not to exceed \$900,000.

(2) For support of military family housing, including operating expenses, leasing, maintenance of real property, payments of principal and interest on mortgage debts incurred, payment to the Commodity Credit Corporation, and mortgage insurance premiums authorized under section 222 of the National Housing Act (12 U.S.C. 1715m), an amount not to exceed \$1,662,525,000.

(3) For homeowners assistance under section 1013 of the Demonstration Cities and Metropolitan Development Act of 1966 (42 U.S.C. 3374), including acquisition of properties, an amount not to exceed \$5,000,000.

(b) The amounts authorized to be appropriated in subsection (a) may be increased to the extent additional funds are appropriated to defray increased pay costs associated with actions taken pursuant to law.

TITLE VI—AUTHORIZATION OF APPROPRIATIONS AND ADMINISTRATIVE PROVISIONS

WAIVER OF RESTRICTIONS

SEC. 601. The Secretary of each military department may proceed to establish or develop installations and facilities under this Act without regard to section 3648 of the Revised Statutes, as amended (31 U.S.C. 529), and sections 4774 and 9774 of title 10, United States Code. The authority to place permanent or temporary improvements on land includes authority for surveys, administration, overhead, planning, and supervision incident to construction. That authority may be exercised before title to the land is approved under section 355 of the Revised Statutes, as amended (40 U.S.C. 255), and even though the land is held temporarily. The authority to acquire real estate or lands includes authority to make surveys and to acquire land and interests in land (including temporary use), by gift, purchase, exchange of Government-owned land, or otherwise.

AUTHORIZATION OF APPROPRIATIONS

SEC. 602. There are authorized to be appropriated for fiscal year 1980 such sums as may be necessary for the purposes of this Act, but appropriations for public works projects authorized by titles I, II, III, IV, and V, shall not exceed—

(1) for title I: inside the United States \$552,925,000; outside the United States \$162,950,000; minor construction \$52,270,000; for a total of \$768,145,000;

(2) for title II: inside the United States \$400,990,000; outside the United States \$55,440,000; minor construction \$33,160,000; for a total of \$489,590,000;

(3) for title III: inside the United States \$432,530,000; outside the United States \$80,865,000; minor construction \$29,310,000; for a total of \$542,705,000;

(4) for title IV: a total of \$245,330,000, including \$5,250,000 for minor construction; and

(5) for title V: military family housing and homeowners assistance program, \$1,694,925,000, including \$3,000,000 for minor construction.

COST VARIATIONS

SEC. 603. (a) **OVERALL TITLE TOTAL LIMITATION.**—Notwithstanding the provisions of subsections (b), (c), (d), and (g), the total cost of all construction and acquisition in each of titles I, II, III, and IV may not exceed the total amount authorized to be appropriated in that title.

(b) **VARIATIONS IN INSTALLATION TOTALS—UNUSUAL VARIATIONS IN COST.**—Except as provided in subsections (c) and (d), any of the amounts specified in titles I, II, III, and IV of this Act (other than in sections 103, 203, 303, and 403) may, at the discretion of the Secretary of the military department or Director of the defense agency concerned, be increased by 5 per centum when inside the United States (other than Alaska or Hawaii), and by 10 per centum when outside the United States or in Alaska or Hawaii, if the Secretary of the military department or Director of the defense agency concerned determines that such increase (1) is required for the sole purpose of meeting unusual variations in cost, and (2) could not have been reasonably anticipated at the time such estimate was submitted to the Congress.

(c) **VARIATIONS IN INSTALLATION TOTALS—ONLY ONE PROJECT AT AN INSTALLATION.**—When the amount named for any construction or acquisition in title I, II, III, or IV of this Act involves only one project at any military installation and the Secretary of the military department or Director of the defense agency concerned determines that the amount authorized must be increased by more than the applicable percentage prescribed in subsection (b), the Secretary of the military department or Director of the defense agency concerned may proceed with such construction or acquisition if the amount of the increase does not exceed by more than 25 per centum the amount named for such project by the Congress.

(d) **VARIATIONS IN INSTALLATION TOTALS—REPORTS BY THE SECRETARY OF DEFENSE.**—When the Secretary of Defense determines that any amount named in title I, II, III, or IV of this Act must be exceeded by more than the percentages permitted in subsections (b) and (c) to accomplish authorized construction or acquisition, the Secretary of the military department or Director of the defense agency concerned may proceed with such construction or acquisition after a written report of the facts relating to the increase of such amount, including a statement of the reasons for such increase, has been submitted to the Committees on Armed Services of the Senate and House of Representatives, and either (1) thirty days have elapsed from the date of submission of such report, or (2) both committees have indicated approval of such construction or acquisition. Notwithstanding the provisions in prior Military Construction Authorization Acts, the provisions of this subsection shall apply to such prior Acts.

Report to
congressional
committees.

(e) **COST AND SCOPE VARIATIONS OF INDIVIDUAL PROJECTS; REPORTS TO CONGRESS.**—No individual project authorized under title I, II, III, or IV of this Act for any specifically listed military installation for which the current working estimate is greater than the statutory upper limit for minor construction projects, may be placed under contract if—

Report to congressional committees.

(1) the approved scope of the project is reduced in excess of 25 per centum; or

(2) the current working estimate, based upon bids received, for the construction of such project exceeds by more than 25 per centum the amount authorized for such project by the Congress; until a written report of the facts relating to the reduced scope or increased cost of such project, including a statement of the reasons for reduction in scope or increase in cost, has been submitted to the Committees on Armed Services of the Senate and House of Representatives, and either thirty days have elapsed from the date of submission of such report, or both committees have indicated approval of such reduction in scope or increase in cost, as the case may be.

(f) **ANNUAL REPORT TO CONGRESS.**—The Secretary of Defense, or the Secretary's designee, shall submit an annual report to the Congress identifying each individual project (other than a project authorized under section 103, 203, 303, or 403) which has been placed under contract in the preceding twelve-month period and with respect to which the then current working estimate of the Department of Defense based upon bids received for such project exceeded the amount authorized by the Congress for that project by more than 25 per centum. The Secretary shall also include in such report each individual project with respect to which the scope was reduced by more than 25 per centum in order to permit contract award within the available authorization for such project. Such report shall include all pertinent cost information for each individual project, including the amount in dollars and percentage by which the current working estimate based on the contract price for the project exceeded the amount authorized for such project by the Congress.

(g) **COST AND FLOOR AREA VARIATIONS—SOLAR ENERGY.**—The Secretary of Defense shall encourage the utilization of solar energy as a source of energy for projects authorized by this Act where utilization of solar energy would be practical and economically feasible. In order to equip any project authorized by this Act with solar heating equipment, solar cooling equipment, or both solar heating and solar cooling equipment, the Secretary of Defense may authorize increases in the cost limitations or floor area limitations for such project by such amounts as may be necessary for such purpose. Any increase under this section in the cost or floor area of a project authorized by this Act shall be in addition to any other increase in such cost or variation in floor area limitations authorized by this or any other Act.

CONSTRUCTION SUPERVISION

SEC. 604. Contracts for construction made by the United States for performance within the United States and its possessions under this Act shall be executed under the jurisdiction and supervision of the Corps of Engineers, Department of the Army; the Naval Facilities Engineering Command, Department of the Navy; or such other department or Government agency as the Secretaries of the military departments recommend and the Secretary of Defense approves to assure the most efficient, expeditious, and cost-effective accomplish-

ment of the construction herein authorized. The Secretaries of the military departments shall report annually to the President of the Senate and Speaker of the House of Representatives a breakdown of the dollar value of construction contracts completed by each of the several construction agencies selected together with the design, construction, supervision, and overhead fees charged by each of the several agents in the execution of the assigned construction. Further, such contracts (except architect and engineering contracts which, unless specifically authorized by the Congress shall continue to be awarded in accordance with presently established procedures, customs, and practice) shall be awarded, insofar as practicable, on a competitive basis to the lowest responsible bidder, if the national security will not be impaired and the award is consistent with chapter 137 of title 10, United States Code. The Secretaries of the military departments shall report annually to the President of the Senate and Speaker of the House of Representatives with respect to all contracts awarded on other than a competitive basis to the lowest responsible bidder. Such reports shall also show, in the case of the ten architect-engineering firms which, in terms of total dollars, were awarded the most business; the names of such firms; the total number of separate contracts awarded each firm; and the total amount paid or to be paid in the case of each such action under all such contracts awarded such firm.

Congress.

REPEAL OF PRIOR YEAR AUTHORIZATIONS; EXCEPTIONS

SEC. 605. (a) As of October 1, 1980, or the date of the enactment of the Military Construction Authorization Act for fiscal year 1981, whichever is later, all authorizations for military public works, including family housing, to be accomplished by the Secretary of a military department in connection with the establishment or development of installations and facilities, and all authorizations for appropriations therefor, that are contained in titles I, II, III, IV, and V of the Military Construction Authorization Act, 1979 (Public Law 95-356; 92 Stat. 565), and all such authorizations contained in Acts approved before September 8, 1978, and not superseded or otherwise modified by a later authorization are repealed except—

(1) authorizations for public works and for appropriations therefor that are set forth in those Acts in the titles that contain the general provisions; and

(2) authorizations for public works projects as to which appropriated funds have been obligated for construction contracts, land acquisition, or payments to the North Atlantic Treaty Organization, in whole or in part, before October 1, 1980, or the date of the enactment of the Military Construction Authorization Act for fiscal year 1981, whichever is later, and authorizations for appropriations therefor.

(b) Notwithstanding the repeal provisions of subsection (a) of this section and section 605 of the Military Construction Authorization Act, 1979 (Public Law 95-356, 92 Stat. 583), authorizations for the following items shall remain in effect until October 1, 1981, or the date of the enactment of the Military Construction Authorization Act for fiscal year 1982, whichever is later:

(5) Morse Training Building construction in the amount of \$2,400,000 at Naval Technical Training Center, Pensacola, Florida, authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 362).

(6) Medical/Dental Branch Clinic construction in the amount of \$4,350,000 at the Navy Regional Medical Center, Pearl Harbor, Hawaii (Naval Station, Midway Island), authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 362).

(7) Relocation of the weapons range from the Culebra Complex in the amount of \$12,000,000 for the Atlantic Fleet Weapons Range, Roosevelt Roads, Puerto Rico, authorized in section 204 of the Military Construction Authorization Act, 1974 (Public Law 93-166; 87 Stat. 668) and extended in section 605(b)(H) of the Military Construction Authorization Act, 1976 (Public Law 94-107; 89 Stat. 565) and in section 605(b)(4) of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 376).

(8) Industrial Waste Collection in the amount of \$2,650,000 at the Naval Torpedo Station, Keyport, Washington, authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 363).

(9) Municipal Sewer Connection in the amount of \$2,100,000 for the Long Beach Naval Shipyard, Long Beach, California, authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 369).

91 Stat. 363.

(10) Municipal Sewer Connection in the amount of \$4,150,000 for the Navy Public Works Center, Norfolk, Virginia, authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 363).

(11) Municipal Sewer Connection in the amount of \$2,200,000 for the Philadelphia Naval Shipyard, Philadelphia, Pennsylvania, authorized in section 201 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 363).

(12) Alter Sewage Treatment and Disposal Facilities in the amount of \$631,000 at King Salmon Airport, Alaska, authorized in section 301 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 366).

(13) Small Aircraft Maintenance Facility in the amount of \$1,928,000 for Moody Air Force Base, Georgia, authorized in section 301 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 367).

(14) High Energy Laser Facility construction in the amount of \$33,449,000 at White Sands, New Mexico, authorized in section

401 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 369).

(15) CIDC Field Operations Building at Fort Hood, Texas, in the amount of \$890,000 authorized in section 101 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 358).

(16) Radar Operations Facility at Redstone Arsenal, Alabama, in the amount of \$962,000 authorized in section 101 of the Military Construction Authorization Act, 1978 (Public Law 95-82; 91 Stat. 359).

UNIT COST LIMITATIONS

SEC. 606. None of the authority contained in titles I, II, III, and IV of this Act shall be deemed to authorize any building construction projects inside the United States in excess of a unit cost to be determined in proportion to the appropriate area construction cost index, based on the following unit cost limitations where the area construction index is 1.0:

(1) \$48 per square foot for permanent barracks; or

(2) \$52 per square foot for unaccompanied officer quarters; unless the Secretary of Defense, or the Secretary's designee, determines that, because of special circumstances, application to such project of the limitations on unit cost contained in this section is impracticable. Notwithstanding the limitations contained in prior Military Construction Authorization Acts on unit costs, the limitations on such costs contained in this section shall apply to all prior authorizations for such construction not heretofore repealed and for which construction contracts have not been awarded by the date of the enactment of this Act.

TITLE VII—GUARD AND RESERVE FORCES FACILITIES

AUTHORIZATION FOR FACILITIES

10 USC 2231 *et seq.*

SEC. 701. Subject to chapter 133 of title 10, United States Code, the Secretary of Defense may establish or develop additional facilities for the Guard and Reserve Forces, including the acquisition of land therefor, but the cost of such facilities shall not exceed the following amounts:

(1) For the Department of the Army—

(A) for the Army National Guard of the United States, \$18,237,000; and

(B) for the Army Reserve, \$24,824,000.

(2) For the Department of the Navy, for the Naval and Marine Corps Reserves, \$16,090,000.

(3) For the Department of the Air Force—

(A) for the Air National Guard of the United States, \$29,500,000; and

(B) for the Air Force Reserve, \$9,500,000.

WAIVER OF CERTAIN RESTRICTIONS

SEC. 702. The Secretary of Defense may establish or develop installations and facilities under this title without regard to section 3648 of the Revised Statutes, as amended (31 U.S.C. 529), and sections 4774 and 9774 of title 10, United States Code. The authority to place permanent or temporary improvements on lands includes authority for surveys, administration, overhead, planning, and supervision

incident to construction. That authority may be exercised before title to the land is approved under section 355 of the Revised Statutes, as amended (40 U.S.C. 255), and even though the land is held temporarily. The authority to acquire real estate or land includes authority to make surveys and to acquire land and interests in land (including temporary use), by gift, purchase, exchange of Government-owned land, or otherwise.

CONTRIBUTIONS FOR GUARD AND RESERVE FORCES FACILITIES

SEC. 703. Section 2233 of title 10, United States Code, is amended—

(1) by striking out “and” after clause (3);

(2) by striking out the period at the end of clause (4) and inserting in lieu thereof: “; and”; and

(3) by adding at the end thereof the following new clause:

“(5) contribute to any State or Territory, Puerto Rico, or the District of Columbia, such amounts for the acquisition, construction, expansion, rehabilitation, or conversion by the failure of existing facilities to meet the purposes of this chapter. A contribution made for an armory may not be more than 75 percent of the cost of construction of which it is applied.”.

INCREASE IN MAXIMUM CONTRIBUTION FOR GUARD AND RESERVE FORCES FACILITIES WITHOUT NOTIFICATION TO CONGRESS

SEC. 704. Paragraph (1) of section 2233a of title 10, United States Code, is amended by striking out “\$100,000” and inserting in lieu thereof “\$175,000”.

TITLE VIII—GENERAL PROVISIONS

REVISIONS TO MINOR CONSTRUCTION AUTHORITY

SEC. 801. Section 2674 of title 10, United States Code, relating to minor construction, is amended—

(1) by adding at the end of subsection (b) the following new sentence: “Approvals under the preceding sentence are not required for projects at specified locations that have been identified in the annual military construction program submitted by the Department of Defense to the Committees on Armed Services of the Senate and the House of Representatives.”; and

(2) by adding at the end of subsection (f) the following new sentence: “Such notice is not required for projects at specified locations that have been identified in the annual military construction program submitted by the Department of Defense to the Committees on Armed Services of the Senate and the House of Representatives.”.

AMENDMENT WITH RESPECT TO DEVELOPMENT OF SOURCES OF ENERGY ON MILITARY LANDS

SEC. 802. Section 803 of the Military Construction Authorization Act, 1979 (30 U.S.C. 1002a), is amended as follows:

(1) The section heading is amended to read as follows:

“DEVELOPMENT OF SOURCES OF ENERGY ON OR FOR MILITARY
INSTALLATIONS”.

30 USC 1002a.

(2) Subsection (b)(1) is amended by inserting “or on private property” after “jurisdiction”.

USE OF ROI-NAMUR ISLAND

SEC. 803. (a) The Secretary of Defense may pay to the owners of the land of Roi-Namur Island, Marshall Islands District of the Trust Territory of the Pacific Islands, such amount as the Secretary of Defense determines to be in the public interest for the use after 1960 of Roi-Namur Island by the Government of the United States.

Effective date.

(b) Subsection (a) shall take effect on October 1, 1979, and shall be effective for any fiscal year only to such extent or in such amounts as are provided in appropriation Acts.

USE OF SOLAR ENERGY SYSTEMS IN NEW CONSTRUCTION

SEC. 804. (a)(1) Chapter 159 of title 10, United States Code, is amended by adding at the end thereof the following new section:

10 USC 2688.

“§ 2688. Use of solar energy systems in new facilities

“(a) The Secretary of Defense shall require that all new facilities (including family housing) placed under design after the date of the enactment of the Military Construction Authorization Act, 1980, shall include consideration of solar energy systems in those cases in which solar energy has the potential to save fossil-fuel-derived energy. All contracts for construction resulting from such design shall include the requirement to furnish and install solar energy systems if such systems can be shown to be cost effective.

“(b) For the purposes of this section, a solar energy system shall be considered to be cost effective if the original investment cost differential can be recovered over the expected life of the facility.”

(2) The table of sections at the beginning of such chapter is amended by adding at the end thereof the following new item: “2688. Use of solar energy systems in new facilities.”

(b) Section 804 of the Military Construction Authorization Act, 1979 (42 U.S.C. 5504a), is repealed.

PREPARATION OF ENVIRONMENTAL IMPACT STATEMENTS WITH RESPECT
TO CERTAIN BASE CLOSURES AND REALIGNMENTS

SEC. 805. (a) No action with respect to the closure of, or the realignment of, the Army Training Command at Fort Dix, New Jersey, may be taken unless and until the Secretary of the Army has prepared an environmental impact statement in accordance with the requirements of the National Environmental Policy Act of 1969 with respect to the proposed closure or realignment. Such environmental impact statement shall place special emphasis on socio-economic factors in the affected area.

(b) No action with respect to the closure of, or the realignment of, the Air Training Command at Goodfellow Air Force Base, San Angelo, Texas, may be taken unless and until the Secretary of the Air Force has prepared an environmental impact statement in accordance with the requirements of the National Environmental Policy Act of 1969 with respect to the proposed closure or realignment. Such

environmental impact statement shall place special emphasis on socio-economic factors in San Angelo, Texas, and the affected area.

(c) No action with respect to the closure of, or the realignment of, Fort Indiantown Gap, Annville, Pennsylvania, may be taken unless and until the Secretary of the Army has prepared an environmental impact statement in accordance with the requirements of the National Environmental Policy Act of 1969 with respect to the proposed closure or realignment. Such environmental impact statement shall place special emphasis on socio-economic factors in the affected area.

(d) No action with respect to the closure of, or the realignment of, New Cumberland Army Depot, New Cumberland, Pennsylvania, may be taken unless and until the Secretary of the Army has prepared an environmental impact statement in accordance with the requirements of the National Environmental Policy Act of 1969 with respect to the proposed closure or realignment. Such environmental impact statement shall place special emphasis on socio-economic factors in the affected area.

(e) No action with respect to the closure of, or the realignment of, Fort Monroe, Hampton, Virginia, may be taken unless and until the Secretary of the Army has prepared an environmental impact statement in accordance with the requirements of the National Environmental Policy Act of 1969 with respect to the proposed closure or realignment. Such environmental impact statement shall place special emphasis on socio-economic factors in the affected area.

LEASE OF REMAINING PORTION OF FORMER ENT AIR FORCE BASE TO THE
UNITED STATES OLYMPIC COMMITTEE

SEC. 806. The Secretary of the Air Force is authorized to lease the excess 5.6 acres of land and improvements on the remaining portion of the former Ent Air Force Base, Colorado Springs, Colorado, to the United States Olympic Committee.

USE OF MASS TRANSIT ON MILITARY INSTALLATIONS

SEC. 807. (a) Subsection (a) of section 2632 of title 10, United States Code, is amended to read as follows:

“(a) Whenever the Secretary of a military department determines that it is necessary for the effective conduct of the affairs of that department, he may, at reasonable rates of fare under regulations to be prescribed by the Secretary of Defense, provide assured and adequate transportation by motor vehicle or water carrier—

“(1) among places on any military installation (including any subinstallation thereof) under the jurisdiction of that department; and

“(2) to and from their places of employment—

“(A) for persons attached to, or employed in, that department; and

“(B) during a war or national emergency declared by the Congress or the President, for persons attached to, or employed in, a private plant that is manufacturing material for that department.”

(b) Subsection (b) of such section is amended—

(1) by inserting “(1)” after “(b)”;

(2) by striking out “subsection (a)” and inserting in lieu thereof “subsection (a)(2)”;

(3) by redesignating clauses (1), (2), and (3) as clauses (A), (B), and (C), respectively; and

(4) by adding at the end thereof the following new paragraph:
 “(2)(A) The Secretary of Defense shall require that, in determining whether to provide transportation at any military installation under subsection (a)(1), the Secretary of the military department concerned shall give careful consideration to the potential for saving energy and reducing air pollution.

“(B) In providing transportation at any military installation under such subsection, the Secretary of the military department concerned may not require any fare for the transportation of members of the armed forces if the transportation is incident to training or other operational activities on such installation.

“(C) The authority under subsection (a)(1) to enter into contracts under which the United States is obligated to make outlays shall be effective for any fiscal year only to the extent that the budget authority for such outlays is provided in advance by appropriation Acts.”.

(c)(1) The heading of such section is amended to read as follows:

“§ 2632. Transportation to and from certain places of employment and on military installations”.

(2) The item relating to such section in the table of sections at the beginning of chapter 157 of such title is amended to read as follows:

“2632. Transportation to and from certain places of employment and on military installations.”.

10 USC 2631 *et seq.*

BOLLING AIR FORCE BASE EXTENSION

SEC. 808. Section 607(b) of the Military Construction Authorization Act, 1966 (Public Law 89-188; 79 Stat. 818), is amended by striking out “January 1, 1980” both places it appears and inserting in lieu thereof “October 1, 1984”.

LAND CONVEYANCE, SAN DIEGO, CALIFORNIA

SEC. 809. (a) The Secretary of the Navy (hereinafter in this section referred to as the “Secretary”) is authorized to acquire, by condemnation or otherwise, all right, title, and interest of the city of San Diego, California (hereinafter in this section referred to as the “City”), in and to a tract of land consisting of 40 acres, more or less, in the Balboa Park in San Diego, California. Land acquired pursuant to this section shall be used as the site for construction of any new Navy hospital or medical center that is authorized to be constructed in the greater San Diego area after the date of the enactment of this Act and for related purposes.

(b) The Secretary is authorized to convey to the City, in consideration for the acquisition under subsection (a), all right, title, and interest of the United States in and to all or any part of the real property (including improvements thereon) of the Naval Regional Medical Center, San Diego, that has been conveyed, leased, or otherwise made available to the United States by the City.

(c) The exact acreage and legal description of any land acquired or conveyed under this section shall be determined by surveys which are satisfactory to the Secretary.

(d) The authority of the Secretary to obligate funds under this section shall be effective only to the extent that appropriated funds are available for that purpose.

LAND CONVEYANCE, TUSTIN, CALIFORNIA

SEC. 810. (a) Subject to subsection (b), the Secretary of the Navy (hereinafter in this section referred to as the "Secretary") is authorized to convey to the Irvine Company, a Michigan corporation, all right, title, and interest of the United States in and to a parcel of land consisting of approximately 84 acres located in the northeastern portion of the Marine Corps Air Station (Helicopter), Tustin, California, together with the improvements on such land. Such conveyance shall be made subject to such terms and conditions as the Secretary considers to be in the public interest.

(b) In consideration for the conveyance by the Secretary under subsection (a), the Irvine Company shall—

(1) convey to the United States land and interests in land that the Secretary considers to be equivalent in value to the land conveyed by the Secretary under subsection (a) and that are otherwise acceptable to the Secretary,

(2) pay the costs of relocating the Military Affiliate Radio Station (MARS) radio facilities and the skeet range facilities located on the land conveyed under subsection (a), and

(3) pay all costs of surveys, appraisals, and evidence of title involved in both such conveyances.

(c) The exact acreages and legal descriptions of the lands to be conveyed under subsections (a) and (b) shall be determined by surveys which are satisfactory to the Secretary.

(d) The Secretary is authorized to accept any land conveyed under subsection (b), and any such land shall be administered by the Secretary.

LAND CONVEYANCE, CHARLESTON, SOUTH CAROLINA

SEC. 811. (a) The Secretary of the Air Force (hereinafter in this section referred to as the "Secretary") is authorized to acquire by exchange all right, title, and interest of the Charleston County Aviation Authority (hereinafter in this section referred to as the "Authority") in and to a replacement hazardous cargo handling area to be constructed by the Authority at the Charleston County Airport, South Carolina, for the Air Force.

(b) As consideration for the acquisition under subsection (a), the Secretary is authorized to convey to the Authority all right, title, and interest of the United States in and to land (and improvements thereon) having a fair market value not more than the fair market value of the property to be acquired.

(c) The exact acreages and legal descriptions of the properties to be acquired or conveyed under this section shall be determined by surveys which are satisfactory to the Secretary and to the Authority.

LAND EXCHANGE, KING COUNTY, WASHINGTON

SEC. 812. (a)(1) Subject to subsection (b), the Secretary of the Air Force (hereinafter in this section referred to as the "Secretary") is authorized to convey to King County, Washington, all right, title, and interest of the United States in and to that parcel of land, together with improvements thereon, at Boeing Field, Seattle, Washington, occupied on the date of the enactment of this Act (under a lease from the Department of the Air Force) by the 143d Combat Squadron, Washington Air National Guard.

(2) The conveyance authorized by paragraph (1) shall be made subject to such terms and conditions as the Secretary determines

necessary to protect the interests of the United States, but in no event may be made until a replacement facility for the 143d Combat Squadron, Washington Air National Guard, has been made available in accordance with subsection (b).

Funds,
availability.

(b) In consideration for the conveyance authorized under subsection (a), King County shall—

(1) make available to the Secretary a leasehold interest in land acceptable to the Secretary as a site for a replacement facility for such Air National Guard unit, together with funds in an amount sufficient to purchase or make improvements on such land for such replacement facility; or

(2) convey to the United States unencumbered fee simple title to land in the area of Seattle, Washington, which contains improvements acceptable to the Secretary as a replacement facility for such Air National Guard unit.

(c) Any funds made available under subsection (b)(1), and any land conveyed under subsection (b) (1) or (2), shall be subject to terms and conditions to be agreed upon by the Secretary and King County and which the Secretary considers to be in the public interest.

(d) If the cost of the replacement facility provided under subsection (b)(1) is less than the fair market value of the existing facility of such Air National Guard unit, King County shall pay the amount of the difference to the United States, and such amount shall be deposited in the Treasury as miscellaneous receipts.

LAND CONVEYANCE, HUNTSVILLE, ALABAMA

SEC. 813. (a) Subject to subsection (b), the Secretary of the Army (hereinafter in this section referred to as the "Secretary") is authorized to convey, without monetary consideration, to the Alabama Space Science Exhibit Commission (an agency of the State of Alabama) all right, title, and interest of the United States in and to the real property described in subsection (c). Any real property conveyed under the preceding sentence shall be conveyed for use as a permanent site, in addition to the real property conveyed under Public Law 90-276, for the Alabama Space Science Exhibit.

82 Stat. 68.

(b) The conveyance authorized by subsection (a) shall be subject—

(1) to the condition that the real property so conveyed shall be used by the State of Alabama (A) as a permanent site for an Alabama Space Science Exhibit to display suitable public exhibits of United States weaponry and allied subjects, developments of the National Aeronautics and Space Administration, and space-oriented exhibits of other United States Government departments, agencies, and instrumentalities, (B) for educational and recreational purposes related to the purposes described in subclause (A), or (C) for the purposes described in subclauses (A) and (B);

(2) to the condition that if such property is not used for one or more of the purposes described in subclause (A) or (B), all right, title, and interest in and to such real property shall revert to the United States, which shall have the right of immediate entry thereon; and

(3) to such other conditions as the Secretary may prescribe to protect the interest of the United States.

(c)(1) The real property referred to in subsection (a) is a certain tract or parcel of land containing 300 acres more or less (less that land occupied on the date of the enactment of this Act by the Department of the Navy), lying within range 1 west, township 4 south, parts of

sections 8 and 9, and more particularly described as beginning at the established northeast corner of the Alabama Space and Rocket Center, running east along the Redstone Arsenal northern boundary, thence south along the Redstone Arsenal eastern boundary to a point north of the northwest corner of the intersection of Patton Road and Goss Road, thence west parallel to the north site of Goss Road to MacDonald Creek, thence northwesterly parallel to the east bank of the creek to the northern line of the Tennessee Valley Authority easement, thence west along the easement to the Alabama Space and Rocket Center established corner, thence north and east along the Alabama Space and Rocket Center boundary to point of beginning.

(2) The exact description of such property shall be determined by a survey approved by the Secretary.

(d)(1) The real property conveyed by the United States to the Alabama Space Science Exhibit Commission under the authority of Public Law 90-276 may, in addition to the use authorized by section 3 of such Public Law, be used for educational and recreational purposes related to the use authorized by such section.

82 Stat. 68.

(2) Use of such property under this section shall be subject to the same condition as the condition prescribed in section 3 of such Public Law.
