“Sec. 12. (a) The people of the Virgin Islands shall have the rights of initiative and recall to be exercised as provided in subsection (b) and subsection (c), respectively.

“(b)(1) An initiative may enact, amend, or repeal any law, except that an initiative shall not be used to repeal a law declared by the legislature at the time of passage to be an emergency law necessary for the preservation of the public health, safety, or peace.

“(2) An initiative that proposes a reduction of taxes shall also provide for an equivalent reduction of expenditures or an equivalent increase in revenues from other sources.

“(3) An initiative shall address one subject only and matters reasonably related to that subject.

“(4) The ballot question shall be in such form that a ‘yes’ vote is a vote in favor of the proposal and a ‘no’ vote is a vote against the proposal.

“(5) A copy of the proposed initiative petition, including a complete text of the proposed law and containing signatures equal to at least 1 percent of the voters of each legislative district or 4 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections prior to circulation for ballot qualification. The Supervisor of Elections must determine within 10 days after the submission whether the preliminary signatures are sufficient. If so determined, the Supervisor of Elections shall refer the preliminary petition to an initiative titling board consisting of the Attorney General, the Supervisor of Elections, and the legislative counsel of the legislature. The board shall, in an open hearing, prepare the official ballot title, the submission question, and a summary of the initiative proposal, and this preparation shall be completed within 30 days after the referral.

“(6) After the ballot title has been written, proponents of the initiative proposal shall have a maximum of 180 days to circulate the petition. Petitions containing signatures equal to at least 10 percent of the voters of each legislative district or 41 percent of all voters of the Virgin Islands must be submitted to the Supervisor of Elections. The Supervisor shall have 15 days to determine that the minimum number of valid signatures are contained in the petition and he shall forward the certified proposal to the legislature which must accept or reject the measure within 30 days. If approved, the initiative shall take effect in accordance with its terms. If the legislature does not approve, the initiative shall be submitted to

the voters at the next general election, unless the legislature approves a special election for this purpose. The legislature may submit its own version of the initiative to the voters. Should both measures be approved by the voters, the measure receiving the higher number of votes shall prevail. The voters shall have a clear alternative of rejecting either version or the entire proposition.

"(7) An initiative submitted to the voters shall take effect if the initiative is approved by a majority of persons voting and if a majority of the voters of the Virgin Islands vote on the initiative. An initiative may not be vetoed by the Governor, and when approved by the voters, may not be amended or repealed by the legislature during the 3-year period after its approval unless the legislature acts by a two-thirds majority.

"(8) The legislature may provide the manner in which petitions shall be circulated, filed, certified, and the ballot question shall be submitted to the voters.

"(c)(1) An elected public official of the Virgin Islands may be removed from office by a recall election carried out under this subsection. The grounds for recall are any of the following: lack of fitness, incompetence, neglect of duty, or corruption.

"(2) A recall election may be initiated by a two-thirds vote of the members of the legislature or by a petition under this subsection.

"(3) Prior to circulation a recall petition which identifies by name and office the official being recalled and which states the grounds for recall shall be submitted to the Supervisor of Elections. The sponsors of the recall petition shall be allowed a period of 60 days after such submission for filing with the Supervisor of Elections a list of signatures equal in number to at least 50 percent of the whole number of votes cast for that office in the last general election at which that office was filled. The Supervisor of Elections shall have 15 days in which to determine whether the minimum number of valid signatures are contained in the recall petition.

"(4) A special recall election shall be held with respect to an elected public official not earlier than 30 days after a vote of the legislature under paragraph (2) or a determination of the board of elections under paragraph (3), as the case may be, and not later than 60 days after such vote or determination.

"(5) An official shall be removed from office upon approval of the recall in an election in which at least two-thirds of the number of persons voting for such official in the last preceding general election at which such official was elected vote in favor of recall and in which those so voting constitute a majority of all those participating in such recall election.

"(6) No recall election shall be held with respect to an elected public official—

"(A) during the first year of the first term of office of the official; or

"(B) less than 3 months before a general election for the office.

"(d) As used in this section, the term—
