(A)(i) For discharges occurring in a fiscal year beginning before October 1, 1987, the Secretary shall compute an average standardized amount for hospitals located in an urban area and for hospitals located in a rural area within the United States and for hospitals located in an urban area and for hospitals located in a rural area within each region, equal to the respective average standardized amount computed for the previous fiscal year under paragraph (2)(D) or under this subparagraph, increased for the fiscal year involved by the applicable percentage increase under subsection (b)(3)(B) of this section. With respect to discharges occurring on or after October 1, 1987, the Secretary shall compute urban and rural averages on the basis of discharge weighting rather than hospital weighting, making appropriate adjustments to ensure that computation on such basis does not result in total payments under this section that are greater or less than the total payments that would have been made under this section but for this sentence, and making appropriate changes in the manner of determining the reductions under subparagraph (C)(ii).

(ii) For discharges occurring in a fiscal year beginning on or after October 1, 1987, and ending on or before September 30, 1994, the Secretary shall compute an average standardized amount for hospitals located in a large urban

area, for hospitals located in a rural area, and for hospitals located in other urban areas, within the United States and within each region, equal to the respective average standardized amount computed for the previous fiscal year under this subparagraph increased by the applicable percentage increase under subsection (b)(3)(B)(i) of this section with respect to hospitals located in the respective areas for the fiscal year involved.

(iii) For discharges occurring in the fiscal year beginning on October 1, 1994, the average standardized amount for hospitals located in a rural area shall be equal to the average standardized amount for hospitals located in an other⁴ urban area. For discharges occurring on or after October 1, 1994, the Secretary shall adjust the ratio of the labor portion to non-labor portion of each average standardized amount to equal such ratio for the national average of all standardized amounts.

(iv) For discharges occurring in a fiscal year beginning on or after October 1, 1995, the Secretary shall compute an average standardized amount for hospitals located in a large urban area and for hospitals located in other areas within the United States and within each region equal to the respective average standardized amount computed for the previous fiscal year under this subparagraph increased by the applicable percentage increase under subsection (b)(3)(B)(i) of this section with respect to hospitals located in the respective areas for the fiscal year involved.

(v) Average standardized amounts computed under this paragraph shall be adjusted to reflect the most recent case-mix data available.

(B) The Secretary shall reduce each of the average standardized amounts determined under subparagraph (A) by a factor equal to the proportion of payments under this subsection (as estimated by the Secretary) based on DRG prospective payment amounts which are additional payments described in paragraph (5)(A) (relating to outlier payments).

(C)(i) For discharges occurring in fiscal year 1985, the Secretary shall adjust each of such average standardized amounts as may be required under subsection (e)(1)(B) of this section for that fiscal year.

(ii) For discharges occurring after September 30, 1986, the Secretary shall further reduce each of the average standardized amounts (in a proportion which takes into account the differing effects of the standardization effected under paragraph (2)(C)(i)) so as to provide for a reduction in the total of the payments (attributable to this paragraph) made for discharges occurring on or after October 1, 1986, of an amount equal to the estimated reduction in the payment amounts under paragraph (5)(B) that would have resulted from the enactment of the amendments made by section 9104 of the Medicare and Medicaid Budget Reconciliation Amendments of 1985 and by section 4003(a)(1) of the Omnibus Budget Reconciliation Act of 1987 if the factor described in clause (ii)(II) of paragraph (5)(B) (determined without regard to amendments made by the

Omnibus Budget Reconciliation Act of 1990) were applied for discharges occurring on or after such date instead of the factor described in clause (ii) of that paragraph.

(D) For each discharge classified within a diagnosis-related group, the Secretary shall establish for the fiscal year a national DRG prospective payment rate and shall establish a regional DRG prospective payment rate for each region, each of which is equal—

(i) for hospitals located in a large urban area in the United States or that region (respectively), to the product of—

(I) the average standardized amount (computed under subparagraph (A), reduced under subparagraph (B), and adjusted or reduced under subparagraph (C)) for the fiscal year for hospitals located in such a large urban area in the United States or that region, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group; and

(ii) for hospitals located in other areas in the United States or that region (respectively), to the product of—

(I) the average standardized amount (computed under subparagraph (A), reduced under subparagraph (B), and adjusted or reduced under subparagraph (C)) for the fiscal year for hospitals located in other areas in the United States or that region, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group.

(E) The Secretary shall adjust the proportion, (as estimated by the Secretary from time to time) of hospitals' costs which are attributable to wages and wage-related costs, of the DRG prospective payment rates computed under subparagraph (D) for area differences in hospital wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the hospital compared to the national average hospital wage level. Not later than October 1, 1990, and October 1, 1993 (and at least every 12 months thereafter), the Secretary shall update the factor under the preceding sentence on the basis of a survey conducted by the Secretary (and updated as appropriate) of the wages and wage-related costs of subsection (d) hospitals in the United States. To the extent determined feasible by the Secretary, such survey shall measure the earnings and paid hours of employment by occupational category and shall exclude data with respect to the wages and wage-related costs incurred in furnishing skilled nursing facility services. Any adjustments or updates made under this subparagraph for a fiscal year (beginning with fiscal year 1991) shall be made in a manner that assures that the aggregate payments under this subsection in the fiscal year are not greater or less than those that would have been made in the year without such adjustment.

(4)(A) The Secretary shall establish a classification of inpatient hospital discharges by diagnosis-related groups and a methodology for clas-

⁴ So in original. Probably should be "another".

sifying specific hospital discharges within these groups.

(B) For each such diagnosis-related group the Secretary shall assign an appropriate weighting factor which reflects the relative hospital resources used with respect to discharges classified within that group compared to discharges classified within other groups.

(C)(i) The Secretary shall adjust the classifications and weighting factors established under subparagraphs (A) and (B), for discharges in fiscal year 1988 and at least annually thereafter, to reflect changes in treatment patterns, technology, and other factors which may change the relative use of hospital resources.

(ii) For discharges in fiscal year 1990, the Secretary shall reduce the weighting factor for each diagnosis-related group by 1.22 percent.

(iii) Any such adjustment under clause (i) for discharges in a fiscal year (beginning with fiscal year 1991) shall be made in a manner that assures that the aggregate payments under this subsection for discharges in the fiscal year are not greater or less than those that would have been made for discharges in the year without such adjustment.

(iv) The Secretary shall include recommendations with respect to adjustments to weighting factors under clause (i) in the annual report to Congress required under subsection (e)(3)(B) of this section.

(5)(A)(i) For discharges occurring during fiscal years ending on or before September 30, 1997, the Secretary shall provide for an additional payment for a subsection (d) hospital for any discharge in a diagnosis-related group, the length of stay of which exceeds the mean length of stay for discharges within that group by a fixed number of days, or exceeds such mean length of stay by some fixed number of standard deviations, whichever is the fewer number of days.

(ii) For cases which are not included in clause (i), a subsection (d) hospital may request additional payments in any case where charges, adjusted to cost, exceed a fixed multiple of the applicable DRG prospective payment rate, or exceed such other fixed dollar amount, whichever is greater, or, for discharges in fiscal years beginning on or after October 1, 1994, exceed the applicable DRG prospective payment rate plus a fixed dollar amount determined by the Secretary.

(iii) The amount of such additional payment under clauses (i) and (ii) shall be determined by the Secretary and shall (except as payments under clause (i) are required to be reduced to take into account the requirements of clause (v)) approximate the marginal cost of care beyond the cutoff point applicable under clause (i) or (ii).

(iv) The total amount of the additional payments made under this subparagraph for discharges in a fiscal year may not be less than 5 percent nor more than 6 percent of the total payments projected or estimated to be made based on DRG prospective payment rates for discharges in that year.

(v) The Secretary shall provide that—

(I) the day outlier percentage for fiscal year 1995 shall be 75 percent of the day outlier percentage for fiscal year 1994;

(II) the day outlier percentage for fiscal year 1996 shall be 50 percent of the day outlier percentage for fiscal year 1994; and

(III) the day outlier percentage for fiscal year 1997 shall be 25 percent of the day outlier percentage for fiscal year 1994.

(vi) For purposes of this subparagraph, the term “day outlier percentage” means, for a fiscal year, the percentage of the total additional payments made by the Secretary under this subparagraph for discharges in that fiscal year which are additional payments under clause (i).

(B) The Secretary shall provide for an additional payment amount for subsection (d) hospitals with indirect costs of medical education, in an amount computed in the same manner as the adjustment for such costs under regulations (in effect as of January 1, 1983) under subsection (a)(2) of this section, except as follows:

(i) The amount of such additional payment shall be determined by multiplying (I) the sum of the amount determined under paragraph (1)(A)(ii)(II) (or, if applicable, the amount determined under paragraph (1)(A)(iii)) and the amount paid to the hospital under subparagraph (A), by (II) the indirect teaching adjustment factor described in clause (ii).

(ii) For purposes of clause (i)(II), the indirect teaching adjustment factor for discharges occurring on or after October 1, 1988, is equal to $1.89 \times (((1 + r) \text{ to the } n\text{th power}) - 1)$, where “r” is the ratio of the hospital’s full-time equivalent interns and residents to beds and “n” equals .405.

(iii) In determining such adjustment the Secretary shall not distinguish between those interns and residents who are employees of a hospital and those interns and residents who furnish services to a hospital but are not employees of such hospital.

(iv) In determining such adjustment, the Secretary shall continue to count interns and residents assigned to outpatient services of the hospital or providing services at any entity receiving a grant under section 254c of this title that is under the ownership or control of the hospital (if the hospital incurs all, or substantially all, of the costs of the services furnished by such interns and residents) as part of the calculation of the full-time-equivalent number of interns and residents.

(C)(i) The Secretary shall provide for such exceptions and adjustments to the payment amounts established under this subsection (other than under paragraph (9)) as the Secretary deems appropriate to take into account the special needs of regional and national referral centers (including those hospitals of 275 or more beds located in rural areas). A hospital which is classified as a rural hospital may appeal to the Secretary to be classified as a rural referral center under this clause on the basis of criteria (established by the Secretary) which shall allow the hospital to demonstrate that it should be so reclassified by reason of certain of its operating characteristics being similar to those of a typical urban hospital located in the same census region and which shall not require a rural osteopathic hospital to have more than 3,000 discharges in a year in order to be classi-

fied as a rural referral center. Such characteristics may include wages, scope of services, service area, and the mix of medical specialties. The Secretary shall publish the criteria not later than August 17, 1984, for implementation by October 1, 1984. An appeal allowed under this clause must be submitted to the Secretary (in such form and manner as the Secretary may prescribe) during the quarter before the first quarter of the hospital's cost reporting period (or, in the case of a cost reporting period beginning during October 1984, during the first quarter of that period), and the Secretary must make a final determination with respect to such appeal within 60 days after the date the appeal was submitted. Any payment adjustments necessitated by a reclassification based upon the appeal shall be effective at the beginning of such cost reporting period.

(ii) The Secretary shall provide, under clause (i), for the classification of a rural hospital as a regional referral center if the hospital has a case mix index equal to or greater than the median case mix index for hospitals (other than hospitals with approved teaching programs) located in an urban area in the same region (as defined in paragraph (2)(D)), has at least 5,000 discharges a year or, if less, the median number of discharges in urban hospitals in the region in which the hospital is located (or, in the case of a rural osteopathic hospital, meets the criterion established by the Secretary under clause (i) with respect to the annual number of discharges for such hospitals), and meets any other criteria established by the Secretary under clause (i).

(D)(i) For any cost reporting period beginning on or after April 1, 1990, with respect to a subsection (d) hospital which is a sole community hospital, payment under paragraph (1)(A) shall be—

(I) an amount based on 100 percent of the hospital's target amount for the cost reporting period, as defined in subsection (b)(3)(C) of this section, or

(II) the amount determined under paragraph (1)(A)(iii),

whichever results in greater payment to the hospital.

(ii) In the case of a sole community hospital that experiences, in a cost reporting period compared to the previous cost reporting period, a decrease of more than 5 percent in its total number of inpatient cases due to circumstances beyond its control, the Secretary shall provide for such adjustment to the payment amounts under this subsection (other than under paragraph (9)) as may be necessary to fully compensate the hospital for the fixed costs it incurs in the period in providing inpatient hospital services, including the reasonable cost of maintaining necessary core staff and services.

(iii) For purposes of this subchapter, the term "sole community hospital" means any hospital—

(I) that the Secretary determines is located more than 35 road miles from another hospital,

(II) that, by reason of factors such as the time required for an individual to travel to the nearest alternative source of appropriate inpatient care (in accordance with standards pro-

mulgated by the Secretary), location, weather conditions, travel conditions, or absence of other like hospitals (as determined by the Secretary), is the sole source of inpatient hospital services reasonably available to individuals in a geographic area who are entitled to benefits under part A of this subchapter, or

(III) that is located in a rural area and designated by the Secretary as an essential access community hospital under section 1395i-4(i)(1) of this title.

(iv) The Secretary shall promulgate a standard for determining whether a hospital meets the criteria for classification as a sole community hospital under clause (iii)(II) because of the time required for an individual to travel to the nearest alternative source of appropriate inpatient care.

(v) If the Secretary determines that, in the case of a hospital located in a rural area and designated by the Secretary as an essential access community hospital under section 1395i-4(i)(1) of this title, the hospital has incurred increases in reasonable costs during a cost reporting period as a result of becoming a member of a rural health network (as defined in section 1395i-4(g) of this title) in the State in which it is located, and in incurring such increases, the hospital will increase its costs for subsequent cost reporting periods, the Secretary shall increase the hospital's target amount under subsection (b)(3)(C) of this section to account for such incurred increases.

(E)(i) The Secretary shall estimate the amount of reimbursement made for services described in section 1395y(a)(14) of this title with respect to which payment was made under part B of this subchapter in the base reporting periods referred to in paragraph (2)(A) and with respect to which payment is no longer being made.

(ii) The Secretary shall provide for an adjustment to the payment for subsection (d) hospitals in each fiscal year so as appropriately to reflect the net amount described in clause (i).

(F)(i) For discharges occurring on or after May 1, 1986, the Secretary shall provide, in accordance with this subparagraph, for an additional payment amount for each subsection (d) hospital which—

(I) serves a significantly disproportionate number of low-income patients (as defined in clause (v)), or

(II) is located in an urban area, has 100 or more beds, and can demonstrate that its net inpatient care revenues (excluding any of such revenues attributable to this subchapter or State plans approved under subchapter XIX of this chapter), during the cost reporting period in which the discharges occur, for indigent care from State and local government sources exceed 30 percent of its total of such net inpatient care revenues during the period.

(ii) The amount of such payment for each discharge shall be determined by multiplying (I) the sum of the amount determined under paragraph (1)(A)(ii)(II) (or, if applicable, the amount determined under paragraph (1)(A)(iii)) and the amount paid to the hospital under subparagraph (A) for that discharge, by (II) the disproportionate share adjustment percentage established

under clause (iii) or (iv) for the cost reporting period in which the discharge occurs.

(iii) The disproportionate share adjustment percentage for a cost reporting period for a hospital described in clause (i)(II) is equal to 35 percent.

(iv) The disproportionate share adjustment percentage for a cost reporting period for a hospital that is not described in clause (i)(II) and that—

(I) is located in an urban area and has 100 or more beds or is described in the second sentence of clause (v), is equal to the percent determined in accordance with the applicable formula described in clause (vii);

(II) is located in an urban area and has less than 100 beds, is equal to 5 percent;

(III) is located in a rural area and is not described in subclause (IV) or (V) or in the second sentence of clause (v), is equal to 4 percent;

(IV) is located in a rural area, is classified as a rural referral center under subparagraph (C), and is classified as a sole community hospital under subparagraph (D), is equal to 10 percent or, if greater, the percent determined in accordance with the applicable formula described in clause (viii);

(V) is located in a rural area, is classified as a rural referral center under subparagraph (C), and is not classified as a sole community hospital under subparagraph (D), is equal to the percent determined in accordance with the applicable formula described in clause (viii); or

(VI) is located in a rural area, is classified as a sole community hospital under subparagraph (D), and is not classified as a rural referral center under subparagraph (C), is 10 percent.

(v) In this subparagraph, a hospital “serves a significantly disproportionate number of low income patients” for a cost reporting period if the hospital has a disproportionate patient percentage (as defined in clause (vi)) for that period which equals, or exceeds—

(I) 15 percent, if the hospital is located in an urban area and has 100 or more beds,

(II) 30 percent, if the hospital is located in a rural area and has more than 100 beds, or is located in a rural area and is classified as a sole community hospital under subparagraph (D),

(III) 40 percent, if the hospital is located in an urban area and has less than 100 beds, or

(IV) 45 percent, if the hospital is located in a rural area and is not described in subclause (II).

A hospital located in a rural area and with 500 or more beds also “serves a significantly disproportionate number of low income patients” for a cost reporting period if the hospital has a disproportionate patient percentage (as defined in clause (vi)) for that period which equals or exceeds a percentage specified by the Secretary.

(vi) In this subparagraph, the term “disproportionate patient percentage” means, with respect to a cost reporting period of a hospital, the sum of—

(I) the fraction (expressed as a percentage), the numerator of which is the number of such hospital’s patient days for such period which

were made up of patients who (for such days) were entitled to benefits under part A of this subchapter and were entitled to supplementary security income benefits (excluding any State supplementation) under subchapter XVI of this chapter, and the denominator of which is the number of such hospital’s patient days for such fiscal year which were made up of patients who (for such days) were entitled to benefits under part A of this subchapter, and

(II) the fraction (expressed as a percentage), the numerator of which is the number of the hospital’s patient days for such period which consist of patients who (for such days) were eligible for medical assistance under a State plan approved under subchapter XIX of this chapter, but who were not entitled to benefits under part A of this subchapter, and the denominator of which is the total number of the hospital’s patient days for such period.

(vii) The formula used to determine the disproportionate share adjustment percentage for a cost reporting period for a hospital described in clause (iv)(I) is—

(I) in the case of such a hospital with a disproportionate patient percentage (as defined in clause (vi)) greater than 20.2—

(a) for discharges occurring on or after April 1, 1990, and on or before December 31, 1990, $(P - 20.2)(.65) + 5.62$,

(b) for discharges occurring on or after January 1, 1991, and on or before September 30, 1993, $(P - 20.2)(.7) + 5.62$,

(c) for discharges occurring on or after October 1, 1993, and on or before September 30, 1994, $(P - 20.2)(.8) + 5.88$, and

(d) for discharges occurring on or after October 1, 1994, $(P - 20.2)(.825) + 5.88$; or

(II) in the case of any other such hospital—

(a) for discharges occurring on or after April 1, 1990, and on or before December 31, 1990, $(P - 15)(.6) + 2.5$,

(b) for discharges occurring on or after January 1, 1991, and on or before September 30, 1993, $(P - 15)(.6) + 2.5$,⁵

(c) for discharges occurring on or after October 1, 1993, $(P - 15)(.65) + 2.5$,

where “P” is the hospital’s disproportionate patient percentage (as defined in clause (vi)).

(viii) The formula used to determine the disproportionate share adjustment percentage for a cost reporting period for a hospital described in clause (iv)(IV) or (iv)(V) is the percentage determined in accordance with the following formula: $(P - 30)(.6) + 4.0$, where “P” is the hospital’s disproportionate patient percentage (as defined in clause (vi)).

(G)(i) For any cost reporting period beginning on or after April 1, 1990, and before October 1, 1994, in the case of a subsection (d) hospital which is a medicare-dependent, small rural hospital, payment under paragraph (1)(A) shall be equal to the sum of the amount determined under clause (ii) and the amount determined under paragraph (1)(A)(iii).

(ii) The amount determined under this clause is—

⁵ So in original. Probably should be followed by “and”.

(I) for discharges occurring during the 36-month period beginning with the first day of the cost reporting period that begins on or after April 1, 1990, the amount by which the hospital's target amount for the cost reporting period (as defined in subsection (b)(3)(D) of this section) exceeds the amount determined under paragraph (1)(A)(iii); and

(II) for discharges occurring during any subsequent cost reporting period (or portion thereof) and before October 1, 1994, 50 percent of the amount by which the hospital's target amount for the cost reporting period (as defined in subsection (b)(3)(D) of this section) exceeds the amount determined under paragraph (1)(A)(iii).

(iii) In the case of a medicare dependent, small rural hospital that experiences, in a cost reporting period compared to the previous cost reporting period, a decrease of more than 5 percent in its total number of inpatient cases due to circumstances beyond its control, the Secretary shall provide for such adjustment to the payment amounts under this subsection (other than under paragraph (9)) as may be necessary to fully compensate the hospital for the fixed costs it incurs in the period in providing inpatient hospital services, including the reasonable cost of maintaining necessary core staff and services.

(iv) The term "medicare-dependent, small rural hospital" means, with respect to any cost reporting period to which clause (i) applies, any hospital—

(I) located in a rural area,

(II) that has not more than 100 beds,

(III) that is not classified as a sole community hospital under subparagraph (D), and

(IV) for which not less than 60 percent of its inpatient days or discharges during the cost reporting period beginning in fiscal year 1987 were attributable to inpatients entitled to benefits under part A of this subchapter.

(H) The Secretary may provide for such adjustments to the payment amounts under this subsection as the Secretary deems appropriate to take into account the unique circumstances of hospitals located in Alaska and Hawaii.

(D)(i) The Secretary shall provide by regulation for such other exceptions and adjustments to such payment amounts under this subsection as the Secretary deems appropriate.

(ii) In making adjustments under clause (i) for transfer cases (as defined by the Secretary) in a fiscal year, the Secretary may make adjustments to each of the average standardized amounts determined under paragraph (3) to assure that the aggregate payments made under this subsection for such fiscal year are not greater or lesser than those that would have otherwise been made in such fiscal year.

(6) The Secretary shall provide for publication in the Federal Register, on or before the September 1 before each fiscal year (beginning with fiscal year 1984), of a description of the methodology and data used in computing the adjusted DRG prospective payment rates under this subsection, including any adjustments required under subsection (e)(1)(B) of this section.

(7) There shall be no administrative or judicial review under section 139500 of this title or otherwise of—

(A) the determination of the requirement, or the proportional amount, of any adjustment effected pursuant to subsection (e)(1) of this section, and

(B) the establishment of diagnosis-related groups, of the methodology for the classification of discharges within such groups, and of the appropriate weighting factors thereof under paragraph (4).

(8)(A) In the case of any hospital which is located in an area which is, at any time after April 20, 1983, reclassified from an urban to a rural area, payments to such hospital for the first two cost reporting periods for which such reclassification is effective shall be made as follows:

(i) For the first such cost reporting period, payment shall be equal to the amount payable to such hospital for such reporting period on the basis of the rural classification, plus an amount equal to two-thirds of the amount (if any) by which—

(I) the amount which would have been payable to such hospital for such reporting period on the basis of an urban classification, exceeds

(II) the amount payable to such hospital for such reporting period on the basis of the rural classification.

(ii) For the second such cost reporting period, payment shall be equal to the amount payable to such hospital for such reporting period on the basis of the rural classification, plus an amount equal to one-third of the amount (if any) by which—

(I) the amount which would have been payable to such hospital for such reporting period on the basis of an urban classification, exceeds

(II) the amount payable to such hospital for such reporting period on the basis of the rural classification.

(B) For purposes of this subsection, the Secretary shall treat a hospital located in a rural county adjacent to one or more urban areas as being located in the urban metropolitan statistical area to which the greatest number of workers in the county commute, if the rural county would otherwise be considered part of an urban area, under the standards for designating Metropolitan Statistical Areas (and for designating New England County Metropolitan Areas) published in the Federal Register on January 3, 1980, if the commuting rates used in determining outlying counties (or, for New England, similar recognized areas) were determined on the basis of the aggregate number of resident workers who commute to (and, if applicable under the standards, from) the central county or counties of all contiguous Metropolitan Statistical Areas (or New England County Metropolitan Areas).

(C)(i) If the application of subparagraph (B) or a decision of the Medicare Geographic Classification Review Board or the Secretary under paragraph (10), by treating hospitals located in a rural county or counties as being located in an urban area, or by treating hospitals located in one urban area as being located in another urban area—

(I) reduces the wage index for that urban area (as applied under this subsection) by 1

percentage point or less, the Secretary, in calculating such wage index under this subsection, shall exclude those hospitals so treated, or

(II) reduces the wage index for that urban area by more than 1 percentage point (as applied under this subsection), the Secretary shall calculate and apply such wage index under this subsection separately to hospitals located in such urban area (excluding all the hospitals so treated) and to the hospitals so treated (as if such hospitals were located in such urban area).

(ii) If the application of subparagraph (B) or a decision of the Medicare Geographic Classification Review Board or the Secretary under paragraph (10), by treating hospitals located in a rural county or counties as not being located in the rural area in a State, reduces the wage index for that rural area (as applied under this subsection), the Secretary shall calculate and apply such wage index under this subsection as if the hospitals so treated had not been excluded from calculation of the wage index for that rural area.

(iii) The application of subparagraph (B) or a decision of the Medicare Geographic Classification Review Board or the Secretary under paragraph (10) may not result in the reduction of any county's wage index to a level below the wage index for rural areas in the State in which the county is located.

(iv) The application of subparagraph (B) or a decision of the Medicare Geographic Classification Review Board or of the Secretary under paragraph (10) may not result in a reduction in an urban area's wage index if—

(I) the urban area has a wage index below the wage index for rural areas in the State in which it is located; or

(II) the urban area is located in a State that is composed of a single urban area.

(v) This subparagraph shall apply with respect to discharges occurring in a fiscal year only if the Secretary uses a method for making adjustments to the DRG prospective payment rate for area differences in hospital wage levels under paragraph (3)(E) for the fiscal year that is based on the use of Metropolitan Statistical Area classifications.

(D) The Secretary shall make a proportional adjustment in the standardized amounts determined under paragraph (3) to assure that the provisions of subparagraphs (B) and (C) or a decision of the Medicare Geographic Classification Review Board or the Secretary under paragraph (10) do not result in aggregate payments under this section that are greater or less than those that would otherwise be made.

(9)(A) Notwithstanding section 1395f(b) of this title but subject to the provisions of section 1395e of this title, the amount of the payment with respect to the operating costs of inpatient hospital services of a subsection (d) Puerto Rico hospital for inpatient hospital discharges in a fiscal year beginning on or after October 1, 1987, is equal to the sum of—

(i) 75 percent of the Puerto Rico adjusted DRG prospective payment rate (determined under subparagraph (B) or (C)) for such discharges, and

(ii) 25 percent of the discharge-weighted average of—

(I) the national adjusted DRG prospective payment rate (determined under paragraph (3)(D)) for hospitals located in a large urban area,

(II) such rate for hospitals located in other urban areas, and

(III) such rate for hospitals located in a rural area,

for such discharges, adjusted in the manner provided in paragraph (3)(E) for different area wage levels. As used in this section, the term "subsection (d) Puerto Rico hospital" means a hospital that is located in Puerto Rico and that would be a subsection (d) hospital (as defined in paragraph (1)(B)) if it were located in one of the fifty States.

(B) The Secretary shall determine a Puerto Rico adjusted DRG prospective payment rate, for each inpatient hospital discharge in fiscal year 1988 involving inpatient hospital services of a subsection (d) Puerto Rico hospital for which payment may be made under part A of this subchapter. Such rate shall be determined for such hospitals located in urban or rural areas within Puerto Rico, as follows:

(i) The Secretary shall determine the target amount (as defined in subsection (b)(3)(A) of this section) for the hospital for the cost reporting period beginning in fiscal year 1987 and increase such amount by prorating the applicable percentage increase (as defined in subsection (b)(3)(B) of this section) to update the amount to the midpoint in fiscal year 1988.

(ii) The Secretary shall standardize the amount determined under clause (i) for each hospital by—

(I) excluding an estimate of indirect medical education costs,

(II) adjusting for variations among hospitals by area in the average hospital wage level,

(III) adjusting for variations in case mix among hospitals, and

(IV) excluding an estimate of the additional payments to certain subsection (d) Puerto Rico hospitals to be made under subparagraph (D)(iii) (relating to disproportionate share payments).

(iii) The Secretary shall compute a discharge weighted average of the standardized amounts determined under clause (ii) for all hospitals located in an urban area and for all hospitals located in a rural area (as such terms are defined in paragraph (2)(D)).

(iv) The Secretary shall reduce the average standardized amount by a proportion equal to the proportion (estimated by the Secretary) of the amount of payments under this paragraph which are additional payments described in subparagraph (D)(i) (relating to outlier payments).

(v) For each discharge classified within a diagnosis-related group for hospitals located in an urban or rural area, respectively, the Secretary shall establish a Puerto Rico DRG prospective payment rate equal to the product of—

(I) the average standardized amount (computed under clause (iii) and reduced under

clause (iv)) for hospitals located in an urban or rural area, respectively, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group.

(vi) The Secretary shall adjust the proportion (as estimated by the Secretary from time to time) of hospitals' costs which are attributable to wages and wage-related costs, of the Puerto Rico DRG prospective payment rate computed under clause (v) for area differences in hospital wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the hospital compared to the Puerto Rican average hospital wage level.

(C) The Secretary shall determine a Puerto Rico adjusted DRG prospective payment rate, for each inpatient hospital discharge after fiscal year 1988 involving inpatient hospital services of a subsection (d) Puerto Rico hospital for which payment may be made under part A of this subchapter. Such rate shall be determined for hospitals located in urban or rural areas within Puerto Rico as follows:

(i) The Secretary shall compute an average standardized amount for hospitals located in an urban area and for hospitals located in a rural area equal to the respective average standardized amount computed for the previous fiscal year under subparagraph (B)(iii) or under this clause, increased for fiscal year 1989 by the applicable percentage increase under subsection (b)(3)(B) of this section, and adjusted for subsequent fiscal years in accordance with the final determination of the Secretary under subsection (e)(4) of this section, and adjusted to reflect the most recent case-mix data available.

(ii) The Secretary shall reduce each of the average standardized amounts by a proportion equal to the proportion (estimated by the Secretary) of the amount of payments under this paragraph which are additional payments described in subparagraph (D)(i) (relating to outlier payments).

(iii) For each discharge classified within a diagnosis-related group for hospitals located in an urban or rural area, respectively, the Secretary shall establish a Puerto Rico DRG prospective payment rate equal to the product of—

(I) the average standardized amount (computed under clause (i) and reduced under clause (ii)) for hospitals located in an urban or rural area, respectively, and

(II) the weighting factor (determined under paragraph (4)(B)) for that diagnosis-related group.

(iv) The Secretary shall adjust the proportion (as estimated by the Secretary from time to time) of hospitals' costs which are attributable to wages and wage-related costs, of the Puerto Rico DRG prospective payment rate computed under clause (iii) for area differences in hospital wage levels by a factor (established by the Secretary) reflecting the relative hospital wage level in the geographic area of the hospital compared to the Puerto Rico average hospital wage level. The second

and third sentences of paragraph (3)(E) shall apply to subsection (d) Puerto Rico hospitals under this clause in the same manner as they apply to subsection (d) hospitals under such paragraph and, for purposes of this clause, any reference in such paragraph to a subsection (d) hospital is deemed a reference to a subsection (d) Puerto Rico hospital.

(D) The following provisions of paragraph (5) shall apply to subsection (d) Puerto Rico hospitals receiving payment under this paragraph in the same manner and to the extent as they apply to subsection (d) hospitals receiving payment under this subsection:

(i) Subparagraph (A) (relating to outlier payments).

(ii) Subparagraph (B) (relating to payments for indirect medical education costs), except that for this purpose the sum of the amount determined under subparagraph (A) of this paragraph and the amount paid to the hospital under clause (i) of this subparagraph shall be substituted for the sum referred to in paragraph (5)(B)(i)(I).

(iii) Subparagraph (F) (relating to disproportionate share payments), except that for this purpose the sum described in clause (ii) of this subparagraph shall be substituted for the sum referred to in paragraph (5)(F)(ii)(I).

(iv) Subparagraph (H) (relating to exceptions and adjustments).

(10)(A) There is hereby established the Medicare Geographic Classification Review Board (hereinafter in this paragraph referred to as the "Board").

(B)(i) The Board shall be composed of 5 members appointed by the Secretary without regard to the provisions of title 5, governing appointments in the competitive service. Two of such members shall be representative of subsection (d) hospitals located in a rural area under paragraph (2)(D). At least 1 member shall be knowledgeable in the field of analyzing costs with respect to the provision of inpatient hospital services.

(ii) The Secretary shall make initial appointments to the Board as provided in this paragraph within 180 days after December 19, 1989.

(C)(i) The Board shall consider the application of any subsection (d) hospital requesting that the Secretary change the hospital's geographic classification for purposes of determining for a fiscal year—

(I) the hospital's average standardized amount under paragraph (2)(D), or

(II) the factor used to adjust the DRG prospective payment rate for area differences in hospital wage levels that applies to such hospital under paragraph (3)(E).

(ii) A hospital requesting a change in geographic classification under clause (i) for a fiscal year shall submit its application to the Board not later than the first day of the preceding fiscal year.

(iii)(I) The Board shall render a decision on an application submitted under clause (i) not later than 180 days after the deadline referred to in clause (ii).

(II) Appeal of decisions of the Board shall be subject to the provisions of section 557b⁶ of title 5. The Secretary shall issue a decision on such an appeal not later than 90 days after the date on which the appeal is filed. The decision of the Secretary shall be final and shall not be subject to judicial review.

(D)(i) The Secretary shall publish guidelines to be utilized by the Board in rendering decisions on applications submitted under this paragraph, and shall include in such guidelines the following:

(I) Guidelines for comparing wages, taking into account (to the extent the Secretary determines appropriate) occupational mix, in the area in which the hospital is classified and the area in which the hospital is applying to be classified.

(II) Guidelines for determining whether the county in which the hospital is located should be treated as being a part of a particular Metropolitan Statistical Area.

(III) Guidelines for considering information provided by an applicant with respect to the effects of the hospital's geographic classification on access to inpatient hospital services by medicare beneficiaries.

(IV) Guidelines for considering the appropriateness of the criteria used to define New England County Metropolitan Areas.

(ii) Notwithstanding clause (i), if the Secretary uses a method for making adjustments to the DRG prospective payment rate for area differences in hospital wage levels under paragraph (3)(E) that is not based on the use of Metropolitan Statistical Area classifications, the Secretary may revise the guidelines published under clause (i) to the extent such guidelines are used to determine the appropriateness of the geographic area in which the hospital is determined to be located for purposes of making such adjustments.

(iii) The Secretary shall publish the guidelines described in clause (i) by July 1, 1990.

(E)(i) The Board shall have full power and authority to make rules and establish procedures, not inconsistent with the provisions of this subchapter or regulations of the Secretary, which are necessary or appropriate to carry out the provisions of this paragraph. In the course of any hearing the Board may administer oaths and affirmations. The provisions of subsections (d) and (e) of section 405 of this title with respect to subpoenas shall apply to the Board to the same extent as such provisions apply to the Secretary with respect to subchapter II of this chapter.

(ii) The Board is authorized to engage such technical assistance and to receive such information as may be required to carry out its functions, and the Secretary shall, in addition, make available to the Board such secretarial, clerical, and other assistance as the Board may require to carry out its functions.

(F)(i) Each member of the Board who is not an officer or employee of the Federal Government shall be compensated at a rate equal to the daily equivalent of the annual rate of basic pay pre-

scribed for grade GS-18 of the General Schedule under section 5332 of title 5 for each day (including travel time) during which such member is engaged in the performance of the duties of the Board. Each member of the Board who is an officer or employee of the United States shall serve without compensation in addition to that received for service as an officer or employee of the United States.

(ii) Members of the Board shall be allowed travel expenses, including per diem in lieu of subsistence, at rates authorized for employees of agencies under subchapter I of chapter 57 of title 5, while away from their homes or regular places of business in the performance of services for the Board.

(e) Proportional adjustments in applicable percentage increases; Prospective Payment Assessment Commission

(1)(A) For cost reporting periods of hospitals beginning in fiscal year 1984 or fiscal year 1985, the Secretary shall provide for such proportional adjustment in the applicable percentage increase (otherwise applicable to the periods under subsection (b)(3)(B) of this section) as may be necessary to assure that—

(i) the aggregate payment amounts otherwise provided under subsection (d)(1)(A)(i)(I) of this section for that fiscal year for operating costs of inpatient hospital services of hospitals (excluding payments made under section 1395cc(a)(1)(F) of this title),

are not greater or less than—

(ii) the target percentage (as defined in subsection (d)(1)(C) of this section) of the payment amounts which would have been payable for such services for those same hospitals for that fiscal year under this section under the law as in effect before April 20, 1983 (excluding payments made under section 1395cc(a)(1)(F) of this title);

except that the adjustment made under this subparagraph shall apply only to subsection (d) hospitals and shall not apply for purposes of making computations under subsection (d)(2)(B)(ii) of this section or subsection (d)(3)(A) of this section.

(B) For discharges occurring in fiscal year 1984 or fiscal year 1985, the Secretary shall provide under subsections (d)(2)(F) and (d)(3)(C) of this section for such equal proportional adjustment in each of the average standardized amounts otherwise computed for that fiscal year as may be necessary to assure that—

(i) the aggregate payment amounts otherwise provided under subsection (d)(1)(A)(i)(II) and (d)(5) of this section for that fiscal year for operating costs of inpatient hospital services of hospitals (excluding payments made under section 1395cc(a)(1)(F) of this title),

are not greater or less than—

(ii) the DRG percentage (as defined in subsection (d)(1)(C) of this section) of the payment amounts which would have been payable for such services for those same hospitals for that fiscal year under this section under the law as in effect before April 20, 1983 (excluding payments made under section 1395cc(a)(1)(F) of this title).

⁶ So in original. Probably should be section "557(b)".

(C) For discharges occurring in fiscal year 1988, the Secretary shall provide for such equal proportional adjustment in each of the average standardized amounts otherwise computed under subsection (d)(3) of this section for that fiscal year as may be necessary to assure that—

(i) the aggregate payment amounts otherwise provided under subsections (d)(1)(A)(iii), (d)(5), and (d)(9) of this section for that fiscal year for operating costs of inpatient hospital services of subsection (d) hospitals and subsection (d) Puerto Rico hospitals,

are not greater or less than—

(ii) the payment amounts that would have been payable for such services for those same hospitals for that fiscal year but for the enactment of the amendments made by section 9304 of the Omnibus Budget Reconciliation Act of 1986.

(2)(A) The Director of the Congressional Office of Technology Assessment (hereinafter in this subsection referred to as the “Director” and the “Office”, respectively) shall provide for appointment of a Prospective Payment Assessment Commission (hereinafter in this subsection referred to as the “Commission”), to be composed of independent experts appointed by the Director (without regard to the provisions of title 5 governing appointments in the competitive service). The Commission shall review the applicable percentage increase factor described in subsection (b)(3)(B) of this section and make recommendations to the Secretary on the appropriate percentage change which should be effected for hospital inpatient discharges under subsections (b) and (d) of this section for fiscal years beginning with fiscal year 1986. In making its recommendations, the Commission shall take into account changes in the hospital market-basket described in subsection (b)(3)(B) of this section, hospital productivity, technological and scientific advances, the quality of health care provided in hospitals (including the quality and skill level of professional nursing required to maintain quality care), and long-term cost-effectiveness in the provision of inpatient hospital services.

(B) In order to promote the efficient and effective delivery of high-quality health care services, the Commission shall, in addition to carrying out its functions under subparagraph (A), study and make recommendations for each fiscal year regarding changes in each existing reimbursement policy under this subchapter under which payments to an institution are based upon prospectively determined rates and the development of new institutional reimbursement policies under this subchapter, including recommendations relating to payments during such fiscal year under the prospective payment system established under this section for determining payments for the operating costs of inpatient hospital services, including changes in the number of diagnosis-related groups used to classify inpatient hospital discharges under subsection (d) of this section, adjustments to such groups to reflect severity of illness, and changes in the methods by which hospitals are reimbursed for capital-related costs, together with general recommendations on the effectiveness

and quality of health care delivery systems in the United States and the effects on such systems of institutional reimbursements under this subchapter.

(C) By not later than June 1 of each year, the Commission shall submit a report to Congress containing an examination of issues affecting health care delivery in the United States, including issues relating to—

(i) trends in health care costs;
 (ii) the financial condition of hospitals and the effect of the level of payments made to hospitals under this subchapter on such condition;
 (iii) trends in the use of health care services; and
 (iv) new methods used by employers, insurers, and others to constrain growth in health care costs.

(3)(A) The Commission, not later than the March 1 before the beginning of each fiscal year (beginning with fiscal year 1986), shall report its recommendations to Congress on an appropriate change factor which should be used for inpatient hospital services for discharges in that fiscal year, together with its general recommendations under paragraph (2)(B) regarding the effectiveness and quality of health care delivery systems in the United States.

(B) The Secretary, not later than April 1, 1987, for fiscal year 1988 and not later than March 1 before the beginning of each fiscal year (beginning with fiscal year 1989), shall report to the Congress the Secretary's initial estimate of the percentage change that the Secretary will recommend under paragraph (4) with respect to that fiscal year.

(4)(A) Taking into consideration the recommendations of the Commission, the Secretary shall recommend for each fiscal year (beginning with fiscal year 1988) an appropriate change factor for inpatient hospital services for discharges in that fiscal year which will take into account amounts necessary for the efficient and effective delivery of medically appropriate and necessary care of high quality. The appropriate change factor may be different for all large urban subsection (d) hospitals, other urban subsection (d) hospitals, urban subsection (d) Puerto Rico hospitals, rural subsection (d) hospitals, and rural subsection (d) Puerto Rico hospitals, and all other hospitals and units not paid under subsection (d) of this section, and may vary among such other hospitals and units.

(B) In addition to the recommendation made under subparagraph (A), the Secretary shall, taking into consideration the recommendations of the Commission under paragraph (2)(B), recommend for each fiscal year (beginning with fiscal year 1992) other appropriate changes in each existing reimbursement policy under this subchapter under which payments to an institution are based upon prospectively determined rates.

(5) The Secretary shall cause to have published in the Federal Register, not later than—

(A) the May 1 before each fiscal year (beginning with fiscal year 1986), the Secretary's proposed recommendations under paragraph (4) for that fiscal year for public comment, and

(B) the September 1 before such fiscal year after such consideration of public comment on

the proposal as is feasible in the time available, the Secretary's final recommendations under such paragraph for that year.

The Secretary shall include in the publication referred to in subparagraph (A) for a fiscal year the report of the Commission's recommendations submitted under paragraph (3) for that fiscal year. To the extent that the Secretary's recommendations under paragraph (4) differ from the Commission's recommendations for that fiscal year, the Secretary shall include in the publication referred to in subparagraph (A) an explanation of the Secretary's grounds for not following the Commission's recommendations.

(6)(A) The Commission shall consist of 17 individuals. Members of the Commission shall first be appointed no later than April 1, 1984, for a term of three years, except that the Director may provide initially for such shorter terms as will insure that (on a continuing basis) the terms of no more than seven members expire in any one year.

(B) The membership of the Commission shall include individuals with national recognition for their expertise in health economics, health facility management, reimbursement of health facilities or other providers of services which reflect the scope of the Commission's responsibilities, and other related fields, who provide a mix of different professionals, broad geographic representation, and a balance between urban and rural representatives, including physicians and registered professional nurses, employers, third party payors, individuals skilled in the conduct and interpretation of biomedical, health services, and health economics research, and individuals having expertise in the research and development of technological and scientific advances in health care.

(C) Subject to such review as the Office deems necessary to assure the efficient administration of the Commission, the Commission may—

(i) employ and fix the compensation of an Executive Director (subject to the approval of the Director of the Office) and such other personnel (not to exceed 25) as may be necessary to carry out its duties (without regard to the provisions of title 5 governing appointments in the competitive service);

(ii) seek such assistance and support as may be required in the performance of its duties from appropriate Federal departments and agencies;

(iii) enter into contracts or make other arrangements, as may be necessary for the conduct of the work of the Commission (without regard to section 5 of title 41);

(iv) make advance, progress, and other payments which relate to the work of the Commission;

(v) provide transportation and subsistence for persons serving without compensation; and

(vi) prescribe such rules and regulations as it deems necessary with respect to the internal organization and operation of the Commission.

Section 10(a)(1) of the Federal Advisory Committee Act shall not apply to any portion of a Commission meeting if the Commission, by majority vote, determines that such portion of such meeting should be closed.

(D) While serving on the business of the Commission (including traveltime), a member of the Commission shall be entitled to compensation at the per diem equivalent of the rate provided for level IV of the Executive Schedule under section 5315 of title 5; and while so serving away from home and his regular place of business, a member may be allowed travel expenses, as authorized by the Chairman of the Commission. Physicians serving as personnel of the Commission may be provided a physician comparability allowance by the Commission in the same manner as Government physicians may be provided such an allowance by an agency under section 5948 of title 5, and for such purpose subsection (i) of such section shall apply to the Commission in the same manner as it applies to the Tennessee Valley Authority. For purposes of pay (other than pay of members of the Commission) and employment benefits, rights, and privileges, all personnel of the Commission shall be treated as if they were employees of the United States Senate.

(E) In order to identify medically appropriate patterns of health resources use in accordance with paragraph (2), the Commission shall collect and assess information on medical and surgical procedures and services, including information on regional variations of medical practice and lengths of hospitalization and on other patient-care data, giving special attention to treatment patterns for conditions which appear to involve excessively costly or inappropriate services not adding to the quality of care provided. In order to assess the safety, efficacy, and cost-effectiveness of new and existing medical and surgical procedures, the Commission shall, in coordination to the extent possible with the Secretary, collect and assess factual information, giving special attention to the needs of updating existing diagnosis-related groups, establishing new diagnosis-related groups, and making recommendations on relative weighting factors for such groups to reflect appropriate differences in resource consumption in delivering safe, efficacious, and cost-effective care. In collecting and assessing information, the Commission shall—

(i) utilize existing information, both published and unpublished, where possible, collected and assessed either by its own staff or under other arrangements made in accordance with this paragraph;

(ii) carry out, or award grants or contracts for, original research and experimentation, including clinical research, where existing information is inadequate for the development of useful and valid guidelines by the Commission; and

(iii) adopt procedures allowing any interested party to submit information with respect to medical and surgical procedures and services (including new practices, such as the use of new technologies and treatment modalities), which information the Commission shall consider in making reports and recommendations to the Secretary and Congress.

(F) The Commission shall have access to such relevant information and data as may be available from appropriate Federal agencies and shall assure that its activities, especially the conduct of original research and medical studies, are

coordinated with the activities of Federal agencies.

(G)(i) The Office shall have unrestricted access to all deliberations, records, and data of the Commission, immediately upon its request.

(ii) In order to carry out its duties under this paragraph, the Office is authorized to expend reasonable and necessary⁷ funds as mutually agreed upon by the Office and the Commission. The Office shall be reimbursed for such funds by the Commission from the appropriations made with respect to the Commission.

(H) The Commission shall be subject to periodic audit by the General Accounting Office.

(I)(i) There are authorized to be appropriated such sums as may be necessary to carry out the provisions of this paragraph.

(ii) Eighty-five percent of such appropriation shall be payable from the Federal Hospital Insurance Trust Fund, and 15 percent of such appropriation shall be payable from the Federal Supplementary Medical Insurance Trust Fund.

(J) The Commission shall submit requests for appropriations in the same manner as the Office submits requests for appropriations, but amounts appropriated for the Commission shall be separate from amounts appropriated for the Office.

(f) Reporting of costs of hospitals receiving payments on basis of prospective rates

(1)(A) The Secretary shall maintain a system for the reporting of costs of hospitals receiving payments computed under subsection (d) of this section.

(B)(i) Subject to clause (ii), the Secretary shall place into effect a standardized electronic cost reporting format for hospitals under this subchapter.

(ii) The Secretary may delay or waive the implementation of such format in particular instances where such implementation would result in financial hardship (in particular with respect to hospitals with a small percentage of inpatients entitled to benefits under this subchapter).

(2) If the Secretary determines, based upon information supplied by a utilization and quality control peer review organization under part B of subchapter XI of this chapter, that a hospital, in order to circumvent the payment method established under subsection (b) or (d) of this section, has taken an action that results in the admission of individuals entitled to benefits under part A unnecessarily, unnecessary multiple admissions of the same such individuals, or other inappropriate medical or other practices with respect to such individuals, the Secretary may—

(A) deny payment (in whole or in part) under part A of this subchapter with respect to inpatient hospital services provided with respect to such an unnecessary admission (or subsequent admission of the same individual), or

(B) require the hospital to take other corrective action necessary to prevent or correct the inappropriate practice.

(3) The provisions of subsections (c) through (g) of section 1320a-7 of this title shall apply to determinations made under paragraph (2) in the

same manner as they apply to exclusions effected under section 1320a-7(b)(13) of this title.

(g) Prospective payment for capital-related costs; return on equity capital for hospitals

(1)(A) Notwithstanding section 1395x(v) of this title, instead of any amounts that are otherwise payable under this subchapter with respect to the reasonable costs of subsection (d) hospitals and subsection (d) Puerto Rico hospitals for capital-related costs of inpatient hospital services, the Secretary shall, for hospital cost reporting periods beginning on or after October 1, 1991, provide for payments for such costs in accordance with a prospective payment system established by the Secretary. Aggregate payments made under subsection (d) of this section and this subsection during fiscal years 1992 through 1995 shall be reduced in a manner that results in a reduction (as estimated by the Secretary) in the amount of such payments equal to a 10 percent reduction in the amount of payments attributable to capital-related costs that would otherwise have been made during such fiscal year had the amount of such payments been based on reasonable costs (as defined in section 1395x(v) of this title). For discharges occurring after September 30, 1993, the Secretary shall reduce by 7.4 percent the unadjusted standard Federal capital payment rate (as described in 42 CFR 412.308(c), as in effect on August 10, 1993) and shall (for hospital cost reporting periods beginning on or after October 1, 1993) redetermine which payment methodology is applied to the hospital under such system to take into account such reduction.

(B) Such system—

(i) shall provide for (I) a payment on a per discharge basis, and (II) an appropriate weighting of such payment amount as relates to the classification of the discharge;

(ii) may provide for an adjustment to take into account variations in the relative costs of capital and construction for the different types of facilities or areas in which they are located;

(iii) may provide for such exceptions (including appropriate exceptions to reflect capital obligations) as the Secretary determines to be appropriate, and

(iv) may provide for suitable adjustment to reflect hospital occupancy rate.

(C) In this paragraph, the term “capital-related costs” has the meaning given such term by the Secretary under subsection (a)(4) of this section as of September 30, 1987, and does not include a return on equity capital.

(2)(A) The Secretary shall provide that the amount which is allowable, with respect to reasonable costs of inpatient hospital services for which payment may be made under this subchapter, for a return on equity capital for hospitals shall, for cost reporting periods beginning on or after April 20, 1983, be equal to amounts otherwise allowable under regulations in effect on March 1, 1983, except that the rate of return to be recognized shall be equal to the applicable percentage (described in subparagraph (B)) of the average of the rates of interest, for each of the months any part of which is included in the reporting period, on obligations issued for pur-

chase by the Federal Hospital Insurance Trust Fund.

(B) In this paragraph, the “applicable percentage” is—

- (i) 75 percent, for cost reporting periods beginning during fiscal year 1987,
- (ii) 50 percent, for cost reporting periods beginning during fiscal year 1988,
- (iii) 25 percent, for cost reporting periods beginning during fiscal year 1989, and
- (iv) 0 percent, for cost reporting periods beginning on or after October 1, 1989.

(3)(A) Except as provided in subparagraph (B), in determining the amount of the payments that may be made under this subchapter with respect to all the capital-related costs of inpatient hospital services of a subsection (d) hospital and a subsection (d) Puerto Rico hospital, the Secretary shall reduce the amounts of such payments otherwise established under this subchapter by—

- (i) 3.5 percent for payments attributable to portions of cost reporting periods occurring during fiscal year 1987,
- (ii) 7 percent for payments attributable to portions of cost reporting periods or discharges (as the case may be) occurring during fiscal year 1988 on or after October 1, 1987, and before January 1, 1988,
- (iii) 12 percent for payments attributable to portions of cost reporting periods or discharges (as the case may be) in fiscal year 1988, occurring on or after January 1, 1988,
- (iv) 15 percent for payments attributable to portions of cost reporting periods or discharges (as the case may be) occurring during fiscal year 1989, and
- (v) 15 percent for payments attributable to portions of cost reporting periods or discharges (as the case may be) occurring during the period beginning January 1, 1990, and ending September 30, 1991.

(B) Subparagraph (A) shall not apply to payments with respect to the capital-related costs of any hospital that is a sole community hospital (as defined in subsection (d)(5)(D)(iii) of this section⁸ or a rural primary care hospital (as defined in section 1395x(mm)(1) of this title).

(h) Payments for direct graduate medical education costs

(1) Substitution of special payment rules

Notwithstanding section 1395x(v) of this title, instead of any amounts that are otherwise payable under this subchapter with respect to the reasonable costs of hospitals for direct graduate medical education costs, the Secretary shall provide for payments for such costs in accordance with paragraph (3) of this subsection. In providing for such payments, the Secretary shall provide for an allocation of such payments between part A and part B of this subchapter (and the trust funds established under the respective parts) as reasonably reflects the proportion of direct graduate medical education costs of hospitals associated with the provision of services under each respective part.

⁸So in original. Probably should be followed by a closing parenthesis.

(2) Determination of hospital-specific approved FTE resident amounts

The Secretary shall determine, for each hospital with an approved medical residency training program, an approved FTE resident amount for each cost reporting period beginning on or after July 1, 1985, as follows:

(A) Determining allowable average cost per FTE resident in a hospital's base period

The Secretary shall determine, for the hospital's cost reporting period that began during fiscal year 1984, the average amount recognized as reasonable under this subchapter for direct graduate medical education costs of the hospital for each full-time-equivalent resident.

(B) Updating to the first cost reporting period

(i) In general

The Secretary shall update each average amount determined under subparagraph (A) by the percentage increase in the consumer price index during the 12-month cost reporting period described in such subparagraph.

(ii) Exception

The Secretary shall not perform an update under clause (i) in the case of a hospital if the hospital's reporting period, described in subparagraph (A), began on or after July 1, 1984, and before October 1, 1984.

(C) Amount for first cost reporting period

For the first cost reporting period of the hospital beginning on or after July 1, 1985, the approved FTE resident amount for the hospital is equal to the amount determined under subparagraph (B) increased by 1 percent.

(D) Amount for subsequent cost reporting periods

(i) Except as provided in clause (ii), for each subsequent cost reporting period, the approved FTE resident amount for the hospital is equal to the amount determined under this paragraph for the previous cost reporting period updated, through the midpoint of the period, by projecting the estimated percentage change in the consumer price index during the 12-month period ending at that midpoint, with appropriate adjustments to reflect previous under- or over-estimations under this subparagraph in the projected percentage change in the consumer price index.

(ii) For cost reporting periods beginning during fiscal year 1994 or fiscal year 1995, the approved FTE resident amount for a hospital shall not be updated under clause (i) for a resident who is not a primary care resident (as defined in paragraph (5)(H)) or a resident enrolled in an approved medical residency training program in obstetrics and gynecology.

(E) Treatment of certain hospitals

In the case of a hospital that did not have an approved medical residency training pro-

program or was not participating in the program under this subchapter for a cost reporting period beginning during fiscal year 1984, the Secretary shall, for the first such period for which it has such a residency training program and is participating under this subchapter, provide for such approved FTE resident amount as the Secretary determines to be appropriate, based on approved FTE resident amounts for comparable programs.

(3) Hospital payment amount per resident

(A) In general

The payment amount, for a hospital cost reporting period beginning on or after July 1, 1985, is equal to the product of—

- (i) the aggregate approved amount (as defined in subparagraph (B)) for that period, and
- (ii) the hospital's medicare patient load (as defined in subparagraph (C)) for that period.

(B) Aggregate approved amount

As used in subparagraph (A), the term "aggregate approved amount" means, for a hospital cost reporting period, the product of—

- (i) the hospital's approved FTE resident amount (determined under paragraph (2)) for that period, and
- (ii) the weighted average number of full-time-equivalent residents (as determined under paragraph (4)) in the hospital's approved medical residency training programs in that period.

(C) Medicare patient load

As used in subparagraph (A), the term "medicare patient load" means, with respect to a hospital's cost reporting period, the fraction of the total number of inpatient-bed-days (as established by the Secretary) during the period which are attributable to patients with respect to whom payment may be made under part A of this subchapter.

(4) Determination of full-time-equivalent residents

(A) Rules

The Secretary shall establish rules consistent with this paragraph for the computation of the number of full-time-equivalent residents in an approved medical residency training program.

(B) Adjustment for part-year or part-time residents

Such rules shall take into account individuals who serve as residents for only a portion of a period with a hospital or simultaneously with more than one hospital.

(C) Weighting factors for certain residents

Subject to subparagraph (D), such rules shall provide, in calculating the number of full-time-equivalent residents in an approved residency program—

The Secretary shall report the results of such study to the Committee on Finance of the Senate and the Committees on Ways and Means and Energy and Commerce of the House of Representatives prior to December 31, 1987.

“(2) The Secretary shall conduct a separate study of the advisability of continuing or terminating the exception under section 1886(h)(5)(F)(ii) of the Social Security Act [subsec. (h)(5)(F)(ii) of this section] for geriatric residencies and fellowships, and of expanding such exception to cover other educational activities, particularly those which are necessary to meet the projected health care needs of Medicare beneficiaries. Such study shall also examine the adequacy of the supply of faculty in the field of geriatrics. The Secretary shall report the results of such study to the committees described in paragraph (1) prior to July 1, 1990.

“(d) GAO STUDY.—(1) The Comptroller General shall conduct a study of the variation in the amounts of payments made under title XVIII of the Social Security Act [this subchapter] with respect to patients in different teaching hospital settings and in the amounts of such payments which are made with respect to patients who are treated in teaching and nonteaching hospital settings. Such study shall identify the components of such payments (including payments with respect to inpatient hospital services, physicians' services, and capital costs, and, in the case of teaching hospital patients, payments with respect to direct and indirect teaching costs) and shall account, to the extent feasible, for any variations in the amounts of the payment components between teaching and nonteaching settings and among different teaching settings.

“(2) In carrying out such study, the Comptroller General may utilize a sample of hospital patients and any other data sources which he deems appropriate, and shall, to the extent feasible, control for differences in severity of illness levels, area wage levels, levels of physician reasonable charges for like services and procedures, and for other factors which could affect the comparability of patients and of payments between teaching and nonteaching settings and among teaching settings. The information obtained in the study shall be coordinated with the information obtained in conducting the study of teaching physicians' services under section 2307(c) of the Deficit Reduction Act of 1984 [section 2307(c) of Pub. L. 98-369, set out as a note under section 1395u of this title].

“(3) The Comptroller General shall report the results of the study to the committees described in subsection (c)(1) prior to December 31, 1987.

“(e) REPORT ON UNIFORMITY OF APPROVED FTE RESIDENT AMOUNTS.—The Secretary of Health and Human Services shall report to the committees described in subsection (c)(1), not later than December 31, 1987, on whether section 1886(h) of the Social Security Act [subsec. (h) of this section] should be revised to provide for greater uniformity in the approved FTE resident amounts established under paragraph (2) of that section, and, if so, how such revisions should be implemented.

“(f) STUDY ON FOREIGN MEDICAL GRADUATES.—The Secretary of Health and Human Services shall study, and report to the committees described in subsection (c)(1), not later than December 31, 1987, respecting the use of physicians who are foreign medical graduates (within the meaning of section 1886(h)(5)(D) of the Social Security Act [subsec. (h)(5)(D) of this section]) in the provision of health care services (particularly inpatient and outpatient hospital services) to medicare beneficiaries. Such study shall evaluate—

“(1) the types of services provided;

“(2) the cost of providing such services, relative to the cost of other physicians providing the services or other approaches to providing the services;

“(3) any deficiencies in the quality of the services provided, and methods of assuring the quality of such services; and

“(4) the impact on costs of and access to services if medicare payment for hospitals' costs of graduate medical education of foreign medical graduates were phased out.

“(g) Repealed. Pub. L. 101-508, title IV, §4118(i)(2), Nov. 5, 1990, 104 Stat. 1388-70.]

“(h) PAPERWORK REDUCTION.—Chapter 35 of title 44, United States Code, shall not apply to information required for purposes of carrying out this section and the amendments made by this section [amending this section and section 1395x of this title and enacting notes set out under this section and section 1395x of this title].”

(c) of this section] or section 402 of the Social Security Amendments of 1967 [section 1395b-1 of this title], for cost reporting periods beginning on or after January 1, 1986, if the waiver is terminated—

“(1) the Secretary of Health and Human Services shall permit the hospital to change the method by which it allocates administrative and general costs to the direct medical education cost centers to the method specified in the medicare cost report;

“(2) the Secretary may make appropriate adjustments in the regional adjusted DRG prospective payment rate (for the region in which the State is located), based on the assumption that all teaching hospitals in the State use the medicare cost report; and

“(3) the Secretary shall adjust the hospital-specific portion of payment under section 1886(d) of such Act [subsec. (d) of this section] for any such hospital that actually chooses to use the medicare cost report.

The Secretary shall implement this subsection based on the best available data.”

“(b) COOPERATION IN STUDY.—The Secretary of Health and Human Services and the Comptroller General shall assist representatives of clinical laboratories in the industry's conduct of a study to determine whether methods exist which are better than competitive bid-

ding for purposes of utilizing competitive market forces in setting payment levels for laboratory services under title XVIII of the Social Security Act [this subchapter]. If such a study is conducted by the clinical laboratory industry, the Secretary and the Comptroller General shall comment on such study and submit such comments and the study to the Senate Committee on Finance and the House Committees on Ways and Means and Energy and Commerce.”

PROSPECTIVE PAYMENT WAGE INDEX; STUDIES AND
REPORTS TO CONGRESS

“(a) The Secretary of Health and Human Services, in consultation with the Secretary of Labor, shall conduct

a study to develop an appropriate index for purposes of adjusting payment amounts under section 1886(d) of the Social Security Act [subsec. (d) of this section] to reflect area differences in average hospital wage levels, as required under paragraphs (2)(H) and (3)(E) of such section [subsec. (d)(2)(H) and (3)(E) of this section], taking into account wage differences of full time and part time workers. The Secretary of Health and Human Services shall report the results of such study to the Congress not later than 30 days after the date of the enactment of this Act [July 18, 1984], including any changes which the Secretary determines to be necessary to provide for an appropriate index.

“(b) The Secretary shall adjust the payment amounts for hospitals for discharges occurring on or after May 1, 1986, to reflect the changes the Secretary has promulgated in final regulations (on September 3, 1985) relating to the hospital wage index under section 1886(d)(3)(E) of the Social Security Act [subsec. (d)(3)(E) of this section]. For discharges occurring after September 30, 1986, the Secretary shall provide for such periodic adjustments in the appropriate wage index used under that section as may be necessary, taking into account changes in the wage levels and relative proportions of full-time and part-time workers.

“(c) The Secretary shall conduct a study and report to the Congress on proposed criteria under which, in the case of a hospital that demonstrates to the Secretary in a current fiscal year that the adjustment being made under paragraph (2)(H) or (3)(E) of section 1886(d) of the Social Security Act [subsec. (d)(2)(H) or (3)(E) of this section] for that hospital’s discharges in that fiscal year does not accurately reflect the wage levels in the labor market serving the hospital, the Secretary, to the extent he deems appropriate, would modify such adjustment for that hospital for discharges in the subsequent fiscal year to take into account a difference in payment amounts in that current fiscal year to the hospital that resulted from such inaccuracy.”

[Section 9103(a)(2) of Pub. L. 99-272 provided that: “The amendment made by paragraph (1) [amending this note] shall be effective as if it had been included in the Deficit Reduction Act of 1984 [Pub. L. 98-369].”]

§ 1395xx. Payment of provider-based physicians and payment under certain percentage arrangements

(a) Criteria; amount of payments

(1) The Secretary shall by regulation determine criteria for distinguishing those services (including inpatient and outpatient services) rendered in hospitals or skilled nursing facilities—

(A) which constitute professional medical services, which are personally rendered for an individual patient by a physician and which contribute to the diagnosis or treatment of an individual patient, and which may be reimbursed as physicians' services under part B, and

(B) which constitute professional services which are rendered for the general benefit to patients in a hospital or skilled nursing facility and which may be reimbursed only on a reasonable cost basis or on the bases described in section 1395ww of this title.

(2)(A) For purposes of cost reimbursement, the Secretary shall recognize as a reasonable cost of a hospital or skilled nursing facility only that portion of the costs attributable to services rendered by a physician in such hospital or facility which are services described in paragraph (1)(B), apportioned on the basis of the amount of time actually spent by such physician rendering such services.

(B) In determining the amount of the payments which may be made with respect to services described in paragraph (1)(B), after apportioning costs as required by subparagraph (A),

the Secretary may not recognize as reasonable (in the efficient delivery of health services) such portion of the provider's costs for such services to the extent that such costs exceed the reasonable compensation equivalent for such services. The reasonable compensation equivalent for any service shall be established by the Secretary in regulations.

(C) The Secretary may, upon a showing by a hospital or facility that it is unable to recruit or maintain an adequate number of physicians for the hospital or facility on account of the reimbursement limits established under this subsection, grant exceptions to such reimbursement limits as may be necessary to allow such provider to provide a compensation level sufficient to provide adequate physician services in such hospital or facility.

(b) Prohibition of recognition of payments under certain percentage agreements

(1) Except as provided in paragraph (2), in the case of a provider of services which is paid under this subchapter on a reasonable cost basis, or other basis related to costs that are reasonable, and which has entered into a contract for the purpose of having services furnished for or on behalf of it, the Secretary may not include any cost incurred by the provider under the contract if the amount payable under the contract by the provider for that cost is determined on the basis of a percentage (or other proportion) of the provider's charges, revenues, or claim for reimbursement.

(2) Paragraph (1) shall not apply—

(A) to services furnished by a physician and described in subsection (a)(1)(B) of this section and covered by regulations in effect under subsection (a) of this section, and

(B) under regulations established by the Secretary, where the amount involved under the percentage contract is reasonable and the contract—

(i) is a customary commercial business practice, or

(ii) provides incentives for the efficient and economical operation of the provider of services.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 1395x of this title.

§ 1395yy. Payment to skilled nursing facilities for routine service costs

(a) Per diem limitations

The Secretary, in determining the amount of the payments which may be made under this subchapter with respect to routine service costs of extended care services shall not recognize as reasonable (in the efficient delivery of health services) per diem costs of such services to the extent that such per diem costs exceed the following per diem limits, except as otherwise provided in this section:

(1) With respect to freestanding skilled nursing facilities located in urban areas, the limit shall be equal to 112 percent of the mean per diem routine service costs for freestanding skilled nursing facilities located in urban areas.

(2) With respect to freestanding skilled nursing facilities located in rural areas, the limit shall be equal to 112 percent of the mean per diem routine service costs for freestanding skilled nursing facilities located in rural areas.

(3) With respect to hospital-based skilled nursing facilities located in urban areas, the limit shall be equal to the sum of the limit for freestanding skilled nursing facilities located in urban areas, plus 50 percent of the amount by which 112 percent of the mean per diem routine service costs for hospital-based skilled nursing facilities located in urban areas exceeds the limit for freestanding skilled nursing facilities located in urban areas.

(4) With respect to hospital-based skilled nursing facilities located in rural areas, the limit shall be equal to the sum of the limit for freestanding skilled nursing facilities located in rural areas, plus 50 percent of the amount by which 112 percent of the mean per diem routine service costs for hospital-based skilled nursing facilities located in rural areas exceeds the limit for freestanding skilled nursing facilities located in rural areas.

In applying this subsection the Secretary shall make appropriate adjustments to the labor related portion of the costs based upon an appropriate wage index, and shall, for cost reporting periods beginning on or after October 1, 1992, on or after October 1, 1995, and every 2 years thereafter, provide for an update to the per diem cost limits described in this subsection¹

(b) Excess overhead allocations for hospital-based facilities

With respect to a hospital-based skilled nursing facility, the Secretary may not recognize as reasonable the portion of the cost differences between hospital-based and freestanding skilled nursing facilities attributable to excess overhead allocations.

(c) Adjustments in limitations; publication of data

The Secretary may make adjustments in the limits set forth in subsection (a) of this section with respect to any skilled nursing facility to the extent the Secretary deems appropriate, based upon case mix or circumstances beyond the control of the facility. The Secretary shall publish the data and criteria to be used for purposes of this subsection on an annual basis.

(d) Access to skilled nursing facilities

(1) Any skilled nursing facility may choose to be paid under this subsection on the basis of a prospective payment for all routine service costs (including the costs of services required to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident eligible for benefits under this subchapter) and capital-related costs of extended care services provided in a cost reporting period if such facility had, in the preceding cost reporting period, fewer than 1,500 patient days with respect to which payments were made under this subchapter. Such prospective payment shall be in lieu of payments which would otherwise be made for routine service costs pursuant to section 1395x(v) of this title and subsections (a) through (c) of this section and capital-related costs pursuant to section 1395x(v) of this title. This subsection shall not apply to a facility for any cost reporting period immediately following a cost reporting period in which such facility had 1,500 or more patient days with respect to which payments were made under this subchapter, without regard to whether payments were made under this subsection during such preceding cost reporting period.

(2)(A) The amount of the payment under this section shall be determined on a per diem basis.

(B) Subject to the limitations of subparagraph (C), for skilled nursing facilities located—

¹ So in original. Probably should be followed by a period.

(i) in an urban area, the amount shall be equal to 105 percent of the mean of the per diem reasonable routine service and capital-related costs of extended care services for skilled nursing facilities in urban areas within the same region, determined without regard to the limitations of subsection (a) of this section and adjusted for different area wage levels, and

(ii) in a rural area the amount shall be equal to 105 percent of the mean of the per diem reasonable routine service and capital-related costs of extended care services for skilled nursing facilities in rural areas within the same region, determined without regard to the limitations of subsection (a) of this section and adjusted for different area wage levels.

(C) The per diem amounts determined under subparagraph (B) shall not exceed the limit on routine service costs determined under subsection (a) of this section with respect to the facility, adjusted to take into account average capital-related costs with respect to the type and location of the facility.

(3) For purposes of this subsection, urban and rural areas shall be determined in the same manner as for purposes of subsection (a) of this section, and the term "region" shall have the same meaning as under section 1395ww(d)(2)(D) of this title.

(4) The Secretary shall establish the prospective payment amounts for cost reporting periods beginning in a fiscal year at least 90 days prior to the beginning of such fiscal year, on the basis of the most recent data available for a 12-month period. A skilled nursing facility must notify the Secretary of its intention to be paid pursuant to this subsection for a cost reporting period no later than 30 days before the beginning of that period.

(5) The Secretary shall provide for a simplified cost report to be filed by facilities being paid pursuant to this subsection, which shall require only the cost information necessary for determining prospective payment amounts pursuant to paragraph (2) and reasonable costs of ancillary services.

(6) In lieu of payment on a cost basis for ancillary services provided by a facility which is being paid pursuant to this subsection, the Secretary may pay for such ancillary services on a reasonable charge basis if the Secretary determines that such payment basis will provide an equitable level of reimbursement and will ease the reporting burden of the facility.

(7) In computing the rates of payment to be made under this subsection, there shall be taken into account the costs described in the last sentence of section 1395x(v)(1)(E) of this title (relating to compliance with nursing facility requirements and of conducting nurse aide training and competency evaluation programs and competency evaluation programs).

The conditions of participation that a home health agency is required to meet under this subsection are as follows:

(1) The agency protects and promotes the rights of each individual under its care, including each of the following rights:

(A) The right to be fully informed in advance about the care and treatment to be provided by the agency, to be fully informed in advance of any changes in the care or treatment to be provided by the agency that may affect the individual's well-being, and (except with respect to an individual adjudged incompetent) to participate in planning care and treatment or changes in care or treatment.

which payment may be made under this subchapter,

(ii) the coverage available for such items and services under this subchapter, subchapter XIX of this chapter, and any other Federal program of which the agency is reasonably aware,

(iii) any charges for items and services not covered under this subchapter and any charges the individual may have to pay with respect to items and services furnished by (or under arrangements with) the agency, and

(iv) any changes in the charges or items and services described in clause (i), (ii), or (iii).

(F) The right to be fully informed in writing (in advance of coming under the care of the agency) of the individual's rights and obligations under this subchapter.

(B) the persons who are officers, directors, agents, or managing employees (as defined in section 1320a-5(b) of this title) of the agency, and

(C) the corporation, association, or other company responsible for the management of the agency.

Such notice shall be given at the time of the change and shall include the identity of each new person or company described in the previous sentence.

(3)(A) The agency must not use as a home health aide (on a full-time, temporary, per diem, or other basis), any individual to provide items or services described in section 1395x(m) of this title on or after January 1, 1990, unless the individual—

(i) has completed a training and competency evaluation program, or a competency evaluation program, that meets the minimum standards established by the Secretary under subparagraph (D), and

(ii) is competent to provide such items and services.

For purposes of clause (i), an individual is not considered to have completed a training and competency evaluation program, or a competency evaluation program if, since the individual's most recent completion of such a program, there has been a continuous period of 24 consecutive months during none of which the individual provided items and services described in section 1395x(m) of this title for compensation.

(B)(i) The agency must provide, with respect to individuals used as a home health aide by the agency as of July 1, 1989, for a competency evaluation program (as described in subparagraph (A)(i)) and such preparation as may be

necessary for the individual to complete such a program by January 1, 1990.

(ii) The agency must provide such regular performance review and regular in-service education as assures that individuals used to provide items and services described in section 1395x(m) of this title are competent to provide those items and services.

(C) The agency must not permit an individual, other than in a training and competency evaluation program that meets the minimum standards established by the Secretary under subparagraph (D), to provide items or services of a type for which the individual has not demonstrated competency.

(D)(i) The Secretary shall establish minimum standards for the programs described in subparagraph (A) by not later than October 1, 1988.

(ii) Such standards shall include the content of the curriculum, minimum hours of training, qualification of instructors, and procedures for determination of competency.

(iii) Such standards may permit approval of programs offered by or in home health agencies, as well as outside agencies (including employee organizations), and of programs in effect on December 22, 1987; except that they may not provide for the approval of a program offered by or in a home health agency which, within the previous 2 years—

(I) has been determined to be out of compliance with subparagraph (A), (B), or (C);

(II) has been subject to an extended (or partial extended) survey under subsection (c)(2)(D) of this section;

(III) has been assessed a civil money penalty described in subsection (f)(2)(A)(i) of this section of not less than \$5,000; or

(IV) has been subject to the remedies described in subsection (e)(1) of this section or in clauses (ii) or (iii) of subsection (f)(2)(A) of this section.

(iv) Such standards shall permit a determination that an individual who has completed (before July 1, 1989) a training and competency evaluation program or a competency evaluation program shall be deemed for purposes of subparagraph (A) to have completed a program that is approved by the Secretary under the standards established under this subparagraph if the Secretary determines that, at the time the program was offered, the program met such standards.

(E) In this paragraph, the term “home health aide” means any individual who provides the items and services described in section 1395x(m) of this title, but does not include an individual—

(i) who is a licensed health professional (as defined in subparagraph (F)), or

(ii) who volunteers to provide such services without monetary compensation.

(F) In this paragraph, the term “licensed health professional” means a physician, physician assistant, nurse practitioner, physical, speech, or occupational therapist, physical or occupational therapy assistant, registered professional nurse, licensed practical nurse, or licensed or certified social worker.

(4) The agency includes an individual’s plan of care required under section 1395x(m) of this title as part of the clinical records described in section 1395x(o)(3) of this title.

(5) The agency operates and provides services in compliance with all applicable Federal, State, and local laws and regulations (including the requirements of section 1320a-3 of this title) and with accepted professional standards and principles which apply to professionals providing items and services in such an agency.

(6) The agency complies with the requirement of section 1395cc(f) of this title (relating to maintaining written policies and procedures respecting advance directives).

(b) Duty of Secretary

It is the duty and responsibility of the Secretary to assure that the conditions of participation and requirements specified in or pursuant to section 1395x(o) of this title and subsection (a) of this section and the enforcement of such conditions and requirements are adequate to protect the health and safety of individuals under the care of a home health agency and to promote the effective and efficient use of public moneys.

(c) Surveys of home health agencies

(1) Any agreement entered into or renewed by the Secretary pursuant to section 1395aa of this title relating to home health agencies shall provide that the appropriate State or local agency shall conduct, without any prior notice, a standard survey of each home health agency. Any individual who notifies (or causes to be notified) a home health agency of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this paragraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a of this title. The Secretary shall review each State’s or local agency’s procedures for scheduling and conduct of standard surveys to assure that the State or agency has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(2)(A) Except as provided in subparagraph (B), each home health agency shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this paragraph. The statewide average interval between standard surveys of any home health agency shall not exceed 12 months.

(B) If not otherwise conducted under subparagraph (A), a standard survey (or an abbreviated standard survey) of an agency—

(i) may be conducted within 2 months of any change of ownership, administration, or management of the agency to determine whether the change has resulted in any decline in the quality of care furnished by the agency, and

(ii) shall be conducted within 2 months of when a significant number of complaints have been reported with respect to the agency to the Secretary, the State, the entity respon-

sible for the licensing of the agency, the State or local agency responsible for maintaining a toll-free hotline and investigative unit (under section 1395aa(a) of this title), or any other appropriate Federal, State, or local agency.

(C) A standard survey conducted under this paragraph with respect to a home health agency—

(i) shall include (to the extent practicable), for a case-mix stratified sample of individuals furnished items or services by the agency—

(I) visits to the homes of such individuals, but only with the consent of such individuals, for the purpose of evaluating (in accordance with a standardized reproducible assessment instrument (or instruments) approved by the Secretary under subsection (d) of this section) the extent to which the quality and scope of items and services furnished by the agency attained and maintained the highest practicable functional capacity of each such individual as reflected in such individual's written plan of care required under section 1395x(m) of this title and clinical records required under section 1395x(o)(3) of this title; and

(II) a survey of the quality of care and services furnished by the agency as measured by indicators of medical, nursing, and rehabilitative care;

(ii) shall be based upon a protocol that is developed, tested, and validated by the Secretary not later than January 1, 1989; and

(iii) shall be conducted by an individual—

(I) who meets minimum qualifications established by the Secretary not later than July 1, 1989,

(II) who is not serving (or has not served within the previous 2 years) as a member of the staff of, or as a consultant to, the home health agency surveyed respecting compliance with the conditions of participation specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section, and

(III) who has no personal or familial financial interest in the home health agency surveyed.

(D) Each home health agency that is found, under a standard survey, to have provided substandard care shall be subject to an extended survey to review and identify the policies and procedures which produced such substandard care and to determine whether the agency has complied with the conditions of participation specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section. Any other agency may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey). The extended survey shall be conducted immediately after the standard survey (or, if not practical, not later than 2 weeks after the date of completion of the standard survey).

(E) Nothing in this paragraph shall be construed as requiring an extended (or partial extended) survey as a prerequisite to imposing a sanction against an agency under subsection (e) of this section on the basis of the findings of a standard survey.

(d) Assessment process; reports to Congress

(1) Not later than January 1, 1989, the Secretary shall designate an assessment instrument (or instruments) for use by an agency in complying with subsection (c)(2)(C)(I)¹ of this section.

(2)(A) Not later than January 1, 1992, the Secretary shall—

(i) evaluate the assessment process,

(ii) report to Congress on the results of such evaluation, and

(iii) based on such evaluation, make such modifications in the assessment process as the Secretary determines are appropriate.

(B) The Secretary shall periodically update the evaluation conducted under subparagraph (A), report the results of such update to Congress, and, based on such update, make such modifications in the assessment process as the Secretary determines are appropriate.

(3) The Secretary shall provide for the comprehensive training of State and Federal surveyors in matters relating to the performance of standard and extended surveys under this section, including the use of any assessment instrument (or instruments) designated under paragraph (1).

(e) Enforcement

(1) If the Secretary determines on the basis of a standard, extended, or partial extended survey or otherwise, that a home health agency that is certified for participation under this subchapter is no longer in compliance with the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section and determines that the deficiencies involved immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subsection (f)(2)(A)(iii) of this section or terminate the certification of the agency, and may provide, in addition, for 1 or more of the other remedies described in subsection (f)(2)(A) of this section.

(2) If the Secretary determines on the basis of a standard, extended, or partial extended survey or otherwise, that a home health agency that is certified for participation under this subchapter is no longer in compliance with the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section and determines that the deficiencies involved do not immediately jeopardize the health and safety of the individuals to whom the agency furnishes items and services, the Secretary may (for a period not to exceed 6 months) impose intermediate sanctions developed pursuant to subsection (f) of this section, in lieu of terminating the certification of the agency. If, after such a period of intermediate sanctions, the agency is still no longer in compliance with the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section, the Secretary shall terminate the certification of the agency.

(3) If the Secretary determines that a home health agency that is certified for participation

¹ So in original. Probably should be subsection "(c)(2)(C)(i)(I)".

under this subchapter is in compliance with the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subsection (f)(2)(A)(i) of this section for the days in which it finds that the agency was not in compliance with such requirements.

(4) The Secretary may continue payments under this subchapter with respect to a home health agency not in compliance with the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section over a period of not longer than 6 months, if—

(A) the State or local survey agency finds that it is more appropriate to take alternative action to assure compliance of the agency with the requirements than to terminate the certification of the agency,

(B) the agency has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

(C) the agency agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by home health agencies under this subparagraph.

(f) Intermediate sanctions

(1) The Secretary shall develop and implement, by not later than April 1, 1989—

(A) a range of intermediate sanctions to apply to home health agencies under the conditions described in subsection (e) of this section, and

(B) appropriate procedures for appealing determinations relating to the imposition of such sanctions.

(2)(A) The intermediate sanctions developed under paragraph (1) shall include—

(i) civil money penalties in an amount not to exceed \$10,000 for each day of noncompliance,

(ii) suspension of all or part of the payments to which a home health agency would otherwise be entitled under this subchapter with respect to items and services furnished by a home health agency on or after the date on which the Secretary determines that intermediate sanctions should be imposed pursuant to subsection (e)(2) of this section, and

(iii) the appointment of temporary management to oversee the operation of the home health agency and to protect and assure the health and safety of the individuals under the care of the agency while improvements are made in order to bring the agency into compliance with all the requirements specified in or pursuant to section 1395x(o) of this title or subsection (a) of this section.

The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under clause (i) in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of

this title. The temporary management under clause (iii) shall not be terminated until the Secretary has determined that the agency has the management capability to ensure continued compliance with all the requirements referred to in that clause.

(B) The sanctions specified in subparagraph (A) are in addition to sanctions otherwise available under State or Federal law and shall not be construed as limiting other remedies, including any remedy available to an individual at common law.

(B) The Secretary shall not enter into an agreement with an individual under this section to the extent—

(i)(I) the individual has entered into a contract with the Secretary pursuant to section 204(a)(1) of the Public Health Service Amendments of 1987, and

(II) the individual has fulfilled or (as determined by the Secretary) is fulfilling the terms of such contract; or

(iii) the individual is performing such physician’s¹ service obligation under a forbearance agreement entered into with the Secretary under subpart II of part D of title III of the Public Health Service Act [42 U.S.C. 254d et seq.].

¹ So in original. Probably should be “individual’s”.

(A) deductions shall be made from the amounts otherwise payable to the individual under this subchapter, in accordance with a formula and schedule agreed to by the Secretary and the individual, until such past-due obligation (and accrued interest) have been repaid;

(B) payment under this subchapter for services provided by such individual shall be made only on an assignment-related basis;

(C) if the individual does not provide services, for which payment would otherwise be made under this subchapter, of a sufficient quantity to maintain the offset collection according to the agreed upon formula and schedule—

(i) the Secretary shall immediately inform the Attorney General, and the Attorney General shall immediately commence an action to recover the full amount of the past-due obligation, and

(4) The Secretary shall not exclude an individual pursuant to paragraph (2)(C)(ii) or paragraph (3)(B) if such individual is a sole community practitioner or sole source of essential specialized services in a community if a State requests that the individual not be excluded.

(b) Past-due obligation

For purposes of this section, a past-due obligation is any amount—

(1) owed by an individual to the United States by reason of a breach of a scholarship contract under section 338E of the Public Health Service Act [42 U.S.C. 254o] or under subpart III of part F of title VII of such Act (as in effect before October 1, 1976) and which has not been paid by the deadline established by the Secretary pursuant to such respective section, and has not been canceled, waived, or suspended by the Secretary pursuant to such section; or

(2) owed by an individual to the United States by reason of a loan covered by Federal loan insurance under subpart I² of part C of title VII of the Public Health Service Act and payment for which has not been cancelled, waived, or suspended by the Secretary under such subpart.

² See References in Text note below.

(c) Collection under this section shall not be exclusive

This section shall not preclude the United States from applying other provisions of law otherwise applicable to the collection of obligations owed to the United States, including (but not limited to) the use of tax refund offsets pursuant to section 3720A of title 31 and the application of other procedures provided under chapter 37 of title 31.

(2) Deductions shall be in accordance with a formula and schedule agreed to by the Secretary, the individual and the provider, organization, or plan. The deductions shall be made from the amounts otherwise payable to the individual under this subchapter as long as the individual continues to be employed or affiliated by a medical services agreement.

(3) Such deduction shall not be made until 6 months after the Secretary notifies the provider, organization, or plan of the amount to be deducted and the particular physicians³ to whom the deductions are attributable.

(4) A deduction made under this subsection shall relieve the individual of the obligation (to the extent of the amount collected) to the United States, but the provider, organization, or plan shall have a right of action to collect from such individual the amount deducted pursuant to this subsection (including accumulated interest).

(5) No deduction shall be made under this subsection if, within the 6-month period after notice is given to the provider, organization, or plan, the individual pays the past-due obligation, or ceases to be employed by the provider, organization, or plan.

(6) The Secretary shall also apply the provisions of this subsection in the case of an individual who is a member of a group practice, if such group practice submits bills under this program as a group, rather than by individual physicians.³

(e) Transfer from trust funds

Amounts equal to the amounts deducted pursuant to this section shall be transferred from the Trust Fund from which the payment to the individual, provider, or other entity would otherwise have been made, to the general fund in the Treasury, and shall be credited as payment of the past-due obligation of the individual from whom (or with respect to whom) the deduction was made.

Notwithstanding paragraph (5), if on January 1, 1965, and on the date on which a State submits its plan for approval under this subchapter, the State agency which administered or supervised the administration of the plan of such State approved under subchapter X of this chapter (or subchapter XVI of this chapter, insofar as it relates to the blind) was different from the State agency which administered or supervised the administration of the State plan approved under subchapter I of this chapter (or subchapter XVI of this chapter, insofar as it relates to the aged), the State agency which administered or supervised the administration of such plan approved under subchapter X of this chapter (or subchapter XVI of this chapter, insofar as it relates to the blind) may be designated to administer or supervise the administration of the portion of the State plan for medical assistance which relates to blind individuals and a different State agency may be established or designated to administer or supervise the administration of the rest of the State plan for medical assistance; and in such case the part of the plan which each such agency administers, or the administration of which each such agency supervises, shall be regarded as a separate plan for purposes of this subchapter (except for purposes of paragraph (10)). The provisions of paragraphs (9)(A), (31), and (33) and of section 1396b(i)(4) of this title shall not apply to a Christian Science sanatorium operated, or listed and certified, by the First Church of Christ, Scientist, Boston, Massachusetts.

For purposes of paragraph (10) any individual who, for the month of August 1972, was eligible for or receiving aid or assistance under a State plan approved under subchapter I, X, XIV, or XVI of this chapter, or part A of subchapter IV of this chapter and who for such month was entitled to monthly insurance benefits under subchapter II of this chapter shall for purposes of this subchapter only be deemed to be eligible for financial aid or assistance for any month thereafter if such individual would have been eligible for financial aid or assistance for such month had the increase in monthly insurance benefits under subchapter II of this chapter resulting from enactment of Public Law 92-336 not been applicable to such individual.

The requirement of clause (A) of paragraph (37) with respect to a State plan may be waived by the Secretary if he finds that the State has exercised good faith in trying to meet such requirement. For purposes of this subchapter, any child who meets the requirements of paragraph (1) or (2) of section 673(b) of this title shall be deemed to be a dependent child as defined in section 606 of this title and shall be deemed to be a recipient of aid to families with dependent children under part A of subchapter IV of this chapter in the State where such child resides. Notwithstanding paragraph (10)(B) or any other provision of this subsection, a State plan shall provide medical assistance with respect to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law only in accordance with section 1396b(v) of this title.

(b) Approval by Secretary

The Secretary shall approve any plan which fulfills the conditions specified in subsection (a) of this section, except that he shall not approve any plan which imposes, as a condition of eligibility for medical assistance under the plan—

- (1) an age requirement of more than 65 years; or
- (2) any residence requirement which excludes any individual who resides in the State, regardless of whether or not the residence is maintained permanently or at a fixed address; or
- (3) any citizenship requirement which excludes any citizen of the United States.

(c) Lower payment levels or applying for benefits as condition of applying for, or receiving, medical assistance

Notwithstanding subsection (b) of this section, the Secretary shall not approve any State plan for medical assistance if—

- (1) the State has in effect, under its plan established under part A of subchapter IV of this chapter, payment levels that are less than the payment levels in effect under such plan on May 1, 1988; or
- (2) the State requires individuals described in subsection (1)(1) of this section to apply for benefits under such part as a condition of applying for, or receiving, medical assistance under this subchapter.

(d) Performance of medical or utilization review functions

If a State contracts with an entity which meets the requirements of section 1320c-1 of this title, as determined by the Secretary, for the performance of the quality review functions described in subsection (a)(30)(C) of this section, or a utilization and quality control peer review organization having a contract with the Secretary under part B of subchapter XI of this chapter for the performance of medical or utilization review functions (including quality review functions described in subsection (a)(30)(C) of this section) required under this subchapter of a State plan with respect to specific services or providers (or services or providers in a geographic area of the State), such requirements shall be deemed to be met for those services or providers (or services or providers in that area) by delegation to such an entity or organization under the contract of the State's authority to conduct such review activities if the contract provides for the performance of activities not inconsistent with part B of subchapter XI of this chapter and provides for such assurances of satisfactory performance by such an entity or organization as the Secretary may prescribe.

(e) Continued eligibility of families determined ineligible because of income and resources or hours of work limitations of plan; individuals enrolled with health maintenance organizations; persons deemed recipients of supplemental security income or State supplemental payments; entitlement for certain newborns; postpartum eligibility for pregnant women

(1)(A) Notwithstanding any other provision of this subchapter, effective January 1, 1974, sub-

ject to subparagraph (B) each State plan approved under this subchapter must provide that each family which was receiving aid pursuant to a plan of the State approved under part A of subchapter IV of this chapter in at least 3 of the 6 months immediately preceding the month in which such family became ineligible for such aid because of increased hours of, or increased income from, employment, shall, while a member of such family is employed, remain eligible for assistance under the plan approved under this subchapter (as though the family was receiving aid under the plan approved under part A of subchapter IV of this chapter) for 4 calendar months beginning with the month in which such family became ineligible for aid under the plan approved under part A of subchapter IV of this chapter because of income and resources or hours of work limitations contained in such plan.

(B) Subparagraph (A) shall not apply with respect to families that cease to be eligible for aid under part A of subchapter IV of this chapter during the period beginning on April 1, 1990, and ending on September 30, 1998. During such period, for provisions relating to extension of eligibility for medical assistance for certain families who have received aid pursuant to a State plan approved under part A of subchapter IV of this chapter and have earned income, see section 1396r-6 of this title.

(2)(A) In the case of an individual who is enrolled with a qualified health maintenance organization (as defined in title XIII of the Public Health Service Act [42 U.S.C. 300e et seq.]) or with an entity described in paragraph (2)(B)(iii), (2)(E), (2)(G), or (6) of section 1396b(m) of this title under a contract described in section 1396b(m)(2)(A) of this title or with an eligible organization with a contract under section 1395mm of this title and who would (but for this paragraph) lose eligibility for benefits under this subchapter before the end of the minimum enrollment period (defined in subparagraph (B)), the State plan may provide, notwithstanding any other provision of this subchapter, that the individual shall be deemed to continue to be eligible for such benefits until the end of such minimum period, but, except for benefits furnished under section 1396d(a)(4)(C) of this title, only with respect to such benefits provided to the individual as an enrollee of such organization or entity.

(B) For purposes of subparagraph (A), the term "minimum enrollment period" means, with respect to an individual's enrollment with an organization or entity under a State plan, a period, established by the State, of not more than six months beginning on the date the individual's enrollment with the organization or entity becomes effective.

(3) At the option of the State, any individual who—

(A) is 18 years of age or younger and qualifies as a disabled individual under section 1382c(a) of this title;

(B) with respect to whom there has been a determination by the State that—

(i) the individual requires a level of care provided in a hospital, nursing facility, or intermediate care facility for the mentally retarded,

(ii) it is appropriate to provide such care for the individual outside such an institution, and

(iii) the estimated amount which would be expended for medical assistance for the individual for such care outside an institution is not greater than the estimated amount which would otherwise be expended for medical assistance for the individual within an appropriate institution; and

(C) if the individual were in a medical institution, would be eligible for medical assistance under the State plan under this subchapter,

shall be deemed, for purposes of this subchapter only, to be an individual with respect to whom a supplemental security income payment, or State supplemental payment, respectively, is being paid under subchapter XVI of this chapter.

(4) A child born to a woman eligible for and receiving medical assistance under a State plan on the date of the child's birth shall be deemed to have applied for medical assistance and to have been found eligible for such assistance under such plan on the date of such birth and to remain eligible for such assistance for a period of one year so long as the child is a member of the woman's household and the woman remains (or would remain if pregnant) eligible for such assistance. During the period in which a child is deemed under the preceding sentence to be eligible for medical assistance, the medical assistance eligibility identification number of the mother shall also serve as the identification number of the child, and all claims shall be submitted and paid under such number (unless the State issues a separate identification number for the child before such period expires).

(5) A woman who, while pregnant, is eligible for, has applied for, and has received medical assistance under the State plan, shall continue to be eligible under the plan, as though she were pregnant, for all pregnancy-related and postpartum medical assistance under the plan, through the end of the month in which the 60-day period (beginning on the last day of her pregnancy) ends.

(6) In the case of a pregnant woman described in subsection (a)(10) of this section who, because of a change in income of the family of which she is a member, would not otherwise continue to be described in such subsection, the woman shall be deemed to continue to be an individual described in subsection (a)(10)(A)(i)(IV) of this section and subsection (l)(1)(A) of this section without regard to such change of income through the end of the month in which the 60-day period (beginning on the last day of her pregnancy) ends. The preceding sentence shall not apply in the case of a woman who has been provided ambulatory prenatal care pursuant to section 1396r-1 of this title during a presumptive eligibility period and is then, in accordance with such section, determined to be ineligible for medical assistance under the State plan.

(7) In the case of an infant or child described in subparagraph (B), (C), or (D) of subsection (l)(1) of this section or paragraph (2) of section 1396d(n) of this title—

(A) who is receiving inpatient services for which medical assistance is provided on the

date the infant or child attains the maximum age with respect to which coverage is provided under the State plan for such individuals, and

(B) who, but for attaining such age, would remain eligible for medical assistance under such subsection,

the infant or child shall continue to be treated as an individual described in such respective provision until the end of the stay for which the inpatient services are furnished.

(8) If an individual is determined to be a qualified medicare beneficiary (as defined in section 1396d(p)(1) of this title), such determination shall apply to services furnished after the end of the month in which the determination first occurs. For purposes of payment to a State under section 1396b(a) of this title, such determination shall be considered to be valid for an individual for a period of 12 months, except that a State may provide for such determinations more frequently, but not more frequently than once every 6 months for an individual.

(9)(A) At the option of the State, the plan may include as medical assistance respiratory care services for any individual who—

(i) is medically dependent on a ventilator for life support at least six hours per day;

(ii) has been so dependent for at least 30 consecutive days (or the maximum number of days authorized under the State plan, whichever is less) as an inpatient;

(iii) but for the availability of respiratory care services, would require respiratory care as an inpatient in a hospital, nursing facility, or intermediate care facility for the mentally retarded and would be eligible to have payment made for such inpatient care under the State plan;

(iv) has adequate social support services to be cared for at home; and

(v) wishes to be cared for at home.

(B) The requirements of subparagraph (A)(ii) may be satisfied by a continuous stay in one or more hospitals, nursing facilities, or intermediate care facilities for the mentally retarded.

(C) For purposes of this paragraph, respiratory care services means services provided on a part-time basis in the home of the individual by a respiratory therapist or other health care professional trained in respiratory therapy (as determined by the State), payment for which is not otherwise included within other items and services furnished to such individual as medical assistance under the plan.

(10)(A) The fact that an individual, child, or pregnant woman may be denied aid under part A of subchapter IV of this chapter pursuant to section 602(a)(43) of this title shall not be construed as denying (or permitting a State to deny) medical assistance under this subchapter to such individual, child, or woman who is eligible for assistance under this subchapter on a basis other than the receipt of aid under such part.

(B) If an individual, child, or pregnant woman is receiving aid under part A of subchapter IV of this chapter and such aid is terminated pursuant to section 602(a)(43) of this title, the State may not discontinue medical assistance under this subchapter for the individual, child, or woman until the State has determined that the individ-

ual, child, or woman is not eligible for assistance under this subchapter on a basis other than the receipt of aid under such part.

(11)(A) In the case of an individual who is enrolled with a group health plan under section 1396e of this title and who would (but for this paragraph) lose eligibility for benefits under this subchapter before the end of the minimum enrollment period (defined in subparagraph (B)), the State plan may provide, notwithstanding any other provision of this subchapter, that the individual shall be deemed to continue to be eligible for such benefits until the end of such minimum period, but only with respect to such benefits provided to the individual as an enrollee of such plan.

(B) For purposes of subparagraph (A), the term "minimum enrollment period" means, with respect to an individual's enrollment with a group health plan, a period established by the State, of not more than 6 months beginning on the date the individual's enrollment under the plan becomes effective.

(f) Effective date of State plan as determinative of duty of State to provide medical assistance to aged, blind, or disabled individuals

Notwithstanding any other provision of this subchapter, except as provided in subsection (e) of this section and section 1382h(b)(3) of this title and section 1396r-5 of this title, except with respect to qualified disabled and working individuals (described in section 1396d(s) of this title), and except with respect to qualified medicare beneficiaries, qualified severely impaired individuals, and individuals described in subsection (m)(1) of this subsection, no State not eligible to participate in the State plan program established under subchapter XVI of this chapter shall be required to provide medical assistance to any aged, blind, or disabled individual (within the meaning of subchapter XVI of this chapter) for any month unless such State would be (or would have been) required to provide medical assistance to such individual for such month had its plan for medical assistance approved under this subchapter and in effect on January 1, 1972, been in effect in such month, except that for this purpose any such individual shall be deemed eligible for medical assistance under such State plan if (in addition to meeting such other requirements as are or may be imposed under the State plan) the income of any such individual as determined in accordance with section 1396b(f) of this title (after deducting any supplemental security income payment and State supplementary payment made with respect to such individual, and incurred expenses for medical care as recognized under State law regardless of whether such expenses are reimbursed under another public program of the State or political subdivision thereof) is not in excess of the standard for medical assistance established under the State plan as in effect on January 1, 1972. In States which provide medical assistance to individuals pursuant to paragraph (10)(C) of subsection (a) of this section, an individual who is eligible for medical assistance by reason of the requirements of this section concerning the deduction of incurred medical expenses from income shall be considered an indi-

vidual eligible for medical assistance under paragraph (10)(A) of that subsection if that individual is, or is eligible to be (1) an individual with respect to whom there is payable a State supplementary payment on the basis of which similarly situated individuals are eligible to receive medical assistance equal in amount, duration, and scope to that provided to individuals eligible under paragraph (10)(A), or (2) an eligible individual or eligible spouse, as defined in subchapter XVI of this chapter, with respect to whom supplemental security income benefits are payable; otherwise that individual shall be considered to be an individual eligible for medical assistance under paragraph (10)(C) of that subsection. In States which do not provide medical assistance to individuals pursuant to paragraph (10)(C) of that subsection, an individual who is eligible for medical assistance by reason of the requirements of this section concerning the deduction of incurred medical expenses from income shall be considered an individual eligible for medical assistance under paragraph (10)(A) of that subsection.

(g) Reduction of aid or assistance to providers of services attempting to collect from beneficiary in violation of third-party provisions

In addition to any other sanction available to a State, a State may provide for a reduction of any payment amount otherwise due with respect to a person who furnishes services under the plan in an amount equal to up to three times the amount of any payment sought to be collected by that person in violation of subsection (a)(25)(C) of this section.

(h) Payments for hospitals serving disproportionate number of low-income patients and for home and community care

Nothing in this subchapter (including subsections (a)(13) and (a)(30) of this section) shall be construed as authorizing the Secretary to limit the amount of payment that may be made under a plan under this subchapter for home and community care.

(i) Termination of certification for participation of and suspension of State payments to intermediate care facilities for the mentally retarded

(1) In addition to any other authority under State law, where a State determines that a¹⁰ intermediate care facility for the mentally retarded which is certified for participation under its plan no longer substantially meets the requirements for such a facility under this subchapter and further determines that the facility's deficiencies—

(A) immediately jeopardize the health and safety of its patients, the State shall provide for the termination of the facility's certification for participation under the plan and may provide, or

(B) do not immediately jeopardize the health and safety of its patients, the State may, in lieu of providing for terminating the facility's certification for participation under the plan, provide

that no payment will be made under the State plan with respect to any individual admitted to such facility after a date specified by the State.

(2) The State shall not make such a decision with respect to a facility until the facility has had a reasonable opportunity, following the initial determination that it no longer substantially meets the requirements for such a facility under this subchapter, to correct its deficiencies, and, following this period, has been given reasonable notice and opportunity for a hearing.

(3) The State's decision to deny payment may be made effective only after such notice to the public and to the facility as may be provided for by the State, and its effectiveness shall terminate (A) when the State finds that the facility is in substantial compliance (or is making good faith efforts to achieve substantial compliance) with the requirements for such a facility under this subchapter, or (B) in the case described in paragraph (1)(B), with the end of the eleventh month following the month such decision is made effective, whichever occurs first. If a facility to which clause (B) of the previous sentence applies still fails to substantially meet the provisions of the respective section on the date specified in such clause, the State shall terminate such facility's certification for participation under the plan effective with the first day of the first month following the month specified in such clause.

(j) Waiver or modification of subchapter requirements with respect to medical assistance program in American Samoa

Notwithstanding any other requirement of this subchapter, the Secretary may waive or modify any requirement of this subchapter with respect to the medical assistance program in American Samoa and the Northern Mariana Islands, other than a waiver of the Federal medical assistance percentage, the limitation in section 1308(c) of this title, or the requirement that payment may be made for medical assistance only with respect to amounts expended by American Samoa or the Northern Mariana Islands for care and services described in paragraphs (1) through (25) of section 1396d(a) of this title.

(iv) In the case of a State which, as of December 19, 1989, has established under clause (i), or has enacted legislation authorizing, or appropriating funds, to provide for, a percentage (of the income official poverty line) that is greater than 133 percent, the percentage provided under clause (ii) for medical assistance on or after April 1, 1990, shall not be less than—

Any different treatment provided under this paragraph for such individuals shall not, because of subsection (a)(17) of this section, require or permit such treatment for other individuals.

(C) The provisions of section 1396d(p)(2)(D) of this title shall apply to determinations of income under this subsection in the same manner as they apply to determinations of income under section 1396d(p) of this title.

(3) Notwithstanding subsection (a)(17) of this section, for individuals described in paragraph (1) who are covered under the State plan by virtue of subsection (a)(10)(A)(ii)(X) of this section—

(n) Payment amounts

In the case of medical assistance furnished under this subchapter for medicare cost-sharing

respecting the furnishing of a service or item to a qualified medicare beneficiary, the State plan may provide payment in an amount with respect to the service or item that results in the sum of such payment amount and any amount of payment made under subchapter XVIII of this chapter with respect to the service or item exceeding the amount that is otherwise payable under the State plan for the item or service for eligible individuals who are not qualified medicare beneficiaries.

(o) Certain benefits disregarded for purposes of determining post-eligibility contributions

Notwithstanding any provision of subsection (a) of this section to the contrary, a State plan under this subchapter shall provide that any supplemental security income benefits paid by reason of subparagraph (E) or (G) of section 1382(e)(1) of this title to an individual who—

(1) is eligible for medical assistance under the plan, and

(2) is in a hospital, skilled nursing facility, or intermediate care facility at the time such benefits are paid,

will be disregarded for purposes of determining the amount of any post-eligibility contribution by the individual to the cost of the care and services provided by the hospital, skilled nursing facility, or intermediate care facility.

(p) Exclusion power of State; exclusion as prerequisite for medical assistance payments; "exclude" defined

(1) In addition to any other authority, a State may exclude any individual or entity for purposes of participating under the State plan under this subchapter for any reason for which the Secretary could exclude the individual or entity from participation in a program under subchapter XVIII of this chapter under section 1320a-7, 1320a-7a, or 1395cc(b)(2) of this title.

(2) In order for a State to receive payments for medical assistance under section 1396b(a) of this title, with respect to payments the State makes to a health maintenance organization (as defined in section 1396b(m) of this title) or to an entity furnishing services under a waiver approved under section 1396n(b)(1) of this title, the State must provide that it will exclude from participation, as such an organization or entity, any organization or entity that—

(3) As used in this subsection, the term “exclude” includes the refusal to enter into or renew a participation agreement or the termination of such an agreement.

(q) Minimum monthly personal needs allowance deduction; “institutionalized individual or couple” defined

(1)(A) In order to meet the requirement of subsection (a)(50) of this section, the State plan must provide that, in the case of an institutionalized individual or couple described in subparagraph (B), in determining the amount of the individual’s or couple’s income to be applied monthly to payment for the cost of care in an institution, there shall be deducted from the monthly income (in addition to other allowances otherwise provided under the State plan) a monthly personal needs allowance—

- (i) which is reasonable in amount for clothing and other personal needs of the individual (or couple) while in an institution, and
- (ii) which is not less (and may be greater) than the minimum monthly personal needs allowance described in paragraph (2).

(B) In this subsection, the term “institutionalized individual or couple” means an individual or married couple—

- (i) who is an inpatient (or who are inpatients) in a medical institution or nursing facility for which payments are made under this subchapter throughout a month, and
- (ii) who is or are determined to be eligible for medical assistance under the State plan.

(2) The minimum monthly personal needs allowance described in this paragraph¹⁴ is \$30 for an institutionalized individual and \$60 for an institutionalized couple (if both are aged, blind, or disabled, and their incomes are considered available to each other in determining eligibility).

(r) Disregarding payments for certain medical expenses by institutionalized individuals

(1) For purposes of sections 1396a(a)(17) and 1396r-5(d)(1)(D) of this title and for purposes of a waiver under section 1396n of this title, with respect to the post-eligibility treatment of income of individuals who are institutionalized or receiving home or community-based services under such a waiver¹⁵ there shall be disregarded reparation payments made by the Federal Republic of Germany and,¹⁶ there shall be taken into account amounts for incurred expenses for medical or remedial care that are not subject to payment by a third party, including—

- (i) medicare and other health insurance premiums, deductibles, or coinsurance, and
- (ii) necessary medical or remedial care recognized under State law but not covered under the State plan under this subchapter, subject to reasonable limits the State may establish on the amount of these expenses.

(2)(A) The methodology to be employed in determining income and resource eligibility for individuals under subsection (a)(10)(A)(i)(III), (a)(10)(A)(i)(IV), (a)(10)(A)(i)(VI), (a)(10)

(A)(i)(VII), (a)(10)(A)(ii), (a)(10)(C)(i)(III), or (f) of this section or under section 1396d(p) of this title may be less restrictive, and shall be no more restrictive, than the methodology—

- (i) in the case of groups consisting of aged, blind, or disabled individuals, under the supplemental security income program under subchapter XVI of this chapter, or
- (ii) in the case of other groups, under the State plan most closely categorically related.

(B) For purposes of this subsection and subsection (a)(10) of this section, methodology is considered to be “no more restrictive” if, using the methodology, additional individuals may be eligible for medical assistance and no individuals who are otherwise eligible are made ineligible for such assistance.

(s) Adjustment in payment for hospital services furnished to low-income children under age of 6 years

In order to meet the requirements of subsection (a)(55)¹⁷ of this section, the State plan must provide that payments to hospitals under the plan for inpatient hospital services furnished to infants who have not attained the age of 1 year, and to children who have not attained the age of 6 years and who receive such services in a disproportionate share hospital described in section 1396r-4(b)(1) of this title, shall—

- (1) if made on a prospective basis (whether per diem, per case, or otherwise) provide for an outlier adjustment in payment amounts for medically necessary inpatient hospital services involving exceptionally high costs or exceptionally long lengths of stay,
- (2) not be limited by the imposition of day limits with respect to the delivery of such services to such individuals, and
- (3) not be limited by the imposition of dollar limits (other than such limits resulting from prospective payments as adjusted pursuant to paragraph (1)) with respect to the delivery of such services to any such individual who has not attained their first birthday (or in the case of such an individual who is an inpatient on his first birthday until such individual is discharged).

(t) Limitation on payments to States for expenditures attributable to taxes

Nothing in this subchapter (including sections 1396b(a) and 1396d(a) of this title) shall be construed as authorizing the Secretary to deny or limit payments to a State for expenditures, for medical assistance for items or services, attributable to taxes of general applicability imposed with respect to the provision of such items or services.

(u) Qualified COBRA continuation beneficiaries

(1) Individuals described in this paragraph are individuals—

- (A) who are entitled to elect COBRA continuation coverage (as defined in paragraph (3)),
- (B) whose income (as determined under section 1382a of this title for purposes of the supplemental security income program) does not

(C) whose resources (as determined under section 1382b of this title for purposes of the supplemental security income program) do not exceed twice the maximum amount of resources that an individual may have and obtain benefits under that program, and

(D) with respect to whose enrollment for COBRA continuation coverage the State has determined that the savings in expenditures under this subchapter resulting from such enrollment is likely to exceed the amount of payments for COBRA premiums made.

(2) For purposes of subsection (a)(10)(F) of this section and this subsection, the term "COBRA premiums" means the applicable premium imposed with respect to COBRA continuation coverage.

(3) In this subsection, the term "COBRA continuation coverage" means coverage under a group health plan provided by an employer with 75 or more employees provided pursuant to title XXII of the Public Health Service Act [42 U.S.C. 300bb-1 et seq.], section 4980B of the Internal Revenue Code of 1986, or title VI¹⁸ of the Employee Retirement Income Security Act of 1974.

(4) Notwithstanding subsection (a)(17) of this section, for individuals described in paragraph (1) who are covered under the State plan by virtue of subsection (a)(10)(A)(ii)(XI) of this section—

(A) the income standard to be applied is the income standard described in paragraph (1)(B), and

(B) except as provided in section 1382a(b)(4)(B)(ii) of this title, costs incurred for medical care or for any other type of remedial care shall not be taken into account in determining income.

Any different treatment provided under this paragraph for such individuals shall not, because of subsection (a)(10)(B) or (a)(17) of this section, require or permit such treatment for other individuals.

(v) State agency disability and blindness determinations for medical assistance eligibility

(1)¹⁹ A State plan may provide for the making of determinations of disability or blindness for the purpose of determining eligibility for medical assistance under the State plan by the single State agency or its designee, and make medical assistance available to individuals whom it finds to be blind or disabled and who are determined otherwise eligible for such assistance during the period of time prior to which a final determination of disability or blindness is made by the Social Security Administration with respect to such an individual. In making such determinations, the State must apply the definitions of disability and blindness found in section 1382c(a) of this title.

(1) For purposes of subsection (a)(57) of this section and sections 1396b(m)(1)(A) and 1396r(c)(2)(E) of this title, the requirement of this subsection is that a provider or organization (as the case may be) maintain written policies and procedures with respect to all adult individuals receiving medical care by or through the provider or organization—

(A) to provide written information to each such individual concerning—

(i) an individual's rights under State law (whether statutory or as recognized by the courts of the State) to make decisions concerning such medical care, including the right to accept or refuse medical or surgical treatment and the right to formulate advance directives (as defined in paragraph (3)), and

(ii) the provider's or organization's written policies respecting the implementation of such rights;

(B) to document in the individual's medical record whether or not the individual has executed an advance directive;

(C) not to condition the provision of care or otherwise discriminate against an individual based on whether or not the individual has executed an advance directive;

(2) The written information described in paragraph (1)(A) shall be provided to an adult individual—

(A) in the case of a hospital, at the time of the individual's admission as an inpatient,

(B) in the case of a nursing facility, at the time of the individual's admission as a resident,

(C) in the case of a provider of home health care or personal care services, in advance of the individual coming under the care of the provider,

(D) in the case of a hospice program, at the time of initial receipt of hospice care by the individual from the program, and

(E) in the case of a health maintenance organization, at the time of enrollment of the individual with the organization.

(3) Nothing in this section shall be construed to prohibit the application of a State law which allows for an objection on the basis of conscience for any health care provider or any agent of such provider which as a matter of conscience cannot implement an advance directive.

(4) In this subsection, the term "advance directive" means a written instruction, such as a living will or durable power of attorney for health care, recognized under State law (whether statutory or as recognized by the courts of

the State) and relating to the provision of such care when the individual is incapacitated.

(x) Physician identifier system; establishment

The Secretary shall establish a system, for implementation by not later than July 1, 1991, which provides for a unique identifier for each physician who furnishes services for which payment may be made under a State plan approved under this subchapter.

(y) Intermediate sanctions for psychiatric hospitals

(1) In addition to any other authority under State law, where a State determines that a psychiatric hospital which is certified for participation under its plan no longer meets the requirements for a psychiatric hospital (referred to in section 1396d(h) of this title) and further finds that the hospital's deficiencies—

(A) immediately jeopardize the health and safety of its patients, the State shall terminate the hospital's participation under the State plan; or

(B) do not immediately jeopardize the health and safety of its patients, the State may terminate the hospital's participation under the State plan, or provide that no payment will be made under the State plan with respect to any individual admitted to such hospital after the effective date of the finding, or both.

(2) Except as provided in paragraph (3), if a psychiatric hospital described in paragraph (1)(B) has not complied with the requirements for a psychiatric hospital under this subchapter—

(A) within 3 months after the date the hospital is found to be out of compliance with such requirements, the State shall provide that no payment will be made under the State plan with respect to any individual admitted to such hospital after the end of such 3-month period, or

(B) within 6 months after the date the hospital is found to be out of compliance with such requirements, no Federal financial participation shall be provided under section 1396b(a) of this title with respect to further services provided in the hospital until the State finds that the hospital is in compliance with the requirements of this subchapter.

(3) The Secretary may continue payments, over a period of not longer than 6 months from the date the hospital is found to be out of compliance with such requirements, if—

(A) the State finds that it is more appropriate to take alternative action to assure compliance of the hospital with the requirements than to terminate the certification of the hospital,

(B) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

(C) the State agrees to repay to the Federal Government payments received under this paragraph if the corrective action is not taken in accordance with the approved plan and timetable.

(z) Optional coverage of TB-related services

(1) Individuals described in this paragraph are individuals not described in subsection (a)(10)(A)(i) of this section—

(A) who are infected with tuberculosis;

(B) whose income (as determined under the State plan under this subchapter with respect to disabled individuals) does not exceed the maximum amount of income a disabled individual described in subsection (a)(10)(A)(i) of this section may have and obtain medical assistance under the plan; and

(C) whose resources (as determined under the State plan under this subchapter with respect to disabled individuals) do not exceed the maximum amount of resources a disabled individual described in subsection (a)(10)(A)(i) of this section may have and obtain medical assistance under the plan.

"(a) IN GENERAL.—(1) The Secretary of Health and Human Services (in this section referred to as the 'Secretary') may not publish final or interim final regulations requiring a State plan approved under title XIX of the Social Security Act [this subchapter] to include a program requiring second surgical opinions or a program of inpatient hospital preadmission review.

"(2) The Secretary may not, during the period beginning on the date of the enactment of the Omnibus Budget Reconciliation Act of 1990 [Nov. 5, 1990] and ending on the date that is 180 days after the date on which the report required by subsection (d) is submitted to the Congress, publish final or interim final regulations requiring a State plan approved under title XIX of the Social Security Act [this subchapter] to include a program for ambulatory surgery, preadmission testing, or same-day surgery.

"(b) REPORT.—

"(1) The Secretary shall report to Congress, by not later than October 1, 1988, for each State in a representative sample of States—

"(A) the identity of those procedures which are high volume or high cost procedures among patients who are covered under the State medicaid plan,

"(B) the payment rates under those plans for such procedures, and the aggregate annual payment amounts made under such plans for such procedures (including the Federal share of such payment amounts),

"(C) the rate at which each such procedure is performed on medicaid patients and (to the extent that data are available) comparisons to the rate at which such procedure is performed on patients of comparable age who are not medicaid patients,

"(i) the number of board certified or board eligible physicians in the State who provide care and services to medicaid patients and who perform the procedure, and

"(ii) the measures that the State has taken to address such impediments, particularly in rural areas.

"(2) Such report shall also include a list of those surgical procedures which the Secretary believes meet the following criteria and for which a mandatory second opinion program under medicaid plans may be appropriate:

"(A) The procedure is one which generally can be postponed without undue risk to the patient.

"(B) The procedure is a high volume procedure among patients who are covered under State medicaid plans or is a high cost procedure.

"(C) The procedure has a comparatively high rate of nonconfirmation upon examination by another

qualified physician, there is substantial geographic variation in the rates of performance of the procedure, or there are other reasons why requiring second opinions for 100 percent of such procedures would be cost effective.

“(3) The representative sample of States required to be included in the report shall include States with mandatory second surgical opinion programs in operation, States with programs of inpatient hospital pre-admission review in operation, and States with neither such program in operation.

“(4) In this subsection and subsection (d), the term ‘medicaid plan’ means a State plan approved under title XIX of the Social Security Act [this subchapter].

“(2) The study shall analyze the extent to which there is significant variation in the rate of utilization by medicaid beneficiaries of selected treatments and procedures for different geographic areas within States and among States.

“(3) The study shall also identify underutilized, medically necessary treatments and procedures for which—

“(A) a failure to furnish could have an adverse effect on health status, and

“(B) the rate of utilization by medicaid beneficiaries is significantly less than the rate for comparable, age-adjusted populations.

“(4) The study shall be coordinated, to the extent practicable, with the research program established pursuant to section 1875(c) of the Social Security Act [section 1395f(c) of this title], with particular regard to the relationship of the variations described in paragraph (2) to patient outcomes.

“(5) The Secretary shall submit an interim report on the results of the study, including an analysis of the geographic variations under paragraph (2), to the Congress not later than January 1, 1990, and shall report the final results of the study to the Congress not later than January 1, 1992.

“(d) REPORT.—The Secretary shall report to Congress, by not later than January 1, 1993, for each State in a representative sample of States—

“(1) an analysis of the procedures for which programs for ambulatory surgery, preadmission testing, and same-day surgery are appropriate for patients who are covered under the State medicaid plan, and

“(2) the effects of such programs on access of such patients to necessary care, quality of care, and costs of care.

In selecting such a sample of States, the Secretary shall include some States with medicaid plans that include such programs.”

(C) For purposes of this subsection, when an overpayment is discovered, which was made by a State to a person or other entity, the State shall have a period of 60 days in which to recover or attempt to recover such overpayment before adjustment is made in the Federal payment to such State on account of such overpayment. Except as otherwise provided in subparagraph (D), the adjustment in the Federal payment shall be made at the end of the 60 days, whether or not recovery was made.

(D) In any case where the State is unable to recover a debt which represents an overpayment (or any portion thereof) made to a person or other entity on account of such debt having been discharged in bankruptcy or otherwise being uncollectable, no adjustment shall be made in the Federal payment to such State on account of such overpayment (or portion thereof).

(3) The pro rata share to which the United States is equitably entitled, as determined by the Secretary, of the net amount recovered during any quarter by the State or any political subdivision thereof with respect to medical assistance furnished under the State plan shall be considered an overpayment to be adjusted under this subsection.

(4) Upon the making of any estimate by the Secretary under this subsection, any appropriations available for payments under this section shall be deemed obligated.

(5) In any case in which the Secretary estimates that there has been an overpayment under this section to a State on the basis of a claim by such State that has been disallowed by the Secretary under section 1316(d) of this title, and such State disputes such disallowance, the amount of the Federal payment in controversy shall, at the option of the State, be retained by such State or recovered by the Secretary pending a final determination with respect to such payment amount. If such final determination is to the effect that any amount was properly disallowed, and the State chose to retain payment of the amount in controversy, the Secretary shall offset, from any subsequent payments made to such State under this subchapter, an amount equal to the proper amount of the disallowance plus interest on such amount disallowed for the period beginning on the date such amount was disallowed and ending on the date of such final determination at a rate (determined by the Secretary) based on the average of the bond equivalent of the weekly 90-day treasury bill auction rates during such period.

(6)(A) Each State (as defined in subsection (w)(7)(D) of this section) shall include, in the first report submitted under paragraph (1) after the end of each fiscal year, information related to—

(i) provider-related donations made to the State or units of local government during such fiscal year, and

(ii) health care related taxes collected by the State or such units during such fiscal year.

(B) Each State shall include, in the first report submitted under paragraph (1) after the end of each fiscal year, information related to the total amount of payment adjustments made, and the amount of payment adjustments made to individual providers (by provider), under section 1396r-4(c) of this title during such fiscal year.

(e) Transition costs of closures or conversions permitted

A State plan approved under this subchapter may include, as a cost with respect to hospital services under the plan under this subchapter, periodic expenditures made to reflect transitional allowances established with respect to a hospital closure or conversion under section 1395uu of this title.

(f) Limitation on Federal participation in medical assistance

(1)(A) Except as provided in paragraph (4), payment under the preceding provisions of this section shall not be made with respect to any amount expended as medical assistance in a calendar quarter, in any State, for any member of a family the annual income of which exceeds the applicable income limitation determined under this paragraph.

(B)(i) Except as provided in clause (ii) of this subparagraph, the applicable income limitation with respect to any family is the amount determined, in accordance with standards prescribed by the Secretary, to be equivalent to 133⅓ percent of the highest amount which would ordinarily be paid to a family of the same size without any income or resources, in the form of money payments, under the plan of the State approved under part A of subchapter IV of this chapter.

(ii) If the Secretary finds that the operation of a uniform maximum limits payments to families of more than one size, he may adjust the amount otherwise determined under clause (i) to take account of families of different sizes.

(C) The total amount of any applicable income limitation determined under subparagraph (B) shall, if it is not a multiple of \$100 or such other amount as the Secretary may prescribe, be rounded to the next higher multiple of \$100 or such other amount, as the case may be.

(2)(A) In computing a family's income for purposes of paragraph (1), there shall be excluded any costs (whether in the form of insurance premiums or otherwise and regardless of whether such costs are reimbursed under another public program of the State or political subdivision thereof) incurred by such family for medical care or for any other type of remedial care recognized under State law or, (B) notwithstanding section 1396o of this title at State option, an amount paid by such family, at the family's option, to the State, provided that the amount, when combined with costs incurred in prior months, is sufficient when excluded from the family's income to reduce such family's income below the applicable income limitation described in paragraph (1). The amount of State expenditures for which medical assistance is

available under subsection (a)(1) of this section will be reduced by amounts paid to the State pursuant to this subparagraph.¹

(3) For purposes of paragraph (1)(B), in the case of a family consisting of only one individual, the "highest amount which would ordinarily be paid" to such family under the State's plan approved under part A of subchapter IV of this chapter shall be the amount determined by the State agency (on the basis of reasonable relationship to the amounts payable under such plan to families consisting of two or more persons) to be the amount of the aid which would ordinarily be payable under such plan to a family (without any income or resources) consisting of one person if such plan provided for aid to such a family.

(4) The limitations on payment imposed by the preceding provisions of this subsection shall not apply with respect to any amount expended by a State as medical assistance for any individual described in section 1396a(a)(10)(A)(i)(III), 1396a(a)(10)(A)(i)(IV), 1396a(a)(10)(A)(i)(V), 1396a(a)(10)(A)(i)(VI), 1396a(a)(10)(A)(i)(VII), 1396a(a)(10)(A)(ii)(IX), 1396a(a)(10)(A)(ii)(X), or 1396d(p)(1) of this title or for any individual—

(A) who is receiving aid or assistance under any plan of the State approved under subchapter I, X, XIV or XVI, or part A of subchapter IV, or with respect to whom supplemental security income benefits are being paid under subchapter XVI of this chapter, or

(B) who is not receiving such aid or assistance, and with respect to whom such benefits are not being paid, but (i) is eligible to receive such aid or assistance, or to have such benefits paid with respect to him, or (ii) would be eligible to receive such aid or assistance, or to have such benefits paid with respect to him if he were not in a medical institution, or

(C) with respect to whom there is being paid, or who is eligible, or would be eligible if he were not in a medical institution, to have paid with respect to him, a State supplementary payment and is eligible for medical assistance equal in amount, duration, and scope to the medical assistance made available to individuals described in section 1396a(a)(10)(A) of this title, but only if the income of such individual (as determined under section 1382a of this title, but without regard to subsection (b) thereof) does not exceed 300 percent of the supplemental security income benefit rate established by section 1382(b)(1) of this title,

at the time of the provision of the medical assistance giving rise to such expenditure.

(g) Decrease in Federal medical assistance percentage of amounts paid for services furnished under State plan after June 30, 1973

(1) Subject to paragraph (3), with respect to amounts paid for the following services furnished under the State plan after June 30, 1973 (other than services furnished pursuant to a contract with a health maintenance organization as defined in section 1395mm of this title or which is a qualified health maintenance organization (as defined in section 300e-9(d)² of this title)),

the Federal medical assistance percentage shall be decreased as follows: After an individual has received inpatient hospital services or services in an intermediate care facility for the mentally retarded for 60 days or inpatient mental hospital services for 90 days (whether or not such days are consecutive), during any fiscal year, the Federal medical assistance percentage with respect to amounts paid for any such care furnished thereafter to such individual shall be decreased by a per centum thereof (determined under paragraph (5)) unless the State agency responsible for the administration of the plan makes a showing satisfactory to the Secretary that, with respect to each calendar quarter for which the State submits a request for payment at the full Federal medical assistance percentage for amounts paid for inpatient hospital services or services in an intermediate care facility for the mentally retarded furnished beyond 60 days (or inpatient mental hospital services furnished beyond 90 days), such State has an effective program of medical review of the care of patients in mental hospitals and intermediate care facilities for the mentally retarded pursuant to paragraphs (26) and (31) of section 1396a(a) of this title whereby the professional management of each case is reviewed and evaluated at least annually by independent professional review teams. In determining the number of days on which an individual has received services described in this subsection, there shall not be counted any days with respect to which such individual is entitled to have payments made (in whole or in part) on his behalf under section 1395d of this title.

(2) The Secretary shall, as part of his validation procedures under this subsection, conduct timely sample onsite surveys of private and public institutions in which recipients of medical assistance may receive care and services under a State plan approved under this subchapter, and his findings with respect to such surveys (as well as the showings of the State agency required under this subsection) shall be made available for public inspection.

(3)(A) No reduction in the Federal medical assistance percentage of a State otherwise required to be imposed under this subsection shall take effect—

(i) if such reduction is due to the State's unsatisfactory or invalid showing made with respect to a calendar quarter beginning before January 1, 1977;

(ii) before January 1, 1978;

(iii) unless a notice of such reduction has been provided to the State at least 30 days before the date such reduction takes effect; or

(iv) due to the State's unsatisfactory or invalid showing made with respect to a calendar quarter beginning after September 30, 1977, unless notice of such reduction has been provided to the State no later than the first day of the fourth calendar quarter following the calendar quarter with respect to which such showing was made.

(B) The Secretary shall waive application of any reduction in the Federal medical assistance percentage of a State otherwise required to be imposed under paragraph (1) because a showing by the State, made under such paragraph with

respect to a calendar quarter ending after January 1, 1977, and before January 1, 1978, is determined to be either unsatisfactory under such paragraph or invalid under paragraph (2), if the Secretary determines that the State's showing made under paragraph (1) with respect to any calendar quarter ending on or before December 31, 1978, is satisfactory under such paragraph and is valid under paragraph (2).

(4)(A) The Secretary may not find the showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory if the showing is submitted to the Secretary later than the 30th day after the last day of the calendar quarter, unless the State demonstrates to the satisfaction of the Secretary good cause for not meeting such deadline.

(B) The Secretary shall find a showing of a State, with respect to a calendar quarter under paragraph (1), to be satisfactory under such paragraph with respect to the requirement that the State conduct annual onsite inspections in mental hospitals and intermediate care facilities for the mentally retarded under paragraphs (26) and (31) of section 1396a(a) of this title, if the showing demonstrates that the State has conducted such an onsite inspection during the 12-month period ending on the last date of the calendar quarter—

(i) in each of not less than 98 per centum of the number of such hospitals and facilities requiring such inspection, and

(ii) in every such hospital or facility which has 200 or more beds,

and that, with respect to such hospitals and facilities not inspected within such period, the State has exercised good faith and due diligence in attempting to conduct such inspection, or if the State demonstrates to the satisfaction of the Secretary that it would have made such a showing but for failings of a technical nature only.

(5) In the case of a State's unsatisfactory or invalid showing made with respect to a type of facility or institutional services in a calendar quarter, the per centum amount of the reduction of the State's Federal medical assistance percentage for that type of services under paragraph (1) is equal to 33½ per centum multiplied by a fraction, the denominator of which is equal to the total number of patients receiving that type of services in that quarter under the State plan in facilities or institutions for which a showing was required to be made under this subsection, and the numerator of which is equal to the number of such patients receiving such type of services in that quarter in those facilities or institutions for which a satisfactory and valid showing was not made for that calendar quarter.

(6)(A) Recertifications required under section 1396a(a)(44) of this title shall be conducted at least every 60 days in the case of inpatient hospital services.

(B) Such recertifications in the case of services in an intermediate care facility for the mentally retarded shall be conducted at least—

(i) 60 days after the date of the initial certification,

(ii) 180 days after the date of the initial certification,

(iii) 12 months after the date of the initial certification,

(iv) 18 months after the date of the initial certification,

(v) 24 months after the date of the initial certification, and

(vi) every 12 months thereafter.

(C) For purposes of determining compliance with the schedule established by this paragraph, a recertification shall be considered to have been done on a timely basis if it was performed not later than 10 days after the date the recertification was otherwise required and the State establishes good cause why the physician or other person making such recertification did not meet such schedule.

(i) Payment for organ transplants; item or service furnished by excluded individual, entity, or physician; other restrictions

Payment under the preceding provisions of this section shall not be made—

(1) for organ transplant procedures unless the State plan provides for written standards respecting the coverage of such procedures and unless such standards provide that—

(A) similarly situated individuals are treated alike; and

(B) any restriction, on the facilities or practitioners which may provide such procedures, is consistent with the accessibility of high quality care to individuals eligible for the procedures under the State plan; or

(2) with respect to any amount expended for an item or service (other than an emergency item or service, not including items or services furnished in an emergency room of a hospital) furnished—

(A) under the plan by any individual or entity during any period when the individual or entity is excluded from participation under subchapter V, XVIII, or XX of this chapter or under this subchapter pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title, or

(B) at the medical direction or on the prescription of a physician, during the period when such physician is excluded from participation under subchapter V, XVIII, or XX of this chapter or under this subchapter pursuant to section 1320a-7, 1320a-7a, 1320c-5, or 1395u(j)(2) of this title and when the person furnishing such item or service knew or had reason to know of the exclusion (after a reasonable time period after reasonable notice has been furnished to the person).³

(3) with respect to any amount expended for inpatient hospital services furnished under the plan (other than amounts attributable to the special situation of a hospital which serves a disproportionate number of low income patients with special needs) to the extent that such amount exceeds the hospital's customary charges with respect to such services or (if such services are furnished under the plan by a public institution free of charge or at nominal charges to the public) exceeds an amount

determined on the basis of those items (specified in regulations prescribed by the Secretary) included in the determination of such payment which the Secretary finds will provide fair compensation to such institution for such services; or

(4) with respect to any amount expended for care or services furnished under the plan by a hospital unless such hospital has in effect a utilization review plan which meets the requirements imposed by section 1395x(k) of this title for purposes of subchapter XVIII of this chapter; and if such hospital has in effect such a utilization review plan for purposes of subchapter XVIII of this chapter, such plan shall serve as the plan required by this subsection (with the same standards and procedures and the same review committee or group) as a condition of payment under this subchapter; the Secretary is authorized to waive the requirements of this paragraph if the State agency demonstrates to his satisfaction that it has in operation utilization review procedures which are superior in their effectiveness to the procedures required under section 1395x(k) of this title; or

(5) with respect to any amount expended for any drug product for which payment may not be made under part B of subchapter XVIII of this chapter because of section 1395y(c) of this title; or

(6) with respect to any amount expended for inpatient hospital tests (other than in emergency situations) not specifically ordered by the attending physician or other responsible practitioner; or

(7) with respect to any amount expended for clinical diagnostic laboratory tests performed by a physician, independent laboratory, or hospital, to the extent such amount exceeds the amount that would be recognized under section 1395l(h) of this title for such tests performed for an individual enrolled under part B of subchapter XVIII of this chapter; or

(8) with respect to any amount expended for medical assistance (A) for nursing facility services to reimburse (or otherwise compensate) a nursing facility for payment of a civil money penalty imposed under section 1396r(h) of this title or (B) for home and community care to reimburse (or otherwise compensate) a provider of such care for payment of a civil money penalty imposed under this subchapter or subchapter XI of this chapter or for legal expenses in defense of an exclusion or civil money penalty under this subchapter or subchapter XI of this chapter if there is no reasonable legal ground for the provider's case; or

(9) with respect to any amount of medical assistance for pregnant women and children described in section 1396a(a)(10)(A)(ii)(IX) of this title, if the State has in effect, under its plan established under part A of subchapter IV of this chapter, payment levels that are less than the payment levels in effect under such plan on July 1, 1987;⁴

fect under section 1396r-8 of this title with respect to such drugs or unless section 1396r-8(a)(3) of this title applies, and

(B) with respect to any amount expended for an innovator multiple source drug (as defined in section 1396r-8(k) of this title) dispensed on or after July 1, 1991, if, under applicable State law, a less expensive multiple source drug could have been dispensed, but only to the extent that such amount exceeds the upper payment limit for such multiple source drug;⁴

(11) with respect to any amount expended for physicians' services furnished on or after the first day of the first quarter beginning more than 60 days after the date of establishment of the physician identifier system under section 1396a(x) of this title, unless the claim for the services includes the unique physician identifier provided under such system;⁴

(12) with respect to any amount expended for physicians' services furnished by a physician on or after January 1, 1992, to—

(A) a child under 21 years of age, unless the physician—

(ii) is employed by, or affiliated with, a Federally-qualified health center (as defined in section 1396d(l)(2)(B) of this title),

(iii) holds admitting privileges at a hospital participating in a State plan approved under this subchapter,

(iv) is a member of the National Health Service Corps,

(v) documents a current, formal, consultation and referral arrangement with a pediatrician or family practitioner who has the certification described in clause (i) for purposes of specialized treatment and admission to a hospital, or

(vi) has been certified by the Secretary as qualified to provide physicians' services to a child under 21 years of age; or

(B) to a pregnant woman (or during the 60 day period beginning on the date of termination of the pregnancy) unless the physician—

(i) is certified in family practice or obstetrics by the medical specialty board recognized by the American Board of Medical Specialties for family practice or obstetrics,

(ii) is employed by, or affiliated with, a Federally-qualified health center (as defined in section 1396d(l)(2)(B) of this title),

(13) with respect to any amount expended to reimburse (or otherwise compensate) a nursing facility for payment of legal expenses associated with any action initiated by the facility that is dismissed on the basis that no reasonable legal ground existed for the institution of such action;⁵

(14) with respect to any amount expended on administrative costs to carry out the program under section 1396s of this title; or

(15) with respect to any amount expended for a single-antigen vaccine and its administration in any case in which the administration of a combined-antigen vaccine was medically appropriate (as determined by the Secretary).

Nothing in paragraph (1) shall be construed as permitting a State to provide services under its plan under this subchapter that are not reasonable in amount, duration, and scope to achieve their purpose.

(j) Adjustment of amount

Notwithstanding the preceding provisions of this section, the amount determined under subsection (a)(1) of this section for any State for any quarter shall be adjusted in accordance with section 1396m of this title.

(k) Technical assistance to States

The Secretary is authorized to provide at the request of any State (and without cost to such State) such technical and actuarial assistance as may be necessary to assist such State to contract with any health maintenance organization which meets the requirements of subsection (m) of this section for the purpose of providing medical care and services to individuals who are entitled to medical assistance under this subchapter.

(l) Repealed. Pub. L. 94-552, § 1, Oct. 18, 1976, 90 Stat. 2540

(m) "Health maintenance organization" defined; duties and functions of Secretary; payments to States; reporting requirements; remedies

(i) makes services it provides to individuals eligible for benefits under this subchapter accessible to such individuals, within the area served by the organization, to the same extent as such services are made accessible to individuals (eligible for medical assistance under the State plan) not enrolled with the organization, and

(B) The duties and functions of the Secretary, insofar as they involve making determinations as to whether an organization is a health maintenance organization within the meaning of subparagraph (A), shall be integrated with the administration of section 300e-11(a) and (b) of this title.

(2)(A) Except as provided in subparagraphs (B), (C), and (G), no payment shall be made under this subchapter to a State with respect to expenditures incurred by it for payment (determined under a prepaid capitation basis or under any other risk basis) for services provided by any entity (including a health insuring organization) which is responsible for the provision (directly or through arrangements with providers of services) of inpatient hospital services and any other service described in paragraph (2), (3), (4), (5), or (7) of section 1396d(a) of this title or for the provision of any three or more of the services described in such paragraphs unless—

(i) the Secretary has determined that the entity is a health maintenance organization as defined in paragraph (1);

(ii) less than 75 percent of the membership of the entity which is enrolled on a prepaid basis consists of individuals who (I) are insured for benefits under part B of subchapter XVIII of this chapter or for benefits under both parts A and B of such subchapter, or (II) are eligible to receive benefits under this subchapter;

(iii) such services are provided for the benefit of individuals eligible for benefits under this subchapter in accordance with a contract between the State and the entity under which prepaid payments to the entity are made on an actuarially sound basis and under which the Secretary must provide prior approval for contracts providing for expenditures in excess of \$100,000;

(iv) such contract provides that the Secretary and the State (or any person or organization designated by either) shall have the right to audit and inspect any books and records of the entity (and of any subcontractor) that pertain (I) to the ability of the entity to bear the risk of potential financial losses, or (II) to services performed or determinations of amounts payable under the contract;

(v) such contract provides that in the entity's enrollment, reenrollment, or disenrollment of individuals who are eligible for benefits under this subchapter and eligible to enroll, reenroll, or disenroll with the entity pursuant to the contract, the entity will not discriminate among such individuals on the basis of their health status or requirements for health care services;

(vi) such contract (I) except as provided under subparagraph (F), permits individuals who have elected under the plan to enroll with the entity for provision of such benefits to terminate such enrollment without cause as of the beginning of the first calendar month following a full calendar month after the request is made for such termination, and (II) provides for notification of each such individual, at the

time of the individual's enrollment, of such right to terminate such enrollment;

(vii) such contract provides that, in the case of medically necessary services which were provided (I) to an individual enrolled with the entity under the contract and entitled to benefits with respect to such services under the State's plan and (II) other than through the organization because the services were immediately required due to an unforeseen illness, injury, or condition, either the entity or the State provides for reimbursement with respect to those services;⁷

(viii) such contract provides for disclosure of information in accordance with section 1320a-3 of this title and paragraph (4) of this subsection;

(ix) such contract provides, in the case of an entity that has entered into a contract for the provision of services of such center with a federally qualified health center, that (I) rates of prepayment from the State are adjusted to reflect fully the rates of payment specified in section 1396a(a)(13)(E) of this title, and (II) at the election of such center payments made by the entity to such a center for services described in 1396d(a)(2)(C) of this title are made at the rates of payment specified in section 1396a(a)(13)(E) of this title;

(x) any physician incentive plan that it operates meets the requirements described in section 1395mm(i)(8) of this title; and

(xi) such contract provides for maintenance of sufficient patient encounter data to identify the physician who delivers services to patients.

(B) Subparagraph (A)⁸ except with respect to clause (ix) of subparagraph (A), does not apply with respect to payments under this subchapter to a State with respect to expenditures incurred by it for payment for services provided by an entity which—

(i)(I) received a grant of at least \$100,000 in the fiscal year ending June 30, 1976, under section 254b(d)(1)(A) or 254c(d)(1) of this title, and for the period beginning July 1, 1976, and ending on the expiration of the period for which payments are to be made under this subchapter has been the recipient of a grant under either such section; and

(II) provides to its enrollees, on a prepaid capitation risk basis or on any other risk basis, all of the services and benefits described in paragraphs (1), (2), (3), (4)(C), and (5) of section 1396d(a) of this title and, to the extent required by section 1396a(a)(10)(D) of this title to be provided under a State plan for medical assistance, the services and benefits described in paragraph (7) of section 1396d(a) of this title; or

(ii) is a nonprofit primary health care entity located in a rural area (as defined by the Appalachian Regional Commission)—

(I) which received in the fiscal year ending June 30, 1976, at least \$100,000 (by grant, subgrant, or subcontract) under the Appalachian Regional Development Act of 1965, and

(II) for the period beginning July 1, 1976, and ending on the expiration of the period for which payments are to be made under this subchapter either has been the recipient of a grant, subgrant, or subcontract under such Act or has provided services under a contract (initially entered into during a year in which the entity was the recipient of such a grant, subgrant, or subcontract) with a State agency under this subchapter on a prepaid capitation risk basis or on any other risk basis; or

(iii) which has contracted with the single State agency for the provision of services (but not including inpatient hospital services) to persons eligible under this subchapter on a prepaid risk basis prior to 1970.

(C) Subparagraph (A)(ii) shall not apply with respect to payments under this subchapter to a State with respect to expenditures incurred by it for payment for services by an entity during the three-year period beginning on October 8, 1976, or beginning on the date the entity qualifies as a health maintenance organization (as determined by the Secretary), whichever occurs later, but only if the entity demonstrates to the satisfaction of the Secretary by the submission of plans for each year of such three-year period that it is making continuous efforts and progress toward achieving compliance with subparagraph (A)(ii).

(D) In the case of a health maintenance organization that is a public entity, the Secretary may modify or waive the requirement described in subparagraph (A)(ii) but only if the Secretary determines that the organization has taken and is taking reasonable efforts to enroll individuals who are not entitled to benefits under the State plan approved under this subchapter or under subchapter XVIII of this chapter.

(E) In the case of a health maintenance organization that—

(i) is a nonprofit organization with at least 25,000 members,

(F) In the case of—

(i) a contract with an entity described in subparagraph (E) or (G), with a qualified

health maintenance organization (as defined in section 300e-9(d)⁹ of this title) which meets the requirement of subparagraph (A)(ii), or or¹⁰ with an eligible organization with a contract under section 1395mm of this title which meets the requirement of subparagraph (A)(ii), or

(ii) a program pursuant to an undertaking described in paragraph (6) in which at least 25 percent of the membership enrolled on a prepaid basis are individuals who (I) are not insured for benefits under part B of subchapter XVIII of this chapter or eligible for benefits under this subchapter, and (II) (in the case of such individuals whose prepayments are made in whole or in part by any government entity) had the opportunity at the time of enrollment in the program to elect other coverage of health care costs that would have been paid in whole or in part by any governmental entity,

a State plan may restrict the period in which requests for termination of enrollment without cause under subparagraph (A)(vi)(I) are permitted to the first month of each period of enrollment, each such period of enrollment not to exceed six months in duration, but only if the State provides notification, at least twice per year, to individuals enrolled with such entity or organization of the right to terminate such enrollment and the restriction on the exercise of this right. Such restriction shall not apply to requests for termination of enrollment for cause.

(G) In the case of an entity which is receiving (and has received during the previous two years) a grant of at least \$100,000 under section 254b(d)(1)(A) or 254c(d)(1) of this title or is receiving (and has received during the previous two years) at least \$100,000 (by grant, subgrant, or subcontract) under the Appalachian Regional Development Act of 1965, clauses (i) and (ii) of subparagraph (A) shall not apply.

(H) In the case of an individual who—

(i) in a month is eligible for benefits under this subchapter and enrolled with a health maintenance organization with a contract under this paragraph,

(ii) in the next month (or in the next 2 months) is not eligible for such benefits, but

(iii) in the succeeding month is again eligible for such benefits,

the State plan, subject to subparagraph (A)(vi), may enroll the individual for that succeeding month with the health maintenance organization described in clause (i) if the organization continues to have a contract under this paragraph with the State.

(4)(A) Each health maintenance organization which is not a qualified health maintenance organization (as defined in section 300e-9(d)⁹ of this title) must report to the State and, upon request, to the Secretary, the Inspector General of the Department of Health and Human Services, and the Comptroller General a description of transactions between the organization and a party in interest (as defined in section 300e-17(b) of this title), including the following transactions:

⁹ See References in Text note below.

¹⁰ So in original.

(i) Any sale or exchange, or leasing of any property between the organization and such a party.

(ii) Any furnishing for consideration of goods, services (including management services), or facilities between the organization and such a party, but not including salaries paid to employees for services provided in the normal course of their employment.

(iii) Any lending of money or other extension of credit between the organization and such a party.

The State or Secretary may require that information reported respecting an organization which controls, or is controlled by, or is under common control with, another entity be in the form of a consolidated financial statement for the organization and such entity.

(B) Each organization shall make the information reported pursuant to subparagraph (A) available to its enrollees upon reasonable request.

(5)(A) If the Secretary determines that an entity with a contract under this subsection—

(i) fails substantially to provide medically necessary items and services that are required (under law or under the contract) to be provided to an individual covered under the contract, if the failure has adversely affected (or has substantial likelihood of adversely affecting) the individual;

(ii) imposes premiums on individuals enrolled under this subsection in excess of the premiums permitted under this subchapter;

(iii) acts to discriminate among individuals in violation of the provision of paragraph (2)(A)(v), including expulsion or refusal to re-enroll an individual or engaging in any practice that would reasonably be expected to have the effect of denying or discouraging enrollment (except as permitted by this subsection) by eligible individuals with the organization whose medical condition or history indicates a need for substantial future medical services;

(iv) misrepresents or falsifies information that is furnished—

(I) to the Secretary or the State under this subsection, or

(II) to an individual or to any other entity under this subsection,¹¹ or

(v) fails to comply with the requirements of section 1395mm(i)(8) of this title,

the Secretary may provide, in addition to any other remedies available under law, for any of the remedies described in subparagraph (B).

(B) The remedies described in this subparagraph are—

(i) civil money penalties of not more than \$25,000 for each determination under subparagraph (A), or, with respect to a determination under clause (iii) or (iv)(I) of such subparagraph, of not more than \$100,000 for each such determination, plus, with respect to a determination under subparagraph (A)(ii), double the excess amount charged in violation of such subparagraph (and the excess amount charged shall be deducted from the penalty and returned to the individual concerned), and plus,

with respect to a determination under subparagraph (A)(iii), \$15,000 for each individual not enrolled as a result of a practice described in such subparagraph, or

(ii) denial of payment to the State for medical assistance furnished under the contract under this subsection for individuals enrolled after the date the Secretary notifies the organization of a determination under subparagraph (A) and until the Secretary is satisfied that the basis for such determination has been corrected and is not likely to recur.

The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under clause (i) in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(6)(A) For purposes of this subsection and section 1396a(e)(2)(A) of this title, in the case of the State of New Jersey, the term “contract” shall be deemed to include an undertaking by the State agency, in the State plan under this subchapter, to operate a program meeting all requirements of this subsection.

(B) The undertaking described in subparagraph (A) must provide—

(i) for the establishment of a separate entity responsible for the operation of a program meeting the requirements of this subsection, which entity may be a subdivision of the State agency administering the State plan under this subchapter;

(ii) for separate accounting for the funds used to operate such program;

(iii) for setting the capitation rates and any other payment rates for services provided in accordance with this subsection using a methodology satisfactory to the Secretary designed to ensure that total Federal matching payments under this subchapter for such services will be lower than the matching payments that would be made for the same services, if provided under the State plan on a fee for service basis to an actuarially equivalent population; and

(iv) that the State agency will contract, for purposes of meeting the requirement under section 1396a(a)(30)(C) of this title, with an organization or entity that under section 1320c-3 of this title reviews services provided by an eligible organization pursuant to a contract under section 1395mm of this title for the purpose of determining whether the quality of services meets professionally recognized standards of health care.

(C) The undertaking described in subparagraph (A) shall be subject to approval (and annual re-approval) by the Secretary in the same manner as a contract under this subsection.

(D) The undertaking described in subparagraph (A) shall not be eligible for a waiver under section 1396n(b) of this title.

(o) Restrictions on authorized payments to States

Notwithstanding the preceding provisions of this section, no payment shall be made to a

State under the preceding provisions of this section for expenditures for medical assistance provided for an individual under its State plan approved under this subchapter to the extent that a private insurer (as defined by the Secretary by regulation and including a group health plan (as defined in section 1167(1) of title 29), a service benefit plan, and a health maintenance organization) would have been obligated to provide such assistance but for a provision of its insurance contract which has the effect of limiting or excluding such obligation because the individual is eligible for or is provided medical assistance under the plan.

(p) Assignment of rights of payment; incentive payments for enforcement and collection

(1) When a political subdivision of a State makes, for the State of which it is a political subdivision, or one State makes, for another State, the enforcement and collection of rights of support or payment assigned under section 1396k of this title, pursuant to a cooperative arrangement under such section (either within or outside of such State), there shall be paid to such political subdivision or such other State from amounts which would otherwise represent the Federal share of payments for medical assistance provided to the eligible individuals on whose behalf such enforcement and collection was made, an amount equal to 15 percent of any amount collected which is attributable to such rights of support or payment.

(2) Where more than one jurisdiction is involved in such enforcement or collection, the amount of the incentive payment determined under paragraph (1) shall be allocated among the jurisdictions in a manner to be prescribed by the Secretary.

(q) "State medicaid fraud control unit" defined

For the purposes of this section, the term "State medicaid fraud control unit" means a single identifiable entity of the State government which the Secretary certifies (and annually recertifies) as meeting the following requirements:

(1) The entity (A) is a unit of the office of the State Attorney General or of another department of State government which possesses statewide authority to prosecute individuals for criminal violations, (B) is in a State the constitution of which does not provide for the criminal prosecution of individuals by a statewide authority and has formal procedures, approved by the Secretary, that (i) assure its referral of suspected criminal violations relating to the program under this subchapter to the appropriate authority or authorities in the State for prosecution and (ii) assure its assistance of, and coordination with, such authority or authorities in such prosecutions, or (C) has a formal working relationship with the office of the State Attorney General and has formal procedures (including procedures for its referral of suspected criminal violations to such office) which are approved by the Secretary and which provide effective coordination of activities between the entity and such office with respect to the detection, investigation, and prosecution of suspected criminal violations relating to the program under this subchapter.

(2) The entity is separate and distinct from the single State agency that administers or supervises the administration of the State plan under this subchapter.

(3) The entity's function is conducting a statewide program for the investigation and prosecution of violations of all applicable State laws regarding any and all aspects of fraud in connection with any aspect of the provision of medical assistance and the activities of providers of such assistance under the State plan under this subchapter.

(4) The entity has procedures for reviewing complaints of the abuse and neglect of patients of health care facilities which receive payments under the State plan under this subchapter, and, where appropriate, for acting upon such complaints under the criminal laws of the State or for referring them to other State agencies for action.

(5) The entity provides for the collection, or referral for collection to a single State agency, of overpayments that are made under the State plan to health care facilities and that are discovered by the entity in carrying out its activities.

(6) The entity employs such auditors, attorneys, investigators, and other necessary personnel and is organized in such a manner as is necessary to promote the effective and efficient conduct of the entity's activities.

(7) The entity submits to the Secretary an application and annual reports containing such information as the Secretary determines, by regulation, to be necessary to determine whether the entity meets the other requirements of this subsection.

(r) Mechanized claims processing and information retrieval systems; operational, etc., requirements

(1)(A) In order to receive payments under paragraphs (2)(A) and (7) of subsection (a) of this section without being subject to per centum reductions set forth in subparagraph (C) of this paragraph, a State must provide that mechanized claims processing and information retrieval systems of the type described in subsection (a)(3)(B) of this section and detailed in an advance planning document approved by the Secretary are operational on or before the deadline established under subparagraph (B).

(B) The deadline for operation of such systems for a State is September 30, 1985.

(C) If a State fails to meet the deadline established under subparagraph (B), the per centums specified in paragraphs (2)(A) and (7) of subsection (a) of this section with respect to that State shall each be reduced by 5 percentage points for the first two quarters beginning on or after such deadline, and shall be further reduced by an additional 5 percentage points after each period consisting of two quarters during which the Secretary determines the State fails to meet the requirements of subparagraph (A); except that—

(i) neither such per centum may be reduced by more than 25 percentage points by reason of this paragraph; and

(ii) no reduction shall be made under this paragraph for any quarter following the quar-

ter during which such State meets the requirements of subparagraph (A).

(2)(A) In order to receive payments under paragraphs (2)(A) and (7) of subsection (a) of this section without being subject to the per centum reductions set forth in subparagraph (C) of this paragraph, a State must have its mechanized claims processing and information retrieval systems, of the type required to be operational under paragraph (1), initially approved by the Secretary in accordance with paragraph (5)(A) on or before the deadline established under subparagraph (B).

(B) The deadline for approval of such systems for a State is the last day of the fourth quarter that begins after the date on which the Secretary determines that such systems became operational as required under paragraph (1).

(C) If a State fails to meet the deadline established under subparagraph (B), the per centums specified in paragraphs (2)(A) and (7) of subsection (a) of this section with respect to that State shall each be reduced by 5 percentage points for the first two quarters beginning after such deadline, and shall be further reduced by an additional 5 percentage points at the end of each period consisting of two quarters during which the State fails to meet the requirements of subparagraph (A); except that—

(i) neither such per centum may be reduced by more than 25 percentage points by reason of this paragraph, and

(ii) no reduction shall be made under this paragraph for any quarter following the quarter during which such State's systems are approved by the Secretary as provided in subparagraph (A).

(D) Any State's systems which are approved by the Secretary for purposes of subsection (a)(3)(B) of this section on or before October 7, 1980, shall be deemed to be initially approved for purposes of this subsection.

(3)(A) When a State's systems are initially approved, the 75 per centum Federal matching provided in subsection (a)(3)(B) of this section shall become effective with respect to such systems, retroactive to the first quarter beginning after the date on which such systems became operational as required under paragraph (1), except as provided in subparagraph (B).

(B) In the case of any State which was subject to a per centum reduction under paragraph (2), the per centum specified in subsection (a)(3)(B) of this section shall be reduced by 5 percentage points for the first two quarters beginning after the deadline established under paragraph (2)(B), and shall be further reduced by an additional 5 percentage points at the end of each period consisting of two quarters beginning after such deadline and before the date on which such systems are initially approved, except that no reduction shall be made under this paragraph for any quarter following the quarter during which the State's systems are initially approved by the Secretary.

(4)(A) The Secretary shall review all approved systems not less often than once every three years, and shall reapprove or disapprove any such systems. Systems which fail to meet the current performance standards, system require-

ments, and any other conditions for approval developed by the Secretary under paragraph (6) shall be disapproved. Any State having systems which are so disapproved shall be subject to a per centum reduction under subparagraph (B). The Secretary shall make the determination of reapproval or disapproval and so notify the States not later than the end of the first quarter following the review period. Reviews may, at the Secretary's discretion, constitute reviews of the entire system or of only those standards, systems requirements, and other conditions which have demonstrated weakness in previous reviews.

(B) If the Secretary disapproves a State's systems under subparagraph (A), the Secretary shall, with respect to such State for quarters beginning after the determination of disapproval and before the first quarter beginning after such systems are reapproved, reduce the per centum specified in subsection (a)(3)(B) of this section to a per centum of not less than 50 per centum and not more than 70 per centum as the Secretary determines to be appropriate and commensurate with the nature of noncompliance by such State; except that such per centum may not be reduced by more than 10 percentage points in any 4-quarter period by reason of this subparagraph. No State shall be subject to a per centum reduction under this paragraph (i) before the fifth quarter beginning after such State's systems were initially approved, or (ii) on the basis of a review conducted before October 1, 1981.

(C) The Secretary may retroactively waive a per centum reduction imposed under subparagraph (B), if the Secretary determines that the State's systems meet all current performance standards and other requirements for reapproval and that such action would improve the administration of the State's plan under this subchapter, except that no such waiver may extend beyond the four quarters immediately prior to the quarter in which the State's systems are reapproved.

(5)(A) In order to be initially approved by the Secretary, mechanized claims processing and information retrieval systems must be of the type described in subsection (a)(3)(B) of this section and must meet the following requirements:

(i) The systems must be capable of developing provider, physician, and patient profiles which are sufficient to provide specific information as to the use of covered types of services and items, including prescribed drugs.

(ii) The State must provide that information on probable fraud or abuse which is obtained from, or developed by, the systems, is made available to the State's medicaid fraud control unit (if any) certified under subsection (q) of this section.

(iii) The systems must meet all performance standards and other requirements for initial approval developed by the Secretary under paragraph (6).

(B) In order to be reapproved by the Secretary, mechanized claims processing and information retrieval systems must meet the requirements of subparagraphs (A)(i) and (A)(ii) and performance standards and other requirements for reapproval developed by the Secretary under paragraph (6).

(6) The Secretary, with respect to State systems, shall—

(A) develop performance standards, system requirements, and other conditions for approval for use in initially approving such State systems, and shall further develop written approval procedures for conducting reviews for initial approval, including specific criteria for assessing systems in operation to insure that all such performance standards and other requirements are met;

(B) by not later than October 1, 1980, develop an initial set of performance standards, system requirements, and other conditions for reapproval for use in reapproving or disapproving State systems, and shall further develop written reapproval procedures for conducting reviews for reapproval, including specific criteria for reassessing systems operations over a period of at least six months during each fiscal year to insure that all such performance standards and other requirements are met on a continuous basis;

(C) provide that reviews for reapproval, conducted before October 1, 1981, shall be for the purpose of developing a systems performance data base and assisting States to improve their systems, and that no per centum reduction shall be made under paragraph (4) on the basis of such a review;

(D) insure that review procedures, performance standards, and other requirements developed under subparagraph (B) are sufficiently flexible to allow for differing administrative needs among the States, and that such procedures, standards, and requirements are of a nature which will permit their use by the States for self-evaluation;

(E) notify all States of proposed procedures, standards, and other requirements at least one quarter prior to the fiscal year in which such procedures, standards, and other requirements will be used for conducting reviews for reapproval;

(F) periodically update the systems performance standards, system requirements, review criteria, objectives, regulations, and guides as the Secretary shall from time to time deem appropriate;

(G) provide technical assistance to States in the development and improvement of the systems so as to continually improve the capacity of such systems to effectively detect cases of fraud or abuse;

(H) for the purpose of insuring compatibility between the State systems and the systems utilized in the administration of subchapter XVIII of this chapter—

(i) develop a uniform identification coding system (to the extent feasible) for providers, other persons receiving payments under the State plans (approved under this subchapter) or under subchapter XVIII of this chapter, and beneficiaries of medical services under such plans or subchapter;

(ii) provide liaison between States and carriers and intermediaries having agreements under subchapter XVIII of this chapter to facilitate timely exchange of appropriate data; and

(iii) improve the exchange of data between the States and the Secretary with respect to

providers and other persons who have been terminated, suspended, or otherwise sanctioned under a State plan (approved under this subchapter) or under subchapter XVIII of this chapter;

(I) develop and disseminate clear definitions of those types of reasonable costs relating to State systems which are reimbursable under the provisions of subsection (a)(3) of this section; and

(J) develop and disseminate performance standards for assessing the State's third party collection efforts in accordance with section 1396a(a)(25)(A)(ii) of this title.

(7)(A) The Secretary shall waive the provisions of this subsection with respect to initial operation and approval of mechanized claims processing and information retrieval systems with respect to any State which—

(i) had a 1976 population (as reported by the Bureau of the Census) of less than 1,000,000 and which made total expenditures (including Federal reimbursement) for which Federal financial participation is authorized under this subchapter of less than \$100,000,000 in fiscal year 1976 (as reported by such State for such year), or

(ii) is a Commonwealth, or territory or possession, of the United States,

if such State reasonably demonstrates, and the Secretary does not formally disagree, that the application of such provisions would not significantly improve the efficiency of the administration of such State's plan under this subchapter.

(B) If the Secretary determines that the application of the provisions described in subparagraph (A) to a State would significantly improve the efficiency of the administration of the State's plan under this subchapter, the Secretary may withdraw the State's waiver under subparagraph (A) and, in such case, the Secretary shall impose a timetable for such State with respect to compliance with the provisions of this subsection and the imposition of per centum reductions. Such timetable shall be comparable to the timetable established under this subsection as to the amount of time allowed such State to comply and the timing of per centum reductions.

(8)(A) The per centum reductions provided for under this subsection shall not apply to a State for any quarter with respect to which the Secretary determines that such State is unable to comply with the relevant requirements of this subsection—

(i) for good cause (but such a waiver may not be for a period in excess of 2 quarters), or

(ii) due to circumstances beyond the control of such State.

(B) If the Secretary determines under subparagraph (A) that such a reduction will not apply to a State, the Secretary shall report to the Congress on the basis for each such determination and on the modification of all time limitations and deadlines as described in subparagraph (C).

(C) For purposes of determining all time limitations and deadlines imposed under this subsection, any time period during which a State was found under subparagraph (A)(ii) to be un-

able to comply with requirements of this subsection due to circumstances beyond its control shall not be taken into account, and the Secretary shall modify all such time limitations and deadlines with respect to such State accordingly.

(s) Limitations on certain physician referrals

Notwithstanding the preceding provisions of this section, no payment shall be made to a State under this section for expenditures for medical assistance under the State plan consisting of a designated health service (as defined in subsection (h)(6) of section 1395nn of this title) furnished to an individual on the basis of a referral that would result in the denial of payment for the service under subchapter XVIII of this chapter if such subchapter provided for coverage of such service to the same extent and under the same terms and conditions as under the State plan, and subsections (f) and (g)(5) of such section shall apply to a provider of such a designated health service for which payment may be made under this subchapter in the same manner as such subsections apply to a provider of such a service for which payment may be made under such subchapter.

(t) Repealed. Pub. L. 97-35, title XXI, § 2161(c)(2), Aug. 13, 1981, 95 Stat. 805, as amended by Pub. L. 97-248, title I, § 137(a)(2), Sept. 3, 1982, 96 Stat. 376

(u) Limitation of Federal financial participation in erroneous medical assistance expenditures

(1)(A) Notwithstanding subsection (a)(1) of this section, if the ratio of a State's erroneous excess payments for medical assistance (as defined in subparagraph (D)) to its total expenditures for medical assistance under the State plan approved under this subchapter exceeds 0.03, for the period consisting of the third and fourth quarters of fiscal year 1983, or for any full fiscal year thereafter, then the Secretary shall make no payment for such period or fiscal year with respect to so much of such erroneous excess payments as exceeds such allowable error rate of 0.03.

(B) The Secretary may waive, in certain limited cases, all or part of the reduction required under subparagraph (A) with respect to any State if such State is unable to reach the allowable error rate for a period or fiscal year despite a good faith effort by such State.

(C) In estimating the amount to be paid to a State under subsection (d) of this section, the Secretary shall take into consideration the limitation on Federal financial participation imposed by subparagraph (A) and shall reduce the estimate he makes under subsection (d)(1) of this section, for purposes of payment to the State under subsection (d)(3) of this section, in light of any expected erroneous excess payments for medical assistance (estimated in accordance with such criteria, including sampling procedures, as he may prescribe and subject to subsequent adjustment, if necessary, under subsection (d)(2) of this section).

(D)(i) For purposes of this subsection, the term "erroneous excess payments for medical assistance" means the total of—

(I) payments under the State plan with respect to ineligible individuals and families, and

(II) overpayments on behalf of eligible individuals and families by reason of error in determining the amount of expenditures for medical care required of an individual or family as a condition of eligibility.

(ii) In determining the amount of erroneous excess payments for medical assistance to an ineligible individual or family under clause (i)(I), if such ineligibility is the result of an error in determining the amount of the resources of such individual or family, the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment with respect to such individual or family, or (II) the difference between the actual amount of such resources and the allowable resource level established under the State plan.

(iii) In determining the amount of erroneous excess payments for medical assistance to an individual or family under clause (i)(II), the amount of the erroneous excess payment shall be the smaller of (I) the amount of the payment on behalf of the individual or family, or (II) the difference between the actual amount incurred for medical care by the individual or family and the amount which should have been incurred in order to establish eligibility for medical assistance.

(iv) In determining the amount of erroneous excess payments, there shall not be included any error resulting from a failure of an individual to cooperate or give correct information with respect to third-party liability as required under section 1396k(a)(1)(C) or 602(a)(26)(C) of this title or with respect to payments made in violation of section 1396e of this title.

(v) In determining the amount of erroneous excess payments, there shall not be included any erroneous payments made for ambulatory prenatal care provided during a presumptive eligibility period (as defined in section 1396r-1(b)(1) of this title).

(E) For purposes of subparagraph (D), there shall be excluded, in determining both erroneous excess payments for medical assistance and total expenditures for medical assistance—

(i) payments with respect to any individual whose eligibility therefor was determined exclusively by the Secretary under an agreement pursuant to section 1383c of this title and such other classes of individuals as the Secretary may by regulation prescribe whose eligibility was determined in part under such an agreement; and

(ii) payments made as the result of a technical error.

(2) The State agency administering the plan approved under this subchapter shall, at such times and in such form as the Secretary may specify, provide information on the rates of erroneous excess payments made (or expected, with respect to future periods specified by the Secretary) in connection with its administration of such plan, together with any other data he requests that are reasonably necessary for him to carry out the provisions of this subsection.

(3)(A) If a State fails to cooperate with the Secretary in providing information necessary to carry out this subsection, the Secretary, directly or through contractual or such other arrangements as he may find appropriate, shall establish the error rates for that State on the basis of the best data reasonably available to him and in accordance with such techniques for sampling and estimating as he finds appropriate.

(B) In any case in which it is necessary for the Secretary to exercise his authority under subparagraph (A) to determine a State's error rates for a fiscal year, the amount that would otherwise be payable to such State under this subchapter for quarters in such year shall be reduced by the costs incurred by the Secretary in making (directly or otherwise) such determination.

(4) This subsection shall not apply with respect to Puerto Rico, Guam, the Virgin Islands, the Northern Mariana Islands, or American Samoa.

(v) Medical assistance to aliens not lawfully admitted for permanent residence

(1) Notwithstanding the preceding provisions of this section, except as provided in paragraph (2), no payment may be made to a State under this section for medical assistance furnished to an alien who is not lawfully admitted for permanent residence or otherwise permanently residing in the United States under color of law.

(2) Payment shall be made under this section for care and services that are furnished to an alien described in paragraph (1) only if—

(A) such care and services are necessary for the treatment of an emergency medical condition of the alien,

(B) such alien otherwise meets the eligibility requirements for medical assistance under the State plan approved under this subchapter (other than the requirement of the receipt of aid or assistance under subchapter IV of this chapter, supplemental security income benefits under subchapter XVI of this chapter, or a State supplementary payment), and

(C) such care and services are not related to an organ transplant procedure.

(3) For purposes of this subsection, the term "emergency medical condition" means a medical condition (including emergency labor and delivery) manifesting itself by acute symptoms of sufficient severity (including severe pain) such that the absence of immediate medical attention could reasonably be expected to result in—

(A) placing the patient's health in serious jeopardy,

(B) serious impairment to bodily functions, or

(C) serious dysfunction of any bodily organ or part.

(w) Prohibition on use of voluntary contributions, and limitation on use of provider-specific taxes to obtain Federal financial participation under medicaid

(1)(A) Notwithstanding the previous provisions of this section, for purposes of determining the amount to be paid to a State (as defined in paragraph (7)(D)) under subsection (a)(1) of this sec-

tion for quarters in any fiscal year, the total amount expended during such fiscal year as medical assistance under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during the fiscal year—

(i) from provider-related donations (as defined in paragraph (2)(A)), other than—

(I) bona fide provider-related donations (as defined in paragraph (2)(B)), and

(II) donations described in paragraph (2)(C);

(ii) from health care related taxes (as defined in paragraph (3)(A)), other than broad-based health care related taxes (as defined in paragraph (3)(B));

(iii) from a broad-based health care related tax, if there is in effect a hold harmless provision (described in paragraph (4)) with respect to the tax; or

(iv) only with respect to State fiscal years (or portions thereof) occurring on or after January 1, 1992, and before October 1, 1995, from broad-based health care related taxes to the extent the amount of such taxes collected exceeds the limit established under paragraph (5).

(B) Notwithstanding the previous provisions of this section, for purposes¹² of determining the amount to be paid to a State under subsection (a)(7) of this section for all quarters in a Federal fiscal year (beginning with fiscal year 1993), the total amount expended during the fiscal year for administrative expenditures under the State plan (as determined without regard to this subsection) shall be reduced by the sum of any revenues received by the State (or by a unit of local government in the State) during such quarters from donations described in paragraph (2)(C), to the extent the amount of such donations exceeds 10 percent of the amounts expended under the State plan under this subchapter during the fiscal year for purposes described in paragraphs (2), (3), (4), (6), and (7) of subsection (a) of this section.

(C)(i) Except as otherwise provided in clause (ii), subparagraph (A)(i) shall apply to donations received on or after January 1, 1992.

(ii) Subject to the limits described in clause (iii) and subparagraph (E), subparagraph (A)(i) shall not apply to donations received before the effective date specified in subparagraph (F) if such donations are received under programs in effect or as described in State plan amendments or related documents submitted to the Secretary by September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements, State budget documentation, or other documentary evidence in existence on that date.

(iii) In applying clause (ii) in the case of donations received in State fiscal year 1993, the maximum amount of such donations to which such clause may be applied may not exceed the total amount of such donations received in the corresponding period in State fiscal year 1992 (or not later than 5 days after the last day of the corresponding period).

¹²So in original. Probably should be "purposes".

(D)(i) Except as otherwise provided in clause (ii), subparagraphs (A)(ii) and (A)(iii) shall apply to taxes received on or after January 1, 1992.

(ii) Subparagraphs (A)(ii) and (A)(iii) shall not apply to impermissible taxes (as defined in clause (iii)) received before the effective date specified in subparagraph (F) to the extent the taxes (including the tax rate or base) were in effect, or the legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(iii) In this subparagraph and subparagraph (E), the term “impermissible tax” means a health care related tax for which a reduction may be made under clause (ii) or (iii) of subparagraph (A).

(E)(i) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for the portion of State fiscal year 1992 occurring during calendar year 1992 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in the portion of that fiscal year.

(ii) In no case may the total amount of donations and taxes permitted under the exception provided in subparagraphs (C)(ii) and (D)(ii) for State fiscal year 1993 exceed the limit under paragraph (5) minus the total amount of broad-based health care related taxes received in that fiscal year.

(F) In this paragraph in the case of a State—

(i) except as provided in clause (iii), with a State fiscal year beginning on or before July 1, the effective date is October 1, 1992,

(ii) except as provided in clause (iii), with a State fiscal year that begins after July 1, the effective date is January 1, 1993, or

(iii) with a State legislature which is not scheduled to have a regular legislative session in 1992, with a State legislature which is not scheduled to have a regular legislative session in 1993, or with a provider-specific tax enacted on November 4, 1991, the effective date is July 1, 1993.

(2)(A) In this subsection (except as provided in paragraph (6)), the term “provider-related donation” means any donation or other voluntary payment (whether in cash or in kind) made (directly or indirectly) to a State or unit of local government by—

(i) a health care provider (as defined in paragraph (7)(B)),

(ii) an entity related to a health care provider (as defined in paragraph (7)(C)), or

(iii) an entity providing goods or services under the State plan for which payment is made to the State under paragraph (2), (3), (4), (6), or (7) of subsection (a) of this section.

(B) For purposes of paragraph (1)(A)(i)(I), the term “bona fide provider-related donation” means a provider-related donation that has no direct or indirect relationship (as determined by the Secretary) to payments made under this subchapter to that provider, to providers furnishing the same class of items and services as that provider, or to any related entity, as established by the State to the satisfaction of the Secretary. The Secretary may by regulation specify types of provider-related donations de-

scribed in the previous sentence that will be considered to be bona fide provider-related donations.

(C) For purposes of paragraph (1)(A)(i)(II), donations described in this subparagraph are funds expended by a hospital, clinic, or similar entity for the direct cost (including costs of training and of preparing and distributing outreach materials) of State or local agency personnel who are stationed at the hospital, clinic, or entity to determine the eligibility of individuals for medical assistance under this subchapter and to provide outreach services to eligible or potentially eligible individuals.

(3)(A) In this subsection (except as provided in paragraph (6)), the term “health care related tax” means a tax (as defined in paragraph (7)(F)) that—

(i) is related to health care items or services, or to the provision of, the authority to provide, or payment for, such items or services, or

(ii) is not limited to such items or services but provides for treatment of individuals or entities that are providing or paying for such items or services that is different from the treatment provided to other individuals or entities.

In applying clause (i), a tax is considered to relate to health care items or services if at least 85 percent of the burden of such tax falls on health care providers.

(B) In this subsection, the term “broad-based health care related tax” means a health care related tax which is imposed with respect to a class of health care items or services (as described in paragraph (7)(A)) or with respect to providers of such items or services and which, except as provided in subparagraphs (D) and (E)—

(i) is imposed at least with respect to all items or services in the class furnished by all non-Federal, nonpublic providers in the State (or, in the case of a tax imposed by a unit of local government, the area over which the unit has jurisdiction) or is imposed with respect to all non-Federal, nonpublic providers in the class; and

(ii) is imposed uniformly (in accordance with subparagraph (C)).

(C)(i) Subject to clause (ii), for purposes of subparagraph (B)(ii), a tax is considered to be imposed uniformly if—

(I) in the case of a tax consisting of a licensing fee or similar tax on a class of health care items or services (or providers of such items or services), the amount of the tax imposed is the same for every provider providing items or services within the class;

(II) in the case of a tax consisting of a licensing fee or similar tax imposed on a class of health care items or services (or providers of such services) on the basis of the number of beds (licensed or otherwise) of the provider, the amount of the tax is the same for each bed of each provider of such items or services in the class;

(III) in the case of a tax based on revenues or receipts with respect to a class of items or services (or providers of items or services) the

tax is imposed at a uniform rate for all items and services (or providers of such items or services) in the class on all the gross revenues or receipts, or net operating revenues, relating to the provision of all such items or services (or all such providers) in the State (or, in the case of a tax imposed by a unit of local government within the State, in the area over which the unit has jurisdiction); or

(IV) in the case of any other tax, the State establishes to the satisfaction of the Secretary that the tax is imposed uniformly.

(ii) Subject to subparagraphs (D) and (E), a tax imposed with respect to a class of health care items and services is not considered to be imposed uniformly if the tax provides for any credits, exclusions, or deductions which have as their purpose or effect the return to providers of all or a portion of the tax paid in a manner that is inconsistent with subclauses (I) and (II) of subparagraph (E)(ii) or provides for a hold harmless provision described in paragraph (4).

(D) A tax imposed with respect to a class of health care items and services is considered to be imposed uniformly—

(i) notwithstanding that the tax is not imposed with respect to items or services (or the providers thereof) for which payment is made under a State plan under this subchapter or subchapter XVIII of this chapter, or

(ii) in the case of a tax described in subparagraph (C)(i)(III), notwithstanding that the tax provides for exclusion (in whole or in part) of revenues or receipts from a State plan under this subchapter or subchapter XVIII of this chapter.

(E)(i) A State may submit an application to the Secretary requesting that the Secretary treat a tax as a broad-based health care related tax, notwithstanding that the tax does not apply to all health care items or services in class (or all providers of such items and services), provides for a credit, deduction, or exclusion, is not applied uniformly, or otherwise does not meet the requirements of subparagraph (B) or (C). Permissible waivers may include exemptions for rural or sole-community providers.

(ii) The Secretary shall approve such an application if the State establishes to the satisfaction of the Secretary that—

(I) the net impact of the tax and associated expenditures under this subchapter as proposed by the State is generally redistributive in nature, and

(II) the amount of the tax is not directly correlated to payments under this subchapter for items or services with respect to which the tax is imposed.

The Secretary shall by regulation specify types of credits, exclusions, and deductions that will be considered to meet the requirements of this subparagraph.

(4) For purposes of paragraph (1)(A)(iii), there is in effect a hold harmless provision with respect to a broad-based health care related tax imposed with respect to a class of items or services if the Secretary determines that any of the following applies:

(A) The State or other unit of government imposing the tax provides (directly or indi-

rectly) for a payment (other than under this subchapter) to taxpayers and the amount of such payment is positively correlated either to the amount of such tax or to the difference between the amount of the tax and the amount of payment under the State plan.

(B) All or any portion of the payment made under this subchapter to the taxpayer varies based only upon the amount of the total tax paid.

(C) The State or other unit of government imposing the tax provides (directly or indirectly) for any payment, offset, or waiver that guarantees to hold taxpayers harmless for any portion of the costs of the tax.

The provisions of this paragraph shall not prevent use of the tax to reimburse health care providers in a class for expenditures under this subchapter nor preclude States from relying on such reimbursement to justify or explain the tax in the legislative process.

(5)(A) For purposes of this subsection, the limit under this subparagraph with respect to a State is an amount equal to 25 percent (or, if greater, the State base percentage, as defined in subparagraph (B)) of the non-Federal share of the total amount expended under the State plan during a State fiscal year (or portion thereof), as it would be determined pursuant to paragraph (1)(A) without regard to paragraph (1)(A)(iv).

(B)(i) In subparagraph (A), the term "State base percentage" means, with respect to a State, an amount (expressed as a percentage) equal to—

(I) the total of the amount of health care related taxes (whether or not broad-based) and the amount of provider-related donations (whether or not bona fide) projected to be collected (in accordance with clause (ii)) during State fiscal year 1992, divided by

(II) the non-Federal share of the total amount estimated to be expended under the State plan during such State fiscal year.

(ii) For purposes of clause (i)(I), in the case of a tax that is not in effect throughout State fiscal year 1992 or the rate (or base) of which is increased during such fiscal year, the Secretary shall project the amount to be collected during such fiscal year as if the tax (or increase) were in effect during the entire State fiscal year.

(C)(i) The total amount of health care related taxes under subparagraph (B)(i)(I) shall be determined by the Secretary based on only those taxes (including the tax rate or base) which were in effect, or for which legislation or regulations imposing such taxes were enacted or adopted, as of November 22, 1991.

(ii) The amount of provider-related donations under subparagraph (B)(i)(I) shall be determined by the Secretary based on programs in effect on September 30, 1991, and applicable to State fiscal year 1992, as demonstrated by State plan amendments, written agreements, State budget documentation, or other documentary evidence in existence on that date.

(iii) The amount of expenditures described in subparagraph (B)(i)(II) shall be determined by the Secretary based on the best data available as of December 12, 1991.

(6)(A) Notwithstanding the provisions of this subsection, the Secretary may not restrict

States' use of funds where such funds are derived from State or local taxes (or funds appropriated to State university teaching hospitals) transferred from or certified by units of government within a State as the non-Federal share of expenditures under this subchapter, regardless of whether the unit of government is also a health care provider, except as provided in section 1396a(a)(2) of this title, unless the transferred funds are derived by the unit of government from donations or taxes that would not otherwise be recognized as the non-Federal share under this section.

(B) For purposes of this subsection, funds the use of which the Secretary may not restrict under subparagraph (A) shall not be considered to be a provider-related donation or a health care related tax.

(7) For purposes of this subsection:

(A) Each of the following shall be considered a separate class of health care items and services:

- (i) Inpatient hospital services.
- (ii) Outpatient hospital services.
- (iii) Nursing facility services (other than services of intermediate care facilities for the mentally retarded).
- (iv) Services of intermediate care facilities for the mentally retarded.
- (v) Physicians' services.
- (vi) Home health care services.
- (vii) Outpatient prescription drugs.
- (viii) Services of health maintenance organizations (and other organizations with contracts under subsection (m) of this section).
- (ix) Such other classification of health care items and services consistent with this subparagraph as the Secretary may establish by regulation.

(B) The term "health care provider" means an individual or person that receives payments for the provision of health care items or services.

(C) An entity is considered to be "related" to a health care provider if the entity—

- (i) is an organization, association, corporation or partnership formed by or on behalf of health care providers;
- (ii) is a person with an ownership or control interest (as defined in section 1320a-3(a)(3) of this title) in the provider;
- (iii) is the employee, spouse, parent, child, or sibling of the provider (or of a person described in clause (ii)); or
- (iv) has a similar, close relationship (as defined in regulations) to the provider.

(D) The term "State" means only the 50 States and the District of Columbia but does not include any State whose entire program under this subchapter is operated under a waiver granted under section 1315 of this title.

(E) The "State fiscal year" means, with respect to a specified year, a State fiscal year ending in that specified year.

(F) The term "tax" includes any licensing fee, assessment, or other mandatory payment, but does not include payment of a criminal or civil fine or penalty (other than a fine or penalty imposed in lieu of or instead of a fee, assessment, or other mandatory payment).

(G) The term "unit of local government" means, with respect to a State, a city, county, special purpose district, or other governmental unit in the State.

"(b) STATES COVERED.—Subsection (a) shall only apply to a State the State plan of which (under title XIX of the Social Security Act [this subchapter]) as of June 1, 1989, provided for the policy described in such paragraph. (D) The difference between the amount that is paid under section 1395l(a) of this title and the amount that would be paid under such section if any reference to “80 percent” therein were deemed a reference to “100 percent”.

Such term also may include, at the option of a State, premiums for enrollment of a qualified medicare beneficiary with an eligible organization under section 1395mm of this title.

(2) with respect to whom the Commissioner of Social Security determines that—

(A) the individual continues to be blind or continues to have the disabling physical or mental impairment on the basis of which he was found to be under a disability and, except for his earnings, continues to meet all non-disability-related requirements for eligibility for benefits under subchapter XVI of this chapter,

(C) the lack of eligibility for benefits under this subchapter would seriously inhibit his ability to continue or obtain employment, and

(D) the individual's earnings are not sufficient to allow him to provide for himself a reasonable equivalent of the benefits under subchapter XVI of this chapter (including any federally administered State supplementary payments), this subchapter, and publicly funded attendant care services (including personal care assistance) that would be available to him in the absence of such earnings.

Nothing in this subchapter shall be construed as limiting providers of early and periodic screening, diagnostic, and treatment services to providers who are qualified to provide all of the items and services described in the previous sentence or as preventing a provider that is qualified under the plan to furnish one or more (but not all) of such items or services from being qualified to provide such items and services as part of early and periodic screening, diagnostic, and treatment services. The Secretary shall, not later than July 1, 1990, and every 12 months thereafter, develop and set annual participation

§ 1396e. Enrollment of individuals under group health plans

(a) Requirements of each State plan; guidelines

For purposes of section 1396a(a)(25)(G) of this title and subject to subsection (d) of this section, each State plan—

(1) shall implement guidelines established by the Secretary, consistent with subsection (b) of this section, to identify those cases in which enrollment of an individual otherwise entitled to medical assistance under this subchapter in a group health plan (in which the individual is otherwise eligible to be enrolled) is cost-effective (as defined in subsection (e)(2) of this section);

(2) shall require, in case of an individual so identified and as a condition of the individual being or remaining eligible for medical assistance under this subchapter and subject to subsection (b)(2) of this section, notwithstanding any other provision of this subchapter, that the individual (or in the case of a child, the child's parent) apply for enrollment in the group health plan; and

(3) in the case of such enrollment (except as provided in subsection (c)(1)(B) of this section), shall provide for payment of all enrollee premiums for such enrollment and all deductibles, coinsurance, and other cost-sharing obligations for items and services otherwise covered under the State plan under this subchapter (exceeding the amount otherwise permitted under section 1396o of this title), and shall treat coverage under the group health plan as a third party liability (under section 1396a(a)(25) of this title).

(b) Timing of enrollment; failure to enroll

(1) In establishing guidelines under subsection (a)(1) of this section, the Secretary shall take into account that an individual may only be eligible to enroll in group health plans at limited times and only if other individuals (not entitled to medical assistance under the plan) are also enrolled in the plan simultaneously.

(2) If a parent of a child fails to enroll the child in a group health plan in accordance with subsection (a)(2) of this section, such failure

shall not affect the child's eligibility for benefits under this subchapter.

(c) Premiums considered payments for medical assistance; eligibility

(1)(A) In the case of payments of premiums, deductibles, coinsurance, and other cost-sharing obligations under this section shall be considered, for purposes of section 1396b(a) of this title, to be payments for medical assistance.

(B) If all members of a family are not eligible for medical assistance under this subchapter and enrollment of the members so eligible in a group health plan is not possible without also enrolling members not so eligible—

(i) payment of premiums for enrollment of such other members shall be treated as payments for medical assistance for eligible individuals, if it would be cost-effective (taking into account payment of all such premiums), but

(ii) payment of deductibles, coinsurance, and other cost-sharing obligations for such other members shall not be treated as payments for medical assistance for eligible individuals.

(2) The fact that an individual is enrolled in a group health plan under this section shall not change the individual's eligibility for benefits under the State plan, except insofar as section 1396a(a)(25) of this title provides that payment for such benefits shall first be made by such plan.

(d) Applicability of section to medical assistance granted under waiver of State plan

(1) In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315 of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

(2) This section, and section 1396a(a)(25)(G) of this title, shall only apply to a State that is one of the 50 States or the District of Columbia.

(e) Definitions

In this section:

(1) The term "group health plan" has the meaning given such term in section 5000(b)(1) of the Internal Revenue Code of 1986, and includes the provision of continuation coverage by such a plan pursuant to title XXII of the Public Health Service Act [42 U.S.C. 300bb-1 et seq.], section 4980B of the Internal Revenue Code of 1986, or title VI¹ of the Employee Retirement Income Security Act of 1974.

(2) The term "cost-effective" means, as established by the Secretary, that the reduction in expenditures under this subchapter with respect to an individual who is enrolled in a group health plan is likely to be greater than the additional expenditures for premiums and cost-sharing required under this section with respect to such enrollment.

(Aug. 14, 1935, ch. 531, title XIX, § 1906, as added Nov. 5, 1990, Pub. L. 101-508, title IV, § 4402(a)(2), 104 Stat. 1388-161.)

The laws relating to medical child support, which a State is required to have in effect under section 1396a(a)(60) of this title, are as follows:

(1) A law that prohibits an insurer from denying enrollment of a child under the health coverage of the child's parent on the ground that—

(A) the child was born out of wedlock,

(B) the child is not claimed as a dependent on the parent's Federal income tax return, or

(C) the child does not reside with the parent or in the insurer's service area.

(2) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an insurer, a law that requires such insurer—

(A) to permit such parent to enroll under such family coverage any such child who is otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child's other parent or by the State agency administering the program under this subchapter or part D of subchapter IV of this chapter; and

(C) not to disenroll (or eliminate coverage of) such a child unless the insurer is provided satisfactory written evidence that—

(i) such court or administrative order is no longer in effect, or

(ii) the child is or will be enrolled in comparable health coverage through another insurer which will take effect not

later than the effective date of such disenrollment.

(3) In any case in which a parent is required by a court or administrative order to provide health coverage for a child and the parent is eligible for family health coverage through an employer doing business in the State, a law that requires such employer—

(A) to permit such parent to enroll under such family coverage any such child who is otherwise eligible for such coverage (without regard to any enrollment season restrictions);

(B) if such a parent is enrolled but fails to make application to obtain coverage of such child, to enroll such child under such family coverage upon application by the child's other parent or by the State agency administering the program under this subchapter or part D of subchapter IV of this chapter; and

(C) not to disenroll (or eliminate coverage of) any such child unless—

(i) the employer is provided satisfactory written evidence that—

(I) such court or administrative order is no longer in effect, or

(II) the child is or will be enrolled in comparable health coverage which will take effect not later than the effective date of such disenrollment, or

(ii) the employer has eliminated family health coverage for all of its employees; and

(D) to withhold from such employee's compensation the employee's share (if any) of premiums for health coverage (except that the amount so withheld may not exceed the maximum amount permitted to be withheld under section 1673(b) of title 15), and to pay such share of premiums to the insurer, except that the Secretary may provide by regulation for appropriate circumstances under which an employer may withhold less than such employee's share of such premiums.

(4) A law that prohibits an insurer from imposing requirements on a State agency, which has been assigned the rights of an individual eligible for medical assistance under this subchapter and covered for health benefits from the insurer, that are different from requirements applicable to an agent or assignee of any other individual so covered.

(5) A law that requires an insurer, in any case in which a child has health coverage through the insurer of a noncustodial parent—

(A) to provide such information to the custodial parent as may be necessary for the child to obtain benefits through such coverage;

(B) to permit the custodial parent (or provider, with the custodial parent's approval) to submit claims for covered services without the approval of the noncustodial parent; and

(C) to make payment on claims submitted in accordance with subparagraph (B) directly to such custodial parent, the provider, or the State agency.

(6) A law that permits the State agency under this subchapter to garnish the wages, salary, or other employment income of, and requires withholding amounts from State tax refunds to, any person who—

(A) is required by court or administrative order to provide coverage of the costs of health services to a child who is eligible for medical assistance under this subchapter,

(B) has received payment from a third party for the costs of such services to such child, but

(C) has not used such payments to reimburse, as appropriate, either the other parent or guardian of such child or the provider of such services,

to the extent necessary to reimburse the State agency for expenditures for such costs under its plan under this subchapter, but any claims for current or past-due child support shall take priority over any such claims for the costs of such services.

(a)(1) Whenever the Secretary certifies a facility in a State to be qualified as a rural health clinic under subchapter XVIII of this chapter, such facility shall be deemed to meet the standards for certification as a rural health clinic for purposes of providing rural health clinic services under this title.

(2) The Secretary shall notify the State agency administering the medical assistance plan of his approval or disapproval of any facility in that State which has applied for certification by him as a qualified rural health clinic.

(1) provide that, as a condition of eligibility for medical assistance under the State plan to an individual who has the legal capacity to execute an assignment for himself, the individual is required—

(A) to assign the State any rights, of the individual or of any other person who is eligible for medical assistance under this subchapter and on whose behalf the individual has the legal authority to execute an assignment of such rights, to support (specified as support for the purpose of medical care by a court or administrative order) and to payment for medical care from any third party;

(C) to cooperate with the State in identifying, and providing information to assist the State in pursuing, any third party who may be liable to pay for care and services available under the plan, unless such individual has good cause for refusing to cooperate as determined by the State agency in accordance with standards prescribed by the Secretary, which standards shall take into consideration the best interests of the individuals involved; and

(2) provide for entering into cooperative arrangements (including financial arrangements), with any appropriate agency of any State (including, with respect to the enforcement and collection of rights of payment for medical care by or through a parent, with a State's agency established or designated under section 654(3) of this title) and with appropriate courts and law enforcement officials, to assist the agency or agencies administering the State plan with respect to (A) the enforcement and collection of rights to support or payment assigned under this section and (B) any other matters of common concern.

§ 1396m. Withholding of Federal share of payments for certain medicare providers**(a) Adjustment of Federal matching payments**

The Secretary may adjust, in accordance with this section, the Federal matching payment to a State with respect to expenditures for medical assistance for care or services furnished in any quarter by—

(1) an institution (A) which has or previously had in effect an agreement with the Secretary under section 1395cc of this title; and (B)(i) from which the Secretary has been unable to recover overpayments made under subchapter XVIII of this chapter, or (ii) from which the Secretary has been unable to collect the information necessary to enable him to determine the amount (if any) of the overpayments made to such institution under subchapter XVIII of this chapter; and

(2) any person (A) who (i) has previously accepted payment on the basis of an assignment under section 1395u(b)(3)(B)(ii) of this title, and (ii) during the annual period immediately preceding such quarter submitted no claims for payment under subchapter XVIII of this chapter, or submitted claims for payment under subchapter XVIII of this chapter which aggregated less than the amount of overpayments made to him, and (B)(i) from whom the Secretary has been unable to recover overpayments received in violation of the terms of such assignment, or (ii) from whom the Secretary has been unable to collect the information necessary to enable him to determine the amount (if any) of the overpayments made to such person under subchapter XVIII of this chapter.

(b) Reductions in payments to and by States

The Secretary may (subject to the remaining provisions of this section) reduce payment to a State under this subchapter for any quarter by an amount equal to the lesser of the Federal matching share of payments to any institution or person specified in subsection (a) of this section, or the total overpayments to such institution or person under subchapter XVIII of this chapter, and may require the State to reduce its payment to such institution or person by such amount.

(c) Notice

The Secretary shall not make any adjustment in the payment to a State, nor require any adjustment in the payment to an institution or person, pursuant to subsection (b) of this section until after he has provided adequate notice (which shall be not less than 60 days) to the State agency and the institution or person.

(d) Regulations

The Secretary shall by regulation provide procedures for implementation of this section, which procedures shall (1) determine the amount of the Federal payment to which the institution or person would otherwise be entitled under this section which shall be treated as a setoff against overpayments under subchapter XVIII of this chapter, and (2) assure the restoration to the institution or person of amounts withheld under this section which are ultimately determined to be in excess of overpayments under subchapter XVIII of this chapter and to which the institution or person would otherwise be entitled under this subchapter.

(e) Restoration to trust funds of recovered amounts

The Secretary shall restore to the trust funds established under sections 1395i and 1395t of this title, as appropriate, amounts recovered under this section as setoffs against overpayments under subchapter XVIII of this chapter.

(f) Liability of States for withheld payments

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1396a, 1396b of this title.

§ 1396n. Compliance with State plan and payment provisions**(a) Activities deemed as compliance**

A State shall not be deemed to be out of compliance with the requirements of paragraphs (1), (10), or (23) of section 1396a(a) of this title solely by reason of the fact that the State (or any political subdivision thereof)—

(1) has entered into—

(A) a contract with an organization which has agreed to provide care and services in addition to those offered under the State plan to individuals eligible for medical assistance who reside in the geographic area served by such organization and who elect to obtain such care and services from such organization, or by reason of the fact that the plan provides for payment for rural health clinic services only if those services are provided by a rural health clinic; or

(B) arrangements through a competitive bidding process or otherwise for the purchase of laboratory services referred to in section 1396d(a)(3) of this title or medical devices if the Secretary has found that—

(i) adequate services or devices will be available under such arrangements, and

(ii) any such laboratory services will be provided only through laboratories—

(I) which meet the applicable requirements of section 1395x(e)(9) of this title or paragraphs (15) and (16) of section 1395x(s) of this title, and such additional requirements as the Secretary may require, and

(II) no more than 75 percent of whose charges for such services are for services provided to individuals who are entitled to benefits under this subchapter or under part A or part B of subchapter XVIII of this chapter; or

(2) restricts for a reasonable period of time the provider or providers from which an individual (eligible for medical assistance for items or services under the State plan) can receive such items or services, if—

(A) the State has found, after notice and opportunity for a hearing (in accordance with procedures established by the State), that the individual has utilized such items or services at a frequency or amount not medically necessary (as determined in accordance with utilization guidelines established by the State), and

(B) under such restriction, individuals eligible for medical assistance for such services have reasonable access (taking into account geographic location and reasonable travel time) to such services of adequate quality.

(b) Waivers to promote cost-effectiveness and efficiency

The Secretary, to the extent he finds it to be cost-effective and efficient and not inconsistent with the purposes of this subchapter, may waive such requirements of section 1396a of this title (other than subsection (s)) (other than sections 1396a(a)(13)(E) and 1396a(a)(10)(A) of this title insofar as it requires provision of the care and services described in section 1396d(a)(2)(C) of this title) as may be necessary for a State—

(1) to implement a primary care case-management system or a specialty physician services arrangement which restricts the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain medical care services (other than in emergency circumstances), if such restriction does not substantially impair access to such services of adequate quality where medically necessary,

(2) to allow a locality to act as a central broker in assisting individuals (eligible for medical assistance under this subchapter) in selecting among competing health care plans, if such restriction does not substantially impair access to services of adequate quality where medically necessary.

(3) to share (through provision of additional services) with recipients of medical assistance under the State plan cost savings resulting from use by the recipient of more cost-effective medical care, and

(4) to restrict the provider from (or through) whom an individual (eligible for medical assistance under this subchapter) can obtain services (other than in emergency circumstances) to providers or practitioners who undertake to provide such services and who meet, accept, and comply with the reimbursement, quality, and utilization standards under the State plan, which standards shall be consistent with the requirements of section 1396r-4 of this title and are consistent with access, quality, and efficient and economic provision of covered care and services, if such restriction does not discriminate among classes of providers on grounds unrelated to their demonstrated effectiveness and efficiency in providing those services and if providers under such restriction are paid on a timely basis in the same manner as health care practitioners must be paid under section 1396a(a)(37)(A) of this title.

No waiver under this subsection may restrict the choice of the individual in receiving services under section 1396d(a)(4)(C) of this title.

(c) Waiver respecting medical assistance requirement in State plan; scope, etc.; "habilitation services" defined; imposition of certain regulatory limits prohibited; computation of expenditures for certain disabled patients; coordinated services; substitution of participants

(1) The Secretary may by waiver provide that a State plan approved under this subchapter may include as "medical assistance" under such plan payment for part or all of the cost of home or community-based services (other than room and board) approved by the Secretary which are provided pursuant to a written plan of care to individuals with respect to whom there has been a determination that but for the provision of such services the individuals would require the level of care provided in a hospital or a nursing facility or intermediate care facility for the mentally retarded the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term "room and board" shall not include an amount established under a method determined by the State to reflect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) the State will provide, with respect to individuals who—

(i) are entitled to medical assistance for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded under the State plan,

(ii) may require such services, and

(iii) may be eligible for such home or community-based care under such waiver,

for an evaluation of the need for inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(C) such individuals who are determined to be likely to require the level of care provided in a hospital, nursing facility, or intermediate care facility for the mentally retarded are informed of the feasible alternatives, if available under the waiver, at the choice of such individuals, to the provision of inpatient hospital services, nursing facility services, or services in an intermediate care facility for the mentally retarded;

(D) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(E) the State will provide to the Secretary annually, consistent with a data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to state-wideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). A waiver under this subsection shall be for an initial term of three years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under that waiver, that the maximum amount of the individual's income which may be disregarded for any month for the maintenance needs of the individual may be an amount greater than the maximum allowed for that purpose under regulations in effect on July 1, 1985.

(4) A waiver granted under this subsection may, consistent with paragraph (2)—

(A) limit the individuals provided benefits under such waiver to individuals with respect to whom the State has determined that there is a reasonable expectation that the amount of medical assistance provided with respect to the individual under such waiver will not exceed the amount of such medical assistance provided for such individual if the waiver did not apply, and

(B) provide medical assistance to individuals (to the extent consistent with written plans of care, which are subject to the approval of the State) for case management services, home-maker/home health aide services and personal care services, adult day health services, habilitation services, respite care, and such other services requested by the State as the Secretary may approve and for day treatment or other partial hospitalization services, psychosocial rehabilitation services, and clinic services (whether or not furnished in a facility) for individuals with chronic mental illness.

Except as provided under paragraph (2)(D), the Secretary may not restrict the number of hours or days of respite care in any period which a State may provide under a waiver under this subsection.

(5) For purposes of paragraph (4)(B), the term "habilitation services", with respect to individuals who receive such services after discharge from a nursing facility or intermediate care facility for the mentally retarded—

(A) means services designed to assist individuals in acquiring, retaining, and improving the self-help, socialization, and adaptive skills necessary to reside successfully in home and community based settings; and

(B) includes (except as provided in subparagraph (C)) prevocational, educational, and supported employment services; but

(C) does not include—

(i) special education and related services (as defined in paragraphs (16) and (17) of section 1401(a) of title 20) which otherwise are available to the individual through a local educational agency; and

(ii) vocational rehabilitation services which otherwise are available to the individual through a program funded under section 730 of title 29.

(6) The Secretary may not require, as a condition of approval of a waiver under this section under paragraph (2)(D), that the actual total expenditures for home and community-based services under the waiver (and a claim for Federal financial participation in expenditures for the services) cannot exceed the approved estimates for these services. The Secretary may not deny Federal financial payment with respect to services under such a waiver on the ground that, in order to comply with paragraph (2)(D), a State has failed to comply with such a requirement.

(7)(A) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with a particular illness or condition who are inpatients in, or who would require the level of care provided in, hospitals, nursing facilities, or intermediate care facilities for the mentally retarded, the State may determine the average per capita expenditure that would have

been made in a fiscal year for those individuals under the State plan separately from the expenditures for other individuals who are inpatients in, or who would require the level of care provided in, those respective facilities.

(B) In making estimates under paragraph (2)(D) in the case of a waiver that applies only to individuals with developmental disabilities who are inpatients in a nursing facility and whom the State has determined, on the basis of an evaluation under paragraph (2)(B), to need the level of services provided by an intermediate care facility for the mentally retarded, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals under the State plan on the basis of the average per capita expenditures under the State plan for services to individuals who are inpatients in an intermediate care facility for the mentally retarded, without regard to the availability of beds for such inpatients.

(C) In making estimates under paragraph (2)(D) in the case of a waiver to the extent that it applies to individuals with mental retardation or a related condition who are resident in an intermediate care facility for the mentally retarded the participation of which under the State plan is terminated, the State may determine the average per capita expenditures that would have been made in a fiscal year for those individuals without regard to any such termination.

(8) The State agency administering the plan under this subchapter may, whenever appropriate, enter into cooperative arrangements with the State agency responsible for administering the program for children with special health care needs under subchapter V of this chapter in order to assure improved access to coordinated services to meet the needs of such children.

(9) In the case of any waiver under this subsection which contains a limit on the number of individuals who shall receive home or community-based services, the State may substitute additional individuals to receive such services to replace any individuals who die or become ineligible for services under the State plan.

(10) The Secretary shall not limit to fewer than 200 the number of individuals in the State who may receive home and community-based services under a waiver under this subsection.

(d) Home and community-based services for elderly

(1) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as "medical assistance" under such plan payment for part or all of the cost of home or community-based services (other than room and board) which are provided pursuant to a written plan of care to individuals 65 years of age or older with respect to whom there has been a determination that but for the provision of such services the individuals would be likely to require the level of care provided in a skilled nursing facility or intermediate care facility the cost of which could be reimbursed under the State plan. For purposes of this subsection, the term "room and

board" shall not include an amount established under a method determined by the State to reflect the portion of costs of rent and food attributable to an unrelated personal caregiver who is residing in the same household with an individual who, but for the assistance of such caregiver, would require admission to a hospital, nursing facility, or intermediate care facility for the mentally retarded.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) with respect to individuals 65 years of age or older who—

(i) are entitled to medical assistance for skilled nursing or intermediate care facility services under the State plan,

(ii) may require such services, and

(iii) may be eligible for such home or community-based services under such waiver,

the State will provide for an evaluation of the need for such skilled nursing facility or intermediate care facility services; and

(C) such individuals who are determined to be likely to require the level of care provided in a skilled nursing facility or intermediate care facility are informed of the feasible alternatives to the provision of skilled nursing facility or intermediate care facility services, which such individuals may choose if available under the waiver.

Each State with a waiver under this subsection shall provide to the Secretary annually, consistent with a reasonable data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to state-wideness), section 1396a(a)(10)(B) of this title (relating to comparability), and section 1396a(a)(10)(C)(i)(III) of this title (relating to income and resource rules applicable in the community). Subject to a termination by the State (with notice to the Secretary) at any time, a waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional 5-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met. A waiver may provide, with respect to post-eligibility treatment of income of all individuals receiving services under the waiver, that the maximum amount of the individual's income which may be disregarded for any month is equal to the amount that may be allowed for that purpose under a waiver under subsection (c) of this section.

(4) A waiver under this subsection may, consistent with paragraph (2), provide medical as-

sistance to individuals for case management services, homemaker/home health aide services and personal care services, adult day health services, respite care, and other medical and social services that can contribute to the health and well-being of individuals and their ability to reside in a community-based care setting.

(5)(A) In the case of a State having a waiver approved under this subsection, notwithstanding any other provision of section 1396b of this title to the contrary, the total amount expended by the State for medical assistance with respect to skilled nursing facility services, intermediate care facility services, and home and community-based services under the State plan for individuals 65 years of age or older during a waiver year under this subsection may not exceed the projected amount determined under subparagraph (B).

(B) For purposes of subparagraph (A), the projected amount under this subparagraph is the sum of the following:

(i) The aggregate amount of the State's medical assistance under this subchapter for skilled nursing facility services and intermediate care facility services furnished to individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of—

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year.

(ii) The aggregate amount of the State's medical assistance under this subchapter for home and community-based services for individuals who have attained the age of 65 for the base year increased by a percentage which is equal to the lesser of 7 percent times the number of years (rounded to the nearest quarter of a year) beginning after the base year and ending at the end of the waiver year involved or the sum of—

(I) the percentage increase (based on an appropriate market-basket index representing the costs of elements of such services) between the beginning of the base year and the beginning of the waiver year involved, plus

(II) the percentage increase between the beginning of the base year and the beginning of the waiver year involved in the number of residents in the State who have attained the age of 65, plus

(III) 2 percent for each year (rounded to the nearest quarter of a year) beginning

after the base year and ending at the end of the waiver year.

(iii) The Secretary shall develop and promulgate by regulation (by not later than October 1, 1989)—

(I) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise both skilled nursing facility services and intermediate care facility services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (i)(I);

(II) a method, based on an index of appropriately weighted indicators of changes in the wages and prices of the mix of goods and services which comprise home and community-based services (regardless of the source of payment for such services), for projecting the percentage increase for purposes of clause (ii)(I); and

(III) a method for projecting, on a State specific basis, the percentage increase in the number of residents in each State who are over 65 years of age for any period.

The Secretary shall develop (by not later than October 1, 1989) a method for projecting, on a State-specific basis, the percentage increase in the number of residents in each State who are over 75 years of age for any period. Effective on and after the date the Secretary promulgates the regulation under clause (iii), any reference in this subparagraph to the "lesser of 7 percent" shall be deemed to be a reference to the "greater of 7 percent".

(iv) If there is enacted after December 22, 1987, an Act which amends this subchapter whose provisions become effective on or after such date and which results in an increase in the aggregate amount of medical assistance under this subchapter for nursing facility services and home and community-based services for individuals who have attained the age of 65 years, the Secretary, at the request of a State with a waiver under this subsection for a waiver year or years and in close consultation with the State, shall adjust the projected amount computed under this subparagraph for the waiver year or years to take into account such increase.

(C) In this paragraph:

(i) The term "home and community-based services" includes services described in sections 1396d(a)(7) and 1396d(a)(8) of this title, services described in subsection (c)(4)(B) of this section, services described in paragraph (4), and personal care services.

(ii)(I) Subject to subclause (II), the term "base year" means the most recent year (ending before December 22, 1987) for which actual final expenditures under this subchapter have been reported to, and accepted by, the Secretary.

(II) For purposes of subparagraph (C), in the case of a State that does not report expenditures on the basis of the age categories described in such subparagraph for a year ending before December 22, 1987, the term "base year" means fiscal year 1989.

(iii) The term "intermediate care facility services" does not include services furnished in an institution certified in accordance with section 1396d(d) of this title.

(6)(A) A determination by the Secretary to deny a request for a waiver (or extension of waiver) under this subsection shall be subject to review to the extent provided under section 1316(b) of this title.

(B) Notwithstanding any other provision of this chapter, if the Secretary denies a request of the State for an extension of a waiver under this subsection, any waiver under this subsection in effect on the date such request is made shall remain in effect for a period of not less than 90 days after the date on which the Secretary denies such request (or, if the State seeks review of such determination in accordance with subparagraph (A), the date on which a final determination is made with respect to such review).

(e) Waiver for children infected with AIDS or drug dependent at birth

(1)(A) Subject to paragraph (2), the Secretary shall grant a waiver to provide that a State plan approved under this subchapter shall include as "medical assistance" under such plan payment for part or all of the cost of nursing care, respite care, physicians' services, prescribed drugs, medical devices and supplies, transportation services, and such other services requested by the State as the Secretary may approve which are provided pursuant to a written plan of care to a child described in subparagraph (B) with respect to whom there has been a determination that but for the provision of such services the infants would be likely to require the level of care provided in a hospital or nursing facility the cost of which could be reimbursed under the State plan.

(B) Children described in this subparagraph are individuals under 5 years of age who—

(i) at the time of birth were infected with (or tested positively for) the etiologic agent for acquired immune deficiency syndrome (AIDS),

(ii) have such syndrome, or

(iii) at the time of birth were dependent on heroin, cocaine, or phencyclidine,

and with respect to whom adoption or foster care assistance is (or will be) made available under part E of subchapter IV of this chapter.

(2) A waiver shall not be granted under this subsection unless the State provides assurances satisfactory to the Secretary that—

(A) necessary safeguards (including adequate standards for provider participation) have been taken to protect the health and welfare of individuals provided services under the waiver and to assure financial accountability for funds expended with respect to such services;

(B) under such waiver the average per capita expenditure estimated by the State in any fiscal year for medical assistance provided with respect to such individuals does not exceed 100 percent of the average per capita expenditure that the State reasonably estimates would have been made in that fiscal year for expenditures under the State plan for such individuals if the waiver had not been granted; and

(C) the State will provide to the Secretary annually, consistent with a data collection plan designed by the Secretary, information on the impact of the waiver granted under this subsection on the type and amount of medical assistance provided under the State plan and on the health and welfare of recipients.

(3) A waiver granted under this subsection may include a waiver of the requirements of section 1396a(a)(1) of this title (relating to state-wideness) and section 1396a(a)(10)(B) of this title (relating to comparability). A waiver under this subsection shall be for an initial term of 3 years and, upon the request of a State, shall be extended for additional five-year periods unless the Secretary determines that for the previous waiver period the assurances provided under paragraph (2) have not been met.

(4) The provisions of paragraph (6) of subsection (d) of this section shall apply to this subsection in the same manner as it applies to subsection (d) of this section.

(f) Monitor of implementation of waivers; termination of waiver for noncompliance; time limitation for action on requests for plan approval, amendments, or waivers

(1) The Secretary shall monitor the implementation of waivers granted under this section to assure that the requirements for such waiver are being met and shall, after notice and opportunity for a hearing, terminate any such waiver where he finds noncompliance has occurred.

(2) A request to the Secretary from a State for approval of a proposed State plan or plan amendment or a waiver of a requirement of this subchapter submitted by the State pursuant to a provision of this subchapter shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional information, the request shall be deemed granted unless the Secretary, within 90 days of such date, denies such request.

(g) Optional targeted case management services

(1) A State may provide, as medical assistance, case management services under the plan without regard to the requirements of section 1396a(a)(1) of this title and section 1396a(a)(10)(B) of this title. The provision of case management services under this subsection shall not restrict the choice of the individual to receive medical assistance in violation of section 1396a(a)(23) of this title. A State may limit the provision of case management services under this subsection to individuals with acquired immune deficiency syndrome (AIDS), or with AIDS-related conditions, or with either, or to individuals described in section 1396a(z)(1)(A) of this title and a State may limit the provision of case management services under this subsection to individuals with chronic mental illness. The State may limit the case managers available with respect to case management services for eligible individuals with developmental disabilities or with

chronic mental illness in order to ensure that the case managers for such individuals are capable of ensuring that such individuals receive needed services.

(2) For purposes of this subsection, the term "case management services" means services which will assist individuals eligible under the plan in gaining access to needed medical, social, educational, and other services.

(h) Period of waivers; continuations

No waiver under this section (other than a waiver under subsection (c), (d), or (e) of this section) may extend over a period of longer than two years unless the State requests continuation of such waiver, and such request shall be deemed granted unless the Secretary, within 90 days after the date of its submission to the Secretary, either denies such request in writing or informs the State agency in writing with respect to any additional information which is needed in order to make a final determination with respect to the request. After the date the Secretary receives such additional information, the request shall be deemed granted unless the Secretary, within 90 day¹ of such date, denies such request.

(3) A State shall not require prepayment of a premium imposed pursuant to paragraph (1) and shall not terminate eligibility of an individual for medical assistance under this subchapter on the basis of failure to pay any such premium until such failure continues for a period of not less than 60 days. The requirements of this subsection shall not extinguish the liability of the individual to whom the care or services were furnished for payment of the deduction, cost sharing, or similar charge.

(f) Charges imposed under waiver authority of Secretary

No deduction, cost sharing, or similar charge may be imposed under any waiver authority of the Secretary, except as provided in subsections (a)(3) and (b)(3) of this section, unless such waiver is for a demonstration project which the Secretary finds after public notice and opportunity for comment—

§ 1396p. Liens, adjustments and recoveries, and transfers of assets

(a) Imposition of lien against property of an individual on account of medical assistance rendered to him under a State plan

(1) No lien may be imposed against the property of any individual prior to his death on account of medical assistance paid or to be paid on his behalf under the State plan, except—

(ii) with respect to whom the State determines, after notice and opportunity for a hearing (in accordance with procedures established by the State), that he cannot reasonably be expected to be discharged from the medical institution and to return home,

except as provided in paragraph (2).

(2) No lien may be imposed under paragraph (1)(B) on such individual's home if—

(A) the spouse of such individual,

(ii) at the option of the State, any items or services under the State plan.

(C)(i) In the case of an individual who has received (or is entitled to receive) benefits under a long-term care insurance policy in connection with which assets or resources are disregarded in the manner described in clause (ii), except as provided in such clause, the State shall seek adjustment or recovery from the individual's estate on account of medical assistance paid on behalf of the individual for nursing facility and other long-term care services.

(ii) Clause (i) shall not apply in the case of an individual who received medical assistance

under a State plan of a State which had a State plan amendment approved as of May 14, 1993, which provided for the disregard of any assets or resources—

(I) to the extent that payments are made under a long-term care insurance policy; or

(II) because an individual has received (or is entitled to receive) benefits under a long-term care insurance policy.

(2) Any adjustment or recovery under paragraph (1) may be made only after the death of the individual's surviving spouse, if any, and only at a time—

(A) when he has no surviving child who is under age 21, or (with respect to States eligible to participate in the State program established under subchapter XVI of this chapter) is blind or permanently and totally disabled, or (with respect to States which are not eligible to participate in such program) is blind or disabled as defined in section 1382c of this title; and

is lawfully residing in such home who has lawfully resided in such home on a continuous basis since the date of the individual's admission to the medical institution.

(3) The State agency shall establish procedures (in accordance with standards specified by the Secretary) under which the agency shall waive the application of this subsection (other than paragraph (1)(C)) if such application would work an undue hardship as determined on the basis of criteria established by the Secretary.

(4) For purposes of this subsection, the term "estate", with respect to a deceased individual—

(A) shall include all real and personal property and other assets included within the individual's estate, as defined for purposes of State probate law; and

(c) Taking into account certain transfers of assets

(1)(A) In order to meet the requirements of this subsection for purposes of section 1396a(a)(18) of this title, the State plan must provide that if an institutionalized individual or the spouse of such an individual (or, at the option of a State, a noninstitutionalized individual or the spouse of such an individual) disposes of assets for less than fair market value on or after the look-back date specified in subparagraph (B)(i), the individual is ineligible for medical assistance for services described in subparagraph (C)(i) (or, in the case of a noninstitutionalized individual, for the services described in subparagraph (C)(ii)) during the period beginning on the date specified in subparagraph (D) and equal to the number of months specified in subparagraph (E).

(B)(i) The look-back date specified in this subparagraph is a date that is 36 months (or, in the case of payments from a trust or portions of a trust that are treated as assets disposed of by the individual pursuant to paragraph (3)(A)(iii) or (3)(B)(ii) of subsection (d) of this section, 60 months) before the date specified in clause (ii).

(ii) The date specified in this clause, with respect to—

(I) an institutionalized individual is the first date as of which the individual both is an institutionalized individual and has applied for medical assistance under the State plan, or

(II) a noninstitutionalized individual is the date on which the individual applies for medical assistance under the State plan or, if later, the date on which the individual disposes of assets for less than fair market value.

(C)(i) The services described in this subparagraph with respect to an institutionalized individual are the following:

(D) The date specified in this subparagraph is the first day of the first month during or after which assets have been transferred for less than fair market value and which does not occur in any other periods of ineligibility under this subsection.

(E)(i) With respect to an institutionalized individual, the number of months of ineligibility under this subparagraph for an individual shall be equal to—

(I) the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) on or after the look-back date specified in subparagraph (B)(i), divided by

(II) the average monthly cost to a private patient of nursing facility services in the State (or, at the option of the State, in the community in which the individual is institutionalized) at the time of application.

(ii) With respect to a noninstitutionalized individual, the number of months of ineligibility under this subparagraph for an individual shall not be greater than a number equal to—

(I) the total, cumulative uncompensated value of all assets transferred by the individual (or individual's spouse) on or after the look-back date specified in subparagraph (B)(i), divided by

(II) the average monthly cost to a private patient of nursing facility services in the State (or, at the option of the State, in the community in which the individual is institutionalized) at the time of application.

(iii) The number of months of ineligibility otherwise determined under clause (i) or (ii) with respect to the disposal of an asset shall be reduced—

(I) in the case of periods of ineligibility determined under clause (i), by the number of months of ineligibility applicable to the individual under clause (ii) as a result of such disposal, and

(II) in the case of periods of ineligibility determined under clause (ii), by the number of months of ineligibility applicable to the individual under clause (i) as a result of such disposal.

(2) An individual shall not be ineligible for medical assistance by reason of paragraph (1) to the extent that—

(A) the assets transferred were a home and title to the home was transferred to—

(i) the spouse of such individual;

(ii) a child of such individual who (I) is under age 21, or (II) (with respect to States eligible to participate in the State program established under subchapter XVI of this chapter) is blind or permanently and totally disabled, or (with respect to States which are not eligible to participate in such program) is blind or disabled as defined in section 1382c of this title;

(iii) a sibling of such individual who has an equity interest in such home and who was residing in such individual's home for a period of at least one year immediately before the date the individual becomes an institutionalized individual; or

(iv) a son or daughter of such individual (other than a child described in clause (ii)) who was residing in such individual's home for a period of at least two years immediately before the date the individual becomes an institutionalized individual, and who (as determined by the State) provided care to such individual which permitted such individual to reside at home rather than in such an institution or facility;

(B) the assets—

(i) were transferred to the individual's spouse or to another for the sole benefit of the individual's spouse,

(ii) were transferred from the individual's spouse to another for the sole benefit of the individual's spouse,

(iii) were transferred to, or to a trust (including a trust described in subsection (d)(4) of this section) established solely for the benefit of, the individual's child described in subparagraph (A)(ii)(II), or

(iv) were transferred to a trust (including a trust described in subsection (d)(4) of this section) established solely for the benefit of an individual under 65 years of age who is disabled (as defined in section 1382c(a)(3) of this title);

(D) the State determines, under procedures established by the State (in accordance with standards specified by the Secretary), that the denial of eligibility would work an undue hardship as determined on the basis of criteria established by the Secretary;¹

(3) For purposes of this subsection, in the case of an asset held by an individual in common with another person or persons in a joint tenancy, tenancy in common, or similar arrangement, the asset (or the affected portion of such asset) shall be considered to be transferred by such individual when any action is taken, either by such individual or by any other person, that reduces or eliminates such individual's ownership or control of such asset.

(4) A State (including a State which has elected treatment under section 1396a(f) of this title) may not provide for any period of ineligibility for an individual due to transfer of resources for less than fair market value except in accordance with this subsection. In the case of a transfer by the spouse of an individual which results in a period of ineligibility for medical assistance under a State plan for such individual, a State shall, using a reasonable methodology (as specified by the Secretary), apportion such period of ineligibility (or any portion of such period) among the individual and the individual's spouse if the spouse otherwise becomes eligible for medical assistance under the State plan.

(5) In this subsection, the term "resources" has the meaning given such term in section 1382b of this title, without regard to the exclusion described in subsection (a)(1) thereof.

(d) Treatment of trust amounts

- (I) to or for the benefit of the individual, shall be considered income of the individual, and
- (II) for any other purpose, shall be considered a transfer of assets by the individual subject to subsection (c) of this section; and

(ii) any portion of the trust from which, or any income on the corpus from which, no payment could under any circumstances be made to the individual shall be considered, as of the date of establishment of the trust (or, if later, the date on which payment to the individual was foreclosed) to be assets disposed of by the individual for purposes of subsection (c) of this section, and the value of the trust shall be determined for purposes of such subsection by including the amount of any payments made from such portion of the trust after such date.

in section 1382c(a)(3) of this title) and which is established for the benefit of such individual by a parent, grandparent, legal guardian of the individual, or a court if the State will receive all amounts remaining in the trust upon the death of such individual up to an amount equal to the total medical assistance paid on behalf of the individual under a State plan under this subchapter.

(B) A trust established in a State for the benefit of an individual if—

- (i) the trust is composed only of pension, Social Security, and other income to the individual (and accumulated income in the trust),

(iv) To the extent that amounts remaining in the beneficiary's account upon the death of the beneficiary are not retained by the trust, the trust pays to the State from such remaining amounts in the account an amount equal to the total amount of medical assistance paid on behalf of the beneficiary under the State plan under this subchapter.

(5) The State agency shall establish procedures (in accordance with standards specified by the Secretary) under which the agency waives the application of this subsection with respect to an individual if the individual establishes that such application would work an undue hardship on the individual as determined on the basis of criteria established by the Secretary.

(6) The term "trust" includes any legal instrument or device that is similar to a trust but includes an annuity only to such extent and in such manner as the Secretary specifies.

(A) skilled nursing care and related services for residents who require medical or nursing care,

(B) rehabilitation services for the rehabilitation of injured, disabled, or sick persons, or

(C) on a regular basis, health-related care and services to individuals who because of their mental or physical condition require care and services (above the level of room and board) which can be made available to them only through institutional facilities,

and is not primarily for the care and treatment of mental diseases;

(3) meets the requirements for a nursing facility described in subsections (b), (c), and (d) of this section.

Such term also includes any facility which is located in a State on an Indian reservation and is certified by the Secretary as meeting the requirements of paragraph (1) and subsections (b), (c), and (d) of this section.

(b) Requirements relating to provision of services

(1) Quality of life

(A) In general

A nursing facility must care for its residents in such a manner and in such an environment as will promote maintenance or enhancement of the quality of life of each resident.

(B) Quality assessment and assurance

A nursing facility must maintain a quality assessment and assurance committee, consisting of the director of nursing services, a physician designated by the facility, and at least 3 other members of the facility's staff, which (i) meets at least quarterly to identify issues with respect to which quality assessment and assurance activities are necessary and (ii) develops and implements appropriate plans of action to correct identified quality deficiencies. A State or the Secretary may not require disclosure of the records of such committee except insofar as such disclosure is related to the compliance of such committee with the requirements of this subparagraph.

(2) Scope of services and activities under plan of care

A nursing facility must provide services and activities to attain or maintain the highest practicable physical, mental, and psychosocial well-being of each resident in accordance with a written plan of care which—

(A) describes the medical, nursing, and psychosocial needs of the resident and how such needs will be met;

(B) is initially prepared, with the participation to the extent practicable of the resident or the resident's family or legal representative, by a team which includes the

resident's attending physician and a registered professional nurse with responsibility for the resident; and

(C) is periodically reviewed and revised by such team after each assessment under paragraph (3).

(3) Residents' assessment

(A) Requirement

A nursing facility must conduct a comprehensive, accurate, standardized, reproducible assessment of each resident's functional capacity, which assessment—

(ii) is based on a uniform minimum data set specified by the Secretary under subsection (f)(6)(A) of this section;

(iii) uses an instrument which is specified by the State under subsection (e)(5) of this section; and

(iv) includes the identification of medical problems.

(B) Certification

(i) In general

Each individual who completes a portion of such an assessment shall sign and certify as to the accuracy of that portion of the assessment.

(ii) Penalty for falsification

(I) An individual who willfully and knowingly certifies under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$1,000 with respect to each assessment.

(II) An individual who willfully and knowingly causes another individual to certify under clause (i) a material and false statement in a resident assessment is subject to a civil money penalty of not more than \$5,000 with respect to each assessment.

(III) The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this clause in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(iii) Use of independent assessors

If a State determines, under a survey under subsection (g) of this section or otherwise, that there has been a knowing and willful certification of false assessments under this paragraph, the State may require (for a period specified by the State) that resident assessments under this paragraph be conducted and certified by individuals who are independent of the facility and who are approved by the State.

(C) Frequency

(i) In general

Such an assessment must be conducted—

(I) promptly upon (but no later than¹ not later than 14 days after the date of) admission for each individual admitted on or after October 1, 1990, and by not later than October 1, 1991, for each resident of the facility on that date;

(III) in no case less often than once every 12 months.

(ii) Resident review

The nursing facility must examine each resident no less frequently than once every 3 months and, as appropriate, revise the resident's assessment to assure the continuing accuracy of the assessment.

(D) Use

The results of such an assessment shall be used in developing, reviewing, and revising the resident's plan of care under paragraph (2).

(E) Coordination

Such assessments shall be coordinated with any State-required preadmission screening program to the maximum extent practicable in order to avoid duplicative testing and effort.

(F) Requirements relating to preadmission screening for mentally ill and mentally retarded individuals

Except as provided in clauses (ii) and (iii) of subsection (e)(7)(A) of this section, a nursing facility must not admit, on or after January 1, 1989, any new resident who—

(i) is mentally ill (as defined in subsection (e)(7)(G)(i) of this section) unless the State mental health authority has determined (based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority) prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental illness, or

(ii) is mentally retarded (as defined in subsection (e)(7)(G)(ii) of this section) unless the State mental retardation or developmental disability authority has determined prior to admission that, because of the physical and mental condition of the individual, the individual requires the level of services provided by a nursing facility, and, if the individual requires such level of services, whether the individual requires specialized services for mental retardation.

(B) Qualified persons providing services

Services described in clauses (i), (ii), (iii), (iv), and (vi) of subparagraph (A) must be provided by qualified persons in accordance with each resident's written plan of care.

(II) except as provided in clause (ii), must use the services of a registered professional nurse for at least 8 consecutive hours a day, 7 days a week.

(ii) Waiver by State

To the extent that a facility is unable to meet the requirements of clause (i), a

State may waive such requirements with respect to the facility if—

(I) the facility demonstrates to the satisfaction of the State that the facility has been unable, despite diligent efforts (including offering wages at the community prevailing rate for nursing facilities), to recruit appropriate personnel,

(II) the State determines that a waiver of the requirement will not endanger the health or safety of individuals staying in the facility,

(III) the State finds that, for any such periods in which licensed nursing services are not available, a registered professional nurse or a physician is obligated to respond immediately to telephone calls from the facility,

(IV) the State agency granting a waiver of such requirements provides notice of the waiver to the State long-term care ombudsman (established under section 307(a)(12) of the Older Americans Act of 1965 [42 U.S.C. 3027(a)(12)]) and the protection and advocacy system in the State for the mentally ill and the mentally retarded, and

(V) the nursing facility that is granted such a waiver by a State notifies residents of the facility (or, where appropriate, the guardians or legal representatives of such residents) and members of their immediate families of the waiver.

A waiver under this clause shall be subject to annual review and to the review of the Secretary and subject to clause (iii) shall be accepted by the Secretary for purposes of this subchapter to the same extent as is the State's certification of the facility. In granting or renewing a waiver, a State may require the facility to use other qualified, licensed personnel.

(iii) Assumption of waiver authority by Secretary

If the Secretary determines that a State has shown a clear pattern and practice of allowing waivers in the absence of diligent efforts by facilities to meet the staffing requirements, the Secretary shall assume and exercise the authority of the State to grant waivers.

(5) Required training of nurse aides

(A) In general

(i) Except as provided in clause (ii), a nursing facility must not use on a full-time basis any individual as a nurse aide in the facility on or after October 1, 1990, for more than 4 months unless the individual—

A nursing facility must provide, for individuals used as a nurse aide by the facility as of January 1, 1990, for a competency evaluation program approved by the State under subsection (e)(1) of this section and such preparation as may be necessary for the individual to complete such a program by October 1, 1990.

(C) Competency

The nursing facility must not permit an individual, other than in a training and competency evaluation program approved by the State, to serve as a nurse aide or provide services of a type for which the individual has not demonstrated competency and must not use such an individual as a nurse aide unless the facility has inquired of any State registry established under subsection (e)(2)(A) of this section that the facility believes will include information concerning the individual.

(D) Re-training required

For purposes of subparagraph (A), if, since an individual's most recent completion of a training and competency evaluation program, there has been a continuous period of 24 consecutive months during none of which the individual performed nursing or nursing-related services for monetary compensation, such individual shall complete a new training and competency evaluation program, or a new competency evaluation program.

(E) Regular in-service education

The nursing facility must provide such regular performance review and regular in-service education as assures that individuals used as nurse aides are competent to perform services as nurse aides, including training for individuals providing nursing and nursing-related services to residents with cognitive impairments.

(F) "Nurse aide" defined

In this paragraph, the term "nurse aide" means any individual providing nursing or nursing-related services to residents in a nursing facility, but does not include an individual—

- (ii) the provisions of such Code shall not apply in any State if the Secretary finds that in such State there is in effect a fire and safety code, imposed by State law, which adequately protects residents of and personnel in nursing facilities.

The State must—

(B) by not later than January 1, 1990, provide for the review and reapproval of such programs, at a frequency and using a methodology consistent with the requirements established under subsection (f)(2)(A)(iii) of this section.

(4) Nursing facility administrator standards

By not later than July 1, 1989, the State must have implemented and enforced the nursing facility administrator standards developed under subsection (f)(4) of this section respecting the qualification of administrators of nursing facilities.

admitted to nursing facilities on or after January 1, 1989. (ii) Clarification with respect to certain readmissions

The preadmission screening program under clause (i) need not provide for determinations in the case of the readmission to a nursing facility of an individual who, after being admitted to the nursing facility, was transferred for care in a hospital.

(iii) Exception for certain hospital discharges

The preadmission screening program under clause (i) shall not apply to the admission to a nursing facility of an individual—

(I) who is admitted to the facility directly from a hospital after receiving acute inpatient care at the hospital,

(II) who requires nursing facility services for the condition for which the individual received care in the hospital, and

(III) whose attending physician has certified, before admission to the facility, that the individual is likely to require less than 30 days of nursing facility services.

(B) State requirement for annual resident review

(i) For mentally ill residents

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally ill, the State mental health authority must review and determine (using any criteria developed under subsection (f)(8) of this section and based on an independent physical and mental evaluation performed by a person or entity other than the State mental health authority)—

(I) whether or not the resident, because of the resident's physical and mental condition, requires the level of services provided by a nursing facility or requires the level of services of an inpatient psychiatric hospital for individuals under age 21 (as described in section 1396d(h) of this title) or of an institution for mental diseases providing medical assistance to individuals 65 years of age or older; and

(II) whether or not the resident requires specialized services for mental illness.

(ii) For mentally retarded residents

As of April 1, 1990, in the case of each resident of a nursing facility who is mentally retarded, the State mental retardation or developmental disability authority must review and determine (using any criteria developed under subsection (f)(8) of this section)—

(I) whether or not the resident, because of the resident's physical and mental

condition, requires the level of services provided by a nursing facility or requires the level of services of an intermediate care facility described under section 1396d(d) of this title; and

(II) whether or not the resident requires specialized services for mental retardation.

(iii) Frequency of reviews

(I) Annual

Except as provided in subclauses (II) and (III), the reviews and determinations under clauses (i) and (ii) must be conducted with respect to each mentally ill or mentally retarded resident not less often than annually.

(II) Preadmission review cases

In the case of a resident subject to a preadmission review under subsection (b)(3)(F) of this section, the review and determination under clause (i) or (ii) need not be done until the resident has resided in the nursing facility for 1 year.

(III) Initial review

The reviews and determinations under clauses (i) and (ii) must first be conducted (for each resident not subject to preadmission review under subsection (b)(3)(F) of this section) by not later than April 1, 1990.

(iv) Prohibition of delegation

A State mental health authority, a State mental retardation or developmental disability authority, and a State may not delegate (by subcontract or otherwise) their responsibilities under this subparagraph to a nursing facility (or to an entity that has a direct or indirect affiliation or relationship with such a facility).

(C) Response to preadmission screening and resident review

As of April 1, 1990, the State must meet the following requirements:

(i) Long-term residents not requiring nursing facility services, but requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers—

(I) inform the resident of the institutional and noninstitutional alternatives covered under the State plan for the resident,

(II) offer the resident the choice of remaining in the facility or of receiving covered services in an alternative appropriate institutional or noninstitutional setting,

(III) clarify the effect on eligibility for services under the State plan if the resi-

dent chooses to leave the facility (including its effect on readmission to the facility), and

(IV) regardless of the resident's choice, provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

A State shall not be denied payment under this subchapter for nursing facility services for a resident described in this clause because the resident does not require the level of services provided by such a facility, if the resident chooses to remain in such a facility.

(ii) Other residents not requiring nursing facility services, but requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility, but to require specialized services for mental illness or mental retardation, and who has not continuously resided in a nursing facility for at least 30 months before the date of the determination, the State must, in consultation with the resident's family or legal representative and care-givers—

(I) arrange for the safe and orderly discharge of the resident from the facility, consistent with the requirements of subsection (c)(2) of this section,

(II) prepare and orient the resident for such discharge, and

(III) provide for (or arrange for the provision of) such specialized services for the mental illness or mental retardation.

(iii) Residents not requiring nursing facility services and not requiring specialized services

In the case of a resident who is determined, under subparagraph (B), not to require the level of services provided by a nursing facility and not to require specialized services for mental illness or mental retardation, the State must—

(I) arrange for the safe and orderly discharge of the resident from the facility, consistent with the requirements of subsection (c)(2) of this section, and

(II) prepare and orient the resident for such discharge.

(iv) Annual report

Each State shall report to the Secretary annually concerning the number and disposition of residents described in each of clauses (ii) and (iii).

(D) Denial of payment

(i) For failure to conduct preadmission screening or annual review

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual for whom a determination is required under subsection (b)(3)(F) of this section or subparagraph (B) but for whom the determination is not made.

(ii) For certain residents not requiring nursing facility level of services

No payment may be made under section 1396b(a) of this title with respect to nursing facility services furnished to an individual (other than an individual described in subparagraph (C)(i)) who does not require the level of services provided by a nursing facility.

(E) Permitting alternative disposition plans

With respect to residents of a nursing facility who are mentally retarded or mentally ill and who are determined under subparagraph (B) not to require the level of services of such a facility, but who require specialized services for mental illness or mental retardation, a State and the nursing facility shall be considered to be in compliance with the requirements of subparagraphs (A) through (C) of this paragraph if, before April 1, 1989, the State and the Secretary have entered into an agreement relating to the disposition of such residents of the facility and the State is in compliance with such agreement. Such an agreement may provide for the disposition of the residents after the date specified in subparagraph (C). The State may revise such an agreement, subject to the approval of the Secretary, before October 1, 1991, but only if, under the revised agreement, all residents subject to the agreement who do not require the level of services of such a facility are discharged from the facility by not later than April 1, 1994.

(F) Appeals procedures

Each State, as a condition of approval of its plan under this subchapter, effective January 1, 1989, must have in effect an appeals process for individuals adversely affected by determinations under subparagraph (A) or (B).

(G) Definitions

In this paragraph and in subsection (b)(3)(F) of this section:

(i) An individual is considered to be “mentally ill” if the individual has a serious mental illness (as defined by the Secretary in consultation with the National Institute of Mental Health) and does not have a primary diagnosis of dementia (including Alzheimer’s disease or a related disorder) or a diagnosis (other than a primary diagnosis) of dementia and a primary diagnosis that is not a serious mental illness.

(ii) An individual is considered to be “mentally retarded” if the individual is mentally retarded or a person with a related condition (as described in section 1396d(d) of this title).

(iii) The term “specialized services” has the meaning given such term by the Secretary in regulations, but does not include, in the case of a resident of a nursing facility, services within the scope of services which the facility must provide or arrange for its residents under subsection (b)(4) of this section.

(f) Responsibilities of Secretary relating to nursing facility requirements**(1) General responsibility**

It is the duty and responsibility of the Secretary to assure that requirements which govern the provision of care in nursing facilities under State plans approved under this subchapter, and the enforcement of such requirements, are adequate to protect the health, safety, welfare, and rights of residents and to promote the effective and efficient use of public moneys.

(2) Requirements for nurse aide training and competency evaluation programs and for nurse aide competency evaluation programs**(A) In general**

For purposes of subsections (b)(5) and (e)(1)(A) of this section, the Secretary shall establish, by not later than September 1, 1988—

(i) requirements for the approval of nurse aide training and competency evaluation programs, including requirements relating to (I) the areas to be covered in such a program (including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and residents’ rights) and content of the curriculum, (II) minimum hours of initial and ongoing training and retraining (including not less than 75 hours in the case of initial training), (III) qualifications of instructors, and (IV) procedures for determination of competency;

(ii) requirements for the approval of nurse aide competency evaluation programs, including requirement relating to the areas to be covered in such a program, including at least basic nursing skills, personal care skills, recognition of mental health and social service needs, care of cognitively impaired residents, basic restorative services, and residents’ rights, and procedures for determination of competency;

(iii) requirements respecting the minimum frequency and methodology to be used by a State in reviewing such programs’ compliance with the requirements for such programs; and

(iv) requirements, under both such programs, that—

(I) provide procedures for determining competency that permit a nurse aide, at the nurse aide’s option, to establish competency through procedures or methods other than the passing of a written examination and to have the competency evaluation conducted at the nursing facility at which the aide is (or will be) employed (unless the facility is described in subparagraph (B)(iii)(I)),

(II) prohibit the imposition on a nurse aide who is employed by (or who has received an offer of employment from) a facility on the date on which the aide be-

gins either such program of any charges (including any charges for textbooks and other required course materials and any charges for the competency evaluation) for either such program, and

(III) in the case of a nurse aide not described in subclause (II) who is employed by (or who has received an offer of employment from) a facility not later than 12 months after completing either such program, the State shall provide for the reimbursement of costs incurred in completing such program on a prorata basis during the period in which the nurse aide is so employed.

(B) Approval of certain programs

Such requirements—

(i) may permit approval of programs offered by or in facilities, as well as outside facilities (including employee organizations), and of programs in effect on December 22, 1987;

(ii) shall permit a State to find that an individual who has completed (before July 1, 1989) a nurse aide training and competency evaluation program shall be deemed to have completed such a program approved under subsection (b)(5) of this section if the State determines that, at the time the program was offered, the program met the requirements for approval under such paragraph; and

(iii) shall prohibit approval of such a program—

(I) offered by or in a nursing facility which, within the previous 2 years—

(a) has operated under a waiver under subsection (b)(4)(C)(ii) of this section that was granted on the basis of a demonstration that the facility is unable to provide the nursing care required under subsection (b)(4)(C)(i) of this section for a period in excess of 48 hours during a week;

(b) has been subject to an extended (or partial extended) survey under section 1395i-3(g)(2)(B)(i) of this title or subsection (g)(2)(B)(i) of this section; or

(c) has been assessed a civil money penalty described in section 1395i-3(h)(2)(B)(ii) of this title or subsection (h)(2)(A)(ii) of this section of not less than \$5,000, or has been subject to a remedy described in subsection (h)(1)(B)(i) of this section, clauses³ (i), (iii), or (iv) of subsection (h)(2)(A) of this section, clauses³ (i) or (iii) of section 1395i-3(h)(2)(B) of this title, or section 1395i-3(h)(4) of this title, or

(II) offered by or in a nursing facility unless the State makes the determination, upon an individual's completion of the program, that the individual is competent to provide nursing and nursing-related services in nursing facilities.

A State may not delegate (through subcontract or otherwise) its responsibility

under clause (iii)(II) to the nursing facility.

(3) Federal guidelines for State appeals process for transfers and discharges

For purposes of subsections (c)(2)(B)(iii) and (e)(3) of this section, by not later than October 1, 1988, the Secretary shall establish guidelines for minimum standards which State appeals processes under subsection (e)(3) of this section must meet to provide a fair mechanism for hearing appeals on transfers and discharges of residents from nursing facilities.

(4) Secretarial standards qualification of administrators

For purposes of subsections (d)(1)(C) and (e)(4) of this section, the Secretary shall develop, by not later than March 1, 1988, standards to be applied in assuring the qualifications of administrators of nursing facilities.

(5) Criteria for administration

The Secretary shall establish criteria for assessing a nursing facility's compliance with the requirement of subsection (d)(1) of this section with respect to—

(A) its governing body and management,

(B) agreements with hospitals regarding transfers of residents to and from the hospitals and to and from other nursing facilities,

(C) disaster preparedness,

(D) direction of medical care by a physician,

(E) laboratory and radiological services,

(F) clinical records, and

(G) resident and advocate participation.

(6) Specification of resident assessment data set and instruments

The Secretary shall—

(A) not later than January 1, 1989, specify a minimum data set of core elements and common definitions for use by nursing facilities in conducting the assessments required under subsection (b)(3) of this section, and establish guidelines for utilization of the data set; and

(B) by not later than April 1, 1990, designate one or more instruments which are consistent with the specification made under subparagraph (A) and which a State may specify under subsection (e)(5)(A) of this section for use by nursing facilities in complying with the requirements of subsection (b)(3)(A)(iii) of this section.

(7) List of items and services furnished in nursing facilities not chargeable to the personal funds of a resident

(A) Regulations required

Pursuant to the requirement of section 21(b) of the Medicare-Medicaid Anti-Fraud and Abuse Amendments of 1977, the Secretary shall issue regulations, on or before the first day of the seventh month to begin after December 22, 1987, that define those costs which may be charged to the personal funds of residents in nursing facilities who are individuals receiving medical assistance with respect to nursing facility services

³So in original. Probably should be "clause".

under this subchapter and those costs which are to be included in the payment amount under this subchapter for nursing facility services.

(B) Rule if failure to publish regulations

If the Secretary does not issue the regulations under subparagraph (A) on or before the date required in that subparagraph, in the case of a resident of a nursing facility who is eligible to receive benefits for nursing facility services under this subchapter, for purposes of section 1396a(a)(28)(B) of this title, the Secretary shall be deemed to have promulgated regulations under this paragraph which provide that the costs which may not be charged to the personal funds of such resident (and for which payment is considered to be made under this subchapter) include, at a minimum, the costs for routine personal hygiene items and services furnished by the facility.

(8) Federal minimum criteria and monitoring for preadmission screening and resident review

(A) Minimum criteria

The Secretary shall develop, by not later than October 1, 1988, minimum criteria for States to use in making determinations under subsections (b)(3)(F) and (e)(7)(B) of this section and in permitting individuals adversely affected to appeal such determinations, and shall notify the States of such criteria.

(B) Monitoring compliance

The Secretary shall review, in a sufficient number of cases to allow reasonable inferences, each State's compliance with the requirements of subsection (e)(7)(C)(ii) of this section (relating to discharge and placement for active treatment of certain residents).

(9) Criteria for monitoring State waivers

The Secretary shall develop, by not later than October 1, 1988, criteria and procedures for monitoring State performances in granting waivers pursuant to subsection (b)(4)(C)(ii) of this section.

(g) Survey and certification process

(1) State and Federal responsibility

(A) In general

Under each State plan under this subchapter, the State shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of nursing facilities (other than facilities of the State) with the requirements of subsections (b), (c), and (d) of this section. The Secretary shall be responsible for certifying, in accordance with surveys conducted under paragraph (2), the compliance of State nursing facilities with the requirements of such subsections.

(B) Educational program

Each State shall conduct periodic educational programs for the staff and residents (and their representatives) of nursing facilities in order to present current regulations, procedures, and policies under this section.

(C) Investigation of allegations of resident neglect and abuse and misappropriation of resident property

The State shall provide, through the agency responsible for surveys and certification of nursing facilities under this subsection, for a process for the receipt and timely review and investigation of allegations of neglect and abuse and misappropriation of resident property by a nurse aide of a resident in a nursing facility or by another individual used by the facility in providing services to such a resident. The State shall, after notice to the individual involved and a reasonable opportunity for a hearing for the individual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that a nurse aide has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the nurse aide and the registry of such finding. If the State finds that any other individual used by the facility has neglected or abused a resident or misappropriated resident property in a facility, the State shall notify the appropriate licensure authority. A State shall not make a finding that an individual has neglected a resident if the individual demonstrates that such neglect was caused by factors beyond the control of the individual.

(D) Construction

The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

(2) Surveys

(A) Annual standard survey

(i) In general

Each nursing facility shall be subject to a standard survey, to be conducted without any prior notice to the facility. Any individual who notifies (or causes to be notified) a nursing facility of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State's procedures for scheduling and conduct of standard surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(ii) Contents

Each standard survey shall include, for a case-mix stratified sample of residents—

(I) a survey of the quality of care furnished, as measured by indicators of medical, nursing, and rehabilitative care, dietary and nutrition services, activities and social participation, and

sanitation, infection control, and the physical environment,

(II) written plans of care provided under subsection (b)(2) of this section and an audit of the residents' assessments under subsection (b)(3) of this section to determine the accuracy of such assessments and the adequacy of such plans of care, and

(III) a review of compliance with residents' rights under subsection (c) of this section.

(iii) Frequency

(I) In general

Each nursing facility shall be subject to a standard survey not later than 15 months after the date of the previous standard survey conducted under this subparagraph. The statewide average interval between standard surveys of a nursing facility shall not exceed 12 months.

(II) Special surveys

If not otherwise conducted under subclause (I), a standard survey (or an abbreviated standard survey) may be conducted within 2 months of any change of ownership, administration, management of a nursing facility, or director of nursing in order to determine whether the change has resulted in any decline in the quality of care furnished in the facility.

(B) Extended surveys

(i) In general

Each nursing facility which is found, under a standard survey, to have provided substandard quality of care shall be subject to an extended survey. Any other facility may, at the Secretary's or State's discretion, be subject to such an extended survey (or a partial extended survey).

(ii) Timing

The extended survey shall be conducted immediately after the standard survey (or, if not practicable, not later than 2 weeks after the date of completion of the standard survey).

(iii) Contents

In such an extended survey, the survey team shall review and identify the policies and procedures which produced such substandard quality of care and shall determine whether the facility has complied with all the requirements described in subsections (b), (c), and (d) of this section. Such review shall include an expansion of the size of the sample of residents' assessments reviewed and a review of the staffing, of in-service training, and, if appropriate, of contracts with consultants.

(iv) Construction

Nothing in this paragraph shall be construed as requiring an extended or partial extended survey as a prerequisite to imposing a sanction against a facility under subsection (h) of this section on the basis of findings in a standard survey.

(C) Survey protocol

Standard and extended surveys shall be conducted—

(i) based upon a protocol which the Secretary has developed, tested, and validated by not later than January 1, 1990, and

(ii) by individuals, of a survey team, who meet such minimum qualifications as the Secretary establishes by not later than such date.

The failure of the Secretary to develop, test, or validate such protocols or to establish such minimum qualifications shall not relieve any State of its responsibility (or the Secretary of the Secretary's responsibility) to conduct surveys under this subsection.

(D) Consistency of surveys

Each State shall implement programs to measure and reduce inconsistency in the application of survey results among surveyors.

(E) Survey teams

(i) In general

Surveys under this subsection shall be conducted by a multidisciplinary team of professionals (including a registered professional nurse).

(ii) Prohibition of conflicts of interest

A State may not use as a member of a survey team under this subsection an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the facility surveyed respecting compliance with the requirements of subsections (b), (c), and (d) of this section, or who has a personal or familial financial interest in the facility being surveyed.

(iii) Training

The Secretary shall provide for the comprehensive training of State and Federal surveyors in the conduct of standard and extended surveys under this subsection, including the auditing of resident assessments and plans of care. No individual shall serve as a member of a survey team unless the individual has successfully completed a training and testing program in survey and certification techniques that has been approved by the Secretary.

(3) Validation surveys

(A) In general

The Secretary shall conduct onsite surveys of a representative sample of nursing facilities in each State, within 2 months of the date of surveys conducted under paragraph (2) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under paragraph (2). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under paragraph (2). If the State has determined that an individual nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but the Secretary determines that the facility does not meet such require-

ments, the Secretary's determination as to the facility's noncompliance with such requirements is binding and supersedes that of the State survey.

(B) Scope

With respect to each State, the Secretary shall conduct surveys under subparagraph (A) each year with respect to at least 5 percent of the number of nursing facilities surveyed by the State in the year, but in no case less than 5 nursing facilities in the State.

(C) Reduction in administrative costs for substandard performance

If the Secretary finds, on the basis of such surveys, that a State has failed to perform surveys as required under paragraph (2) or that a State's survey and certification performance otherwise is not adequate, the Secretary may provide for the training of survey teams in the State and shall provide for a reduction of the payment otherwise made to the State under section 1396b(a)(2)(D) of this title with respect to a quarter equal to 33 percent multiplied by a fraction, the denominator of which is equal to the total number of residents in nursing facilities surveyed by the Secretary that quarter and the numerator of which is equal to the total number of residents in nursing facilities which were found pursuant to such surveys to be not in compliance with any of the requirements of subsections (b), (c), and (d) of this section. A State that is dissatisfied with the Secretary's findings under this subparagraph may obtain reconsideration and review of the findings under section 1316 of this title in the same manner as a State may seek reconsideration and review under that section of the Secretary's determination under section 1316(a)(1) of this title.

(D) Special surveys of compliance

Where the Secretary has reason to question the compliance of a nursing facility with any of the requirements of subsections (b), (c), and (d) of this section, the Secretary may conduct a survey of the facility and, on the basis of that survey, make independent and binding determinations concerning the extent to which the nursing facility meets such requirements.

(4) Investigation of complaints and monitoring nursing facility compliance

Each State shall maintain procedures and adequate staff to—

(A) investigate complaints of violations of requirements by nursing facilities, and

(B) monitor, on-site, on a regular, as needed basis, a nursing facility's compliance with the requirements of subsections (b), (c), and (d) of this section, if—

(i) the facility has been found not to be in compliance with such requirements and is in the process of correcting deficiencies to achieve such compliance;

(ii) the facility was previously found not to be in compliance with such requirements, has corrected deficiencies to

achieve such compliance, and verification of continued compliance is indicated; or

(iii) the State has reason to question the compliance of the facility with such requirements.

A State may maintain and utilize a specialized team (including an attorney, an auditor, and appropriate health care professionals) for the purpose of identifying, surveying, gathering and preserving evidence, and carrying out appropriate enforcement actions against substandard nursing facilities.

(5) Disclosure of results of inspections and activities

(A) Public information

Each State, and the Secretary, shall make available to the public—

(i) information respecting all surveys and certifications made respecting nursing facilities, including statements of deficiencies, within 14 calendar days after such information is made available to those facilities, and approved plans of correction,

(ii) copies of cost reports of such facilities filed under this subchapter or under subchapter XVIII of this chapter,

(iii) copies of statements of ownership under section 1320a-3 of this title, and

(iv) information disclosed under section 1320a-5 of this title.

(B) Notice to ombudsman

Each State shall notify the State long-term care ombudsman (established under title III or VII of the Older Americans Act of 1965 [42 U.S.C. 3021 et seq., 3058 et seq.] in accordance with section 712 of the Act [42 U.S.C. 3058g]) of the State's findings of non-compliance with any of the requirements of subsections (b), (c), and (d) of this section, or of any adverse action taken against a nursing facility under paragraphs⁴ (1), (2), or (3) of subsection (h) of this section, with respect to a nursing facility in the State.

(C) Notice to physicians and nursing facility administrator licensing board

If a State finds that a nursing facility has provided substandard quality of care, the State shall notify—

(i) the attending physician of each resident with respect to which such finding is made, and

(ii) any State board responsible for the licensing of the nursing facility administrator of the facility.

(D) Access to fraud control units

Each State shall provide its State medic-aid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys and certifications under this subsection.

(h) Enforcement process

(1) In general

If a State finds, on the basis of a standard, extended, or partial extended survey under

⁴So in original. Probably should be "paragraph".

subsection (g)(2) of this section or otherwise, that a nursing facility no longer meets a requirement of subsection (b), (c), or (d) of this section, and further finds that the facility's deficiencies—

(A) immediately jeopardize the health or safety of its residents, the State shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in paragraph (2); or

(B) do not immediately jeopardize the health or safety of its residents, the State may—

- (i) terminate the facility's participation under the State plan,
- (ii) provide for one or more of the remedies described in paragraph (2), or
- (iii) do both.

Nothing in this paragraph shall be construed as restricting the remedies available to a State to remedy a nursing facility's deficiencies. If a State finds that a nursing facility meets the requirements of subsections (b), (c), and (d) of this section, but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A)(ii) for the days in which it finds that the facility was not in compliance with such requirements.

(2) Specified remedies

(A) Listing

Except as provided in subparagraph (B)(ii), each State shall establish by law (whether statute or regulation) at least the following remedies:

(i) Denial of payment under the State plan with respect to any individual admitted to the nursing facility involved after such notice to the public and to the facility as may be provided for by the State.

(ii) A civil money penalty assessed and collected, with interest, for each day in which the facility is or was out of compliance with a requirement of subsection (b), (c), or (d) of this section. Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty for activities described in subsections (b)(3)(B)(ii)(I), (b)(3)(B)(ii)(II), or (g)(2)(A)(i) of this section) shall be applied to the protection of the health or property of residents of nursing facilities that the State or the Secretary finds deficient, including payment for the costs of relocation of residents to other facilities, maintenance of operation of a facility pending correction of deficiencies or closure, and reimbursement of residents for personal funds lost.

(iii) The appointment of temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

- (I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d) of this section.

The temporary management under this clause shall not be terminated under subclause (II) until the State has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d) of this section.

(iv) The authority, in the case of an emergency, to close the facility, to transfer residents in that facility to other facilities, or both.

The State also shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the State may provide for other specified remedies, such as directed plans of correction.

(B) Deadline and guidance

(i) Except as provided in clause (ii), as a condition for approval of a State plan for calendar quarters beginning on or after October 1, 1989, each State shall establish the remedies described in clauses (i) through (iv) of subparagraph (A) by not later than October 1, 1989. The Secretary shall provide, through regulations by not later than October 1, 1988, guidance to States in establishing such remedies; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedies.

(ii) A State may establish alternative remedies (other than termination of participation) other than those described in clauses (i) through (iv) of subparagraph (A), if the State demonstrates to the Secretary's satisfaction that the alternative remedies are as effective in deterring noncompliance and correcting deficiencies as those described in subparagraph (A).

(C) Assuring prompt compliance

If a nursing facility has not complied with any of the requirements of subsections (b), (c), and (d) of this section, within 3 months after the date the facility is found to be out of compliance with such requirements, the State shall impose the remedy described in subparagraph (A)(i) for all individuals who are admitted to the facility after such date.

(D) Repeated noncompliance

In the case of a nursing facility which, on 3 consecutive standard surveys conducted under subsection (g)(2) of this section, has been found to have provided regstandard quality of care, the State shall (regardless of what other remedies are provided)—

- (i) impose the remedy described in subparagraph (A)(i), and

(ii) monitor the facility under subsection (g)(4)(B) of this section,

until the facility has demonstrated, to the satisfaction of the State, that it is in compliance with the requirements of subsections (b), (c), and (d) of this section, and that it will remain in compliance with such requirements.

(E) Funding

The reasonable expenditures of a State to provide for temporary management and other expenses associated with implementing the remedies described in clauses (iii) and (iv) of subparagraph (A) shall be considered, for purposes of section 1396b(a)(7) of this title, to be necessary for the proper and efficient administration of the State plan.

(F) Incentives for high quality care

In addition to the remedies specified in this paragraph, a State may establish a program to reward, through public recognition, incentive payments, or both, nursing facilities that provide the highest quality care to residents who are entitled to medical assistance under this subchapter. For purposes of section 1396b(a)(7) of this title, proper expenses incurred by a State in carrying out such a program shall be considered to be expenses necessary for the proper and efficient administration of the State plan under this subchapter.

(3) Secretarial authority

(A) For State nursing facilities

With respect to a State nursing facility, the Secretary shall have the authority and duties of a State under this subsection, including the authority to impose remedies described in clauses (i), (ii), and (iii) of paragraph (2)(A).

(B) Other nursing facilities

With respect to any other nursing facility in a State, if the Secretary finds that a nursing facility no longer meets a requirement of subsection (b), (c), (d), or (e) of this section, and further finds that the facility's deficiencies—

(i) immediately jeopardize the health or safety of its residents, the Secretary shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in subparagraph (C)(iii), or terminate the facility's participation under the State plan and may provide, in addition, for one or more of the other remedies described in subparagraph (C); or

(ii) do not immediately jeopardize the health or safety of its residents, the Secretary may impose any of the remedies described in subparagraph (C).

Nothing in this subparagraph shall be construed as restricting the remedies available to the Secretary to remedy a nursing facility's deficiencies. If the Secretary finds that a nursing facility meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may pro-

vide for a civil money penalty under subparagraph (C)(ii) for the days on which he finds that the facility was not in compliance with such requirements.

(C) Specified remedies

The Secretary may take the following actions with respect to a finding that a facility has not met an applicable requirement:

(i) Denial of payment

The Secretary may deny any further payments to the State for medical assistance furnished by the facility to all individuals in the facility or to individuals admitted to the facility after the effective date of the finding.

(ii) Authority with respect to civil money penalties

The Secretary may impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(iii) Appointment of temporary management

In consultation with the State, the Secretary may appoint temporary management to oversee the operation of the facility and to assure the health and safety of the facility's residents, where there is a need for temporary management while—

(I) there is an orderly closure of the facility, or

(II) improvements are made in order to bring the facility into compliance with all the requirements of subsections (b), (c), and (d) of this section.

The temporary management under this clause shall not be terminated under subclause (II) until the Secretary has determined that the facility has the management capability to ensure continued compliance with all the requirements of subsections (b), (c), and (d) of this section.

The Secretary shall specify criteria, as to when and how each of such remedies is to be applied, the amounts of any fines, and the severity of each of these remedies, to be used in the imposition of such remedies. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the remedies and shall provide for the imposition of incrementally more severe fines for repeated or uncorrected deficiencies. In addition, the Secretary may provide for other specified remedies, such as directed plans of correction.

(D) Continuation of payments pending remediation

The Secretary may continue payments, over a period of not longer than 6 months after the effective date of the findings, under this subchapter with respect to a nursing facility not in compliance with a requirement

of subsection (b), (c), or (d) of this section, if—

(i) the State survey agency finds that it is more appropriate to take alternative action to assure compliance of the facility with the requirements than to terminate the certification of the facility,

(ii) the State has submitted a plan and timetable for corrective action to the Secretary for approval and the Secretary approves the plan of corrective action, and

(iii) the State agrees to repay to the Federal Government payments received under this subparagraph if the corrective action is not taken in accordance with the approved plan and timetable.

The Secretary shall establish guidelines for approval of corrective actions requested by States under this subparagraph.

(4) Effective period of denial of payment

A finding to deny payment under this subsection shall terminate when the State or Secretary (or both, as the case may be) finds that the facility is in substantial compliance with all the requirements of subsections (b), (c), and (d) of this section.

(5) Immediate termination of participation for facility where State or Secretary finds non-compliance and immediate jeopardy

If either the State or the Secretary finds that a nursing facility has not met a requirement of subsection (b), (c), or (d) of this section, and finds that the failure immediately jeopardizes the health or safety of its residents, the State or the Secretary, respectively⁵ shall notify the other of such finding, and the State or the Secretary, respectively, shall take immediate action to remove the jeopardy and correct the deficiencies through the remedy specified in paragraph (2)(A)(iii) or (3)(C)(iii), or terminate the facility's participation under the State plan. If the facility's participation in the State plan is terminated by either the State or the Secretary, the State shall provide for the safe and orderly transfer of the residents eligible under the State plan consistent with the requirements of subsection (c)(2) of this section.

(6) Special rules where State and Secretary do not agree on finding of noncompliance

(A) State finding of noncompliance and no Secretarial finding of noncompliance

If the Secretary finds that a nursing facility has met all the requirements of subsections (b), (c), and (d) of this section, but a State finds that the facility has not met such requirements and the failure does not immediately jeopardize the health or safety of its residents, the State's findings shall control and the remedies imposed by the State shall be applied.

(B) Secretarial finding of noncompliance and no State finding of noncompliance

If the Secretary finds that a nursing facility has not met all the requirements of sub-

sections (b), (c), and (d) of this section, and that the failure does not immediately jeopardize the health or safety of its residents, but the State has not made such a finding, the Secretary—

(i) may impose any remedies specified in paragraph (3)(C) with respect to the facility, and

(ii) shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D).

(7) Special rules for timing of termination of participation where remedies overlap

If both the Secretary and the State find that a nursing facility has not met all the requirements of subsections (b), (c), and (d) of this section, and neither finds that the failure immediately jeopardizes the health or safety of its residents—

(A)(i) if both find that the facility's participation under the State plan should be terminated, the State's timing of any termination shall control so long as the termination date does not occur later than 6 months after the date of the finding to terminate;

(ii) if the Secretary, but not the State, finds that the facility's participation under the State plan should be terminated, the Secretary shall (pending any termination by the Secretary) permit continuation of payments in accordance with paragraph (3)(D); or

§ 1396r-3. Correction and reduction plans for intermediate care facilities for mentally retarded

(a) Written plans to remedy substantial deficiencies; time for submission

If the Secretary finds that an intermediate care facility for the mentally retarded has substantial deficiencies which do not pose an immediate threat to the health and safety of residents (including failure to provide active treatment), the State may elect, subject to the limitations in this section, to—

(1) submit, within the number of days specified by the Secretary in regulations which apply to submission of compliance plans with respect to deficiencies of such type, a written plan of correction which details the extent of the facility's current compliance with the standards promulgated by the Secretary, including all deficiencies identified during a validation survey, and which provides for a timetable for completion of necessary steps to correct all staffing deficiencies within 6 months, and a timetable for rectifying all physical plant deficiencies within 6 months; or

(2) submit, within a time period consisting of the number of days specified for submissions under paragraph (1) plus 35 days, a written plan for permanently reducing the number of certified beds, within a maximum of 36 months, in order to permit any noncomplying buildings (or distinct parts thereof) to be vacated and any staffing deficiencies to be corrected (hereinafter in this section referred to as a “reduction plan”).

(b) Conditions for approval of reduction plans

As conditions of approval of any reduction plan submitted pursuant to subsection (a)(2) of this section, the State must—

(1) provide for a hearing to be held at the affected facility at least 35 days prior to submission of the reduction plan, with reasonable notice thereof to the staff and residents of the

facility, responsible members of the residents' families, and the general public;

(2) demonstrate that the State has successfully provided home and community services similar to the services proposed to be provided under the reduction plan for similar individuals eligible for medical assistance; and

(3) provide assurances that the requirements of subsection (c) of this section shall be met with respect to the reduction plan.

(c) Contents of reduction plan

The reduction plan must—

(1) identify the number and service needs of existing facility residents to be provided home or community services and the timetable for providing such services, in 6 month intervals, within the 36-month period;

(2) describe the methods to be used to select such residents for home and community services and to develop the alternative home and community services to meet their needs effectively;

(3) describe the necessary safeguards that will be applied to protect the health and welfare of the former residents of the facility who are to receive home or community services, including adequate standards for consumer and provider participation and assurances that applicable State licensure and applicable State and Federal certification requirements will be met in providing such home or community services;

(4) provide that residents of the affected facility who are eligible for medical assistance while in the facility shall, at their option, be placed in another setting (or another part of the affected facility) so as to retain their eligibility for medical assistance;

(5) specify the actions which will be taken to protect the health and safety of, and to provide active treatment for, the residents who remain in the affected facility while the reduction plan is in effect;

(6) provide that the ratio of qualified staff to residents at the affected facility (or the part thereof) which is subject to the reduction plan will be the higher of—

(A) the ratio which the Secretary determines is necessary in order to assure the health and safety of the residents of such facility (or part thereof); or

(B) the ratio which was in effect at the time that the finding of substantial deficiencies (referred to in subsection (a) of this section) was made; and

(7) provide for the protection of the interests of employees affected by actions under the reduction plan, including—

(A) arrangements to preserve employee rights and benefits;

(B) training and retraining of such employees where necessary;

(C) redeployment of such employees to community settings under the reduction plan; and

(D) making maximum efforts to guarantee the employment of such employees (but this requirement shall not be construed to guarantee the employment of any employee).

(d) Notice and comment; approval of more than 15 reduction plans in any fiscal year; corrections costing \$2,000,000 or more

(1) The Secretary must provide for a period of not less than 30 days after the submission of a reduction plan by a State, during which comments on such reduction plan may be submitted to the Secretary, before the Secretary approves or disapproves such reduction plan.

(2) If the Secretary approves more than 15 reduction plans under this section in any fiscal year, any reduction plans approved in addition to the first 15 such plans approved, must be for a facility (or part thereof) for which the costs of correcting the substantial deficiencies (referred to in subsection (a) of this section) are \$2,000,000 or greater (as demonstrated by the State to the satisfaction of the Secretary).

(e) Termination of provider agreements; disallowance of percentage amounts for purposes of Federal financial participation

(1) If the Secretary, at the conclusion of the 6-month plan of correction described in subsection (a)(1) of this section, determines that the State has substantially failed to correct the deficiencies described in subsection (a) of this section, the Secretary may terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title.

(2) In the case of a reduction plan described in subsection (a)(2) of this section, if the Secretary determines, at the conclusion of the initial 6-month period or any 6-month interval thereafter, that the State has substantially failed to meet the requirements of subsection (c) of this section, the Secretary shall—

(A) terminate the facility's provider agreement in accordance with the provisions of section 1396i(b) of this title; or

(B) if the State has failed to meet such requirements despite good faith efforts, disallow, for purposes of Federal financial participation, an amount equal to 5 percent of the cost of care for all eligible individuals in the facility for each month for which the State fails to meet such requirements.

(f) Applicability of section limited to plans approved by January 1, 1990

The provisions of this section shall apply only to plans of correction and reduction plans approved by the Secretary by January 1, 1990.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in section 6006 of this title.

§ 1396r-4. Adjustment in payment for inpatient hospital services furnished by disproportionate share hospitals

(a) Implementation of requirement

(1) A State plan under this subchapter shall not be considered to meet the requirement of section 1396a(a)(13)(A) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs), as of July 1, 1988, unless the

State has submitted to the Secretary, by not later than such date, an amendment to such plan that—

(A) specifically defines the hospitals so described (and includes in such definition any disproportionate share hospital described in subsection (b)(1) of this section which meets the requirements of subsection (d) of this section), and

(B) provides, effective for inpatient hospital services provided not later than July 1, 1988, for an appropriate increase in the rate or amount of payment for such services provided by such hospitals, consistent with subsection (c) of this section.

(2)(A) In order to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, the State plan amendment described in paragraph (1), consistent with subsection (c) of this section, effective for inpatient hospital services provided on or after July 1, 1989.

(B) In order to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1990, the State must submit to the Secretary by not later than April 1, 1990, the State plan amendment described in paragraph (1), consistent with subsections (c) and (f) of this section, effective for inpatient hospital services provided on or after July 1, 1990.

(C) If a State plan under this subchapter provides for payments for inpatient hospital services on a prospective basis (whether per diem, per case, or otherwise), in order for the plan to be considered to have met such requirement of section 1396a(a)(13)(A) of this title as of July 1, 1989, the State must submit to the Secretary by not later than April 1, 1989, a State plan amendment that provides, in the case of hospitals defined by the State as disproportionate share hospitals under paragraph (1)(A), for an outlier adjustment in payment amounts for medically necessary inpatient hospital services provided on or after July 1, 1989, involving exceptionally high costs or exceptionally long lengths of stay for individuals under one year of age.

(3) The Secretary shall, not later than 90 days after the date a State submits an amendment under this subsection, review each such amendment for compliance with such requirement and by such date shall approve or disapprove each such amendment. If the Secretary disapproves such an amendment, the State shall immediately submit a revised amendment which meets such requirement.

(4) The requirement of this subsection may not be waived under section 1396n(b)(4) of this title.

(b) Hospitals deemed disproportionate share

(1) For purposes of subsection (a)(1) of this section, a hospital which meets the requirements of subsection (d) of this section is deemed to be a disproportionate share hospital if—

(A) the hospital's medicaid inpatient utilization rate (as defined in paragraph (2)) is at least one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State; or

(B) the hospital's low-income utilization rate (as defined in paragraph (3)) exceeds 25 percent.

(2) For purposes of paragraph (1)(A), the term "medicaid inpatient utilization rate" means, for a hospital, a fraction (expressed as a percentage), the numerator of which is the hospital's number of inpatient days attributable to patients who (for such days) were eligible for medical assistance under a State plan approved under this subchapter in a period, and the denominator of which is the total number of the hospital's inpatient days in that period. In this paragraph, the term "inpatient day" includes each day in which an individual (including a newborn) is an inpatient in the hospital, whether or not the individual is in a specialized ward and whether or not the individual remains in the hospital for lack of suitable placement elsewhere.

(3) For purposes of paragraph (1)(B), the term "low-income utilization rate" means, for a hospital, the sum of—

(A) the fraction (expressed as a percentage)—

(i) the numerator of which is the sum (for a period) of (I) the total revenues paid the hospital for patient services under a State plan under this subchapter and (II) the amount of the cash subsidies for patient services received directly from State and local governments, and

(ii) the denominator of which is the total amount of revenues of the hospital for patient services (including the amount of such cash subsidies) in the period; and

(B) a fraction (expressed as a percentage)—

(i) the numerator of which is the total amount of the hospital's charges for inpatient hospital services which are attributable to charity care in a period, less the portion of any cash subsidies described in clause (i)(II) of subparagraph (A) in the period reasonably attributable to inpatient hospital services, and

(ii) the denominator of which is the total amount of the hospital's charges for inpatient hospital services in the hospital in the period.

The numerator under subparagraph (B)(i) shall not include contractual allowances and discounts (other than for indigent patients not eligible for medical assistance under a State plan approved under this subchapter).

(4) The Secretary may not restrict a State's authority to designate hospitals as disproportionate share hospitals under this section. The previous sentence shall not be construed to affect the authority of the Secretary to reduce payments pursuant to section 1396b(w)(1)(A)(iii) of this title if the Secretary determines that, as a result of such designations, there is in effect a hold harmless provision described in section 1396b(w)(4) of this title.

(c) Payment adjustment

Subject to subsections (f) and (g) of this section, in order to be consistent with this subsection, a payment adjustment for a disproportionate share hospital must either—

(1) be in an amount equal to at least the product of (A) the amount paid under the State plan to the hospital for operating costs for inpatient hospital services (of the kind described in section 1395ww(a)(4) of this title), and (B) the hospital's disproportionate share adjustment percentage (established under section 1395ww(d)(5)(F)(iv) of this title);

(2) provide for a minimum specified additional payment amount (or increased percentage payment) and (without regard to whether the hospital is described in subparagraph (A) or (B) of subsection (b)(1) of this section) for an increase in such a payment amount (or percentage payment) in proportion to the percentage by which the hospital's medicaid utilization rate (as defined in subsection (b)(2) of this section) exceeds one standard deviation above the mean medicaid inpatient utilization rate for hospitals receiving medicaid payments in the State or the hospital's low-income utilization rate (as defined in paragraph 1 (b)(3) of this section); or

(3) provide for a minimum specified additional payment amount (or increased percentage payment) that varies according to type of hospital under a methodology that—

(A) applies equally to all hospitals of each type; and

(B) results in an adjustment for each type of hospital that is reasonably related to the costs, volume, or proportion of services provided to patients eligible for medical assistance under a State plan approved under this subchapter or to low-income patients.²

except that, for purposes of paragraphs (1)(B) and (2)(A) of subsection (a) of this section, the payment adjustment for a disproportionate share hospital is consistent with this subsection if the appropriate increase in the rate or amount of payment is equal to at least one-third of the increase otherwise applicable under this subsection (in the case of such paragraph (1)(B)) and at least two-thirds of such increase (in the case of paragraph (2)(A)). In the case of a hospital described in subsection (d)(2)(A)(i) of this section (relating to children's hospitals), in computing the hospital's disproportionate share adjustment percentage for purposes of paragraph (1)(B) of this subsection, the disproportionate patient percentage (defined in section 1395ww(d)(5)(F)(vi) of this title) shall be computed by substituting for the fraction described in subclause (I) of such section the fraction described in subclause (II) of that section. If a State elects in a State plan amendment under subsection (a) of this section to provide the payment adjustment described in paragraph (2), the State must include in the amendment a detailed description of the specific methodology to be used in determining the specified additional payment amount (or increased percentage payment) to be made to each hospital qualifying for such a payment adjustment and must publish at least annually the name of each hospital qualifying for such a payment adjustment and the amount of such payment adjustment made for each such hospital.

¹ So in original. Probably should be "subsection".

² So in original. The period probably should be a semicolon.

(d) Requirements to qualify as disproportionate share hospital

(1) Except as provided in paragraph (2), no hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) of this section unless the hospital has at least 2 obstetricians who have staff privileges at the hospital and who have agreed to provide obstetric services to individuals who are entitled to medical assistance for such services under such State plan.

(2)(A) Paragraph (1) shall not apply to a hospital—

- (i) the inpatients of which are predominantly individuals under 18 years of age; or
- (ii) which does not offer nonemergency obstetric services to the general population as of December 22, 1987.

(B) In the case of a hospital located in a rural area (as defined for purposes of section 1395ww of this title), in paragraph (1) the term “obstetrician” includes any physician with staff privileges at the hospital to perform nonemergency obstetric procedures.

(3) No hospital may be defined or deemed as a disproportionate share hospital under a State plan under this subchapter or under subsection (b) or (e) of this section unless the hospital has a medicaid inpatient utilization rate (as defined in subsection (b)(2) of this section) of not less than 1 percent.

(e) Special rule

(1) A State plan shall be considered to meet the requirement of section 1396a(a)(13)(A) of this title (insofar as it requires payments to hospitals to take into account the situation of hospitals which serve a disproportionate number of low income patients with special needs) without regard to the requirement of subsection (a) of this section if (A)(i) the plan provided for payment adjustments based on a pooling arrangement involving a majority of the hospitals participating under the plan for disproportionate share hospitals as of January 1, 1984, or (ii) the plan as of January 1, 1987, provided for payment adjustments based on a statewide pooling arrangement involving all acute care hospitals and the arrangement provides for reimbursement of the total amount of uncompensated care provided by each participating hospital, (B) the aggregate amount of the payment adjustments under the plan for such hospitals is not less than the aggregate amount of such adjustments otherwise required to be made under such subsection, and (C) the plan meets the requirement of subsection (d)(3) of this section and such payment adjustments are made consistent with the last sentence of subsection (c) of this section.

(2) In the case of a State that used a health insuring organization before January 1, 1986, to administer a portion of its plan on a statewide basis, beginning on July 1, 1988—

- (A) the requirements of subsections (b) and (c) of this section (other than the last sentence of subsection (c) of this section) shall not apply if the aggregate amount of the payment adjustments under the plan for disproportionate share hospitals (as defined

under the State plan) is not less than the aggregate amount of payment adjustments otherwise required to be made if such subsections applied,

(B) subsection (d)(2)(B) of this section shall apply to hospitals located in urban areas, as well as in rural areas,

(C) subsection (d)(3) of this section shall apply, and

(D) subsection (g) of this section shall apply.

(f) Denial of Federal financial participation for payments in excess of certain limits**(1) In general****(A) Application of State-specific limits**

Except as provided in subparagraph (D), payment under section 1396b(a) of this title shall not be made with respect to any payment adjustment made under this section for hospitals in a State (as defined in paragraph (4)(B)) for quarters—

- (i) in fiscal year 1992 (beginning on or after January 1, 1992), unless—

(I) the payment adjustments are made—

(a) in accordance with the State plan in effect or amendments submitted to the Secretary by September 30, 1991,

(b) in accordance with the State plan in effect or amendments submitted to the Secretary by November 26, 1991, or modification thereof, if the amendment designates only disproportionate share hospitals with a medicaid or low-income utilization percentage at or above the Statewide³ arithmetic mean, or

(c) in accordance with a payment methodology which was established and in effect as of September 30, 1991, or in accordance with legislation or regulations enacted or adopted as of such date; or

(II) the payment adjustments are the minimum adjustments required in order to meet the requirements of subsection (c)(1) of this section; or

(ii) Exception for minimum required adjustment

No State DSH allotment shall be less than the minimum amount of payment adjustments the State is required to make in the fiscal year to meet the requirements of subsection (c)(1) of this section.

(3) State supplemental amounts

The Secretary shall determine a supplemental amount for each State that is not a high DSH State for a fiscal year as follows:

The supplemental amount for a State for a fiscal year is equal to the lesser of—

(I) the total amount of expenditures made under the State plan under this subchapter for medical assistance during the fiscal year, to

(II) the total amount of expenditures made under the State plans under this subchapter for medical assistance during the fiscal year for all States which are not high DSH States in the fiscal year, or

(g) Limit on amount of payment to hospital

(1) Amount of adjustment subject to uncompensated costs

(A) In general

A payment adjustment during a fiscal year shall not be considered to be consistent with subsection (c) of this section with respect to a hospital if the payment adjustment exceeds the costs incurred during the year of furnishing hospital services (as determined by the Secretary and net of payments under this subchapter, other than under this section, and by uninsured patients) by the hospital to individuals who either are eligible for medical assistance under the State plan or have no health insurance (or other source of third party coverage) for services provided during the year. For purposes of the preceding sentence, payments made to a hospital for services provided to indigent patients made by a State or a unit of local government within a State shall not be considered to be a source of third party payment.

(2) Additional amount during transition period for certain hospitals with high disproportionate share

(A) In general

In the case of a hospital with high disproportionate share (as defined in subparagraph (B)), a payment adjustment during a State fiscal year that begins before January 1, 1995, shall be considered consistent with subsection (c) of this section if the payment adjustment does not exceed 200 percent of the costs of furnishing hospital services described in paragraph (1)(A) during the year, but only if the Governor of the State certifies to the satisfaction of the Secretary that the hospital’s applicable minimum amount is used for health services during the year. In determining the amount that is used for such services during a year, there shall be excluded any amounts received under the Public Health Service Act [42 U.S.C. 201 et seq.], subchapter V of this chapter, subchapter XVIII of this chapter, or from third party payors (not including the State plan under this subchapter) that are used for providing such services during the year.

(ii) if payment of income is made in the names of the institutionalized spouse and the community spouse, one-half of the income shall be considered available to each of them; and

(iii) if payment of income is made in the names of the institutionalized spouse or the community spouse, or both, and to another person or persons, the income shall be considered available to each spouse in proportion to the spouse's interest (or, if payment is made with respect to both spouses and no such interest is specified, one-half of the joint interest shall be considered available to each spouse).

(B) Trust property

In the case of a trust—

(i) except as provided in clause (ii), income shall be attributed in accordance with the provisions of this subchapter (in-

cluding sections 1396a(a)(17) and 1396p(d) of this title), and

(ii) income shall be considered available to each spouse as provided in the trust, or, in the absence of a specific provision in the trust—

(I) if payment of income is made solely to the institutionalized spouse or the community spouse, the income shall be considered available only to that respective spouse;

(II) if payment of income is made to both the institutionalized spouse and the community spouse, one-half of the income shall be considered available to each of them; and

(III) if payment of income is made to the institutionalized spouse or the community spouse, or both, and to another person or persons, the income shall be considered available to each spouse in proportion to the spouse's interest (or, if payment is made with respect to both spouses and no such interest is specified, one-half of the joint interest shall be considered available to each spouse).

(C) Property with no instrument

In the case of income not from a trust in which there is no instrument establishing ownership, subject to subparagraph (D), one-half of the income shall be considered to be available to the institutionalized spouse and one-half to the community spouse.

(D) Rebutting ownership

The rules of subparagraphs (A) and (C) are superseded to the extent that an institutionalized spouse can establish, by a preponderance of the evidence, that the ownership interests in income are other than as provided under such subparagraphs.

(c) Rules for treatment of resources

(1) Computation of spousal share at time of institutionalization

(A) Total joint resources

There shall be computed (as of the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989) of the institutionalized spouse)—

(i) the total value of the resources to the extent either the institutionalized spouse or the community spouse has an ownership interest, and

(ii) a spousal share which is equal to $\frac{1}{2}$ of such total value.

(B) Assessment

At the request of an institutionalized spouse or community spouse, at the beginning of the first continuous period of institutionalization (beginning on or after September 30, 1989) of the institutionalized spouse and upon the receipt of relevant documentation of resources, the State shall promptly assess and document the total value described in subparagraph (A)(i) and shall provide a copy of such assessment and documentation to each spouse and shall retain a copy of the assessment for use under this section. If the request is not part of an appli-

cation for medical assistance under this subchapter, the State may, at its option as a condition of providing the assessment, require payment of a fee not exceeding the reasonable expenses of providing and documenting the assessment. At the time of providing the copy of the assessment, the State shall include a notice indicating that the spouse will have a right to a fair hearing under subsection (e)(2) of this section.

(2) Attribution of resources at time of initial eligibility determination

In determining the resources of an institutionalized spouse at the time of application for benefits under this subchapter, regardless of any State laws relating to community property or the division of marital property—

(A) except as provided in subparagraph (B), all the resources held by either the institutionalized spouse, community spouse, or both, shall be considered to be available to the institutionalized spouse, and

(B) resources shall be considered to be available to an institutionalized spouse, but only to the extent that the amount of such resources exceeds the amount computed under subsection (f)(2)(A) of this section (as of the time of application for benefits).

(3) Assignment of support rights

The institutionalized spouse shall not be ineligible by reason of resources determined under paragraph (2) to be available for the cost of care where—

(A) the institutionalized spouse has assigned to the State any rights to support from the community spouse;

(B) the institutionalized spouse lacks the ability to execute an assignment due to physical or mental impairment but the State has the right to bring a support proceeding against a community spouse without such assignment; or

(C) the State determines that denial of eligibility would work an undue hardship.

(4) Separate treatment of resources after eligibility for benefits established

During the continuous period in which an institutionalized spouse is in an institution and after the month in which an institutionalized spouse is determined to be eligible for benefits under this subchapter, no resources of the community spouse shall be deemed available to the institutionalized spouse.

(5) Resources defined

In this section, the term “resources” does not include—

(A) resources excluded under subsection (a) or (d) of section 1382b of this title, and

(B) resources that would be excluded under section 1382b(a)(2)(A) of this title but for the limitation on total value described in such section.

(d) Protecting income for community spouse

(1) Allowances to be offset from income of institutionalized spouse

After an institutionalized spouse is determined or redetermined to be eligible for medi-

cal assistance, in determining the amount of the spouse’s income that is to be applied monthly to payment for the costs of care in the institution, there shall be deducted from the spouse’s monthly income the following amounts in the following order:

(A) A personal needs allowance (described in section 1396a(q)(1) of this title), in an amount not less than the amount specified in section 1396a(q)(2) of this title.

(B) A community spouse monthly income allowance (as defined in paragraph (2)), but only to the extent income of the institutionalized spouse is made available to (or for the benefit of) the community spouse.

(C) A family allowance, for each family member, equal to at least $\frac{1}{3}$ of the amount by which the amount described in paragraph (3)(A)(i) exceeds the amount of the monthly income of that family member.

(D) Amounts for incurred expenses for medical or remedial care for the institutionalized spouse (as provided under section 1396a(r) of this title).

In subparagraph (C), the term “family member” only includes minor or dependent children, dependent parents, or dependent siblings of the institutionalized or community spouse who are residing with the community spouse.

(2) Community spouse monthly income allowance defined

In this section (except as provided in paragraph (5)), the “community spouse monthly income allowance” for a community spouse is an amount by which—

(A) except as provided in subsection (e) of this section, the minimum monthly maintenance needs allowance (established under and in accordance with paragraph (3)) for the spouse, exceeds

(B) the amount of monthly income otherwise available to the community spouse (determined without regard to such an allowance).

(3) Establishment of minimum monthly maintenance needs allowance

(A) In general

Each State shall establish a minimum monthly maintenance needs allowance for each community spouse which, subject to subparagraph (C), is equal to or exceeds—

(i) the applicable percent (described in subparagraph (B)) of $\frac{1}{2}$ of the income official poverty line (defined by the Office of Management and Budget and revised annually in accordance with section 9902(2) of this title) for a family unit of 2 members; plus

(ii) an excess shelter allowance (as defined in paragraph (4)).

A revision of the official poverty line referred to in clause (i) shall apply to medical assistance furnished during and after the second calendar quarter that begins after the date of publication of the revision.

(B) Applicable percent

For purposes of subparagraph (A)(i), the “applicable percent” described in this paragraph, effective as of—

- (i) September 30, 1989, is 122 percent,
- (ii) July 1, 1991, is 133 percent, and
- (iii) July 1, 1992, is 150 percent.

(C) Cap on minimum monthly maintenance needs allowance

The minimum monthly maintenance needs allowance established under subparagraph (A) may not exceed \$1,500 (subject to adjustment under subsections (e) and (g) of this section).

(4) Excess shelter allowance defined

In paragraph (3)(A)(ii), the term “excess shelter allowance” means, for a community spouse, the amount by which the sum of—

(A) the spouse’s expenses for rent or mortgage payment (including principal and interest), taxes and insurance and, in the case of a condominium or cooperative, required maintenance charge, for the community spouse’s principal residence, and

(B) the standard utility allowance (used by the State under section 2014(e) of title 7) or, if the State does not use such an allowance, the spouse’s actual utility expenses,

exceeds 30 percent of the amount described in paragraph (3)(A)(i), except that, in the case of a condominium or cooperative, for which a maintenance charge is included under subparagraph (A), any allowance under subparagraph (B) shall be reduced to the extent the maintenance charge includes utility expenses.

(5) Court ordered support

If a court has entered an order against an institutionalized spouse for monthly income for the support of the community spouse, the community spouse monthly income allowance for the spouse shall be not less than the amount of the monthly income so ordered.

(e) Notice and fair hearing

(1) Notice

Upon—

(A) a determination of eligibility for medical assistance of an institutionalized spouse, or

(B) a request by either the institutionalized spouse, or the community spouse, or a representative acting on behalf of either spouse,

each State shall notify both spouses (in the case described in subparagraph (A)) or the spouse making the request (in the case described in subparagraph (B)) of the amount of the community spouse monthly income allowance (described in subsection (d)(1)(B) of this section), of the amount of any family allowances (described in subsection (d)(1)(C) of this section), of the method for computing the amount of the community spouse resources allowance permitted under subsection (f) of this section, and of the spouse’s right to a fair hearing under this subsection respecting ownership or availability of income or resources, and the determination of the community spouse monthly income or resource allowance.

(2) Fair hearing

(A) In general

If either the institutionalized spouse or the community spouse is dissatisfied with a determination of—

(i) the community spouse monthly income allowance;

(ii) the amount of monthly income otherwise available to the community spouse (as applied under subsection (d)(2)(B) of this section);

(iii) the computation of the spousal share of resources under subsection (c)(1) of this section;

(iv) the attribution of resources under subsection (c)(2) of this section; or

(v) the determination of the community spouse resource allowance (as defined in subsection (f)(2) of this section);

such spouse is entitled to a fair hearing described in section 1396a(a)(3) of this title with respect to such determination if an application for benefits under this subchapter has been made on behalf of the institutionalized spouse. Any such hearing respecting the determination of the community spouse resource allowance shall be held within 30 days of the date of the request for the hearing.

(B) Revision of minimum monthly maintenance needs allowance

If either such spouse establishes that the community spouse needs income, above the level otherwise provided by the minimum monthly maintenance needs allowance, due to exceptional circumstances resulting in significant financial duress, there shall be substituted, for the minimum monthly maintenance needs allowance in subsection (d)(2)(A) of this section, an amount adequate to provide such additional income as is necessary.

(C) Revision of community spouse resource allowance

If either such spouse establishes that the community spouse resource allowance (in relation to the amount of income generated by such an allowance) is inadequate to raise the community spouse’s income to the minimum monthly maintenance needs allowance, there shall be substituted, for the community spouse resource allowance under subsection (f)(2) of this section, an amount adequate to provide such a minimum monthly maintenance needs allowance.

(f) Permitting transfer of resources to community spouse

(1) In general

An institutionalized spouse may, without regard to section 1396p(c)(1) of this title, transfer an amount equal to the community spouse resource allowance (as defined in paragraph (2)), but only to the extent the resources of the institutionalized spouse are transferred to (or for the sole benefit of) the community spouse. The transfer under the preceding sentence shall be made as soon as practicable after the date of the initial determination of eligibility, taking into account such time as may be necessary to obtain a court order under paragraph (3).

(2) Community spouse resource allowance defined

In paragraph (1), the “community spouse resource allowance” for a community spouse is an amount (if any) by which—

(A) the greatest of—

(i) \$12,000 (subject to adjustment under subsection (g) of this section), or, if greater (but not to exceed the amount specified in clause (ii)(II)) an amount specified under the State plan,

(ii) the lesser of (I) the spousal share computed under subsection (c)(1) of this section, or (II) \$60,000 (subject to adjustment under subsection (g) of this section),

(iii) the amount established under subsection (e)(2) of this section; or

(iv) the amount transferred under a court order under paragraph (3);

exceeds

(B) the amount of the resources otherwise available to the community spouse (determined without regard to such an allowance).

(3) Transfers under court orders

If a court has entered an order against an institutionalized spouse for the support of the community spouse, section 1396p of this title shall not apply to amounts of resources transferred pursuant to such order for the support of the spouse or a family member (as defined in subsection (d)(1) of this section).

(g) Indexing dollar amounts

For services furnished during a calendar year after 1989, the dollar amounts specified in subsections (d)(3)(C), (f)(2)(A)(i), and (f)(2)(A)(ii)(II) of this section shall be increased by the same percentage as the percentage increase in the consumer price index for all urban consumers (all items; U.S. city average) between September 1988 and the September before the calendar year involved.

§ 1396r-6. Extension of eligibility for medical assistance

(a) Initial 6-month extension

(1) Requirement

Notwithstanding any other provision of this subchapter, each State plan approved under this subchapter must provide that each family which was receiving aid pursuant to a plan of the State approved under part A of subchapter IV of this chapter in at least 3 of the 6 months immediately preceding the month in which such family becomes ineligible for such aid, because of hours of, or income from, employment of the caretaker relative (as defined in subsection (e) of this section) or because of section 602(a)(8)(B)(ii)(II) of this title (providing for a time-limited earned income disregard), shall, subject to paragraph (3) and without any reapplication for benefits under the plan, remain eligible for assistance under the plan approved under this subchapter during the immediately succeeding 6-month period in accordance with this subsection.

(2) Notice of benefits

Each State, in the notice of termination of aid under part A of subchapter IV of this chapter sent to a family meeting the requirements of paragraph (1)—

(A) shall notify the family of its right to extended medical assistance under this subsection and include in the notice a description of the reporting requirement of subsection (b)(2)(B)(i) of this section and of the circumstances (described in paragraph (3)) under which such extension may be terminated; and

(B) shall include a card or other evidence of the family's entitlement to assistance under this subchapter for the period provided in this subsection.

(3) Termination of extension**(A) No dependent child**

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during such period) at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child under part A of subchapter IV of this chapter.

(B) Notice before termination

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination.

(C) Continuation in certain cases until re-termination

With respect to a child who would cease to receive medical assistance because of subparagraph (A) but who may be eligible for assistance under the State plan because the child is described in clause (i) of section 1396d(a) of this title or clause (i)(IV), (i)(VI)(i)(VII),¹ or (ii)(IX) of section 1396a(a)(10)(A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under the plan.

(4) Scope of coverage**(A) In general**

Subject to subparagraph (B), during the 6-month extension period under this subsection, the amount, duration, and scope of medical assistance made available with respect to a family shall be the same as if the family were still receiving aid under the plan approved under part A of subchapter IV of this chapter.

(B) State medicaid “wrap-around” option

A State, at its option, may pay a family’s expenses for premiums, deductibles, coinsurance, and similar costs for health insurance or other health coverage offered by an employer of the caretaker relative or by an employer of the absent parent of a dependent child. In the case of such coverage offered by an employer of the caretaker relative—

(i) the State may require the caretaker relative, as a condition of extension of coverage under this subsection for the caretaker and the caretaker’s family, to make application for such employer coverage, but only if—

(I) the caretaker relative is not required to make financial contributions for such coverage (whether through payroll deduction, payment of deductibles, coinsurance, or similar costs, or otherwise), and

(II) the State provides, directly or otherwise, for payment of any of the premium amount, deductible, coinsurance, or similar expense that the employee is otherwise required to pay; and

(ii) the State shall treat the coverage under such an employer plan as a third party liability (under section 1396a(a)(25) of this title).

Payments for premiums, deductibles, coinsurance, and similar expenses under this subparagraph shall be considered, for purposes of section 1396b(a) of this title, to be payments for medical assistance.

(b) Additional 6-month extension**(1) Requirement**

Notwithstanding any other provision of this subchapter, each State plan approved under this subchapter shall provide that the State shall offer to each family, which has received assistance during the entire 6-month period under subsection (a) of this section and which meets the requirement of paragraph (2)(B)(i), in the last month of the period the option of extending coverage under this subsection for the succeeding 6-month period, subject to paragraph (3).

(2) Notice and reporting requirements**(A) Notices****(i) Notice during initial extension period of option and requirements**

Each State, during the 3rd and 6th month of any extended assistance furnished to a family under subsection (a) of this section, shall notify the family of the family’s option for additional extended assistance under this subsection. Each such notice shall include (I) in the 3rd month notice, a statement of the reporting requirement under subparagraph (B)(i), and, in the 6th month notice, a statement of the reporting requirement under subparagraph (B)(ii), (II) a statement as to whether any premiums are required for such additional extended assistance, and (III) a description of other out-of-pocket expenses, benefits, reporting and payment procedures, and any pre-existing condition limitations, waiting periods, or other coverage limitations imposed under any alternative coverage options offered under paragraph (4)(D). The 6th month notice under this subparagraph shall describe the amount of any premium required of a particular family for each of the first 3 months of additional extended assistance under this subsection.

(ii) Notice during additional extension period of reporting requirements and premiums

Each State, during the 3rd month of any additional extended assistance furnished to a family under this subsection, shall notify the family of the reporting requirement under subparagraph (B)(ii) and a statement of the amount of any premium required for such extended assistance for the succeeding 3 months.

(B) Reporting requirements**(i) During initial extension period**

Each State shall require (as a condition for additional extended assistance under

this subsection) that a family receiving extended assistance under subsection (a) of this section report to the State, not later than the 21st day of the 4th month in the period of extended assistance under subsection (a) of this section, on the family's gross monthly earnings and on the family's costs for such child care as is necessary for the employment of the caretaker relative in each of the first 3 months of that period. A State may permit such additional extended assistance under this subsection notwithstanding a failure to report under this clause if the family has established, to the satisfaction of the State, good cause for the failure to report on a timely basis.

(ii) During additional extension period

Each State shall require that a family receiving extended assistance under this subsection report to the State, not later than the 21st day of the 1st month and of the 4th month in the period of additional extended assistance under this subsection, on the family's gross monthly earnings and on the family's costs for such child care as is necessary for the employment of the caretaker relative in each of the 3 preceding months.

(iii) Clarification on frequency of reporting

A State may not require that a family receiving extended assistance under this subsection or subsection (a) of this section report more frequently than as required under clause (i) or (ii).

(3) Termination of extension

(A) In general

Subject to subparagraphs (B) and (C), extension of assistance during the 6-month period described in paragraph (1) to a family shall terminate (during the period) as follows:

(i) No dependent child

The extension shall terminate at the close of the first month in which the family ceases to include a child, whether or not the child is (or would if needy be) a dependent child under part A of subchapter IV of this chapter.

(ii) Failure to pay any premium

If the family fails to pay any premium for a month under paragraph (5) by the 21st day of the following month, the extension shall terminate at the close of that following month, unless the family has established, to the satisfaction of the State, good cause for the failure to pay such premium on a timely basis.

(iii) Quarterly income reporting and test

The extension under this subsection shall terminate at the close of the 1st or 4th month of the 6-month period if—

(I) the family fails to report to the State, by the 21st day of such month, the information required under paragraph (2)(B)(ii), unless the family has established, to the satisfaction of the State,

good cause for the failure to report on a timely basis;

(II) the caretaker relative had no earnings in one or more of the previous 3 months, unless such lack of any earnings was due to an involuntary loss of employment, illness, or other good cause, established to the satisfaction of the State; or

(III) the State determines that the family's average gross monthly earnings (less such costs for such child care as is necessary for the employment of the caretaker relative) during the immediately preceding 3-month period exceed 185 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

Information described in clause (iii)(I) shall be subject to the restrictions on use and disclosure of information provided under section 602(a)(9) of this title. Instead of terminating a family's extension under clause (iii)(I), a State, at its option, may provide for suspension of the extension until the month after the month in which the family reports information required under paragraph (2)(B)(ii), but only if the family's extension has not otherwise been terminated under subclause (II) or (III) of clause (iii). The State shall make determinations under clause (iii)(III) for a family each time a report under paragraph (2)(B)(ii) for the family is received.

(B) Notice before termination

No termination of assistance shall become effective under subparagraph (A) until the State has provided the family with notice of the grounds for the termination, which notice shall include (in the case of termination under subparagraph (A)(iii)(II), relating to no continued earnings) a description of how the family may reestablish eligibility for medical assistance under the State plan. No such termination shall be effective earlier than 10 days after the date of mailing of such notice.

(C) Continuation in certain cases until re-termination

(i) Dependent children

With respect to a child who would cease to receive medical assistance because of subparagraph (A)(i) but who may be eligible for assistance under the State plan because the child is described in clause (i) of section 1396d(a) of this title or clause (i)(IV), (i)(VI)(i)(VII),² or (i)(IX) of section 1396a(a)(10)(A) of this title, the State may not discontinue such assistance under such subparagraph until the State has determined that the child is not eligible for assistance under the plan.

(ii) Medically needy

With respect to an individual who would cease to receive medical assistance be-

² So in original. Probably should be "(i)(VI), (i)(VII),".

cause of clause (ii) or (iii) of subparagraph (A) but who may be eligible for assistance under the State plan because the individual is within a category of person for which medical assistance under the State plan is available under section 1396a(a)(10)(C) of this title (relating to medically needy individuals), the State may not discontinue such assistance under such subparagraph until the State has determined that the individual is not eligible for assistance under the plan.

(4) Coverage

(A) In general

During the extension period under this subsection—

(i) the State plan shall offer to each family medical assistance which (subject to subparagraphs (B) and (C)) is the same amount, duration, and scope as would be made available to the family if it were still receiving aid under the plan approved under part A of subchapter IV of this chapter; and

(ii) the State plan may offer alternative coverage described in subparagraph (D).

(B) Elimination of most non-acute care benefits

At a State's option and notwithstanding any other provision of this subchapter, a State may choose not to provide medical assistance under this subsection with respect to any (or all) of the items and services described in paragraphs (4)(A), (6), (7), (8), (11), (13), (14), (15), (16), (18), (20), and (21)³ of section 1396d(a) of this title.

(C) State medicaid "wrap-around" option

At a State's option, the State may elect to apply the option described in subsection (a)(4)(B) of this section (relating to "wrap-around" coverage) for families electing medical assistance under this subsection in the same manner as such option applies to families provided extended eligibility for medical assistance under subsection (a) of this section.

(D) Alternative assistance

At a State's option, the State may offer families a choice of health care coverage under one or more of the following, instead of the medical assistance otherwise made available under this subsection:

(i) Enrollment in family option of employer plan

Enrollment of the caretaker relative and dependent children in a family option of the group health plan offered to the caretaker relative.

(ii) Enrollment in family option of State employee plan

Enrollment of the caretaker relative and dependent children in a family option within the options of the group health plan or plans offered by the State to State employees.

(iii) Enrollment in State uninsured plan

Enrollment of the caretaker relative and dependent children in a basic State health plan offered by the State to individuals in the State (or areas of the State) otherwise unable to obtain health insurance coverage.

(iv) Enrollment in HMO

Enrollment of the caretaker relative and dependent children in a health maintenance organization (as defined in section 1396b(m)(1)(A) of this title) less than 50 percent of the membership (enrolled on a prepaid basis) of which consists of individuals who are eligible to receive benefits under this subchapter (other than because of the option offered under this clause). The option of enrollment under this clause is in addition to, and not in lieu of, any enrollment option that the State might offer under subparagraph (A)(i) with respect to receiving services through a health maintenance organization in accordance with section 1396b(m) of this title.

If a State elects to offer an option to enroll a family under this subparagraph, the State shall pay any premiums and other costs for such enrollment imposed on the family and may pay deductibles and coinsurance imposed on the family. A State's payment of premiums for the enrollment of families under this subparagraph (not including any premiums otherwise payable by an employer and less the amount of premiums collected from such families under paragraph (5)) and payment of any deductibles and coinsurance shall be considered, for purposes of section 1396b(a)(1) of this title, to be payments for medical assistance.

(E) Prohibition on cost-sharing for maternity and preventive pediatric care

(i) In general

If a State offers any alternative option under subparagraph (D) for families, under each such option the State must assure that care described in clause (ii) is available without charge to the families through—

(I) payment of any deductibles, coinsurance, and other cost-sharing respecting such care, or

(II) providing coverage under the State plan for such care without any cost-sharing,

or any combination of such mechanisms.

(ii) Care described

The care described in this clause consists of—

(I) services related to pregnancy (including prenatal, delivery, and post partum services), and

(II) ambulatory preventive pediatric care (including ambulatory early and periodic screening, diagnosis, and treatment services under section 1396d(a)(4)(B) of this title) for each child who meets the age and date of birth re-

³ See References in Text note below.

quirements to be a qualified child under section 1396d(n)(2) of this title.

(5) Premium

(A) Permitted

Notwithstanding any other provision of this subchapter (including section 1396o of this title), a State may impose a premium for a family for additional extended coverage under this subsection for a premium payment period (as defined in subparagraph (D)(i)), but only if the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) for the premium base period exceed 100 percent of the official poverty line (as defined by the Office of Management and Budget, and revised annually in accordance with section 9902(2) of this title) applicable to a family of the size involved.

(B) Level may vary by option offered

The level of such premium may vary, for the same family, for each option offered by a State under paragraph (4)(D).

(C) Limit on premium

In no case may the amount of any premium under this paragraph for a family for a month in either of the premium payment periods described in subparagraph (D)(i) exceed 3 percent of the family's average gross monthly earnings (less the average monthly costs for such child care as is necessary for the employment of the caretaker relative) during the premium base period (as defined in subparagraph (D)(ii)).

(D) Definitions

In this paragraph:

(i) A "premium payment period" described in this clause is a 3-month period beginning with the 1st or 4th month of the 6-month additional extension period provided under this subsection.

(ii) The term "premium base period" means, with respect to a particular premium payment period, the period of 3 consecutive months the last of which is 4 months before the beginning of that premium payment period.

(c) Applicability in States and territories

(1) States operating under demonstration projects

In the case of any State which is providing medical assistance to its residents under a waiver granted under section 1315(a) of this title, the Secretary shall require the State to meet the requirements of this section in the same manner as the State would be required to meet such requirement if the State had in effect a plan approved under this subchapter.

(2) Inapplicability in commonwealths and territories

The provisions of this section shall only apply to the 50 States and the District of Columbia.

(d) General disqualification for fraud

(1) Ineligibility for aid

This section shall not apply to an individual who is a member of a family which has re-

ceived aid under part A of subchapter IV of this chapter if the State makes a finding that, at any time during the last 6 months in which the family was receiving such aid before otherwise being provided extended eligibility under this section, the individual was ineligible for such aid because of fraud.

(2) General disqualifications

For additional provisions relating to fraud and program abuse, see sections 1320a-7, 1320a-7a, and 1320a-7b of this title.

(e) "Caretaker relative" defined

In this section, the term "caretaker relative" has the meaning of such term as used in part A of subchapter IV of this chapter.

(f) Sunset

This section shall not apply with respect to families that cease to be eligible for aid under part A of subchapter IV of this chapter after September 30, 1998.

(a) Amendments and revised amendments to State plans specifying payment rates for obstetrical and pediatric services; “obstetrical services and pediatric services” defined

(1) A State plan under this subchapter shall not be considered to meet the requirement of

section 1396a(a)(30)(A) of this title with respect to obstetrical services (as defined in paragraph (4)(A)), as of July 1 of each year (beginning with 1990), unless, by not later than April 1 of such year, the State submits to the Secretary an amendment to the plan that specifies the payment rates to be used for such services under the plan in the succeeding period and includes in such submission such additional data as will assist the Secretary in evaluating the State’s compliance with such requirement, including data relating to how rates established for payments to health maintenance organizations under section 1396b(m) of this title take into account such payment rates.

(2) A State plan under this subchapter shall not be considered to meet the requirement of section 1396a(a)(30)(A) of this title with respect to pediatric services (as defined in paragraph (4)(B)), as of July 1 of each year (beginning with 1990), unless, by not later than April 1 of such year, the State submits to the Secretary an amendment to the plan that specifies, by pediatric procedure, the payment rates to be used for such services under the plan in the succeeding period and includes in such submission such additional data as will assist the Secretary in evaluating the State’s compliance with such requirement, including data relating to how rates established for payments to health maintenance organizations under section 1396b(m) of this title take into account such payment rates.

(3) The Secretary, by not later than 90 days after the date of submission of a plan amendment under paragraph (1) or (2), shall—

(A) review each such amendment for compliance with the requirement of section 1396a(a)(30)(A) of this title, and

(B) approve or disapprove each such amendment.

Paragraph (1) shall first apply to drugs dispensed under this subchapter on or after January 1, 1991.

(3) Authorizing payment for drugs not covered under rebate agreements

Paragraph (1), and section 1396b(i)(10)(A) of this title, shall not apply to the dispensing of a single source drug or innovator multiple source drug if (A)(i) the State has made a determination that the availability of the drug is essential to the health of beneficiaries under the State plan for medical assistance; (ii) such drug has been given a rating of 1-A by the Food and Drug Administration; and (iii)(I) the physician has obtained approval for use of the drug in advance of its dispensing in accordance with a prior authorization program described in subsection (d) of this section, or (II) the Secretary has reviewed and approved the State's determination under subparagraph (A); or (B) the Secretary determines that in the first calendar quarter of 1991, there were extenuating circumstances.

(4) Effect on existing agreements

In the case of a rebate agreement in effect between a State and a manufacturer on November 5, 1990, such agreement, for the initial agreement period specified therein, shall be considered to be a rebate agreement in compliance with this section with respect to that State, if the State agrees to report to the Secretary any rebates paid pursuant to the agreement and such agreement provides for a minimum aggregate rebate of 10 percent of the State's total expenditures under the State plan for coverage of the manufacturer's drugs under this subchapter. If, after the initial agreement period, the State establishes to the satisfaction of the Secretary that an agreement in effect on November 5, 1990, provides for rebates that are at least as large as the rebates otherwise required under this section, and the State agrees to report any rebates under the agreement to the Secretary, the agreement shall be considered to be a rebate agreement in compliance with the section for the renewal periods of such agreement.

(5) Limitation on prices of drugs purchased by covered entities

(A) Agreement with Secretary

A manufacturer meets the requirements of this paragraph if the manufacturer has entered into an agreement with the Secretary that meets the requirements of section 256b of this title with respect to covered out-

patient drugs purchased by a covered entity on or after the first day of the first month that begins after November 4, 1992.

(B) "Covered entity" defined

In this subsection, the term "covered entity" means an entity described in section 256b(a)(4) of this title.

(C) Establishment of alternative mechanism to ensure against duplicate discounts or rebates

If the Secretary does not establish a mechanism under section 256b(a)(5)(A) of this title within 12 months of November 4, 1992, the following requirements shall apply:

(i) Entities

Each covered entity shall inform the single State agency under section 1396a(a)(5) of this title when it is seeking reimbursement from the State plan for medical assistance described in section 1396d(a)(12) of this title with respect to a unit of any covered outpatient drug which is subject to an agreement under section 256b(a) of this title.

(ii) State agency

Each such single State agency shall provide a means by which a covered entity shall indicate on any drug reimbursement claims form (or format, where electronic claims management is used) that a unit of the drug that is the subject of the form is subject to an agreement under section 256b of this title, and not submit to any manufacturer a claim for a rebate payment under subsection (b) of this section with respect to such a drug.

(D) Effect of subsequent amendments

In determining whether an agreement under subparagraph (A) meets the requirements of section 256b of this title, the Secretary shall not take into account any amendments to such section that are enacted after November 4, 1992.

(E) Determination of compliance

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of section 256b of this title (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

(6) Requirements relating to master agreements for drugs procured by Department of Veterans Affairs and certain other Federal agencies

(A) In general

A manufacturer meets the requirements of this paragraph if the manufacturer complies with the provisions of section 8126 of title 38, including the requirement of entering into a master agreement with the Secretary of Veterans Affairs under such section.

(B) Effect of subsequent amendments

In determining whether a master agreement described in subparagraph (A) meets the requirements of section 8126 of title 38, the Secretary shall not take into account any amendments to such section that are enacted after November 4, 1992.

(C) Determination of compliance

A manufacturer is deemed to meet the requirements of this paragraph if the manufacturer establishes to the satisfaction of the Secretary that the manufacturer would comply (and has offered to comply) with the provisions of section 8126 of title 38, (as in effect immediately after November 4, 1992) and would have entered into an agreement under such section (as such section was in effect at such time), but for a legislative change in such section after November 4, 1992.

(b) Terms of rebate agreement**(1) Periodic rebates****(A) In general**

A rebate agreement under this subsection shall require the manufacturer to provide, to each State plan approved under this subchapter, a rebate for a rebate period in an amount specified in subsection (c) of this section for covered outpatient drugs of the manufacturer dispensed after December 31, 1990, for which payment was made under the State plan for such period. Such rebate shall be paid by the manufacturer not later than 30 days after the date of receipt of the information described in paragraph (2) for the period involved.

(B) Offset against medical assistance

Amounts received by a State under this section (or under an agreement authorized by the Secretary under subsection (a)(1) of this section or an agreement described in subsection (a)(4) of this section) in any quarter shall be considered to be a reduction in the amount expended under the State plan in the quarter for medical assistance for purposes of section 1396b(a)(1) of this title.

(2) State provision of information**(A) State responsibility**

Each State agency under this subchapter shall report to each manufacturer not later than 60 days after the end of each rebate period and in a form consistent with a standard reporting format established by the Secretary, information on the total number of units of each dosage form and strength and package size of each covered outpatient drug dispensed after December 31, 1990, for which payment was made under the plan during the period, and shall promptly transmit a copy of such report to the Secretary.

(B) Audits

A manufacturer may audit the information provided (or required to be provided) under subparagraph (A). Adjustments to rebates shall be made to the extent that information indicates that utilization was greater or less than the amount previously specified.

(3) Manufacturer provision of price information**(A) In general**

Each manufacturer with an agreement in effect under this section shall report to the Secretary—

(i) not later than 30 days after the last day of each rebate period under the agreement (beginning on or after January 1, 1991), on the average manufacturer price (as defined in subsection (k)(1) of this section) and, (for single source drugs and innovator multiple source drugs), the manufacturer's best price (as defined in subsection (c)(2)(B) of this section) for covered outpatient drugs for the rebate period under the agreement, and

(ii) not later than 30 days after the date of entering into an agreement under this section on the average manufacturer price (as defined in subsection (k)(1) of this section) as of October 1, 1990¹ for each of the manufacturer's covered outpatient drugs.

(B) Verification surveys of average manufacturer price

The Secretary may survey wholesalers and manufacturers that directly distribute their covered outpatient drugs, when necessary, to verify manufacturer prices reported under subparagraph (A). The Secretary may impose a civil monetary penalty in an amount not to exceed \$100,000 on a wholesaler, manufacturer, or direct seller, if the wholesaler, manufacturer, or direct seller of a covered outpatient drug refuses a request for information about charges or prices by the Secretary in connection with a survey under this subparagraph or knowingly provides false information. The provisions of section 1320a-7a of this title (other than subsections (a) (with respect to amounts of penalties or additional assessments) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(C) Penalties**(i) Failure to provide timely information**

In the case of a manufacturer with an agreement under this section that fails to provide information required under subparagraph (A) on a timely basis, the amount of the penalty shall be increased by \$10,000 for each day in which such information has not been provided and such amount shall be paid to the Treasury, and, if such information is not reported within 90 days of the deadline imposed, the agreement shall be suspended for services furnished after the end of such 90-day period and until the date such information is reported (but in no case shall such suspension be for a period of less than 30 days).

(ii) False information

Any manufacturer with an agreement under this section that knowingly provides

false information is subject to a civil money penalty in an amount not to exceed \$100,000 for each item of false information. Such civil money penalties are in addition to other penalties as may be prescribed by law. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under this subparagraph in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title.

(D) Confidentiality of information

Notwithstanding any other provision of law, information disclosed by manufacturers or wholesalers under this paragraph or under an agreement with the Secretary of Veterans Affairs described in subsection (a)(6)(A)(ii) of this section is confidential and shall not be disclosed by the Secretary or the Secretary of Veterans Affairs or a State agency (or contractor therewith) in a form which discloses the identity of a specific manufacturer or wholesaler, prices charged for drugs by such manufacturer or wholesaler, except—

- (i) as the Secretary determines to be necessary to carry out this section,
- (ii) to permit the Comptroller General to review the information provided, and
- (iii) to permit the Director of the Congressional Budget Office to review the information provided.

(4) Length of agreement

(A) In general

A rebate agreement shall be effective for an initial period of not less than 1 year and shall be automatically renewed for a period of not less than one year unless terminated under subparagraph (B).

(B) Termination

(i) By the Secretary

The Secretary may provide for termination of a rebate agreement for violation of the requirements of the agreement or other good cause shown. Such termination shall not be effective earlier than 60 days after the date of notice of such termination. The Secretary shall provide, upon request, a manufacturer with a hearing concerning such a termination, but such hearing shall not delay the effective date of the termination.

(ii) By a manufacturer

A manufacturer may terminate a rebate agreement under this section for any reason. Any such termination shall not be effective until the calendar quarter beginning at least 60 days after the date the manufacturer provides notice to the Secretary.

(iii) Effectiveness of termination

Any termination under this subparagraph shall not affect rebates due under the agreement before the effective date of its termination.

(iv) Notice to States

In the case of a termination under this subparagraph, the Secretary shall provide

notice of such termination to the States within not less than 30 days before the effective date of such termination.

(v) Application to terminations of other agreements

The provisions of this subparagraph shall apply to the terminations of agreements described in section 256b(a)(1) of this title and master agreements described in section 8126(a) of title 38.

(C) Delay before reentry

In the case of any rebate agreement with a manufacturer under this section which is terminated, another such agreement with the manufacturer (or a successor manufacturer) may not be entered into until a period of 1 calendar quarter has elapsed since the date of the termination, unless the Secretary finds good cause for an earlier reinstatement of such an agreement.

(c) Determination of amount of rebate

(1) Basic rebate for single source drugs and innovator multiple source drugs

(A) In general

Except as provided in paragraph (2), the amount of the rebate specified in this subsection for a rebate period (as defined in subsection (k)(8) of this section) with respect to each dosage form and strength of a single source drug or an innovator multiple source drug shall be equal to the product of—

- (i) the total number of units of each dosage form and strength paid for under the State plan in the rebate period (as reported by the State); and
- (ii) subject to subparagraph (B)(ii), the greater of—

(I) the difference between the average manufacturer price and the best price (as defined in subparagraph (C)) for the dosage form and strength of the drug, or

(II) the minimum rebate percentage (specified in subparagraph (B)(i)) of such average manufacturer price,

for the rebate period.

(B) Range of rebates required

(i) Minimum rebate percentage

For purposes of subparagraph (A)(ii)(II), the “minimum rebate percentage” for rebate periods beginning—

- (I) after December 31, 1990, and before October 1, 1992, is 12.5 percent;
- (II) after September 30, 1992, and before January 1, 1994, is 15.7 percent;
- (III) after December 31, 1993, and before January 1, 1995, is 15.4 percent;
- (IV) after December 31, 1994, and before January 1, 1996, is 15.2 percent; and
- (V) after December 31, 1995, is 15.1 percent.

(ii) Temporary limitation on maximum rebate amount

In no case shall the amount applied under subparagraph (A)(ii) for a rebate period beginning—

- (I) before January 1, 1992, exceed 25 percent of the average manufacturer price; or

(II) after December 31, 1991, and before January 1, 1993, exceed 50 percent of the average manufacturer price.

(C) “Best price” defined

For purposes of this section—

(i) In general

The term “best price” means, with respect to a single source drug or innovator multiple source drug of a manufacturer, the lowest price available from the manufacturer during the rebate period to any wholesaler, retailer, provider, health maintenance organization, nonprofit entity, or governmental entity within the United States, excluding—

(I) any prices charged on or after October 1, 1992, to the Indian Health Service, the Department of Veterans Affairs, a State home receiving funds under section 1741 of title 38, the Department of Defense, the Public Health Service, or a covered entity described in subsection (a)(5)(B) of this section;

(II) any prices charged under the Federal Supply Schedule of the General Services Administration;

(III) any prices used under a State pharmaceutical assistance program; and

(IV) any depot prices and single award contract prices, as defined by the Secretary, of any agency of the Federal Government.

(ii) Special rules

The term “best price”—

(I) shall be inclusive of cash discounts, free goods that are contingent on any purchase requirement, volume discounts, and rebates (other than rebates under this section);

(II) shall be determined without regard to special packaging, labeling, or identifiers on the dosage form or product or package; and

(III) shall not take into account prices that are merely nominal in amount.

(2) Additional rebate for single source and innovator multiple source drugs

(A) In general

The amount of the rebate specified in this subsection for a rebate period, with respect to each dosage form and strength of a single source drug or an innovator multiple source drug, shall be increased by an amount equal to the product of—

(i) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period; and

(ii) the amount (if any) by which—

(I) the average manufacturer price for the dosage form and strength of the drug for the period, exceeds

(II) the average manufacturer price for such dosage form and strength for the calendar quarter beginning July 1, 1990 (without regard to whether or not the drug has been sold or transferred to an

entity, including a division or subsidiary of the manufacturer, after the first day of such quarter), increased by the percentage by which the consumer price index for all urban consumers (United States city average) for the month before the month in which the rebate period begins exceeds such index for September 1990.

(B) Treatment of subsequently approved drugs

In the case of a covered outpatient drug approved by the Food and Drug Administration after October 1, 1990, clause (ii)(II) of subparagraph (A) shall be applied by substituting “the first full calendar quarter after the day on which the drug was first marketed” for “the calendar quarter beginning July 1, 1990” and “the month prior to the first month of the first full calendar quarter after the day on which the drug was first marketed” for “September 1990”.

(3) Rebate for other drugs

(A) In general

The amount of the rebate paid to a State for a rebate period with respect to each dosage form and strength of covered outpatient drugs (other than single source drugs and innovator multiple source drugs) shall be equal to the product of—

(i) the applicable percentage (as described in subparagraph (B)) of the average manufacturer price for the dosage form and strength for the rebate period, and

(ii) the total number of units of such dosage form and strength dispensed after December 31, 1990, for which payment was made under the State plan for the rebate period.

(B) “Applicable percentage” defined

For purposes of subparagraph (A)(i), the “applicable percentage” for rebate periods beginning—

(i) before January 1, 1994, is 10 percent, and

(ii) after December 31, 1993, is 11 percent.

(d) Limitations on coverage of drugs

(1) Permissible restrictions

(A) A State may subject to prior authorization any covered outpatient drug. Any such prior authorization program shall comply with the requirements of paragraph (5).

(B) A State may exclude or otherwise restrict coverage of a covered outpatient drug if—

(i) the prescribed use is not for a medically accepted indication (as defined in subsection (k)(6) of this section);

(ii) the drug is contained in the list referred to in paragraph (2);

(iii) the drug is subject to such restrictions pursuant to an agreement between a manufacturer and a State authorized by the Secretary under subsection (a)(1) of this section or in effect pursuant to subsection (a)(4) of this section; or

(iv) the State has excluded coverage of the drug from its formulary established in accordance with paragraph (4).

(2) List of drugs subject to restriction

The following drugs or classes of drugs, or their medical uses, may be excluded from coverage or otherwise restricted:

- (A) Agents when used for anorexia, weight loss, or weight gain.
- (B) Agents when used to promote fertility.
- (C) Agents when used for cosmetic purposes or hair growth.
- (D) Agents when used for the symptomatic relief of cough and colds.
- (E) Agents when used to promote smoking cessation.
- (F) Prescription vitamins and mineral products, except prenatal vitamins and fluoride preparations.
- (G) Nonprescription drugs.
- (H) Covered outpatient drugs which the manufacturer seeks to require as a condition of sale that associated tests or monitoring services be purchased exclusively from the manufacturer or its designee.
- (I) Barbiturates.
- (J) Benzodiazepines.

(3) Update of drug listings

The Secretary shall, by regulation, periodically update the list of drugs or classes of drugs described in paragraph (2) or their medical uses, which the Secretary has determined, based on data collected by surveillance and utilization review programs of State medical assistance programs, to be subject to clinical abuse or inappropriate use.

(4) Requirements for formularies

A State may establish a formulary if the formulary meets the following requirements:

- (A) The formulary is developed by a committee consisting of physicians, pharmacists, and other appropriate individuals appointed by the Governor of the State (or, at the option of the State, the State's drug use review board established under subsection (g)(3) of this section).
- (B) Except as provided in subparagraph (C), the formulary includes the covered outpatient drugs of any manufacturer which has entered into and complies with an agreement under subsection (a) of this section (other than any drug excluded from coverage or otherwise restricted under paragraph (2)).
- (C) A covered outpatient drug may be excluded with respect to the treatment of a specific disease or condition for an identified population (if any) only if, based on the drug's labeling (or, in the case of a drug the prescribed use of which is not approved under the Federal Food, Drug, and Cosmetic Act [21 U.S.C. 301 et seq.] but is a medically accepted indication, based on information from the appropriate compendia described in subsection (k)(6) of this section), the excluded drug does not have a significant, clinically meaningful therapeutic advantage in terms of safety, effectiveness, or clinical outcome of such treatment for such population over other drugs included in the formulary and there is a written explanation (available to the public) of the basis for the exclusion.

(D) The State plan permits coverage of a drug excluded from the formulary (other than any drug excluded from coverage or otherwise restricted under paragraph (2)) pursuant to a prior authorization program that is consistent with paragraph (5).

(E) The formulary meets such other requirements as the Secretary may impose in order to achieve program savings consistent with protecting the health of program beneficiaries.

A prior authorization program established by a State under paragraph (5) is not a formulary subject to the requirements of this paragraph.

(5) Requirements of prior authorization programs

A State plan under this subchapter may require, as a condition of coverage or payment for a covered outpatient drug for which Federal financial participation is available in accordance with this section, with respect to drugs dispensed on or after July 1, 1991, the approval of the drug before its dispensing for any medically accepted indication (as defined in subsection (k)(6) of this section) only if the system providing for such approval—

- (A) provides response by telephone or other telecommunication device within 24 hours of a request for prior authorization; and
- (B) except with respect to the drugs on the list referred to in paragraph (2), provides for the dispensing of at least 72-hour supply of a covered outpatient prescription drug in an emergency situation (as defined by the Secretary).

(6) Other permissible restrictions

A State may impose limitations, with respect to all such drugs in a therapeutic class, on the minimum or maximum quantities per prescription or on the number of refills, if such limitations are necessary to discourage waste, and may address instances of fraud or abuse by individuals in any manner authorized under this chapter.

(e) Treatment of pharmacy reimbursement limits**(1) In general**

During the period beginning on January 1, 1991, and ending on December 31, 1994—

- (A) a State may not reduce the payment limits established by regulation under this subchapter or any limitation described in paragraph (3) with respect to the ingredient cost of a covered outpatient drug or the dispensing fee for such a drug below the limits in effect as of January 1, 1991, and

(B) except as provided in paragraph (2), the Secretary may not modify by regulation the formula established under sections 447.331 through 447.334 of title 42, Code of Federal Regulations, in effect on November 5, 1990, to reduce the limits described in subparagraph (A).

(2) Special rule

If a State is not in compliance with the regulations described in paragraph (1)(B), paragraph (1)(A) shall not apply to such State until such State is in compliance with such regulations.

(3) Effect on State maximum allowable cost limitations

This section shall not supersede or affect provisions in effect prior to January 1, 1991, or after December 31, 1994, relating to any maximum allowable cost limitation established by a State for payment by the State for covered outpatient drugs, and rebates shall be made under this section without regard to whether or not payment by the State for such drugs is subject to such a limitation or the amount of such a limitation.

[(4)]² Establishment of upper payment limits

HCFA shall establish a Federal upper reimbursement limit for each multiple source drug for which the FDA has rated three or more products therapeutically and pharmaceutically equivalent, regardless of whether all such additional formulations are rated as such and shall use only such formulations when determining any such upper limit.

(g) Drug use review

(1) In general

(A) In order to meet the requirement of section 1396b(i)(10)(B) of this title, a State shall provide, by not later than January 1, 1993, for a drug use review program described in paragraph (2) for covered outpatient drugs in order to assure that prescriptions (i) are appropriate, (ii) are medically necessary, and (iii) are not likely to result in adverse medical results. The program shall be designed to educate physicians and pharmacists to identify and reduce the frequency of patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians, pharmacists, and patients, or associated with specific drugs or groups of drugs, as well as potential and actual severe adverse reactions to drugs including education on therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse.

(B) The program shall assess data on drug use against predetermined standards, consistent with the following:

(i) compendia which shall consist of the following:

(I) American Hospital Formulary Service Drug Information;

(II) United States Pharmacopeia-Drug Information; and

(III) American Medical Association Drug Evaluations; and

(ii) the peer-reviewed medical literature.

(C) The Secretary, under the procedures established in section 1396b of this title, shall

pay to each State an amount equal to 75 per centum of so much of the sums expended by the State plan during calendar years 1991 through 1993 as the Secretary determines is attributable to the statewide adoption of a drug use review program which conforms to the requirements of this subsection.

(D) States shall not be required to perform additional drug use reviews with respect to drugs dispensed to residents of nursing facilities which are in compliance with the drug regimen review procedures prescribed by the Secretary for such facilities in regulations implementing section 1396r of this title, currently at section 483.60 of title 42, Code of Federal Regulations.

(2) Description of program

Each drug use review program shall meet the following requirements for covered outpatient drugs:

(A) Prospective drug review

(i) The State plan shall provide for a review of drug therapy before each prescription is filled or delivered to an individual receiving benefits under this subchapter, typically at the point-of-sale or point of distribution. The review shall include screening for potential drug therapy problems due to therapeutic duplication, drug-disease contraindications, drug-drug interactions (including serious interactions with non-prescription or over-the-counter drugs), incorrect drug dosage or duration of drug treatment, drug-allergy interactions, and clinical abuse/misuse. Each State shall use the compendia and literature referred to in paragraph (1)(B) as its source of standards for such review.

(ii) As part of the State's prospective drug use review program under this subparagraph applicable State law shall establish standards for counseling of individuals receiving benefits under this subchapter by pharmacists which includes at least the following:

(I) The pharmacist must offer to discuss with each individual receiving benefits under this subchapter or caregiver of such individual (in person, whenever practicable, or through access to a telephone service which is toll-free for long-distance calls) who presents a prescription, matters which in the exercise of the pharmacist's professional judgment (consistent with State law respecting the provision of such information), the pharmacist deems significant including the following:

(aa) The name and description of the medication.

(bb) The route, dosage form, dosage, route of administration, and duration of drug therapy.

(cc) Special directions and precautions for preparation, administration and use by the patient.

(dd) Common severe side or adverse effects or interactions and therapeutic contraindications that may be encountered, including their avoidance, and the action required if they occur.

² See 1993 Amendment note below.

- (ee) Techniques for self-monitoring drug therapy.
- (ff) Proper storage.
- (gg) Prescription refill information.
- (hh) Action to be taken in the event of a missed dose.

(II) A reasonable effort must be made by the pharmacist to obtain, record, and maintain at least the following information regarding individuals receiving benefits under this subchapter:

- (aa) Name, address, telephone number, date of birth (or age) and gender.
- (bb) Individual history where significant, including disease state or states, known allergies and drug reactions, and a comprehensive list of medications and relevant devices.
- (cc) Pharmacist comments relevant to the individuals³ drug therapy.

Nothing in this clause shall be construed as requiring a pharmacist to provide consultation when an individual receiving benefits under this subchapter or caregiver of such individual refuses such consultation.

(B) Retrospective drug use review

The program shall provide, through its mechanized drug claims processing and information retrieval systems (approved by the Secretary under section 1396b(r) of this title) or otherwise, for the ongoing periodic examination of claims data and other records in order to identify patterns of fraud, abuse, gross overuse, or inappropriate or medically unnecessary care, among physicians, pharmacists and individuals receiving benefits under this subchapter, or associated with specific drugs or groups of drugs.

(C) Application of standards

The program shall, on an ongoing basis, assess data on drug use against explicit predetermined standards (using the compendia and literature referred to in subsection⁴ (1)(B) as the source of standards for such assessment) including but not limited to monitoring for therapeutic appropriateness, overutilization and underutilization, appropriate use of generic products, therapeutic duplication, drug-disease contraindications, drug-drug interactions, incorrect drug dosage or duration of drug treatment, and clinical abuse/misuse and, as necessary, introduce remedial strategies, in order to improve the quality of care and to conserve program funds or personal expenditures.

(D) Educational program

The program shall, through its State drug use review board established under paragraph (3), either directly or through contracts with accredited health care educational institutions, State medical societies or State pharmacists associations/societies or other organizations as specified by the State, and using data provided by the State drug use review board on common

drug therapy problems, provide for active and ongoing educational outreach programs (including the activities described in paragraph (3)(C)(iii) of this subsection) to educate practitioners on common drug therapy problems with the aim of improving prescribing or dispensing practices.

(3) State drug use review board

(A) Establishment

Each State shall provide for the establishment of a drug use review board (hereinafter referred to as the "DUR Board") either directly or through a contract with a private organization.

(B) Membership

The membership of the DUR Board shall include health care professionals who have recognized knowledge and expertise in one or more of the following:

- (i) The clinically appropriate prescribing of covered outpatient drugs.
- (ii) The clinically appropriate dispensing and monitoring of covered outpatient drugs.
- (iii) Drug use review, evaluation, and intervention.

The membership of the DUR Board shall be made up at least $\frac{1}{3}$ but no more than 51 percent licensed and actively practicing physicians and at least $\frac{1}{3}$ * * *⁵ licensed and actively practicing pharmacists.

(C) Activities

The activities of the DUR Board shall include but not be limited to the following:

- (i) Retrospective DUR as defined in section⁶ (2)(B).
- (ii) Application of standards as defined in section⁶ (2)(C).

(I) information dissemination sufficient to ensure the ready availability to physicians and pharmacists in the State of information concerning its duties, powers, and basis for its standards;

(II) written, oral, or electronic reminders containing patient-specific or drug-specific (or both) information and suggested changes in prescribing or dispensing practices, communicated in a manner designed to ensure the privacy of patient-related information;

(III) use of face-to-face discussions between health care professionals who are experts in rational drug therapy and selected prescribers and pharmacists who have been targeted for educational intervention, including discussion of optimal prescribing, dispensing, or pharmacy

care practices, and follow-up face-to-face discussions; and

(IV) intensified review or monitoring of selected prescribers or dispensers.

The Board shall re-evaluate interventions after an appropriate period of time to determine if the intervention improved the quality of drug therapy, to evaluate the success of the interventions and make modifications as necessary.

(D) Annual report

(B) Special rules where vaccine is unavailable

To the extent that a sufficient quantity of a vaccine is not available for purchase or delivery under subsection (d) of this section, the Secretary shall provide for the purchase and delivery of the available vaccine in accordance with priorities established by the Secretary, with priority given to federally vaccine-eligible children unless the Secretary finds there are other public health considerations.

(C) Special rules where State is a manufacturer

(i) Payments in lieu of vaccines

In the case of a State that manufactures a pediatric vaccine the Secretary, instead of providing the vaccine on behalf of a State under subparagraph (A), shall provide to the State an amount equal to the value of the quantity of such vaccine that otherwise would have been delivered on behalf of the State under such subparagraph, but only if the State agrees that such payments will only be used for purposes relating to pediatric immunizations.

(ii) Determination of value

In determining the amount to pay a State under clause (i) with respect to a pediatric vaccine, the value of the quantity of vaccine shall be determined on the basis of the price in effect for the qualified pediatric vaccine under contracts under subsection (d) of this section. If more than 1 such contract is in effect, the Secretary shall determine such value on the basis of the average of the prices under the contracts, after weighting each such price in relation to the quantity of vaccine under the contract involved.

(b) Vaccine-eligible children

For purposes of this section:

(1) In general

The term “vaccine-eligible child” means a child who is a federally vaccine-eligible child (as defined in paragraph (2)) or a State vaccine-eligible child (as defined in paragraph (3)).

(2) Federally vaccine-eligible child

(A) In general

The term “federally vaccine-eligible child” means any of the following children:

- (i) A medicaid-eligible child.
- (ii) A child who is not insured.
- (iii) A child who (I) is administered a qualified pediatric vaccine by a federally-qualified health center (as defined in section 1396d(l)(2)(B) of this title) or a rural health clinic (as defined in section 1396d(l)(1) of this title), and (II) is not insured with respect to the vaccine.
- (iv) A child who is an Indian (as defined in subsection (h)(3) of this section).

(B) Definitions

In subparagraph (A):

- (i) The term “medicaid-eligible” means, with respect to a child, a child who is entitled to medical assistance under a state¹ plan approved under this subchapter.
- (ii) The term “insured” means, with respect to a child—

(I) for purposes of subparagraph (A)(ii), that the child is enrolled under, and entitled to benefits under, a health insurance policy or plan, including a group health plan, a prepaid health plan, or an employee welfare benefit plan under the Employee Retirement Income Security Act of 1974 [29 U.S.C. 1001 et seq.]; and

(II) for purposes of subparagraph (A)(iii)(II) with respect to a pediatric vaccine, that the child is entitled to benefits under such a health insurance policy or plan, but such benefits are not available with respect to the cost of the pediatric vaccine.

(3) State vaccine-eligible child

The term “State vaccine-eligible child” means, with respect to a State and a qualified pediatric vaccine, a child who is within a class of children for which the State is purchasing the vaccine pursuant to subsection (d)(4)(B) of this section.

(c) Program-registered providers

(1) Defined

In this section, except as otherwise provided, the term “program-registered provider” means, with respect to a State, any health care provider that—

(A) is licensed or otherwise authorized for administration of pediatric vaccines under the law of the State in which the administration occurs (subject to section 254f(e) of this title), without regard to whether or not the provider participates in the plan under this subchapter;

(B) submits to the State an executed provider agreement described in paragraph (2); and

¹ So in original. Probably should be capitalized.

(C) has not been found, by the Secretary or the State, to have violated such agreement or other applicable requirements established by the Secretary or the State consistent with this section.

(2) Provider agreement

A provider agreement for a provider under this paragraph is an agreement (in such form and manner as the Secretary may require) that the provider agrees as follows:

(A)(i) Before administering a qualified pediatric vaccine to a child, the provider will ask a parent of the child such questions as are necessary to determine whether the child is a vaccine-eligible child, but the provider need not independently verify the answers to such questions.

(ii) The provider will, for a period of time specified by the Secretary, maintain records of responses made to the questions.

(iii) The provider will, upon request, make such records available to the State and to the Secretary, subject to section 1396a(a)(7) of this title.

(B)(i) Subject to clause (ii), the provider will comply with the schedule, regarding the appropriate periodicity, dosage, and contraindications applicable to pediatric vaccines, that is established and periodically reviewed and, as appropriate, revised by the advisory committee referred to in subsection (e) of this section, except in such cases as, in the provider's medical judgment subject to accepted medical practice, such compliance is medically inappropriate.

(ii) The provider will provide pediatric vaccines in compliance with applicable State law, including any such law relating to any religious or other exemption.

(C)(i) In administering a qualified pediatric vaccine to a vaccine-eligible child, the provider will not impose a charge for the cost of the vaccine. A program-registered provider is not required under this section to administer such a vaccine to each child for whom an immunization with the vaccine is sought from the provider.

(ii) The provider may impose a fee for the administration of a qualified pediatric vaccine so long as the fee in the case of a federally vaccine-eligible child does not exceed the costs of such administration (as determined by the Secretary based on actual regional costs for such administration).

(iii) The provider will not deny administration of a qualified pediatric vaccine to a vaccine-eligible child due to the inability of the child's parent to pay an administration fee.

(3) Encouraging involvement of providers

Each program under this section shall provide, in accordance with criteria established by the Secretary—

(A) for encouraging the following to become program-registered providers: private health care providers, the Indian Health Service, health care providers that receive funds under title V of the Indian Health Care Improvement Act [25 U.S.C. 1651 et seq.], and health programs or facilities operated by Indian tribes or tribal organizations; and

(B) for identifying, with respect to any population of vaccine-eligible children a substantial portion of whose parents have a limited ability to speak the English language, those program-registered providers who are able to communicate with the population involved in the language and cultural context that is most appropriate.

(4) State requirements

Except as the Secretary may permit in order to prevent fraud and abuse and for related purposes, a State may not impose additional qualifications or conditions, in addition to the requirements of paragraph (1), in order that a provider qualify as a program-registered provider under this section. This subsection does not limit the exercise of State authority under section 1396n(b) of this title.

(d) Negotiation of contracts with manufacturers

(1) In general

For the purpose of meeting obligations under this section, the Secretary shall negotiate and enter into contracts with manufacturers of pediatric vaccines consistent with the requirements of this subsection and, to the maximum extent practicable, consolidate such contracting with any other contracting activities conducted by the Secretary to purchase vaccines. The Secretary may enter into such contracts under which the Federal Government is obligated to make outlays, the budget authority for which is not provided for in advance in appropriations Acts, for the purchase and delivery of pediatric vaccines under subsection (a)(2)(A) of this section.

(2) Authority to decline contracts

The Secretary may decline to enter into such contracts and may modify or extend such contracts.

(3) Contract price

(A) In general

The Secretary, in negotiating the prices at which pediatric vaccines will be purchased and delivered from a manufacturer under this subsection, shall take into account quantities of vaccines to be purchased by States under the option under paragraph (4)(B).

(B) Negotiation of discounted price for current vaccines

With respect to contracts entered into under this subsection for a pediatric vaccine for which the Centers for Disease Control and Prevention has a contract in effect under section 247b(j)(1) of this title as of May 1, 1993, no price for the purchase of such vaccine for vaccine-eligible children shall be agreed to by the Secretary under this subsection if the price per dose of such vaccine (including delivery costs and any applicable excise tax established under section 4131 of the Internal Revenue Code of 1986) exceeds the price per dose for the vaccine in effect under such a contract as of such date increased by the percentage increase in the consumer price index for all urban consumers (all items; United States city average)

from May 1993 to the month before the month in which such contract is entered into.

(C) Negotiation of discounted price for new vaccines

With respect to contracts entered into for a pediatric vaccine not described in subparagraph (B), the price for the purchase of such vaccine shall be a discounted price negotiated by the Secretary that may be established without regard to such subparagraph.

(4) Quantities and terms of delivery

Under such contracts—

(A) the Secretary shall provide, consistent with paragraph (6), for the purchase and delivery on behalf of States (and tribes and tribal organizations) of quantities of pediatric vaccines for federally vaccine-eligible children; and

(B) each State, at the option of the State, shall be permitted to obtain additional quantities of pediatric vaccines (subject to amounts specified to the Secretary by the State in advance of negotiations) through purchasing the vaccines from the manufacturers at the applicable price negotiated by the Secretary consistent with paragraph (3), if (i) the State agrees that the vaccines will be used to provide immunizations only for children who are not federally vaccine-eligible children and (ii) the State provides to the Secretary such information (at a time and manner specified by the Secretary, including in advance of negotiations under paragraph (1)) as the Secretary determines to be necessary, to provide for quantities of pediatric vaccines for the State to purchase pursuant to this subsection and to determine annually the percentage of the vaccine market that is purchased pursuant to this section and this subparagraph.

The Secretary shall enter into the initial negotiations under the preceding sentence not later than 180 days after August 10, 1993.

(5) Charges for shipping and handling

The Secretary may enter into a contract referred to in paragraph (1) only if the manufacturer involved agrees to submit to the Secretary such reports as the Secretary determines to be appropriate to assure compliance with the contract and if, with respect to a State program under this section that does not provide for the direct delivery of qualified pediatric vaccines, the manufacturer involved agrees that the manufacturer will provide for the delivery of the vaccines on behalf of the State in accordance with such program and will not impose any charges for the costs of such delivery (except to the extent such costs are provided for in the price established under paragraph (3)).

(6) Assuring adequate supply of vaccines

The Secretary, in negotiations under paragraph (1), shall negotiate for quantities of pediatric vaccines such that an adequate supply of such vaccines will be maintained to meet unanticipated needs for the vaccines. For purposes of the preceding sentence, the Secretary

shall negotiate for a 6-month supply of vaccines in addition to the quantity that the Secretary otherwise would provide for in such negotiations. In carrying out this paragraph, the Secretary shall consider the potential for outbreaks of the diseases with respect to which the vaccines have been developed.

(7) Multiple suppliers

In the case of the pediatric vaccine involved, the Secretary shall, as appropriate, enter into a contract referred to in paragraph (1) with each manufacturer of the vaccine that meets the terms and conditions of the Secretary for an award of such a contract (including terms and conditions regarding safety and quality). With respect to multiple contracts entered into pursuant to this paragraph, the Secretary may have in effect different prices under each of such contracts and, with respect to a purchase by States pursuant to paragraph (4)(B), the Secretary shall determine which of such contracts will be applicable to the purchase.

(e) Use of pediatric vaccines list

The Secretary shall use, for the purpose of the purchase, delivery, and administration of pediatric vaccines under this section, the list established (and periodically reviewed and as appropriate revised) by the Advisory Committee on Immunization Practices (an advisory committee established by the Secretary, acting through the Director of the Centers for Disease Control and Prevention).

(f) Requirement of State maintenance of immunization laws

In the case of a State that had in effect as of May 1, 1993, a law that requires some or all health insurance policies or plans to provide some coverage with respect to a pediatric vaccine, a State program under this section does not comply with the requirements of this section unless the State certifies to the Secretary that the State has not modified or repealed such law in a manner that reduces the amount of coverage so required.

(g) Termination

This section, and the requirement of section 1396a(a)(62) of this title, shall cease to be in effect beginning on such date as may be prescribed in Federal law providing for immunization services for all children as part of a broad-based reform of the national health care system.

(b) “Functionally disabled elderly individual” defined

(1) In general

In this subchapter, the term “functionally disabled elderly individual” means an individual who—

(A) is 65 years of age or older,

(B) is determined to be a functionally disabled individual under subsection (c) of this section, and

(C) subject to section 1396a(f) of this title (as applied consistent with section 1396a(r)(2) of this title), is receiving supplemental security income benefits under subchapter XVI of this chapter (or under a State plan approved under subchapter XVI of this chapter) or, at the option of the State, is described in section 1396a(a)(10)(C) of this title.

(2) Treatment of certain individuals previously covered under a waiver

(A) In the case of a State which—

(i) at the time of its election to provide coverage for home and community care under this section has a waiver approved under section 1396n(c) or 1396n(d) of this title with respect to individuals 65 years of age or older, and

(ii) subsequently discontinues such waiver, individuals who were eligible for benefits under the waiver as of the date of its discontinuance and who would, but for income or resources, be eligible for medical assistance for home and community care under the plan shall, notwithstanding any other provision of this subchapter, be deemed a functionally disabled elderly individual for so long as the individual would have remained eligible for medical assistance under such waiver.

(B) In the case of a State which used a health insuring organization before January 1, 1986, and which, as of December 31, 1990, had in effect a waiver under section 1315 of this title that provides under the State plan under this subchapter for personal care services for functionally disabled individuals, the term “functionally disabled elderly individual” may include, at the option of the State, an individual who—

(ii) is determined to meet the test of functional disability applied under the waiver as of such date; and

(iii) meets the resource requirement and income standard that apply in the State to individuals described in section 1396a(a)(10)(A)(ii)(V) of this title.

(3) Use of projected income

In applying section 1396b(f)(1) of this title in determining the eligibility of an individual (described in section 1396a(a)(10)(C) of this title) for medical assistance for home and community care, a State may, at its option, provide for the determination of the individual's anticipated medical expenses (to be deducted from income) over a period of up to 6 months.

(c) Determinations of functional disability

(1) In general

In this section, an individual is "functionally disabled" if the individual—

(A) is unable to perform without substantial assistance from another individual at least 2 of the following 3 activities of daily living: toileting, transferring, and eating; or

(B) has a primary or secondary diagnosis of Alzheimer's disease and is (i) unable to perform without substantial human assistance (including verbal reminding or physical cueing) or supervision at least 2 of the following 5 activities of daily living: bathing, dressing, toileting, transferring, and eating; or (ii) cognitively impaired so as to require substantial supervision from another individual because he or she engages in inappropriate behaviors that pose serious health or safety hazards to himself or herself or others.

(2) Assessments of functional disability

(A) Requests for assessments

If a State has elected to provide home and community care under this section, upon the request of an individual who is 65 years of age or older and who meets the requirements of subsection (b)(1)(C) of this section (or another person on such individual's behalf), the State shall provide for a comprehensive functional assessment under this subparagraph which—

(i) is used to determine whether or not the individual is functionally disabled,

(ii) is based on a uniform minimum data set specified by the Secretary under subparagraph (C)(i), and

(iii) uses an instrument which has been specified by the State under subparagraph (B).

No fee may be charged for such an assessment.

(D) Periodic review

Each individual who qualifies as a functionally disabled elderly individual shall have the individual's assessment periodically reviewed and revised not less often than once every 12 months.

(E) Conduct of assessment by interdisciplinary teams

An assessment under subparagraph (A) and a review under subparagraph (D) must be conducted by an interdisciplinary team designated by the State. The Secretary shall permit a State to provide for assessments and reviews through teams under contracts—

(i) with public organizations; or

(ii) with nonpublic organizations which do not provide home and community care or nursing facility services and do not have a direct or indirect ownership or control interest in, or direct or indirect affiliation or relationship with, an entity that provides, community care or nursing facility services.

(F) Contents of assessment

The interdisciplinary team must—

(i) identify in each such assessment or review each individual's functional disabilities and need for home and community care, including information about the individual's health status, home and community environment, and informal support system; and

(B) specifies, within any amount, duration, and scope limitations imposed on home and community care provided under the State plan, the home and community care to be provided to such individual under the plan, and indicates the individual's preferences for the types and providers of services; and

(C) may specify other services required by such individual.

An ICCP may also designate the specific providers (qualified to provide home and community care under the State plan) which will provide the home and community care described in subparagraph (B). Nothing in this section shall be construed as authorizing an ICCP or the State to restrict the specific persons or individuals (who are competent to provide home and community care under the State plan) who will provide the home and community care described in subparagraph (B).

(2) "Qualified community care case manager" defined

In this section, the term "qualified community care case manager" means a nonprofit or public agency or organization which—

(i) such a manager is competent to perform case management functions;

(ii) individuals whose home and community care they manage are not at risk of financial exploitation due to such a manager; and

(iii) meets such other standards as the State may establish.

The Secretary may waive the requirement of subparagraph (C) in the case of a nonprofit agency located in a rural area.

(3) Appeals process

Each State which elects to provide home and community care under this section must have in effect an appeals process for individuals who disagree with the ICCP established.

(e) Ceiling on payment amounts and maintenance of effort

(1) Ceiling on payment amounts

Payments may not be made under section 1396b(a) of this title to a State for home and community care provided under this section in a quarter to the extent that the medical assistance for such care in the quarter exceeds 50 percent of the product of—

(A) the average number of individuals in the quarter receiving such care under this section;

(B) the average per diem rate of payment which the Secretary has determined (before the beginning of the quarter) will be payable under subchapter XVIII of this chapter (without regard to coinsurance) for extended care services to be provided in the State during such quarter; and

(B) Reduction in payment if failure to maintain effort

If the amount reported under subparagraph (A) by a State with respect to a fiscal year is less than the amount reported under subparagraph (A) with respect to fiscal year

1989, the Secretary shall provide for a reduction in payments to the State under section 1396b(a) of this title in an amount equal to the difference between the amounts so reported.

tion; except that, in applying the requirement of section 1396r(d)(2) of this title (relating to life safety code), the Secretary shall provide for the application of such life safety requirements (if any) that are appropriate to the setting.

(3) Disclosure of ownership and control interests and exclusion of repeated violators

A community care setting—

(A) must disclose persons with an ownership or control interest (including such persons as defined in section 1320a-3(a)(3) of this title) in the setting; and

(B) may not have, as a person with an ownership or control interest in the setting, any individual or person who has been excluded from participation in the program under this subchapter or who has had such an ownership or control interest in one or more community care settings which have been found repeatedly to be substandard or to have failed to meet the requirements of paragraph (2).

(i) Survey and certification process

(1) Certifications

(A) Responsibilities of the State

Under each State plan under this subchapter, the State shall be responsible for certifying the compliance of providers of home and community care and community care settings with the applicable requirements of subsections (f), (g) and (h) of this section. The failure of the Secretary to issue regulations to carry out this subsection shall not relieve a State of its responsibility under this subsection.

(B) Responsibilities of the Secretary

The Secretary shall be responsible for certifying the compliance of State providers of home and community care, and of State community care settings in which such care is provided, with the requirements of subsections (f), (g) and (h) of this section.

(C) Frequency of certifications

Certification of providers and settings under this subsection shall occur no less frequently than once every 12 months.

(2) Reviews of providers

(A) In general

The certification under this subsection with respect to a provider of home or community care must be based on a periodic review of the provider's performance in providing the care required under ICCP's in accordance with the requirements of subsection (f) of this section.

(B) Special reviews of compliance

Where the Secretary has reason to question the compliance of a provider of home or community care with any of the requirements of subsection (f) of this section, the Secretary may conduct a review of the provider and, on the basis of that review, make independent and binding determinations concerning the extent to which the provider meets such requirements.

(3) Surveys of community care settings

(A) In general

The certification under this subsection with respect to community care settings must be based on a survey. Such survey for such a setting must be conducted without prior notice to the setting. Any individual who notifies (or causes to be notified) a community care setting of the time or date on which such a survey is scheduled to be conducted is subject to a civil money penalty of not to exceed \$2,000. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall review each State's procedures for scheduling and conducting such surveys to assure that the State has taken all reasonable steps to avoid giving notice of such a survey through the scheduling procedures and the conduct of the surveys themselves.

(B) Survey protocol

Surveys under this paragraph shall be conducted based upon a protocol which the Secretary has provided for under subsection (k) of this section.

(C) Prohibition of conflict of interest in survey team membership

A State and the Secretary may not use as a member of a survey team under this paragraph an individual who is serving (or has served within the previous 2 years) as a member of the staff of, or as a consultant to, the community care setting being surveyed (or the person responsible for such setting) respecting compliance with the requirements of subsection (g) or (h) of this section or who has a personal or familial financial interest in the setting being surveyed.

(D) Validation surveys of community care settings

The Secretary shall conduct onsite surveys of a representative sample of community care settings in each State, within 2 months of the date of surveys conducted under subparagraph (A) by the State, in a sufficient number to allow inferences about the adequacies of each State's surveys conducted under subparagraph (A). In conducting such surveys, the Secretary shall use the same survey protocols as the State is required to use under subparagraph (B). If the State has determined that an individual setting meets the requirements of subsection (g) of this section, but the Secretary determines that the setting does not meet such requirements, the Secretary's determination as to the setting's noncompliance with such requirements is binding and supersedes that of the State survey.

(E) Special surveys of compliance

Where the Secretary has reason to question the compliance of a community care setting with any of the requirements of subsection (g) or (h) of this section, the Sec-

retary may conduct a survey of the setting and, on the basis of that survey, make independent and binding determinations concerning the extent to which the setting meets such requirements.

(4) Investigation of complaints and monitoring of providers and settings

Each State and the Secretary shall maintain procedures and adequate staff to investigate complaints of violations of applicable requirements imposed on providers of community care or on community care settings under subsections (f), (g) and (h) of this section.

(5) Investigation of allegations of individual neglect and abuse and misappropriation of individual property

The State shall provide, through the agency responsible for surveys and certification of providers of home or community care and community care settings under this subsection, for a process for the receipt, review, and investigation of allegations of individual neglect and abuse (including injuries of unknown source) by individuals providing such care or in such setting and of misappropriation of individual property by such individuals. The State shall, after notice to the individual involved and a reasonable opportunity for hearing for the individual to rebut allegations, make a finding as to the accuracy of the allegations. If the State finds that an individual has neglected or abused an individual receiving community care or misappropriated such individual's property, the State shall notify the individual against whom the finding is made. A State shall not make a finding that a person has neglected an individual receiving community care if the person demonstrates that such neglect was caused by factors beyond the control of the person. The State shall provide for public disclosure of findings under this paragraph upon request and for inclusion, in any such disclosure of such findings, of any brief statement (or of a clear and accurate summary thereof) of the individual disputing such findings.

(6) Disclosure of results of inspections and activities

(A) Public information

Each State, and the Secretary, shall make available to the public—

(i) information respecting all surveys, reviews, and certifications made under this subsection respecting providers of home or community care and community care settings, including statements of deficiencies,

(ii) copies of cost reports (if any) of such providers and settings filed under this subchapter,

(iii) copies of statements of ownership under section 1320a-3 of this title, and

(iv) information disclosed under section 1320a-5 of this title.

(B) Notices of substandard care

If a State finds that—

(i) a provider of home or community care has provided care of substandard quality

with respect to an individual, the State shall make a reasonable effort to notify promptly (I) an immediate family member of each such individual and (II) individuals receiving home or community care from that provider under this subchapter, or

(ii) a community care setting is substandard, the State shall make a reasonable effort to notify promptly (I) individuals receiving community care in that setting, and (II) immediate family members of such individuals.

(C) Access to fraud control units

Each State shall provide its State medic-aid fraud and abuse control unit (established under section 1396b(q) of this title) with access to all information of the State agency responsible for surveys, reviews, and certifications under this subsection.

(j) Enforcement process for providers of community care

(1) State authority

(A) In general

If a State finds, on the basis of a review under subsection (i)(2) of this section or otherwise, that a provider of home or community care no longer meets the requirements of this section, the State may terminate the provider's participation under the State plan and may provide in addition for a civil money penalty. Nothing in this subparagraph shall be construed as restricting the remedies available to a State to remedy a provider's deficiencies. If the State finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the State may provide for a civil money penalty under paragraph (2)(A) for the period during which it finds that the provider was not in compliance with such requirements.

(B) Civil money penalty

(i) In general

Each State shall establish by law (whether statute or regulation) at least the following remedy: A civil money penalty assessed and collected, with interest, for each day in which the provider is or was out of compliance with a requirement of this section. Funds collected by a State as a result of imposition of such a penalty (or as a result of the imposition by the State of a civil money penalty under subsection (i)(3)(A) of this section) may be applied to reimbursement of individuals for personal funds lost due to a failure of home or community care providers to meet the requirements of this section. The State also shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

(ii) Deadline and guidance

Each State which elects to provide home and community care under this section must establish the civil money penalty remedy described in clause (i) applicable to all providers of community care covered under this section. The Secretary shall provide, through regulations or otherwise by not later than July 1, 1990, guidance to States in establishing such remedy; but the failure of the Secretary to provide such guidance shall not relieve a State of the responsibility for establishing such remedy.

(2) Secretarial authority**(A) For State providers**

With respect to a State provider of home or community care, the Secretary shall have the authority and duties of a State under this subsection, except that the civil money penalty remedy described in subparagraph (C) shall be substituted for the civil money remedy described in paragraph (1)(B)(i).

(B) Other providers

With respect to any other provider of home or community care in a State, if the Secretary finds that a provider no longer meets a requirement of this section, the Secretary may terminate the provider's participation under the State plan and may provide, in addition, for a civil money penalty under subparagraph (C). If the Secretary finds that a provider meets such requirements but, as of a previous period, did not meet such requirements, the Secretary may provide for a civil money penalty under subparagraph (C) for the period during which the Secretary finds that the provider was not in compliance with such requirements.

(C) Civil money penalty

If the Secretary finds on the basis of a review under subsection (i)(2) of this section or otherwise that a home or community care provider no longer meets the requirements of this section, the Secretary shall impose a civil money penalty in an amount not to exceed \$10,000 for each day of noncompliance. The provisions of section 1320a-7a of this title (other than subsections (a) and (b)) shall apply to a civil money penalty under the previous sentence in the same manner as such provisions apply to a penalty or proceeding under section 1320a-7a(a) of this title. The Secretary shall specify criteria, as to when and how this remedy is to be applied and the amounts of any penalties. Such criteria shall be designed so as to minimize the time between the identification of violations and final imposition of the penalties and shall provide for the imposition of incrementally more severe penalties for repeated or uncorrected deficiencies.

(k) Secretarial responsibilities**(1) Publication of interim requirements****(A) In general**

The Secretary shall publish, by December 1, 1991, a proposed regulation that sets forth

interim requirements, consistent with subparagraph (B), for the provision of home and community care and for community care settings, including—

(i) the requirements of subsection (c)(2) of this section (relating to comprehensive functional assessments, including the use of assessment instruments), of subsection (d)(2)(E) of this section (relating to qualifications for qualified case managers), of subsection (f) of this section (relating to minimum requirements for home and community care), of subsection (g) of this section (relating to minimum requirements for small community care settings), and of subsection (h) of this section (relating to minimum requirements for large community care settings,² and

(ii) survey protocols (for use under subsection (i)(3)(A) of this section) which relate to such requirements.

(B) Minimum protections

Interim requirements under subparagraph (A) and final requirements under paragraph (2) shall assure, through methods other than reliance on State licensure processes, that individuals receiving home and community care are protected from neglect, physical and sexual abuse, financial exploitation, inappropriate involuntary restraint, and the provision of health care services by unqualified personnel in community care settings.

(2) Development of final requirements

The Secretary shall develop, by not later than October 1, 1992—

(A) final requirements, consistent with paragraph (1)(B), respecting the provision of appropriate, quality home and community care and respecting community care settings under this section, and including at least the requirements referred to in paragraph (1)(A)(i), and

(B) survey protocols and methods for evaluating and assuring the quality of community care settings.

The Secretary may, from time to time, revise such requirements, protocols, and methods.

(3) No delegation to States

The Secretary's authority under this subsection shall not be delegated to States.

(4) No prevention of more stringent requirements by States

Nothing in this section shall be construed as preventing States from imposing requirements that are more stringent than the requirements published or developed by the Secretary under this subsection.

(l) Waiver of statewideness

States may waive the requirement of section 1396a(a)(1) of this title (related to State wide-ness)³ for a program of home and community care under this section.

(m) Limitation on amount of expenditures as medical assistance**(1) Limitation on amount**

The amount of funds that may be expended as medical assistance to carry out the purposes of this section shall be for fiscal year 1991, \$40,000,000, for fiscal year 1992, \$70,000,000, for fiscal year 1993, \$130,000,000, for fiscal year 1994, \$160,000,000, and for fiscal year 1995, \$180,000,000.

(2) Assurance of entitlement to service

A State which receives Federal medical assistance for expenditures for home and community care under this section must provide home and community care specified under the Individual Community Care Plan under subsection (d) of this section to individuals described in subsection (b) of this section for the duration of the election period, without regard to the amount of funds available to the State under paragraph (1). For purposes of this paragraph, an election period is the period of 4 or more calendar quarters elected by the State, and approved by the Secretary, for the provision of home and community care under this section.

(3) Limitation on eligibility

The State may limit eligibility for home and community care under this section during an election period under paragraph (2) to reasonable classifications (based on age, degree of functional disability, and need for services).

(4) Allocation of medical assistance

The Secretary shall establish a limitation on the amount of Federal medical assistance available to any State during the State's election period under paragraph (2). The limitation under this paragraph shall take into account the limitation under paragraph (1) and the number of elderly individuals age 65 or over residing in such State in relation to the number of such elderly individuals in the United States during 1990. For purposes of the previous sentence, elderly individuals shall, to the maximum extent practicable, be low-income elderly individuals.

(1) an alien lawfully admitted for permanent residence as an immigrant as defined by section 1101(a)(15) and (20) of title 8, excluding, among others, alien visitors, tourists, diplomats, and students who enter the United States temporarily with no intention of abandoning their residence in a foreign country;

(2) an alien who entered the United States prior to June 30, 1948, or such subsequent date as is enacted by law, has continuously maintained his or her residence in the United States since then, and is not ineligible for citizenship, but who is deemed to be lawfully admitted for permanent residence as a result of an exercise of discretion by the Attorney General pursuant to section 1259 of title 8;

tion 1715z or 1715z-1 of title 12, or section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s].

(c) Preservation of families; students

(1) If, following completion of the applicable hearing process, financial assistance for any individual receiving such assistance on February 5, 1988, is to be terminated, the public housing agency or other local governmental entity involved (in the case of public housing or assistance under section 8 of the United States Housing Act of 1937 [42 U.S.C. 1437f]) or the Secretary of Housing and Urban Development (in the case of any other financial assistance) may, in its discretion, take one of the following actions:

(A) Permit the continued provision of financial assistance, if necessary to avoid the division of a family in which the head of household or spouse is a citizen of the United States, a national of the United States, or an alien resident of the United States described in any of paragraphs (1) through (6) of subsection (a) of this section. For purposes of this paragraph, the term "family" means a head of household, any spouse, any parents of the head of household, any parents of the spouse, and any children of the head of household or spouse.

Any deferral under this subparagraph shall be for a 6-month period and may be renewed by the public housing agency or other entity involved for an aggregate period of 3 years. At the beginning of each deferral period, the public housing agency or other entity involved shall inform the individual and family members of their ineligibility for financial assistance and offer them other assistance in finding other affordable housing.

(A) any alien who—

(i) has a residence in a foreign country that such alien has no intention of abandoning;

(ii) is a bona fide student qualified to pursue a full course of study; and

(B) the alien spouse and minor children of any alien described in subparagraph (A), if ac-

accompanying such alien or following to join such alien.

(d) Conditions for provision of financial assistance for individuals

The following conditions apply with respect to financial assistance being provided for the benefit of an individual:

(1)(A) There must be a declaration in writing by the individual (or, in the case of an individual who is a child, by another on the individual's behalf), under penalty of perjury, stating whether or not the individual is a citizen or national of the United States, and, if that individual is not a citizen or national of the United States, that the individual is in a satisfactory immigration status.

(B) In this subsection, the term "satisfactory immigration status" means an immigration status which does not make the individual ineligible for financial assistance.

(2) If such an individual is not a citizen or national of the United States, is not 62 years of age or older, and is receiving financial assistance on February 5, 1988, there must be presented either—

(A) alien registration documentation or other proof of immigration registration from the Immigration and Naturalization Service that contains the individual's alien admission number or alien file number (or numbers if the individual has more than one number), or

(B) such other documents as the Secretary determines constitute reasonable evidence indicating a satisfactory immigration status.

(3) If the documentation described in paragraph (2)(A) is presented, the Secretary shall utilize the individual's alien file or alien admission number to verify with the Immigration and Naturalization Service the individual's immigration status through an automated or other system (designated by the Service for use with States) that—

(A) utilizes the individual's name, file number, admission number, or other means permitting efficient verification, and

(B) protects the individual's privacy to the maximum degree possible.

(4) In the case of such an individual who is not a citizen or national of the United States, is not 62 years of age or older, and is receiving financial assistance on February 5, 1988, if, at the time of application or recertification for financial assistance, the statement described in paragraph (1) is submitted but the documentation required under paragraph (2) is not presented or if the documentation required under paragraph (2)(A) is presented but such documentation is not verified under paragraph (3)—

(A) the Secretary—

(i) shall provide a reasonable opportunity to submit to the Secretary evidence indicating a satisfactory immigration status, or to appeal to the Immigration and Naturalization Service the verification determination of the Immigration and Naturalization Service under paragraph (3), and

(ii) may not delay, deny, reduce, or terminate the individual's eligibility for financial assistance on the basis of the individual's immigration status until such a reasonable opportunity has been provided; and

(B) if any documents or additional information are submitted as evidence under subparagraph (A), or if appeal is made to the Immigration and Naturalization Service with respect to the verification determination of the Service under paragraph (3)—

(i) the Secretary shall transmit to the Immigration and Naturalization Service photostatic or other similar copies of such documents or additional information for official verification,

(ii) pending such verification or appeal, the Secretary may not delay, deny, reduce, or terminate the individual's eligibility for financial assistance on the basis of the individual's immigration status, and

(iii) the Secretary shall not be liable for the consequences of any action, delay, or failure of the Service to conduct such verification.

(5) If the Secretary determines, after complying with the requirements of paragraph (4), that such an individual is not in a satisfactory immigration status—

(A) the Secretary shall deny or terminate the individual's eligibility for financial assistance, and

(B) the applicable fair hearing process shall be made available with respect to the individual.

(6) For purposes of paragraph (5)(B), the applicable fair hearing process made available with respect to any individual shall include not less than the following procedural protections:

(A) The Secretary shall provide the individual with written notice of the determination described in paragraph (5) and of the opportunity for a hearing with respect to the determination.

(B) Upon timely request by the individual, the Secretary shall provide a hearing before an impartial hearing officer designated by the Secretary, at which hearing the individual may produce evidence of a satisfactory immigration status.

(C) The Secretary shall notify the individual in writing of the decision of the hearing officer on the appeal of the determination in a timely manner.

(D) Financial assistance may not be denied or terminated until the completion of the hearing process.

(f) Verification system; liability of State or local government agencies or officials; prior consent agreements, court decrees or court orders unaffected

(1) Notwithstanding any other provision of law, no agency or official of a State or local government shall have any liability for the design or implementation of the Federal verification system described in subsection (d) of this section if the implementation by the State or local agency or official is in accordance with Federal rules and regulations.

§ 1436c. Insurance for public housing agencies and Indian housing authorities

On and after October 28, 1991, notwithstanding any other provision of State or Federal law, regulation or other requirement, any public housing agency or Indian housing authority that purchases any line of insurance from a nonprofit insurance entity, owned and controlled by public housing agencies or Indian housing authorities, and approved by the Secretary, may purchase such insurance without regard to competitive procurement.

The Secretary shall not place restrictions on the investment of funds of any such entity that is regulated by the insurance department of any State that describes the types of investments insurance companies licensed in such State may make. With regard to such entities

On and after October 28, 1991, until the Department of Housing and Urban Development has adopted regulations specifying the nature and quality of insurance covering the potential personal injury liability exposure of public housing authorities and Indian housing authorities (and their contractors, including architectural and engineering services) as a result of testing and abatement of lead-based paint in federally subsidized public and Indian housing units, said authorities shall be permitted to purchase insurance for such risk, as an allowable expense against amounts available for capital improvements (modernization): *Provided*, That such insurance is competitively selected and that coverage provided under such policies, as certified by the authority, provides reasonable coverage for the risk of liability exposure, taking into consideration the potential liability concerns inherent in the testing and abatement of lead-based paint, and the managerial and quality assurance responsibilities associated with the conduct of such activities.

Reviews of family income shall be made at least annually. Except as provided in paragraph (2), a family shall pay as rent for a dwelling unit assisted under this chapter (other than a family assisted under section 1437f(o) or (y) of this title or paying rent under section 1437f(c)(3)(B) of this title) the highest of the following amounts, rounded to the nearest dollar:

(A) 30 per centum of the family's monthly adjusted income;

(B) 10 per centum of the family's monthly income; or

(C) if the family is receiving payments for welfare assistance from a public agency and a part of such payments, adjusted in accordance with the family's actual housing costs, is specifically designated by such agency to meet the family's housing costs, the portion of such payments which is so designated.

(2)(A) Any public housing agency may provide that each family residing in a public housing project owned and operated by such agency (or in low-income housing assisted under section 1437f of this title that contains more than 2,000 dwelling units) shall pay as monthly rent an amount determined by such agency to be appropriate that does not exceed a maximum amount that—

(b) Definition of terms under this chapter

When used in this chapter:

(1) The term "low-income housing" means decent, safe, and sanitary dwellings assisted under this chapter. The term "public housing" means low-income housing, and all necessary appurtenances thereto, assisted under this chapter other than under section 1437f of this title. When used in reference to public housing, the term "low-income housing project" or "project" means (A) housing developed, acquired, or assisted by a public housing agency under this

The term "very low-income families" means low-income families whose incomes do not exceed 50 per centum of the median family income for the area, as determined by the Secretary with adjustments for smaller and larger families, except that the Secretary may establish income ceilings higher or lower than 50 per centum of the median for the area on the basis of the Secretary's findings that such variations are necessary because of unusually high or low family incomes. Such ceilings shall be established in consultation with the Secretary of Agriculture for any rural area, as defined in section 1490 of this title, taking into account the subsidy characteristics and types of programs to which such ceilings apply. In determining median incomes (of persons, families, or households) for an area or establishing any ceilings or limits based on income under this chapter, the Secretary shall determine or establish area median incomes and income ceilings and limits for Westchester County, in the State of New York, as if such county were an area not contained within the metropolitan statistical area in which it is located. In determining such area median incomes or establishing such income ceilings or limits for the portion of such metropolitan statistical area that does not include Westchester County, the Secretary shall determine or establish area median incomes and income ceilings and limits as if such portion included Westchester County.

(5) The term “adjusted income” means the income which remains after excluding—

(A) \$550 for each member of the family residing in the household (other than the head of the household or his spouse) who is under 18 years of age or who is 18 years of age or older and is disabled or handicapped or a full-time student;

(B) \$400 for any elderly or disabled family;

“(A) Notwithstanding any other provision of this section or subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, the Secretary of Housing and Urban Development (hereinafter referred to as the ‘Secretary’) may provide for delayed applicability, or for staged implementation, of the procedures for determining rents or contributions, as appropriate, required by such provisions if the Secretary determines that immediate application of such procedures would be impracticable, would violate the terms of existing leases, or would result in extraordinary hardship for any class of tenants.

“(B) The Secretary shall provide that the rent or contribution, as appropriate, required to be paid by a tenant shall not increase as a result of the amendments made by this section and subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981, and as a result of any other provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such amendments, law, or regulation.

“(2) Tenants of assisted housing other than those referred to in paragraph (1) shall be subject to immediate rent payment or contribution determinations in accordance with applicable law and without regard to the provisions of paragraph (1), but the Secretary shall provide that the rent or contribution payable by any such tenant who is occupying assisted housing on the effective date of any provision of Federal law or regulation shall not increase, as a result of any such provision of Federal law or regulation, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such law or regulation.

“(3) In the case of tenants receiving rental assistance under section 521(a)(1) of the Housing Act of 1949 [section 1490a(a)(1) of this title] on the effective date of this section [Nov. 30, 1983] whose assistance is converted to assistance under section 8 of the United States Housing Act of 1937 [section 1437f of this title] on or after such date, the Secretary shall provide that the rent or contribution payable by any such tenant shall not increase, as a result of such conversion, by more than 10 per centum during any twelve-month period, unless the increase above 10 per centum is attributable to increases in income which are unrelated to such conversion or to any provision of Federal law or regulation.

“(4)(A) Notwithstanding any other provision of law, in the case of the conversion of any assistance under section 101 of the Housing and Urban Development Act of 1965 [12 U.S.C. 1701s], section 236(f)(2) of the National Housing Act [12 U.S.C. 1715z-1(f)(2)], or section 23 of the United States Housing Act of 1937 [section 1421b of this title] (as in effect before the date of the enactment of the Housing and Community Development Act of 1974 [Aug. 22, 1974]) to assistance under section 8 of the United States Housing Act of 1937, any increase in rent payments or contributions resulting from such conversion, and from the amendments made by this section of any tenant benefiting from such assistance who is sixty-two years of age or older may not exceed 10 per centum per annum.

“(B) In the case of any such conversion of assistance occurring on or after October 1, 1981, and before the date of the enactment of this section [Nov. 30, 1983], the rental payments due after such date of enactment by any tenant benefiting from such assistance who was sixty-two years of age or older on the date of such conversion shall be computed as if the tenant’s rental payment or contribution had, on the date of conversion, been the lesser of the actual rental payment or contribution required, or 25 per centum of the tenant’s income.

“(5) The limitations on increases in rent contained in paragraphs (1)(B), (2), (3), and (4) shall remain in effect and may not be changed or superseded except by another provision of law which amends this subsection.

“(6) As used in this subsection, the term ‘contribution’ means an amount representing 30 per centum of a tenant’s monthly adjusted income, 10 per centum of the tenant’s monthly income, or the designated amount of welfare assistance, whichever amount is used to determine the monthly assistance payment for the tenant under section 3(a) of the United States Housing Act of 1937 [subsec. (a) of this section].

“(7) The provisions of subsections (a) through (h) of section 322 of the Housing and Community Development Amendments of 1981 shall be implemented and fully applicable to all affected tenants no later than five years following the date of enactment of such amendments [Aug. 13, 1981], except that the Secretary may extend the time for implementation if the Secretary determines that full implementation would result in extraordinary hardship for any class of tenants.”

Prior provisions for determining rent payable by tenants occupying assisted housing under and authorizing delayed application or staged implementation of provisions amended by section 322 of Pub. L. 97-35 were contained in Pub. L. 97-35, title III, §322(i), Aug. 13, 1981, 95 Stat. 404, which was repealed by Pub. L. 98-181, title II, §206(e), Nov. 30, 1983, 97 Stat. 1181.

ESTABLISHMENT OF INCREASED MONTHLY RENTAL CHARGE FOR FAMILY OCCUPYING LOW-INCOME HOUSING UNIT; ADJUSTMENT FACTORS

Section 202 of Pub. L. 93-383 provided that: “To the extent that section 3(1) of the United States Housing Act of 1937, as amended by section 201(a) of this Act [par. (1) of this section], would require the establishment of an increased monthly rental charge for any family which occupies a low-income housing unit as of the effective date of such section 3(1) (other than by reason of the provisions relating to welfare assistance payments) [see Effective Date note set out above], the required adjustment shall be made, in accordance with regulations of the Secretary, as follows: (A) the first adjustment shall not exceed \$5 and shall become effective as of the month following the month of the first review of the family’s income pursuant to section 6(c)(2) of such Act [section 1437(d)(c)(2) of this title] which occurs at least six months after the effective date of such section 3(1), and (B) subsequent adjustments, each of which shall not exceed \$5, shall be made at six-month intervals over whatever period is necessary to effect the full required increase in the family’s rental charge.”

§ 1437a-1. Public housing rent waiver for police officers

(a) Authority

Notwithstanding any other provision of law, the Secretary of Housing and Urban Development may permit public housing agencies to allow police officers and other security personnel (who are not otherwise eligible for residence in public housing) to reside in public housing dwelling units in accordance with this section.

(b) Plan

To be eligible to utilize dwelling units as provided under this section, a public housing agency shall submit to the Secretary a plan identifying the projects in which the police officers or security personnel will reside and describing the anticipated benefits from such residence.

(c) Approval

The Secretary may approve a plan and authorize the use of dwelling units under this section only if the Secretary determines that such use will—

(1) increase security for other public housing residents;

(2) result in a limited loss of income to the public housing agency; and

(3) not result in a significant reduction of units available for residence by families eligible for such residence under the provisions of the United States Housing Act of 1937 [42 U.S.C. 1437 et seq.].

The Secretary shall notify each public housing agency submitting a plan under subsection (b) of this section of approval or disapproval of the plan not later than 30 days after the Secretary receives the plan.

(d) Terms

CODIFICATION

Section was enacted as part of the Cranston-Gonzalez National Affordable Housing Act, and not as part of the United States Housing Act of 1937 which comprises this chapter.

§ 1437b. Loans and commitments to make loans for low-income housing projects

(a) Authority of Secretary; interest rates; repayment date; use as security for obligations of public housing agency

The Secretary may make loans or commitments to make loans to public housing agencies to help finance or refinance the development, acquisition, or operation of low-income housing projects by such agencies. Any contract for such loans and any amendment to a contract for such loans shall provide that such loans shall bear interest at a rate specified by the Secretary which shall not be less than a rate determined by the Secretary of the Treasury taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, plus one-eighth of 1 per centum. Such loans shall be secured in such manner and shall be repaid within such period not exceeding forty years, or not exceeding forty years from the date of the bonds evidencing the loan, as the

Secretary may determine. The Secretary may require loans or commitments to make loans under this section to be pledged as security for obligations issued by a public housing agency in connection with a low-income housing project.

(b) Issuance of obligations by Secretary; limitation on amounts; forms and denominations; terms and conditions; purchase, establishment of maturities and rates of interest, and sale by Secretary of the Treasury

The Secretary may issue and have outstanding at any one time notes and other obligations for purchase by the Secretary of the Treasury in an amount which will not, unless authorized by the President, exceed \$1,500,000,000. For the purpose of determining obligations incurred to make loans pursuant to this chapter against any limitation otherwise applicable with respect to such loans, the Secretary shall estimate the maximum amount to be loaned at any one time pursuant to loan agreements then outstanding with public housing agencies. Such notes or other obligations shall be in such forms and denominations and shall be subject to such terms and conditions as may be prescribed by the Secretary with the approval of the Secretary of the Treasury. The notes or other obligations issued under this subsection shall have such maturities and bear such rate or rates of interest as shall be determined by the Secretary of the Treasury. The Secretary of the Treasury is authorized and directed to purchase any notes or other obligations of the Secretary issued hereunder and for such purpose is authorized to use as a public debt transaction the proceeds from the sale of any securities issued under chapter 31 of title 31, and the purposes for which securities may be issued under such chapter are extended to include any purchases of such obligations. The Secretary of the Treasury may at any time sell any of the notes or other obligations acquired by him under this section. All redemptions, purchases, and sales by the Secretary of the Treasury of such notes or other obligations shall be treated as public debt transactions of the United States.

(c) Public and Indian housing financing reforms

(1) At such times as the Secretary may determine, and in accordance with such accounting and other procedures as the Secretary may prescribe, each loan made by the Secretary under subsection (a) of this section that has any principal amount outstanding or any interest amount outstanding or accrued shall be forgiven; and the terms and conditions of any contract, or any amendment to a contract, for such loan with respect to any promise to repay such principal and interest shall be canceled. Such cancellation shall not affect any other terms and conditions of such contract, which shall remain in effect as if the cancellation had not occurred. This paragraph shall not apply to any loan the repayment of which was not to be made using annual contributions, or to any loan all or part of the proceeds of which are due a public housing agency from contractors or others.

(2)(A) On April 7, 1986, each note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section, together with any promise to repay

the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(B) On September 30, 1986, and on any subsequent September 30, each such note or other obligation issued by the Secretary to the Secretary of the Treasury pursuant to subsection (b) of this section during the fiscal year ending on such date, together with any promise to repay the principal and unpaid interest that has accrued on each note or obligation, shall be forgiven; and any other term or condition specified by each such obligation shall be canceled.

(3) Any amount of budget authority (and contract authority) that becomes available during any fiscal year as a result of the forgiveness of any loan, note, or obligation under this subsection shall be rescinded.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1437c, 1437q of this title.

§ 1437c. Contributions for low-income housing projects

(a) Contract authorization; amounts; use as security for obligations of public housing agency; use of existing structures

(1) The Secretary may make annual contributions to public housing agencies to assist in achieving and maintaining the lower income character of their projects. The Secretary shall embody the provisions for such annual contributions in a contract guaranteeing their payment. The contribution payable annually under this section shall in no case exceed a sum equal to the annual amount of principal and interest payable on obligations issued by the public housing agency to finance the development or acquisition cost of the lower income project involved. Annual contributions payable under this section shall be pledged, if the Secretary so requires, as security for obligations issued by a public housing agency to assist the development or acquisition of the project to which annual contributions relate and shall be paid over a period not to exceed 40 years.

(2) The Secretary may make contributions (in the form of grants) to public housing agencies to cover the development cost of public housing projects. The contract under which such contributions shall be made shall specify the amount of capital contributions required for each project to which the contract pertains, and that the terms and conditions of such contract shall remain in effect for a 40-year period.

(3) The amount of contributions that would be established for a newly constructed project by a public housing agency designed to accommodate a number of families of a given size and kind may be established under this section for a project by such public housing agency that would provide housing for the comparable number, sizes, and kinds of families through the acquisition and rehabilitation, or use under lease, of structures that are suitable for low-income housing use and obtained in the local market.

(b) Maximum amount of contributions; regulations; criteria for rates of contribution

The Secretary may prescribe regulations fixing the maximum contributions available under different circumstances, giving consideration to cost, location, size, rent-paying ability of prospective tenants, or other factors bearing upon the amounts and periods of assistance needed to achieve and maintain low rentals. Such regula-

tions may provide for rates of contribution based upon development, acquisition, or operation costs, number of dwelling units, number of persons housed, interest charges, or other appropriate factors.

(c) Limitation on aggregate contractual contributions; contracts for preliminary loans; payments of annual contributions; limitations on specific authorities

(1) The Secretary may enter into contracts for annual contributions aggregating not more than \$7,875,049,000 per annum, which amount shall be increased by \$1,494,400,000 on October 1, 1980, and by \$906,985,000 on October 1, 1981. The additional authority to enter into such contracts provided on or after October 1, 1980, shall be effective only in such amounts as may be approved in appropriation Acts. In addition, the aggregate amount which may be obligated over the duration of the contracts may not exceed \$31,200,000,000 with respect to the additional authority provided on October 1, 1980, and \$18,087,370,000 with respect to the additional authority provided on October 1, 1981.

(2) The Secretary shall enter into only such new contracts for preliminary loans as are consistent with the number of dwelling units for which contracts for annual contributions may be entered into.

(3) The full faith and credit of the United States is solemnly pledged to the payment of all annual contributions contracted for pursuant to this section, and there are hereby authorized to be appropriated in each fiscal year, out of any money in the Treasury not otherwise appropriated, the amounts necessary to provide for such payments.

(4) All payments of annual contributions pursuant to this section shall be made out of any funds available for purposes of this chapter when such payments are due, except that funds obtained through the issuance of obligations pursuant to section 1437b(b) of this title (including repayments or other realizations of the principal of loans made out of such funds) shall not be available for the payment of such annual contributions.

(5) During such period as the Secretary may prescribe for starting construction, the Secretary may approve the conversion of public housing development authority for use under section 1437l of this title or for use for the acquisition and rehabilitation of property to be used in public housing, if the public housing agency, after consultation with the unit of local government, certifies that such assistance would be more effectively used for such purpose, and if the total number of units assisted will not be less than 90 per centum of the units covered by the original reservation.

(6) The aggregate amount of budget authority which may be obligated for contracts for annual contributions and for grants under section 1437o¹ of this title is increased by \$9,912,928,000 on October 1, 1983, and by such sums as may be approved in appropriation Acts on October 1, 1984. (d) Scope of contracts for loans or annual contributions

Any contract for loans or annual contributions, or both, entered into by the Secretary with a public housing agency, may cover one or more than one low-income housing project owned by such public housing agency; in the event the contract covers two or more projects, such projects may, for any of the purposes of this chapter and of such contract (including, but not limited to, the determination of the amount of the loan, annual contributions, or payments in lieu of taxes, specified in such contract), be treated collectively as one project.

(e) Local determination of need as prerequisite for contracts for preliminary loans, and contracts for loans or annual contributions

In recognition that there should be local determination of the need for low-income housing to meet needs not being adequately met by private enterprise—

(1) the Secretary shall not make any contract with a public housing agency for preliminary loans (all of which shall be repaid out of any moneys which become available to such agency for the development of the projects involved) for surveys and planning in respect to any low-income housing projects (i) unless the governing body of the locality involved has by resolution approved the application of the public housing agency for such preliminary loan; and (ii) unless the public housing agency has demonstrated to the satisfaction of the Secretary that there is need for such low-income housing which is not being met by private enterprise; and

Subject to the specific limitations or standards in this chapter governing the terms of sales, rentals, leases, loans, contracts for annual contributions, or other agreements, the Secretary may, whenever he deems it necessary or desirable in the fulfillment of the purposes of this chapter, consent to the modification, with respect to rate of interest, time of payment of any installment of principal or interest, security, amount of annual contribution, or any other term, of any contract or agreement of any kind to which the Secretary is a party. When the Secretary finds that it would promote economy or be in the financial interest of the Federal Government or is necessary to assure or maintain the lower income character of the project or projects involved, any contract heretofore or hereafter made for annual contributions, loans, or both, may be amended or superseded by a contract entered into by mutual agreement between the public housing agency

and the Secretary. Contracts may not be amended or superseded in a manner which would impair the rights of the holders of any outstanding obligations of the public housing agency involved for which annual contributions have been pledged. Any rule of law contrary to this provision shall be deemed inapplicable.

(g) Pledge of annual contributions as guarantee of payment of obligations issued by public housing agency; exception

In addition to the authority of the Secretary under subsection (a) of this section to pledge annual contributions as security for obligations issued by a public housing agency, the Secretary is authorized to pledge annual contributions as a guarantee of payment by a public housing agency of all principal and interest on obligations issued by it to assist the development or acquisition of the project to which the annual contributions relate, except that no obligation shall be guaranteed under this subsection if the income thereon is exempt from Federal taxation.

(h) Sale of project to lower income tenants by public housing agency; terms and conditions; commitment by Secretary to pay annual contribution unaffected

Notwithstanding any other provision of law, a public housing agency may sell a low-income housing project to its lower income tenants, on such terms and conditions as the agency may determine, without affecting the Secretary's commitment to pay annual contributions with respect to that project, but such contributions shall not exceed the maximum contributions authorized under subsection (a) of this section.

(i) Installation of passive or active solar energy systems

In entering into contracts for assistance with respect to newly constructed or substantially rehabilitated projects under this section (other than for projects assisted pursuant to section 1437f of this title), the Secretary shall require the installation of a passive or active solar energy system in any such project where the Secretary determines that such installation would be cost effective over the estimated life of the system.

(j) Limitation on public housing development; assurance of public housing quality standards

(1) After September 30, 1987, in providing assistance under this chapter to a public housing agency for public housing (other than for Indian families), the Secretary shall reserve funds for the development of public housing only if—

(A) the Secretary determines that additional amounts are required to complete the development of dwelling units for which amounts are obligated on or before such date;

(B) the public housing agency certifies to the Secretary that 85 percent of the public housing dwelling units of the public housing agency—

(i) are maintained in substantial compliance with the housing quality standards established by the Secretary under section 1437f(o)(6) of this title;

(ii) will be so maintained upon completion of modernization for which funding has been awarded; or

(iii) will be so maintained upon completion of modernization for which applications are pending that have been submitted in good faith under section 1437f of this title (or a comparable State or local government program) and that there is a reasonable expectation, as determined by the Secretary in writing, that the applications would be approved;

(C) the public housing agency certifies that such development—

(i) will replace dwelling units that are disposed of or demolished by the public housing agency, including dwelling units disposed of or lost through sale to tenants or through units redesign; or

(ii) is required to comply with court orders or directions of the Secretary;

(D) the public housing agency certifies that it has demands for family housing not satisfied by the rental assistance programs established in subsection (b) or (o) of section 1437f of this title for which it plans to construct or acquire projects of not more than 100 units;

(E) in the case of an application for development of projects (or portions of projects) designated under section 1437e(a)(1) of this title for occupancy for elderly families, only if the agency certifies to the Secretary that the use of such assistance will assist in expanding the housing available for eligible persons with disabilities identified in the allocation plan for the agency submitted under section 1437e(f) of this title; and

(F) the Secretary makes such reservation under paragraph (2).

(2)(A) Notwithstanding any other provision of law, the Secretary may reserve not more than 20 percent of any amounts appropriated for development of public housing in each fiscal year for the substantial redesign, reconstruction, or redevelopment of existing obsolete public housing projects or buildings and for the costs of improving the management and operation of projects undergoing redesign, reconstruction, or redevelopment under this paragraph (to the extent that such improvement is necessary to maintain the physical improvements resulting from such redesign, reconstruction, or redevelopment).

(B) For purposes of this paragraph, the term “obsolete public housing project or building” means a public housing project or building (i) having design or marketability problems resulting in vacancy in more than 25 percent of the units, or (ii)(I) for which the costs for redesign, reconstruction, or redevelopment (including any costs for lead-based paint abatement activities) exceed 70 percent of the total development cost limits for new construction of similar units in the area, and (II) which has an occupancy density or a building height that is significantly in excess of that which prevails in the neighborhood in which the project is located, a bedroom configuration that could be altered to better serve the needs of families seeking occupancy to dwellings of the public housing agency, significant security problems in and around the project, or significant physical deterioration or inefficient energy and utility systems.

(C) The Secretary shall allocate amounts reserved under this section to public housing

agencies on the basis of a competition among public housing agencies applying for such amounts. The competition shall be based on—

(i) the management capability of the public housing agency to carry out the redesign, reconstruction, or redevelopment;

(ii) the expected term of the useful life of the project or building after redesign, reconstruction or redevelopment; and

(iii) the likelihood of achieving full occupancy within the projects or buildings of the agency that are to be assisted under this paragraph.

(D) The Secretary shall establish limitations on the total costs of any project or building receiving amounts under this paragraph for redesign, reconstruction, and redevelopment. The cost limitations shall not be related to the total development cost system for new development or to the cost limits for modernization and shall recognize the higher direct costs of such work.

(E) Assistance may not be provided under this paragraph for any project or building assisted under section 1437f of this title.

(F)(i) For each fiscal year for which amounts are reserved or appropriated for the purposes of this paragraph, the Secretary shall establish performance goals to evaluate the effectiveness of the use of such amounts. The goals shall—

(I) be designed to maximize the effectiveness of the expenditures in a quantifiable manner; and

(II) describe the number of units to be redesigned, redeveloped, and reconstructed with such amounts and improvements in the management of projects so assisted to be accomplished with such amounts.

(ii) Not later than 60 days after the end of each such fiscal year, the Secretary shall submit a report to the Congress, which shall describe the performance goals established for the fiscal year, the activities carried out with such amounts, and a statement of whether the performance goals were met. If the performance goals were not met, the report shall contain—

(I) an explanation of why the goals were not met and a description of any managerial deficiencies or legal problems that contributed to not meeting such goals;

(II) plans and a schedule for achieving the level of performance under such performance goals;

(III) recommendations for legislative or regulatory changes necessary to achieve the performance goals or improve performance; and

(IV) a statement of whether the performance goals established for the fiscal year were impractical or infeasible, and, if so, the factors that contributed and resulted in establishing such impractical or infeasible goals and recommendations of actions to meet such goals, which may include changing the goals or altering or eliminating the program under this paragraph for major reconstruction of projects.

(G)(i) In fiscal years 1993 and 1994, the Secretary shall commit for use under clause (ii) not less than 5 percent of any amounts reserved under subparagraph (A) for each such fiscal year.

(ii) The amounts referred to in clause (i) shall be available to public housing agencies only for use for projects (or portions of projects) designated for occupancy under section 1437e(a)(1) and (e) of this title by disabled families.

(iii) In allocating amounts reserved under this subparagraph among public housing agencies, the Secretary shall consider the need for any such amounts as identified in the allocation plans submitted by agencies under section 1437e(f) of this title.

(3)(A) In fiscal years 1993 and 1994, the Secretary shall reserve for use under subparagraph (B) not less than 5 percent of any amounts approved in appropriation Acts for each such fiscal year for public housing grants under subsection (a)(2) of this section that are not designated under such Acts for use under paragraph (2) of this subsection for the substantial redesign, reconstruction, or redevelopment of existing public housing projects, buildings, or units.

(B) Any amount reserved under subparagraph (A) shall be available only to public housing agencies that have designated projects (or portions of projects) for occupancy under section 1437e(a)(1) of this title for use only for the costs of development or acquisition of public housing projects or buildings designated for occupancy under section 1437e(a)(1) and (e) of this title by disabled families. A building so assisted may not contain more than 25 dwelling units, except that the Secretary may (in the discretion of the Secretary) waive such limitation for a building.

(C) The Secretary shall carry out a competition for budget authority reserved under subparagraph (A) among eligible public housing agencies and shall allocate such budget authority to public housing agencies pursuant to the competition, based on (i) the need of the agency for such assistance (taking into consideration the allocation plans submitted under section 1437e(f) of this title by agencies), and (ii) the extent to which the public housing projects and buildings to be developed or assisted meet the requirements of section 1437e(e) of this title.

(k) Limitation on recapture of funding reservations

After the reservation of public housing development funds to a public housing agency, the Secretary may not recapture any of the amounts included in such reservation due to the failure of a public housing agency to begin construction or rehabilitation, or to complete acquisition, during the 30-month period following the date of such reservation. During such 30-month period, the public housing agency shall be permitted to change the site of the public housing project or reformulate the project, if not less than the original number of dwelling units are to be constructed, rehabilitated, or acquired. There shall be excluded from the computation of such 30-month period any delay in the beginning of construction or rehabilitation of such project caused by (1) the failure of the Secretary to process such project within a reasonable period of time; (2) any environmental review requirement; (3) any legal action affecting such project; or (4) any other factor beyond the control of the public housing agency.

(l) Indian public housing

The Secretary may not use as a criterion for distributing assistance under this section the progress made by an Indian public housing agency in collecting rents owed by tenants unless—

(1) such criterion is used as 1 of several criteria that are weighted proportionally and is established by regulations issued after public notice and opportunity to comment in accordance with section 553 of title 5; or

(2) the Secretary determines that the Indian public housing agency has demonstrated a pattern of substantial noncompliance with requirements governing the collection of rents.

§ 1437d. Contract provisions and requirements; loans and annual contributions

(a) Conditions; playgrounds and elevators

The Secretary may include in any contract for loans, contributions, sale, lease, mortgage, or any other agreement or instrument made pursuant to this chapter, such covenants, conditions, or provisions as he may deem necessary in order to insure the lower income character of the project involved. Any such contract may contain a condition requiring the maintenance of an open space or playground in connection with the housing project involved if deemed necessary by the Secretary for the safety or health of children. Any such contract shall require that, except in the case of housing predominantly for elderly or disabled families, high-rise elevator projects shall not be provided for families with children unless the Secretary makes a determination that there is no practical alternative.

(b) Public housing for Indians and Alaska Natives

(1) Each contract for loans (other than preliminary loans) or contributions for the development, acquisition, or operation of public housing and public housing for Indians and Alaska Natives in accordance with the Indian Housing Act of 1988 [42 U.S.C. 1437aa et seq.] shall provide that the total development cost of the project on which the computation of any annual contributions under this chapter may be based may not exceed the amount determined under paragraph (2) (for the appropriate structure type) unless the Secretary provides otherwise, and in any case may not exceed 110 per centum of such amount unless the Secretary for good cause determines otherwise.

(2) For purposes of paragraph (1), the Secretary shall determine the total development cost by multiplying the construction cost guideline for the project (which shall be determined by averaging the current construction costs, as listed by not less than 2 nationally recognized residential construction cost indices, for publicly bid construction of a good and sound quality) by—

- (A) in the case of elevator type structures, 1.6; and
- (B) in the case of nonelevator type structures, 1.75.

(c) Revision of maximum income limits; certification of compliance with requirements; notification of eligibility; informal hearing; compliance with procedures for sound management

Every contract for contributions shall provide that—

- (1) the Secretary may require the public housing agency to review and revise its maximum income limits if the Secretary determines that changed conditions in the locality

make such revision necessary in achieving the purposes of this chapter;

(2) the public housing agency shall determine, and so certify to the Secretary, that each family in the project was admitted in accordance with duly adopted regulations and approved income limits; and the public housing agency shall review the incomes of families living in the project no less frequently than annually;

(3) the public housing agency shall promptly notify (i) any applicant determined to be ineligible for admission to the project of the basis for such determination and provide the applicant upon request, within a reasonable time after the determination is made, with an opportunity for an informal hearing on such determination, and (ii) any applicant determined to be eligible for admission to the project of the approximate date of occupancy insofar as such date can be reasonably determined; and

(4) the public housing agency shall comply with such procedures and requirements as the Secretary may prescribe to assure that sound management practices will be followed in the operation of the project, including requirements pertaining to—

(A) except for projects or portions of projects designated for occupancy pursuant to section 1437e(a) of this title with respect to which the Secretary has determined that application of this subparagraph would result in excessive delays in meeting the housing need of such families, the establishment of tenant selection criteria which—

(i) for not less than 50 percent of the units that are made available for occupancy in a given fiscal year, give preference to families that occupy substandard housing (including families that are homeless or living in a shelter for homeless families), are paying more than 50 percent of family income for rent, or are involuntarily displaced (including displacement because of disposition of a multifamily housing project under section 1701z-11 of title 12) at the time they are seeking assistance under this chapter;

(ii) for any remaining units to be made available for occupancy, give preference in accordance with a system of preferences established by the public housing agency in writing and after public hearing to respond to local housing needs and priorities, which may include (I) assisting very low-income families who either reside in transitional housing assisted under title IV of the Stewart B. McKinney Homeless Assistance Act [42 U.S.C. 11361 et seq.], or participate in a program designed to provide public assistance recipients with greater access to employment and educational opportunities; (II) assisting families in accordance with subsection (u)(2);¹ (III) assisting families identified by local public agencies involved in providing for the welfare of children as having a lack of adequate housing that is a primary factor

in the imminent placement of a child in foster care, or in preventing the discharge of a child from foster care and reunification with his or her family; (IV) assisting youth, upon discharge from foster care, in cases in which return to the family or extended family or adoption is not available; (V) assisting families that include one or more adult members who are employed; and (VI) achieving other objectives of national housing policy as affirmed by Congress; subclause (V) shall be effective only during fiscal year 1995;

(iii) prohibit any individual or family evicted from housing assisted under the² chapter by reason of drug-related criminal activity from having a preference under any provision of this subparagraph for 3 years unless the evicted tenant successfully completes a rehabilitation program approved by the agency, except that the agency may waive the application of this clause under standards established by the Secretary (which shall include waiver for any member of a family of an individual prohibited from tenancy under this clause who the agency determines clearly did not participate in and had no knowledge of such criminal activity or when circumstances leading to eviction no longer exist); and

(iv) are designed to ensure that, to the maximum extent feasible, the projects of an agency will include families with a broad range of incomes and will avoid concentrations of low-income and deprived families with serious social problems.³

(B) the establishment of satisfactory procedures designed to assure the prompt payment and collection of rents and the prompt processing of evictions in the case of non-payment of rent;

(C) the establishment of effective tenant-management relationships designed to assure that satisfactory standards of tenant security and project maintenance are formulated and that the public housing agency (together with tenant councils where they exist) enforces those standards fully and effectively;

(D) the development by local housing authority managements of viable homeownership opportunity programs for low-income families capable of assuming the responsibilities of homeownership;

(E) except in the case of agencies not receiving operating assistance under section 1437g of this title, the establishment and maintenance of a system of accounting for rental collections and costs (including administrative, utility, maintenance, repair and other operating costs) for each project or operating cost center (as determined by the Secretary), which collections and costs shall be made available to the general public and submitted to the appropriate local public official (as determined by the Secretary); except that the Secretary may permit agen-

cies owning or operating less than 500 units to comply with the requirements of this subparagraph by accounting on an agency-wide basis; and

(F) requiring the public housing agency to ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13601 et seq.] and any regulations issued under such subtitle.

(d) Exemption from personal and real property taxes; payments in lieu of taxes; cash contribution or tax remission

Every contract for contributions with respect to a low-income housing project shall provide that no contributions by the Secretary shall be made available for such project unless such project (exclusive of any portion thereof which is not assisted by contributions under this chapter) is exempt from all real and personal property taxes levied or imposed by the State, city, county, or other political subdivision; and such contract shall require the public housing agency to make payments in lieu of taxes equal to 10 per centum of the sum of the shelter rents charged in such project, or such lesser amount as (i) is prescribed by State law, or (ii) is agreed to by the local governing body in its agreement for local cooperation with the public housing agency required under section 1437c(e)(2) of this title, or (iii) is due to failure of a local public body or bodies other than the public housing agency to perform any obligation under such agreement. If any such project is not exempt from all real and personal property taxes levied or imposed by the State, city, county, or other political subdivision, such contract shall provide, in lieu of the requirement for tax exemption and payments in lieu of taxes, that no contributions by the Secretary shall be made available for such project unless and until the State, city, county, or other political subdivision in which such project is situated shall contribute, in the form of cash or tax remission, the amount by which the taxes paid with respect to the project exceed 10 per centum of the shelter rents charged in such project.

(e) Excess funds

Every contract for annual contributions shall provide that whenever in any year the receipts of a public housing agency in connection with a low-income housing project exceed its expenditures (including debt service, operation, maintenance, establishment of reserves, and other costs and charges), an amount equal to such excess shall be applied, or set aside for application, to purposes, which, in the determination of the Secretary, will effect a reduction in the amount of subsequent annual contributions.

(f) Repealed. Pub. L. 98-181, title II, § 214(b), Nov. 30, 1983, 97 Stat. 1185

(g) Substantial default; conveyance of title and delivery of possession; reconveyance and redelivery; payments for outstanding obligations

Every contract for contributions (including contracts which amend or supersede contracts previously made) may provide that—

³So in original. The period probably should be a semicolon.

(1) upon the occurrence of a substantial default in respect to the covenants or conditions to which the public housing agency is subject (as such substantial default shall be defined in such contract), the public housing agency shall be obligated at the option of the Secretary either to convey title in any case where, in the determination of the Secretary (which determination shall be final and conclusive), such conveyance of title is necessary to achieve the purposes of this chapter, or to deliver to the Secretary possession of the project, as then constituted, to which such contract relates; and

(2) the Secretary shall be obligated to reconvey or redeliver possession of the project as constituted at the time of reconveyance or redelivery, to such public housing agency or to its successor (if such public housing agency or a successor exists) upon such terms as shall be prescribed in such contract, and as soon as practicable (i) after the Secretary is satisfied that all defaults with respect to the project have been cured, and that the project will, in order to fulfill the purposes of this chapter, thereafter be operated in accordance with the terms of such contract; or (ii) after the termination of the obligation to make annual contributions available unless there are any obligations or covenants of the public housing agency to the Secretary which are then in default. Any prior conveyances and reconveyances or deliveries and redeliveries of possession shall not exhaust the right to require a conveyance or delivery of possession of the project to the Secretary pursuant to subparagraph (1) upon the subsequent occurrence of a substantial default.

Whenever such a contract for annual contributions includes provisions which the Secretary in such contract determines are in accordance with this subsection, and the portion of the annual contribution payable for debt service requirements pursuant to such contract has been pledged by the public housing agency as security for the payment of the principal and interest on any of its obligations, the Secretary (notwithstanding any other provisions of this chapter) shall continue to make such annual contributions available for the project so long as any of such obligations remain outstanding, and may covenant in such contract that in any event such annual contributions shall in each year be at least equal to an amount which, together with such income or other funds as are actually available from the project for the purpose at the time such annual contribution is made, will suffice for the payment of all installments, falling due within the next succeeding twelve months, of principal and interest on the obligations for which the annual contributions provided for in the contract shall have been pledged as security. In no case shall such annual contributions be in excess of the maximum sum specified in the contract involved, nor for longer than the remainder of the maximum period fixed by the contract.

(h) New construction contracts

On or after October 1, 1983, the Secretary may enter into a contract involving new construc-

tion only if the public housing agency demonstrates to the satisfaction of the Secretary that the cost of new construction in the neighborhood where the public housing agency determines the housing is needed is less than the cost of acquisition or acquisition and rehabilitation in such neighborhood, including any reserve fund under subsection (i) of this section, would be.

(i) Reserve fund; major repairs

The Secretary may, upon application by a public housing agency in connection with the acquisition of housing for use as public housing, establish and set aside a reserve fund in an amount not to exceed 30 per centum of the acquisition cost which shall be available for use for major repairs to such housing.

(j) Performance indicators for public housing agencies

(1) The Secretary shall develop and publish in the Federal Register indicators to assess the management performance of public housing agencies and resident management corporations. The indicators shall be established by rule under section 553 of title 5. Such indicators shall enable the Secretary to evaluate the performance of public housing agencies and resident management corporations in all major areas of management operations. The Secretary shall, in particular, use the following indicators for public housing agencies, to the extent practicable:

(A) The number and percentage of vacancies within an agency's inventory, including the progress that an agency has made within the previous 3 years to reduce such vacancies.

(B) The amount and percentage of funds obligated to the public housing agency under section 1437f of this title which remain unexpended after 3 years.

(C) The percentage of rents uncollected.

(D) The energy consumption (with appropriate adjustments to reflect different regions and unit sizes).

(E) The average period of time that an agency requires to repair and turn-around vacant units.

(F) The proportion of maintenance work orders outstanding, including any progress that an agency has made during the preceding 3 years to reduce the period of time required to complete maintenance work orders.

(G) The percentage of units that an agency fails to inspect to ascertain maintenance or modernization needs within such period of time as the Secretary deems appropriate (with appropriate adjustments, if any, for large and small agencies).

(H) Any other factors as the Secretary deems appropriate which shall not exceed the seven factors in the statute, plus an additional five.

(I) The Secretary shall:

(1) administer the system of evaluating public housing agencies flexibly to ensure that such agencies are not penalized as result of circumstances beyond their control;

(2) reflect in the weights assigned to the various indicators the differences in the difficulty of managing individual projects that result from their physical condition and their neighborhood environment; and

(3) determine a public housing agency's status as "troubled with respect to the program under section 1437l of this title" based upon factors solely related to its ability to carry out that program.

(2)(A)(i) The Secretary shall, under the rule-making procedures under section 553 of title 5, establish procedures for designating troubled public housing agencies, which procedures shall include identification of serious and substantial failure to perform as measured by the performance indicators specified under paragraph (1) and such other factors as the Secretary may deem to be appropriate. The Secretary shall also designate, by rule under section 553 of title 5, agencies that are troubled with respect to the program under section 1437l of this title.

(ii) The Secretary may also, in consultation with national organizations representing public housing agencies and public officials (as the Secretary determines appropriate), identify and commend public housing agencies that meet the performance standards established under paragraph (1) in an exemplary manner.

(iii) The Secretary shall establish procedures for public housing agencies to appeal designation as a troubled agency (including designation as a troubled agency for purposes of the program under section 1437l of this title), to petition for removal of such designation, and to appeal any refusal to remove such designation.

(B)(i) Upon designating a public housing agency as troubled pursuant to subparagraph (A) and determining that an assessment under this subparagraph will not duplicate any review conducted under section 1437l(p) of this title, the Secretary shall provide for an on-site, independent assessment of the management of the agency.

(ii) To the extent the Secretary deems appropriate (taking into account an agency's performance under the indicators specified under paragraph (1)), the assessment team shall also consider issues relating to the agency's resident population and physical inventory, including the extent to which (I) the agency's comprehensive plan prepared pursuant to section 1437l of this title adequately and appropriately addresses the rehabilitation needs of the agency's inventory, (II) residents of the agency are involved in and informed of significant management decisions, and (III) any projects in the agency's inventory are severely distressed and eligible for assistance pursuant to section 1437v of this title.

(iii) An independent assessment under this subparagraph shall be carried out by a team of knowledgeable individuals selected by the Secretary (referred to in this section as the "assessment team") with expertise in public housing and real estate management. In conducting an assessment, the assessment team shall consult with the residents and with public and private entities in the jurisdiction in which the public housing is located. The assessment team shall provide to the Secretary and the public housing agency a written report, which shall contain, at a minimum, recommendations for such management improvements as are necessary to eliminate or substantially remedy existing deficiencies.

(C) The Secretary shall seek to enter into an agreement with each troubled public housing

agency, after reviewing the report submitted pursuant to subparagraph (B) and consulting with the agency's assessment team. Such agreement shall set forth—

(i) targets for improving performance as measured by the performance indicators specified under paragraph (1) and other requirements within a specified period of time;

(ii) strategies for meeting such targets, including a description of the technical assistance that the Secretary will make available to the agency; and

(iii) incentives or sanctions for effective implementation of such strategies, which may include any constraints on the use of funds that the Secretary determines are appropriate.

To the extent the Secretary deems appropriate (taking into account an agency's performance under the indicators specified under paragraph (1)), such agreement shall also set forth a plan for enhancing resident involvement in the management of the public housing agency. The Secretary and the public housing agency shall, to the maximum extent practicable, seek the assistance of local public and private entities in carrying out the agreement.

(D) The Secretary shall apply the provisions of this paragraph to resident management corporations as well as public housing agencies.

(3)(A) Notwithstanding any other provision of law or of any contract for contributions, upon the occurrence of events or conditions that constitute a substantial default by a public housing agency with respect to the covenants or conditions to which the public housing agency is subject or an agreement entered into under paragraph (2), the Secretary may—

(i) solicit competitive proposals from other public housing agencies and private housing management agents (which may be selected by existing tenants through administrative procedures established by the Secretary) in the eventuality that these agents may be needed for managing all, or part, of the housing administered by a public housing agency;

(ii) petition for the appointment of a receiver (which may be another public housing agency or a private management corporation) of the public housing agency to any district court of the United States or to any court of the State in which the real property of the public housing agency is situated, that is authorized to appoint a receiver for the purposes and having the powers prescribed in this subsection;

(iii) solicit competitive proposals from other public housing agencies and private entities with experience in construction management in the eventuality that such agencies or firms may be needed to oversee implementation of assistance made available under section 1437l of this title for the housing; and

(iv) require the agency to make other arrangements acceptable to the Secretary and in the best interests of the public housing residents for managing all, or part of, such housing.

Residents of a public housing agency designated as troubled pursuant to paragraph (2)(A) may pe-

tition the Secretary in writing to take 1 or more of the actions referred to in this subparagraph. The Secretary shall respond to such petitions in a timely manner with a written description of the actions, if any, the Secretary plans to take and, where applicable, the reasons why such actions differ from the course proposed by the residents.

(B) The Secretary may make available to receivers and other entities selected or appointed pursuant to this paragraph such assistance as is necessary to remedy the substantial deterioration of living conditions in individual public housing developments or other related emergencies that endanger the health, safety and welfare of the residents.

(C) In any proceeding under subparagraph (A)(ii), upon a determination that a substantial default has occurred, and without regard to the availability of alternative remedies, the court shall appoint a receiver to conduct the affairs of the public housing agency in a manner consistent with this chapter and in accordance with such further terms and conditions as the court may provide. The court shall have power to grant appropriate temporary or preliminary relief pending final disposition of the petition by the Secretary.

(D) The appointment of a receiver pursuant to this subsection may be terminated, upon the petition of any party, when the court determines that all defaults have been cured and the housing operated by the public housing agency will thereafter be operated in accordance with the covenants and conditions to which the public housing agency is subject.

(4) The Secretary shall submit to the Congress annually, as a part of the report of the Secretary under section 3536 of this title, a report that—

(A) identifies the public housing agencies that have been designated as troubled under paragraph (2);

(B) describes the grounds on which such public housing agencies were designated as troubled and continue to be so designated;

(C) describes the agreements that have been entered into with such agencies under such paragraph;

(D) describes the status of progress under such agreements;

(E) describes any action that has been taken in accordance with paragraph (3), including an accounting of the authorized funds that have been expended to support such actions; and

(F) describes the status of any public housing agency designated as troubled with respect to the program under section 1437l of this title and specifies the amount of assistance the agency received under section 1437l of this title and any credits accumulated by the agency under section 1437l(k)(5)(D) of this title.

(k) Administrative grievance procedure regulations: grounds of adverse action, hearing, examination of documents, representation, evidence, decision; judicial hearing; eviction and termination procedures

The Secretary shall by regulation require each public housing agency receiving assistance under this chapter to establish and implement

an administrative grievance procedure under which tenants will—

(1) be advised of the specific grounds of any proposed adverse public housing agency action;

(2) have an opportunity for a hearing before an impartial party upon timely request within any period applicable under subsection (l) of this section;

(3) have an opportunity to examine any documents or records or regulations related to the proposed action;

(4) be entitled to be represented by another person of their choice at any hearing;

(5) be entitled to ask questions of witnesses and have others make statements on their behalf; and

(6) be entitled to receive a written decision by the public housing agency on the proposed action.

For any grievance concerning an eviction or termination of tenancy that involves any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises of other tenants or employees of the public housing agency or any drug-related criminal activity on or near such premises, the agency may (A) establish an expedited grievance procedure as the Secretary shall provide by rule under section 553 of title 5, or (B) exclude from its grievance procedure any such grievance, in any jurisdiction which requires that prior to eviction, a tenant be given a hearing in court which the Secretary determines provides the basic elements of due process (which the Secretary shall establish by rule under section 553 of title 5). Such elements of due process shall not include a requirement that the tenant be provided an opportunity to examine relevant documents within the possession of the public housing agency. The agency shall provide to the tenant a reasonable opportunity, prior to hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination.

(l) Leases; terms and conditions; maintenance; termination

Each public housing agency shall utilize leases which—

(1) do not contain unreasonable terms and conditions;

(2) obligate the public housing agency to maintain the project in a decent, safe, and sanitary condition;

(3) require the public housing agency to give adequate written notice of termination of the lease which shall not be less than—

(A) a reasonable time, but not to exceed 30 days, when the health or safety of other tenants or public housing agency employees is threatened;

(B) 14 days in the case of nonpayment of rent; and

(C) 30 days in any other case;

(4) require that the public housing agency may not terminate the tenancy except for serious or repeated violation of the terms or conditions of the lease or for other good cause;

(5) provide that any criminal activity that threatens the health, safety, or right to peace-

ful enjoyment of the premises by other tenants or any drug-related criminal activity on or near such premises, engaged in by a public housing tenant, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy; and

(6) specify that with respect to any notice of eviction or termination, notwithstanding any State law, a public housing tenant shall be informed of the opportunity, prior to any hearing or trial, to examine any relevant documents, records, or regulations directly related to the eviction or termination.

For purposes of paragraph (5), the term "drug-related criminal activity" means the illegal manufacture, sale, distribution, use, or possession with intent to manufacture, sell, distribute, or use, of a controlled substance (as defined in section 802 of title 21).

(m) Reporting requirements; limitation

The Secretary shall not impose any unnecessarily duplicative or burdensome reporting requirements on tenants or public housing agencies assisted under this chapter.

(n) Notice to post office regarding eviction for criminal activity

When a public housing agency evicts an individual or family from a dwelling unit for engaging in criminal activity, including drug-related criminal activity, the public housing agency shall notify the local post office serving that dwelling unit that such individual or family is no longer residing in the dwelling unit.

(o) Public housing assistance for foster care children

Subject to the preference rules specified in subsection (c)(4)(A) of this section, in providing housing in low-income housing projects, each public housing agency may coordinate with any local public agencies involved in providing for the welfare of children to make available dwelling units to—

(1) families identified by the agencies as having a lack of adequate housing that is a primary factor—

(A) in the imminent placement of a child in foster care; or

(B) in preventing the discharge of a child from foster care and reunification with his or her family; and

(2) youth, upon discharge from foster care, in cases in which return to the family or extended family or adoption is not available.

(p) Preference for areas with inadequate supply of very low-income housing

With respect to amounts available for obligation on or after October 1, 1991, the criteria established under section 1439(d)(5)(B) of this title for any competition for assistance for new construction, acquisition, or acquisition and rehabilitation of public housing shall give preference to applications for housing to be located in a local market area that has an inadequate supply of housing available for use by very low-income families. The Secretary shall establish criteria for determining that the housing supply of a

local market area is inadequate, which shall require—

(1)(A) information regarding housing market conditions showing that the supply of rental housing affordable by very low-income families is inadequate, taking into account vacancy rates in such housing and other market indicators; and

(B) evidence that significant numbers of families in the local market area holding certificates and vouchers under section 1437f of this title are experiencing significant difficulty in leasing housing meeting program and family-size requirements; or

(2) evidence that the proposed development would provide increased housing opportunities for minorities or address special housing needs.

§ 1437e. Designated housing

(a) Authority to provide designated housing

(1) In general

Notwithstanding any other provision of law, a public housing agency whose allocation plan under subsection (f) of this section (and any biannual update) has been approved by the Secretary may, to the extent provided in the allocation plan, provide public housing projects (or portions of projects) designated for occupancy by (A) only elderly families, (B) only disabled families (subject to the provisions of subsection (e) of this section), or (C) elderly and disabled families.

(2) Priority for occupancy

In determining priority for admission to public housing projects (or portions of projects) that are designated for occupancy as provided in paragraph (1), the public housing agency may make units in such projects (or portions) available only to the types of families for whom the project is designated. Among such types of families, preference for

occupancy in such projects (or portions) shall be given according to the preferences for occupancy under section 1437d(c)(4)(A) of this title.

(3) Eligibility of near-elderly families

If a public housing agency determines (in accordance with regulations established by the Secretary) that there are insufficient numbers of elderly families to fill all the units in a project (or portion of a project) designated under paragraph (1) for occupancy by only elderly families, the agency may (pursuant to the approved allocation plan under subsection (f) of this section for the agency) provide that near-elderly families who qualify for preferences for occupancy under section 1437d(c)(4)(A) of this title may occupy dwelling units in the project (or portion).

(4) Vacancy

Notwithstanding the authority under paragraphs (1) and (2) to designate public housing projects (or portions of projects) for occupancy by only certain types of families, a public housing agency shall make any dwelling unit that is ready for occupancy in such a project (or portion of a project) that has been vacant for more than 60 consecutive days generally available for occupancy (subject to the requirements of this subchapter) without regard to such designation.

(b) Availability of housing

(1) Tenant choice

The decision of any disabled family not to occupy or accept occupancy in an appropriate type of project or assistance made available to the family under this subchapter shall not adversely affect the family with respect to a public housing agency making available occupancy in other appropriate projects in public housing or assistance under this subchapter.

(2) Discriminatory selection

Paragraph (1) shall not apply to any family who decides not to occupy or accept an appropriate dwelling unit in public housing or to accept assistance under this chapter on the basis of the race, color, religion, sex, disability, familial status, or national origin of occupants of housing or the surrounding area.

(3) Appropriateness of dwelling units

This section may not be construed to require a public housing agency to offer occupancy in any dwelling unit assisted under this chapter to any family who is not of appropriate family size for the dwelling unit.

(c) Prohibition of evictions

Any tenant who is lawfully residing in a dwelling unit in the project may not be evicted or otherwise required to vacate such unit because of the designation of the project (or portion of a project) or because of any action taken by the Secretary of Housing and Urban Development or any public housing agency pursuant to this section.

(d) Accommodation of housing and service needs

In designing, developing, otherwise acquiring and operating, designating, and providing housing and assistance under this subchapter, each

public housing agency shall meet, to the extent practicable, the housing and service needs of eligible families applying for assistance under this subchapter, as provided in any allocation plan of the agency approved under subsection (f) of this section. The Secretary shall establish the form and procedures for submission and approval of applications under this subsection.

(2) Contents

An application under this subsection shall contain—

(ii) a supportive service plan—

(I) describing the needs of persons with disabilities that the housing is expected to serve;

(II) providing for delivery of supportive services appropriate to meet the individual needs of persons with disabilities occupying the housing;

(III) describing the experience of the applicant (or service providers) in providing such services;

(IV) describing the manner in which such services will be provided to such persons; and

(V) identifying any State, local, other Federal, or other funds available for providing such services; and

(iii) any other information or certification that the Secretary considers appropriate.

(ii) the applicant (or service providers) have sufficient experience in providing supportive services;

(iii) residential supervision will be provided in the housing sufficient to facilitate the provision of supportive services; and

(iv) the supportive services are adequately designed to meet the special needs of the tenants.

(f) Allocation plans

(1) Requirement

A public housing agency may not designate a project (or portion of a project) for occupancy under subsection (a)(1) of this section unless the agency submits an allocation plan under this subsection and the plan is approved under paragraph (4) of this subsection.

(2) Contents

An allocation plan submitted under this subsection by a public housing agency shall include—

(A) a description of the projects (or portions of projects) to be designated and the types of tenants occupying such projects (or portions);

(B) a description of the estimated pool of applicants for such housing, based on the waiting lists for such housing, and any information collected in the comprehensive housing affordability strategy under section 12705 of this title for the jurisdiction within which the area served by the public housing agency is located;

(C) a statement identifying the projects or portions of projects (including the buildings or floors) to be designated for occupancy under subsection (a)(1) of this section for only certain types of families, the types of families who will be eligible for occupancy in such projects (or portions), and the reasons for the designation;

(D) documentation of the number of units in the projects (or portions) identified under subparagraph (C) which became vacant and available for occupancy during the preceding year;

(E) an estimate of the number of units in the projects (or portions) identified under subparagraph (C) that will become vacant and available for occupancy during the ensuing 2-year period;

(F) a description of the occupancy policies and procedures, including procedures for

maintaining waiting lists for eligible applicants who are elderly families or disabled families for occupancy in units in projects administered by the agency sufficient to document the number and duration of instances in which housing assistance for eligible applicants will be denied or delayed by the agency because of a lack of appropriately designated units;

(G) a plan for securing sufficient additional resources that the agency owns, controls, or has received preliminary notification that it will obtain, or for which the agency plans to apply, that will be sufficient to provide assistance to not less than the number of nonelderly disabled families that would have been housed if occupancy in such units were not restricted pursuant to this section; and

(H) any comments of agencies, organizations, or persons with whom the public housing agency consults under paragraph (3).

(3) Development

In preparing the initial allocation plan, or updates of a plan under paragraph (5), for submission under this subsection, a public housing agency shall consult with the State or unit of general local government in whose jurisdiction the area served by the public housing agency is located, public and private service providers, advocates for the interest of eligible elderly families, disabled families, and families with children, and other interested parties.

(4) Approval

(A) Criteria

The Secretary shall approve an allocation plan, or an updated plan, submitted under this subsection if the Secretary determines that, based on the plan and comments submitted pursuant to paragraph (2)(H)—

(i) the information contained in the plan is complete and accurate and the projections are reasonable;

(ii) implementation of the plan will not result in excessive vacancy rates in projects (or portions of projects) identified in paragraph (2)(C); and

(iii) the plan under paragraph (2)(G) can reasonably be achieved.

(B) Notification

(i) In general

The Secretary shall notify each public housing agency submitting an allocation plan under this subsection in writing of approval or disapproval of the plan.

(ii) Timing

A plan shall be considered to be approved if the Secretary does not notify the public housing agency of approval or disapproval of the initial or revised plan within (I) 90 days after the submission of any plan that contains comments pursuant to paragraph (2)(H), or (II) 45 days for any other plan.

(iii) Resubmission

If the Secretary disapproves the plan, the Secretary shall, for a period of not less

than 45 days following the date of disapproval, permit amendments to, or resubmission of, the plan.

(C) Rule of construction

The approval of an allocation plan or updated plan under this subsection may not be construed to constitute approval of any request for assistance for major reconstruction of obsolete projects, assistance for development or acquisition of public housing, or assistance under section 8013(b)(1) of this title, that are contained in the plan pursuant to subparagraph (H).²

(5) Biannual update

(A) In general

Each public housing agency that owns or operates a project (or portion of a project) that is designated for occupancy under subsection (a)(1) of this section shall update the plan of the agency under this subsection not less than once every 2 years, as the Secretary shall provide. The Secretary shall notify each public housing agency submitting an updated plan under this paragraph of approval or disapproval of the updated plan as required under paragraph (4)(B), and the provisions of such paragraph shall apply to updated plans under this paragraph.

(B) Contents

The updated plan shall include—

(i) a review of the data and projections contained in the allocation plan and the most recent update submitted under this subsection;

(ii) an assessment of the accuracy of the projections contained in such plan and update;

(iii) a statement of the number of times a vacancy was filled pursuant to subsection (a)(4) of this section;

(iv) a statement of the number of times an application for housing assistance by an eligible applicant was denied or delayed because of a lack of appropriately designated units; and

(v) a plan for adjusting the allocation, if necessary, in accordance with the needs identified pursuant to this subparagraph.

(C) Standards for approval

The Secretary shall establish standards for preparation, submission, and approval of updated plans.

(g) Prohibition of coercion

No elderly or disabled family residing in any public housing project may be required to accept services.

Section 8013(b)(1) of this title, referred to in subsec. (d)(3), was in the original “section 811(b)(1)”, and was translated as reading section 811(b)(1) of the Cranston-Gonzalez National Affordable Housing Act, Pub. L. 101-625, to reflect the probable intent of Congress, because the United States Housing Act of 1937 does not contain a section 811.

INAPPLICABILITY OF CERTAIN 1992 AMENDMENTS TO INDIAN PUBLIC HOUSING

Amendment by Pub. L. 102-550 not applicable with respect to lower income housing developed or operated pursuant to contract between Secretary of Housing and Urban Development and Indian housing authority, see section 626 of Pub. L. 102-550, set out as a note under section 1437a of this title.

SECTION REFERRED TO IN OTHER SECTIONS

This section is referred to in sections 1437c, 1437d, 8013 of this title.

§ 1437f. Low-income housing assistance**(a) Authorization for assistance payments**

For the purpose of aiding low-income families in obtaining a decent place to live and of promoting economically mixed housing, assistance payments may be made with respect to existing housing in accordance with the provisions of this section. A public housing agency may contract to make assistance payments to itself (or any agency or instrumentality thereof) as the

owner of dwelling units if such agency is subject to the same program requirements as are applied to other owners. In such cases, the Secretary may establish initial rents within applicable limits.

(b) Rental certificates and other existing housing programs

[(1)]¹ The Secretary is authorized to enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make assistance payments to owners of existing dwelling units in accordance with this section. The Secretary shall enter into a separate annual contributions contract with each public housing agency to obligate the authority approved each year, beginning with the authority approved in appropriations Acts for fiscal year 1988 (other than amendment authority to increase assistance payments being made using authority approved prior to the appropriations Acts for fiscal year 1988), and such annual contributions contract (other than for annual contributions under subsection (o) of this section) shall bind the Secretary to make such authority, and any amendments increasing such authority, available to the public housing agency for a specified period. In areas where no public housing agency has been organized or where the Secretary determines that a public housing agency is unable to implement the provisions of this section, the Secretary is authorized to enter into such contracts and to perform the other functions assigned to a public housing agency by this section.

(2)¹ The Secretary is authorized to enter into annual contributions contracts with public housing agencies for the purpose of replacing public housing transferred in accordance with subchapter II-A of this chapter. Each contract entered into under this subsection shall be for a term of not more than 60 months.

(c) Contents and purposes of contracts for assistance payments; amount and scope of monthly assistance payments

(1) An assistance contract entered into pursuant to this section shall establish the maximum monthly rent (including utilities and all maintenance and management charges) which the owner is entitled to receive for each dwelling unit with respect to which such assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically but not less than annually for existing or newly constructed rental dwelling units of various sizes and types in the market area suitable for occupancy by persons assisted under this section, except that the maximum monthly rent may exceed the fair market rental (A) by more than 10 but not more than 20 per centum where the Secretary determines that special circumstances warrant such higher maximum rent or that such higher rent is necessary to the implementation of a housing strategy as defined in section 12705 of this title, or (B) by such higher amount as may be requested by a

¹ Par. (1) designation struck out and par. (2) added by Pub. L. 101-625.

tenant and approved by the public housing agency in accordance with paragraph (3)(B). In the case of newly constructed and substantially rehabilitated units, the exception in the preceding sentence shall not apply to more than 20 percent of the total amount of authority to enter into annual contributions contracts for such units which is allocated to an area and obligated with respect to any fiscal year beginning on or after October 1, 1980. Proposed fair market rentals for an area shall be published in the Federal Register with reasonable time for public comment, and shall become effective upon the date of publication in final form in the Federal Register. Each fair market rental in effect under this subsection shall be adjusted to be effective on October 1 of each year to reflect changes, based on the most recent available data trended so the rentals will be current for the year to which they apply, of rents for existing or newly constructed rental dwelling units, as the case may be, of various sizes and types in the market area suitable for occupancy by persons assisted under this section. Notwithstanding any other provision of this section, after October 12, 1977, the Secretary shall prohibit high-rise elevator projects for families with children unless there is no practical alternative. The Secretary shall establish separate fair market rentals under this paragraph for Westchester County in the State of New York. The Secretary shall also establish separate fair market rentals under this paragraph for Monroe County in the Commonwealth of Pennsylvania. In establishing fair market rentals for the remaining portion of the market area in which Monroe County is located, the Secretary shall establish the fair market rentals as if such portion included Monroe County. If units assisted under this section are exempt from local rent control while they are so assisted or otherwise, the maximum monthly rent for such units shall be reasonable in comparison with other units in the market area that are exempt from local rent control.

(2)(A) The assistance contract shall provide for adjustment annually or more frequently in the maximum monthly rents for units covered by the contract to reflect changes in the fair market rentals established in the housing area for similar types and sizes of dwelling units or, if the Secretary determines, on the basis of a reasonable formula. However, where the maximum monthly rent, for a unit in a new construction, substantial rehabilitation, or moderate rehabilitation project, to be adjusted using an annual adjustment factor exceeds the fair market rental for an existing dwelling unit in the market area, the Secretary shall adjust the rent only to the extent that the owner demonstrates that the adjusted rent would not exceed the rent for an unassisted unit of similar quality, type, and age in the same market area, as determined by the Secretary. The immediately foregoing sentence shall be effective only during fiscal year 1995. For any unit occupied by the same family at the time of the last annual rental adjustment, where the assistance contract provides for the adjustment of the maximum monthly rent by applying an annual adjustment factor and where the rent for a unit is otherwise eligible for an adjustment based on the full amount of the fac-

tor, 0.01 shall be subtracted from the amount of the factor, except that the factor shall not be reduced to less than 1.0. The immediately foregoing sentence shall be effective only during fiscal year 1995.

(B) The contract shall further provide for the Secretary to make additional adjustments in the maximum monthly rent for units under contract to the extent he determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units which have resulted from substantial general increases in real property taxes, utility rates, or similar costs which are not adequately compensated for by the adjustment in the maximum monthly rent authorized by subparagraph (A). The Secretary shall make additional adjustments in the maximum monthly rent for units under contract (subject to the availability of appropriations for contract amendments) to the extent the Secretary determines such adjustments are necessary to reflect increases in the actual and necessary expenses of owning and maintaining the units that have resulted from the expiration of a real property tax exemption. Where the Secretary determines that a project assisted under this section is located in a community where drug-related criminal activity is generally prevalent and the project's operating, maintenance, and capital repair expenses have been substantially increased primarily as a result of the prevalence of such drug-related activity, the Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments for this purpose), on a project by project basis, provide adjustments to the maximum monthly rents, to a level no greater than 120 percent of the project rents, to cover the costs of maintenance, security, capital repairs, and reserves required for the owner to carry out a strategy acceptable to the Secretary for addressing the problem of drug-related criminal activity. Any rent comparability standard required under this paragraph may be waived by the Secretary to so implement the preceding sentence. The Secretary may (at the discretion of the Secretary and subject to the availability of appropriations for contract amendments), on a project by project basis for projects receiving project-based assistance, provide adjustments to the maximum monthly rents to cover the costs of evaluating and reducing lead-based paint hazards, as defined in section 4851b of this title.

(C) Adjustments in the maximum rents under subparagraphs (A) and (B) shall not result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, as determined by the Secretary. In implementing the limitation established under the preceding sentence, the Secretary shall establish regulations for conducting comparability studies for projects where the Secretary has reason to believe that the application of the formula adjustments under subparagraph (A) would result in such material differences. The Secretary shall conduct such studies upon the request of any owner of any project, or as the Secretary determines to be appropriate by establishing, to the extent practicable, a modified annual adjust-

ment factor for such market area, as the Secretary shall designate, that is geographically smaller than the applicable housing area used for the establishment of the annual adjustment factor under subparagraph (A). The Secretary shall establish such modified annual adjustment factor on the basis of the results of a study conducted by the Secretary of the rents charged, and any change in such rents over the previous year, for assisted units and unassisted units of similar quality, type, and age in the smaller market area. Where the Secretary determines that such modified annual adjustment factor cannot be established or that such factor when applied to a particular project would result in material differences between the rents charged for assisted units and unassisted units of similar quality, type, and age in the same market area, the Secretary may apply an alternative methodology for conducting comparability studies in order to establish rents that are not materially different from rents charged for comparable unassisted units. If the Secretary or appropriate State agency does not complete and submit to the project owner a comparability study not later than 60 days before the anniversary date of the assistance contract under this section, the automatic annual adjustment factor shall be applied. The Secretary may not reduce the contract rents in effect on or after April 15, 1987, for newly constructed, substantially rehabilitated, or moderately rehabilitated projects assisted under this section (including projects assisted under this section as in effect prior to November 30, 1983), unless the project has been refinanced in a manner that reduces the periodic payments of the owner. Any maximum monthly rent that has been reduced by the Secretary after April 14, 1987, and prior to November 7, 1988, shall be restored to the maximum monthly rent in effect on April 15, 1987. For any project which has had its maximum monthly rents reduced after April 14, 1987, the Secretary shall make assistance payments (from amounts reserved for the original contract) to the owner of such project in an amount equal to the difference between the maximum monthly rents in effect on April 15, 1987, and the reduced maximum monthly rents, multiplied by the number of months that the reduced maximum monthly rents were in effect.

(3)(A) The amount of the monthly assistance payment with respect to any dwelling unit shall be the difference between the maximum monthly rent which the contract provides that the owner is to receive for the unit and the rent the family is required to pay under section 1437a(a) of this title. Reviews of family income shall be made no less frequently than annually.

(B)(i) A family receiving tenant-based rental assistance under subsection (b)(1) of this section may pay a higher percentage of income than that specified under section 1437a(a) of this title if—

(I) the family notifies the local public housing agency of its interest in a unit renting for an amount which exceeds the permissible maximum monthly rent established for the market area under paragraph (1), and

(II) such agency determines that the rent for the unit and the rental payments of the family are reasonable, after taking into account

other family expenses (including child care, unreimbursed medical expenses, and other appropriate family expenses).

(ii) A public housing agency shall not approve such excess rentals for more than 10 percent of its annual allocation of incremental rental assistance under subsection (b)(1) of this section. A public housing agency that approves such excess rentals for more than 5 percent of its annual allocation shall submit a report to the Secretary not later than 30 days following the end of the fiscal year. The report shall be submitted in such form and in accordance with such procedures as the Secretary shall establish and shall describe the public housing agency's reasons for making the exceptions, including any available evidence that the exceptions were made necessary by problems with the fair market rent established for the area. The Secretary shall ensure that each report submitted in accordance with this clause is readily available for public inspection for a period of not less than 3 years, beginning not less than 30 days following the date on which the report is submitted to the Secretary.

(iii) The Secretary shall, not later than 3 months following the end of each fiscal year, submit a report to Congress that identifies the public housing agencies that have submitted reports for such fiscal year under clause (ii), summarizes and assesses such reports, and includes recommendations for such legislative or administrative actions that the Secretary deems appropriate to correct problems identified in such reports.

(4) The assistance contract shall provide that assistance payments may be made only with respect to a dwelling unit under lease for occupancy by a family determined to be a lower income family at the time it initially occupied such dwelling unit or by a family that qualifies to receive assistance under subsection (b) of this section pursuant to section 223 or 226 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 [12 U.S.C. 4113, 4116], except that such payments may be made with respect to unoccupied units for a period not exceeding sixty days (A) in the event that a family vacates a dwelling unit before the expiration date of the lease for occupancy or (B) where a good faith effort is being made to fill an unoccupied unit, and, subject to the provisions of the following sentence, such payments may be made, in the case of a newly constructed or substantially rehabilitated project, after such sixty-day period in an amount equal to the debt service attributable to such an unoccupied dwelling unit for a period not to exceed one year, if a good faith effort is being made to fill the unit and the unit provides decent, safe, and sanitary housing. No such payment may be made after such sixty-day period if the Secretary determines that the dwelling unit is in a project which provides the owner with revenues exceeding the costs incurred by such owner with respect to such project.

(5) Assistance payments may be made with respect to up to 100 per centum of the dwelling units in any structure upon the application of the owner or prospective owner. Within the category of projects containing more than fifty

units and designed for use primarily by non-elderly and nonhandicapped persons which are not subject to mortgages purchased under section 305² of the National Housing Act, the Secretary may give preference to applications for assistance involving not more than 20 per centum of the dwelling units in a project. In accord- ing any such preference, the Secretary shall compare applications received during distinct time periods not exceeding sixty days in dura- tion.

(6) The Secretary shall take such steps as may be necessary, including the making of contracts for assistance payments in amounts in excess of the amounts required at the time of the initial renting of dwelling units, the reservation of annual contributions authority for the purpose of amending housing assistance contracts, or the allocation of a portion of new authorizations for the purpose of amending housing assistance contracts, to assure that assistance payments are increased on a timely basis to cover increases in maximum monthly rents or decreases in family incomes.

(7) To the extent authorized in contracts entered into by the Secretary with a public hous- ing agency, such agency may purchase any structure containing one or more dwelling units assisted under this section for the purpose of res- elling the structure to the tenant or tenants occupying units aggregating in value at least 80 per centum of the structure's total value. Any such resale may be made on the terms and con- ditions prescribed under section 1437c(h) of this title and subject to the limitation contained in such section.

(8) Each contract under this section shall pro- vide that the owner will notify tenants at least 90 days prior to the expiration of the contract of any rent increase which may occur as a result of the expiration of such contract.

(9) Not less than 1 year prior to terminating any contract under which assistance payments are received under this section (but not less than 90 days in the case of housing certificates or vouchers under subsection (b) or (o) of this section), an owner shall provide written notice to the Secretary and the tenants involved of the proposed termination, specifying the reasons for the termination with sufficient detail to enable the Secretary to evaluate whether the termi- nation is lawful and whether there are addi- tional actions that can be taken by the Sec- retary to avoid the termination. The owner's notice shall include a statement that the owner and the Secretary may agree to a renewal of the contract, thus avoiding the termination. The Secretary shall review the owner's notice, shall consider whether there are additional actions that can be taken by the Secretary to avoid the termination, and shall ensure a proper adjust- ment of the contract rents for the project in conformity with the requirements of paragraph (2). The Secretary shall issue a written finding of the legality of the termination and the rea- sons for the termination, including the actions considered or taken to avoid the termination. Within 30 days of the Secretary's finding, the owner shall provide written notice to each ten-

ant of the Secretary's decision. For purposes of this paragraph, the term "termination" means the expiration of the assistance contract or an owner's refusal to renew the assistance contract, and such term shall include termination of the contract for business reasons.

(10) If an owner provides notice of proposed termination under paragraph (9) and the con- tract rent is lower than the maximum monthly rent for units assisted under subsection (b)(1) of this section, the Secretary shall adjust the con- tract rent based on the maximum monthly rent for units assisted under subsection (b)(1) of this section and the value of the low-income housing after rehabilitation.

(d) Required provisions and duration of con- tracts for assistance payments; waiver of lim- itation

(1) Contracts to make assistance payments entered into by a public housing agency with an owner of existing housing units shall provide (with respect to any unit) that—

(A) the selection of tenants for such units shall be the function of the owner, subject to the provisions of the annual contributions contract between the Secretary and the agen- cy, except that the tenant selection criteria used by the owner shall—

(i) for not less than (I) 70 percent of the families who initially receive assistance in any 1-year period in the case of assistance attached to a structure and (II) 90 percent of such families in the case of assistance not attached to a structure, give preference to families that occupy substandard housing (including families that are homeless or liv- ing in a shelter for homeless families), are paying more than 50 percent of family in- come for rent, or are involuntarily displaced (including displacement because of disposi- tion of a multifamily housing project under section 1701z-11 of title 12) at the time they are seeking assistance under this section; except that any family otherwise eligible for assistance under this section may not be denied preference for assistance not attached to a structure (or delayed or otherwise ad- versely affected in the provision of such as- sistance) solely because the family resides in public housing;

(ii) for any remaining assistance in any 1- year period, give preference to families who qualify under a system of local preferences established by the public housing agency in writing and after public hearing to respond to local housing needs and priorities, which may include (I) assisting very low-income families who either reside in transitional housing assisted under title IV of the Stew- art B. McKinney Homeless Assistance Act [42 U.S.C. 11361 et seq.], or participate in a program designed to provide public assist- ance recipients with greater access to em- ployment and educational opportunities; (II) assisting families in accordance with sub- section (u)(2) of this section; (III) assisting families identified by local public agencies involved in providing for the welfare of chil- dren as having a lack of adequate housing that is a primary factor in the imminent

placement of a child in foster care, or in preventing the discharge of a child from foster care and reunification with his or her family; (IV) assisting youth, upon discharge from foster care, in cases in which return to the family or extended family or adoption is not available; (V) assisting veterans who are eligible and have applied for assistance, will use the assistance for a dwelling unit designed for the handicapped, and, upon discharge or eligibility for discharge from a hospital or nursing home, have physical disability which, because of the configuration of their homes, prevents them from access to or use of their homes; and (VI) achieving other objectives of national housing policy as affirmed by Congress; and

(iii) prohibit any individual or family evicted from housing assisted under the³ chapter by reason of drug-related criminal activity from having a preference under any provision of this subparagraph for 3 years unless the evicted tenant successfully completes a rehabilitation program approved by the agency, except that the agency may waive the application of this clause under standards established by the Secretary (which shall include waiver for any member of a family of an individual prohibited from tenancy under this clause who the agency determines clearly did not participate in and had no knowledge of such criminal activity or when circumstances leading to eviction no longer exist);

(B)(i) the lease between the tenant and the owner shall be for at least one year or the term of such contract, whichever is shorter, and shall contain other terms and conditions specified by the Secretary;

(ii) the owner shall not terminate the tenancy except for serious or repeated violation of the terms and conditions of the lease, for violation of applicable Federal, State, or local law, or for other good cause;

(iii) provide that any criminal activity that threatens the health, safety, or right to peaceful enjoyment of the premises by other tenants, any criminal activity that threatens the health, safety, or right to peaceful enjoyment of their residences by persons residing in the immediate vicinity of the premises, or any drug-related criminal activity on or near such premises, engaged in by a tenant of any unit, any member of the tenant's household, or any guest or other person under the tenant's control, shall be cause for termination of tenancy; and

(iv) any termination of tenancy shall be preceded by the owner's provision of written notice to the tenant specifying the grounds for such action.⁴

(C) maintenance and replacement (including redecoration) shall be in accordance with the standard practice for the building concerned as established by the owner and agreed to by the agency; and

(D) the agency and the owner shall carry out such other appropriate terms and conditions as may be mutually agreed to by them.

(2)(A) Each contract for an existing structure entered into under this section shall be for a term of not less than one month nor more than one hundred and eighty months. The Secretary shall permit public housing agencies to enter into contracts for assistance payments of less than 12 months duration in order to avoid disruption in assistance to eligible families if the annual contributions contract is within 1 year of its expiration date. Where the Secretary enters into an annual contributions contract with a public housing agency pursuant to which the agency will enter into a contract for assistance payments with respect to an existing structure, the contract for assistance payments may not be attached to the structure unless (i) the Secretary and the public housing agency approve such action, and (ii) the owner agrees to rehabilitate the structure other than with assistance under this chapter and otherwise complies with the requirements of this section, except that the Secretary shall permit the public housing agency to approve such attachment with respect to not more than 15 percent of the assistance provided by the public housing agency if the requirements of clause (ii) are met. Notwithstanding any other provision of this section, a public housing agency and an applicable State agency may, on a priority basis, attach to structures not more than an additional 15 percent of the assistance provided by the public housing agency or the applicable State agency only with respect to projects assisted under a State program that permits the owner of the projects to prepay a State assisted or subsidized mortgage on the structure, except that attachment of assistance under this sentence shall be for the purpose of (i) providing incentives to owners to preserve such projects for occupancy by lower and moderate income families (for the period that assistance under this sentence is available), and (ii) to assist lower income tenants to afford any increases in rent that may be required to induce the owner to maintain occupancy in the project by lower and moderate income tenants. Any assistance provided to lower income tenants under the preceding sentence shall not be considered for purposes of the limitation under paragraph (1)(A) regarding the percentage of families that may receive assistance under this section who do not qualify for preferences under such paragraph.

(B) The Secretary shall permit any public housing agency to approve the attachment of assistance under subsection (b)(1) of this section with respect to any newly constructed structure if—

(i) the owner or prospective owner agrees to construct the structure other than with assistance under this chapter and otherwise complies with the requirements of this section; and

(ii) the aggregate assistance provided by the public housing agency pursuant to this subparagraph and the last sentence of subparagraph (A) does not exceed 15 percent of the assistance provided by the public housing agency.

(C) In the case of a contract for assistance payments that is attached to a structure under this paragraph, a public housing agency shall

enter into a contract with an owner, contingent upon the future availability of appropriations for the purpose of renewing expiring contracts for assistance payments as provided in appropriations Acts, to extend the term of the underlying contract for assistance payments for such period or periods as the Secretary determines to be appropriate to achieve long-term affordability of the housing. The contract shall obligate the owner to have such extensions of the underlying contract for assistance payments accepted by the owner and the owner's successors in interest. To the extent assistance is used as provided in the penultimate sentence of subparagraph (A), the contract for assistance may, at the option of the public housing agency, have an initial term not exceeding 15 years.

(D) Where a contract for assistance payments is attached to a structure, the owner shall adopt written tenant selection procedures that are satisfactory to the Secretary as (i) consistent with the purpose of improving housing opportunities for very low-income families; and (ii) reasonably related to program eligibility and an applicant's ability to perform the obligations of the lease. An owner shall promptly notify in writing any rejected applicant of the grounds for any rejection.

(E) The Secretary shall annually survey public housing agencies to determine which public housing agencies have, in providing assistance in such year, reached the 15 percent limitations contained in subparagraphs (A) and (B), and shall report to the Congress on the results of such survey.

(F)(i) In determining the amount of assistance provided under an assistance contract for project-based assistance under this paragraph or a contract for assistance for housing constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such subsection existed immediately before October 1, 1983), the Secretary may consider and annually adjust, with respect to such project, for the cost of employing or otherwise retaining the services of one or more service coordinators under section 661⁵ of the Housing and Community Development Act of 1992 [42 U.S.C. 13631] to coordinate the provision of any services within the project for residents of the project who are elderly or disabled families.

(ii) The budget authority available under section 1437c(c) of this title for assistance under this section is authorized to be increased by \$15,000,000 on or after October 1, 1992, and by \$15,000,000 on or after October 1, 1993. Amounts made available under this subparagraph shall be used to provide additional amounts under annual contributions contracts for assistance under this section which shall be made available through assistance contracts only for the purpose of providing service coordinators under clause (i) for projects receiving project-based assistance under this paragraph and to provide additional amounts under contracts for assistance for projects constructed or substantially rehabilitated pursuant to assistance provided under subsection (b)(2) of this section (as such sub-

section existed immediately before October 1, 1983) only for such purpose.

(G) An assistance contract for project-based assistance under this paragraph shall provide that the owner shall ensure and maintain compliance with subtitle C of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13601 et seq.] and any regulations issued under such subtitle.

(H) Notwithstanding subsection (d)(1)(A)(i) of this section, an owner of a covered section 8 housing project (as such term is defined in section 659 of the Housing and Community Development Act of 1992 [42 U.S.C. 13619]) may give preference for occupancy of dwelling units in the project, and reserve units for occupancy, in accordance with subtitle D of title VI of the Housing and Community Development Act of 1992 [42 U.S.C. 13611 et seq.].

(3) Notwithstanding any other provision of law, with the approval of the Secretary the public housing agency administering a contract under this section with respect to existing housing units may exercise all management and maintenance responsibilities with respect to those units pursuant to a contract between such agency and the owner of such units.

(4) A public housing agency that serves more than one unit of general local government may, at the discretion of the agency, in allocating assistance under this section, give priority to disabled families that are not elderly families.

(e) Restrictions on contracts for assistance payments

(1) Nothing in this chapter shall be deemed to prohibit an owner from pledging, or offering as security for any loan or obligation, a contract for assistance payments entered into pursuant to this section: *Provided*, That such security is in connection with a project constructed or rehabilitated pursuant to authority granted in this section, and the terms of the financing or any refinancing have been approved by the Secretary.

(i) Receipt of assistance by public housing agency under other law not to be considered

The Secretary may not consider the receipt by a public housing agency of assistance under section 811(b)(1) of the Cranston-Gonzalez National Affordable Housing Act [42 U.S.C. 8013(b)(1)], or the amount received, in approving assistance for the agency under this section or determining the amount of such assistance to be provided.

(j) Assistance for manufactured homes

(1) The Secretary may enter into contracts to make assistance payments under this subsection to assist low-income families by making rental assistance payments on behalf of any such family which utilizes a manufactured home as its principal place of residence. Such payments may be made with respect to the rental of the real property on which there is located a manufactured home which is owned by any such family or with respect to the rental by such family of a manufactured home and the real property on which it is located. In carrying out this subsection, the Secretary may—

(A) enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make such assistance payments to the owners of such real property, or

(B) enter into such contracts directly with the owners of such real property.

(2)(A) A contract entered into pursuant to this paragraph shall establish the maximum monthly rent (including maintenance and management charges) which the owner is entitled to receive for the space on which a manufactured home is located and with respect to which assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically (but not less than annually) with respect to the market area for the

rental of real property suitable for occupancy by families assisted under this paragraph.

(B) The amount of any monthly assistance payment with respect to any family which rents real property which is assisted under this paragraph, and on which is located a manufactured home which is owned by such family shall be the difference between the rent the family is required to pay under section 1437a(a) of this title and the sum of—

(i) the monthly payment made by such family to amortize the cost of purchasing the manufactured home;

(ii) the monthly utility payments made by such family, subject to reasonable limitations prescribed by the Secretary; and

(iii) the maximum monthly rent permitted with respect to the real property which is rented by such family for the purpose of locating its manufactured home;

except that in no case may such assistance exceed the total amount of such maximum monthly rent.

(3)(A) Contracts entered into pursuant to this paragraph shall establish the maximum monthly rent permitted with respect to the manufactured home and the real property on which it is located and with respect to which assistance payments are to be made. The maximum monthly rent shall not exceed by more than 10 per centum the fair market rental established by the Secretary periodically (but not less than annually) with respect to the market area for the rental of a manufactured home and the real property on which it is located suitable for occupancy by families assisted under this paragraph, except that the maximum monthly rent may exceed the fair market rental by more than 10 but not more than 20 per centum where the Secretary determines that special circumstances warrant such higher maximum rent.

(B) The amount of any monthly assistance payment with respect to any family which rents a manufactured home and the real property on which it is located and which is assisted under this paragraph shall be the difference between the rent the family is required to pay under section 1437a(a) of this title and the sum of—

(i) the monthly utility payments made by such family, subject to reasonable limitations prescribed by the Secretary; and

(ii) the maximum monthly rent permitted with respect to the manufactured home and the real property on which it is located.

(4) The provisions of subsection (c)(2) of this section shall apply to the adjustments of maximum monthly rents under this subsection.

(5) Each contract entered into under this subsection shall be for a term of not less than one month and not more than 180 months, except that in any case in which the manufactured home park is substantially rehabilitated or newly constructed, such term may not be less than 240 months, nor more than the maximum term for a manufactured home loan permitted under section 2(b) of the National Housing Act [12 U.S.C. 1703(b)].

(6) The Secretary may carry out this subsection without regard to whether the manufactured home park is existing, substantially rehabilitated, or newly constructed.

(7) In the case of any substantially rehabilitated or newly constructed manufactured home park containing spaces with respect to which assistance is made under this subsection, the principal amount of the mortgage attributable to the rental spaces within the park may not exceed an amount established by the Secretary which is equal to or less than the limitation for manufactured home parks described in section 207(c)(3) of the National Housing Act [12 U.S.C. 1713(c)(3)], and the Secretary may increase such limitation in high cost areas in the manner described in such section.

(8) The Secretary may prescribe other terms and conditions which are necessary for the purpose of carrying out the provisions of this subsection and which are consistent with the purposes of this subsection.

(k) Verification of income

The Secretary shall establish procedures which are appropriate and necessary to assure that income data provided to public housing agencies and owners by families applying for or receiving assistance under this section is complete and accurate. In establishing such procedures, the Secretary shall randomly, regularly, and periodically select a sample of families to authorize the Secretary to obtain information on these families for the purpose of income verification, or to allow those families to provide such information themselves. Such information may include, but is not limited to, data concerning unemployment compensation and Federal income taxation and data relating to benefits made available under the Social Security Act [42 U.S.C. 301 et seq.], the Food Stamp Act of 1977 [7 U.S.C. 2011 et seq.], or title 38. Any such information received pursuant to this subsection shall remain confidential and shall be used only for the purpose of verifying incomes in order to determine eligibility of families for benefits (and the amount of such benefits, if any) under this section.

(n) Assistance for dwellings without bathrooms and kitchens; conditions; waiver of limitations

In making assistance available under subsections (b)(1) and (e)(2) of this section, the Secretary may provide assistance with respect to residential properties in which some or all of the dwelling units do not contain bathroom or kitchen facilities, if—

(1) the property is located in an area in which there is a significant demand for such units, as determined by the Secretary;

(2) the unit of general local government in which the property is located and the local public housing agency approve of such units being utilized for such purpose; and

(3) in the case of assistance under subsection (b)(1) of this section, the unit of general local government in which the property is located and the local public housing agency certify to the Secretary that the property complies with local health and safety standards.

The Secretary may waive, in appropriate cases, the limitation and preference described in the

second and third sentences of section 1437a(b)(3)⁶ of this title with respect to the assistance made available under this subsection.

(o) Rental vouchers

(1) The Secretary may provide assistance using a payment standard in accordance with this subsection. The payment standard shall be used to determine the monthly assistance which may be paid for any family, as provided in paragraph (2) of this subsection, and shall be based on the fair market rental established under subsection (c) of this section.

(2) The monthly assistance payment for any family shall be the amount by which the payment standard for the area exceeds 30 per centum of the family's monthly adjusted income, except that such monthly assistance payment shall not exceed the amount by which the rent for the dwelling unit (including the amount allowed for utilities in the case of a unit with separate utility metering) exceeds 10 per centum of the family's monthly income.

(3)(A) Assistance payments may be made only for (i) a family determined to be a very low-income family at the time it initially receives assistance, (ii) a family previously assisted under this chapter, (iii) a family that is determined to be a lower income⁷ family at the time it initially receives assistance and that is displaced by activities under section 1437o(c)⁸ of this title, (iv) a family that qualifies to receive a voucher in connection with a homeownership program approved under title IV of the Cranston-Gonzalez National Affordable Housing Act, or (v) a family that qualifies to receive a voucher under section 223 or 226 of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 [12 U.S.C. 4113, 4116].

(B) In selecting families to be assisted, preference shall be given to families which, at the time they are seeking assistance, occupy substandard housing (including families that are homeless or living in a shelter for homeless families), are involuntarily displaced (including displacement because of disposition of a multifamily housing project under section 1701z-11 of title 12), or are paying more than 50 per centum of family income for rent. A public housing agency may provide for circumstances in which families who do not qualify for any preference established in the preceding sentence are provided assistance under this subsection before families who do qualify for such preference, except that not more than 10 percent (or such higher percentage determined by the Secretary to be necessary to ensure that public housing agencies can assist families in accordance with subsection (u)(2) of this section or determined by the Secretary to be appropriate for other good cause) of the families who initially receive assistance in any 1-year period (or such shorter period selected by the public housing agency before the beginning of its first full year subject to this sentence) may be families who do not qualify for such preference. The public housing agency shall in implementing the preceding sentence

establish a system of preferences in writing and after public hearing to respond to local housing needs and priorities which may include (i) assisting very low-income families who either reside in transitional housing assisted under title IV of the Stewart B. McKinney Homeless Assistance Act [42 U.S.C. 11361 et seq.], or participate in a program designed to provide public assistance recipients with greater access to employment and educational opportunities, (ii) assisting families in accordance with subsection (u)(2) of this section; (iii) assisting families identified by local public agencies involved in providing for the welfare of children as having a lack of adequate housing that is a primary factor in the imminent placement of a child in foster care, or in preventing the discharge of a child from foster care and reunification and⁹ his or her family; (iv) assisting youth, upon discharge from foster care, in cases in which return to the family or extended family or adoption is not available; (v) assisting veterans who are eligible and have applied for assistance, will use the assistance for a dwelling unit designed for the handicapped, and, upon discharge or eligibility for discharge from a hospital or nursing home, have physical disability which, because of the configuration of their homes, prevents them from access to or use of their homes; and (vi) achieving other objectives of national housing policy as affirmed by Congress. Any individual or family evicted from housing assisted under the¹⁰ chapter by reason of drug-related criminal activity (as defined in subsection (f)(5) of this section) shall not be eligible for a preference under any provision of this subparagraph for 3 years unless the evicted tenant successfully completes a rehabilitation program approved by the Secretary (which shall include waiver for any member of a family of an individual prohibited from tenancy under this clause who the agency determines clearly did not participate in and had no knowledge of such criminal activity or when circumstances leading to eviction no longer exist).

(4) If a family vacates a dwelling unit before the expiration of a lease term, no assistance payment may be made with respect to the unit after the month during which the unit was vacated.

(5) A contract with a public housing agency for annual contributions under this subsection shall be for an initial term of sixty months. The Secretary shall require (with respect to any unit) that (A) the public housing agency inspect the unit before any assistance payment may be made to determine that it meets housing quality standards for decent, safe, and sanitary housing established by the Secretary for the purpose of this section, and (B) the public housing agency make annual or more frequent inspections during the contract term. No assistance payment may be made for a dwelling unit which fails to meet such quality standards, unless any such failure is promptly corrected by the owner and the correction verified by the public housing agency.

(6)(A) The amount of assistance payments under this subsection may, in the discretion of

the public housing agency, be adjusted annually where necessary to assure continued affordability. The aggregate amount of adjustments pursuant to the preceding sentence may not exceed the amount of any excess of the annual contributions provided for in the contract over the amount of assistance payments actually paid (including amounts which otherwise become available during the contract period).

(B) For the purpose of subparagraph (A), each contract with a public housing agency for annual contributions under this subsection shall provide annual contributions equal to 115 per centum of the estimated aggregate amount of assistance required during the first year of the contract.

(C) Any amounts not needed for adjustments under subparagraph (A) may be used to provide assistance payments for additional families.

(7) A public housing agency may utilize authority available under this subsection to provide assistance with respect to cooperative or mutual housing which has a resale structure which maintains affordability for low-income families where the agency determines such action will assist in maintaining the affordability of such housing for such families.

(8) The Secretary may set aside up to 5 percent of the budget authority available under this subsection as an adjustment pool. The Secretary shall use amounts in the adjustment pool for adjustments pursuant to paragraph (6)(A) to ensure continued affordability where the Secretary determines additional assistance for this purpose is necessary, based on documentation submitted by a public housing agency.

(9) The Secretary is authorized to enter into contracts with public housing agencies to provide rental vouchers for the purpose of replacing public housing transferred in accordance with subchapter II-A of this chapter. Each contract entered into under this paragraph shall be for a term of not more than 60 months.

(10)(A)¹¹ The rent for units assisted under this subsection shall be reasonable in comparison with rents charged for comparable units in the private unassisted market or assisted under section¹² (b). A public housing agency shall, at the request of a family assisted under this subsection, assist such family in negotiating a reasonable rent with an owner. A public housing agency shall review all rents for units under consideration by families assisted under this subsection (and all rent increases for units under lease by families assisted under this subsection) to determine whether the rent (or rent increase) requested by an owner is reasonable. If a public housing agency determines that the rent (or rent increase) for a unit is not reasonable, the agency may disapprove a lease for such unit.

(11)(A) The Secretary may enter into contracts to make assistance payments under this paragraph to assist low-income families by making rental assistance payments on behalf of any such family which utilizes a manufactured home as its principal place of residence. Such payments may be made with respect to the rental of

In carrying out this paragraph the Secretary shall enter into annual contributions contracts with public housing agencies pursuant to which such agencies may enter into contracts to make such assistance payments to the owners of such real property.

(B)(i) A contract entered into pursuant to this subparagraph shall establish the rent (including maintenance and management charges) for the space on which a manufactured home is located and with respect to which assistance payments are to be made. The public housing agency shall establish a payment standard based on the fair market rental established by the Secretary periodically (but not less than annually) with respect to the market area for the rental of real property suitable for occupancy by families assisted under this subparagraph.

(ii) The amount of any monthly assistance payment with respect to any family which rents real property which is assisted under this subparagraph and on which is located a manufactured home which is owned by such family shall be the amount by which 30 percent of the family's monthly adjusted income is exceeded by the sum of—

(I) the monthly payment made by such family to amortize the cost of purchasing the manufactured home;

(II) the monthly utility payments made by such family, subject to reasonable limitations prescribed by the Secretary; and

(III) the payment standard with respect to the real property which is rented by such family for the purpose of locating its manufactured home;

except that in no case may such assistance exceed the amount by which the rent for the property exceeds 10 percent of the family's monthly income.

(C) The provisions of paragraph (6)(A) shall apply to the adjustments of maximum monthly rents under this paragraph.

(D) The Secretary may carry out this paragraph without regard to whether the manufactured home park is existing, substantially rehabilitated, or newly constructed.

(E) In the case of any substantially rehabilitated or newly constructed manufactured home park containing spaces with respect to which assistance is made under this paragraph, the principal amount of the mortgage attributable to the rental spaces within the park may not exceed an amount established by the Secretary which is equal to or less than the limitation for manufactured home parks described in section 207(c)(3) of the National Housing Act [12 U.S.C. 1713(c)(3)], and the Secretary may increase such limitation in high cost areas in the manner described in such section.

(F) The Secretary may prescribe other terms and conditions which are necessary for the purpose of carrying out the provisions of this paragraph and which are consistent with the purposes of this paragraph.

(p) Shared housing for elderly and handicapped

In order to assist elderly families (as defined in section 1437a(b)(3) of this title who elect to

live in a shared housing arrangement in which they benefit as a result of sharing the facilities of a dwelling with others in a manner that effectively and efficiently meets their housing needs and thereby reduces their cost of housing, the Secretary shall permit assistance provided under the existing housing and moderate rehabilitation programs to be used by such families in such arrangements. In carrying out this subsection, the Secretary shall issue minimum habitability standards for the purpose of assuring decent, safe, and sanitary housing for such families while taking into account the special circumstances of shared housing.

(q) Administrative fees for certificate and housing voucher programs

(1) The Secretary shall establish a fee for the costs incurred in administering the certificate and housing voucher programs under subsections (b) and (o) of this section. The amount of the fee for each month for which a dwelling unit is covered by an assistance contract shall be 8.2 percent of the fair market rental established under subsection (c)(1) of this section for a 2-bedroom existing rental dwelling unit in the market area of the public housing agency. The Secretary may increase the fee if necessary to reflect the higher costs of administering small programs and programs operating over large geographic areas.

(2)(A) The Secretary shall also establish reasonable fees (as determined by the Secretary) for—

(i) the costs of preliminary expenses (not to exceed \$275) that the public housing agency documents it has incurred in connection with new allocations of assistance under the certificate and housing voucher programs under subsections (b) and (o) of this section;

(ii) the costs incurred in assisting families who experience difficulty (as determined by the Secretary) in obtaining appropriate housing under the programs; and

(iii) extraordinary costs approved by the Secretary.

(B) The method used to calculate fees under subparagraph (A) shall be the same for the certificate and housing voucher programs under subsections (b) and (o) of this section and shall take into account local cost differences.

(3)(A) Fees under this subsection may be used for the costs of employing or otherwise retaining the services of one or more service coordinators under section 661¹³ of the Housing and Community Development Act of 1992 [42 U.S.C. 13631] to coordinate the provision of supportive services for elderly families and disabled families on whose behalf tenant-based assistance is provided under this section or section 811(b)(1) [42 U.S.C. 8013(b)(1)]. Such service coordinators shall have the same responsibilities with respect to such families as service coordinators of covered federally assisted housing projects have under section 661¹³ of such Act with respect to residents of such projects.

(B) To the extent amounts are provided in appropriation Acts under subparagraph (C), the Secretary shall increase fees under this sub-

section to provide for the costs of such service coordinators for public housing agencies.

(C) The budget authority available under section 1437c(c) of this title for assistance under this section is authorized to be increased by \$5,000,000 on or after October 1, 1992, and by \$5,000,000 on or after October 1, 1993. Amounts made available under this subparagraph shall be used to provide additional amounts under annual contributions contracts for increased fees under this subsection, which shall be used only for the purpose of providing service coordinators for public housing agencies described in subparagraph (A).

(4) The Secretary may establish or increase a fee in accordance with this subsection only to such extent or in such amounts as are provided in appropriation Acts.

(r) Portability of certificates and vouchers; authority of public housing agency; Secretary to consider reduction in families in preceding fiscal year; authority of Secretary under other law unrestricted

(1) Any family assisted under subsection (b) or (o) of this section may receive such assistance to rent an eligible dwelling unit if the dwelling unit to which the family moves is within the same State, or the same or a contiguous metropolitan statistical area as the metropolitan statistical area within which is located the area of jurisdiction of the public housing agency approving such assistance; except that any family not living within the jurisdiction of a public housing agency at the time that such family applies for assistance from such agency shall, during the 12-month period beginning upon the receipt of any tenant-based rental assistance made available on behalf of the family, use such assistance to rent an eligible dwelling unit located within the jurisdiction served by such public housing agency.

(2) The public housing agency having authority with respect to the dwelling unit to which a family moves under this subsection shall have the responsibility of carrying out the provisions of this subsection with respect to the family. If no public housing agency has authority with respect to the dwelling unit to which a family moves under this subsection, the public housing agency approving the assistance shall have such responsibility.

(3) In providing assistance under subsection (b) or (o) of this section for any fiscal year, the Secretary shall give consideration to any reduction in the number of resident families incurred by a public housing agency in the preceding fiscal year as a result of the provisions of this subsection.

(4) The provisions of this subsection may not be construed to restrict any authority of the Secretary under any other provision of law to provide for the portability of assistance under this section.

(s) Prohibition of denial of certificates and vouchers to residents of public housing

In selecting families for the provision of assistance under this section (including subsection (o) of this section), a public housing agency may not exclude or penalize a family solely because the family resides in a public housing project.

(t) Nondiscrimination against certificate holders and voucher holders

(1) No owner who has entered into a contract for housing assistance payments under this section on behalf of any tenant in a multifamily housing project shall refuse—

(A) to lease any available dwelling unit in any multifamily housing project of such owner that rents for an amount not greater than the fair market rent for a comparable unit, as determined by the Secretary under this section, to a holder of a certificate of eligibility under this section a proximate cause of which is the status of such prospective tenant as a holder of such certificate, and to enter into a housing assistance payments contract respecting such unit; or

(B) to lease any available dwelling unit in any multifamily housing project of such owner to a holder of a voucher under subsection (o) of this section, and to enter into a voucher contract respecting such unit, a proximate cause of which is the status of such prospective tenant as holder of such voucher.

(2) For purposes of this subsection, the term “multifamily housing project” means a residential building containing more than 4 dwelling units.

(u) Assistance for residents of rental rehabilitation projects

In the case of low-income families living in rental projects rehabilitated under section 1437o¹⁴ of this title or section 1490m of this title before rehabilitation—

(1) certificates or vouchers under this section shall be made for families who are required to move out of their units because of the physical rehabilitation activities or because of overcrowding;

(2) at the discretion of each public housing agency or other agency administering the allocation of assistance, certificates or vouchers under this section may be made for families who would have to pay more than 30 percent of their adjusted income for rent after rehabilitation whether they choose to remain in, or to move from, the project; and

(3) the Secretary shall allocate assistance for certificates or vouchers under this section to ensure that sufficient resources are available to address the physical or economic displacement, or potential economic displacement, of existing tenants pursuant to paragraphs (1) and (2).

(v) Terms of contracts; extensions

(1) The Secretary shall extend any expiring contract entered into under this section for loan management assistance or execute a new contract for project-based loan management assistance, if the owner agrees to continue providing housing for low-income families during the term of the contract.

(2)(A) The eligibility¹⁵ of a multifamily residential project for loan management assistance under this section shall be determined without

regard to whether the project is subsidized or unsubsidized.

(B) In allocating loan management assistance under this section, the Secretary may give a priority to any project only on the basis that the project has serious financial problems that are likely to result in a claim on the insurance fund in the near future or the project is eligible to receive incentives under subtitle B of the Low-Income Housing Preservation and Resident Homeownership Act of 1990 [12 U.S.C. 4101 et seq.].

(w) Renewal of expiring contracts

Not later than 30 days after the beginning of each fiscal year, the Secretary shall publish in the Federal Register a plan for reducing, to the extent feasible, year-to-year fluctuations in the levels of budget authority that will be required over the succeeding 5-year period to renew expiring rental assistance contracts entered into under this section since August 22, 1974. To the extent necessary to carry out such plan and to the extent approved in appropriations Acts, the Secretary is authorized to enter into annual contributions contracts with terms of less than 60 months.

(x) Family unification

(1) Increase in budget authority

The budget authority available under section 1437c(c) of this title for assistance under subsection (b) of this section is authorized to be increased by \$100,000,000 on or after October 1, 1992, and by \$104,200,000 on or after October 1, 1993.

(2) Use of funds

The amounts made available under this subsection shall be used only in connection with housing certificate assistance under this section on behalf of any family (A) who is otherwise eligible for such assistance, and (B) who the public child welfare agency for the jurisdiction has certified is a family for whom the lack of adequate housing is a primary factor in the imminent placement of the family's child or children in out-of-home care or the delayed discharge of a child or children to the family from out-of-home care.

(3) Allocation

The amounts made available under this subsection shall be allocated by the Secretary through a national competition among applicants based on demonstrated need for the assistance under this subsection. To be considered for assistance, an applicant shall submit to the Secretary a written proposal containing a report from the public child welfare agency serving the jurisdiction of the applicant that describes how a lack of adequate housing in the jurisdiction is resulting in the initial or prolonged separation of children from their families, and how the applicant will coordinate with the public child welfare agency to identify eligible families and provide the families with assistance under this subsection.
