"(a) PURPOSE.—The purpose of this Act [see Tables for classification] is to complete the codification of title 46, United States Code, "Shipping", as positive law, by reorganizing and restating the laws currently in the appendix to title 46.

“(b) CONFORMITY WITH ORIGINAL INTENT.—In the codification of laws by this Act, the intent is to conform to the understood policy, intent, and purpose of the Congress in the original enactments, with such amendments and corrections as will remove ambiguities, contradictions, and other imperfections, in accordance with section 205(c)(1) of House Resolution No. 988, 93d Congress, as enacted into law by Public Law 93-554 (2 U.S.C. 285b(1)).”

If a law enacted after that date amends or repeals a provision replaced by this Act, that law is deemed to amend or repeal, as the case may be, the corresponding provision enacted by this Act. If a law enacted after that date is otherwise inconsistent with this Act, it supersedes this Act to the extent of the inconsistency.

“(d) LAWS GOVERNING APPLICABILITY OF PRIOR AMENDMENTS.—This Act does not affect any law governing the applicability of an amendment to a provision replaced by this Act, notwithstanding the repeal by this Act of the provision that was amended. To the extent that any such law governed the applicability of a provision replaced by this Act, that law governs the applicability of the corresponding provision enacted by this Act.

“(e) REGULATIONS, ORDERS, AND OTHER ADMINISTRATIVE ACTIONS.—A regulation, order, or other administrative action in effect under a provision replaced by this Act continues in effect under the corresponding provision enacted by this Act.

“(c) An action taken or an offense committed under a law replaced by section 102 of this Act is deemed to have been taken or committed under the corresponding provision of this Act.

“(d) An inference of legislative construction is not to be drawn by reason of the caption or catch line of a provision enacted by section 102 of this Act.

“(e) If a provision of this Act is held invalid, all valid provisions that are severable from the invalid provision remain in effect. If a provision of this Act is held invalid in any of its applications, the provision remains valid for all valid applications that are severable from any of the invalid applications.”

<i>Revised Section</i>	<i>Source (U.S. Code)</i>	<i>Source (Statutes at Large)</i>
504	46:2108.	

This section replaces 46 U.S.C. 2108, which was enacted as part of the codification of subtitle II of title 46 in 1983. That provision was based on section 26 of the Act of June 26, 1884, ch. 121, 23 Stat. 59, which prior to the subtitle II codification appeared at 46 U.S.C. 8 (1982 ed.). In the enactment of 46 U.S.C. 2108, the scope of the 1884 provision was narrowed, presumably inadvertently. This section restores the remissions authority to its prior scope. Note that 19 C.F.R. §4.24 (2003) still refers to “the authority to make refunds in accordance with section 26 of the Act of June 26, 1884 (46 U.S.C. 8)” as if that provision had not been replaced by 46 U.S.C. 2108 in 1983.

§ 505. Penalty for violating regulation or order

A person convicted of knowingly and willfully violating a regulation or order of the Federal

Maritime Commission or the Secretary of Transportation under subtitle IV or V of this title, for which no penalty is expressly provided, shall be fined not more than \$500. Each day of a continuing violation is a separate offense.

Section 2101(1) defines the type of “associated equipment” that is involved in the use of recreational boats that are subject to Federal regulatory authority. This equipment is subject to a number of controls under federally established construction and performance standards. Radio equipment is exempt from these regulatory controls, since this equipment continues to be regulated by the Federal Communications Commission.

Section 2101(2) defines “barge” as a vessel that is non-self-propelled and that is often pushed ahead, towed alongside, or towed astern on a hawser by a towing vessel. It does not include a vessel that is propelled by sail only.

Section 2101(3) defines “boundary line” for the establishment of jurisdictional parameters for various maritime safety laws. Public Law 96-324, codified at 33 U.S.C. 151, permits the Secretary to establish appropriate identifiable lines dividing inland waters of the U.S. from the high seas for the purpose of determining the applicability of these laws. These laws will now be included within subtitle II of title 46—Shipping. These lines may not be located more than twelve nautical miles seaward of the baseline from which the territorial sea is measured and may differ in position for the purposes of different parts or sections of subtitle II.

Section 2101(4) defines “Coast Guard”.

Section 2101(5) provides that wherever the term “commercial service” is used it is to include all vessels except those that are primarily used for combatant purposes. This is to make sure that vessels that are engaged in the transportation of goods or individuals are subject to the applicable maritime and environmental safety laws, even if they are sovereign controlled vessels.

Section 2101(6) defines “consular officer” as one who has authority to issue visas. Traditionally this person is knowledgeable and familiar with the maritime safety and seamen’s welfare laws.

Section 2101(7) defines “crude oil” because certain equipment requirements like inert gas systems, segregated ballast tanks, crude oil washing systems or special ballast arrangements are applicable only to tank vessels that carry crude oil. Crude oil is still included within the definition of “hazardous material” and “oil”.

Section 2101(8) defines a “crude oil tanker” as one engaged in carrying crude oil. The definition does not include a tank barge since a tanker is defined as a self-propelled tank vessel. See also 2101(38).

Section 2101(9) makes it clear that the term “discharge” when referring to a substance that emanates

from a vessel and is related to the marine environmental laws concerning pollution by oil or hazardous substances.

Section 2101(10) defines a “documented vessel” as any vessel of the United States that has been issued a certificate of documentation that might include a register, enrollment, license, or enrollment and license for various trades.

Section 2101(11) lists what is included in the term “fisheries” for the purpose of documentation of vessels and is intended to be all-inclusive of the numerous types of fishing activities.

Section 2101(12) defines “foreign vessel” as any foreign flag or foreign operated vessel that is operated under the jurisdiction or authority of a government other than the United States.

Section 2101(13) defines a “freight vessel” as a motor vessel or any vessel propelled by diesel or other internal combustion engines and that carries freight for hire.

Section 2101(14) defines “hazardous materials” as a broad range of materials that are not only flammable or combustible but are also designated under related maritime safety and environmental laws.

Section 2101(15) defines “marine environment” as an all-inclusive term that was developed to cover land and water areas that could be affected by pollution from all vessels and not only tank vessels.

Section 2101(16) defines “motor vessel” as a vessel propelled by machinery other than steam to make it clear that these vessels are not steam vessels.

Section 2101(17) defines “nautical school vessel” as a vessel that can be a privately owned and operated as well as a publicly owned and operated school vessel.

Section 2101(18) defines “oceanographic research vessel” as a vessel employed in oceanography or limnology research or instruction. It is defined because this type of vessel, while not inspected and certified as such, is subject to a number of special statutory and regulatory requirements.

Section 2101(19) defines “offshore supply vessel” as a class of vessel that is limited by tonnage and its employment in the mineral and oil industry and while so employed it is not a small passenger vessel.

Section 2101(20) defines “oil” to include oil of any type, in any form, or in any mixture. This is the definition that originated with marine environment and pollution laws and continues the definition that was adopted by port and tanker safety laws.

Section 2101(21) defines the term “passengers” in relation to various types of vessels. Due to the complexity of existing laws with respect to the definitions of “passenger” on various categories of vessels and the need to not make any changes of a substantive nature that could be construed as controversial, four definitions of “passenger” have been included.

Section 2101(22) defines “passenger vessel” as one that is at least 100 gross tons and carries at least one passenger for hire.

Section 2101(23) defines “product carrier” as a tanker that is engaged in carrying oil. This definition when read with the definition of tanker means that it is a self-propelled vessel. A tank barge carrying oil products is a tank vessel but is not subject to the special standards or requirements for a product carrier.

Section 2101(24) defines a “public vessel” as a governmental vessel that is not in commercial service. It should be noted that a sovereign-controlled foreign-flag vessel that is engaged in commercial service is not a public vessel and is subject to maritime safety and environment laws.

Section 2101(25) defines a “recreational vessel” as a class of vessel whose primary purpose is for pleasure. These vessels while not subject to inspection are subject to certain requirements of law to improve boating safety.

Section 2101(26) defines a “recreational vessel manufacturer” as one that is involved with not only the recreational vessels themselves but also with their components or associated equipment.

Section 2101(27), (28), (29), and (30) provides a number of definitions that define the type of instruction, instructor, student, and vessel that is involved in the teaching of sailing.

Section 2101(31) defines “scientific personnel” as individuals engaged in oceanography or limnology because they are specially treated under various maritime safety requirements.

Section 2101(32) defines a “seagoing barge” as a vessel that is at least 100 gross tons making voyages to sea beyond the boundary line.

Section 2101(33) defines a “seagoing motor vessel” as a vessel that must be a motor vessel, as defined in 2101(15), of at least 300 gross tons making voyages to sea beyond the boundary line.

Section 2101(34) defines “Secretary” so that maritime safety and seamen’s welfare jurisdiction remains within the Coast Guard at all times.

Section 2101(35) defines “small passenger vessel” as one that is less than 100 gross tons carrying more than six passengers as defined in section 2101(21).

Section 2101(36) defines “State” as a State, territory or possession of the United States and is used to establish jurisdictional limits for the application of the various maritime safety and environmental safety laws of this subtitle. This definition is further limited by definitions in section 2102 that relate to recreational boating safety and facility improvement programs.

Section 2101(37) defines a “steam vessel” as a vessel propelled by steam. However, steam vessels of not more than 40 feet that are used exclusively for pleasure are not included.

Section 2101(38) defines “tanker” as a self-propelled tank vessel that has been constructed or primarily adapted to carry oil or hazardous material in bulk in the cargo spaces. This vessel is a subclass of tank vessel, which is defined in section 2101(39). This subclass definition is necessary because certain statutory minimum requirements that are consistent with internationally accepted standards are solely applicable to these vessels.

Section 2101(39) defines a “tank vessel” as a vessel carrying oil or hazardous materials in bulk or residue including a tanker as defined in section 2101(38).

Section 2101(40) defines “towing vessel” as a vessel in commercial service that pushes, pulls, or tows alongside and includes what is traditionally known as a tug.

Section 2101(41) defines “undocumented” which, in part, facilitates the classification of vessels that may be numbered by the proper issuing authority in a State.

Section 2101(42) defines an “uninspected passenger vessel” as a vessel carrying six or less passengers.

Section 2101(43) defines an “uninspected vessel” as a vessel not subject to inspection and certification by the Coast Guard under section 3301. Recreational vessels and inland towing vessels are typical uninspected vessels.

Section 2101(44) defines “United States” to establish geographical boundaries for the applicability of the various maritime safety and environmental safety laws of this subtitle. This definition is further limited by definitions in section 2102 that relate to recreational boating safety and facility improvement programs.

Section 2101(45) makes it clear that “vessel” as used in this subtitle has the same meaning as is provided in section 3 of title 1, of the U.S.C.

Section 2101(46) defines “vessel of the United States” as a vessel that is documented or numbered under the laws of the United States. A documented vessel and those vessels that are numbered by a State or Federal authority are afforded the protection of the laws of the United States.

The Secretary has the duty to enforce the laws with respect to vessels and seamen and to carry out correctly and uniformly these laws and regulations. The term “superintendence” is used to indicate the Secretary’s broad responsibility for overseeing maritime safety and seamen’s welfare, including employment, shipping, navigation, and protection of the marine environment.

Section 2107 provides for standard procedures for the handling of civil penalties for infractions of law or regulation. Some changes were made to increase some antiquated and inadequate penalties.

The assessment of civil penalties under this section should not require an “on the record” hearing within the meaning of the Administrative Procedures Act (APA). It is intended that these civil penalties be assessed in a fair manner. However, the Committee recognizes that statutes passed in the last decade have involved the Coast Guard in tens of thousands of civil penalty enforcement cases and that it is necessary that the penalties be assessed efficiently. The Coast Guard’s

procedural regulations for assessing civil penalties ensure that the essential elements of due process, notice, and opportunity to be heard, are provided to alleged violators (see 33 CFR Subpart 1.07). The more rigid and time-consuming procedures applicable to APA adjudications are unwarranted in the case of Coast Guard civil penalty assessment procedures and would seriously hamper the orderly enforcement of these administrative penalties.

AMENDMENTS

2006—Pub. L. 109-241 substituted “this subtitle or subtitle VII” for “this subtitle” in two places in subsec. (a) and in one place in subsec. (b).

§ 2109. Public vessels

(i) for vessels of at least 37 feet in length but less than 40 feet, not more than \$50; and

(3) The fee or charge established under this subsection applies only to vessels operated on the navigable waters of the United States where the Coast Guard has a presence.

(4) The fee or charge established under this subsection does not apply to a—

(A) public vessel; or

(h) Fees and charges collected by the Secretary under this section shall be deposited in the general fund of the Treasury as offsetting receipts of the department in which the Coast Guard is operating and ascribed to Coast Guard activities.

(i) The collection of a fee or charge under this section does not alter or expand the functions, powers, responsibilities, or liability of the United States under any law for the performance of services or the provision of a thing of value for which a fee or charge is collected under this section.

(j) The Secretary may not establish or collect a fee or charge for the inspection under part B of this subtitle of training vessels operated by State maritime academies.

AMENDMENTS

2006—Subsec. (a)(2). Pub. L. 109-304, §15(6)(A), substituted "part B of this subtitle" for "part B of this title".

Subsec. (b)(2)(A)(iii). Pub. L. 109-304, §15(6)(B), substituted "and" for "and" for period at end.

Subsec. (b)(5). Pub. L. 109-304, §15(6)(C), substituted "The fee" for "The fees".

Subsec. (f). Pub. L. 109-304, §15(6)(D), substituted "Secretary of Homeland Security shall deny the clearance required by section 60105 of this title" for "Secretary of the Treasury shall deny the clearance required by section 4197 of the Revised Statutes of the United States (46 App. U.S.C. 91)".

1998—Subsec. (k). Pub. L. 105-383 added subsec. (k).

1996—Subsec. (a)(2). Pub. L. 104-324, §1112, which directed amendment of section 10401(g) of Pub. The Secretary may not establish a fee or charge under paragraph (1) for inspection or examination under this title for any publicly-owned ferry." after "annually.", was executed by making insertion in subsec. (a)(2) of this section to reflect the probable intent of Congress, because section 10401(a) of Pub. L. 101-508 amended this section generally, and section 10401 of Pub. L. 101-508 did not contain a subsec. (g).

1992—Subsec. (b)(1). Pub. L. 102-582, §501(a)(1), substituted "1993 and 1994" for "1991, 1992, 1993, 1994, and 1995" and "to which paragraph (2) of this subsection applies" for "that is greater than 16 feet in length".

"(B) for vessels of at least 20 feet in length but less than 27 feet, not more than \$35;

Subsec. (j). Pub. L. 102-587 added subsec. (j).

1991—Subsec. (b)(5). Pub. L. 102-241 added par. (5).

1990—Pub. L. 101-508, as amended by Pub. L. 104-324, substituted "Fees" for "Fees prohibited" as section catchline and amended text generally. Prior to amendment, text read as follows: "Fees may not be charged or collected by the Secretary for services provided for in this subtitle related to the engagement and discharge of seamen, the inspection and examination of vessels under part B of this subtitle, and the licensing of masters, mates, pilots, and engineers, except when specifically provided for in this subtitle." See 1996 Amendment note above.

1988—Pub. L. 100-710 substituted "and the licensing of masters, mates, pilots, and engineers" for "the licensing of masters, mates, pilots, and engineers, and the documentation of vessels".

1986—Pub. L. 99-509 substituted "examination of vessels under part B of this subtitle" for "examination of vessels" and struck out "measurement or" before "documentation".

EFFECTIVE DATE OF 1992 AMENDMENT

Pub. L. 102-582, title V, §501(b), Nov. 2, 1992, 106 Stat. 4910, provided that: "The amendments made by this section [amending this section] are effective October 1, 1992."

2302(b)	46:1461(d) 46:1483

Section 2302 states that the negligent operation of a vessel is prohibited. These acts are subject to civil and criminal penalties and the involved vessel is subject to an in rem action. The negligent operation provisions have their genesis in the Act of April 25, 1940, 54 Stat. 167, when Congress prescribed that no person shall operate any motorboat or *any vessel* in a reckless or negligent manner. This provision was directed at all vessels and not those solely engaged in recreational boating. When the Federal Boat Safety Act of 1971, P.L. 92–75, 85 Stat. 217 (46 U.S.C. 1461) was enacted it adopted the reckless or negligent operation provisions of the 1940 Act. It adopted for the first time a provision for assessing civil penalties in addition to criminal penalties. It dropped the word “reckless” because of redundancy. It also combined the two classes of vessels; “any motorboat or any vessel” into one class by using the word “vessel” and defined vessel as including every description of watercraft.

AMENDMENTS

2002—Subsec. (a). Pub. L. 107–295 substituted “\$5,000 in the case of a recreational vessel, or \$25,000 in the case of any other vessel” for “\$1,000”

Subsec. (c)(1). Pub. L. 101–380, § 4302(a)(2)(B), substituted “is liable” for “liable”.

Subsec. (c)(2). Pub. L. 101–380, § 4302(a)(2)(C), amended par. (2) generally. Prior to amendment, par. (2) read as follows: “fined not more than \$5,000, imprisoned for not more than one year, or both.”

PART B—INSPECTION AND REGULATION OF VESSELS

HISTORICAL AND REVISION NOTES

Part B provides authority and responsibility for the inspection and regulation of vessels by the Coast Guard. This part specifies those vessels subject to inspection, those that are specifically exempt from inspection, and related inspection requirements and procedures. Due to the need for special requirements for the inspection and regulation of passenger vessels and those vessels carrying liquid bulk dangerous cargoes separate chapters have been developed. Additional chapters provide for recreational vessels and those other vessels that are regulated but are not subject to inspection and certification by the Coast Guard. It should also be noted that the United States is signatory to a number of international treaties on maritime safety and seamen’s welfare, such as the various Safety of Life at Sea (SOLAS) treaties, and that their provisions and requirements are part of United States maritime law and in many cases are quite extensive.

HISTORICAL AND REVISION NOTES

Chapter 33 consolidates the laws governing the inspection and certification of vessels by the Coast Guard

that have developed over a period in excess of 140 years. The original laws were directed to the safety of the relatively new and potentially dangerous steam vessel. The demand for Federal remedial legislation began during the early 1800's after frequent and disastrous explosions of steam boilers on passenger vessels. This directly led to the first maritime safety laws in 1838 that required periodic inspection and certification of vessels engaged in the transportation of passengers and freight on the waters of the United States. This was followed by a more extensive steamboat inspection law in 1852 which adopted for the first time the principle of licensing for river pilots and engineers. It also created a new Federal maritime safety inspection service called the Federal Inspection Service that eventually became the Bureau of Marine Inspection and Navigation, whose duties were temporarily assumed in 1941 and permanently assumed in 1946 by the United States Coast Guard.

In 1864 the principal inspection and licensing provisions of the 1852 act were made applicable to ferries, towing vessels, and canal boats. However, steamboat explosions continued with high loss of life and property. One of the greatest of all disasters, the destruction of the passenger vessel *Sultana* by explosion and fire with a loss of life estimated at more than 1500 lives in April 1865, led to renewed legislation efforts. In 1871 this culminated with legislation that combined a number of new requirements into a coherent and unified body of maritime safety laws. At the time of the adoption of the Revised Statutes in 1874, a maritime safety code was well established for vessels propelled in whole or in part by steam.

In the more than 100 years since then, as the public recognized the need for vessel safety legislation, primarily as the result of maritime disasters, other classes of vessels were subjected to Federal inspection or regulatory control. These included vessels propelled by gas, fluid, naphtha, or electric motors in 1897; sail vessels and barges carrying passengers for hire in 1898; seagoing barges in 1908; motorboats in 1910; steam vessels owned by the Department of Commerce in 1919; seagoing vessels of 300 gross tons and over on June 20, 1936; all tank vessels carrying flammable or combustible liquid cargo in bulk regardless of size or means of propulsion of June 23, 1936; motorboats again in 1940; all vessels carrying more than six passengers in 1956; tank vessels again in 1978; and offshore supply vessels in 1980. There was also considerable legislation that amended or supplemented these primary maritime safety laws.

The net result has been a patchwork quilt of categories and classifications that requires a tabulation of more than seventy different classes of inspected vessels. This revision gathers into one section of the law all classes of vessels that are subject to inspection and certification without changing the application of present law as to any one class of vessel. The revision does not alter the application of the present law so as to expand inspection requirements to any vessel presently not subject to inspection nor to remove from inspection any vessel that is presently subject to inspection.

Section 3301 lists all classes of vessels that are subject to inspection and certification by the Coast Guard. This section represents one of the sought-after advantages of the bill to simplify access to the provisions of law governing the regulation of vessels. Under the present law, a vessel's inspection status must be determined by examining a table appearing at section 2.01-7A of title 46, Code of Federal Regulations that divides all vessels into more than 70 separate classes.

It is important to note that while the classes of vessels are now limited to ten, there is no prohibition against developing regulations to meet the special needs of various size vessels within any one category. For example, it is expected that the Coast Guard will continue the practice of establishing standards for freight vessels of not more than 100 gross tons and other standards for larger freight vessels.

It should also be noted that a particular vessel can, when engaged in various types of operations, be subject to varying inspection laws. For example, an offshore supply vessel could be classed as a small passenger vessel or a passenger vessel when it operates as a crew boat carrying individuals other than those defined in section 2101(21). If the offshore supply vessel is 500 gross tons and over it would then be subject to inspection as a seagoing motor vessel, a freight vessel, or a passenger vessel.

Section 3302 does three things. It makes clear that a vessel included in one of the ten categories of vessels subject to inspection is not necessarily excluded from another category of vessel that is subject to inspection. For example, a vessel inspected and certified as a small passenger vessel would, when carrying oil or hazardous materials in bulk as cargo or cargo residue, also have to be inspected as a tank vessel. It makes it clear that a vessel excluded by section 3302 from the requirements of inspection in any one of the ten categories is not necessarily excluded from inspection as a vessel in another category. This section also contains a number of exemptions for certain classes of vessels and for those vessels engaged in a specific trade that have been considered to be of a special circumstance.

§ 3303. Reciprocity for foreign vessels

Except as provided in chapter 37 and section 3505 of this title, a foreign vessel of a country having inspection laws and standards similar to those of the United States and that has an unexpired certificate of inspection issued by proper authority of its respective country, is subject to an inspection to ensure that the condition of the vessel is as stated in its current certificate of inspection. A foreign country is considered to have inspection laws and standards similar to those of the United States when it is a party to an International Convention for Safety of Life at Sea to which the United States Government is currently a party. A foreign certificate of inspection may be accepted as evidence of lawful

inspection only when presented by a vessel of a country that has by its laws accorded to vessels of the United States visiting that country the same privileges accorded to vessels of that country visiting the United States.

Table with 2 columns: Revised section, Source section (U.S. Code). Row 1: 3303 46:362(a), 46:390c, 46:391a(3)

Section 3303 acknowledges the international concept of comity with respect to recognizing inspection laws and standards for foreign flag vessels that are similar to those of the United States. If a foreign nation is signatory to the International Convention for Safety of Life at Sea, it is presumed to have similar standards. However, reciprocity requirements for foreign flag tank vessels are included in chapter 37. Subsection (b) provides for a mutual waiver of fees for the inspection of foreign vessels carrying passengers from the United States.

AMENDMENTS

2004—Pub. L. 108-293 inserted "and section 3505" after "chapter 37".

1996—Pub. L. 104-324 struck out subsec. (a) designation and subsec. (b) which read as follows: "The Secretary shall collect and pay to the Treasury the same fees for the inspection of foreign vessels carrying passengers from the United States that a foreign country charges vessels of the United States trading to the ports of that country. The Secretary may waive at any time the collection of the fees on notice of the proper authorities of any country concerned that the collection of fees for the inspection of vessels of the United States has been discontinued."

1992—Subsec. (a), Pub. L. 102-587, in first sentence, struck out "only" after "is subject" and substituted "the condition of the vessel is" for "the condition of the vessel's propulsion equipment and lifesaving equipment are".

INTERNATIONAL CONVENTION FOR SAFETY OF LIFE AT SEA

For International Conventions for the Safety of Life at Sea to which the United States has been a party, see section 1602 of Title 33, Navigation and Navigable Waters, and notes thereunder.

§ 3304. Transporting individuals in addition to crew

(a) A documented vessel transporting cargo that transports not more than 12 individuals in addition to the crew on international voyages, or not more than 16 individuals in addition to the crew on other voyages, is not subject to inspection as a passenger vessel or a small passenger vessel if the vessel is otherwise subject to inspection under this chapter.

(b) Except when subsection (e) of this section applies, before an individual in addition to the crew is transported on a vessel as permitted by this section, the owner, charterer, managing operator, agent, master, or individual in charge of the vessel first shall notify the individual of the presence on board of dangerous articles as defined by law, and of other conditions or circum-

stances that would constitute a risk of safety to the individual on board.

(c) A privilege authorized by this section applies to a vessel of a foreign country that affords a similar privilege to vessels of the United States in trades not restricted to vessels under its own flag.

(d) A fishing, fish processing, or fish tender vessel that transports not more than 12 individuals employed in the fishing industry in addition to the crew is not subject to inspection as a passenger or small passenger vessel.

(e) The Secretary may by regulation allow individuals in addition to the crew to be transported in an emergency or under section 2304 of this title.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 513; Pub. L. 98-364, title IV, § 402(4), July 17, 1984, 98 Stat. 446; Pub. L. 99-307, § 1(5)(A), May 19, 1986, 100 Stat. 444.)

HISTORICAL AND REVISION NOTES

Revised section	Source section (U.S. Code)
3304	46:390-393 46:882

Section 3304 permits the carriage of not more than 12 individuals in addition to the crew on international voyages or not more than 16 individuals in addition to the crew on other voyages without subjecting a documented vessel carrying cargo to the inspection requirements of a passenger vessel. This section permits the bulk of vessels subject to the International Convention for Safety of Life at Sea to carry up to 12 passengers and to permit other cargo vessels, primarily those engaged in the coastwise trade, to carry up to 16 passengers without being categorized as passenger vessels. It also requires that these individuals be notified of the presence of dangerous articles or other conditions or circumstances that constitute a risk of safety. This is of prime importance on tank vessels that carry flammable or hazardous cargoes.

AMENDMENTS

1986—Pub. L. 99-307, § 1(5)(A)(i), substituted “Transporting” for “Carrying” in section catchline.

Subsec. (a). Pub. L. 99-307, § 1(5)(A)(ii), substituted “transporting cargo that transports” for “carrying cargo that carries” and inserted “if the vessel is otherwise subject to inspection under this chapter”.

Subsec. (b). Pub. L. 99-307, § 1(5)(A)(iii), substituted “Except when subsection (e) of this section applies, before” for “Before” and “transported” for “carried”.

Subsec. (c). Pub. L. 99-307, § 1(5)(A)(iv), substituted “A privilege” for “The privilege”.

Subsec. (e). Pub. L. 99-307, § 1(5)(A)(v), added subsec. (e).

1984—Subsec. (d). Pub. L. 98-364 added subsec. (d).

§ 3305. Scope and standards of inspection

(a)(1) The inspection process shall ensure that a vessel subject to inspection—

(A) is of a structure suitable for the service in which it is to be employed;

(B) is equipped with proper appliances for lifesaving, fire prevention, and firefighting;

(C) has suitable accommodations for the crew, sailing school instructors, and sailing school students, and for passengers on the vessel if authorized to carry passengers;

(D) has an adequate supply of potable water for drinking and washing by passengers and crew;

(E) is in a condition to be operated with safety to life and property; and

(F) complies with applicable marine safety laws and regulations.

(2) In determining the adequacy of the supply of potable water under paragraph (1)(D), the Secretary shall consider—

(A) the size and type of vessel;

(B) the number of passengers or crew on board;

(C) the duration and routing of voyages; and

(D) guidelines for potable water recommended by the Centers for Disease Control and Prevention and the Public Health Service.

(b) If an inspection, or examination under section 3308 of this title, reveals that a life preserver, lifesaving device, or firehose is defective and incapable of being repaired, the owner or master shall destroy the life preserver, lifesaving device, or firehose in the presence of the official conducting the inspection or examination.

(c) A nautical school vessel operated by a civilian nautical school or by an educational institution under section 558 of title 40 shall be inspected like a small passenger vessel or a passenger vessel, depending on its tonnage.

HISTORICAL AND REVISION NOTES

Section 3305 consolidates, at one place, the basic scope of coverage of the inspection process. It is to be noted that the time difference in enactment of various statutes has resulted in some anomalies. Thus, for example, R.S. 4417 (46 U.S.C. 391) which had originally set periods of inspection and vested authority in “local inspectors” was expanded over the years to provide the base for inspection of certain classes of vessels as well as setting out the periods and scope. The distillation of inspection objectives and standards in later laws and the transfer of all functions of separately created bureaus and functionaries to the Coast Guard permit this consolidation. There are those who have a desire to see the scope and standards of inspection be more specific in law similar to those presently applicable to boilers and boiler plating that predate 1871. The Committee believes this serves no useful purpose since the specifics are either antiquated or too limiting and have, in fact, been superseded by the statutorily authorized adoption of various industrial specifications, standards, and codes by the Coast Guard. These include the American Bureau of Shipping (ABS), American Society of Mechanical Engineers (ASME), American National Standards Institute (ANSI), American Society for Testing and Materials (ASTM), American Welding Society (AWS), Underwriters Laboratories (UL), and many others. In addition, Coast Guard regulations must also implement and conform to the numerous international maritime safety treaties to which the United States is

signatory. The Committee expects that the regulatory flexibility being provided will not reduce the present vessel inspection requirements that have been historically developed.

Section 3305(a) establishes the statutory scope of the Coast Guard's vessel inspection authority and duty. The inspection process shall ensure that a vessel is of suitable structure, equipment, and accommodations, is maintained in an operating condition consistent with safety of life and property, and complies with applicable marine safety laws and regulations.

Subsection (b) requires that defective life preservers and firehose be destroyed in the presence of the inspecting official, normally a qualified Coast Guard marine inspector. The Committee believes that if this equipment is defective for use on an inspected vessel, it should be destroyed so that it cannot be used on an uninspected or recreational vessel.

Subsection (c) provides flexibility in the inspection of various sizes of nautical school vessels.

AMENDMENTS

2006—Subsec. (a)(2). Pub. L. 109-241 realigned margins.

Subsec. (a)(4) to (6). Pub. L. 108-293, §416(a), added par. (4) and redesignated former pars. (4) and (5) as (5) and (6), respectively.

2002—Subsec. (c). Pub. L. 107-217 substituted "section 558 of title 40" for "section 13 of the Coast Guard Authorization Act of 1986".

1986—Subsec. (c). Pub. L. 99-640 inserted "or by an educational institution under section 13 of the Coast Guard Authorization Act of 1986".

1985—Subsec. (b). Pub. L. 99-36 substituted "lifesaving" and "life preserver, lifesaving device, or firehose" for "life-saving" and "life preserver or firehose", respectively.

§ 3306. Regulations

(a) To carry out this part and to secure the safety of individuals and property on board vessels subject to inspection, the Secretary shall prescribe necessary regulations to ensure the proper execution of, and to carry out, this part in the most effective manner for—

(1) the design, construction, alteration, repair, and operation of those vessels, including superstructures, hulls, fittings, equipment, appliances, propulsion machinery, auxiliary machinery, boilers, unfired pressure vessels, piping, electric installations, and accommodations for passengers and crew, sailing school instructors, and sailing school students;

(2) lifesaving equipment and its use;

(3) firefighting equipment, its use, and precautionary measures to guard against fire;

(4) inspections and tests related to paragraphs (1), (2), and (3) of this subsection; and

(5) the use of vessel stores and other supplies of a dangerous nature.

(b)(1) Equipment and material subject to regulation under this section may not be used on any vessel without prior approval of the Secretary.

(2) Except with respect to use on a public vessel, the Secretary may treat an approval of equipment or materials by a foreign government as approval by the Secretary for purposes of paragraph (1) if the Secretary determines that—

(A) the design standards and testing procedures used by that government meet the requirements of the International Convention for the Safety of Life at Sea, 1974;

(B) the approval of the equipment or material by the foreign government will secure the safety of individuals and property on board vessels subject to inspection; and

(C) for lifesaving equipment, the foreign government—

(i) has given equivalent treatment to approvals of lifesaving equipment by the Secretary; and

(ii) otherwise ensures that lifesaving equipment approved by the Secretary may be used on vessels that are documented and subject to inspection under the laws of that country.

(c) In prescribing regulations for sailing school vessels, the Secretary shall consult with representatives of the private sector having experience in the operation of vessels likely to be certificated as sailing school vessels. The regulations shall—

(1) reflect the specialized nature of sailing school vessel operations, and the character, design, and construction of vessels operating as sailing school vessels; and

(2) include requirements for notice to sailing school instructors and sailing school students about the specialized nature of sailing school vessels and applicable safety regulations.

(d) In prescribing regulations for nautical school vessels operated by the United States Merchant Marine Academy or by a State maritime academy (as defined in section 51102 of this title), the Secretary shall consider the function, purpose, and operation of the vessels, their routes, and the number of individuals who may be carried on the vessels.

(e) When the Secretary finds it in the public interest, the Secretary may suspend or grant exemptions from the requirements of a regulation prescribed under this section related to lifesaving and firefighting equipment, muster lists, ground tackle and hawsers, and bilge systems.

(f) In prescribing regulations for offshore supply vessels, the Secretary shall consider the characteristics, methods of operation, and the nature of the service of offshore supply vessels.

(g) In prescribing regulations for fish processing or fish tender vessels, the Secretary shall consult with representatives of the private sector having experience in the operation of these vessels. The regulations shall reflect the specialized nature and economics of fish processing or fish tender vessel operations and the character, design, and construction of fish processing or fish tender vessels.

(h) The Secretary shall establish appropriate structural fire protection, manning, operating, and equipment requirements for vessels of at least 100 gross tons but less than 300 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title carrying not more than 150 passengers on domestic voyages, which meet the eligibility criteria of section 2113(4) of this title.

(i) The Secretary shall establish appropriate structural fire protection, manning, operating, and equipment requirements for former public vessels of the United States of at least 100 gross

tons but less than 500 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title carrying not more than 150 passengers on domestic voyages, which meet the eligibility criteria of section 2113(5) of this title.

(j) The Secretary may establish by regulation a safety management system appropriate for the characteristics, methods of operation, and nature of service of towing vessels.

(k)(1) Each vessel of the United States that is constructed under a contract entered into after the date of enactment of the Maritime Safety Act of 2010, or that is delivered after January 1, 2011, with an aggregate capacity of 600 cubic meters or more of oil fuel, shall comply with the requirements of Regulation 12A under Annex I to the Protocol of 1978 relating to the International Convention for the Prevention of Pollution from Ships, 1973, entitled “Oil Fuel Tank Protection”.

(2) The Secretary may prescribe regulations to apply the requirements described in Regulation 12A to vessels described in paragraph (1) that are not otherwise subject to that convention. Any such regulation shall be considered to be an interpretive rule for the purposes of section 553 of title 5.

(3) In this subsection the term “oil fuel” means any oil used as fuel in connection with the propulsion and auxiliary machinery of the vessel in which such oil is carried.

Section 3306 contains broad authority to prescribe regulations for the proper inspection and certification of vessels. It provides regulatory flexibility for meeting technological changes. The section also permits flexibility in prescribing regulations for nautical school vessels operated by the United States Merchant Marine Academy or by a State maritime academy. The Secretary may suspend or grant exemptions to certain lim-

ited inspection requirements when the Secretary finds that this is necessary in the public interest. It also contains the requirement that in regulating offshore supply vessels consideration must be given to the special nature of their operations.

§ 3307. Frequency of inspection

Each vessel subject to inspection under this part shall undergo an initial inspection for certification before being put into service. After being put into service—

HISTORICAL AND REVISION NOTES

Table with 2 columns: Revised section, Source section (U.S. Code). Rows include 3307(1), 3307(2), and 3307(3) with corresponding source codes.

Section 3307 requires each vessel subject to inspection to undergo an initial inspection prior to being placed in service. This is normally started during the construction or reconstruction phase and is a continuing process until final certification for operation in a particular trade. Subsequent periodic inspections are also required for various types of vessels. It is to be noted that a freight vessel of less than 100 gross tons shall be inspected at 3 year intervals while the larger freight vessel has a 2 year inspection period. This is being done to retain the existing procedure of issuing 3 year certificates of inspection to smaller vessels, however, this does not prevent periodic inspections or examinations at intervening periods.

AMENDMENTS

1996—Par. (1). Pub. L. 104–324, §605(a)(1), substituted “, nautical school vessel, and small passenger vessel allowed to carry more than 12 passengers on a foreign voyage” for “and nautical school vessel” and inserted “and” at end.

Pars. (2), (3). Pub. L. 104–324, §605(a)(2), (3), redesignated par. (3) as (2), substituted “5 years” for “2 years”, and struck out former par. (2) which read as follows: “each small passenger vessel, freight vessel or offshore supply vessel of less than 100 gross tons, and sailing school vessel shall be inspected at least once every 3 years; and”.

§ 3308. Examinations

In addition to inspections required by section 3307 of this title, the Secretary shall examine or have examined—

- (1) each vessel subject to inspection at proper times to ensure compliance with law and regulations; and
(2) crewmember accommodations on each vessel subject to inspection at least once a

month or when the vessel enters United States ports to ensure that the accommodations are—

- (A) of the size required by law and regulations;
(B) properly ventilated and in a clean and sanitary condition; and
(C) equipped with proper plumbing and mechanical appliances required by law and regulations, and the appliances are in good working condition.

(Pub. L. 98–89, Aug. 26, 1983, 97 Stat. 514; Pub. L. 104–324, title VI, §603(c), Oct. 19, 1996, 110 Stat. 3930.)

Section 3308 requires the Secretary to carry out additional inspections as might be necessary to ensure compliance with applicable laws and regulations, and to ensure that accommodations are maintained in a sanitary condition and that all appliances are in good working order.

AMENDMENTS

1996—Pub. L. 104–324 inserted “or have examined” after “examine” in introductory provisions.

§ 3309. Certificate of inspection

(a) When an inspection under section 3307 of this title has been made and a vessel has been found to be in compliance with the requirements of law and regulations, a certificate of inspection, in a form prescribed by the Secretary, shall be issued to the vessel.

(b) The Secretary may issue a temporary certificate of inspection in place of a regular certificate of inspection issued under subsection (a) of this section.

(c) At least 30 days before the current certificate of inspection issued to a vessel under subsection (a) of this section expires, the owner, charterer, managing operator, agent, master, or individual in charge of the vessel shall submit to the Secretary in writing a notice that the vessel—

- (1) will be required to be inspected; or
(2) will not be operated so as to require an inspection.

(d) A certificate of inspection issued under this section shall be signed by the senior Coast Guard member or civilian employee who inspected the vessel, in addition to the officer in charge of marine inspection.

Section 3309 provides for the issuance of a certificate of inspection that attests to the fact that the vessel has

been found to be in compliance with the applicable maritime safety laws and regulations. Under this provision the Coast Guard can issue a temporary certificate of inspection upon compliance with the applicable laws or regulations to facilitate the preparation, processing, and forwarding of the regular certificate of inspection to the vessel. A temporary certificate does not imply less than satisfactory compliance.

Section 3313 requires a vessel to be maintained in a condition so as to always be in compliance with the applicable laws and regulations. Here the master, owner,

or other responsible party is required to maintain the vessel to inspection standards and to correct all deficiencies observed. When a vessel is not in compliance with its certificate the responsible parties shall be ordered in writing to correct the deficiencies promptly. The section provides flexibility as to when and where these deficiencies may be corrected consistent with the safety of the vessel and crew. The section provides authority to require the vessel to cease operating or, if necessary, to suspend or revoke its certificate of inspection when found not to be in compliance with its certificate or regulations. The owner or master, or other responsible party must be given written notice and may appeal this action within 30 days of receiving the notice.

§ 3314. Expiration of certificate of inspection

(a) If the certificate of inspection of a vessel expires when the vessel is on a foreign voyage, the vessel may complete the voyage to a port of the United States within 30 days of the expiration of the certificate without incurring the penalties for operating without a certificate of inspection.

(b) If the certificate of inspection would expire within 15 days of sailing on a foreign voyage from a United States port, the vessel shall secure a new certificate of inspection before sailing, unless the voyage is scheduled to be completed prior to the expiration date of the certificate. If a voyage scheduled to be completed in that time is not so completed, the applicable penalties may be enforced unless the failure to meet the schedule was beyond the control of the owner, charterer, managing operator, agent, master, or individual in charge of the vessel.

(c) When the certificate of inspection of a foreign vessel carrying passengers, operated on a regularly established line, expires at sea after leaving the country to which it belongs or when the vessel is in the United States, the Secretary may permit the vessel to sail on its regular route without further inspection than would have been required had the certificate not expired. This permission applies only when the vessel will be regularly inspected and issued a certificate before the vessel's next return to the United States.

The Secretary and the Secretary of Transportation each shall appoint one representative (except when the Secretary is the Secretary of Transportation, in which case the Secretary shall appoint both representatives) who shall represent the Government on the executive committee of the Bureau. The Bureau shall agree that the representatives shall be accepted by it as active members of the committee. The representatives shall serve without compensation, except for necessary traveling expenses.

(b)(1) The Secretary may delegate to the American Bureau of Shipping or another classification society recognized by the Secretary as meeting acceptable standards for such a society, for a vessel documented or to be documented under chapter 121 of this title, the authority to—

- (B) if the foreign classification society has offices and maintains records in the United States.

(3) When an inspection or examination has been delegated under this subsection, the Secretary's delegate—

(i) as a marine inspector and serving in a position as a marine inspector; or

(ii) in writing by the Secretary to have access to those files.

(c)(1) A classification society (including an employee or agent of that society) may not review, examine, survey, or certify the construction, repair, or alteration of a vessel in the United States unless the society has applied for approval under this subsection and the Secretary has reviewed and approved that society with respect to the conduct of that society under paragraph (2).

(2) The Secretary may approve a person for purposes of paragraph (1) only if the Secretary determines that—

(A) the vessels surveyed by the person while acting as a classification society have an adequate safety record; and

(B) the person has an adequate program to—

(i) develop and implement safety standards for vessels surveyed by the person;

(ii) make the safety records of the person available to the Secretary in an electronic format;

(iii) provide the safety records of a vessel surveyed by the person to any other classification society that requests those records for the purpose of conducting a survey of the vessel; and

(B) conduct inspections and examinations.

(2) The Secretary may make a delegation under paragraph (1) to a foreign classification society only if—

(A) the foreign society has offices and maintains records in the United States; and

(B)(i) the government of the foreign country in which the foreign society is headquartered delegates that authority to the American Bureau of Shipping; or

(ii) the Secretary has entered into an agreement with the government of the foreign

country in which the foreign society is headquartered that—

(I) ensures the government of the foreign country will accept plan review, inspections, or examinations conducted by the American Bureau of Shipping and provide equivalent access to inspect, certify, and provide related services to offshore facilities located in that country or operating under the authority of that country; and

(II) is in full accord with principles of reciprocity in regards to any delegation contemplated by the Secretary under paragraph (1).

(3) If an inspection or examination is conducted under authority delegated under this subsection, the person to which the authority was delegated—

(A) shall maintain in the United States complete files of all information derived from or necessarily connected with the inspection or examination for at least 2 years after the United States offshore facility ceases to be certified; and

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3316	46:9 (less (c)) 46:369 46:881

Section 3316 prescribes the relationship between certain classification societies and the Federal Government with respect to the promotion of maritime safety and the security of life and property at sea. Briefly stated, a classification society, like the American Bureau of Shipping (ABS), establishes and administers standards for the design, construction, and periodic

survey of commercial vessels, yachts, and other marine structures. Classification certifies adherence to these standards, thus representing that a vessel or structure possesses the structural and mechanical fitness required for its intended service.

The section requires that a Federal department, agency, or instrumentality recognize the American Bureau of Shipping as its agent for classing vessels owned by the Federal Government and in any matters related to classification. In effect, the ABS has a statutory monopoly on classing vessels of the United States Government. Additionally, the section contains the authority to permit the Secretary to rely on reports, documents, and certificates issued by a classification society that is similar to the American Bureau of Shipping. However, a "similar classification society" continues to mean one that is organized like the American Bureau of Shipping with attendant governmental representation.

HISTORICAL AND REVISION NOTES

Revised section	Source section (U.S. Code)

Section 3317 provides the regulatory authority for prescribing fees for the inspection of small passenger vessels and sailing school vessels. Although section 2110 generally prohibits fees of this nature, this provision is consistent with the exception that permits specific statutory authorization for fee collection. Subsection (b) requires the reimbursement of expenses for the conduct of an inspection or examination at a foreign port or place when done there for the convenience of the owner or operator of the vessel.

§ 3504. Notification to passengers

(a) A person selling passage on a foreign or domestic passenger vessel having berth or stateroom accommodations for at least 50 passengers and embarking passengers at United States ports for a coastwise or an international voyage shall notify each prospective passenger of the safety standards applicable to the vessel in a manner prescribed by regulation.

HISTORICAL AND REVISION NOTES

Table with 2 columns: Revised section, Source section (U.S. Code). Row 3504 46:362(b)

Section 3504 requires notification to the public of the safety standards that are applicable to certain foreign flag or United States passenger vessels. In addition, all promotional literature or advertising that offers passage or solicits passengers for ocean voyages anywhere in the world shall include a safety standard statement and shall specify the registry of the vessel. If the vessel meets the international standards to which the United States adheres, then the safety standard statement need not be included. In all other cases the type of safety standard statement that must be included is as prescribed by regulation. This section is intended to place the United States public on notice as to the degree of fire safety compliance of a foreign-flag passenger vessel that does not operate or depart from a port or place in the United States but does embark passengers from the United States at nearby foreign ports. Departures from foreign ports are undertaken because the foreign-flag

passenger vessel cannot comply with the safety standards applicable to a United States flag passenger vessel.

§ 3505. Prevention of departure

Notwithstanding section 3303 of this title, a foreign vessel carrying a citizen of the United States as a passenger or embarking passengers from a United States port may not depart from a United States port if the Secretary finds that the vessel does not comply with the standards stated in the International Convention for the Safety of Life at Sea to which the United States Government is currently a party.

2004—Pub. L. 108-293 reenacted section catchline without change and amended text generally. Prior to amendment, text read as follows: "Notwithstanding section 3303(a) of this title, a foreign vessel may not depart from a United States port with passengers who are embarked at that port, if the Secretary finds that the vessel does not comply with the standards stated in the International Convention for the Safety of Life at Sea to which the United States Government is currently a party."

1992—Pub. L. 102-587 substituted "foreign vessel may not depart" for "foreign or domestic vessel of more than 100 gross tons having berth or stateroom accommodations for at least 50 passengers may not depart".

REFERENCES IN TEXT

The date of enactment of the Cruise Vessel Security and Safety Act of 2010, referred to in subsecs. (a)(1)(C), (3) and (i), is the date of enactment of Pub. L. 111–207, which was approved July 27, 2010.

FINDINGS

Pub. L. 111–207, §2, July 27, 2010, 124 Stat. 2243, provided that: “The Congress makes the following findings:

“(1) There are approximately 200 overnight ocean-going cruise vessels worldwide. The average ocean-going cruise vessel carries 2,000 passengers with a crew of 950 people.

“(2) In 2007 alone, approximately 12,000,000 passengers were projected to take a cruise worldwide.

“(3) Passengers on cruise vessels have an inadequate appreciation of their potential vulnerability to crime while on ocean voyages, and those who may be victimized lack the information they need to understand their legal rights or to know whom to contact for help in the immediate aftermath of the crime.

“(4) Sexual violence, the disappearance of passengers from vessels on the high seas, and other serious crimes have occurred during luxury cruises.

“(5) Over the last 5 years, sexual assault and physical assaults on cruise vessels were the leading crimes investigated by the Federal Bureau of Investigation with regard to cruise vessel incidents.

“(6) These crimes at sea can involve attacks both by passengers and crewmembers on other passengers and crewmembers.

“(7) Except for United States flagged vessels, or foreign flagged vessels operating in an area subject to the direct jurisdiction of the United States, there are no Federal statutes or regulations that explicitly require cruise lines to report alleged crimes to United States Government officials.

“(8) It is not known precisely how often crimes occur on cruise vessels or exactly how many people have disappeared during ocean voyages because cruise line companies do not make comprehensive, crime-related data readily available to the public.

“(9) Obtaining reliable crime-related cruise data from governmental sources can be difficult, because multiple countries may be involved when a crime occurs on the high seas, including the flag country for the vessel, the country of citizenship of particular passengers, and any countries having special or maritime jurisdiction.

“(10) It can be difficult for professional crime investigators to immediately secure an alleged crime scene on a cruise vessel, recover evidence of an onboard offense, and identify or interview potential witnesses to the alleged crime.

“(11) Most cruise vessels that operate into and out of United States ports are registered under the laws of another country, and investigations and prosecutions of crimes against passengers and crewmembers may involve the laws and authorities of multiple nations.

“(12) The Department of Homeland Security has found it necessary to establish 500-yard security zones around cruise vessels to limit the risk of terrorist attack. Recently piracy has dramatically increased throughout the world.

“(13) To enhance the safety of cruise passengers, the owners of cruise vessels could upgrade, modernize, and retrofit the safety and security infrastructure on such vessels by installing peep holes in passenger room doors, installing security video cameras in targeted areas, limiting access to passenger rooms to select staff during specific times, and installing acoustic hailing and warning devices capable of communicating over distances.”

§ 3508. Crime scene preservation training for passenger vessel crewmembers

(a) IN GENERAL.—Within 1 year after the date of enactment of the Cruise Vessel Security and Safety Act of 2010, the Secretary, in consultation with the Director of the Federal Bureau of Investigation and the Maritime Administration, shall develop training standards and curricula to allow for the certification of passenger vessel security personnel, crewmembers, and law enforcement officials on the appropriate methods for prevention, detection, evidence preservation, and reporting of criminal activities in the international maritime environment. The Administrator of the Maritime Administration may certify organizations in the United States and abroad that offer the curriculum for training and certification under subsection (c).

(b) MINIMUM STANDARDS.—The standards established by the Secretary under subsection (a) shall include—

(1) the training and certification of vessel security personnel, crewmembers, and law en-

forcement officials in accordance with accepted law enforcement and security guidelines, policies, and procedures, including recommendations for incorporating a background check process for personnel trained and certified in foreign ports;

(2) the training of students and instructors in all aspects of prevention, detection, evidence preservation, and reporting of criminal activities in the international maritime environment; and

(3) the provision or recognition of off-site training and certification courses in the United States and foreign countries to develop and provide the required training and certification described in subsection (a) and to enhance security awareness and security practices related to the preservation of evidence in response to crimes on board passenger vessels.

(c) CERTIFICATION REQUIREMENT.—Beginning 2 years after the standards are established under subsection (b), no vessel to which this section applies may enter a United States port on a voyage (or voyage segment) on which a United States citizen is a passenger unless there is at least 1 crewmember onboard who is certified as having successfully completed training in the prevention, detection, evidence preservation, and reporting of criminal activities in the international maritime environment on passenger vessels under subsection (a).

(d) INTERIM TRAINING REQUIREMENT.—No vessel to which this section applies may enter a United States port on a voyage (or voyage segment) on which a United States citizen is a passenger unless there is at least 1 crewmember onboard who has been properly trained in the prevention detection, evidence preservation and the reporting requirements of criminal activities in the international maritime environment. The owner of a such a vessel shall maintain certification or other documentation, as prescribed by the Secretary, verifying the training of such individual and provide such documentation upon request for inspection in connection with enforcement of the provisions of this section. This subsection shall take effect 1 year after the date of enactment of the Cruise Vessel Safety and Security Act of 2010 and shall remain in effect until superseded by the requirements of subsection (c).

(e) CIVIL PENALTY.—Any person that violates this section or a regulation under this section shall be liable for a civil penalty of not more than \$50,000.

(f) DENIAL OF ENTRY.—The Secretary may deny entry into the United States to a vessel to which this section applies if the owner of the vessel—

(1) commits an act or omission for which a penalty may be imposed under subsection (e); or

(2) fails to pay a penalty imposed on the owner under subsection (e).

HISTORICAL AND REVISION NOTES

Chapter 37 consolidates the laws that are applicable to vessels that transport oil or hazardous material in bulk as cargo or cargo residue.

The history of Federal authority to carry out a tank vessel safety program begins with the enactment of the so-called Tank Vessel Act of 1936 which, as amended, is presently codified in section 391a of title 46, United States Code. The 1936 Act remained essentially the same until it was amended by the Ports and Waterways Safety Act of 1972. The 1972 amendment contained more specific standards for the protection of a tank vessel and its crew and added vessel standards to improve the quality of the marine environment. After a rash of tank vessel accidents during the latter part of 1976 and early 1977 within our territorial seas and in nearby coastal waters, there was an outpouring of public attention to the need to protect United States ports and waterways, for the safety of tank vessels, and for the protection of the marine environment. This led to the enactment of the Port and Tanker Safety Act of 1978, which provided broader and more extensive regulatory authority over areas already regulated and over many areas not previously regulated. It provided for improvements in the supervision and control of vessels of all types operating in the navigable waters of the United States, and in the safety of all tank vessels, foreign or domestic, that transport or transfer oil or hazardous cargoes in ports or places subject to the jurisdiction of the United States. The 1978 amendments also reflect, in part, certain tank vessel standards and requirements that have been accepted internationally, in particular those developed by the International Conference on Tanker Safety and Pollution Prevention held in London in February, 1978.

§ 3701. Definitions

§ 3702. Application

(a) Subject to subsections (b)–(e) of this section, this chapter applies to a tank vessel.

(b) This chapter does not apply to a documented vessel that would be subject to this chapter only because of the transfer of fuel from the fuel supply tanks of the vessel to offshore drilling or production facilities in the oil industry if the vessel is—

- (1) not a tanker; and
- (2) in the service of oil exploitation.

(c) This chapter does not apply to a fishing or fish tender vessel of not more than 500 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title when engaged only in the fishing industry.

However, the vessel is subject to regulation by the Secretary when carrying flammable or combustible liquid cargo in bulk.

(e) This chapter does not apply to a foreign vessel on innocent passage on the navigable waters of the United States.

(f) This chapter does not apply to an oil spill response vessel if—

(1) the vessel is used only in response-related activities; or

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3702	46:391a

Section 3702, with certain exceptions, makes this chapter applicable to any tank vessel operating in the navigable waters of the United States or transferring oil or hazardous materials in any port or place subject to the jurisdiction of the United States, and which carries oil or any hazardous materials in bulk as cargo or in residue, regardless of tonnage, size or manner of propulsion; whether it is self-propelled or not; whether it is carrying freight or passengers for hire or not; and whether it is a vessel of the United States or a foreign vessel.

It exempts certain small vessels documented in the service of oil exploitation, certain small tender and fishing vessels used in the Northwest salmon or crab fisheries, certain vessels used in the processing and assembling of fishery products used in the Northwest fisheries, public vessels, and foreign vessels engaged on innocent passage on the navigable waters of the United States. However, processing vessels, while not treated as tank vessels, are still subject to regulation when carrying flammable or combustible liquid cargo in bulk.

AMENDMENTS

2010—Subsec. (b)(1) to (3). Pub. L. 111–281 redesignated pars. (2) and (3) as (1) and (2), respectively, and struck out former par. (1), which read as follows: “not more than 500 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title;”.

1996—Subsec. (b)(1). Pub. L. 104–324, § 714(1), inserted “as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “500 gross tons”.

Subsec. (c). Pub. L. 104–324, § 714(2), inserted “as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “500 gross tons”.

Subsec. (d). Pub. L. 104–324, § 714(3), inserted “as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “5,000 gross tons”.

Subsec. (f). Pub. L. 104–324, § 1104(b), added subsec. (f). 1984—Subsec. (c). Pub. L. 98–364, § 402(6)(A), substituted “This chapter does not apply to a fishing or fish tender vessel of not more than 500 gross tons when engaged only in the fishing industry” for “This chapter does not apply to a cannery tender, fishing tender, or fishing vessel of not more than 500 gross tons, used in the salmon or crab fisheries of Alaska, Oregon, or Washington, when engaged only in the fishing industry”.

Subsec. (d). Pub. L. 98–364, § 402(6)(B), substituted “This chapter does not apply to a fish processing vessel of not more than 5,000 gross tons” for “This chapter does not apply to a vessel of not more than 5,000 gross tons used in processing and assembling fishery products of the fisheries of Alaska, Oregon, and Washington”.

§ 3703. Regulations

(a) The Secretary shall prescribe regulations for the design, construction, alteration, repair, maintenance, operation, equipping, personnel qualification, and manning of vessels to which this chapter applies, that may be necessary for increased protection against hazards to life and property, for navigation and vessel safety, and for enhanced protection of the marine environment. The Secretary may prescribe different regulations applicable to vessels engaged in the domestic trade, and also may prescribe regulations that exceed standards set internationally. Regulations prescribed by the Secretary under this subsection are in addition to regulations prescribed under other laws that may apply to any of those vessels. Regulations prescribed under this subsection shall include requirements about—

(1) superstructures, hulls, cargo holds or tanks, fittings, equipment, appliances, propulsion machinery, auxiliary machinery, and boilers;

(2) the handling or stowage of cargo, the manner of handling or stowage of cargo, and the machinery and appliances used in the handling or stowage;

(3) equipment and appliances for lifesaving, fire protection, and prevention and mitigation of damage to the marine environment;

(4) the manning of vessels and the duties, qualifications, and training of the officers and crew;

(5) improvements in vessel maneuvering and stopping ability and other features that reduce the possibility of marine casualties;

(6) the reduction of cargo loss if a marine casualty occurs; and

(7) the reduction or elimination of discharges during ballasting, deballasting, tank cleaning, cargo handling, or other such activity.

(b) In prescribing regulations under subsection (a) of this section, the Secretary shall consider the types and grades of cargo permitted to be on board a tank vessel.

(c) In prescribing regulations under subsection (a) of this section, the Secretary shall establish procedures for consulting with, and receiving and considering the views of—

- (1) interested departments, agencies, and instrumentalities of the United States Government;
- (2) officials of State and local governments;
- (3) representatives of port and harbor authorities and associations;
- (4) representatives of environmental groups; and

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3703	46:391a(6) 46:391a(12)

Section 3703 requires the Secretary to issue regulations to implement this section. Specific items are listed to be included within the regulations issued. The regulatory authority must be exercised under the Administrative Procedure Act and, in prescribing these regulations, the Secretary must consider the kinds and grades of cargo carried on board. Furthermore, in addition to any requirements of the Administrative Procedure Act, the Secretary must establish specific consultation procedures for considering the views of various specified interested officials, groups, and individuals. The procedures are intended to provide for consultation as early as possible in the regulatory process.

OIL FUEL TANK PROTECTION

Pub. L. 111–281, title VI, §617(e), Oct. 15, 2010, 124 Stat. 2973, provided that:

“(1) APPLICATION.—An offshore supply vessel of at least 6,000 gross tons as measured under section 14302 of title 46, United States Code, that is constructed under a contract entered into after the date of enactment of this Act [Oct. 15, 2010], or that is delivered after August 1, 2010, with an aggregate capacity of 600 cubic meters or more of oil fuel, shall comply with the requirements of Regulation 12A under Annex I to the Protocol of 1978 relating to the International Convention for the Prevention of Pollution from Ships, 1973, entitled Oil Fuel Tank Protection, regardless of whether such vessel is engaged in the coastwise trade or on an international voyage.

“(2) DEFINITION.—In this subsection the term ‘oil fuel’ means any oil used as fuel in connection with the propulsion and auxiliary machinery of the vessel in which such oil is carried.”

REGULATIONS FOR OFFSHORE SUPPLY VESSELS OF AT LEAST 6,000 GROSS TONS

Pub. L. 111–281, title VI, §617(f), Oct. 15, 2010, 124 Stat. 2974, as amended by Pub. L. 111–330, §1(8), Dec. 22, 2010, 124 Stat. 3569, provided that:

“(1) IN GENERAL.—Not later than January 1, 2012, the Secretary of the department in which the Coast Guard is operating shall promulgate regulations to implement the amendments and authorities enacted by this section [amending sections 2101, 3702, 7312, and 8104 of this title, enacting provisions set out as a note under this section, and amending provisions set out as a note under section 2101 of this title] for offshore supply ves-

sels of at least 6,000 gross tons as measured under section 14302 of title 46, United States Code, and to ensure the safe carriage of oil, hazardous substances, and individuals in addition to the crew on such vessels. The final rule issued pursuant to such rulemaking may supersede the interim final rule promulgated under paragraph (2) of this subsection. In promulgating regulations under this subsection, the Secretary shall take into consideration the characteristics of offshore supply vessels, their methods of operation, and their service in support of exploration, exploitation, or production of offshore mineral or energy resources.

“(2) INTERIM FINAL RULE AUTHORITY.—As soon as is practicable and without regard to the provisions of chapters 5 and 6 of title 5, United States Code, the Secretary shall issue an interim final rule as a temporary regulation implementing this section (including the amendments made by this section) for offshore supply vessels of at least 6,000 gross tons as measured under section 14302 of title 46, United States Code, and to ensure the safe carriage of oil, hazardous substances, and individuals in addition to the crew on such vessels.

AMENDMENTS

2006—Pub. L. 109-304 substituted “chapter 551 of this title” for “section 27 of the Merchant Marine Act, 1920 (46 App. U.S.C. 883).”

§ 3705. Crude oil tanker minimum standards

(a) A new crude oil tanker of at least 20,000 deadweight tons shall be equipped with—

- (1) protectively located segregated ballast tanks;
(2) a crude oil washing system; and
(3) a cargo tank protection system consisting of a fixed deck froth system and a fixed inert gas system.

(b)(1) An existing crude oil tanker of at least 40,000 deadweight tons shall be equipped with—

- (A) segregated ballast tanks; or
(B) a crude oil washing system.

(2) Compliance with paragraph (1) of this subsection may be delayed until June 1, 1985, for any tanker of less than 70,000 deadweight tons that has dedicated clean ballast tanks.

(c) An existing crude oil tanker of at least 20,000 deadweight tons but less than 40,000 deadweight tons, and at least 15 years of age, shall be equipped with segregated ballast tanks or a crude oil washing system before January 2, 1986, or the date on which the tanker reaches 15 years of age, whichever is later.

(e) A crude oil tanker engaged in transferring oil from an offshore oil exploitation or production facility on the Outer Continental Shelf of the United States shall be equipped with segregated ballast tanks, or may operate with dedicated clean ballast tanks or special ballast arrangements. However, the tanker shall comply with other applicable minimum standards of this section.

Section 3705(a) requires new crude oil tankers of 20,000 deadweight tons or above to have protectively located segregated ballast tanks, a crude oil washing system, and a specified cargo tank protection system.

Section 3705(b) requires existing crude oil tankers of 40,000 deadweight tons or above to have segregated ballast tanks or a crude oil washing system. Compliance may be delayed until June 1, 1985 for smaller tankers that have dedicated clean ballast tanks.

Section 3705(d) requires existing crude oil tankers of 20,000 deadweight tons or above, to install an inert gas

system. An exemption for crude oil tankers of less than 40,000 deadweight tons not fitted with high-capacity tank washing machines may be granted by the Secretary, only if it is demonstrated that compliance would be unreasonable and impracticable due to the vessel's design characteristics.

Section 3705(e) requires existing crude oil tankers of 20,000 deadweight tons or above, engaged in the transfer of oil from Outer Continental Shelf oil exploitation or production facilities, to have segregated ballast tanks or be operated with dedicated clean ballast tanks or special ballast arrangements.

§ 3706. Product carrier minimum standards

(a) A new product carrier of at least 30,000 deadweight tons shall be equipped with protectively located segregated ballast tanks.

(b) A new product carrier of at least 20,000 deadweight tons shall be equipped with a cargo tank protection system consisting of a fixed deck froth system and a fixed inert gas system or, if the product carrier carries dedicated products incompatible with the cargo tank protection system, an alternate protection system authorized by the Secretary.

(c) An existing product carrier of at least 40,000 deadweight tons shall be equipped with segregated ballast tanks or may operate with dedicated clean ballast tanks.

(d) An existing product carrier of at least 20,000 deadweight tons but less than 40,000 deadweight tons, and at least 15 years of age, shall be equipped with segregated ballast tanks or may operate with dedicated clean ballast tanks before January 2, 1986, or the date on which it reaches 15 years of age, whichever is later.

(e) An existing product carrier of at least 40,000 deadweight tons, or an existing product carrier of at least 20,000 deadweight tons but less than 40,000 deadweight tons that is fitted with high-capacity tank washing machines, shall be equipped with an inert gas system.

(b) Each vessel to which this chapter applies shall have on board those documents the Secretary considers necessary for inspection and enforcement, including documents listing—

(1) the type, grade, and approximate quantities of cargo on board;

(2) the shipper and consignee of the cargo;

(3) the places of origin and destination of the vessel; and

(4) the name of an agent in the United States authorized to accept service of legal process.

(c) Each vessel to which this chapter applies that operates in the United States shall have a person designated as authorized to accept service of legal process for the vessel.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3714	46:391a(15)

Section 3714(a) requires the Secretary to establish a program for the inspection of tank vessels, foreign or domestic, at least once each year. The Committee contemplates that United States vessels will be issued a 2 year certificate of inspection with a mid-period examination. The Committee also contemplates that foreign-flag vessels will continue to be tracked and boarded at least once a year or when they first arrive in the United States. The Secretary may examine the foreign-flag tank vessel but may accept, as a basis for the issuance of a certificate of compliance, in whole or in part a foreign-issued certificate.

Each vessel over 10 years of age must undergo a special and detailed inspection of structural strength and hull integrity, as specified by the Secretary. An inspection or examination may be conducted by any officer authorized by the Secretary. The Committee expects that, whenever possible, a qualified marine inspector will be used wherever the vessel undergoes these 10-year inspections. The Secretary may also contract for inspections or examinations in the United States and in foreign countries.

The primary reason for including a provision that permits the contracting for the conduct of inspections and examinations is to provide flexibility in foreign areas where Coast Guard marine inspectors are not normally available.

A contract inspector may be authorized to act on behalf of the Secretary, but may not issue a certificate of inspection or compliance. The inspector may, however, issue a temporary certificate.

The Committee understands that the 10-year inspections of United States-flag and foreign-flag vessels may occur at the time the vessel is scheduled for shipyard availability to complete the periodic classification society survey.

The Secretary is also authorized and directed to prescribe by regulation reasonable fees for certain inspections or examinations conducted pursuant to this section based on the cost incurred. The owner of any vessel inspected or examined by the Secretary or his designee shall be liable for the fee. Amounts received as fees under this section are to be deposited in the Treasury.

Section 3714(b) requires each vessel subject to this chapter to have on board those documents the Secretary declares are necessary for inspection or enforcement, including, but not limited to documents indicating the kind, grade, and approximate quantities of any cargo on board; the shipper and consignee of the cargo; the points of origin and destination of the vessel; and the name of an agent in the United States authorized to accept legal process.

Section 3714(c) requires each vessel subject to this chapter to have a person authorized to accept service of legal process for the vessel.

AMENDMENTS

1986—Subsec. (a)(4). Pub. L. 99-307 substituted “charterer” for “charter”.

§ 3715. Lightering

(a) A vessel may transfer oil or hazardous material in a port or place subject to the jurisdiction of the United States, when the cargo has

been transferred from another vessel on the navigable waters of the United States or in the marine environment, only if—

(1) the transfer was conducted consistent with regulations prescribed by the Secretary;

(2) both the delivering and receiving vessels had on board, at the time of transfer, a certificate of inspection or a certificate of compliance, as would have been required under section 3710 or 3711 of this title, had the transfer taken place in a port or place subject to the jurisdiction of the United States; and¹

(3) the delivering and the receiving vessel had on board at the time of transfer, a certificate of financial responsibility as would have been required under section 1016 of the Oil Pollution Act of 1990, had the transfer taken place in a place subject to the jurisdiction of the United States;

(4) the delivering and the receiving vessel had on board at the time of transfer, evidence that each vessel is operating in compliance with section 311(j) of the Federal Water Pollution Control Act (33 U.S.C. 1321(j)); and

(5) the delivering and the receiving vessel are operating in compliance with section 3703a of this title.

(b) The Secretary shall prescribe regulations to carry out subsection (a) of this section. The regulations shall include provisions on—

(1) minimum safe operating conditions, including sea state, wave height, weather, proximity to channels or shipping lanes, and other similar factors;

(2) the prevention of spills;

(3) equipment for responding to a spill;

(4) the prevention of any unreasonable interference with navigation or other reasonable uses of the high seas, as those uses are defined by treaty, convention, or customary international law;

(5) the establishment of lightering zones; and

(6) requirements for communication and pre-arrival messages.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 526; Pub. L. 101-380, title IV, §4115(d), Aug. 18, 1990, 104 Stat. 520.)

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3715	46:391a(17)

Section 3715 requires the Secretary to control lightering operations; that is, the transferring of cargoes at sea from large deep-draft vessels to shallow-draft vessels for subsequent transfer to shoreside terminals due to the inability of the larger tank vessels to enter shallow ports. It prohibits a tank vessel from unloading any cargo of oil or hazardous material at any port or terminal under the jurisdiction of the United States, unless the cargo has been transferred in accordance with lightering regulations. It also prohibits the shoreside transfer unless both the delivering and receiving vessels involved in the prior lightering had on board at the time of the offshore transfer, the certificates that would have been required had the transfer taken place in a port or place subject to the jurisdiction of the United States.

¹ So in original. The word “and” probably should not appear.

The regulations to be prescribed by the Secretary shall include a number of specific considerations but may include any related matters deemed necessary to promote navigation and vessel safety and protection of the marine environment. The Secretary must consider standards for minimum safe operating conditions, including sea state, wave height, weather, vessel traffic, the prevention of oil spills, and oil spill response equipment. In regulating this operation, there must not be any unreasonable interference with international navigation or reasonable uses of the high seas, and there must be established lightering zones with attendant communications and prearrival message requirements.

§ 3716. Tank washings

(a) A vessel may not transfer cargo in a port or place subject to the jurisdiction of the United States if, before arriving, the vessel has discharged tank washings containing oil or hazardous material in preparation for loading at that port or place in violation of the laws of the United States or in a manner or quantities inconsistent with a treaty to which the United States is a party.

Section 3716 requires the Secretary to establish effective control and supervisory measures to prohibit the discharge of tank washings by dumping at sea. The section also prohibits the dumping vessel from subsequently loading any cargo at a port or terminal subject to the jurisdiction of the United States. This section is intended to prohibit the practice of discharging a cargo of oil or hazardous substance, then going to sea to clean tanks by pumping tank washing mixtures overboard, and then returning to a port or terminal subject to the jurisdiction of the United States for the purpose of loading a cargo that was incompatible with the prior cargo.

§ 3717. Marine safety information system

(a) The Secretary shall establish a marine safety information system that shall contain information about each vessel to which this chap-

ter applies that operates on the navigable waters of the United States, or that transfers oil or hazardous material in a port or place under the jurisdiction of the United States. In acquiring this information, the Secretary shall make full use of publicly available information. The Secretary may by regulation require the vessel to provide information that the Secretary considers necessary to carry out this subsection, including—

- (1) the name of each person with an ownership interest in the vessel;
- (2) details of compliance with the financial responsibility requirements of applicable laws or regulations;
- (3) registration information, including all changes in the name of the vessel;
- (4) the history of marine casualties and serious repair problems of the vessel; and
- (5) a record of all inspections and examinations of a vessel conducted under section 3714 of this title.

(b) On written request from the Secretary, the head of each department, agency, or instrumentality of the United States Government shall provide available information that the Secretary considers necessary to confirm the information received under subsection (a) of this section.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3717	46:391a(16)

Section 3717 requires the Secretary to establish a marine safety information system which is to contain selected information on any tank vessel, foreign or domestic, that comes within the jurisdiction of the United States. This information must be recorded and maintained up-to-date and is available from a number of sources. In some instances, this information is required as a condition of entry. This information shall include certain ownership interests, financial responsibility information, all registered names that the vessel has had since it was built, the present and prior countries of registry, history of accidents or serious repair problems, record of the various inspections or examinations required, and any other data the Secretary deems appropriate to carry out the intent of the section. The section also provides for interagency cooperation and the furnishing of available data and information.

§ 3718. Penalties

(a)(1) A person violating this chapter or a regulation prescribed under this chapter is liable to the United States Government for a civil penalty of not more than \$25,000. Each day of a continuing violation is a separate violation.

(2) Each vessel to which this chapter applies that is operated in violation of this chapter or a regulation prescribed under this chapter is liable in rem for a civil penalty under this subsection.

(b) A person willfully and knowingly violating this chapter or a regulation prescribed under this chapter commits a class D felony.

(c) Instead of the penalties provided by subsection (b) of this section, a person willfully and knowingly violating this chapter or a regulation

prescribed under this chapter, and using a dangerous weapon, or engaging in conduct that causes bodily injury or fear of imminent bodily injury to an official authorized to enforce this chapter or a regulation prescribed under this chapter, commits a class C felony.

(d) The district courts of the United States have jurisdiction to restrain a violation of this chapter or a regulation prescribed under this chapter.

(e)(1) If any owner, operator, or individual in charge of a vessel is liable for any penalty or fine under this section, or if reasonable cause exists to believe that the owner, operator, or individual in charge may be subject to any penalty or fine under this section, the Secretary of Homeland Security, upon the request of the Secretary, shall with respect to such vessel refuse or revoke any clearance required by section 60105 of this title.

(2) Clearance or a permit refused or revoked under this subsection may be granted upon filing of a bond or other surety satisfactory to the Secretary.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
3718	46:391a(14)

Section 3718 provides the authority to assess civil penalties for violation of the chapter or regulations. Each violation subjects the violator to a penalty not to exceed \$25,000 for each violation and, in the case of a continuing violation, each day shall constitute a separate violation and the vessel is liable in rem. The procedures for assessing penalties are found in section 2107 of part A.

With respect to criminal penalties, a willful or knowing violation of the section or a regulation subjects the offender, upon conviction, to a criminal fine of not more than \$50,000 for each violation or imprisonment for not more than 1 year, or both. If the willful and knowing violation involves the use of a dangerous weapon or constitutes an assault or battery, the offender is subjected to a fine of not more than \$100,000 or imprisonment of not more than 10 years, or both.

In addition, where the owner or operator of the vessel is subject to any of the penalties prescribed, the Secretary of the Treasury is directed to withhold required Customs clearance, at the request of the Secretary. Clearance may be granted upon the filing of a bond or other surety satisfactory to the Secretary.

AMENDMENTS

2006—Subsec. (e)(1). Pub. L. 109-304 substituted “Secretary of Homeland Security” and “section 60105 of this title” for “Secretary of the Treasury” and “section 4197 of the Revised Statutes of the United States (46 App. U.S.C. 91)”, respectively.

1996—Subsec. (e). Pub. L. 104-324 amended subsec. (e) generally. Prior to amendment, subsec. (e) read as follows: “At the request of the Secretary, the Secretary of the Treasury shall withhold or revoke the clearance required by section 4197 of the Revised Statutes (46 App. U.S.C. 91) of a vessel the owner or operator of which is subject to a penalty under this section. Clearance may be granted on filing a bond or other surety satisfactory to the Secretary.”

1990—Subsec. (b). Pub. L. 101-380, § 4302(c)(1), substituted “commits a class D felony” for “shall be fined

not more than \$50,000, imprisoned for not more than 5 years, or both”.

Subsec. (c). Pub. L. 101-380, § 4302(c)(2), substituted “commits a class C felony” for “shall be fined not more than \$100,000, imprisoned for not more than 10 years, or both”.

The Secretary shall, in consultation with the Towing Safety Advisory Committee and taking into consideration the characteristics, methods of operation, and the size and nature of service of single hull non-self-propelled tank vessels and towing vessels, prescribe regulations requiring a single hull non-self-propelled tank vessel that operates in the open ocean or coastal waters, or the vessel towing it, to have at least one of the following:

(1) A crew member and an operable anchor on board the tank vessel that together are capable of arresting the tank vessel without additional assistance under reasonably foreseeable sea conditions.

(2) An emergency system on the tank vessel or towing vessel that without additional assistance under reasonably foreseeable sea conditions will allow the tank vessel to be retrieved by the towing vessel if the tow line ruptures.

(3) Any other measure or combination of measures that the Secretary determines will provide protection against grounding of the tank vessel comparable to that provided by the measures described in paragraph (1) or (2).

HISTORICAL AND REVISION NOTES

Chapter 41 applies to vessels that are not subject to inspection and certification under chapter 33.

The Federal authority to regulate uninspected vessels originated with the Motorboat Act of 1910 (Public Law 61-201, 36 Stat. 462) when Congress established standards with respect to navigation lights, machinery requirements, life preservers, and for the licensing of operators on small vessels carrying passengers. This was an extension of Federal regulatory authority over certain non-steam-propelled vessels, that is, those recreational vessels and commercial vessels that are propelled by machinery other than steam.

Thirty years later, the 1910 Act was amended by the Motorboat Act of 1940 (Public Law 76-484, 54 Stat. 163), which added to the equipment that was required and provided for other regulatory controls. In this manner the Federal Government continued to exercise some degree of maritime safety supervision over the commercial and recreational vessel sector that was "uninspected". This was important because steam towing vessels were converting to diesel propulsion and were therefore no longer subject to the detailed periodic and extensive hull, machinery, and equipment inspections of a Federal agency. In addition, the number of recreational vessels primarily propelled by gasoline were increasing and were also suffering casualties from explosions and fires.

AMENDMENTS

1990—Pub. L. 101-595, title VI, §603(3)(B), Nov. 16, 1990, 104 Stat. 2993, struck out item 4104 "Regulations".

1984—Pub. L. 98-364, title IV, §402(7)(B), July 17, 1984, 98 Stat. 446, inserted "GENERALLY" in chapter heading.

§ 4101. Application

This chapter applies to an uninspected vessel not subject to chapter 45 of this title—

- (1) on the navigable waters of the United States; or
- (2) owned in the United States and operating on the high seas.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 528; Pub. L. 100-424, §8(b), Sept. 9, 1988, 102 Stat. 1593.)

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>

Section 4101 makes this chapter applicable to uninspected vessels, as defined in section 2101(43), that operate on the navigable waters of the United States or that are owned in the United States and while operating on the high seas. Therefore a vessel that operates on waters that are considered to be solely State waters would not be subject to these Federal requirements.

AMENDMENTS

1988—Pub. L. 100-424 inserted "not subject to chapter 45 of this title" after "an uninspected vessel".

EFFECTIVE DATE

Chapter effective Apr. 15, 1984, see section 2(g)(1) of Pub. L. 98-89, set out as a note under section 3101 of this title.

§ 4102. Safety equipment

(a) Each uninspected vessel propelled by machinery shall be provided with the number, type, and size of fire extinguishers, capable of promptly and effectively extinguishing burning liquid fuel, that may be prescribed by regulation. The fire extinguishers shall be kept in condition for immediate and effective use and so placed as to be readily accessible.

(b) The Secretary shall prescribe regulations requiring the installation, maintenance, and use

of life preservers and other lifesaving devices for individuals on board uninspected vessels.

(c) Each uninspected vessel shall have the carburetors of each engine of the vessel (except an outboard motor) using gasoline as fuel, equipped with an efficient flame arrestor, backfire trap, or other similar device prescribed by regulation.

(d) Each uninspected vessel using a volatile liquid as fuel shall be provided with the means prescribed by regulation for properly and efficiently ventilating the bilges of the engine and fuel tank compartments, so as to remove any explosive or flammable gases.

(e) Each manned uninspected vessel owned in the United States and operating beyond 3 nautical miles from the baselines from which the territorial sea of the United States is measured or beyond three nautical miles from the coastline of the Great Lakes shall be equipped with the number and type of alerting and locating equipment, including emergency position indicating radio beacons, prescribed by the Secretary.

(f)(1) The Secretary, in consultation with the Towing Safety Advisory Committee and taking into consideration the characteristics, methods of operation, and nature of service of towing vessels, may require the installation, maintenance, and use of a fire suppression system or other measures to provide adequate assurance that fires on board towing vessels can be suppressed under reasonably foreseeable circumstances.

(2) The Secretary shall require under paragraph (1) the use of a fire suppression system or other measures to provide adequate assurance that a fire on board a towing vessel that is towing a non-self-propelled tank vessel can be suppressed under reasonably foreseeable circumstances.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 528; Pub. L. 99-640, §16, Nov. 10, 1986, 100 Stat. 3552; Pub. L. 100-424, §2(c), Sept. 9, 1988, 102 Stat. 1590; Pub. CHAPTER 43—RECREATIONAL VESSELS

- Sec. 4301. Application. 4302. Regulations. 4303. Inspection and testing. 4304. Importation of nonconforming vessels and equipment. 4305. Exemptions. 4306. Federal preemption. 4307. Prohibited acts. 4308. Termination of unsafe operation. 4309. Investigation and reporting. 4310. Repair and replacement of defects. 4311. Penalties and injunctions.

HISTORICAL AND REVISION NOTES

Chapter 43 contains the laws applicable to recreational vessels, which originated primarily with the enactment of the Federal Boat Safety Act of 1971 (Public Law 92-75, 85 Stat. 213). That Act embraced a num-

ber of activities, but the portion restated in this chapter deals with the establishment of national construction and performance standards for recreational vessels and their associated equipment, the necessary flexible regulatory authority for inspection and testing, Federal preemption, certain necessary prohibited acts, enforcement authority, investigation and reporting requirements, procedures for repair and defect notification, and attendant penalties and injunctive relief. These laws are a direct response to the dramatic increase in the number of recreational boats and the Congressional recognition of the maritime safety problems that recreational boating has imposed upon our more than 25 million miles of waterways.

§ 4301. Application

(a) This chapter applies to a recreational vessel and associated equipment carried in the vessel on waters subject to the jurisdiction of the United States (including the territorial sea of the United States as described in Presidential Proclamation No. 5928 of December 27, 1988) and, for a vessel owned in the United States, on the high seas.

(b) Except when expressly otherwise provided, this chapter does not apply to a foreign vessel temporarily operating on waters subject to the jurisdiction of the United States.

(c) Until there is a final judicial decision that they are navigable waters of the United States, the following waters lying entirely in New Hampshire are declared not to be waters subject to the jurisdiction of the United States within the meaning of this section: Lake Winnisquam, Lake Winnepesaukee, parts of the Merrimack River, and their tributary and connecting waters.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 529; Pub. L. 105-383, title III, §301(b)(4), Nov. 13, 1998, 112 Stat. 3417.)

HISTORICAL AND REVISION NOTES

Revised section	Source section (U.S. Code)

Section 4301 provides that this chapter is applicable to a recreational vessel that operates on waters subject to the jurisdiction of the United States or that is owned in the United States and while operating on the high seas.

It also provides that a foreign recreational vessel that temporarily uses our waters is not subject to the requirements of this chapter. However, if the vessel remains permanently in the United States, it would be subject to the provisions of this chapter.

Section 4301(c) recognizes the ongoing controversy over the navigability of certain waters of New Hampshire. While a recreational vessel operating on these waters need not meet the requirements of this chapter, it would be prohibited from operating on any other waters subject to the jurisdiction of the United States if it does not comply with these requirements.

AMENDMENTS

1998—Subsec. (a). Pub. L. 105-383 inserted "(including the territorial sea of the United States as described in Presidential Proclamation No. 5928 of December 27, 1988)" after "of the United States".

EFFECTIVE DATE

Chapter effective Apr. 15, 1984, see section 2(g)(1) of Pub. L. 98-89, set out as a note under section 3101 of this title.

§ 4302. Regulations

(a) The Secretary may prescribe regulations—

(1) establishing minimum safety standards for recreational vessels and associated equipment, and establishing procedures and tests required to measure conformance with those standards, with each standard—

(A) meeting the need for recreational vessel safety; and

(B) being stated, insofar as practicable, in terms of performance;

(2) requiring the installation, carrying, or use of associated equipment (including fuel systems, ventilation systems, electrical systems, sound-producing devices, firefighting equipment, lifesaving devices, signaling devices, ground tackle, life- and grab-rails, and navigational equipment) on recreational vessels and classes of recreational vessels subject to this chapter, and prohibiting the installation, carrying, or use of associated equipment that does not conform with safety standards established under this section; and

(3) requiring or permitting the display of seals, labels, plates, insignia, or other devices for certifying or evidencing compliance with safety regulations and standards of the United States Government for recreational vessels and associated equipment.

(b) Each regulation prescribed under this section shall specify an effective date that is not earlier than 180 days from the date the regulation was published, unless the Secretary finds that there exists a recreational vessel safety hazard so critical as to require an earlier effective date. However, this period may not be more than 24 months for cases involving, in the discretion of the Secretary, major product design, retooling, or major changes in the manufacturing process.

(c) In prescribing regulations under this section, the Secretary shall, among other things—

(1) consider the need for and the extent to which the regulations will contribute to recreational vessel safety;

(2) consider relevant available recreational vessel safety standards, statistics, and data, including public and private research, development, testing, and evaluation;

(3) not compel substantial alteration of a recreational vessel or item of associated equipment that is in existence, or the construction or manufacture of which is begun before the effective date of the regulation, but subject to that limitation may require compliance or performance, to avoid a substantial risk of personal injury to the public, that the Secretary considers appropriate in relation to the degree of hazard that the compliance will correct; and

(4) consult with the National Boating Safety Advisory Council established under section 13110 of this title about the considerations referred to in clauses (1)–(3) of this subsection.

(d) Section 8903 of this title does not apply to a vessel being operated for bona fide dealer dem-

onstrations provided without fee to business invitees. However, if on the basis of substantial evidence, the Secretary decides under this section that requiring vessels so operated to be under the control of licensed individuals is necessary for boating safety, then the Secretary may prescribe regulations requiring the licensing of individuals controlling these vessels in the same manner as provided in chapter 89 of this title for individuals in control of vessels carrying passengers for hire.

4302	46:1454 46:1455 46:1456 46:1464(g) 46:1488

Section 4302 authorizes the Secretary to prescribe regulations to carry out the provisions of this chapter. In lieu of establishing specific statutory safety requirements, subsection (a) provides flexible regulatory authority to establish uniform standards for the design, construction, materials, and performance of the boats themselves and all associated equipment. It also provides for the display of seals and other devices for certifying or evidencing compliance with applicable safety regulations or standards.

Section 4302(b) requires a regulation prescribed under this section to have an effective date that is not earlier than 180 days from publication. However, in those instances where a safety hazard may be critical an earlier effective date is authorized.

Section 4302(c) requires the Secretary to consider certain objectives in developing regulatory controls and regulations or standards and that there must be an effective consultation process.

Section 4302(d) exempts dealer demonstration boats from the requirement of having to be named by a licensed individual when demonstrating boats to prospective purchasers or other business invitees when no fees are charged. The Secretary may require that boats so used be under control of a licensed individual.

AVAILABILITY AND USE OF EPIRBs FOR RECREATIONAL VESSELS

Pub. L. 105-383, title III, §309, Nov. 13, 1998, 112 Stat. 3422, provided that: "The Secretary of Transportation, through the Coast Guard and in consultation with the National Transportation Safety Board and recreational boating organizations, shall, within 24 months of the date of the enactment of this Act [Nov. 13, 1998], assess and report to Congress on the use of emergency position indicating beacons (EPIRBs) and similar devices by operators of recreational vessels on the Intracoastal Waterway and operators of recreational vessels beyond the Boundary Line. The assessment shall at a minimum—

"(1) evaluate the current availability and use of EPIRBs and similar devices by the operators of recreational vessels and the actual and potential contribution of such devices to recreational boating safety; and

"(2) provide recommendations on policies and programs to encourage the availability and use of EPIRBs [sic] and similar devices by the operators of recreational vessels."

§ 4303. Inspection and testing

(a) Subject to regulations, supervision, and reviews that the Secretary may prescribe, the Secretary may delegate to a person, private or public agency, or organization, or to an officer or

employee under the supervision of that person or agency, any work, business, or function related to the testing, inspection, and examination necessary for compliance enforcement and for the development of data to enable the Secretary to prescribe regulations under section 4302 of this title.

(b) The Secretary may—

(1) conduct research, testing, and development necessary to carry out this chapter, including the procurement by negotiation or otherwise of experimental and other recreational vessels or associated equipment for research and testing purposes; and

(2) subsequently sell those vessels.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 531.)

Section 4303 authorizes the Secretary to delegate to certain persons or agencies or organizations any work, business, or function related to the testing, inspection, and examination necessary for compliance enforcement. The Secretary may also conduct research, testing, and development necessary to carry out this chapter, including procurement of vessels and equipment and their subsequent sale. The Committee wishes to make clear that the Secretary may sell anything that was purchased to test.

§ 4304. Importation of nonconforming vessels and equipment

The Secretary and the Secretary of the Treasury may authorize by joint regulations the importation of any nonconforming recreational vessel or associated equipment on conditions, including providing a bond, that will ensure that the recreational vessel or associated equipment will be brought into conformity with applicable safety regulations and standards of the Government before the vessel or equipment is operated on waters subject to the jurisdiction of the United States.

Section 4304 requires the regulation and control of the importation of nonconforming recreational vessels and associated equipment. This is to assure United States manufacturers that foreign imports comply with those regulations and standards in effect for United States products so that all manufacturers will be on this same competitive footing. This is being done in lieu of providing a specific prohibition against the importation of these vessels and equipment that might be considered an imposition of a non-tariff barrier to trade.

§ 4305. Exemptions

If the Secretary considers that recreational vessel safety will not be adversely affected, the Secretary may issue an exemption from this chapter or a regulation prescribed under this chapter.

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
4305	46:1458

Section 4305 permits the Secretary to grant appropriate exemptions from the requirements of this chapter when recreational vessel safety will not be adversely affected.

§ 4306. Federal preemption

Unless permitted by the Secretary under section 4305 of this title, a State or political subdivision of a State may not establish, continue in effect, or enforce a law or regulation establishing a recreational vessel or associated equipment performance or other safety standard or imposing a requirement for associated equipment (except insofar as the State or political subdivision may, in the absence of the Secretary's disapproval, regulate the carrying or use of marine safety articles to meet uniquely hazardous conditions or circumstances within the State) that is not identical to a regulation prescribed under section 4302 of this title.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
4306	46:1459 46:1460

Section 4306 establishes the Federal preemption of recreational boating standards and requirements. A State or a political subdivision may not establish, continue, or enforce a law or regulation establishing a performance or other safety standard that is not identical to a Federal standard. The Secretary may grant an exemption to a State when the State requirement is one that is needed to meet uniquely hazardous conditions or circumstances within a State. This is to provide uniform standards without the imposition of excessive special requirements by individual States.

§ 4307. Prohibited acts

(a) A person may not—

(1) manufacture, construct, assemble, sell or offer for sale, introduce or deliver for introduction into interstate commerce, or import into the United States, a recreational vessel, associated equipment, or component of the vessel or equipment unless—

(A)(i) it conforms with this chapter or a regulation prescribed under this chapter; and

(ii) it does not contain a defect which has been identified, in any communication to such person by the Secretary or the manufacturer of that vessel, equipment or component, as creating a substantial risk of personal injury to the public; or

(B) it is intended only for export and is so labeled, tagged, or marked on the recreational vessel or equipment, including any markings on the outside of the container in which it is to be exported;

(2) affix, attach, or display a seal, document, label, plate, insignia, or other device indicating or suggesting compliance with standards of the United States Government on, in, or in connection with, a recreational vessel or item

of associated equipment that is false or misleading; or

(3) fail to provide a notification as required by this chapter or fail to exercise reasonable diligence in carrying out the notification and reporting requirements of this chapter.

(b) A person may not operate a vessel in violation of this chapter or a regulation prescribed under this chapter.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 531; Pub. L. 98-557, §8(a), Oct. 30, 1984, 98 Stat. 2862.)

AMENDMENTS

1984—Subsec. (a)(1)(A). Pub. L. 98-557 designated existing provisions as cl. (i), substituted “and” for “or”, and added cl. (ii).

§ 4308. Termination of unsafe operation

If an official charged with the enforcement of this chapter observes a recreational vessel being operated without sufficient lifesaving or fire-fighting devices or in an overloaded or other unsafe condition (as defined in regulations prescribed under this chapter) and, in the judgment of the official, the operation creates an especially hazardous condition, the official may direct the individual in charge of the recreational vessel to take immediate and reasonable steps necessary for the safety of individuals on board the vessel, including directing the individual in charge to return to a mooring and to remain there until the situation creating the hazard is corrected or ended.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 532; Pub. L. 99-307, §1(9), May 19, 1986, 100 Stat. 445.)

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
4308	46:1462

Section 4308 authorizes an appropriate official to terminate the unsafe operation of recreational vessels. If the official observes the vessel being operated without sufficient lifesaving or firefighting devices or in an overloaded or other unsafe condition (as defined in regulations) and believes the operation creates an especially hazardous condition, the operator may be directed to take immediate and reasonable steps necessary for safety, including returning to a mooring and remaining there until the hazard is corrected or ended. This does not prevent the assessment of any applicable civil penalties nor the pursuing of appropriate criminal action.

AMENDMENTS

1986—Pub. L. 99-307 substituted “individual in charge” for “operator” in two places.

§ 4309. Investigation and reporting

(a) A recreational vessel manufacturer to whom this chapter applies shall establish and maintain records and reports and provide information the Secretary may require to enable the

Secretary to decide whether the manufacturer has acted or is acting in compliance with this chapter and regulations prescribed under this chapter. On request of an officer, employee, or agent authorized by the Secretary, a recreational vessel manufacturer shall permit the officer, employee, or agent to inspect, at reasonable times, factories or other facilities, and records related to deciding whether the manufacturer has acted or is acting in compliance with this chapter and regulations prescribed under this chapter.

(b) Information reported to or otherwise obtained by the Secretary or the representative of the Secretary under this section containing or related to a trade secret or other matter referred to in section 1905 of title 18, or authorized to be exempt from public disclosure by section 552(b) of title 5, is confidential under section 1905. However, on approval of the Secretary, the information may be disclosed to other officers, employees, or agents concerned with carrying out this chapter or when it is relevant in a proceeding under this chapter.

4309	46:1463

Section 4309 requires the establishment and maintenance of certain records by manufacturers, and the inspection and access to these records by the Secretary, at reasonable times, so as to assure Federal enforcement officials that the manufacturer has acted or is in compliance with applicable laws and regulations. It also provides protection for matters related to trade secrets and exemptions from public disclosure.

§ 4310. Repair and replacement of defects

(a) In this section, "associated equipment" includes only items or classes of associated equipment that the Secretary shall prescribe by regulation after deciding that the application of the requirements of this section to those items or classes of associated equipment is reasonable and in furtherance of this chapter.

(b) If a recreational vessel or associated equipment has left the place of manufacture and the recreational vessel manufacturer discovers or acquires information that the manufacturer decides, in the exercise of reasonable and prudent judgment, indicates that a recreational vessel or associated equipment subject to an applicable regulation prescribed under section 4302 of this title either fails to comply with the regulation, or contains a defect that creates a substantial risk of personal injury to the public, the manufacturer shall provide notification of the defect or failure of compliance as provided by subsections (c) and (d) of this section within a reasonable time after the manufacturer has discovered the defect.

(c)(1) The notification required by subsection (b) of this section shall be given to the following persons in the following manner:

(A) by first class mail or by certified mail to the first purchaser for other than resale, except that the requirement for notification of the first purchaser shall be satisfied if the recreational vessel manufacturer exercises rea-

sonable diligence in establishing and maintaining a list of those purchasers and their current addresses, and sends the required notice to each person on that list at the address appearing on the list.

(B) by first class mail or by certified mail to subsequent purchasers if known to the manufacturer.

(C) by first class mail or by certified mail or other more expeditious means to the dealers and distributors of the recreational vessels or associated equipment.

(2) The notification required by subsection (b) of this section is required to be given only for a defect or failure of compliance discovered by the recreational vessel manufacturer within a reasonable time after the manufacturer has discovered the defect or failure, except that the manufacturer's duty of notification under paragraph (1)(A) and (B) of this subsection applies only to a defect or failure of compliance discovered by the manufacturer within one of the following appropriate periods:

(A) if a recreational vessel or associated equipment required by regulation to have a date of certification affixed, 10 years from the date of certification.

(B) if a recreational vessel or associated equipment not required by regulation to have a date of certification affixed, 10 years from the date of manufacture.

(d) The notification required by subsection (b) of this section shall contain a clear description of the defect or failure to comply, an evaluation of the hazard reasonably related to the defect or failure, a statement of the measures to correct the defect or failure, and an undertaking by the recreational vessel manufacturer to take those measures only at the manufacturer's cost and expense.

(e) Each recreational vessel manufacturer shall provide the Secretary with a copy of all notices, bulletins, and other communications to dealers and distributors of that manufacturer, and to purchasers of recreational vessels or associated equipment of that manufacturer, about a defect related to safety in the recreational vessels or associated equipment, and any failure to comply with the regulation or order applicable to the recreational vessels or associated equipment. The Secretary may publish or otherwise disclose to the public information in the notices or other information the Secretary has that the Secretary considers will assist in carrying out this chapter. However, the Secretary may disclose any information that contains or relates to a trade secret only if the Secretary decides that the information is necessary to carry out this chapter.

(f) If, through testing, inspection, investigation, or examination of reports, the Secretary decides that a recreational vessel or associated equipment to which this chapter applies contains a defect related to safety or fails to comply with an applicable regulation prescribed under this chapter and notification under this chapter is appropriate, the Secretary shall notify the recreational vessel manufacturer of the defect or failure. The notice shall contain the findings of the Secretary and shall include a

synopsis of the information on which they are based. The manufacturer may then provide the notification required by this chapter to the persons designated in this chapter or dispute the Secretary's decision. If disputed, the Secretary shall provide the manufacturer with an opportunity to present views and establish that there is no such defect or failure. When the Secretary considers it to be in the public interest, the Secretary may publish notice of the proceeding in the Federal Register and provide interested persons, including the National Boating Safety Advisory Council, with an opportunity to comment. If, after presentation by the manufacturer, the Secretary decides that the recreational vessel or associated equipment contains a defect related to safety or fails to comply with an applicable regulation, the Secretary may direct the manufacturer to provide the notifications specified in this chapter.

(g) The Secretary may prescribe regulations to carry out this section, including the establishment of procedures that require dealers and distributors to assist manufacturers in obtaining information required by this section. A regulation prescribed under this subsection does not relieve a manufacturer of any obligation imposed by this section.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 532; Pub. L. 107-295, title IV, § 433, Nov. 25, 2002, 116 Stat. 2129.)

Section 4310 imposes certain requirements on a recreational vessel and associated equipment manufacturer to provide notification of a defect or the failure of compliance after a manufacturer discovers the defect or failure. This section spells out the procedure for notification and who shall be notified. It assures the public of notification while protecting the manufacturer from the potential of damaging and inaccurate disclosures.

AMENDMENTS

2002—Subsec. (c)(1)(A) to (C). Pub. L. 107-295, § 433(2), inserted “by first class mail or” before “by certified mail”.

Subsec. (c)(2)(A), (B). Pub. L. 107-295, § 433(1), substituted “10” for “5”.

§ 4311. Penalties and injunctions

(a) A person willfully operating a recreational vessel in violation of this chapter or a regulation prescribed under this chapter shall be fined not more than \$5,000, imprisoned for not more than one year, or both.

(b)(1) A person violating section 4307(a) of this title is liable to the United States Government for a civil penalty of not more than \$5,000, except that the maximum civil penalty may be not more than \$250,000 for a related series of violations.

(2) If the Secretary decides under section 4310(f) that a recreational vessel or associated equipment contains a defect related to safety or fails to comply with an applicable regulation and directs the manufacturer to provide the notifications specified in this chapter, any person,

including a director, officer or executive employee of a corporation, who knowingly and willfully fails to comply with that order, may be fined not more than \$10,000, imprisoned for not more than one year, or both.

(3) When a corporation violates section 4307(a), or fails to comply with the Secretary's decision under section 4310(f), any director, officer, or executive employee of the corporation who knowingly and willfully ordered, or knowingly and willfully authorized, a violation is individually liable to the Government for a penalty under paragraphs (1) or (2) in addition to the corporation. However, the director, officer, or executive employee is not liable individually under this subsection if the director, officer, or executive employee can demonstrate by a preponderance of the evidence that—

(A) the order or authorization was issued on the basis of a decision, in exercising reasonable and prudent judgment, that the defect or the nonconformity with standards and regulations constituting the violation would not cause or constitute a substantial risk of personal injury to the public; and

(B) at the time of the order or authorization, the director, officer, or executive employee advised the Secretary in writing of acting under this subparagraph and subparagraph (A).

(c) A person violating any other provision of this chapter or other regulation prescribed under this chapter is liable to the Government for a civil penalty of not more than \$1,000. If the violation involves the operation of a vessel, the vessel also is liable in rem for the penalty.

(d) When a civil penalty of not more than \$200 has been assessed under this chapter, the Secretary may refer the matter of collection of the penalty directly to the United States magistrate judge of the jurisdiction in which the person liable may be found for collection procedures under supervision of the district court and under an order issued by the court delegating this authority under section 636(b) of title 28.

(e) The district courts of the United States have jurisdiction to restrain a violation of this chapter, or to restrain the sale, offer for sale, introduction or delivery for introduction into interstate commerce, or importation into the United States, of a recreational vessel or associated equipment that the court decides does not conform to safety standards of the Government. A civil action under this subsection shall be brought by filing a petition by the Attorney General for the Government. When practicable, the Secretary shall give notice to a person against whom an action for injunctive relief is contemplated and provide the person with an opportunity to present views and, except for a knowing and willful violation, shall provide the person with a reasonable opportunity to achieve compliance. The failure to give notice and provide the opportunity does not preclude the granting of appropriate relief by the district court.

(f) A person is not subject to a penalty under this chapter if the person—

(1) establishes that the person did not have reason to know, in exercising reasonable care, that a recreational vessel or associated equipment does not conform with the applicable

safety standards of the Government or that the person was not advised by the Secretary or the manufacturer of that vessel, equipment or component that the vessel, equipment or component contains a defect which creates a substantial risk of personal injury to the public; or

(2) holds a certificate issued by the manufacturer of that recreational vessel or associated equipment to the effect that the recreational vessel or associated equipment conforms to all applicable recreational vessel safety standards of the Government, unless the person knows or reasonably should have known that the recreational vessel or associated equipment does not so conform.

(g) Compliance with this chapter or standards, regulations, or orders prescribed under this chapter does not relieve a person from liability at common law or under State law.

Section 4311 provides penalties for violating any of the provisions of this chapter or a regulation prescribed under this chapter. For a willful violation the penalty is a criminal fine; all other penalties are civil in nature.

A person violating any of the prohibited acts specified in section 4307(a)(1) is subject to a maximum civil penalty that can go as high as a \$100,000 for a related series of violations. However, the section provides for no liability for good faith reliance on certifications of compliance by others within the chain of responsibility and for defects that are not within an individual's responsibility or control.

This section also contains an alternate procedure for the collection of a civil penalty of not more than \$200 through a U.S. magistrate in lieu of the civil penalty procedures of the Coast Guard. It also directs the district courts of the United States to restrain the sale, offer for sale, introduction or delivery for introduction into interstate commerce, or importation of a recreational vessel or associated equipment that does not conform to applicable safety standards. Finally, compliance with this chapter or standards, regulations, or orders does not relieve a person from liability at common law or under State law.

AMENDMENTS

2006—Subsec. (b)(1). Pub. L. 109-241 inserted a space after “4307(a)”.

2004—Subsec. (b). Pub. L. 108-293 amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: “A person violating section 4307(a)(1) of this title is liable to the United States Government for a civil penalty of not more than \$2,000, except that the maximum civil penalty may be not more than \$100,000 for a related series of violations. When a corporation violates section 4307(a)(1), any director, officer, or executive employee of the corporation who knowingly and willfully ordered, or knowingly and willfully author-

ized, a violation is individually liable to the Government for the penalty, in addition to the corporation. However, the director, officer, or executive employee is not liable individually under this subsection if the director, officer, or executive employee can demonstrate by a preponderance of the evidence that—

“(1) the order or authorization was issued on the basis of a decision, in exercising reasonable and prudent judgment, that the defect or the nonconformity with standards and regulations constituting the violation would not cause or constitute a substantial risk of personal injury to the public; and

“(2) at the time of the order or authorization, the director, officer, or executive employee advised the Secretary in writing of acting under this clause and clause (1) of this subsection.”

1984—Subsec. (b)(1). Pub. L. 98-557, §8(b), inserted “defect or the” before “nonconformity”.

(Pub. L. 99-509, title V, §5101(2), Oct. 21, 1986, 100 Stat. 1913.)

HISTORICAL AND REVISION NOTES

Revised section 5101

Source: Section (U.S. Code) 46 App. U.S.C. 86a.

Section 5101 contains definitions that are limited to Chapter 51—Load Lines. Existing Section 46 App. U.S.C. 86a (which defines only the terms “new ship” and “existing ship”) will be replaced by section 5101. Definitions of technical terms (“freeboard”, “freeboard deck”, and “minimum safe freeboard”) have been added for clarity. The definition of the term “new ship” has been deleted because the term is not used in Chapter 51. The definition of “domestic voyage” includes the

phrase “places in or subject to the jurisdiction of the United States.” “Places subject to the jurisdiction of the United States” include deep water ports, production platforms, mining sites outside of territorial waters of the United States but within the United States’ Exclusive Economic Zone (EEZ) that was established by Presidential Proclamation 5030, dated March 10, 1983, or on the outer continental shelf. The phrases “economic benefit of overloading” and “weight of the overload” have been defined for purposes of establishing a standard method of determining the value of the cargo with which a vessel is overloaded. The value of the cargo will in turn affect the maximum penalty assessed for overloading the vessel. The definition of “freeboard deck” provides the Secretary with the authority to designate as the freeboard deck either the actual deck (on standard vessels) or another structure (on non-standard vessels). Non-standard vessels, for which this regulatory flexibility is necessary, include shelter deck vessels, semi-submersible multi-hull units, container ships, surface effect vessels, and commercial submarines.

TERMINATION OF TRUST TERRITORY OF THE PACIFIC ISLANDS

For termination of Trust Territory of the Pacific Islands, see note set out preceding section 1681 of Title 48, Territories and Insular Possessions.

A vessel assigned load lines under this subsection is subject to this chapter until the surrender of its load line certificate and the removal of its load line marks.

(d) This chapter does not affect an international agreement to which the Government is a party that is not in conflict with the International Convention on Load Lines currently in force for the United States.

5107(7)) [sic] and not registered under the laws of a foreign country, wherever the vessels may be located.

Clause (4) regarding “a public vessel of the United States” includes all United States public vessels.

Clause (5) regarding “a vessel otherwise subject to the jurisdiction of the United States” includes foreign vessels that are subject to United States jurisdiction as a result of bilateral agreements, licenses, customary international law or other means, including those using deepwater port or outer continental shelf or EEZ facilities located in areas subject to the jurisdiction of the United States.

Section 5102(b) lists the specific exemptions from load line requirements. The specific exemptions may be grouped as follows:

- (a) Vessel type (ships of war, pleasure vessels, fishing vessels, small passenger vessels on domestic voyages);
- (b) Area of operation (rivers, harbors, bays, sounds, etc.);
- (c) Minimum size (length); and
- (d) Treaty exclusions.

Clause (1) exempts vessels of war from load line requirements.

Clause (2) exempts recreational vessels operated only for pleasure from load line requirements.

Clause (3) exempts fishing vessels from load line requirements.

Clauses (4) and (5) exempt certain existing fish processing and fish tender vessels not on a foreign voyage from load line requirements. The exception is limited to those vessels not on international voyages to ensure compliance with United States obligations under the International Load Line Convention.

Clause (6) exempts from load line requirements all U.S. vessels operating on domestic voyages within the Boundary Line, as defined in section 2101 of this title, except vessels operating on the Great Lakes.

Clause (7) exempts all vessels that are less than 24 meters (79 feet) in length from load line requirements whether on international or domestic voyages.

Clause (8) exempts from load line requirements those public vessels that are on domestic voyages.

Clause (9) exempts from load line requirements those vessels which have been excluded from the requirements “by specific action of a treaty of the United States.” The only current treaty which excludes vessels from load line requirements is the Convention Between the United States of America and the Dominion of Canada Concerning Load Lines (49 Stat. 2685), which entered into force on August 11, 1934.

Clause (10) exempts from load line requirements existing U.S. vessels that are under 150 gross tons while engaged on a domestic voyage. This is a grandfather provision, continuing the existing exemption for these vessels. Vessels built after January 1, 1986 must be marked with a load line, however, if they are over 79 feet long and do not qualify for any other exemption.

Clause (11) exempts small passenger vessels engaged on domestic voyages from load line requirements. Small passenger vessels are inspected under Subchapter T of Title 46 of the Code of Federal Regulations. Under Subchapter T, the Coast Guard regulates these vessels with regard to safety; the requirements are based on the number of passengers, length, and gross tonnage of the vessel. Safety-related requirements in Subchapter T regulations include hull structure and watertightness, stability, weathertight integrity, and safe movement of persons on deck, the principal safety features covered by load line regulations. This specific exemption from load line requirements for small passenger vessels is consistent with existing law and does not alter in any way the Coast Guard’s authority to regulate small passenger vessels under Subchapter T.

Clause (12) exempts vessels of the working voyages from the requirement to have load lines.

Section 5102(c) authorizes the Secretary to assign load lines for any vessel exempted from load line requirements by subsection (b) upon the request of the

owner. It also provides that any exempted vessel for which load lines are assigned will remain subject to the load line requirements until its load line certificate is surrendered and the load line marks are removed.

Section 5102(d) provides that this chapter shall not be construed as abrogating the provisions of other treaties and conventions to which the United States is a party, which are not in conflict with the International Convention on Load Lines.

L. 101-595 effective Nov. 16, 1990, with provision that before Jan. 1, 2003, a fish tender vessel is exempt from this chapter when engaged in Aleutian trade if the vessel either operated in that trade before Sept. 8, 1990, or was purchased before that date to be used in such trade and entered into service in that trade before June 1, 1992, did not undergo a major conversion, and did not have a load line assigned at any time before Nov. 16, 1990, see section 602(f) of Pub. L. 101-595, set out as a note under section 4502 of this title.

(b) The owner, charterer, managing operator, agent, master, and individual in charge of a vessel shall mark and maintain the load lines permanently and conspicuously in the way prescribed by the Secretary.

(c) A fishing vessel built on or before July 1, 2012, that undergoes a substantial change to the dimension of or type of the vessel completed after the later of July 1, 2012, or the date the Secretary establishes standards for an alternate loadline compliance program, shall comply with such an alternative loadline compliance program that is developed in cooperation with the commercial fishing industry and prescribed by the Secretary.

HISTORICAL AND REVISION NOTES

Revised section 5103

Section 5103(a) prohibits a vessel that is subject to load line requirements from operating, unless it has load lines assigned by the Secretary.

Section 5103(b) requires that load lines be permanently and conspicuously maintained in the manner prescribed by the Secretary.

AMENDMENTS

2010—Subsec. (c). Pub. L. 111-281 added subsec. (c).

§ 5104. Assignment of load lines

(a) The Secretary shall assign load lines for a vessel so that they indicate the minimum safe freeboard to which the vessel may be loaded. However, if the owner requests, the Secretary may assign load lines that result in greater freeboard than the minimum safe freeboard.

(b) In assigning load lines for a vessel, the Secretary shall consider—

- (1) the service, type, and character of the vessel;
- (2) the geographic area in which the vessel will operate; and
- (3) applicable international agreements to which the United States Government is a party.

(c) An existing vessel may retain its load lines assigned before January 1, 1986, unless the Secretary decides that a substantial change in the vessel after those load lines were assigned requires that new load lines be assigned under this chapter.

(d) The minimum freeboard of an existing vessel may be reduced only if the vessel complies with every applicable provision of this chapter.

(e) The Secretary may designate by regulation specific geographic areas that have less severe weather or sea conditions and from which there is adequate time to return to available safe har-

bors. The Secretary may reduce the minimum freeboard of a vessel operating in these areas.

(Pub. L. 99-509, title V, §5101(2), Oct. 21, 1986, 100 Stat. 1915.)

HISTORICAL AND REVISION NOTES

Revised section 5104

Source: Section (U.S. Code) 46 App. U.S.C. 86c, 88a.

Section 5104(a) requires the Secretary to assign load lines indicating the minimum safe freeboard to which a vessel may be loaded. It also authorizes the Secretary to assign a load line that results in a freeboard that is greater than the minimum freeboard, if the owner requests.

Section 5104(b) sets forth guidelines that the Secretary must consider when assigning load lines on vessels.

Section 5104(c) allows an existing vessel to retain its load line assigned before January 1, 1986, unless the Secretary decides that a change made in the vessel requires the assignment of a new load line.

Section 5104(d) is a new provision that requires that a vessel comply with all the provisions of this chapter before the Secretary will consider a reduction in its minimum freeboard. This provision is similar to Article 4(4) of the International Convention on Load Lines.

Section 5104(e) is a new provision that authorized the Secretary to designate specific geographic areas having relatively non-severe weather or sea conditions and from which there is adequate time to return to safe harbors. Section 5104(e) also authorizes the Secretary to reduce the minimum freeboard of vessels operating in these areas. Regulations that have been issued under this authority (46 C.F.R. 44) authorize special service load lines for vessels operating not more than 20 nautical miles offshore or between islands in a group.

§ 5105. Load line surveys

(a) The Secretary may provide for annual, renewal, and other load line surveys.

(b) In conducting a load line survey, the Secretary shall consider whether—

- (1) the hull and fittings of the vessel—

(A) are adequate to protect the vessel from the sea; and

(B) meet other requirements the Secretary may prescribe by regulation;

(2) the strength of the hull is adequate for all loading conditions;

(3) the stability of the vessel is adequate for all loading conditions;

(4) the topsides of the vessel are arranged and constructed to allow rapid overboard drainage of deck water in heavy weather; and

(5) the topsides of the vessel are adequate in design, arrangement, and equipment to protect crewmembers performing outside tasks necessary for safe operation of the vessel.

(Pub. L. 99-509, title V, §5101(2), Oct. 21, 1986, 100 Stat. 1916.)

HISTORICAL AND REVISION NOTES

Revised section 5105

Section 5105 authorizes the Secretary of Transportation to provide for load line surveys and requires that while conducting a load line survey, the Secretary must consider various strength, stability, design, and construction features of the vessel.

§ 5106. Load line certificate

(a) On finding that a load line survey of a vessel under this chapter is satisfactory and that the vessel's load lines are marked correctly, the

Secretary shall issue the vessel a load line certificate and deliver it to the owner, master, or individual in charge of the vessel.

(b) The certificate shall be maintained as required by the Secretary.

(Pub. L. 99-509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1916.)

HISTORICAL AND REVISION NOTES

Revised section 5106

Source: Section (U.S. Code) 46 App. U.S.C. 86c.

Section 5106(a) requires the Secretary to issue a load line certificate upon finding that a vessel has received a satisfactory load line survey and that the vessel's load line is marked correctly.

Section 5106(b) requires that the load line certificate be maintained as required by the Secretary of Transportation. It is expected that the Secretary will require in most cases that the certificate be carried on board the vessel. However, certain types of vessels such as barges do not have facilities for the carriage of certificates. In this case, this provision would give the Secretary the discretion to require that the certificates for the barges be carried on the towing vessels.

§ 5107. Delegation of authority

(a) The Secretary shall delegate to the American Bureau of Shipping or other similarly qualified organizations the authority to assign load lines, survey vessels, determine that load lines are marked correctly, and issue load line certificates under this chapter.

(b) Under regulations prescribed by the Secretary, a decision of an organization delegated authority under subsection (a) of this section related to the assignment of a load line may be appealed to the Secretary.

(c) For a vessel intended to be engaged on a foreign voyage, the Secretary may delegate to another country that is a party to the International Convention on Load Lines, 1966, the authority to assign load lines, survey vessels, determine that the load lines are marked correctly, and issue an International Load Line Certificate (1966).

(d) The Secretary may terminate a delegation made under this section after giving written notice to the organization.

(Pub. L. 99-509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1916.)

HISTORICAL AND REVISION NOTES

Revised section 5107

Source: Section (U.S. Code) 46 App. U.S.C. 86d, 88b.

Section 5107(a) requires the Secretary to delegate the performance of various load line functions to the American Bureau of Shipping or other similarly qualified organizations. In providing for the delegation to a "similarly qualified organization," the Committee expects that the Secretary will ensure that that organization complies with the same stringent standards and requirements for conducting business that apply to the American Bureau of Shipping.

Section 5107(b) permits an appeal to the Secretary of a decision by an organization that has received delegated authority. This ensures that the Secretary has full oversight of the delegated load line functions.

Section 5107(c) permits the Secretary to delegate various load line functions to another country for vessels that are engaged on a foreign voyage, provided that the country is a party to the International Convention on Load Lines, 1966.

Section 5107(d) clarifies the Secretary's authority to revoke a delegation at any time without cause. This

authority is given so that no delay occurs administratively in revoking a delegation whenever the Secretary decides a revocation is warranted.

§ 5108. Special exemptions

(a) The Secretary may exempt a vessel from any part of this chapter when—

(1) the vessel is entitled to an exemption under an international agreement to which the United States Government is a party; or

(2) under regulations (including regulations on special operations conditions) prescribed by the Secretary, the Secretary finds that good cause exists for granting an exemption.

(b) When the Secretary grants an exemption under this section, the Secretary may issue a certificate of exemption stating the extent of the exemption.

(c) A certificate of exemption issued under subsection (b) of this section shall be maintained as required by the Secretary.

(Pub. L. 99-509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1916.)

HISTORICAL AND REVISION NOTES

Revised section 5108

Source: Section (U.S. Code) 46 App. U.S.C. 86e, 88a.

Section 5108(a) authorizes the Secretary to exempt a vessel from load line requirements if the vessel is entitled to an exemption under an international agreement to which the United States is a party. It also provides the Secretary with the new authority to exempt a vessel from load line requirements if the Secretary finds that there is good reason for granting the exemption. A specific exemption from load line requirements was authorized in Public Law 98-557 for barges operating close to shore between Calumet Harbor, Illinois and Burns Harbor, Indiana, because the geographic area and type of operation in this case did not warrant a requirement for load lines. Additional exemptions currently must be made by an Act of Congress. Section 5108(a) authorizes the Secretary to make such exemptions through regulation, and the Committee expects the Secretary to continue the exemption under this provision for vessels operating close to shore between Calumet Harbor, Illinois and Burns Harbor, Indiana.

Section 5108(b) authorizes the Secretary to issue a certificate of exemption when an exemption is granted.

Section 5108(c) requires that the certificate of exemption be maintained as required by the Secretary in a similar manner as under section 5106(b).

§ 5109. Reciprocity for foreign vessels

(a) When the Secretary finds that the laws and regulations of a foreign country related to load lines are similar to those of this chapter and the regulations prescribed under this chapter, or when a foreign country is a party to an international load line agreement to which the United States Government is a party, the Secretary shall accept the load line marks and certificate of a vessel of that foreign country as complying with this chapter and the regulations prescribed under this chapter. The Secretary may control the vessel as provided for in the applicable international agreement.

(b) Subsection (a) of this section does not apply to a vessel of a foreign country that does not recognize load lines assigned under this chapter.

(Pub. L. 99-509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1917.)

HISTORICAL AND REVISION NOTES

Revised section 5109

Source: Section (U.S. Code) 46 App. U.S.C. 86f, 88d.

Section 5109(a) requires the Secretary to accept the load line mark and load line certificate of a vessel of a foreign country if the Secretary finds that the load line laws and regulations of that country are similar to those of this chapter, or if that country is a party to an international load line agreement to which the United States is a party.

§ 5110. Submersible vessels

Notwithstanding sections 5103–5105 of this title, the Secretary may prescribe regulations for submersible vessels to provide a minimum level of safety. In developing the regulations, the Secretary shall consider factors relevant to submersible vessels, including the structure, stability, and watertight integrity of those vessels.

(Pub. L. 99–509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1917.)

HISTORICAL AND REVISION NOTES

Revised section 5110

Section 5110 authorizes the Secretary to prescribe regulations for the marking of load lines of submersible vessels. This general authority has been included in anticipation of the commercial development of submersibles.

§ 5111. Providing loading information

The Secretary may prescribe regulations requiring the owner, charterer, managing operator, and agent of a vessel to provide loading information (including information on loading distribution, stability, and margin of strength) to the master or individual in charge of the vessel in a language the master or individual understands.

(Pub. L. 99–509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1917.)

HISTORICAL AND REVISION NOTES

Section 5111 authorizes the Secretary to prescribe regulations requiring that the master of a vessel be provided with loading and stability information for the vessel that the master understands.

§ 5112. Loading restrictions

(a) A vessel may not be loaded in a way that submerges the assigned load line or the place at which the load line is required to be marked on the vessel.

(b) If the loading or stability conditions of a vessel change, the master or individual in charge of the vessel, before moving the vessel, shall record in the official logbook or other permanent record of the vessel—

- (1) the position of the assigned load line relative to the water surface; and
- (2) the draft of the vessel fore and aft.

(c) A vessel may be operated only if the loading distribution, stability, and margin of strength are adequate for the voyage or movement intended.

(d) Subsections (a) and (b) of this section do not apply to a submersible vessel.

(Pub. L. 99–509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1917.)

HISTORICAL AND REVISION NOTES

Revised section 5112

Source: Section (U.S. Code) 46 App. U.S.C. 86g, 88c, 88e.

Section 5112(a) prohibits a vessel from being loaded in a manner that submerges its load line.

Section 5112(b) requires that whenever the loading or stability conditions of a vessel change, the master or individual in charge of the vessel must record in the official logbook the position of the load line and the draft of the vessel.

Section 5112(c) is a new provision that provides that a vessel may be operated only if the loading distribution, stability, and margin of strength are adequate for the intended voyage or movement.

Section 5112(d) provides that subsections (a) and (b) do not apply to a submersible vessel.

§ 5113. Detention of vessels

(a) When the Secretary believes that a vessel is about to leave a place in the United States in violation of this chapter or a regulation prescribed under this chapter, the Secretary may detain the vessel by giving notice to the owner, charterer, managing operator, agent, master, or individual in charge of the vessel.

(b) A detained vessel may be cleared under section 60105 of this title only after the violation has been corrected. If the vessel was cleared before being detained, the clearance shall be withdrawn.

(c) Under regulations prescribed by the Secretary, the owner, charterer, managing operator, agent, master, or individual in charge of a detained vessel may petition the Secretary to review the detention order.

(d) After reviewing a petition, the Secretary may affirm, withdraw, or change the detention order. Before acting on the petition, the Secretary may require any independent survey that may be necessary to determine the condition of the vessel.

(e) The owner of a vessel is liable for the cost incident to a petition for review and any required survey if the vessel is found to be in violation of this chapter or a regulation prescribed under this chapter.

(Pub. L. 99–509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1918; Pub. L. 109–304, § 15(20), Oct. 6, 2006, 120 Stat. 1703.)

Section 5113 authorizes the Secretary to detain a vessel if the Secretary believes that the vessel is in violation of the load line requirements, and describes the process through which a vessel may be cleared. It also states that a vessel owner is liable for certain costs resulting from a petition for review and load line survey that is made pursuant to a violation of load line requirements.

AMENDMENTS

2006—Subsec. (b). Pub. L. 109–304 substituted “section 60105 of this title” for “section 4197 of the Revised Statutes (46 App. U.S.C. 91)”.

§ 5114. Use of Customs Service officers and employees for enforcement

(a) With the approval of the Secretary of the Treasury, the Secretary may use an officer or employee of the United States Customs Service

to enforce this chapter and the regulations prescribed under this chapter.

(b) The Secretary shall consult with the Secretary of the Treasury before prescribing a regulation that affects the enforcement responsibilities of an officer or employee of the Customs Service.

(Pub. L. 99-509, title V, § 5101(2), Oct. 21, 1986, 100 Stat. 1918; Pub. L. 101-595, title VI, § 603(4), Nov. 16, 1990, 104 Stat. 2993.)

Section 5114(a) authorizes the Secretary to use a Customs Service officer or employee to enforce load line requirements. The expected role of a Customs Service officer or employee in this regard is to ensure that a vessel is carrying a load line certificate and that the load line is not submerged.

Section 5114(b) requires the Secretary to consult with the Secretary of the Treasury before prescribing a regulation that affects the enforcement responsibilities of a Customs Service officer or employee.

AMENDMENTS

1990—Pub. L. 101-595 substituted “officers and employees” for “officers employees” in section catchline.

TRANSFER OF FUNCTIONS

For transfer of functions, personnel, assets, and liabilities of the United States Customs Service of the Department of the Treasury, including functions of the Secretary of the Treasury relating thereto, to the Secretary of Homeland Security, and for treatment of related references, see sections 203(l), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

(a) Except as otherwise provided in this section, the owner, charterer, managing operator, agent, master, and individual in charge of a vessel violating this chapter or a regulation prescribed under this chapter are each liable to the United States Government for a civil penalty of not more than \$5,000. Each day of a continuing violation is a separate violation. The vessel also is liable in rem for the penalty.

(b) The owner, charterer, managing operator, agent, master, and individual in charge of a vessel allowing, causing, attempting to cause, or failing to take reasonable care to prevent a violation of section 5112(a) of this title are each liable to the Government for a civil penalty of not more than \$10,000 plus an additional amount equal to twice the economic benefit of the overloading. The vessel also is liable in rem for the penalty.

HISTORICAL AND REVISION NOTES

Revised section 5116

Source: Section (U.S. Code) 46 App. U.S.C. 86i, 88g.

Section 5116 provides penalties for violations of load line requirements. The penalties are raised substantially from existing law to provide a sufficient deterrence against violations of the load line requirements and to conform with the level of penalties throughout the subtitle. The monetary penalties have not been changed since the 1930's.

Section 5116(a) raises from \$1,000 to \$5,000 the maximum penalty for violation of a load line provision under this chapter or a regulation promulgated under this chapter.

Section 5116(b) raises from \$1,000 to \$10,000 the maximum penalty for loading a vessel in such a way as to submerge the load line. In addition, a violator must pay up to two times the amount of the economic benefit of the overloading.

Section 5116(c) raises from \$500 to \$5,000 the maximum penalty for a violation of the requirement in section 5112(b) that the load line position and draft of a vessel be noted in the logbook.

Section 5116(a)-(c) also states that the vessel is liable in rem for the penalty.

Section 5116(d) raises from \$1,000 to \$10,000 the maximum penalty for a violation of a detention order and may also include imprisonment for up to one year.

Section 5116(e) raises from \$2,000 to \$10,000 the maximum penalty for the alteration, removal, or concealment of a load line mark and may also include imprisonment for two years.

HISTORICAL AND REVISION NOTES

6101	46:239 46:1486 33:361
6101(b)	33:365 33:362

Section 6101(a) requires the Secretary to prescribe regulations on the types and manner of reporting of marine casualties to be reported under subsection (b) and incidents to be reported under subsection (c). The casualties to be reported must include casualties involving death to an individual, serious injury to an individual, material loss of property, and any damage affecting the seaworthiness or efficiency of the vessel, in addition to the other casualties (if any) the Secretary feels should be reported.

Subsection (b) requires the owner, charterer, agent, master, operator, or individual in charge of a vessel to report within 5 days, any casualty required in subsection (a) or by regulation.

Subsection (c) requires the owner, charterer, managing operator, or agent of a U.S. vessel to immediately

determine the status of their vessel if they have not heard from the vessel, if it has not passed a scheduled point, or for any other reason which may indicate the vessel may have been lost or imperiled. If the owner, charterer, managing operator, or agent cannot reach the vessel and determine that it is operating safely, then they shall immediately notify the Coast Guard and provide the Coast Guard with the name and number of the vessel, the names of individuals on board, and any other information that the Coast Guard may request. If communication with the vessel indicates the vessel was involved in a casualty, then the owner, charterer, or agent of the vessel must immediately notify the Coast Guard under subsection (b). Notification to the Coast Guard does not impose or create any additional responsibility for the Coast Guard to take search and rescue action beyond those already existing under title 14, United States Code.

Subsection (d) makes it clear that the reporting requirements under subsection (b) are applicable to foreign vessels involved in a marine casualty when operating on the navigable waters of the United States, whether in innocent passage or not.

Subsection (e) provides for the classification of marine casualties by regulation according to the gravity of the casualty, injuries to individuals, property damage, dangers created, and size, occupation, and means of propulsion of each vessel.

Section 6301 requires the Secretary to prescribe regulations for the immediate investigation of marine casualties in order to determine, as closely as possible, the cause of the casualty; whether the actions of individuals licensed, certificated, or documented have contributed to the cause of the casualty, whether the action of an individual in the Coast Guard contributed to the cause of the casualty, whether there is evidence that an act subjecting the offender to civil or criminal penalty has been committed, and whether there is a need for new laws or to amend or repeal existing laws or regulations in order to prevent a recurrence of the casualty.

CONSTRUCTION

Pub. L. 98-89, §2(h), Aug. 26, 1983, 97 Stat. 599, provided that: "Chapter 63 of title 46 (as enacted by section 1 of this Act) does not supersede section 304(a)(1)(E) of the Independent Safety Board Act of 1974 (49 App. U.S.C. 1903(a)(1)(E)) [see 49 U.S.C. 1131(a)(1)(E), (b)]."

TRANSFER OF FUNCTIONS

For transfer of authorities, functions, personnel, and assets of the Coast Guard, including the authorities and functions of the Secretary of Transportation relating thereto, to the Department of Homeland Security, and for treatment of related references, see sections 468(b), 551(d), 552(d), and 557 of Title 6, Domestic Security, and the Department of Homeland Security Reorganization Plan of November 25, 2002, as modified, set out as a note under section 542 of Title 6.

HISTORICAL AND REVISION NOTES

Section 6302 provides that each investigation conducted under this chapter shall be open to the public, except when evidence affecting the national security of the United States is to be received.

§ 6303. Rights of parties in interest

In an investigation conducted under this chapter, the following shall be allowed to be represented by counsel, to cross-examine witnesses, and to call witnesses:

(4) any other person whose conduct is under investigation, and
(5) any other party in interest.

HISTORICAL AND REVISION NOTES

Table with 2 columns: Revised section, Source section (U.S. Code). Row 1: 6303

Section 6303 provides for the rights of parties in interest to an investigation by allowing them to be represented by counsel, to cross examine witnesses, and to call witnesses. This section merely states the rights of a party in interest but does not necessarily determine

who is to be considered a party in interest. Clause (4) states that these rights are to be afforded to "any other person whose conduct is under investigation" (emphasis added). This implies that clauses (1) through (3) apply to individuals whose conduct is under investigation. If any individual does not qualify for these rights under clauses (1) through (4), that individual can still be entitled to these rights under clause (5), if designated as a party in interest. Since parties in interest are not clearly set out by statute, the Secretary has the authority to do this by regulation under section 6301. Thus the rights of these parties as presently provided for in existing law have been retained.

§ 6304. Subpena authority

(a) In an investigation under this chapter, the attendance and testimony of witnesses, including parties in interest, and the production of any evidence may be compelled by subpena. The subpena authority granted by this section is co-extensive with that of a district court of the United States, in civil matters, for the district in which the investigation is conducted.

(b) When a person fails to obey a subpena issued under this section, the district court of the United States for the district in which the investigation is conducted or in which the person failing to obey is found, shall on proper application issue an order directing that person to comply with the subpena. The court may punish as contempt any disobedience of its order.

(c) A witness complying with a subpena issued under this section may be paid for actual travel and attendance at the rate provided for witnesses in the district courts of the United States.

(d) An official designated to conduct an investigation under this part may issue subpoenas as provided in this section and administer oaths to witnesses.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 538.)

HISTORICAL AND REVISION NOTES

Section 6304 provides an officer investigating a marine casualty with the necessary subpena authority to require the attendance and testimony of witnesses and the production of evidence. It also authorizes a district court of the United States to direct compliance with a subpena.

§ 6305. Reports of investigations

(a) The Secretary shall prescribe regulations about the form and manner of reports of investigations conducted under this part.

(b) Reports of investigations conducted under this part shall be made available to the public. This subsection does not require the release of information described by section 552(b) of title 5 or protected from disclosure by another law of the United States.

(Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 538; Pub. L. 105-383, title III, §305, Nov. 13, 1998, 112 Stat. 3420.)

Section 6305 requires the Secretary to prescribe regulations about the form and manner of reports of investigations of marine casualties. It also provides that the reports shall be available to the public, except for any information they contain related to national security.

AMENDMENTS

1998—Subsec. (b). Pub. L. 105-383 substituted “. This subsection does not require the release of information described by section 552(b) of title 5 or protected from disclosure by another law of the United States.” for “, except to the extent that they contain information related to the national security.”

§ 6306. Penalty

A person attempting to coerce a witness, or to induce a witness, to testify falsely in connection with a marine casualty, or to induce a witness to leave the jurisdiction of the United States, shall be fined \$5,000, imprisoned for one year, or both.

Subsection (c) requires the Secretary to submit an annual report to Congress summarizing the marine cas-

AMENDMENTS

2002—Subsec. (a). Pub. L. 107-295 substituted “Transportation and Infrastructure” for “Merchant Marine and Fisheries”.

§ 6308. Information barred in legal proceedings

(a) Notwithstanding any other provision of law, no part of a report of a marine casualty investigation conducted under section 6301 of this title, including findings of fact, opinions, recommendations, deliberations, or conclusions, shall be admissible as evidence or subject to discovery in any civil or administrative proceedings, other than an administrative proceeding initiated by the United States.

(b) Any member or employee of the Coast Guard investigating a marine casualty pursuant to section 6301 of this title shall not be subject to deposition or other discovery, or otherwise testify in such proceedings relevant to a marine casualty investigation, without the permission of the Secretary. The Secretary shall not withhold permission for such employee or member to testify, either orally or upon written questions, on solely factual matters at a time and place and in a manner acceptable to the Secretary if the information is not available elsewhere or is not obtainable by other means.

The requirement for an oath, drawn from a clause which had appeared in 46 U.S.C. 672(g), and administered by the Coast Guard to all applicants, was repealed in a 1980 amendment by section 4 of Public Law 96-378 (94 Stat. 1516). Since no specific comment was made regarding the elimination in 1980 and the agency has continued to administer an oath to all applicants, this provision is being reinstated. The Committee believes the oath will contribute to the discipline and order necessary in the merchant marine.

Section 7704 requires the Secretary to revoke the license, certificate, or document of any individual who has been convicted of a dangerous drug law within 10 years before the beginning of the suspension or revocation procedures. This section has expanded current law to incorporate violations involving “controlled substances” which are not narcotic. This includes PCP and LSD. Unless it can be done under existing law, the suspension or revocation of an individual’s license based on the use of a “controlled substance” only applies to the use or conviction after the date of enactment of this Act.

This section also provides that anyone who has been a user of or addicted to a dangerous drug since July 14, 1954, may be subjected to revocation procedures unless the individual provides satisfactory proof of being cured.

In sections 7503(b)(2) and 7704(c), the term “use”, when applying to “narcotic drugs” or “controlled substances”, is not intended to include the use of “off the shelf” drugs or drugs acquired with a prescription lawfully issued by a medical doctor, as long as the drugs are used by the individual in the recommended amounts and the drugs will not impair the individual’s ability to perform duties.

AMENDMENTS

2004—Subsec. (b). Pub. L. 108-293 inserted “suspended or” after “shall be”.

1990—Subsec. (a). Pub. L. 101-380 struck out subsec. (a) which defined “dangerous drug” for purpose of this section as narcotic drug, controlled substance, and marihuana.

Subsec. (c). Pub. L. 99-36, §1(a)(9)(G), substituted “certificate of registry, or merchant mariner’s document” for “certificate, or document”.

§ 8101. Complement of inspected vessels

(a) The certificate of inspection issued to a vessel under part B of this subtitle shall state the complement of licensed individuals and crew (including lifeboatmen) considered by the Secretary to be necessary for safe operation. A manning requirement imposed on—

(1) a sailing school vessel shall consider the participation of sailing school instructors and sailing school students in the operation of that vessel;

(2) a mobile offshore drilling unit shall consider the specialized nature of the unit; and

(3) a tank vessel shall consider the navigation, cargo handling, and maintenance functions of that vessel for protection of life, property, and the environment.

(b) The Secretary may modify the complement, by endorsement on the certificate, for reasons of changed conditions or employment.

(c) A requirement made under this section by an authorized official may be appealed to the Secretary under prescribed regulations.

(d) A vessel to which this section applies may not be operated without having in its service the complement required in the certificate of inspection.

(e) When a vessel is deprived of the service of a member of its complement without the consent, fault, or collusion of the owner, charterer, managing operator, agent, master, or individual in charge of the vessel, the master shall engage, if obtainable, a number of members equal to the number of those of whose services the master has been deprived. The replacements must be of the same or a higher grade or rating than those whose places they fill. If the master finds the vessel is sufficiently manned for the voyage, and replacements are not available to fill all the vacancies, the vessel may proceed on its voyage. Within 12 hours after the vessel arrives at its destination, the master shall report in writing to the Secretary the cause of each deficiency in the complement. A master failing to make the report is liable to the United States Government for a civil penalty of \$1,000 for each deficiency.

(f) The owner, charterer, or managing operator of a vessel not manned as required by this section is liable to the Government for a civil penalty of \$10,000.

(g) A person may not employ an individual as, and an individual may not serve as, a master, mate, engineer, radio officer, or pilot of a vessel to which this part applies or which is subject to inspection under chapter 33 of this title if the individual is not licensed by the Secretary. A

person (including an individual) violating this subsection is liable to the Government for a civil penalty of not more than \$10,000. Each day of a continuing violation is a separate offense.

(h) The owner, charterer, or managing operator of a freight vessel of less than 100 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title, a small passenger vessel, or a sailing school vessel not manned as required by this section is liable to the Government for a civil penalty of \$1,000. The vessel also is liable in rem for the penalty.

(i) When the 2 next most senior licensed officers on a vessel reasonably believe that the master or individual in charge of the vessel is under the influence of alcohol or a dangerous drug and is incapable of commanding the vessel, the next most senior master, mate, or operator licensed under section 7101(c)(1) or (3) of this title shall—

(1) temporarily relieve the master or individual in charge;

(2) temporarily take command of the vessel;

(3) in the case of a vessel required to have a log under chapter 113 of this title, immediately enter the details of the incident in the log; and

(4) report those details to the Secretary—

(A) by the most expeditious means available; and

(B) in written form transmitted within 12 hours after the vessel arrives at its next port.

Section 8101 provides for the required composition of the complement of licensed individuals and crew of an inspected vessel when being operated.

Subsection (a) requires that the certificate of inspection for a vessel state the manning necessary for safe navigation. Manning means the complement of licensed officers and crew (including lifeboatmen). Any manning requirements for sailing school vessels shall take into account the participation of sailing school instructors and sailing school students in the operation of those vessels.

Subsection (b) permits the Secretary to modify the manning requirements for reasons of changed conditions or employment.

Subsection (c) permits an appeal to the Secretary of any manning requirements made by an authorized official.

Subsection (d) prohibits the operation of a vessel without the manning required in the vessel's certificate of inspection.

When a vessel has a vacancy in the manning required by its certificate of inspection without the consent, fault, or collusion of anyone responsible for the management or operation of the vessel, subsection (e) requires that the master hire replacements, if possible, in the same or higher grade or rating. However, if the master finds the vessel sufficiently manned and re-

placements are not available, the vessel may proceed on its voyage. Within 12 hours of arrival at its destination, the master is required to file a written report with the Secretary stating the cause of each deficiency or be liable for a civil penalty. The report of deficiency should include both the reason for the vacancy in the first instance and the reason for the unavailability of a qualified replacement.

Subsections (f), (g) and (h) prescribe civil penalties for noncompliance with manning requirements. Subsection (g) also prohibits the employment or service of an individual in a licensed capacity who is not licensed by the Secretary.

AMENDMENTS

1996—Subsec. (h). Pub. L. 104-324 inserted “as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title” after “100 gross tons”.

1990—Subsec. (a)(3). Pub. L. 101-380, §4114(c), added par. (3).

Subsec. (e). Pub. L. 101-380, §4302(e)(1), substituted “\$1,000” for “\$50”.

Subsec. (f). Pub. L. 101-380, §4302(e)(2), substituted “\$10,000” for “\$100, or, for a deficiency of a licensed individual, a penalty of \$500”.

Subsec. (g). Pub. L. 101-380, §4302(e)(3), substituted “\$10,000” for “\$500”.

Subsec. (i). Pub. L. 101-380, §4104, added subsec. (i).

1986—Subsec. (a). Pub. L. 99-640 amended subsec. (a) generally, inserting cl. (1) designation before “a sailing school” and adding cl. (2).

1984—Subsec. (g). Pub. L. 98-557 substituted provisions relating to inspection under chapter 33 of this title, for provisions relating to applicability of part B of this subtitle.

§ 8102. Watchmen

(a) The owner, charterer, or managing operator of a vessel carrying passengers during the nighttime shall keep a suitable number of watchmen in the vicinity of the cabins or state-rooms and on each deck to guard against and give alarm in case of a fire or other danger. An owner, charterer, or managing operator failing to provide watchmen required by this section is liable to the United States Government for a civil penalty of \$1,000.

(b) The owner, charterer, managing operator, agent, master, or individual in charge of a fish processing vessel of more than 100 gross tons as measured under section 14502 of this title, or an alternate tonnage measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title shall keep a suitable number of watchmen trained in firefighting on board when hotwork is being done to guard against and give alarm in case of a fire.

Section 8103 sets forth the requirements for citizenship and Naval Reserve membership for the complement on a vessel documented under the laws of the United States.

Subsection (a) requires that the master, chief engineer, or officer in charge of a deck or engineering watch on a United States documented vessel be a United States citizen.

Subsection (b) requires that 75 percent of the seamen, excluding licensed individuals, on a United States documented vessel be United States citizens, except for a fishing or whaling vessel or yacht. The Secretary may reduce the percentage if the Secretary decides on investigation that United States seamen are not available. This investigation and percentage reduction authority is the sole responsibility of the Secretary of Transportation and accordingly the Secretary is to make these decisions expeditiously, promptly, and independently so as not to be dependent on any other agency to make this reduction. The Committee believes the Secretary is capable of this decision and need not delay or fail to make the decision because some other agency does not have the information or would require an extended period to acquire that information. The phrase "for any reason" is used merely to emphasize the complete discretion of the Secretary in making this decision. In addition, because this decision is based on an investigation, formal procedures of the Administrative Procedure Act do not apply.

Subsections (c) and (d) provide that a vessel, except a passenger vessel, on departure from the United States that has been granted a construction or operating dif-

ferential subsidy have a higher percentage citizenship requirement. Subsection (c) requires all of the crew and employees of a cargo vessel be United States citizens. Subsection (d) requires at least 90 percent of the entire complement of a passenger vessel be United States citizens. The phrase “including all licensed individuals” emphasizes that all licensed individuals are required to be United States citizens as required by subsection (a) and that they compose part of the 90 percent requirement under this subsection. Further, under subsection (d), the balance of the complement must be individuals who have a declaration of intention to become a United States citizen or evidence of admission to the United States as a permanent resident and may only be employed in the steward’s department of the passenger vessel.

Except for the master, subsection (e) permits a non-United States citizen to fill a vacancy that occurs for any reason on a United States documented vessel during a foreign voyage until the vessel returns to a United States port where a United States citizen replacement can be obtained. The phrase “for any reason” is used merely for emphasis.

Subsection (f) provides for the penalty for violation of this section.

Subsection (g) requires a deck or engineer officer on a vessel that has been granted an operating differential subsidy or is under the control by the Department of Transportation to be, if eligible, a member of the Naval Reserve. This section does not apply to a vessel of the Coast Guard or the Saint Lawrence Seaway Development Corporation.

Subsection (h) permits the President to suspend the requirements of this section during a proclaimed national emergency or the requirement of subsection (a) for United States vessels documented for foreign trade when the needs of commerce require.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
8104	46:235 46:405(b) 46:673

Section 8104 prescribes certain working hours and conditions under which working hours are set. The Committee intends that these sections be interpreted in a manner consistent with one another.

Subsection (a) permits an individual to take charge of the deck watch on leaving port and immediately thereafter only if the individual has been off duty for 6 of the 12 hours immediately prior to departure.

Subsection (b) prohibits a licensed individual from being required to work more than 9 of 24 hours in port or more than 12 of 24 hours at sea on an oceangoing or coastwise vessel of not more than 100 gross tons, except in an emergency.

Subsection (c) prescribes a maximum 8-hour day for licensed individuals and seamen on towing vessels operating on the Great Lakes and certain connecting or tributary waters.

Subsection (d) requires certain members of the complement of certain merchant vessels of more than 100 gross tons to be divided into at least 3 successive

watches when at sea. This requirement applies to radio officers only when at least 3 radio officers are employed. Subsection (d) also prescribes a maximum 8-hour work day for licensed individuals and seamen on these vessels.

For the Great Lakes towing vessels and merchant vessels in subsections (c) and (d), subsection (e) requires that seamen be hired only for work in either the deck or the engine department. When in a safe harbor, seamen may be required to do only necessary work on Sundays and certain holidays, unless the vessel is getting underway on a voyage. Further, when in a safe harbor, this subsection restates the maximum 8-hour work day which applies even for anchor watch.

Subsection (f) states that the limitations in subsections (d) and (e) do not apply if the master or other officer decides the crew is needed for certain routine, safety, or rescue activities.

Subsection (g) provides that for a towing vessel (except a Great Lakes towing vessel under subsection (c)), offshore supply vessel, or barge on a voyage of less than 600 miles, the licensed officers and certain crewmembers may be divided into not less than two watches when at sea.

Subsection (h) provides that the licensed operator for a towing vessel at least 26 feet long may not be required to work more than 12 of 24 hours, except in an emergency.

Subsections (i) and (j) prescribe penalties for violations of the provisions of this section and, in certain instances, entitles the seaman to discharge and payment of wages.

(a) IN GENERAL.—The owner or managing operator of a freight vessel of the United States on voyages covered by the International Convention for Safety of Life at Sea, 1974 (32 UST 47m) shall—

(1) ensure that—

(A) subject to subsection (d), each riding gang member on the vessel—

(i) is a United States citizen or an alien lawfully admitted to the United States for permanent residence; or

(ii) possesses a United States non-immigrant visa for individuals desiring to enter the United States temporarily for business, employment-related and personal identifying information, and any other documentation required by the Secretary;

(B) all required documentation for such member is kept on the vessel and available for inspection by the Secretary; and

(C) each riding gang member is identified on the vessel’s crew list;

(2) ensure that—

(A) the owner or managing operator attests in a certificate that the background of each riding gang member has been examined and found to be free of any credible information indicating a material risk to the security of the vessel, the vessel’s cargo, the ports the vessel visits, or other individuals onboard the vessel;

(B) the background check consisted of a search of all information reasonably available to the owner or managing operator in the riding gang member’s country of citizenship and any other country in which the riding gang member works, receives employment referrals, or resides;

(C) the certificate required under subparagraph (A) is kept on the vessel and available for inspection by the Secretary; and

(D) the information derived from any such background check is made available to the Secretary upon request;

(3) ensure that each riding gang member, while on board the vessel, is subject to the same random chemical testing and reporting regimes as crew members;

(4) ensure that each such riding gang member receives basic safety familiarization and basic safety training approved by the Coast Guard as satisfying the requirements for such training under the International Convention of Training, Certification, and Watchkeeping for Seafarers, 1978;

(5) prevent from boarding the vessel, or cause the removal from the vessel at the first available port, and disqualify from future service on board any other vessel owned or operated by that owner or operator, any riding gang member—

(A) who has been convicted in any jurisdiction of an offense described in paragraph (2) or (3) of section 7703;

(B) whose license, certificate of registry, or merchant mariner's document has been suspended or revoked under section 7704; or

(C) who otherwise constitutes a threat to the safety of the vessel;

(6) ensure and certify to the Secretary that the sum of—

(A) the number of riding gang members on board a freight vessel, and

(B) the number of individuals in addition to crew permitted under section 3304,

does not exceed 12;

(7) ensure that every riding gang member is employed on board the vessel under conditions that meet or exceed the minimum international standards of all applicable international labor conventions to which the United States is a party, including all of the merchant seamen protection and relief provided under United States law; and

(8) ensure that each riding gang member—

(A) is supervised by an individual who holds a license issued under chapter 71; and

(B) only performs work in conjunction with individuals who hold merchant mariners documents issued under chapter 73 and who are part of the vessel's crew.

(1) work in preparation of a vessel entering a shipyard located outside of the United States;

(2) completion of the residual repairs after departing a shipyard located outside of the United States; or

(3) technical in-voyage repairs, in excess of any repairs that can be performed by the vessel's crew, in order to advance the vessel's useful life without having to actually enter a shipyard.

(c) WORKDAY LIMIT.—

(1) IN GENERAL.—The maximum number of days in any calendar year that the owner or operator of a vessel to which subsection (a) applies may employ on board riding gang members who are neither United States citizens nor aliens lawfully admitted to the United States for permanent residence for work on board that vessel is 60 days. If the vessel is at sea on the 60th day, each riding gang member shall be discharged from the vessel at the next port of call reached by the vessel after the date on which the 60-workday limit is reached.

(2) CALCULATION.—For the purpose of calculating the 60-workday limit under this subsection, each day worked by a riding gang member who is neither a United States citizen nor an alien lawfully admitted to the United States for permanent residence shall be counted against the limitation.

(d) EXCEPTIONS FOR WARRANTY WORK.—

(1) IN GENERAL.—Subsections (b), (c), (e), and (f) do not apply to a riding gang member employed exclusively to perform, and who performs only, work that is—

(A) customarily performed by original equipment manufacturers' technical representatives;

(e) RECORDKEEPING.—In addition to the requirements of subsection (a), the owner or managing operator of a vessel to which subsection (a) applies shall ensure that all information necessary to ensure compliance with this section, as determined by the Secretary, is entered into the vessel's official logbook required by chapter 113.

(f) FAILURE TO EMPLOY QUALIFIED AVAILABLE U.S. CITIZENS OR RESIDENTS.—

(1) IN GENERAL.—The owner or operator of a vessel to which subsection (a) applies may not employ a riding gang member who is neither a United States citizen nor an alien lawfully admitted to the United States for permanent residence to perform work described in subsection (b) unless the owner or operator determines, in accordance with procedures established by the Secretary to carry out section 8103(b)(3)(C), that there is not a sufficient number of United States citizens or individuals lawfully admitted to the United States for permanent residence who are qualified and available for the work for which the riding gang member is to be employed.

(2) CIVIL PENALTY.—A violation of paragraph (1) is punishable by a civil penalty of not more than \$10,000 for each day during which the violation continues.

(3) CONTINUING VIOLATIONS.—The maximum amount of a civil penalty for a violation under this subsection shall not exceed—

Section 8302 sets forth the organization and manning requirements of the staff department of a vessel. The staff department has medical and clerical responsibilities.

Subsection (a) applies this section to every United States vessel except a yacht, a fishing, whaling, or certain types of inland waterway vessel, and a ferry carrying passengers or cars on the Great Lakes. A ferry is a vessel that primarily carries passengers, cars, or trains from shore to shore as a means to connect existing points on a transportation route so that the same type of transportation mode may continue to be used upon arrival at either point. Vessels carrying cars as cargo would not be included in this type of vessel.

Subsection (b) establishes the staff department as a separate one consisting of registered individuals (purser, medical doctors, and professional nurses), clerks, and medical assistants. Subsection (c) divides the department into a medical division and a purser's division and designates the individual in charge of each division. Subsection (d) prescribes particular requirements of the purser's division based on size of the vessel or number of individuals employed in the division.

Subsection (e) prohibits the employment or service of an individual who is not registered or of the grade as required under this section and prescribes a penalty for violation of the subsection. This penalty applies to both the employer and the individual employed. If a registered staff officer is unavailable at the time of departure for a voyage, the vessel may proceed on its voyage with either an unregistered staff officer or without a staff officer.

Subsection (f) prohibits including a staff officer on a vessel's certificate of inspection.

Subsections (g) and (h) prescribe the type and restrictions for the uniform accouterments of a staff officer.

CHAPTER 85—PILOTS

- Sec. 8501. State regulation of pilots.
- 8502. Federal pilots required.
- 8503. Federal pilots authorized.

HISTORICAL AND REVISION NOTES

Chapter 85 provides for State pilotage to be regulated by the States and only in conformity with the laws of the States. It clearly spells out the preeminence of the State's role in regulating pilots for vessels operating on the bays, rivers, harbors, and ports of the United States. However, those vessels that are required to have a Federally licensed pilot, those that operate on waters outside the territorial sea of the United States,

and those that operate on waters of the Great Lakes are not subject to State pilotage laws or requirements. In essence this chapter, with minor changes, confirms the State and Federal relationship with respect to pilotage that has evolved since the founding of the Nation.

This chapter permits the continuation of Federal pilotage requirements for vessels that are not required to obtain compulsory State pilotage. It confirms the practice of allowing anyone with a Federal pilotage endorsement for the waters in which the vessel is operating to be in control of a vessel when engaged in the coastwise trade. It also confirms the practice of using Federal pilots that are often organized into groups or working organizations who offer their expertise and services to vessels that are not required to obtain compulsory State pilotage.

AMENDMENTS

1984—Pub. L. 98–557, §29(f)(3)(B), Oct. 30, 1984, 98 Stat. 2874, added item 8503.

§ 8501. State regulation of pilots

(a) Except as otherwise provided in this subtitle, pilots in the bays, rivers, harbors, and ports of the United States shall be regulated only in conformity with the laws of the States.

(b) The master of a vessel entering or leaving a port on waters that are a boundary between 2 States, and that is required to have a pilot under this section, may employ a pilot licensed or authorized by the laws of either of the 2 States.

(c) A State may not adopt a regulation or provision that discriminates in the rate of pilotage or half-pilotage between vessels sailing between the ports of one State and vessels sailing between the ports of different States, or against vessels because of their means of propulsion, or against public vessels of the United States.

(d) A State may not adopt a regulation or provision that requires a coastwise vessel to take a pilot licensed or authorized by the laws of a State if the vessel—

- (1) is propelled by machinery and subject to inspection under part B of this subtitle; or
- (2) is subject to inspection under chapter 37 of this title.

(e) Any regulation or provision violating this section is void.

(Pub. L. 98–89, Aug. 26, 1983, 97 Stat. 553; Pub. L. 98–557, §29(e), Oct. 30, 1984, 98 Stat. 2874.)

Section 8501 establishes the general proposition that the States regulate pilots in the bays, rivers, harbors, and ports of the United States, unless otherwise specifically provided by law.

Subsection (a) states this general proposition and uses the word "only" for emphasis on this point. Further, except as specifically provided in law, the Committee intends that this chapter not be construed to annul or affect any regulation established by the laws of a State requiring a vessel entering or leaving a port in that State to employ a pilot licensed or authorized by the laws of that State. In at least two places in current law, this general proposition is stated in both a positive and negative manner. The Committee intends

to consolidate those separate statements into one provision to avoid ambiguity and redundancy.

Subsections (b) and (c) contain provisions regarding pilotage in waters between two States.

Subsection (d) prohibits a State from requiring a State licensed pilot on certain coastwise vessels.

Subsection (e) voids any regulation or provision violating this section.

AMENDMENTS

1984—Subsec. (a). Pub. L. 98-557 substituted “sub-title” for “part”.

§ 8502. Federal pilots required

(a) Except as provided in subsections (g) and (i) of this section, a coastwise seagoing vessel shall be under the direction and control of a pilot licensed under section 7101 of this title if the vessel is—

- (1) not sailing on register;
- (2) underway;
- (3) not beyond 3 nautical miles from the baselines from which the territorial sea of the United States is measured; and
- (4)(A) propelled by machinery and subject to inspection under part B of this subtitle; or
- (B) subject to inspection under chapter 37 of this title.

(b) The fees charged for pilotage by pilots required under this section may not be more than the customary or legally established rates in the States in which the pilotage is performed.

(c) A State or political subdivision of a State may not impose on a pilot licensed under this subtitle an obligation to procure a State or other license, or adopt any other regulation that will impede the pilot in the performance of the pilot’s duties under the laws of the United States.

(d) A State or political subdivision of a State may not levy pilot charges on a vessel lawfully piloted by a pilot required under this section.

(e) The owner, charterer, managing operator, agent, master, or individual in charge of a vessel operated in violation of this section or a regulation prescribed under this section is liable to the United States Government for a civil penalty of \$10,000. The vessel also is liable in rem for the penalty.

(f) An individual serving as a pilot without having a license required by this section or a regulation prescribed under this section is liable to the Government for a civil penalty of \$10,000.

(g)(1) The Secretary shall designate by regulation the areas of the approaches to and waters of Prince William Sound, Alaska, if any, on which a vessel subject to this section is not required to be under the direction and control of a pilot licensed under section 7101 of this title.

(2) In any area of Prince William Sound, Alaska, where a vessel subject to this section is required to be under the direction and control of a pilot licensed under section 7101 of this title, the pilot may not be a member of the crew of that vessel and shall be a pilot licensed by the State of Alaska who is operating under a Federal license, when the vessel is navigating waters between 60°49’ North latitude and the Port of Valdez, Alaska.

(h) The Secretary shall designate waters on which tankers over 1,600 gross tons subject to

this section shall have on the bridge a master or mate licensed to direct and control the vessel under section 7101(c)(1) of this title who is separate and distinct from the pilot required under subsection (a) of this section.

(i)(1) Except as provided in paragraph (2), a dredge to which this section would otherwise apply is exempt from the requirements of this section.

(2) If the Secretary determines, after notice and comment, that the exemption under paragraph (1) creates a hazard to navigational safety in a specified area, the Secretary may require that a dredge exempted by paragraph (1) which is operating in that area shall comply with this section.

Section 8502 sets forth the provisions and requirements for pilots licensed under section 7101. It is an exception provided by law envisioned under section 8501(a).

Subsection (a) applies the requirement for a Federal pilot to coastwise seagoing vessels if propelled by machinery and inspected under part B or if inspected under chapter 37, including a tank barge. The section has been carefully worded to clearly set out those vessels that are required at times to have a Federal pilot.

Subsection (b) prohibits Federal pilot fees from being higher than those required for State pilots. Subsections (c) and (d) prohibit States from imposing impediments to the proper performance of, or levying charges related to, Federal pilotage.

Subsections (e) and (f) prescribe civil penalties for violation of this section.

(a) to (f) relating to such agreements, proceedings before shipping commissioners to settle disputes, certified copies of agreements, evidence of release of claims, and statements of wages paid.

§ 10313. Wages

(a) A seaman's entitlement to wages and provisions begins when the seaman begins work or when specified in the agreement required by section 10302 of this title for the seaman to begin work or be present on board, whichever is earlier.

(b) Wages are not dependent on the earning of freight by the vessel. When the loss or wreck of

the vessel ends the service of a seaman before the end of the period contemplated in the agreement, the seaman is entitled to wages for the period of time actually served. The seaman shall be deemed a destitute seaman under section 11104 of this title. This subsection applies to a fishing or whaling vessel but not a yacht.

(c) When a seaman who has signed an agreement is discharged improperly before the beginning of the voyage or before one month's wages are earned, without the seaman's consent and without the seaman's fault justifying discharge, the seaman is entitled to receive from the master or owner, in addition to wages earned, one month's wages as compensation.

(d) A seaman is not entitled to wages for a period during which the seaman—

(1) unlawfully failed to work when required, after the time fixed by the agreement for the seaman to begin work; or

(2) lawfully was imprisoned for an offense, unless a court hearing the case otherwise directs.

(e) After the beginning of the voyage, a seaman is entitled to receive from the master, on demand, one-half of the balance of wages earned and unpaid at each port at which the vessel loads or delivers cargo during the voyage. A demand may not be made before the expiration of 5 days from the beginning of the voyage, not more than once in 5 days, and not more than once in the same port on the same entry. If a master does not comply with this subsection, the seaman is released from the agreement and is entitled to payment of all wages earned. Notwithstanding a release signed by a seaman under section 10312 of this title, a court having jurisdiction may set aside, for good cause shown, the release and take action that justice requires. This subsection does not apply to a fishing or whaling vessel or a yacht.

(f) At the end of a voyage, the master shall pay each seaman the balance of wages due the seaman within 24 hours after the cargo has been discharged or within 4 days after the seaman is discharged, whichever is earlier. When a seaman is discharged and final payment of wages is delayed for the period permitted by this subsection, the seaman is entitled at the time of discharge to one-third of the wages due the seaman.

(g)(1) Subject to paragraph (2), when payment is not made as provided under subsection (f) of this section without sufficient cause, the master or owner shall pay to the seaman 2 days' wages for each day payment is delayed.

(2) The total amount required to be paid under paragraph (1) with respect to all claims in a class action suit by seamen on a passenger vessel capable of carrying more than 500 passengers for wages under this section against a vessel master, owner, or operator or the employer of the seamen shall not exceed ten times the unpaid wages that are the subject of the claims.

(3) A class action suit for wages under this subsection must be commenced within three years after the later of—

(A) the date of the end of the last voyage for which the wages are claimed; or

(B) the receipt, by a seaman who is a claimant in the suit, of a payment of wages that are

the subject of the suit that is made in the ordinary course of employment.

(h) Subsections (f) and (g) of this section do not apply to a fishing or whaling vessel or a yacht.

(i) This section applies to a seaman on a foreign vessel when in a harbor of the United States. The courts are available to the seaman for the enforcement of this section.

§ 10314. Advances

(a)(1) A person may not—

(A) pay a seaman wages in advance of the time when the seaman has earned the wages;

(B) pay advance wages of the seaman to another person; or

(C) make to another person an order, note, or other evidence of indebtedness of the wages, or pay another person, for the engagement of seamen when payment is deducted or to be deducted from the seaman's wage.

(2) A person violating this subsection is liable to the United States Government for a civil penalty of not more than \$500. A payment made in violation of this subsection does not relieve the vessel or the master from the duty to pay all wages after they have been earned.

(b) A person demanding or receiving from a seaman or an individual seeking employment as a seaman, remuneration for providing the seaman or individual with employment, is liable to the Government for a civil penalty of not more than \$500.

(c) This section applies to a foreign vessel when in waters of the United States. An owner,

charterer, managing operator, agent, or master of a foreign vessel violating this section is liable to the Government for the same penalty as an owner, charterer, managing operator, agent, or master of a vessel of the United States for the same violation.

(d) The owner, charterer, managing operator, agent, or master of a vessel seeking clearance from a port of the United States shall present the agreement required by section 10302 of this title at the office of clearance. Clearance may be granted to a vessel only if this section has been complied with.

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
10314	46:599

Section 10314 forbids advance payment of wages to seamen prior to the commencement of the seaman's employment. It provides a civil penalty of \$500 for any person making such a payment, and for any person demanding or receiving remuneration for providing a seaman with employment. This means that the use of employment agencies for hiring seamen is prohibited. It also requires compliance with section 10302 regarding the signing of articles of agreement before a vessel can be cleared from a United States port. This section applies to foreign vessels in United States waters but not to fishing vessels, whaling vessels or yachts.

AMENDMENTS

1986—Subsec. (e). Pub. L. 99-640 struck out last sentence which read as follows: "However, this section applies to a vessel taking oysters."

§ 10315. Allotments

(a) Under prescribed regulations, a seaman may stipulate as follows in the agreement required by section 10302 of this title for an allotment of any part of the wages the seaman may earn:

(1) to the seaman's grandparents, parents, spouse, sister, brother, or children;

(2) to an agency designated by the Secretary of the Treasury to handle applications for United States savings bonds, to purchase bonds for the seaman; and

(3) for deposits to be made in an account for savings or investment opened by the seaman and maintained in the seaman's name at a savings bank or a savings institution in which the accounts are insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation.

(b) An allotment is valid only if made in writing and signed by and approved by a shipping commissioner. The shipping commissioner shall examine allotments and the parties to them to enforce compliance with the law. Stipulations for allotments made at the beginning of a voyage shall be included in the agreement and shall state the amounts and times of payment and the person to whom payments are to be made.

(c) Only an allotment complying with this section is lawful. A person falsely claiming qualification as an allottee under this section is lia-

ble to the United States Government for a civil penalty of not more than \$500.

(d) The owner, charterer, managing operator, agent, or master of a vessel seeking clearance from a port of the United States shall present the agreement at the office of clearance. Clearance may be granted to a vessel only if this section has been complied with.

(e) This section applies to a foreign vessel when in waters of the United States. An owner, charterer, managing operator, agent, or master of a foreign vessel violating this section is liable to the Government for the same penalty as an owner, charterer, managing operator, agent, or master of a vessel of the United States for the same violation.

(f) DEPOSITS IN SEAMAN ACCOUNT.—By written request signed by the seaman, a seaman employed on a passenger vessel capable of carrying more than 500 passengers may authorize the master, owner, or operator of the vessel, or the employer of the seaman, to make deposits of wages of the seaman into a checking, savings, investment, or retirement account, or other account to secure a payroll or debit card for the seaman if—

(1) the wages designated by the seaman for such deposit are deposited in a United States or international financial institution designated by the seaman;

(2) such deposits in the financial institution are fully guaranteed under commonly accepted international standards by the government of the country in which the financial institution is licensed;

(3) a written wage statement or pay stub, including an accounting of any direct deposit, is delivered to the seaman no less often than monthly; and

(4) while on board the vessel on which the seaman is employed, the seaman is able to arrange for withdrawal of all funds on deposit in the account in which the wages are deposited.

§ 10318. Wages on discharge in foreign ports

(a) When a master or seaman applies to a consular officer for the discharge of the seaman, the consular officer shall require the master to pay the seaman's wages if it appears that the seaman has carried out the agreement required by section 10302 of this title or otherwise is entitled to be discharged. Then the consular officer shall discharge the seaman. A consular officer shall require the payment of extra wages only as pro-

vided in this section or in chapter 109 of this title.

(b) When discharging a seaman, a consular officer who fails to require the payment of the wages due a seaman at the time, and of the extra wages due under subsection (a) of this section, is accountable to the United States Government for the total amount.

(c) A seaman discharged under this section with the consent of the seaman is entitled to wages up to the time of discharge, but not for any additional period.

(d) If the seaman is discharged involuntarily, and it appears that the discharge was not because of neglect of duty, incompetency, or injury incurred on the vessel, the master shall provide the seaman with employment on a vessel agreed to by the seaman or shall provide the seaman with one month's extra wages.

(e) Expenses for the maintenance and return of an ill or injured seaman to the United States shall be paid by the Secretary of State. If a seaman is incapacitated by illness or injury and prompt discharge is necessary, but a personal appearance of the master before a consular officer is impracticable, the master may provide transportation to the seaman to the nearest consular officer for discharge.

(f) A deduction from wages of the seaman is permitted only if the deduction appears in the account of the seaman required to be delivered under section 10310 of this title, except for matters arising after delivery of the account, in which case a supplementary account is required. During a voyage, the master shall record in the official logbook the matters about which deductions are to be made with the amounts of the deductions. The entries shall be made as the matters occur. The master shall produce the official logbook at the time of payment of wages, and also before a competent authority on the hearing of any complaint or question about the payment of wages.

A demand may not be made before the expiration of 5 days from the beginning of the voyage, not more than once in 5 days, and not more than once in the same port on the same entry. Notwithstanding a release signed by a seaman under section 10312 of this title, a court having jurisdiction may set aside, for good cause shown, the release and take action that justice requires. This subsection does not apply to a fishing or whaling vessel or a yacht.

(b) The master shall pay a seaman the balance of wages due the seaman within 2 days after the termination of the agreement required by section 10502 of this title or when the seaman is discharged, whichever is earlier.

- (1) the wages designated by the seaman for such deposit are deposited in a United States

or international financial institution designated by the seaman;

(2) such deposits in the financial institution are fully guaranteed under commonly accepted international standards by the government of the country in which the financial institution is licensed;

(3) a written wage statement or pay stub, including an accounting of any direct deposit, is delivered to the seaman no less often than monthly; and

If satisfied of the justice of the complaint, the consular officer shall require the master to pay the wages due the seaman plus one month's additional wages and shall discharge the seaman. The master shall provide the seaman with employment on another vessel or provide the seaman with passage on another vessel to the port of original engagement, to the most convenient port of the United States, or to some port agreeable to the seaman.

SUBCHAPTER II—ENDORSEMENTS AND SPECIAL DOCUMENTATION

§ 12111. Registry endorsement

(a) REQUIREMENTS.—A registry endorsement may be issued for a vessel that satisfies the requirements of section 12103 of this title.

(b) AUTHORIZED ACTIVITY.—A vessel for which a registry endorsement is issued may engage in foreign trade or trade with Guam, American Samoa, Wake, Midway, or Kingman Reef.

(c) CERTAIN VESSELS OWNED BY TRUSTS.—

(1) NONAPPLICATION OF BENEFICIARY CITIZENSHIP REQUIREMENT.—For the issuance of a certificate of documentation with only a registry endorsement, the beneficiaries of a trust are not required to be citizens of the United States if the trust qualifies under paragraph (2) and the vessel is subject to a charter to a citizen of the United States.

(2) REQUIREMENTS FOR TRUST TO QUALIFY.—

(A) IN GENERAL.—Subject to subparagraph (B), a trust qualifies under this paragraph with respect to a vessel only if—

- (i) each trustee is a citizen of the United States; and
- (ii) the application for documentation of the vessel includes the affidavit of each

trustee stating that the trustee is not aware of any reason involving a beneficiary of the trust that is not a citizen of the United States, or involving any other person that is not a citizen of the United States, as a result of which the beneficiary or other person would hold more than 25 percent of the aggregate power to influence or limit the exercise of the authority of the trustee with respect to matters involving any ownership or operation of the vessel that may adversely affect the interests of the United States.

(B) **AUTHORITY OF NON-CITIZENS.**—If any person that is not a citizen of the United States has authority to direct or participate in directing a trustee for a trust in matters involving any ownership or operation of the vessel that may adversely affect the interests of the United States or in removing a trustee for a trust without cause, either directly or indirectly through the control of another person, the trust is not qualified under this paragraph unless the trust instrument provides that persons who are not citizens of the United States may not hold more than 25 percent of the aggregate authority to so direct or remove a trustee.

(C) **OWNERSHIP BY NON-CITIZENS.**—Subparagraphs (A) and (B) do not prohibit a person that is not a citizen of the United States from holding more than 25 percent of the beneficial interest in a trust.

(3) **CITIZENSHIP OF PERSON CHARTERING VESSEL.**—If a person chartering a vessel from a trust that qualifies under paragraph (2) is a citizen of the United States under section 50501 of this title, the vessel is deemed to be owned by a citizen of the United States for purposes of that section and related laws, except chapter 531 of this title.

(d) **ACTIVITIES INVOLVING MOBILE OFFSHORE DRILLING UNITS.**—

(1) **IN GENERAL.**—Only a vessel for which a certificate of documentation with a registry endorsement is issued may engage in—

(A) the setting, relocation, or recovery of the anchors or other mooring equipment of a mobile offshore drilling unit that is located over the outer Continental Shelf (as defined in section 2(a) of the Outer Continental Shelf Lands Act (43 U.S.C. 1331(a))); or

(B) the transportation of merchandise or personnel to or from a point in the United States from or to a mobile offshore drilling unit located over the outer Continental Shelf that is not attached to the seabed.

(2) **COASTWISE TRADE NOT AUTHORIZED.**—Nothing in paragraph (1) authorizes the employment in the coastwise trade of a vessel that does not meet the requirements of section 12112 of this title.

TRADE

Pub. L. 108-293, title VI, § 608(b), Aug. 9, 2004, 118 Stat. 1056, provided that:

“(1) IN GENERAL.—Notwithstanding any other provision of law, a person shall be treated as a citizen of the United States under section 12102(a) [now section 12103(a), (b)] of title 46, United States Code, section 2 of the Shipping Act, 1916 ([former] 46 U.S.C. App. 802) [see 46 U.S.C. 50501], and section 27 of the Merchant Marine Act, 1920 ([former] 46 U.S.C. App. 883) [see Disposition Table preceding section 101 of this title], for purposes of issuance of a coastwise endorsement under section 12106(e) of title 46, United States Code (as that section was in effect on the day before the date of enactment of this Act [Aug. 9, 2004]), for a vessel owned by the person on the date of enactment of this Act, or any replacement vessel of a similar size and function, if the person—

“(A) owned a vessel before January 1, 2001, that had a coastwise endorsement under [former] section 12106(e) of title 46, United States Code; and

“(B) as of the date of the enactment of this Act [Aug. 9, 2004], derives substantially all of its revenue from leasing vessels engaged in the transportation or distribution of petroleum products and other cargo in Alaska.

“(2) LIMITATION ON COASTWISE TRADE.—A vessel owned by a person described in paragraph (1) for which a coastwise endorsement is issued under [former] section 12106(e) of title 46, United States Code, may be employed in the coastwise trade only within Alaska and in the coastwise trade to and from Alaska.

“(3) TERMINATION.—The application of this subsection to a person described in paragraph (1) shall terminate if all of that person’s vessels described in paragraph (1) are sold to a person eligible to document vessels under section 12106(a) [now section 12112(a)] of title 46, United States Code.”

§ 12113. Fishery endorsement

(a) REQUIREMENTS.—A fishery endorsement may be issued for a vessel that—

(1) satisfies the requirements of section 12103 of this title and, if owned by an entity, the entity satisfies the ownership requirements in subsection (c);

(2) was built in the United States;

(3) if rebuilt, was rebuilt in the United States;

(4) was not forfeited to the United States Government after July 1, 2001, for a breach of the laws of the United States; and

(5) otherwise qualifies under the laws of the United States to engage in the fisheries.

(b) AUTHORIZED ACTIVITY.—

(1) IN GENERAL.—Subject to the laws of the United States regulating the fisheries, a vessel for which a fishery endorsement is issued may engage in the fisheries.

(2) USE BY PROHIBITED PERSONS.—A fishery endorsement is invalid immediately if the vessel for which it is issued is used as a fishing vessel while it is chartered or leased to an individual who is not a citizen of the United States or to an entity that is not eligible to own a vessel with a fishery endorsement.

(c) OWNERSHIP REQUIREMENTS FOR ENTITIES.—

(1) IN GENERAL.—A vessel owned by an entity is eligible for a fishery endorsement only if at

least 75 percent of the interest in the entity, at each tier of ownership and in the aggregate, is owned and controlled by citizens of the United States.

(2) DETERMINING 75 PERCENT INTEREST.—In determining whether at least 75 percent of the interest in the entity is owned and controlled by citizens of the United States under paragraph (1), the Secretary shall apply section 50501(d) of this title, except that for this purpose the terms “control” or “controlled”—

(A) include the right to—

(i) direct the business of the entity;

(ii) limit the actions of or replace the chief executive officer, a majority of the board of directors, any general partner, or any person serving in a management capacity of the entity; or

(iii) direct the transfer, operation, or manning of a vessel with a fishery endorsement; but

(B) do not include the right to simply participate in the activities under subparagraph (A), or the exercise of rights under loan or mortgage covenants by a mortgagee eligible to be a preferred mortgagee under section 31322(a) of this title, except that a mortgagee not eligible to own a vessel with a fishery endorsement may only operate such a vessel to the extent necessary for the immediate safety of the vessel or for repairs, dry-docking, or berthing changes.

(3) EXCEPTIONS.—This subsection does not apply to a vessel when it is engaged in the fisheries in the exclusive economic zone under the authority of the Western Pacific Fishery Management Council established under section 302(a)(1)(H) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1852(a)(1)(H)) or to a purse seine vessel when it is engaged in tuna fishing in the Pacific Ocean outside the exclusive economic zone or pursuant to the South Pacific Regional Fisheries Treaty, provided that the owner of the vessel continues to comply with the eligibility requirements for a fishery endorsement under the Federal law that was in effect on October 1, 1998. A fishery endorsement issued pursuant to this paragraph is valid for engaging only in the activities described in this paragraph.

(d) REQUIREMENTS BASED ON LENGTH, TONNAGE, OR HORSEPOWER.—

(1) APPLICATION.—This subsection applies to a vessel that—

(A) is greater than 165 feet in registered length;

(B) is more than 750 gross registered tons as measured under chapter 145 of this title or 1,900 gross registered tons as measured under chapter 143 of this title; or

(C) has an engine or engines capable of producing a total of more than 3,000 shaft horsepower.

(2) REQUIREMENTS.—A vessel subject to this subsection is not eligible for a fishery endorsement unless—

(A)(i) a certificate of documentation was issued for the vessel and endorsed with a

fishery endorsement that was effective on September 25, 1997; and

(ii) the vessel is not placed under foreign registry after October 21, 1998;

(B) the owner of the vessel demonstrates to the Secretary that the regional fishery management council of jurisdiction established under section 302(a)(1) of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1852(a)(1)) has recommended after October 21, 1998, and the Secretary of Commerce has approved, conservation and management measures in accordance with the American Fisheries Act (Public Law 105-277, div. C, title II) (16 U.S.C. 1851 note)¹ to allow the vessel to be used in fisheries under the council's authority;

(C) the vessel is either a rebuilt vessel or a replacement vessel under section 208(g) of the American Fisheries Act (title II of division C of Public Law 105-277; 112 Stat. 2681-627) and is eligible for a fishery endorsement under this section; or

(D) the vessel is a fish tender vessel that is not engaged in the harvesting or processing of fish.

(e) **VESSELS MEASURING 100 FEET OR GREATER.**—

(1) **IN GENERAL.**—The Administrator of the Maritime Administration shall administer subsections (c) and (d) with respect to vessels 100 feet or greater in registered length. The owner of each such vessel shall file a statement of citizenship setting forth all relevant facts regarding vessel ownership and control with the Administrator on an annual basis to demonstrate compliance with those provisions.

(2) **REGULATIONS.**—Regulations to implement this subsection shall conform to the extent practicable with the regulations establishing the form of citizenship affidavit set forth in part 355 of title 46, Code of Federal Regulations, as in effect on September 25, 1997, except that the form of the statement shall be written in a manner to allow the owner of the vessel to satisfy any annual renewal requirements for a certificate of documentation for the vessel and to comply with this subsection and subsections (c) and (d), and shall not be required to be notarized.

(3) **TRANSFER OF OWNERSHIP.**—Transfers of ownership and control of vessels subject to subsection (c) or (d), which are 100 feet or greater in registered length, shall be rigorously scrutinized for violations of those provisions, with particular attention given to—

(A) leases, charters, mortgages, financing, and similar arrangements;

(B) the control of persons not eligible to own a vessel with a fishery endorsement under subsection (c) or (d), over the management, sales, financing, or other operations of an entity; and

(C) contracts involving the purchase over extended periods of time of all, or substantially all, of the living marine resources harvested by a fishing vessel.

“(B) was operated as a fish processing or fish tender vessel in the navigable waters of the United States or the exclusive economic zone;

“(2) was a fish tender or fish processing vessel contracted to be purchased by a citizen of the United States, if the purchase is shown by contract or similarly reliable evidence acceptable to the Secretary to have been made for the purpose of using the vessel as a fish tender or fish processing vessel in the fisheries;

“(i) the contract itself; or

“(ii) a ruling letter by the Coast Guard before July 29, 1987 under 46 C.F.R. §67.21-1 or §67.27-3 pursuant to a ruling request evidencing that intent; or

“(B) is purchased for use as a fish processing vessel under a contract entered into after July 27, 1987, if—

“(i) a contract to rebuild the vessel for use as a fish processing vessel was entered into before September 1, 1987; and

“(ii) that vessel is part of a specific business plan involving the conversion in foreign shipyards of a series of three vessels and rebuilding work on at least one of the vessels had begun before July 28, 1987.

“(b) A vessel rebuilt under subsection (a)(3)(B) or (4) of this section must be redelivered to the owner before July 28, 1990. However, the Secretary may, on proof of circumstances beyond the control of the owner of a vessel affected by this section, extend the period for rebuilding in a foreign country permitted by this section.

“(c)(1) Any fishery license or registry issued to a vessel built in a foreign country under this section shall be endorsed to restrict the vessel from catching, taking, or harvesting.

“(2) Before being issued a fishery license, any vessel described in subsection (a)(2) of this section must be documented under an application for documentation acceptable to the Secretary filed before July 28, 1987, except that an alternative vessel of no greater tonnage than the vessel in the application may be substituted, if that substitution is made by the original applicant.”

In this section, the word "Secretary" is substituted for "Secretary of the Treasury", thereby incorporating the definition of "Secretary" in section 2101 of title 46. The functions of the Secretary of the Treasury relating to the Coast Guard previously were transferred to the Secretary of Transportation by section 6(b) of the Department of Transportation Act (Pub. L. 89-670, Oct. 15, 1966, 80 Stat. 938). The Coast Guard and the functions of the Secretary of Transportation relating to the Coast Guard were again transferred to the Department of Homeland Security by section 888(b) of the Homeland Security Act of 2002 (Pub. L. 107-296, Nov. 25, 2002, 116 Stat. 2135).

In subsection (a)(1), the words "seeking hereunder to document a vessel under the laws of the United States or to operate a vessel exempt from documentation under the laws of the United States" are omitted as unnecessary because of the reorganization of the section.

Subsection (d)(1)(B) is substituted for "together with their owners or masters, shall be entitled to all the other benefits and privileges and shall be subject to the same requirements, penalties, and forfeitures as may be applicable in the case of vessels built in the United States and otherwise documented or exempt from documentation under the laws of the United States" to eliminate unnecessary words.

In subsection (d)(2), the words before subparagraph (A) are substituted for "no vessel owned by any such corporation shall engage in the fisheries or in the transportation of merchandise or passengers for hire between points in the United States, including Territories, Districts, and possessions thereof, embraced within the coastwise laws, except" to eliminate unnecessary words. See the definition of "United States" in chapter 1 of the revised title.

PRIOR PROVISIONS

A prior section 12118, Pub. L. 98-89, Aug. 26, 1983, 97 Stat. 589, originally derived from section 65r of former Title 46, Shipping, related to registration of funnel marks and house flags, prior to being repealed by Pub. L. 100-710, title I, §§106(b)(5), 107(a), Nov. 23, 1988, 102 Stat. 4752, effective Jan. 1, 1989.

§ 12119. Owners engaged primarily in leasing or financing transactions

(i) directly or indirectly controlled by, under common control with, or controlling that person; or

(ii) named as being part of the same consolidated group in any report or other document submitted to the United States Securities and Exchange Commission or the Internal Revenue Service.

(2) CARGO.—The term "cargo" does not include cargo to which title is held for non-commercial reasons and primarily for the purpose of evading the requirements of subsection (c)(3).

(3) OIL.—The term "oil" has the meaning given that term in section 2101(20) of this title.

(4) PASSIVE INVESTMENT.—The term "passive investment" means an investment in which neither the investor nor any affiliate of the investor is involved in, or has the power to be involved in, the formulation, determination, or direction of any activity or function concerning the management, use, or operation of the asset that is the subject of the investment.

(5) QUALIFIED PROPRIETARY CARGO.—The term "qualified proprietary cargo" means—

(A) oil, petroleum products, petrochemicals, or liquefied natural gas cargo that is beneficially owned by the person that submits to the Secretary an application or annual certification under subsection (c)(3), or by an affiliate of that person, immediately before, during, or immediately after the cargo is carried in coastwise trade on a vessel owned by that person;

(3) CERTAIN TANK VESSELS.—

(A) IN GENERAL.—To meet the certification requirement of this paragraph, a person shall certify that—

12119(f)	46:12106(e)(4).	

In subsection (b), in paragraph (1), the words “satisfies the requirements for a coastwise endorsement, except for the ownership requirement otherwise applicable without regard to this section” are substituted for “otherwise eligible for documentation under this section” in 46 U.S.C. 12106(e)(1)(E) for clarity. Subparagraph (A) of 46 U.S.C. 12106(e)(1) is omitted as redundant to the general requirements in revised section 12112 on coastwise endorsements.

In subsection (c)(3), the words “documented with a coastwise endorsement” are substituted for “documented under this section” because former section 12106 is being divided into multiple sections.

Subsection (e) is substituted for “(3) Upon termination by a demise charterer required under paragraph (1)(C), the coastwise endorsement of the vessel may, in the sole discretion of the Secretary, be continued after the termination for default of the demise charter for a period not to exceed 6 months on such terms and conditions as the Secretary may prescribe” for clarity and to eliminate unnecessary words.

PRIOR PROVISIONS

L. 100-710, title I, §104(a)(4), Nov. 23, 1988, 102 Stat. 4750, originally derived from sections 65s and 881 of former Title 46, Shipping, related to list of documented vessels, prior to the general amendment of this chapter by Pub. L. 109-304. See section 12138 of this title.

APPLICATION TO CERTAIN CERTIFICATES

Pub. L. 108-293, title VI, §608(c), Aug. 9, 2004, 118 Stat. 1057, provided that:

“(1) IN GENERAL.—The amendments made by this section [amending provisions from which this section was derived], and any regulations published after February 4, 2004, with respect to coastwise endorsements, shall not apply to a certificate of documentation, or renewal thereof, endorsed with a coastwise endorsement for a vessel under section 12106(e) [now section 12119(b), (d)–(f)] of title 46, United States Code, or a replacement vessel of a similar size and function, that was issued prior to the date of enactment of this Act [Aug. 9, 2004] as long as the vessel is owned by the person named therein, or by a subsidiary or affiliate of that person, and the controlling interest in such owner has not been transferred to a person that was not an affiliate of such owner as of the date of enactment of this Act. Notwithstanding the preceding sentence, however, the amendments made by this section shall apply, beginning 3 years after the date of enactment of this Act, with respect to offshore supply vessels (as defined in section 2101(19) of title 46, United States Code, as that section was in effect on the date of enactment of this Act) with a certificate of documentation endorsed with a coastwise endorsement as of the date of enactment of this Act, and the Secretary of the Department in which the Coast Guard is operating shall revoke any such certificate if the vessel does not by then meet the requirements of section 12106(e) of title 46, United States Code, as amended by this section.

“(2) REPLACEMENT VESSEL.—For the purposes of this subsection, ‘replacement vessel’ means—

“(A) a temporary replacement vessel for a period of not to exceed 180 days if the vessel described in paragraph (1) is unavailable due to an act of God or a marine casualty; or

“(B) a permanent replacement vessel if—
“(i) the vessel described in paragraph (1) is unavailable for more than 180 days due to an act of God or a marine casualty; or

sonably threaten to prevent, such person from satisfying such requirement, and the Secretary does not, with good cause, determine otherwise. The waiver or reduction shall apply during the period of time that such circumstances exist.”

§ 12120. Liquefied gas tankers

Notwithstanding any agreement with the United States Government, the Secretary may issue a certificate of documentation with a coastwise endorsement for a vessel to transport liquefied natural gas or liquefied petroleum gas to Puerto Rico from other ports in the United States, if the vessel—

(1) is a foreign built vessel that was built before October 19, 1996; or

§ 12139. Reports

(a) IN GENERAL.—To ensure compliance with this chapter and laws governing the qualifica-

tions of vessels to engage in the coastwise trade and the fisheries, the Secretary may require owners, masters, charterers, and mortgagees of documented vessels to submit reports in any reasonable form and manner the Secretary may prescribe.

(b) VESSELS REBUILT OUTSIDE UNITED STATES.—

(1) IN GENERAL.—Under regulations prescribed by the Secretary, if a vessel exceeding the tonnage specified in paragraph (2) and documented or last documented under the laws of the United States is rebuilt outside the United States, the owner or master shall submit a report of the rebuilding to the Secretary.

(2) TONNAGE.—The tonnage referred to in paragraph (1) is—

- (A) 500 gross tons as measured under section 14502 of this title; or
- (B) an alternate tonnage as measured under section 14302 of this title as prescribed by the Secretary under section 14104 of this title.

(3) TIMING OF SUBMISSION.—If the rebuilding is completed in the United States, the report shall be submitted when the rebuilding is completed. In subsection (b)(1), the word “Secretary” is substituted for “Secretary of the Treasury”, thereby incorporating the definition of “Secretary” in section 2101 of title 46. L. 89-670, Oct. 15, 1966, 80 Stat. 938). The Coast Guard and the functions of the Secretary of Transportation relating to the Coast Guard were again transferred to the Department of Homeland Security by section 888(b) of the Homeland Security Act of 2002 (Pub. L. 107-296, Nov. 25, 2002, 116 Stat. 2135). The words “rebuilt outside the United States” are substituted for “and any part of the rebuilding, including the construction of major components of the hull and superstructure of the vessel, is not effected within the United States, its Territories (not including trust territories) or its possessions” because of the definition of “rebuilt” in section 12101, and the definition of “United States” in chapter 1, of the revised title.

SUBCHAPTER IV—PENALTIES

§ 12151. Penalties

(a) IN GENERAL.—A person that violates this chapter or a regulation prescribed under this chapter is liable to the United States Government for a civil penalty of not more than \$10,000. Each day of a continuing violation is a separate violation.

(b) SEIZURE AND FORFEITURE OF VESSELS.—A vessel and its equipment are liable to seizure by and forfeiture to the Government if—

(1) the owner of the vessel or the representative or agent of the owner knowingly falsifies or conceals a material fact, or knowingly makes a false statement or representation, about the documentation of the vessel or in applying for documentation of the vessel;

(2) a certificate of documentation is knowingly and fraudulently used for the vessel;

(3) the vessel is operated after its endorsement has been denied or revoked under section 12152 of this title;

(4) the vessel is employed in a trade without an appropriate endorsement;

(5) the vessel has only a recreational endorsement and is operated other than for pleasure;

(6) the vessel is a documented vessel and is placed under the command of a person not a citizen of the United States, except as authorized by section 12131(b) of this title; or

(7) the vessel is rebuilt outside the United States and a report of the rebuilding is not submitted as required by section 12139(b) of this title.

(c) ENGAGING IN FISHING AFTER FALSIFYING ELIGIBILITY.—In addition to other penalties under this section, the owner of a documented vessel for which a fishery endorsement has been issued is liable to the Government for a civil penalty of not more than \$100,000 for each day the vessel engages in fishing (as defined in section 3 of the Magnuson-Stevens Fishery Conservation and Management Act (16 U.S.C. 1802)) within the exclusive economic zone, if the owner or the representative or agent of the owner knowingly falsified or concealed a material fact, or knowingly made a false statement or representation, about the eligibility of the vessel under section 12113(c) or (d) of this title in applying for or applying to renew the fishery endorsement.

HISTORICAL AND REVISION NOTES

Section 101 of H.R. 3105, as amended, adds a new chapter 125 to title 46, United States Code, to establish a vessel identification system for all vessels of the United States. This would include vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, or titled under the law of a State. This new chapter consists of new sections 12501-12507 as follows.

§ 12501. Establishment of a vessel identification system

(a) The Secretary of Transportation shall establish a vessel identification system to make available information under section 12503 of this title for use by the public for law enforcement and other purposes relating to—

- (1) the ownership of documented vessels;
- (2) the ownership of vessels numbered under chapter 123 of this title; and
- (3) the ownership of vessels titled under the law of a State.

(b) The vessel identification system shall include information prescribed by the Secretary including—

- (1) identifying a vessel;
- (2) identifying the owner of the vessel, including—
 - (A) the owner’s social security number or, if that number is not available, other means of identification acceptable to the Secretary; or
 - (B) for an owner other than an individual—

(i) the owner's taxpayer identification number; or

(ii) if the owner does not have a taxpayer identification number, the social security number of an individual who is a corporate officer, general partner, or individual trustee of the owner and who signed the application for documentation or numbering for the vessel;

(3) identifying the State in which it is titled or numbered;

(4) indicating whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicating where evidence of a lien or other security interest may be found against the vessel in that State; and

(6) information assisting law enforcement officials.

(c) The Secretary may maintain information under this chapter in connection with any other information system maintained by the Secretary.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4735; amended Pub. L. 101-225, title III, §302(1), Dec. 12, 1989, 103 Stat. 1922; Pub. L. 101-595, title VI, §603(10), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12501

Subsection (a) of section 12501 requires the Secretary of Transportation to establish a system of information concerning vessels of the United States for law enforcement and other purposes. The Secretary is required to make available information from the system relating to the ownership of vessels documented under chapter 121 of title 46, numbered under chapter 123 of that title, and titled under the law of a State. The information is available under section 12503 for use by the public, similarly under the Ship Mortgage Act, 1920.

Subsection (b) lists the vessel identification information which is required to be maintained by the Secretary. The Secretary has the authority to prescribe other information to be maintained in addition to the items listed. For example, the Secretary may identify vessels issued fisheries permits by the Department of Commerce. The Secretary may also monitor transactions involving vessels that require approval by the Secretary under section 9 of the Shipping Act, 1916 (46 App. U.S.C. 808) before interest or control in the vessel may be transferred to a noncitizen.

Subsection (c) clarifies that the Secretary has the flexibility to maintain this system in connection with any other information system maintained by the Secretary, including the Federal Aviation Administration system containing aircraft ownership information. This would also permit the Secretary to combine various systems and data bases maintained by the Secretary such as documentation and numbering of vessels, and safety, casualty, and law enforcement statistics.

AMENDMENTS

1990—Subsec. (b)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: "the owner's social security number; or".

1989—Subsec. (b)(2). Pub. L. 101-225 amended par. (2) generally, adding subpars. (A) and (B).

(1) shall maintain a unique numbering system and assign a number to each vessel of the United States;

(2) may maintain a system of signal letters for a documented vessel;

(3) shall record a name selected by the owner of a documented vessel approved by the Secretary as the vessel's name of record; and

(4) may establish other identification markings.

(b) The manufacturer or owner of a vessel shall affix to the vessel and maintain in the manner prescribed by the Secretary the number assigned and any other markings the Secretary may require.

(c) Once a number is assigned under this section, it may not be used by another vessel.

(d) Once a documented vessel's name is established, the name may not be changed without the approval of the Secretary.

(e) A person may not tamper with or falsify a number or other marking required under this section.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736.)

HISTORICAL AND REVISION NOTES

Revised section 12502

Subsection (a) of this section requires the Secretary to maintain a unique numbering system for vessels of the United States. The Secretary may use existing vessel numbering systems such as the hull identification number for this purpose, but must ensure that no two existing vessels of the United States have the same number. The Secretary should consider and propose the use of a 17-digit number to implement this requirement. This subsection also requires the Secretary to maintain a system of signal letters and to record vessel names for documented vessels. The Secretary is authorized to establish other vessel identification markings for vessels of the United States, such as hailing ports.

Subsections (b), (c), (d), and (e) contain other requirements and restrictions concerning vessel identification markings.

This section consolidates the requirements of sections 12114, 12115, 12116, and 12118 of title 46. For this reason, section 106 of this bill repeals those sections.

VESSELS NOT HAVING UNIQUE NUMBER; APPLICABILITY OF PROVISIONS FOR NUMBER ASSIGNMENT

Pub. L. 100-710, title I, §104(f), Nov. 23, 1988, 102 Stat. 4751, provided that: "Section 12502(a)(1) of title 46, United States Code (as enacted by section 101 of this Act), applies to a vessel of the United States that does not have a unique number as prescribed by the Secretary of Transportation under that section until the earlier of the following:

- "(1) the next time the vessel is documented, numbered, or titled.
- "(2) January 1, 1995."

§ 12503. Information available to the system

(a) Except as provided in subsections (b) and (c) of this section, a State or a State's delegate approved by the Secretary of Transportation may make information available to the Secretary if, in a manner and form prescribed by the Secretary, the State—

(1) identifies the vessel;

(2) identifies the owner of the vessel, including by—

(A) the owner's social security number or, if that number is not available, other means of identification acceptable to the Secretary; or

(B) for an owner other than an individual—

(i) the owner's taxpayer identification number; or

(ii) if the owner does not have a taxpayer identification number, the social security number of an individual who is a corporate officer, general partner, or individual trustee of the owner and who signed the application for documentation or numbering for the vessel;

(3) identifies the State in which it is titled or numbered;

(4) indicates whether the vessel is numbered or titled, or both;

(5) if titled in a State, indicates where evidence of a lien or other security interest may be found against the vessel in that State;

(6) includes information to assist law enforcement; and

(7) includes other information agreed to by the Secretary and the State.

(b) Except as provided in subsection (c) of this section, the Secretary also may accept informa-

tion under conditions and in a manner and form prescribed by the Secretary.

(c) The Secretary shall—

(1) retain information on a vessel with a preferred mortgage under section 31322(d) of this title that is no longer titled in a State making information available to the Secretary under this chapter until the mortgage is discharged or the vessel is sold; and

(2) accept information under section 31321(h) of this title only if that information cannot be provided to a State.

HISTORICAL AND REVISION NOTES

Revised section 12503

Subsection (a) of section 12503 allows a State or approved State delegee to make vessel identification information available to the Secretary. Participation in the system is voluntary on the part of a State. A benefit to boat purchasers and financiers in States with approved titling systems participating in this system is that vessel mortgages or financing instruments made in those States are deemed to be preferred mortgages under chapter 313 of title 46, United States Code (as codified and enacted by this Act).

Under subsection (a), the Secretary may prescribe the manner and form in which the information is made available by the States. In this regard, the Committee intends that the Secretary employ the most efficient, up-to-date computer technology in maintaining information made available from the States to avoid duplication of effort in maintaining information and to reduce the costs of the system. In addition to the vessel identification information made available by States under paragraphs (1)–(6), the Secretary and a State may agree that the State make available other information. For example, the purpose for which a vessel is routinely used would be valuable information for the system.

The Committee intends that most of the information in the system will become available directly and exclusively from the States to the greatest extent possible. However, under subsection (b), the Secretary may accept information from others under conditions and in a manner and form prescribed by the Secretary. Thus, if the Secretary discovers a valuable and reliable source of data that can be conveniently made available to the system, the Secretary can approve it.

Under paragraph (c)(1), the Secretary must maintain information on a State-titled vessel with a preferred mortgage that moves to a nonparticipating, nontitle State, until the mortgage is discharged or the vessel is sold. Under paragraph (c)(2), the Secretary must accept information submitted under section 31321 of title 46 (as enacted by this Act) concerning a discharge of a preferred mortgage on a vessel title under State law. This would be necessary if the vessel moves to a nonparticipating State, and information on that vessel would not be provided to the system by that State. This subsection will allow the Secretary to keep the vessel information system current on these matters and purge files no longer required to be maintained.

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-304 substituted "delegate" for "delegee" in introductory provisions.

1990—Subsec. (a)(2)(A). Pub. L. 101-595 amended subpar. (A) generally. Prior to amendment, subpar. (A) read as follows: "the owner's social security number; or".

1989—Subsec. (a)(2). Pub. L. 101-225 amended par. (2) generally, adding subpars. (A) and (B).

§ 12504. Information available from the system

For law enforcement or other purposes and under conditions prescribed by the Secretary of Transportation, the Secretary—

(1) shall make available information in the vessel identification system to a State making information available under section 12503(a) of this title; and

(2) may make available information in the vessel identification system to others.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4736; amended Pub. L. 101-225, title III, §302(3), Dec. 12, 1989, 103 Stat. 1923.)

HISTORICAL AND REVISION NOTES

Revised section 12504

This section requires that the Secretary make available information maintained in the vessel identification system to a State participating in the system for law enforcement or other purposes. The Secretary may make available information in the system to others, under conditions the Secretary may prescribe. At first, the Secretary may elect to deal only with the States. However, the Committee firmly expects that information will be made available through computer terminals in satellite offices or direct computer access by modem. In this manner, boating organizations or financial or documentation services could retrieve data without paper transactions for a fee.

AMENDMENTS

1989—Pub. L. 101-225 substituted “Secretary of Transportation, the Secretary” for “Secretary, the Secretary of Transportation”.

§ 12505. Fees

(a) The Secretary of Transportation may charge a fee under section 9701 of title 31 for providing information to or requesting information from the vessel identification system, except to—

(1) an agency; or

(2) a State making information available to the Secretary under section 12503(a) of this title.

(b) The Secretary shall deposit amounts transferred or collected under this section in the general fund of the Treasury as proprietary receipts of the Secretary and ascribed to the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737; amended Pub. L. 101-595, title VI, §603(11), Nov. 16, 1990, 104 Stat. 2993.)

HISTORICAL AND REVISION NOTES

Revised section 12505

This section contains the authority for the Secretary to charge a fee under the user charge law, 31 U.S.C. 9701, for providing information to or requesting information from the vessel identification system. Fees may not be charged under this subsection to an agency or a State that is participating in the vessel identification system maintained by the Secretary.

Under subsection (b) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of a vessel of the United States under 31 U.S.C. 9701 for the vessel identification system. Since vessel owners will benefit from the vessel identification system, such as from documentation of ownership data

and stolen vessel tracking, this fee is designed as a maintenance charge to owners for this service. The collection of the annual fee may be delayed by the Secretary, and an agency, State, or person may be employed to collect the fee under subsection (c). The Committee expects that the Secretary will make agreements with States to collect this fee at the time of vessel registrations. The term of these registrations varies from one to three years as permitted by chapter 123 of title 46.

Under subsection (d) of this section, if a State is employed to collect the fee, the State may retain one-half of the amounts collected, and must transfer the remainder to the Secretary. The amounts retained by a State may be used to cover the costs of making vessel identification information available to the Secretary. This includes upgrading or establishing titling systems as well as making improvements and other changes to vessel numbering systems to make information available. Because States are allowed to make improvements to their vessel titling and numbering systems with the amounts retained under this section, the costs of those programs may decrease. This could result in a corresponding decrease in State numbering fees and offset vessel identification system fees paid by vessel owners.

AMENDMENTS

1990—Subsec. (b). Pub. L. 101-595 redesignated subsec. (e) as (b) and struck out former subsec. (b) which read as follows: “In addition to any fee under subsection (a) of this section, the Secretary may collect an annual fee of not more than \$1.00 from the owner of each vessel of the United States under section 9701 of title 31 for maintaining the vessel identification system. However, the collection of that fee may be delayed under conditions prescribed by the Secretary.”

Subsecs. (c), (d). Pub. L. 101-595 struck out subsecs. (c) and (d) which read as follows:

“(c) The Secretary may employ any agency, State, or person to collect the fee established under subsection (b) of this section.

“(d) If a State is employed to collect a fee under subsection (c) of this section, the State may retain one-half of the amounts collected. A State shall transfer one-half of the amounts collected under subsection (b) of this section to the Secretary.”

Subsec. (e). Pub. L. 101-595 redesignated subsec. (e) as (b).

Subsec. (f). Pub. L. 101-595 struck out subsec. (f) which read as follows: “The amounts retained by a State under this section may be used to make information available to the Secretary and to pay incremental administrative costs.”

ANNUAL FEE PRIOR TO JAN. 1, 1992

Pub. L. 100-710, title I, §104(e)(1), Nov. 23, 1988, 102 Stat. 4751, provided that: “Before January 1, 1992, the annual fee under section 12505 of title 46, United States Code (as enacted by section 101 of this Act), is \$1.00.”

§ 12506. Delegation of authority

The Secretary of Transportation may delegate to an agency, a State, or a qualified person the authority to—

(1) establish and maintain the vessel identification system; and

(2) charge fees under section 12505 of this title to a person making information available to or requesting information from the vessel identification system.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737.)

HISTORICAL AND REVISION NOTES

Revised section 12506

This section allows the Secretary to delegate the authority to establish and maintain the vessel identifica-

tion system to an agency, a State, or a qualified person. The Secretary may also delegate the authority to charge fees under section 12505 for requesting information from or making information available to the vessel identification system.

§ 12507. Penalties

(a) A person shall be fined under title 18, imprisoned for not more than 2 years, or both, if the person with the intent to defraud—

(1) provides false information to the Secretary of Transportation or a State issuing authority regarding the identification of a vessel under this chapter; or

(2) tampers with, removes, or falsifies the unique vessel identification number assigned to a vessel under section 12502 of this title.

(b) A person is liable to the United States Government for a civil penalty of not more than \$10,000 if the person—

(1) provides false information to the Secretary or a State issuing authority regarding the identification of a vessel under this chapter;

(2) violates section 12502 of this title; or

(3) fails to comply with requirements prescribed by the Secretary under section 12505 of this title.

(c) A vessel involved in a violation of this chapter, or regulation under this chapter, and its equipment, may be seized by, and forfeited to, the Government.

(d) If a person, not an individual, is involved in a violation of this chapter, the president or chief executive of the person also is subject to any penalty provided under this section.

(Added Pub. L. 100-710, title I, §101(a), Nov. 23, 1988, 102 Stat. 4737.)

HISTORICAL AND REVISION NOTES

Revised section 12507

This section establishes criminal and civil penalties for certain violations of chapter 125 of title 46 (as enacted by this Act).

HISTORICAL AND REVISION NOTES

This Chapter establishes the recreational boating safety and facility program administered by the Coast Guard. The general purpose is to encourage State participation in boating safety education and enforcement activities.

AMENDMENTS

2006—Pub. L. 109-304, §16(b)(3), Oct. 6, 2006, 120 Stat. 1705, added item 13101 and redesignated former items 13101 to 13106 as 13102 to 13107, respectively.

1998—Pub. L. 105-178, title VII, §7405(c)(2), June 9, 1998, 112 Stat. 488, substituted “appropriations” for “contract spending” in item 13106.

§ 13101. Definitions

In this chapter:

(1) **ELIGIBLE STATE.**—The term “eligible State” means a State that has a State recreational boating safety program accepted by the Secretary.

(2) **STATE RECREATIONAL BOATING SAFETY PROGRAM.**—The term “State recreational boating safety program” means education, assistance, and enforcement activities conducted for maritime casualty prevention, reduction, and reporting for recreational boating.

(Pub. L. 109-304, §16(b)(2), Oct. 6, 2006, 120 Stat. 1705.)

HISTORICAL AND REVISION NOTES

Section 16 of the bill [H.R. 1442, which became Pub. L. 109-304] moves the definitions relating to the recreational boating safety program from section 2102(a)(1) and (3) to chapter 131 because the terms only appear in chapter 131.

Section 16 of the bill also eliminates the special definitions of “State” and “United States” in section 2102(a)(2) as including the Trust Territory of the Pacific Islands because the Trust Territory has been terminated. See the definitions of “State” and “United States” in section 2101, which are being moved to chapter 1 and being made applicable title-wide. Those definitions already include the Northern Mariana Islands, the only component of the former Trust Territory still under United States sovereignty.

PRIOR PROVISIONS

A prior section 13101 was renumbered section 13102 of this title.

§ 13102. State recreational boating safety programs

(a) To encourage greater State participation and uniformity in boating safety efforts, and particularly to permit the States to assume the greater share of boating safety education, assistance, and enforcement activities, the Secretary shall carry out a national recreational boating safety program. Under this program, the Secretary shall make contracts with, and allocate and distribute amounts to, eligible States to assist them in developing, carrying out, and financing State recreational boating safety programs.

(b) The Secretary shall establish guidelines and standards for the program. In doing so, the Secretary—

(1) shall consider, among other things, factors affecting recreational boating safety by contributing to overcrowding and congestion of waterways, such as the increasing number of recreational vessels operating on those waterways and their geographic distribution, the availability and geographic distribution of recreational boating facilities in and among applying States, and State marine casualty and fatality statistics for recreational vessels;

(2) shall consult with the Secretary of the Interior to minimize duplication with the pur-

poses and expenditures of the Land and Water Conservation Fund Act of 1965 (16 U.S.C. 4601-4—4601-11) the Federal Aid in Sport Fish Restoration Act of 1950 (16 U.S.C. 777-777k), and with the guidelines developed under those Acts; and

(3) shall maintain environmental standards consistent with the Coastal Zone Management Act of 1972 (16 U.S.C. 1451-1464) and other laws and policies of the United States intended to safeguard the ecological and esthetic quality of the waters and wetlands of the United States.

(c) A State whose recreational boating safety program has been approved by the Secretary is eligible for allocation and distribution of amounts under this chapter to assist that State in developing, carrying out, and financing its program. Matching amounts shall be allocated and distributed among eligible States by the Secretary as provided by section 13104 of this title.

§ 13103. Program acceptance

(a) The Secretary shall make a contract with, and allocate and distribute amounts from the Sport Fish Restoration and Boating Trust Fund established by section 9504 of the Internal Revenue Code of 1986 (26 U.S.C. 9504) to, a State that has an approved State recreational boating safety program, if the State demonstrates to the Secretary's satisfaction that—

(1) the program submitted by that State is consistent with this chapter and chapters 61 and 123 of this title;

(2) amounts distributed will be used to develop and carry out a State recreational boating safety program containing the minimum requirements of subsection (c) of this section;

(3) sufficient State matching amounts are available from general State revenue, undocumented vessel numbering and license fees, State marine fuels taxes, or from a fund constituted from the proceeds of those taxes and established to finance a State recreational boating safety program; and

(4) the program submitted by that State designates a State lead authority or agency that will carry out or coordinate carrying out the State recreational boating safety program supported by financial assistance of the United States Government in that State, including the requirement that the designated State authority or agency submit required reports that are necessary and reasonable to carry out properly and efficiently the program and that are in the form prescribed by the Secretary.

(b) Amounts of the Government (except amounts from sources referred to in subsection (a)(3) of this section) may not be used to provide a State's share of the costs of the program described under this section. State matching amounts committed to a program under this chapter may not be used to constitute the State's share of matching amounts required by another program of the Government.

(c) The Secretary shall approve a State recreational boating safety program, and the program is eligible to receive amounts authorized to be expended under section 13107 of this title, if the program includes—

(1) a vessel numbering system approved or carried out by the Secretary under chapter 123 of this title;

(2) a cooperative boating safety assistance program with the Coast Guard in that State;

(3) sufficient patrol and other activity to ensure adequate enforcement of applicable State boating safety laws and regulations;

(4) an adequate State boating safety education program, that includes the dissemination of information concerning the hazards of operating a vessel when under the influence of alcohol or drugs; and

(5) a system, approved by the Secretary, for reporting marine casualties required under section 6102 of this title.

PART J—MEASUREMENT OF VESSELS

HISTORICAL AND REVISION NOTES

Part J contains provisions that apply to the measurement of a vessel to determine its tonnage. Tonnage is a measurement of a vessel’s volume and is used for international, customs, and regulatory purposes. This part implements the 1969 International Convention on Tonnage Measurement of Ships and provides a framework for phasing in the international system as the method of measuring ships domestically, to establish uniformity in ship measurement. The availability of an alternate domestic regulatory system of measurement is continued so that the application of domestic laws will be preserved in order that vessels engaged in domestic commerce will not be adversely affected.

HISTORICAL AND REVISION NOTES

Revised section 14103

Source: International Convention on Tonnage Measurement of Ships.

Section 14103(a) authorizes the Secretary to delegate to a qualified person the authority to measure a vessel and issue an International Tonnage Certificate or other certificate of measurement. The term “qualified person” means an organization that the Secretary believes has the necessary qualifications to measure a vessel competently, such as the American Bureau of Shipping.

The conferees intend that in section 14103 the term “qualified person” includes not only organizations that the Secretary finds to be qualified to perform measurement duties, but any person as that term is defined in section 1 of title 1, United States Code (including indi-

viduals), that the Secretary determines qualified to perform measurement duties. The House and Senate conferees also agree that, where authorized, in addition to information required by the Secretary, regulatory tonnage should be used on all certificates and documents related to a vessel unless the owner otherwise requests.

Section 14103(b) provides for the appeal to the Secretary of a decision made by a person that has received delegated authority. This ensures that the Secretary has full oversight of delegated tonnage measurement functions.

Section 14103(c) authorizes the Secretary to delegate to a country that is a party to the International Convention on Tonnage Measurement of Ships, 1969, the authority to measure a vessel and issue an International Tonnage Certificate.

Section 14103(d) clarifies the Secretary’s authority to revoke at any time and without cause a delegation of authority to measure a vessel or issue a certificate. This authority is given so that no delay occurs administratively in revoking a delegation wherever the Secretary decides a revocation is warranted.

AMENDMENTS

2010—Subsec. (c). Pub. L. 111-281 substituted “that engages on” for “intended to be engaged on”.

§ 14104. Measurement to determine application of a law

(a) When the application of a law of the United States to a vessel depends on the vessel’s tonnage, the vessel shall be measured under this part.

(b) If a statute allows for an alternate tonnage to be prescribed under this section, the Secretary may prescribe it by regulation. Any such regulation shall be considered to be an interpretive regulation for purposes of section 553 of title 5. Until an alternate tonnage is prescribed, the statutorily established tonnage shall apply to vessels measured under chapter 143 or chapter 145 of this title.

(c) The head of each Federal agency shall ensure that regulations issued by the agency that specify particular tonnages comply with the alternate tonnages implemented by the Secretary.

HISTORICAL AND REVISION NOTES

Chapter 143 provides implementing legislation for the International Convention on Tonnage Measurement of

Ships (Convention) which came into effect in the United States on February 10, 1983. Chapter 143, therefore, is based primarily on the Convention, not on provisions in existing U.S. law.

AMENDMENTS

2010—Pub. L. 111-281, title III, §303(e)(3), Oct. 15, 2010, 124 Stat. 2925, substituted “Tonnage Certificate” for “International Tonnage Certificate (1969)” in item 14303.

§ 14301. Application

(a) Except as otherwise provided in this section, this chapter applies to any vessel for which the application of an international agreement or other law of the United States to the vessel depends on the vessel’s tonnage.

(b) This chapter does not apply to the following:

(1) a vessel of war, unless the government of the country to which the vessel belongs elects to measure the vessel under this chapter.

(2) a vessel of less than 24 meters (79 feet) overall in length.

(3) a vessel of United States or Canadian registry or nationality, or a vessel operated under the authority of the United States or Canada, and that is operating only on the Great Lakes, unless the owner requests.

(4) a vessel of United States registry or nationality, or one operated under the authority of the United States (except a vessel that engages on a foreign voyage) the keel of which was laid or that was at a similar stage of construction before January 1, 1986, unless—

(A) the owner requests; or

(B) the vessel undergoes a change that the Secretary finds substantially affects the vessel’s gross tonnage.

(5) a barge of United States registry or nationality, or a barge operated under the authority of the United States (except a barge that engages on a foreign voyage) unless the owner requests.

(c) An existing vessel that has not undergone a change that the Secretary finds substantially affects the vessel’s gross tonnage (or a vessel to which IMO Resolutions A.494 (XII) of November 19, 1981, A.540 (XIII) of November 17, 1983, or A.541 (XIII) of November 17, 1983, apply) may retain its tonnages existing on July 18, 1994, for the application of relevant requirements under international agreements (except the Convention) and other laws of the United States. However, if the vessel undergoes a change substantially affecting its tonnage after July 18, 1994, the vessel shall be remeasured under this chapter.

(d) This chapter does not affect an international agreement to which the United States Government is a party that is not in conflict with the Convention or the application of IMO Resolutions A.494 (XII) of November 19, 1981, A.540 (XIII) of November 17, 1983, and A.541 (XIII) of November 17, 1983.

HISTORICAL AND REVISION NOTES

Revised section 14301

Source: International Convention on Tonnage Measurement of Ships.

Section 14301 delineates which vessels must be measured in compliance with the standards of the Convention.

Section 14301(a) provides that a vessel must be measured under the standards of the Convention if it is documented or required by law to be documented under chapter 121 of this subtitle or if it is engaged on a foreign voyage, unless the vessel is specifically exempted under section 14301(b).

Section 14301(b) provides the following exemptions from the requirement in section 14301(a) to be measured under the Convention:

1. A vessel of war;

2. A vessel of less than 24 meters (79 feet) overall in length (“overall in length” is defined in section 2101);

3. A vessel that operates only on the Great Lakes (although the owner may request that it be measured under the Convention);

4. A vessel whose keel was laid or was at a similar stage of construction before January 1, 1986, and is on a domestic voyage, unless the vessel undergoes a change that significantly changes its tonnage or the owner requests that the vessel be measured under the Convention; and

5. A vessel whose keel was laid or was at a similar stage of construction before July 18, 1982, unless the vessel undergoes a change that significantly changes the vessel’s tonnage or the owner requests that the vessel be measured under the Convention.

Together, subsections (b)(4) and (5) provide that, unless the owner requests measurement under the Convention, unaltered vessels built before 1986 engaging only on domestic voyages do not have to be measured under the Convention or use Convention measurement for the application of any domestic laws. Further, these subsections provide that unaltered vessels that are built before July 18, 1982, engaging on foreign voyages do not have to be measured under the Convention until 1994 and are not required to use Convention measurement as a basis for the application of any domestic laws.

Section 14301(c) provides that if a vessel owner requests that the vessel be measured under the Convention, the vessel may only be remeasured under the Convention.

Section 14301(d) provides that after July 18, 1994, a vessel whose keel was laid or was at a similar stage of construction before July 18, 1982 may retain its regulatory tonnage for the application of requirements under U.S. laws or international agreements, except the International Convention on Tonnage Measurement of Ships. However, if the vessel was not required to be measured under the Convention, but the vessel’s owner requested that the vessel be measured under the Convention system before July 19, 1994, or if the vessel undergoes a change affecting its tonnage, the vessel may not use its regulatory tonnage for the application of U.S. laws or international agreements after July 19, 1994.

Section 14301(e) provides that this chapter does not affect any international agreement to which the United States is a party that is not in conflict with the International Convention on Tonnage Measurement of Ships, 1969. It further provides that this chapter does not affect the application of the three interim schemes of the International Maritime Organization, which are discussed under section 14305 below.

“(ii) the extent to which the tonnage thresholds in laws of the United States whose application is based on tonnage would have to be raised so that additional vessels would not become subject to those laws if their application is based on tonnage determined under chapter 143; and

“(B) a recommendation of the levels to which the tonnage thresholds in laws of the United States whose application is based on tonnage should be raised if a complete conversion to the International Convention measurement system under chapter 143 is made;

(a) The Secretary shall measure a vessel to which this chapter applies in the way provided by this chapter and the Convention.

(b) A vessel measured under this chapter may not be required to be measured under another law.

(c) Unless otherwise provided by law, the measurement of a vessel under this chapter applies to a law of the United States whose applicability depends on a vessel’s tonnage, if that law—

(1) becomes effective after July 18, 1994; or

(2) is in effect before July 19, 1994, is not enumerated in section 14305 of this title, and is identified by the Secretary by regulation as a law to which this chapter applies.

(Pub. L. 99-509, title V, §5101(3), Oct. 21, 1986, 100 Stat. 1921; Pub. L. 111-281, title III, §303(d), Oct. 15, 2010, 124 Stat. 2924.)

HISTORICAL AND REVISION NOTES

Revised section 14302

Source: International Convention on Tonnage Measurement of Ships.

Section 14302(a) requires the Secretary to measure a vessel to which this chapter applies, in the way provided by this chapter and by the Convention. Section 14302(b) provides that a vessel that is required to be measured under this chapter can not also be required to be measured under another law. The exception allows the Panama Canal Commission to continue to use the Canal measurement system for calculation of tolls. Section 14302(c) provides that the applicability of tonnage-based laws that become effective after July 18, 1994, will be based on Convention tonnage measurements. The applicability of tonnage-based laws in effect before July 19, 1994, which are listed by the Secretary, will also be based on Convention tonnage. Therefore, the laws that will be based on regulatory tonnage are those not listed by the Secretary by regulation and those listed in section 14305 of this legislation.

AMENDMENTS

2010—Subsec. (b). Pub. L. 111-281 amended subsec. (b) generally. Prior to amendment, subsec. (b) read as follows: “Except as provided in section 1602(a) of the Panama Canal Act of 1979 (22 U.S.C. 3792(a)), a vessel measured under this chapter may not be required to be measured under another law.”

§ 14303. Tonnage Certificate

(a) After measuring a vessel under this chapter, the Secretary shall issue, on request of the owner, an International Tonnage Certificate (1969) and deliver it to the owner or master of the vessel. For a vessel to which the Convention does not apply, the Secretary shall prescribe a certificate to be issued as evidence of a vessel’s measurement under this chapter.

(b) The certificate issued under this section shall be maintained as required by the Secretary.

(Pub. L. 99-509, title V, §5101(3), Oct. 21, 1986, 100 Stat. 1921; Pub. L. 111-281, title III, §303(e)(1), Oct. 15, 2010, 124 Stat. 2925.)

Section 14303(a) requires the Secretary to issue, on the request of the owner, an International Tonnage Certificate after measuring a vessel under this chapter. Section 14303(b) requires that the certificate be maintained as required by the Secretary.

AMENDMENTS

2010—Pub. L. 111-281, §303(e)(1)(C), struck out “International” before “Tonnage” and “(1969)” after “Certificate” in section catchline.

Subsec. (a). Pub. L. 111-281, §303(e)(1)(A), inserted at end “For a vessel to which the Convention does not apply, the Secretary shall prescribe a certificate to be issued as evidence of a vessel’s measurement under this chapter.”

Subsec. (b). Pub. L. 111-281, §303(e)(1)(B), inserted “issued under this section” after “The certificate”.

§ 14304. Remeasurement

(a) To the extent necessary, the Secretary shall remeasure a vessel to which this chapter applies if—

(1) the Secretary or the owner alleges an error in its measurement; or

(2) the vessel or the use of its space is changed in a way that substantially affects its tonnage.

(b) Except as provided in this chapter or section 14504 of this title, a vessel that has been measured does not have to be remeasured to obtain another document or endorsement under chapter 121 of this title.

(Pub. L. 99-509, title V, §5101(3), Oct. 21, 1986, 100 Stat. 1921.)

HISTORICAL AND REVISION NOTES

Revised section 14304

Section 14304(a) requires the Secretary to remeasure a vessel, to the extent necessary, if there is an alleged error regarding its measurement or if the vessel or its use undergoes a change substantially affecting its tonnage. The phrase “to the extent necessary” was included to indicate that a complete remeasurement of the vessel may not be necessary if, for example, an error was made in one portion of the vessel’s measurement and only that portion needs to be remeasured.

Section 14304(b) provides that except as provided in section 14504, a vessel that has been measured does not have to be remeasured to obtain another document or endorsement under chapter 121 of this title.

§ 14305. Optional regulatory measurement

(a) On request of the owner of a vessel measured under this chapter that is of United States registry or nationality, or a vessel operated under the authority of the United States, the Secretary also shall measure the vessel under chapter 145 of this title. The tonnages determined under that chapter shall be used in applying—

(1) parts A, B, C, E, F, and G of this subtitle and section 12116 of this title;

(2) section 3(d)(3) of the Longshore and Harbor Workers’ Compensation Act (33 U.S.C. 903(d)(3));

(3) section 4 of the Bridge to Bridge Radiotelephone Act (33 U.S.C. 1203(a));

(4) section 4(a)(3) of the Ports and Waterways Safety Act (33 U.S.C. 1223(a)(3));

(5) section 30506 of this title;

(8) sections 351, 352, 355, and 356 of the Ship Radio Act (47 U.S.C. 351, 352, 354, and 354a);

(9) section 403 of the Commercial Fishing Industry Vessel Act (46 U.S.C. 3302 note);

(10) the Officers’ Competency Certificates Convention, 1936, and sections 8303 and 8304 of this title;

(11) the International Convention for the Safety of Life at Sea as provided by IMCO Resolution A.494 (XII) of November 19, 1981;

(12) the International Convention on Standards of Training, Certification, and Watchkeeping for Seafarers, 1978, as provided by IMO Resolution A.540 (XIII) of November 17, 1983;

(13) the International Convention for the Prevention of Pollution from Ships, 1973, as modified by the Protocol of 1978 Relating to the International Convention for the Prevention of Pollution from Ships, 1973, as provided by IMO Resolution A.541 (XIII) of November 17, 1983;

(14) provisions of law establishing the threshold tonnage levels at which evidence of financial responsibility must be demonstrated; or

(15) unless otherwise provided by law, any other law of the United States in effect before July 19, 1994, and not listed by the Secretary under section 14302(c) of this title.

(b) As long as the owner of a vessel has a request in effect under subsection (a) of this section, the tonnages determined under that request shall be used in applying the other provisions of law described in subsection (a) to that vessel.

HISTORICAL AND REVISION NOTES

Revised section 14305

Source: International Convention on Tonnage Measurement of Ships.

Section 14305 requires that the Secretary measure a vessel under chapter 145 (Regulatory Measurement) of this title (in addition to measuring it under the Convention) at the request of the owner. For vessels that have obtained a regulatory tonnage measurement under this section, the Secretary is required to use the regulatory tonnage measurement to determine the application of those laws listed in section 14305(a) and those not listed by the Secretary by regulation, as provided in section 14302(c). It is the intent of the Committee to list in section 14305(a) certain U.S. tonnage-based laws that would impose increased regulatory burdens on industry if the Convention measurement were used for applicability determinations.

Clause (1) of section 14305(a) includes the following parts of subtitle II of title 46, U.S.C.:

Part A: General provisions (including definitions.)

Part B: Inspection and Regulation of Vessels.

Part C: Load Lines, which is enacted as part of this legislation. Although most load line requirements are based on vessel length, and not tonnage, a few requirements are based on tonnage. (It is only the tonnage based requirements to which this provision applies.)

Part E: Licenses, Certificates, and Merchant Mariners’ Documents.

Part F: Manning of Vessels.

Part G: Merchant Seamen Protection and Relief.

Part H: Sections 12106(c) and 12108(c) only—Identification of Vessels.

The other U.S. laws listed in clause (2) through (10) of this section are self-explanatory. Clause (10) refers to domestic law as well as the Officers' Competency Certificates Convention, 1936.

In addition, three other international conventions are listed in clauses (11) through (13): (1) the Convention for the Safety of Life at Sea, (2) the Convention on the Standards of Training, Certification, and Watchkeeping for Seafarers, and (3) the Convention for the Prevention of Pollution from Ships. The International Maritime Organization has established interim schemes which address the use of the Convention tonnage measurement system as a basis for the applicability of these three conventions. The applicable sections of those schemes are the following:

The International Convention for the Safety of Life at Sea: IMCO Resolution A.494 (XII) of November 19, 1981 provides "that at the request of a shipowner, the Administration may allow a ship required to be measured under the provisions of the International Convention on Tonnage Measurement of Ships, 1969, to use the gross tonnage measured under the national tonnage rules which are in effect prior to the coming into force of the 1969 Tonnage Convention, for the purpose of application of the provisions of the International Convention for the Safety of Life at Sea, such tonnage, however, shall not be shown on the 1969 Tonnage Certificate." The resolution further provides that "the interim scheme shall not apply to ships the keels of which are laid after 31 December 1985 with the following exceptions:

"(a) In respect of the requirements of Regulation 3 of Chapter IV of the 1974 SOLAS Convention for ships the keels of which are laid before 18 July 1994, the Administration may continue to apply the interim scheme, in which case the above-mentioned entry should be made in the Radio-telephony Certificate only; and

"(b) In respect of the regulations for cargo ships of less than 1,600 tons gross tonnage (as measured under national systems), the keels of which are laid after 31 December 1985, the Administration may continue to apply the interim scheme until 18 July 1984."

The International Convention on Standards of Training, Certification, and Watchkeeping for Seafarers, 1978: IMO Resolution A.540 (XIII) of November 17, 1983, provides "that the revised interim scheme for tonnage measurement for certain ships adopted by resolution A.494 (XII), [described above] should also be applicable in respect of the provision of the International Convention, and Watchkeeping for Seafarers, 1978."

The International Convention for the Prevention of Pollution from Ships, 1973, as modified by the Protocol of 1978 Relating to the International Convention for the Prevention of Pollution from Ships, 1973: IMO Resolution A.541 (XIII) of November 17, 1983, provides that:

At the request of a shipowner, the Administration may allow a ship of less than 400 tons gross tonnage (measured under the previous national tonnage rules) the keel of which is laid on or before 31 December 1985 and which is required to be measured under the provisions of the International Convention on Tonnage Measurement of Ships, 1969, to use the gross tonnage measured under the national tonnage rules which were in effect prior to the coming into force of the 1969 Tonnage Convention, for the purpose of application of the provisions of MARPOL 73/78. Such tonnage, however, shall not be shown on the 1969 Tonnage Certificate.

It further provides that "the interim scheme shall not apply to ships the keels of which are laid after 31 December 1985, except that in respect of regulations for ships of less than 400 tons gross tonnage (as measured under previous national rules), the keels of which are laid after 31 December 1985, the Administration may continue to apply the interim scheme until 18 July 1994."

Clause (14) provides that the regulatory measurement system may be used to determine which vessels must

demonstrate evidence of financial responsibility (when such a demonstration is required by law). If it is determined that a vessel must show evidence of financial responsibility, the limits of financial responsibility are determined using the vessel's Convention measurement.

Clause (15) provides that the regulatory measurement system may be used for the application of laws not identified by the Secretary under section 14302(c).

Section 14305(b) provides that if a vessel is measured under the regulatory tonnage measurement system for the application of one law listed in subsection (a), it must be measured under that system for the application of all laws listed in subsection (a).

Section 14306(a) requires that the Secretary accept the measurement and certificate of a vessel of a foreign country as evidence of compliance with this chapter when the Secretary finds that the laws and regulations of that foreign country that are related to measurement are similar to those of this chapter, or that that country is a party to the Convention.

Section 14306(b) provides that the Secretary does not have to accept the measurement and certificate of a vessel of a country that does not recognize United States measurements. It also authorizes the Secretary to apply appropriate measurement standards to such foreign vessels, subject to international agreements to which the United States is a party.

§ 14307. Inspection of foreign vessels

(a) The Secretary may inspect a vessel of a foreign country to verify that—

(1) the vessel has an International Tonnage Certificate (1969) and the main characteristics of the vessel correspond to the information in the certificate; or

(2) if the vessel is from a country not a party to the Convention, the vessel has been measured under laws and regulations similar to those of this chapter and the regulations prescribed under this chapter.

(b) For a vessel of a country that is a party to the Convention, if the inspection reveals that the vessel does not have an International Tonnage Certificate (1969) or that the main characteristics of the vessel differ from those stated on the certificate or other records in a way that increases the gross or net tonnage of the vessel, the Secretary promptly shall inform the country whose flag the vessel is flying.

(c) For a vessel of a country not a party to the Convention—

(1) if the vessel has been measured under laws and regulations that the Secretary finds are similar to those of this chapter and the regulations prescribed under this chapter, the vessel shall be deemed to have been issued an International Tonnage Certificate (1969); and

(2) if the vessel has not been measured as described in clause (1) of this subsection, the Secretary may measure the vessel.

(d) An inspection under this section shall be conducted in a way that does not delay a vessel of a country that is a party to the Convention.

Section 14307(c) provides that if the Secretary finds that a vessel of a country not a party to the Convention has been measured under laws and regulations similar to those of this chapter, that the vessel shall be deemed to have been issued an International Tonnage Certificate. It also provides that the Secretary may measure the vessel if the Secretary finds that the vessel has not been measured under laws and regulations similar to those of this chapter.

§ 14512. Standard tonnage measurement

(a) The Secretary shall prescribe regulations for measuring the gross and net tonnages of a vessel under this subchapter. The regulations shall provide for tonnages comparable to the tonnages that could have been assigned under

sections 4151 and 4153 of the Revised Statutes of the United States, as sections 4151 and 4153 existed immediately before the enactment of this section.

(b) On application of the owner or master of a vessel of the United States used in foreign trade, the Secretary may attach an appendix to the vessel's register stating the measurement of spaces that may be deducted from gross tonnage under laws and regulations of other countries but not under those of the United States.

(a) On application by the owner and approval by the Secretary, the tonnage of spaces prescribed by the Secretary may be excluded in measuring under this section the gross tonnage of a vessel measured under section 14512 of this title. The spaces prescribed by the Secretary shall be comparable to the spaces that could have been excluded under section 2 of the Act of September 29, 1965 (Public Law 89-219, 79 Stat. 891), as section 2 existed immediately before the enactment of this section.

(b) The Secretary shall prescribe the design, location, and dimensions of the tonnage mark to be placed on a vessel measured under this section.

(c)(1) If a vessel is assigned two sets of gross and net tonnages under this section, each certificate stating the vessel's tonnages shall state the gross and net tonnages when the vessel's tonnage mark is submerged and when it is not submerged.

(2) Except as provided in paragraph (1) of this subsection, a certificate stating a vessel's tonnages may state only one set of gross and net tonnages as assigned under this section.

§ 14514. Reciprocity for foreign vessels

For a foreign vessel not measured under chapter 143, if the Secretary finds that the laws and regulations of a foreign country related to measurement of vessels are substantially similar to those of this chapter and the regulations prescribed under this chapter, the Secretary may accept the measurement and certificate of a vessel of that foreign country as complying with this chapter and the regulations prescribed under this chapter.

HISTORICAL AND REVISION NOTES

This subchapter provides for a simplified regulatory measurement of vessels that are either non-self-propelled, under 79' in length, or operated only for pleasure.

§ 14521. Application

This subchapter applies to a vessel described in section 14501 of this title that is not measured under subchapter II of this chapter.

Section 14521 provides that vessels that are to be measured under the regulatory measurement system in this chapter, but are not measured under the standard regulatory measurement system in subchapter II, shall be measured under the simplified measurement system.

§ 14522. Measurement

(a) In this section, "length" means the horizontal distance of the hull between the foremost part of the stem and the aftermost part of the stern, excluding fittings and attachments.

(b)(1) The Secretary shall assign gross and net tonnages to a vessel based on its length, breadth, depth, other dimensions, and appropriate coefficients.

(2) The Secretary shall prescribe the way dimensions (except length) are measured and which coefficients are appropriate.

(c) The resulting gross tonnages, taken as a group, reasonably shall reflect the relative internal volumes of the vessels measured under this subchapter. The resulting net tonnages shall be in approximately the same ratios to corresponding gross tonnages as are the net and gross tonnages of comparable vessels measured under subchapter II of this chapter.

(d) Under regulations prescribed by the Secretary, the Secretary may determine the gross and net tonnages of a vessel representative of a designated class, model, or type, and then assign those gross and net tonnages to other vessels of the same class, model, or type.

	46 App.:189	June 26, 1884, ch. 121, §18, 23 Stat. 57.

In subsection (a), the words “Except as provided in section 30506 of this title” are substituted for “except in the cases provided for in subsection (b) of this section” because 46 App. U.S.C. 183(b) is restated in section 30506 of the revised title. The words “whether American or foreign” are omitted as unnecessary because of section 30502 of the revised title. The words “shall not exceed the value of the vessel and pending freight” are substituted for “shall not . . . exceed the amount or value of . . . such vessel, and her freight then pending” in 46 App. U.S.C. 183(a) and for “the aggregate liabilities of all the owners of a vessel on account of the same shall not exceed the value of such vessels and freight pending” in 46 App. U.S.C. 189 for consistency and to eliminate unnecessary words. The last sentence is substituted for “the interest of such owner in” in 46 App. U.S.C. 183(a) and for “The individual liability of a shipowner shall be limited to the proportion of any or all debts and liabilities that his individual share of the vessel bears to the whole” in 46 App. U.S.C. 189 for clarity and consistency. Subsection (c) is substituted for “nor shall the same apply to wages due to persons employed by said shipowners” in 46 App. U.S.C. 189 because of the reorganization of the source provisions.

§ 30506. Limit of liability for personal injury or death

(a) APPLICATION.—This section applies only to seagoing vessels, but does not apply to pleasure yachts, tugs, towboats, towing vessels, tank vessels, fishing vessels, fish tender vessels, canal boats, scows, car floats, barges, lighters, or non-descript vessels.

(b) MINIMUM LIABILITY.—If the amount of the vessel owner’s liability determined under section 30505 of this title is insufficient to pay all losses in full, and the portion available to pay claims for personal injury or death is less than \$420 times the tonnage of the vessel, that portion shall be increased to \$420 times the tonnage of the vessel. That portion may be used only to pay claims for personal injury or death.

(c) CALCULATION OF TONNAGE.—Under subsection (b), the tonnage of a self-propelled vessel is the gross tonnage without deduction for engine room, and the tonnage of a sailing vessel is the tonnage for documentation. However, space for the use of seamen is excluded.

(d) CLAIMS ARISING ON DISTINCT OCCASIONS.—Separate limits of liability apply to claims for personal injury or death arising on distinct occasions.

(e) PRIVACY OR KNOWLEDGE.—In a claim for personal injury or death, the privacy or knowledge of the master or the owner’s superintendent or managing agent, at or before the beginning of each voyage, is imputed to the owner.

Subsection (a) is written as an application provision rather than as a definition to be more direct and to avoid having to repeat the word “seagoing” throughout the section. The words “fishing vessel, fish tender vessel” are substituted for “fishing vessels or their tenders” for clarity. The words “nondescript vessel” are substituted for “nondescript self-propelled vessels” and “nondescript non-self-propelled vessels” to eliminate unnecessary words. The words “self-propelled lighters” are omitted as covered by “lighter”. The words “even though the same may be seagoing vessels within the meaning of such term as used in section 188 of this Appendix, as amended” are omitted as unnecessary. This provision is restated also at section 30508(a) of the revised title.

In subsection (b), the words “is such that the portion available to pay claims for personal injury or death” are substituted for “is insufficient to pay all losses in full, and the portion of such amount applicable to the payment of losses in respect of loss of life or bodily injury” to eliminate unnecessary words.

In subsection (c), the words “self-propelled vessel” are substituted for “steam or motor vessel”, and the words “tonnage for documentation” are substituted for “registered tonnage”, for consistency in the revised title. The words “space for the use of seamen” are substituted for “space occupied by seamen or apprentices and appropriated to their use” to eliminate unnecessary words.

In subsection (d), the words “Separate limits of liability apply” are substituted for “The owner . . . shall be liable . . . to the same extent as if no other loss of life or bodily injury had arisen” to eliminate unnecessary words.

In subsection (e), the words “the privacy or knowledge . . . is imputed to the owner” are substituted for “shall be deemed conclusively the privacy or knowledge of the owner” for consistency and to eliminate unnecessary words.

§ 30507. Apportionment of losses

If the amounts determined under sections 30505 and 30506 of this title are insufficient to pay all claims—

(1) all claimants shall be paid in proportion to their respective losses out of the amount determined under section 30505 of this title; and

(2) personal injury and death claimants, if any, shall be paid an additional amount in proportion to their respective losses out of the additional amount determined under section 30506(b) of this title.

§ 30508. Provisions requiring notice of claim or limiting time for bringing action

(a) APPLICATION.—This section applies only to seagoing vessels, but does not apply to pleasure yachts, tugs, towboats, towing vessels, tank vessels, fishing vessels, fish tender vessels, canal boats, scows, car floats, barges, lighters, or non-descript vessels.

(b) MINIMUM TIME LIMITS.—The owner, master, manager, or agent of a vessel transporting passengers or property between ports in the United States, or between a port in the United States and a port in a foreign country, may not limit by regulation, contract, or otherwise the period for—

(1) giving notice of, or filing a claim for, personal injury or death to less than 6 months after the date of the injury or death; or

(2) bringing a civil action for personal injury or death to less than one year after the date of the injury or death.

(c) EFFECT OF FAILURE TO GIVE NOTICE.—When notice of a claim for personal injury or death is required by a contract, the failure to give the notice is not a bar to recovery if—

(1) the court finds that the owner, master, or agent of the vessel had knowledge of the injury or death and the owner has not been prejudiced by the failure;

(2) the court finds there was a satisfactory reason why the notice could not have been given; or

(3) the owner of the vessel fails to object to the failure to give the notice.

(d) TOLLING OF PERIOD TO GIVE NOTICE.—If a claimant is a minor or mental incompetent, or if a claim is for wrongful death, any period provided by a contract for giving notice of the claim is tolled until the earlier of—

(1) the date a legal representative is appointed for the minor, incompetent, or decedent’s estate; or

(2) 3 years after the injury or death.

(a) PROHIBITION.—

(1) IN GENERAL.—The owner, master, manager, or agent of a vessel transporting passengers between ports in the United States, or between a port in the United States and a port in a foreign country, may not include in a regulation or contract a provision limiting—

(2) VOIDNESS.—A provision described in paragraph (1) is void.

(b) EMOTIONAL DISTRESS, MENTAL SUFFERING, AND PSYCHOLOGICAL INJURY.—

suffering, or psychological injury so long as the provision does not limit such liability when the emotional distress, mental suffering, or psychological injury is—

(A) the result of physical injury to the claimant caused by the negligence or fault of a crewmember or the owner, master, manager, agent, or operator;

(B) the result of the claimant having been at actual risk of physical injury, and the risk was caused by the negligence or fault of a crewmember or the owner, master, manager, agent, or operator; or

(C) intentionally inflicted by a crewmember or the owner, master, manager, agent, or operator.

This chapter codifies the Act of February 13, 1893 (ch. 105, 27 Stat. 445) (commonly known as the Harter Act). Changes are made to simplify, clarify, and modernize the language and style, but the intent is that these changes should not result in changes in substance.

A definition of “carrier” is added based on language appearing in various provisions of the Harter Act. The definition avoids the need to repeat in various sections of this chapter the list of persons to whom the requirements and restrictions of this chapter apply, and it ensures that the list of persons is consistent in the chapter.

CARRIAGE OF GOODS BY SEA ACT

Act Apr. 16, 1936, ch. 229, 49 Stat. 1207, as amended by Pub. L. 97–31, §12(146), Aug. 6, 1981, 95 Stat. 166, provided:

“That every bill of lading or similar document of title which is evidence of a contract for the carriage of goods by sea to or from ports of the United States, in foreign trade, shall have effect subject to the provisions of this Act.

“TITLE I

“SECTION 1. When used in this Act—

“(a) The term ‘carrier’ includes the owner or the charterer who enters into a contract of carriage with a shipper.

“(b) The term ‘contract of carriage’ applies only to contracts of carriage covered by a bill of lading or any similar document of title, insofar as such document relates to the carriage of goods by sea, including any bill of lading or any similar document as aforesaid issued under or pursuant to a charter party from the moment at which such bill of lading or similar document of title regulates the relations between a carrier and a holder of the same.

“(c) The term ‘goods’ includes goods, wares, merchandise, and articles of every kind whatsoever, except live

animals and cargo which by the contract of carriage is stated as being carried on deck and is so carried.

“(d) The term ‘ship’ means any vessel used for the carriage of goods by sea.

“(e) The term ‘carriage of goods’ covers the period from the time when the goods are loaded on to the time when they are discharged from the ship.

“RISKS

“SEC. 2. Subject to the provisions of section 6, under every contract of carriage of goods by sea, the carrier in relation to the loading, handling, stowage, carriage, custody, care, and discharge of such goods, shall be subject to the responsibilities and liabilities and entitled to the rights and immunities hereinafter set forth.

“RESPONSIBILITIES AND LIABILITIES

“SEC. 3. (1) The carrier shall be bound, before and at the beginning of the voyage, to exercise due diligence to—

“(a) Make the ship seaworthy;

“(b) Properly man, equip, and supply the ship;

“(c) Make the holds, refrigerating and cooling chambers, and all other parts of the ship in which goods are carried, fit and safe for their reception, carriage, and preservation.

“(2) The carrier shall properly and carefully load, handle, stow, carry, keep, care for, and discharge the goods carried.

“(3) After receiving the goods into his charge the carrier, or the master or agent of the carrier, shall, on demand of the shipper, issue to the shipper a bill of lading showing among other things—

“(a) The leading marks necessary for identification of the goods as the same are furnished in writing by the shipper before the loading of such goods starts, provided such marks are stamped or otherwise shown clearly upon the goods if uncovered, or on the cases or coverings in which such goods are contained, in such a manner as should ordinarily remain legible until the end of the voyage.

“(b) Either the number of packages or pieces, or the quantity or weight, as the case may be, as furnished in writing by the shipper.

“(c) The apparent order and condition of the goods: *Provided*, That no carrier, master, or agent of the carrier, shall be bound to state or show in the bill of lading any marks, number, quantity, or weight which he has reasonable ground for suspecting not accurately to represent the goods actually received, or which he has had no reasonable means of checking.

“(4) Such a bill of lading shall be prima facie evidence of the receipt by the carrier of the goods as therein described in accordance with paragraphs (3)(a), (b), and (c), of this section: *Provided*, That nothing in this Act shall be construed as repealing or limiting the application of any part of the Act, as amended, entitled ‘An Act relating to bills of lading in interstate and foreign commerce’, approved August 29, 1916 (U.S.C., title 49, secs. 81–124), commonly known as the ‘Pomerene Bills of Lading Act’ [now chapter 801 of Title 49, Transportation].

“(5) The shipper shall be deemed to have guaranteed to the carrier the accuracy at the time of shipment of the marks, number, quantity, and weight, as furnished by him; and the shipper shall indemnify the carrier against all loss, damages, and expenses arising or resulting from inaccuracies in such particulars. The right of the carrier to such indemnity shall in no way limit his responsibility and liability under the contract of carriage to any person other than the shipper.

“(6) Unless notice of loss or damage and the general nature of such loss or damage be given in writing to the carrier or his agent at the port of discharge before or at the time of the removal of the goods into the custody of the person entitled to delivery thereof under the contract of carriage, such removal shall be prima facie evidence of the delivery by the carrier of the goods as described in the bill of lading. If the loss or

damage is not apparent, the notice must be given within three days of the delivery.

“Said notice of loss or damage may be endorsed upon the receipt for the goods given by the person taking delivery thereof.

“The notice in writing need not be given if the state of the goods has at the time of their receipt been the subject of joint survey or inspection.

“In any event the carrier and the ship shall be discharged from all liability in respect of loss or damage unless suit is brought within one year after delivery of the goods or the date when the goods should have been delivered: *Provided*, That if a notice of loss or damage, either apparent or concealed, is not given as provided for in this section, that fact shall not affect or prejudice the right of the shipper to bring suit within one year after the delivery of the goods or the date when the goods should have been delivered.

“In the case of any actual or apprehended loss or damage the carrier and the receiver shall give all reasonable facilities to each other for inspecting and tallying the goods.

“(7) After the goods are loaded the bill of lading to be issued by the carrier, master, or agent of the carrier to the shipper shall, if the shipper so demands, be a ‘shipped’ bill of lading: *Provided*, That if the shipper shall have previously taken up any document of title to such goods, he shall surrender the same as against the issue of the ‘shipped’ bill of lading, but at the option of the carrier such document of title may be noted at the port of shipment by the carrier, master, or agent with the name or names of the ship or ships upon which the goods have been shipped and the date or dates of shipment, and when so noted the same shall for the purpose of this section be deemed to constitute a ‘shipped’ bill of lading.

“(8) Any clause, covenant, or agreement in a contract of carriage relieving the carrier or the ship from liability for loss or damage to or in connection with the goods, arising from negligence, fault, or failure in the duties and obligations provided in this section, or lessening such liability otherwise than as provided in this Act, shall be null and void and of no effect. A benefit of insurance in favor of the carrier, or similar clause, shall be deemed to be a clause relieving the carrier from liability.

“RIGHTS AND IMMUNITIES

“SEC. 4. (1) Neither the carrier nor the ship shall be liable for loss or damage arising or resulting from unseaworthiness unless caused by want of due diligence on the part of the carrier to make the ship seaworthy, and to secure that the ship is properly manned, equipped, and supplied, and to make the holds, refrigerating and cool chambers, and all other parts of the ship in which goods are carried fit and safe for their reception, carriage, and preservation in accordance with the provisions of paragraph (1) of section 3. Whenever loss or damage has resulted from unseaworthiness, the burden of proving the exercise of due diligence shall be on the carrier or other persons claiming exemption under this section.

“(2) Neither the carrier nor the ship shall be responsible for loss or damage arising or resulting from—

“(a) Act, neglect, or default of the master, mariner, pilot, or the servants of the carrier in the navigation or in the management of the ship;

“(b) Fire, unless caused by the actual fault or privity of the carrier;

“(c) Perils, dangers, and accidents of the sea or other navigable waters;

“(d) Act of God;

“(e) Act of war;

“(f) Act of public enemies;

“(g) Arrest or restraint of princes, rulers, or people, or seizure under legal process;

“(h) Quarantine restrictions;

“(i) Act or omission of the shipper or owner of the goods, his agent or representative;

“(j) Strikes or lockouts or stoppage or restraint of labor from whatever cause, whether partial or general:

Provided, That nothing herein contained shall be construed to relieve a carrier from responsibility for the carrier's own acts;

“(k) Riots and civil commotions;

“(l) Saving or attempting to save life or property at sea;

“(m) Wastage in bulk or weight or any other loss or damage arising from inherent defect, quality, or vice of the goods;

“(n) Insufficiency of packing;

“(o) Insufficiency or inadequacy of marks;

“(p) Latent defects not discoverable by due diligence; and

“(q) Any other cause arising without the actual fault and privity of the carrier and without the fault or neglect of the agents or servants of the carrier, but the burden of proof shall be on the person claiming the benefit of this exception to show that neither the actual fault or privity of the carrier nor the fault or neglect of the agents or servants of the carrier contributed to the loss or damage.

“(3) The shipper shall not be responsible for loss or damage sustained by the carrier or the ship arising or resulting from any cause without the act, fault, or neglect of the shipper, his agents, or his servants.

“(4) Any deviation in saving or attempting to save life or property at sea, or any reasonable deviation shall not be deemed to be an infringement or breach of this Act or of the contract of carriage, and the carrier shall not be liable for any loss or damage resulting therefrom: *Provided, however*, That if the deviation is for the purpose of loading or unloading cargo or passengers it shall, *prima facie*, be regarded as unreasonable.

“(5) Neither the carrier nor the ship shall in any event be or become liable for any loss or damage to or in connection with the transportation of goods in an amount exceeding \$500 per package lawful money of the United States, or in case of goods not shipped in packages, per customary freight unit, or the equivalent of that sum in other currency, unless the nature and value of such goods have been declared by the shipper before shipment and inserted in the bill of lading. This declaration, if embodied in the bill of lading, shall be *prima facie* evidence, but shall not be conclusive on the carrier.

“By agreement between the carrier, master, or agent of the carrier, and the shipper another maximum amount than that mentioned in this paragraph may be fixed: *Provided*, That such maximum shall not be less than the figure above named. In no event shall the carrier be liable for more than the amount of damage actually sustained.

“Neither the carrier nor the ship shall be responsible in any event for loss or damage to or in connection with the transportation of the goods if the nature or value thereof has been knowingly and fraudulently misstated by the shipper in the bill of lading.

“(6) Goods of an inflammable, explosive, or dangerous nature to the shipment whereof the carrier, master or agent of the carrier, has not consented with knowledge of their nature and character, may at any time before discharge be landed at any place or destroyed or rendered innocuous by the carrier without compensation, and the shipper of such goods shall be liable for all damages and expenses directly or indirectly arising out of or resulting from such shipment. If any such goods shipped with such knowledge and consent shall become a danger to the ship or cargo, they may in like manner be landed at any place, or destroyed or rendered innocuous by the carrier without liability on the part of the carrier except to general average, if any.

“SURRENDER OF RIGHTS AND IMMUNITIES AND INCREASE OF RESPONSIBILITIES AND LIABILITIES

“SEC. 5. A carrier shall be at liberty to surrender in whole or in part all or any of his rights and immunities or to increase any of his responsibilities and liabilities under this Act, provided such surrender or increase

shall be embodied in the bill of lading issued to the shipper.

“The provisions of this Act shall not be applicable to charter parties; but if bills of lading are issued in the case of a ship under a charter party, they shall comply with the terms of this Act. Nothing in this Act shall be held to prevent the insertion in a bill of lading of any lawful provision regarding general average.

“SPECIAL CONDITIONS

“SEC. 6. Notwithstanding the provisions of the preceding sections, a carrier, master or agent of the carrier, and a shipper shall, in regard to any particular goods be at liberty to enter into any agreement in any terms as to the responsibility and liability of the carrier for such goods, and as to the rights and immunities of the carrier in respect of such goods, or his obligation as to seaworthiness (so far as the stipulation regarding seaworthiness is not contrary to public policy), or the care or diligence of his servants or agents in regard to the loading, handling, stowage, carriage, custody, care, and discharge of the goods carried by sea: *Provided*, That in this case no bill of lading has been or shall be issued and that the terms agreed shall be embodied in a receipt which shall be a nonnegotiable document and shall be marked as such.

“Any agreement so entered into shall have full legal effect: *Provided*, That this section shall not apply to ordinary commercial shipments made in the ordinary course of trade but only to other shipments where the character or condition of the property to be carried or the circumstances, terms, and conditions under which the carriage is to be performed are such as reasonably to justify a special agreement.

“[AGREEMENT AS TO RESPONSIBILITY AND LIABILITY BEFORE LOADING OR AFTER DISCHARGE]

“SEC. 7. Nothing contained in this Act shall prevent a carrier or a shipper from entering into any agreement, stipulation, condition, reservation, or exemption as to the responsibility and liability of the carrier or the ship for the loss or damage to or in connection with the custody and care and handling of goods prior to the loading on and subsequent to the discharge from the ship on which the goods are carried by sea.

“[RIGHTS AND LIABILITIES UNDER OTHER OBLIGATIONS]

“SEC. 8. The provisions of this Act shall not affect the rights and obligations of the carrier under the provisions of the Shipping Act, 1916 [former 46 U.S.C. App. 801 et seq., see Disposition Table preceding section 101 of this title], or under the provisions of sections 4281 to 4289, inclusive, of the Revised Statutes of the United States [see chapter 305 of this title] or of any amendments thereto; or under the provisions of any other enactment for the time being in force relating to the limitation of the liability of the owners of seagoing vessels.

“TITLE II

“[DISCRIMINATION BETWEEN COMPETING SHIPPERS]

“SECTION. 9. Nothing contained in this Act shall be construed as permitting a common carrier by water to discriminate between competing shippers similarly placed in time and circumstances, either (a) with respect to their right to demand and receive bills of lading subject to the provisions of this Act; or (b) when issuing such bills of lading, either in the surrender of any of the carrier's rights and immunities or in the increase of any of the carrier's responsibilities and liabilities pursuant to section 5, title I, of this Act; or (c) in any other way prohibited by the Shipping Act, 1916, as amended [former 46 U.S.C. App. 801 et seq., see Disposition Table preceding section 101 of this title].

“[OMITTED]

“SEC. 10. [Amended section 25 of the Interstate Commerce Act (former 49 U.S.C. 25).]

“[WEIGHT OF BULK CARGO]

“SEC. 11. Where under the customs of any trade the weight of any bulk cargo inserted in the bill of lading is a weight ascertained or accepted by a third party other than the carrier or the shipper, and the fact that the weight is so ascertained or accepted is stated in the bill of lading, then, notwithstanding anything in this Act, the bill of lading shall not be deemed to be prima facie evidence against the carrier of the receipt of goods of the weight so inserted in the bill of lading, and the accuracy thereof at the time of shipment shall not be deemed to have been guaranteed by the shipper.

“[RELATIONSHIP TO OTHER LAW]

“SEC. 12. Nothing in this Act shall be construed as superseding any part of the Act entitled ‘An Act relating to navigation of vessels, bills of lading, and to certain obligations, duties, and rights in connection with the carriage of property’, approved February 13, 1893 [now this chapter], or of any other law which would be applicable in the absence of this Act, insofar as they relate to the duties, responsibilities, and liabilities of the ship or carrier prior to the time when the goods are loaded on or after the time they are discharged from the ship.

“[SCOPE OF ACT; “UNITED STATES”; “FOREIGN TRADE”]

“SEC. 13. This Act shall apply to all contracts for carriage of goods by sea to or from ports of the United States in foreign trade. As used in this Act the term ‘United States’ includes its districts, territories, and possessions: *Provided, however,* That the Philippine Legislature may by law exclude its application to transportation to or from ports of the Philippine Islands. The term ‘foreign trade’ means the transportation of goods between the ports of the United States and ports of foreign countries. Nothing in this Act shall be held to apply to contracts for carriage of goods by sea between any port of the United States or its possessions, and any other port of the United States or its possessions: *Provided, however,* That any bill of lading or similar document of title which is evidence of a contract for the carriage of goods by sea between such ports, containing an express statement that it shall be subject to the provisions of this Act, shall be subjected hereto as fully as if subject hereto by the express provisions of this Act: *Provided further,* That every bill of lading or similar document of title which is evidence of a contract for the carriage of goods by sea from ports of the United States, in foreign trade, shall contain a statement that it shall have effect subject to the provisions of this Act.

“[As to proviso in second sentence that Philippine Legislature may by law exclude its application to transportation to or from ports of the Philippine Islands, see Proc. No. 2695, set out under section 1394 of Title 22, Foreign Relations and Intercourse, which proclaimed the independence of the Philippines.]

“[SUSPENSION OF PROVISIONS BY PRESIDENT]

“SEC. 14. Upon the certification of the Secretary of Transportation that the foreign commerce of the United States in its competition with that of foreign nations is prejudiced by the provisions, or any of them, of title I of this Act, or by the laws of any foreign country or countries relating to the carriage of goods by sea, the President of the United States may, from time to time, by proclamation, suspend any or all provisions of said sections for such periods of time or indefinitely as may be designated in the proclamation. The President may at any time rescind such suspension of said sections, and any provisions thereof which may have been suspended shall thereby be reinstated and again apply to contracts thereafter made for the carriage of

goods by sea. Any proclamation of suspension or rescission of any such suspension shall take effect on a date named therein, which date shall be not less than ten days from the issue of the proclamation.

“Any contract for the carriage of goods by sea, subject to the provisions of this Act, effective during any period when title I hereof, or any part thereof, are suspended, shall be subject to all provisions of law now or hereafter applicable to that part of title I which may have thus been suspended. [As amended Pub. L. 97-31, §12(146), Aug. 6, 1981, 95 Stat. 166.]

“[EFFECTIVE DATE]

“SEC. 15. This Act shall take effect ninety days after the date of its approval [April 16, 1936]; but nothing in this Act shall apply during a period not to exceed one year following its approval to any contract for the carriage of goods by sea, made before the date on which this Act is approved, nor to any bill of lading or similar document of title issued, whether before or after such date of approval in pursuance of any such contract as aforesaid.

SHORT TITLE

Act Mar. 9, 1920, ch. 95, 41 Stat. 525, which enacted chapter 20 (§741 et seq.) of the former Appendix to this title, was popularly known as the “Suits in Admiralty Act”, prior to being repealed and restated in this chapter by Pub. L. 109-304, §§6(c), 19, Oct. 6, 2006, 120 Stat. 1509, 1710.

§ 30902. Definition

In this chapter, the term “federally-owned corporation” means a corporation in which the United States owns all the outstanding capital stock.

(Pub. L. 109-304, §6(c), Oct. 6, 2006, 120 Stat. 1517.)

The term “federally-owned corporation” is defined in this section and used in this chapter to avoid repeating the substance of the definition in several sections in this chapter. The words “or its representatives” are omitted as unnecessary.

§ 30903. Waiver of immunity

(a) IN GENERAL.—In a case in which, if a vessel were privately owned or operated, or if cargo were privately owned or possessed, or if a private person or property were involved, a civil action in admiralty could be maintained, a civil action in admiralty in personam may be brought against the United States or a federally-owned corporation. In a civil action in admiralty brought by the United States or a federally-owned corporation, an admiralty claim in personam may be filed or a setoff claimed against the United States or corporation.

(b) NON-JURY.—A claim against the United States or a federally-owned corporation under this section shall be tried without a jury.

(Pub. L. 109-304, §6(c), Oct. 6, 2006, 120 Stat. 1518.)

The words “in rem or in personam in any district” are omitted as unnecessary. The words “admiralty claim” are substituted for “cross libel” for consistency in this chapter and with the various means of asserting a claim (such as by counterclaim or cross-claim) allowed by the Federal Rules of Civil Procedure. The words “with the same force and effect as if the libel had been filed by a private party” are omitted as unnecessary.

Subsection (b) is substituted for the word “nonjury” to clarify that the nonjury requirement applies to any claim against the United States or a federally-owned corporation under this section regardless of which party brings the action.

§ 30904. Exclusive remedy

If a remedy is provided by this chapter, it shall be exclusive of any other action arising out of the same subject matter against the officer, employee, or agent of the United States or the federally-owned corporation whose act or omission gave rise to the claim.

HISTORICAL AND REVISION NOTES

Section 101 [102] of H.R. 3105 [became Pub. L. 100-710] revises, consolidates, and enacts certain general and permanent laws of the United States related to commercial instruments and liens and public vessels and goods. It amends subtitle III of title 46, United States Code by striking at the end "Chapters 313, 315—Reserved" and substituting "Chapter 313—Commercial Instruments and Maritime Liens". Chapter 313 is essentially a codification of the Ship Mortgage Act, 1920 (46 App. U.S.C. 911-984). H.R. 3105 is the second step in the process of enacting laws compiled in title 46 of the Code into positive law. The first step in the codification process began in 1983 when certain general and permanent laws related to vessels and seamen were enacted as subtitle II of the title 46, United States Code.

HOUSE FLOOR STATEMENT

Section 102 of this bill adds a new subtitle III to title 46, which contains a codification of the Ship Mortgage Act, 1920 and other related provisions. A previous version of this codification and the remaining sections of the bill were recently reported by the Merchant Marine and Fisheries Committee in H.R. 3105 (H. Rept. 100-918). The significant additions or changes by this provision to the version of H.R. 3105 reported by the Merchant Marine and Fisheries Committee are explained as follows: [see sections 31305, 31321, 31322, 31325, 31329, 31330, 31343 of this title].

AMENDMENTS

2002—Pub. L. 107-295, title II, §205(a)(2), Nov. 25, 2002, 116 Stat. 2096, substituted "notices of claim of mari-

time lien" for "liens on preferred mortgage vessels" in item 31343.

1996—Pub. L. 104-324, title XI, §1113(b)(3), Oct. 19, 1996, 110 Stat. 3970, struck out item 31328 "Limitations on parties serving as trustees of mortgaged vessel interests".

(B) also means in sections 31325 and 31326 of this title, a mortgage, hypothecation, or similar charge that is established as a security on a foreign vessel if the mortgage, hypothecation, or similar charge was executed under the laws of the foreign country under whose laws the ownership of the vessel is documented and has been registered under those laws in a public register at the port of registry of the vessel or at a central office; and

(7) "Secretary" means the Secretary of the Department of Homeland Security, unless otherwise noted.

31301(3)	46:911(5)
31301(4)	Derived from 46:971-974
31301(5)	46:953(a)
31301(6)(A)	46:922(b)
31301(6)(B)	46:951 (2d par. less proviso)

Section 31301(1) defines the term “acknowledge”. This paragraph makes a substantive change to law to expand the current law by allowing a notarization under State law, a form prescribed by the Secretary, as well as a certificate issued under the Hague Convention Abolishing the Requirement of Legalisation for Foreign Public Documents, 1961.

Section 31301(2) defines “district court”. This paragraph makes a substantive change to law by including the District Court of Guam, the District Court of the Virgin Islands, the District Court of the Northern Mariana Islands, the High Court of American Samoa, and other Federal territorial courts as they are established. Under current law, only the district courts of the United States have jurisdiction under the Ship Mortgage Act, 1920.

Section 31301(3) defines “mortgagee” as a person to whom property is mortgaged and the trustee authorized under section 31328 that is designated in the trust agreement.

Section 31301(4) defines “necessaries” to include repairs, supplies, towage, and the use of a drydock and marine railway for a vessel. As in all codifications, the term “includes” means “includes but is not limited to” and, therefore, is not intended to be an exclusive listing of those items that a court has determined or may determine as falling within the meaning of the term “other necessities” as contained in current law. The definition is new, is based on 46 App. U.S.C. 971-974, and makes no substantive change to law.

Section 31301(5) defines “preferred maritime lien” to mean a lien on a vessel that arises before a preferred mortgage was filed under section 31321 of this title for damages arising out of maritime tort, stevedore wages, crew wages, general average, and salvage. The definition is new and is based on 46 App. U.S.C. 953(a). The only substantive change to law made by this paragraph is to change the effective date from the day the preferred mortgage is recorded and endorsed to when it is filed. This change is in keeping with other changes with regard to filing. The term “duly and validly” that is in existing law is not used because it is unnecessary. An instrument that is not “duly and validly” executed is not executed under the laws of the foreign country. This makes no substantive change to law.

Section 31301(6)(A) defines “preferred mortgage” to mean a mortgage that meets the requirements of section 31322. This clause makes no substantive change to law.

Section 31301(6)(B) defines “preferred mortgage” to also mean a mortgage on a documented foreign vessel that is preferred under sections 31325 and 31326 for purposes of enforcement of the outstanding mortgage indebtedness. Preference is only granted if the mortgage is executed under the laws of a foreign country, registered under those laws in a public register at the port of registry or at a central office. The use of the word “established” in place of “created” in the current law or “effective” as used in the treaties is not intended to make any substantive change to law. The only substantive changes to law made by this clause are the elimination of the exemption of foreign vessels of less than 200 gross tons, and clarification of the rule of interpretation that if a vessel is registered in one country, but is permitted to fly temporarily the flag of another country (such as through a demise charter), it is the law of the country in which the ownership of the

vessel is documented that is used to determine when a mortgage attains preferred status.

AMENDMENTS

2010—Par. (7). Pub. L. 111-281 added par. (7).

However, sections 31321 and 31322 of title 46 (as enacted by section 102 of this Act), United States Code (as sections 31321 and 32322 [probably should be 31322] apply to vessels for which an application for documentation has been filed), take effect on January 1, 1990.

“(b) An instrument filed before January 1, 1989, but not recorded before that date, is deemed to comply with section 31321 of title 46, United States Code, if it is in substantial compliance with the provisions in that section that had corresponding requirements under the law on December 31, 1988. However, the mortgage may not become a preferred mortgage until the vessel is documented.

“(f) Section 104(b) of this Act and the amendments made by section 104(b) of this Act [amending section 808 of the former Appendix to this title] do not apply to any change in control resulting from, or which may at any time result from, any proposed plan of reorganization filed under the United States bankruptcy laws prior to the date of enactment of this Act [Nov. 23, 1988], except that transactions undertaken as a result of such a plan shall continue to be governed by section 9 of the Shipping Act, 1916 ([former] 46 App. U.S.C. 808) [see 46 U.S.C. 56101, 57109], as it existed prior to the date of enactment of this Act, to the extent that such section 9 would have governed such transactions.”

- (1) make any instrument filed or recorded with the Secretary under this chapter available for public inspection;
- (2) on request, provide a copy, including a certified copy, of any instrument made available for public inspection under this chapter; and

Section 31302(1) makes all instruments filed for recording or recorded with the Secretary of Transportation available for public inspection. The only substantive change to law made by this subsection is the inclusion of instruments filed for recording, which is in keeping with the new requirements on filing of instruments made in section 31321.

Section 31302(2) requires the Secretary to provide the public with a certified copy of the material made available to the public under subsection (a). This subsection makes no substantive change to law.

Section 31302(3) requires the Secretary, on request, to issue a certificate containing the information included in instruments on file, such as certificates of ownership.

AMENDMENTS

2010—Pub. L. 111-281 struck out “of Transportation” after “Secretary” in introductory provisions.

§ 31303. Certain civil actions not authorized

If a mortgage covers a vessel and additional property that is not a vessel, this chapter does not authorize a civil action in rem to enforce the rights of the mortgagee under the mortgage against the additional property.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
31303	46:954(b)

Section 31303 makes it clear that, if a mortgage covers a vessel and additional property that is not a vessel, this chapter does not authorize a civil action *in rem* in admiralty to enforce rights against the additional property. This section makes no substantive change to law.

§ 31304. Liability for noncompliance

(a) If a person makes a contract secured by, or on the credit of, a vessel covered by a mortgage filed or recorded under this chapter and sustains a monetary loss because the mortgagor or the master or other individual in charge of the vessel does not comply with a requirement imposed on the mortgagor, master, or individual under this chapter, the mortgagor is liable for the loss.

(b) A civil action may be brought to recover for losses referred to in subsection (a) of this section. The district courts have original jurisdiction of the action, regardless of the amount in controversy or the citizenship of the parties. If the plaintiff prevails, the court shall award costs and attorney fees to the plaintiff.

(Pub. L. 100-710, title I, §102(c), Nov. 23, 1988, 102 Stat. 4740.)

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
31304	46:941(c)

Section 31304 imposes liability on the mortgagor if the mortgagor, master, or other individual in charge of the vessel does not comply with the statutory requirements. A civil action may be brought in a district court of the United States for losses incurred. If the plaintiff

prevails, the court shall award costs and attorneys fees to the plaintiff. This section makes two substantive changes to law. First, is the broadening of its coverage from documented vessels covered by a preferred mortgage to any vessel covered by a mortgage that is filed or recorded under the chapter. The second substantive change repeals the liability on the United States Government for losses caused because the Secretary did not comply with statutory requirements. This is covered by the Federal Tort Claims Act due to the non-discretionary responsibility of the Secretary.

§ 31305. Waiver of lien rights

This chapter does not prevent a mortgagee or other lien holder from waiving or subordinating at any time by agreement or otherwise the lien holder’s right to a lien, the priority or, if a preferred mortgage lien, the preferred status of the lien.

(Pub. L. 100-710, title I, §102(c), Nov. 23, 1988, 102 Stat. 4741.)

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
31305	46:974

Section 31305 provides for the waiver of lien rights by the mortgagee or a person performing or supplying necessities. This section makes no substantive change to law and is included only because of a like provision in current law. Without this provision the Committee believes these waivers would be permissible as a matter of law as they do not violate any public policy and on their face reflect an arms length transaction between the parties. The inclusion of this provision should not raise the implication that a similar provision is required for other matters that may be waivable as a matter of law.

HOUSE FLOOR STATEMENT

Section 31305 has been changed to clarify that the chapter does not prevent a mortgagee or other lien holder from waiving by contract the right to a lien, or the priority of that lien.

§ 31306. Declaration of citizenship

(a) Except as provided by the Secretary, when an instrument transferring an interest in a vessel is presented to the Secretary for filing or recording, the transferee shall file with the instrument a declaration, in the form the Secretary may prescribe by regulation, stating information about citizenship and other information the Secretary may require to show the transaction involved does not violate section 56102 or 56103 of this title.

(b) A declaration under this section filed by a corporation must be signed by its president, secretary, treasurer, or other official authorized by the corporation to execute the declaration.

(c) Except as provided by the Secretary, an instrument transferring an interest in a vessel is not valid against any person until the declaration required by this section has been filed.

(d) A person knowingly making a false statement of a material fact in a declaration filed under this section shall be fined under title 18, imprisoned for not more than 5 years, or both.

SUBCHAPTER II—COMMERCIAL INSTRUMENTS

§ 31321. Filing, recording, and discharge

(a)(1) A bill of sale, conveyance, mortgage, assignment, or related instrument, whenever made, that includes any part of a documented vessel or a vessel for which an application for documentation is filed, must be filed with the Secretary to be valid, to the extent the vessel is involved, against any person except—

- (A) the grantor, mortgagor, or assignor;
- (B) the heir or devisee of the grantor, mortgagor, or assignor; and
- (C) a person having actual notice of the sale, conveyance, mortgage, assignment, or related instrument.

(2) Each bill of sale, conveyance, mortgage, assignment, or related instrument that is filed in substantial compliance with this section is valid against any person from the time it is filed with the Secretary.

(3) The parties to an instrument or an application for documentation shall use diligence to ensure that the parts of the instrument or application for which they are responsible are in substantial compliance with the filing and documentation requirements.

(4) A bill of sale, conveyance, mortgage, assignment, or related instrument may be filed electronically under regulations prescribed by the Secretary.

(b) To be filed, a bill of sale, conveyance, mortgage, assignment, or related instrument must—

- (1) identify the vessel;

(2) state the name and address of each party to the instrument;

(3) state, if a mortgage, the amount of the direct or contingent obligations (in one or more units of account as agreed to by the parties) that is or may become secured by the mortgage, excluding interest, expenses, and fees;

(4) state the interest of the grantor, mortgagor, or assignor in the vessel;

(5) state the interest sold, conveyed, mortgaged, or assigned; and

(6) be signed and acknowledged.

(c) If a bill of sale, conveyance, mortgage, assignment, or related document is filed that involves a vessel for which an application for documentation is filed, and the Secretary decides that the vessel cannot be documented by an applicant—

(1) the Secretary shall send notice of the Secretary's decision, including reasons for the decision, to each interested party to the instrument filed for recording; and

(2) 90 days after sending the notice as provided under clause (1) of this subsection, the Secretary—

(A) may terminate the filing; and

(B) may return the instrument filed without recording it under subsection (e) of this section.

(d) A person may withdraw an application for documentation of a vessel for which a mortgage has been filed under this section only if the mortgagee consents.

(e) The Secretary shall—

(1) record the bills of sale, conveyances, mortgages, assignments, and related instruments of a documented vessel complying with subsection (b) of this section in the order they are filed; and

(2) maintain appropriate indexes, for use by the public, of instruments filed or recorded, or both.

(f) On full and final discharge of the indebtedness under a mortgage recorded under subsection (e)(1) of this section, a mortgagee, on request of the Secretary or mortgagor, shall provide the Secretary with an acknowledged certificate of discharge of the indebtedness in a form prescribed by the Secretary. The Secretary shall record the certificate.

(g) The mortgage or related instrument of a vessel covered by a preferred mortgage under section 31322(d) of this title, that is later filed under this section at the time an application for documentation is filed, is valid under this section from the time the mortgage or instrument representing financing became a preferred mortgage under section 31322(d).

(h) On full and final discharge of the indebtedness under a mortgage deemed to be a preferred mortgage under section 31322(d) of this title, a mortgagee, on request of the Secretary, a State, or mortgagor, shall provide the Secretary or the State, as appropriate, with an acknowledged certificate of discharge of the indebtedness in a form prescribed by the Secretary or the State, as applicable. If filed with the Secretary, the Secretary shall enter that information in the vessel identification system under chapter 125 of this title.

Section 31321(a)(1) provides for the filing of a bill of sale, conveyance, mortgage, assignment, or related instrument of a vessel. This subsection makes substantive changes to law. The bill would allow a bill of sale, conveyance, mortgage, assignment, or related instrument to be filed at the same time an application for documentation under chapter 121 is filed. The Committee intends that the types of related instruments required to be filed be defined by regulations prescribed by the Secretary of Transportation. A major change the bill makes is that the instrument needs only be filed with the Secretary of Transportation to be valid. It is not necessary that it be recorded. This change is being made to eliminate a problem under existing law that prevents a person from recording an instrument when the vessel has not been yet documented. When filed with the Secretary, it is valid (to the extent the vessel is involved) against any person except the grantor, mortgagor, or assignor, their heirs or devisees, and a person having actual notice of that instrument. Clauses (A)–(C) make no substantive change to law.

Paragraph (2) provides that each bill of sale, conveyance, mortgage, assignment, or related instrument that is filed in substantial compliance with the requirements of this section is valid against any person from the time it is filed with the Secretary.

Paragraph (3) provides that it is the responsibility of the parties to an instrument to use diligence to ensure that the particulars of a filed instrument for which they are responsible are in substantial compliance. It is not the responsibility of the Secretary to validate the information in the instrument. If an instrument is later found to be invalid because it is not in substantial compliance, and the parties lose the benefits of a preferred mortgage, it is their fault, not the Secretary's.

Section 31321(b) sets out the requirements that an instrument must meet to be properly filed. To be filed the instruments must: (1) identify the vessel; (2) state the name and address of each party to the instrument; (3) state, if a mortgage, the amount of the direct or contingent obligations (in one or more units of account as agreed to by the parties) that is or may become secured by the mortgage, excluding interest, expenses, and fees; (4) state the interest of the grantor, mortgagor, or assignor; (5) state the interest sold, conveyed, mortgaged, or assigned; and (6) be signed and acknowledged. While most of these items are required under current law to be included in the index, and therefore required to be submitted to the Secretary to be recorded, this subsection makes a number of substantive changes to law. First, while vessel names are currently required to be submitted, this requirement has been broadened so that hull identification numbers and official numbers can be used to more specifically identify a vessel (since many vessels have the same name). Second, it requires the mortgage to state the maximum amount of the obligation, including principal, interest, fees, etc., that are secured by the mortgage. It also clarifies that the mortgage obligation may be payable in more than one unit of account, such as yen, franc, or

special drawing right. Third, it recognizes that under some modern financing practices an instrument may not have a date of maturity. The requirement for supplying the date of maturity has been eliminated.

Section 31321(c) provides that if an instrument filed involves a vessel that has not yet been documented, and the Secretary decides that the vessel cannot be documented by the applicant, then the Secretary shall send notice of that denial to the parties, including the reasons for the Secretary's decision. If the parties have not corrected the deficiencies within 90 days, the Secretary may terminate the filing and return the instruments. This invalidates the instruments.

Section 31321(d) prohibits a person from withdrawing an application for documentation of a vessel for which a mortgage has been filed unless the mortgagee consents. Since the withdrawal will invalidate the mortgage, the mortgagee should be allowed to prohibit the withdrawal.

Section 31321(e) makes a substantive change to law. It requires the Secretary to record instruments in the order they are received for filing, not in the order in which they were received for recording. It also makes a substantive change by eliminating the specific indexes required under the law and substituting a general requirement for the Secretary to maintain indexes of instruments filed or recorded, or both, for use by the public. These indexes, prescribed by regulations, must be in keeping with U.S. obligations under treaties to which the United States is a party. Since section 104 [105] of this Act makes the existing rules and regulations applicable under this subsection, the current indexing system will be maintained that includes the names of the vessels; names of the parties to the instruments; time and date each instrument was received; the interest in the vessel that was sold, conveyed, mortgaged, or assigned; and the date of the maturity of the mortgage, if any. However, it allows the Secretary by regulation to automate the system with computers, as long as the new system provides the public with an adequate method of finding and examining these public records.

Section 31321(f) makes a substantive change to law by eliminating the requirement that a partial discharge of indebtedness be filed with the Secretary. The bill requires that on the full and final discharge of indebtedness the mortgagee, on request of the Secretary or mortgagor, shall provide the Secretary with a written, acknowledged certificate of discharge of the indebtedness. This subsection also makes a substantive change by requiring that the mortgagee, not the mortgagor, provide the certificate of discharge. The Secretary shall then record the certificate. However, this does not prohibit a person from submitting a certificate of discharge under subsection (a) since it is a related instrument. This subsection also makes a substantive change to law by eliminating the requirement that the discharge be endorsed on the vessel's certificate of documentation, and that the Customs Service only may clear a vessel after an endorsement has been made. This change is made because of the elimination of endorsements under section 31322.

HOUSE FLOOR STATEMENT

Section 31321 has been changed to clarify that a mortgage, whenever made, must be filed to be valid against third parties. This clarification allows mortgage closings to occur previous to filing of an instrument, and to eliminate the need for a fictional simultaneous closing and filing.

Subsection (g) clarifies that if an application for documentation is filed for a vessel covered by a preferred mortgage under section 31322(d) (as enacted by this Act), the preferred mortgage must be filed with the Secretary at the same time the application for documentation is filed to be valid against third parties. If the preferred mortgage is filed with the Secretary at the time the documentation application is filed, it is valid from the time it became a preferred mortgage under section 31322(d).

When a State preferred mortgage under section 31322(d) is finally discharged, subsection (h) of this section requires the mortgagee to provide upon request to the Secretary or a State, whichever is more appropriate, an acknowledged certificate of discharge of indebtedness. This is necessary when a vessel in the system moves from a participating titling State and is not retitled in another participating State. In this case, there is no way to update the status of the indebtedness through the original titling State. The Secretary is required to accept this information to be maintained in the vessel identification system under section 12503(c) of title 46 (as enacted by this Act).

AMENDMENTS

2010—Subsec. (a)(1). Pub. L. 111-281 struck out “of Transportation” after “Secretary” in introductory provisions.

2002—Subsec. (a)(4) Pub. L. 107-295 struck out subpar. (A) designation before “A bill of sale” and subpar. (B) which read as follows: “A filing made electronically under subparagraph (A) shall not be effective after the 10-day period beginning on the date of the filing unless the original instrument is provided to the Secretary within that 10-day period.”

1996—Subsec. (a). Pub. L. 104-324 added par. (4).

1989—Subsec. (c). Pub. L. 101-225 substituted “for which an application for documentation is filed” for “that has not yet been documented” in introductory provisions and “interested party to” for “party whose name and address is stated on” in par. (1).

EFFECTIVE DATE

Section effective Jan. 1, 1989, not to affect any civil action filed before that date, and, insofar as applicable to vessels for which an application for documentation has been filed, effective Jan. 1, 1990, with further provision for an instrument filed before Jan. 1, 1989, but not recorded before that date, and with other qualifications, see section 107 of Pub. L. 100-710, set out as a note under section 31301 of this title.

(2) is filed in substantial compliance with section 31321 of this title;

(3)(A) covers a documented vessel; or

(B) covers a vessel for which an application for documentation is filed that is in substantial compliance with the requirements of chapter 121 of this title and the regulations prescribed under that chapter; and

(4) with respect to a vessel with a fishery endorsement that is 100 feet or greater in registered length, has as the mortgagee—

(A) a person eligible to own a vessel with a fishery endorsement under section 12113(c) of this title;

(B) a state¹ or federally chartered financial institution that is insured by the Federal Deposit Insurance Corporation;

(C) a farm credit lender established under title 12, chapter 23 of the United States Code;

(D) a commercial fishing and agriculture bank established pursuant to State law;

(E) a commercial lender organized under the laws of the United States or of a State and eligible to own a vessel for purposes of documentation under section 12103 of this title; or

¹ So in original. Probably should be capitalized.

(F) a mortgage trustee under subsection (f) of this section.

(b) Any indebtedness secured by a preferred mortgage that is filed or recorded under this chapter, or that is subject to a mortgage, security agreement, or instruments granting a security interest that is deemed to be a preferred mortgage under subsection (d) of this section, may have any rate of interest to which the parties agree.

(c)(1) If a preferred mortgage includes more than one vessel or property that is not a vessel, the mortgage may provide for the separate discharge of each vessel and all property not a vessel by the payment of a part of the mortgage indebtedness.

(2) If a vessel covered by a preferred mortgage that includes more than one vessel or property that is not a vessel is to be sold on the order of a district court in a civil action in rem, and the mortgage does not provide for separate discharge as provided under paragraph (1) of this subsection—

(A) the mortgage constitutes a lien on that vessel in the full amount of the outstanding mortgage indebtedness; and

(B) an allocation of mortgage indebtedness for purposes of separate discharge may not be made among the vessel and other property covered by the mortgage.

(d)(1) A mortgage, security agreement, or instrument granting a security interest perfected under State law covering the whole of a vessel titled in a State is deemed to be a preferred mortgage if—

(A) the Secretary certifies that the State titling system complies with the Secretary's guidelines for a titling system under section 13107(b)(8) of this title; and

(B) information on the vessel covered by the mortgage, security agreement, or instrument is made available to the Secretary under chapter 125 of this title.

(2) This subsection applies to mortgages, security agreements, or instruments covering vessels titled in a State after—

(A) the Secretary's certification under paragraph (1)(A) of this subsection; and

(B) the State begins making information available to the Secretary under chapter 125 of this title.

(3) A preferred mortgage under this subsection continues to be a preferred mortgage even if the vessel is no longer titled in the State where the mortgage, security agreement, or instrument granting a security interest became a preferred mortgage under this subsection.

(e) If a vessel is already covered by a preferred mortgage when an application for titling or documentation is filed—

(1) the status of the preferred mortgage covering the vessel to be titled in the State is determined by the law of the jurisdiction where the vessel is currently titled or documented; and

(2) the status of the preferred mortgage covering the vessel to be documented under chapter 121 is determined by subsection (a) of this section.

(f)(1) A mortgage trustee may hold in trust, for an individual or entity, an instrument or evidence of indebtedness, secured by a mortgage of the vessel to the mortgage trustee, provided that the mortgage trustee—

(A) is eligible to be a preferred mortgagee under subsection (a)(4), subparagraphs (A)–(E) of this section;

(B) is organized as a corporation, and is doing business, under the laws of the United States or of a State;

(C) is authorized under those laws to exercise corporate trust powers;

(D) is subject to supervision or examination by an official of the United States Government or a State;

(E) has a combined capital and surplus (as stated in its most recent published report of condition) of at least \$3,000,000; and

(F) meets any other requirements prescribed by the Secretary.

(2) If the beneficiary under the trust arrangement is not a commercial lender, a lender syndicate or eligible to be a preferred mortgagee under subsection (a)(4), subparagraphs (A)–(E) of this section, the Secretary must determine that the issuance, assignment, transfer, or trust arrangement does not result in an impermissible transfer of control of the vessel to a person not eligible to own a vessel with a fishery endorsement under section 12113(c) of this title.

(3) A vessel with a fishery endorsement may be operated by a mortgage trustee only with the approval of the Secretary.

(4) A right under a mortgage of a vessel with a fishery endorsement may be issued, assigned, or transferred to a person not eligible to be a mortgagee of that vessel under this section only with the approval of the Secretary.

(5) The issuance, assignment, or transfer of an instrument or evidence of indebtedness contrary to this subsection is voidable by the Secretary.

(g) For purposes of this section a "commercial lender" means an entity primarily engaged in the business of lending and other financing transactions with a loan portfolio in excess of \$100,000,000, of which not more than 50 per centum in dollar amount consists of loans to borrowers in the commercial fishing industry, as certified to the Secretary by such lender.

(h) For purposes of this section a "lender syndicate" means an arrangement established for the combined extension of credit of not less than \$20,000,000 made up of four or more entities that each have a beneficial interest, held through an agent, under a trust arrangement established pursuant to subsection (f), no one of which may exercise powers thereunder without the concurrence of at least one other unaffiliated beneficiary.

Section 31322 sets out the conditions that must be met for a mortgage to be considered a preferred mortgage, and the types of endorsements that the Secretary must make on any certificate of documentation of a vessel that is to be covered by a preferred mortgage.

Subsection (a)(1) makes many substantive changes to law. While a preferred mortgage must still include the whole of a vessel, this subsection eliminates the exception of certain vessels under 25 gross tons. It allows a vessel for which an application for documentation has been filed to have a preferred mortgage. It allows a mortgage to be a preferred mortgage from the time all four conditions are met, rather than from when the vessel is finally documented. Therefore, a mortgage will usually attain its preferred status when the application for documentation and the instrument have been filed. This subsection changes the requirement that all documented vessels have as a mortgagee a person that is a citizen of the United States, as defined in section 2 of the Shipping Act, 1916, and allows a State, the United States Government, a federally insured depository institution, or any other person approved by the Secretary to be a mortgagee.

Subsection (a)(2) makes a substantive change to law exempting fishing, fish processing, and fish tender vessels, and vessels operated only for pleasure from the mortgagee restrictions, since these vessels do not have significant national defense use.

Subsection (b) permits a preferred mortgage to have any rate of interest that is agreeable to the parties to the mortgage. This subsection makes no substantive change to law.

Subsection (c)(1) applies to a mortgage that covers more than one vessel or additional property that is not a vessel. This subsection allows a preferred mortgage to include a separate discharge of the additional vessels and property.

Subsection (c)(2) applies when a preferred mortgage covers more than one vessel, does not provide for the separate discharge of a vessel, and is to be sold by court order. The amount of the mortgage indebtedness attributable to a vessel is that part of the indebtedness, increased by 20 percent, that the court determines approximates the value that the particular vessel bears to the value of all the vessels and property covered by the mortgage. In other words, the amount to be set by the court is the estimated value of the one vessel plus 20 percent of that value to assure sufficiency of collateral.

This section also makes a substantive change by eliminating the requirement that a vessel's certificate of documentation be endorsed with information from the mortgage. This change is made since most of the information is out of date when examined, and since a mortgage must be carried on self-propelled vessels under section 31324(b). This section also eliminates the requirement for the inclusion of an affidavit of good faith. However, both criminal and civil penalties have been added [in section 31330] to help ensure that there is not fraud. This section also eliminates the requirement that a preferred mortgage include a separate discharge for additional property that is not a vessel, the requirement that the mortgage does not stipulate that the mortgagee waives the mortgage's preferred status; and the requirement for clearing vessels with endorsed documents through Customs.

HOUSE FLOOR STATEMENT

Under section 31322(a)(2) a "vessel operated only for pleasure" is exempt from any restrictions on who can be a mortgagee. This standard is the same as used for the documentation of a recreational vessel under sec-

tion 12109 of title 46. The Committee intends that vessels that have a recreational vessel license, or combined fisheries and recreational license, fall under this exemption. However, if the vessel has a Coastwise License, Great Lakes License, or Registry combined with a Recreational License, the vessel would not fall under this exemption.

Under subsection (c)(2), if a vessel covered by a preferred mortgage that includes more than one vessel or property that is not a vessel is to be sold on the order of a district court *in rem*, and there is not a separate discharge, then the mortgage constitutes a lien on that vessel in the full amount of the outstanding mortgage indebtedness, and an allocation of mortgage indebtedness for purposes of a separate discharge may not be made. This change is made to eliminate the formula that did not work and to allow the vessel to be sold free and clear, regardless of the amount of the sale.

Under subsection (d) of section 31322, a mortgage or other instrument representing financing of a vessel under State law that is made under applicable State law and covers the whole of a vessel titled in a State is deemed to be a preferred mortgage if two conditions are fulfilled. The first condition is that the Secretary must certify that the State in which the vessel is titled has a titling system that complies with the Secretary's vessel titling guidelines established under section 13106(b)(8) of title 46. Congress mandated the promulgation of these guidelines in the Recreational Boating Safety Act of 1986, Public Law 99-626. The second condition is that the State in which the vessel is titled must make information available to the Secretary for the vessel identification system established under chapter 125 of title 46 (as enacted by this Act) on the vessel covered by the mortgage or other instrument. This status only applies to vessels titled in the State after those two conditions are met. The phrase "instrument representing financing of a vessel under State law" is used in addition to "mortgage" because State laws do not always use the term mortgage when referring to financing. It is intended, however, that the financing covered by this phrase would be the same as that covered by the concept of a mortgage under other Federal law.

Paragraph (2) of subsection (d) clarifies that mortgages or other financing instruments may obtain preferred status under subsection (d) if they cover vessels titled in a State after the Secretary certifies the compliance of the State's titling system, and the State begins making vessel identification information available to the Secretary. Preferred mortgage status can only be attained when these two conditions are in effect. Mortgages or financing instruments made prior to that are not preferred and, if these two conditions cease to exist, new mortgages or financing instruments made after that time cannot attain preferred status.

The law of the titling State controls the making of the preferred mortgage or financing instrument under this subsection. No additional Federal recording requirements may be imposed for the mortgage or instrument to obtain preferred status under this subsection.

Paragraph (3) of this subsection ensures that a preferred mortgage under this subsection retains that status if the vessel covered by the mortgage later relinquishes its title. If the vessel is subsequently documented, the continuing validity of the mortgage is determined by section 31321(g) (as enacted by this Act).

Subsection (e) of section 31322 clarifies the validity of preferred mortgages made under subsection (d). In the case of a State titled vessel covered by a preferred mortgage for which a new titling application is filed, the validity of the mortgage is governed by the law of the titling State in which the mortgage became preferred. In the case of a documented vessel covered by a preferred mortgage for which an application for a State title is filed, or a State titled vessel covered by a preferred mortgage for which an application for documentation is filed, the validity of the preferred mortgage is governed by section 31322(a) of title 46 (as enacted by this Act).

Information on vessels with preferred mortgages made under State law will be available to creditors

from the vessel identification system under chapter 125 of title 46 (as enacted by this Act).

Section 31323(a) requires the mortgagor to disclose any obligations on the vessel before executing a preferred mortgage. This subsection makes no substantive change to law.

Section 31323(b) provides that, after executing a preferred mortgage, the mortgagor may not incur, without consent of the mortgagee, any contractual obligations establishing a lien on the vessel—except a lien for stevedore wages, crew wages, general average, and salvage. The only substantive change to law made by this subsection is that the reasonable time to record a mortgage is changed to a reasonable time to file the mortgage, and the elimination of the reference to endorsements. These changes are in keeping with the changes made in section 31322.

Section 31323(c) provides that if a mortgagor is convicted of a violation of this section, then the mortgage indebtedness, at the option of the mortgagee, is payable immediately. This subsection makes no substantive change to law.

§ 31324. Retention and examination of mortgages of vessels covered by preferred mortgages

(a) On request, the owner, master, or individual in charge of a vessel covered by a preferred mortgage shall permit a person to examine the mortgage if the person has business with the vessel that may give rise to a maritime lien or the sale, conveyance, mortgage, or assignment of a mortgage of the vessel.

Section 31324(a) provides for examination of mortgages of a vessel that is covered by a preferred mortgage by persons that have business with the vessel that may give rise to a maritime lien or the sale, conveyance, mortgage, or assignment of the mortgage. This subsection makes no substantive change to law.

Section 31324(b) requires that a certified copy of the mortgage must be on board a self-propelled vessel. This subsection makes no substantive change to law.

§ 31325. Preferred mortgage liens and enforcement

(a) A preferred mortgage is a lien on the mortgaged vessel in the amount of the outstanding mortgage indebtedness secured by the vessel.

(b) On default of any term of the preferred mortgage, the mortgagee may—

(1) enforce the preferred mortgage lien in a civil action in rem for a documented vessel, a vessel to be documented under chapter 121 of this title, a vessel titled in a State, or a foreign vessel;

(2) enforce a claim for the outstanding indebtedness secured by the mortgaged vessel in—

(A) a civil action in personam in admiralty against the mortgagor, maker, comaker, or guarantor for the amount of the outstanding indebtedness or any deficiency in full payment of that indebtedness; and

(B) a civil action against the mortgagor, maker, comaker, or guarantor for the amount of the outstanding indebtedness or any deficiency in full payment of that indebtedness; and

(3) enforce the preferred mortgage lien or a claim for the outstanding indebtedness secured by the mortgaged vessel, or both, by exercising any other remedy (including an extrajudicial remedy) against a documented vessel, a vessel for which an application for documentation is filed under chapter 121 of this title, a vessel titled in a State, a foreign vessel, or a mortgagor, maker, comaker, or guarantor for the amount of the outstanding indebtedness or any deficiency in full payment of that indebtedness, if—

(A) the remedy is allowed under applicable law; and

(B) the exercise of the remedy will not result in a violation of section 56101 or 56102 of this title.

(c) The district courts have original jurisdiction of a civil action brought under subsection (b)(1) or (2) of this section. However, for a documented vessel, a vessel to be documented under chapter 121 of this title, a vessel titled in a State, or a foreign vessel, this jurisdiction is exclusive of the courts of the States for a civil action brought under subsection (b)(1) of this section.

(d)(1) Actual notice of a civil action brought under subsection (b)(1) of this section, or to enforce a maritime lien, must be given in the manner directed by the court to—

(A) the master or individual in charge of the vessel;

(B) any person that recorded under section 31343(a) or (d) of this title an unexpired notice of a claim of an undischarged lien on the vessel; and

(C) a mortgagee of a mortgage filed or recorded under section 31321 of this title that is an undischarged mortgage on the vessel.

(2) Notice under paragraph (1) of this subsection is not required if, after search satisfactory to the court, the person entitled to the notice has not been found in the United States.

(3) Failure to give notice required by this subsection does not affect the jurisdiction of the court in which the civil action is brought. However, unless notice is not required under paragraph (2) of this subsection, the party required to give notice is liable to the person not notified for damages in the amount of that person's interest in the vessel terminated by the action brought under subsection (b)(1) of this section. A civil action may be brought to recover the amount of the terminated interest. The district courts have original jurisdiction of the action, regardless of the amount in controversy or the citizenship of the parties. If the plaintiff prevails, the court may award costs and attorney fees to the plaintiff.

(e) In a civil action brought under subsection (b)(1) of this section—

(1) the court may appoint a receiver and authorize the receiver to operate the mortgaged vessel and shall retain in rem jurisdiction over the vessel even if the receiver operates the vessel outside the district in which the court is located; and

(2) when directed by the court, a United States marshal may take possession of a mortgaged vessel even if the vessel is in the possession or under the control of a person claiming a possessory common law lien.

(f)(1) Before title to the documented vessel or vessel for which an application for documentation is filed under chapter 121 is transferred by an extrajudicial remedy, the person exercising the remedy shall give notice of the proposed transfer to the Secretary, to the mortgagee of any mortgage on the vessel filed in substantial compliance with section 31321 of this title before notice of the proposed transfer is given to the Secretary, and to any person that recorded an unexpired notice of a claim of an undischarged lien on the vessel under section 31343(a) or (d) of

this title before notice of the proposed transfer is given to the Secretary.

(2) Failure to give notice as required by this subsection shall not affect the transfer of title to a vessel. However, the rights of any holder of a maritime lien or a preferred mortgage on the vessel shall not be affected by a transfer of title by an extrajudicial remedy exercised under this section, regardless of whether notice is required by this subsection or given.

(3) The Secretary shall prescribe regulations establishing the time and manner for providing notice under this subsection.

Section 31325 provides for the enforcement of a preferred mortgage lien.

Section 31325(a) makes a “preferred mortgage” a lien on the vessel in the amount of the mortgage indebtedness secured by the vessel outstanding at foreclosure. This subsection makes no substantive change to law.

Section 31325(b) provides that, on default of any term, the mortgagee may enforce the preferred mortgage lien in a civil action *in rem*, or *in personam* in admiralty against the mortgagor, comaker, or guarantor for the amount of the outstanding indebtedness secured by the vessel or any deficiency in paying off that indebtedness. This subsection makes a substantive change to law by allowing a nonadmiralty civil action to be brought against the mortgagor, comaker, or guarantor for the amount of the outstanding indebtedness secured by the vessel or any deficiency in paying off that indebtedness. This change allows an action to be brought even when the vessel is outside U.S. jurisdiction. This section will also allow the action to be brought against the comaker or guarantor of the mortgage.

Section 31325(c) provides for original and exclusive jurisdiction by a district court, to the exclusion of the courts of a State for civil actions brought *in rem*. It also provides for original jurisdiction for civil actions brought *in personam* in admiralty and civil actions brought under subsection (b)(3). This subsection makes a substantive change to law by broadening the jurisdiction to courts in the territories, as defined in section 31301, as well as giving original jurisdiction to the district courts in nonadmiralty civil actions brought to enforce the preferred mortgage lien.

Subsection (d) provides that actual notice of a civil action *in rem* to enforce a maritime lien must be given in a manner directed by the court to the master, individual in charge of the vessel, to any person that recorded a notice of a claim of an undischarged lien, and, for the first time, to the mortgagee of a mortgage filed with the Secretary. This notice is not required if, after a search is made that is satisfactory to the court, the person entitled to notice is not found in the United States. Failure to give notice does not affect the court’s jurisdiction. However, the mortgagor is still lia-

ble to the person not notified for damages in the amount of that person’s interest in the vessel that was terminated by the civil action *in rem*, and a civil action may still be brought to recover the amount of the terminated interest. The district courts have original jurisdiction of the action, regardless of the amount in controversy or the citizenship of the parties. If plaintiff prevails, the court shall award costs and attorneys fees to the plaintiff.

Subsection (e) provides that, in a civil action *in rem*, the court may appoint a receiver and authorize operation of the vessel. When directed by the court, a United States marshal may take possession—even if the vessel is in the possession of or under the control of a person claiming a possessory common law lien. This subsection makes a substantive change to law by allowing the court to retain *in rem* jurisdiction over the vessel even if the receiver operates the vessel outside the district in which the court is located.

HOUSE FLOOR STATEMENT

Subsection (c) of this section clarifies that the district courts have original jurisdiction for a civil action under subsection (b) of this section, and exclusive jurisdiction in the case of vessels documented or to be documented under chapter 121 of title 46.

§ 31326. Court sales to enforce preferred mortgage liens and maritime liens and priority of claims

(b) Each of the claims terminated under subsection (a) of this section attaches, in the same amount and in accordance with their priorities to the proceeds of the sale, except that—

(1) the preferred mortgage lien, including a preferred mortgage lien on a foreign vessel whose mortgage has been guaranteed under chapter 537 of this title, has priority over all claims against the vessel (except for expenses and fees allowed by the court, costs imposed by the court, and preferred maritime liens); and

(2) for a foreign vessel whose mortgage has not been guaranteed under chapter 537 of this title, the preferred mortgage lien is subordinate to a maritime lien for necessities provided in the United States.

Table with 2 columns: Revised section, Source section (U.S. Code). Rows include 31326(a), 31326(b)(1), and 31326(b)(2) with their corresponding source sections.

Section 31326(a) provides for a court-ordered sale to enforce a preferred mortgage lien or a maritime lien and the priority of claims. When a mortgaged vessel is sold by court order in a civil action in rem, any prior claim in the vessel is terminated—including any possessory common law lien. This subsection makes a substantive change to law by making the process the same for maritime liens as was provided for preferred mortgage liens. This eliminates the requirement for making a new mortgagee for a court sale to enforce a maritime lien. This section also broadens the jurisdiction to courts in the territories, as defined in section 31301.

Section 31326(b)(1) provides that each of these terminated claims attaches, in the same amount and priority, to the proceeds of sale—except that the preferred mortgage lien always has priority over these other claims. However, the preferred mortgage lien is still subordinated to expenses and fees allowed by the court,

costs imposed by the court, and any preferred maritime liens. This may include statutory fees such as the fee of the United States Marshal under 28 U.S.C. 1921. Except for broadening its coverage under subsection (a), this makes no substantive change to law.

Section 31326(b)(2) provides in the case of a foreign vessel, the preferred mortgage lien is also subordinated to a maritime lien for necessities performed or supplied for the vessel in the United States. "Provided" has been substituted for "provided or supplied" for consistency in usage. Except for broadening its coverage under subsection (a), this paragraph makes no substantive change to law.

AMENDMENTS

2006—Subsec. (b)(1). Pub. L. 109-304, §15(31)(A), substituted "chapter 537 of this title," for "title XI of the Merchant Marine Act, 1936 (46 App. U.S.C. 1101 et seq.)".

Subsec. (b)(2). Pub. L. 109-304, §15(31)(B), substituted "chapter 537 of this title" for "title XI of that Act".

1993—Subsec. (b)(1). Pub. L. 103-160, §1260(1), inserted "including a preferred mortgage lien on a foreign vessel whose mortgage has been guaranteed under title XI of the Merchant Marine Act, 1936 (46 App. U.S.C. 1101 et seq.)" after "preferred mortgage lien".

Subsec. (b)(2). Pub. L. 103-160, §1360(2), inserted "whose mortgage has not been guaranteed under title XI of that Act" after "foreign vessel".

§ 31327. Forfeiture of mortgagee interest

The interest of a mortgagee in a documented vessel or a vessel covered by a preferred mortgage under section 31322(d) of this title may be terminated by a forfeiture of the vessel for a violation of a law of the United States only if the mortgagee authorized, consented, or conspired to do the act, failure, or omission that is the basis of the violation.

HISTORICAL AND REVISION NOTES

<i>Revised section</i>	<i>Source section (U.S. Code)</i>
31329	46:961(f)

Section 31329 sets out certain restrictions on the court sale of a documented vessel.

Section 31329(a) restricts the sale only to a person eligible to own a documented vessel under section 12102 of title 46 or to the mortgagee, which may be a trustee acting as a holder of a preferred mortgage on a documented vessel for the benefit of a person not eligible to be the holder of a preferred mortgage on that vessel.

Section 31329(b) sets out conditions on the sale to a trustee acting as a holder of a preferred mortgage on a documented vessel for the benefit of a person not eligible to be the holder of a preferred mortgage on that vessel. First, the vessel must be held by the trustee for resale. Second, while being held for resale, the vessel is subject to requisition or purchase during a national emergency under section 902 of the Merchant Marine Act, 1936 (46 App. U.S.C. 1242). And third, the sale of the vessel to the trustee is not a sale foreign within the terms of the First Proviso of section 27 of the Merchant Marine Act, 1920 (46 App. U.S.C. 883).

Section 31329(c) requires a person that is eligible to document the vessel that purchases a vessel from the court to document the vessel. This subsection also requires the person purchasing the vessel from the trustee to document it, thereby restricting to whom the trustee can sell the vessel. Many documented vessels have no national defense utility, such as recreational vessels and fishing vessels. Therefore, both of these restrictions can be waived by the Secretary. As previously discussed, these waivers can be on a case-by-case basis or with a blanket waiver.

Section 31329(d) prohibits a trustee from operating the vessel without the approval of the Secretary.

Section 31329(e) voids any sale that is done contrary to this section.

HOUSE FLOOR STATEMENT

Under section 31329(d) a vessel may be operated by the trustee only with the approval of the Secretary. Under current law a vessel may be documented by a trust if all of the members of the trust are citizens of the United States. If the trust buying the vessel at the court sale includes foreign investors, the vessel cannot be documented. The Committee intends in this section that the vessel will only be "operated" in a maintenance manner, but not in a commercial service.

AMENDMENTS

2010—Subsec. (d). Pub. L. 111-281 substituted "Secretary of Transportation" for "Secretary".

2006—Subsec. (a)(1). Pub. L. 109-304, §15(32)(A), substituted "section 12103" for "section 12102".

Subsec. (b)(2). Pub. L. 109-304, §15(32)(B)(i), substituted "chapter 563 of this title" for "section 902 of the Merchant Marine Act, 1936 (46 App. U.S.C. 1242)".

Subsec. (b)(3). Pub. L. 109-304, §15(32)(B)(ii), substituted "sale to a person not a citizen of the United States under section 12132 of this title" for "sale foreign within the terms of the first proviso of section 27 of the Merchant Marine Act, 1920 (46 App. U.S.C. 883)".

1996—Subsec. (f). Pub. L. 104-324 added subsec. (f).

§ 31330. Penalties

(a)(1) A mortgagor shall be fined under title 18, imprisoned for not more than 2 years, or both, if the mortgagor—

(A) with intent to defraud, does not disclose an obligation on a vessel as required by section 31323(a) of this title;

(B) with intent to defraud, incurs a contractual obligation in violation of section 31323(b) of this title; or

(C) with intent to hinder or defraud an existing or future creditor of the mortgagor or a lienor of the vessel, files a mortgage with the Secretary.

(2) A mortgagor is liable to the United States Government for a civil penalty of not more than \$10,000 if the mortgagor—

(A) does not disclose an obligation on a vessel as required by section 31323(a) of this title;

(B) incurs a contractual obligation in violation of section 31323(b) of this title; or

(C) files with the Secretary a mortgage made not in good faith.

(b)(1) A person that knowingly violates section 31329 of this title shall be fined under title 18, imprisoned for not more than 3 years, or both.

(2) A person violating section 31329 of this title is liable to the Government for a civil penalty of not more than \$25,000.

(3) A vessel involved in a violation under section 31329 of this title and its equipment may be seized by, and forfeited to, the Government.

(c) If a person not an individual violates this section, the president or chief executive of the person also is subject to any penalty provided under this section.

31330(a)	46:941(b) (1st sentence)
31330(b)	New
31330(c)	46:941(b) (1st sentence)

Section 31330(a) provides for criminal penalties for not disclosing obligations, incurring contractual obligations in violation of section 31323(b), and filing a mortgage made not in good faith. This subsection makes a substantive change to law by adding civil penalties and by making it a crime to record with the Secretary of Transportation a mortgage made not in good faith with the intent to hinder an existing or future creditor of the mortgagor or a lienor of the vessel. This is done since the affidavit of good faith has been eliminated from the elements of a preferred mortgage.

Section 31330(b) adds criminal and civil penalties for violating the sale and trust requirements under sec-

tions 31328 and 31329. It also makes a vessel and its equipment involved in those violations subject to seizure by the Government.

Section 31330(c) makes the president or chief executive officer of a corporation or association liable as a mortgagor for the penalties under this section.

HOUSE FLOOR STATEMENT

Subsection (a) of this section adds criminal and civil penalties for a preferred mortgagor's failure to carry out certain requirements under chapter 313 of title 46 (as enacted by this Act).

HISTORICAL AND REVISION NOTES

Table with 2 columns: Revised section, Source section (U.S. Code). Row: 31342 46:971

Section 31342 provides that any authorized person providing necessities for a vessel has a maritime lien on the vessel, may bring a civil action in rem in admiralty to enforce the lien, and is not required to allege or prove that credit was given to the vessel. "Providing" has been substituted for "furnishing" for consistency with other laws. This section makes no substantive change to law. This section does not supersede the prohibition under the Public Vessels Act, the Foreign Sovereign Immunities Act, or the Suits in Admiralty Act, on bringing an in rem action against a public vessel.

AMENDMENTS

1989—Pub. L. 101-225 designated existing provisions as subsec. (a), substituted "Except as provided in subsection (b) of this section, a person providing necessities to a vessel on the order of the owner" for "A person providing necessities to a vessel (except a public vessel) on the order of a person listed in section 31341 of this title", and added subsec. (b).

§ 31343. Recording and discharging notices of claim of maritime lien

(a) Except as provided under subsection (d) of this section, a person claiming a lien on a vessel documented, or for which an application for documentation has been filed, under chapter 121 may record with the Secretary a notice of that person's lien claim on the vessel. To be recordable, the notice must—

(3) state the amount of the lien;
(4) state the name and address of the person; and
(5) be signed and acknowledged.

(b)(1) The Secretary shall record a notice complying with subsection (a) of this section if, when the notice is presented to the Secretary for recording, the person having the claim files with the notice a declaration stating the following:

(A) The information in the notice is true and correct to the best of the knowledge, information, and belief of the individual who signed it.

(B) A copy of the notice, as presented for recordation, has been sent to each of the following:

- (i) The owner of the vessel.
(ii) Each person that recorded under subsection (a) of this section an unexpired no-

tice of a claim of an undischarged lien on the vessel.

(iii) The mortgagee of each mortgage filed or recorded under section 31321 of this title that is an undischarged mortgage on the vessel.

(2) A declaration under this subsection filed by a person that is not an individual must be signed by the president, member, partner, trustee, or other individual authorized to execute the declaration on behalf of the person.

(c)(1) On full and final discharge of the indebtedness that is the basis for a notice of claim of lien recorded under subsection (b) of this section, the person having the claim shall provide the Secretary with an acknowledged certificate of discharge of the indebtedness. The Secretary shall record the certificate.

(2) The district courts of the United States shall have jurisdiction over a civil action in Admiralty to declare that a vessel is not subject to a lien claimed under subsection (b) of this section, or that the vessel is not subject to the notice of claim of lien, or both, regardless of the amount in controversy or the citizenship of the parties. HISTORICAL AND REVISION NOTES

Table with 2 columns: Revised section, Source section (U.S. Code). Row 1: 31343, 46:925

Section 31343 provides that any person claiming a lien on a vessel covered by a preferred mortgage may record a notice of lien. This notice must state the nature of the lien, date it was established; the amount; and the name and address of the person claiming a lien, and it must be acknowledged. The Secretary must record a notice of lien if it complies with these requirements. When any part of the indebtedness is discharged, the claimant shall provide the Secretary with a written, acknowledged certificate of discharge of the indebtedness, and the Secretary shall record the certificate. This section makes no substantive change to law.

Section 31343(c) provides that, on the full and final discharge of an indebtedness that is the basis for a claim, the person having the claim shall provide the Secretary with an acknowledged certificate of discharge on the request of the Secretary or owner of the vessel. This subsection makes a substantive change to law by not requiring partial discharges to be filed, as well as making the filing of discharge certificates only at the request of the Secretary or owner of the vessel.

HOUSE FLOOR STATEMENT

Subsection (d) of this section requires a person claiming a lien on a vessel covered by a preferred mortgage under section 31322(d) to record and discharge the lien as provided by the law of the State in which the vessel is titled.

In the definition of “service contract”, the words “The contract may also specify provisions in the event of nonperformance on the part of any party” are omitted as unnecessary and inappropriate for a definition.

In the definition of “shipper”, the words “non-vessel-operating common carrier” are substituted for “ocean transportation intermediary, as defined in paragraph (17)(B) of this section” because paragraph (17)(B) contains a definition of “non-vessel-operating common carrier” which is restated as a separate definition.

The definition of “Commission” is omitted because the full name of the Federal Maritime Commission is used the first time the Commission is referred to in each section. The definition of “person” is omitted as unnecessary because of 1 U.S.C. 1. The definition of “United States” is omitted because the term is defined in chapter 1 of the revised title for purposes of the title.

(1) RESTRICTIONS.—An ocean common carrier agreement may not—

- (A) prohibit or restrict a member of the agreement from engaging in negotiations for a service contract with a shipper;
- (B) require a member of the agreement to disclose a negotiation on a service contract, or the terms of a service contract, other than those terms required to be published under section 40502(d) of this title; or
- (C) adopt mandatory rules or requirements affecting the right of an agreement member to negotiate and enter into a service contract.

(2) VOLUNTARY GUIDELINES.—An ocean common carrier agreement may provide authority to adopt voluntary guidelines relating to the terms and procedures of an agreement member's service contracts if the guidelines explicitly state the right of members of the agree-

ment not to follow the guidelines. Any guidelines adopted shall be submitted confidentially to the Federal Maritime Commission.

(b) CONFERENCE AGREEMENTS.—Each conference agreement must—

- (1) state its purpose;
- (2) provide reasonable and equal terms for admission and readmission to conference membership for any ocean common carrier willing to serve the particular trade or route;
- (3) permit any member to withdraw from conference membership on reasonable notice without penalty;
- (4) at the request of any member, require an independent neutral body to police fully the obligations of the conference and its members;
- (5) prohibit the conference from engaging in conduct prohibited by section 41105(1) or (3) of this title;
- (6) provide for a consultation process designed to promote—
 - (A) commercial resolution of disputes; and
 - (B) cooperation with shippers in preventing and eliminating malpractices;
- (7) establish procedures for promptly and fairly considering requests and complaints of shippers; and
- (8) provide that—
 - (A) any member of the conference may take independent action on a rate or service item on not more than 5 days' notice to the conference; and
 - (B) except for an exempt commodity not published in the conference tariff, the conference will include the new rate or service item in its tariff for use by that member, effective no later than 5 days after receipt of the notice, and by any other member that notifies the conference that it elects to adopt the independent rate or service item on or after its effective date, in lieu of the existing conference tariff provision for that rate or service item.

(c) INTERCONFERENCE AGREEMENTS.—Each agreement between carriers not members of the same conference must provide the right of independent action for each carrier. Each agreement between conferences must provide the right of independent action for each conference.

(d) VESSEL SHARING AGREEMENTS.—

(1) IN GENERAL.—An ocean common carrier that is the owner, operator, or bareboat, time, or slot charterer of a liner vessel documented under section 12103 or 12111(c) of this title may agree with an ocean common carrier described in paragraph (2) to which it chartered or subchartered the vessel or space on the vessel that the charterer or subcharterer may not use or make available space on the vessel for the carriage of cargo reserved by law for vessels of the United States.

(2) CARRIER DESCRIBED.—An ocean common carrier described in this paragraph is one that is not the owner, operator, or bareboat charterer for at least one year of liner vessels of the United States that are eligible to be included in the Maritime Security Fleet Program and are enrolled in an Emergency Preparedness Program under chapter 531 of this title.

(2) an agreement that is exempt under section 40103 of this title from any requirement of this part;

(3) an agreement or activity within the scope of this part, whether permitted under or prohibited by this part, undertaken or entered into with a reasonable basis to conclude that it is—

(A) pursuant to an agreement on file with the Federal Maritime Commission and in effect when the activity takes place; or

(B) exempt under section 40103 of this title from any filing or publication requirement of this part;

(4) an agreement or activity relating to transportation services within or between foreign countries, whether or not via the United States, unless the agreement or activity has a direct, substantial, and reasonably foreseeable effect on the commerce of the United States;

(5) an agreement or activity relating to the foreign inland segment of through transportation that is part of transportation provided in a United States import or export trade;

(6) an agreement or activity to provide wharfage, dock, warehouse, or other terminal facilities outside the United States; or

(7) an agreement, modification, or cancellation approved before June 18, 1984, by the Commission under section 15 of the Shipping Act, 1916, or permitted under section 14b of that Act, and any properly published tariff, rate, fare, or charge, or classification, rule, or regulation explanatory thereof implementing that agreement, modification, or cancellation.

(b) EXCEPTIONS.—This part does not extend antitrust immunity to—

(1) an agreement with or among air carriers, rail carriers, motor carriers, or common carriers by water not subject to this part relating to transportation within the United States;

(2) a discussion or agreement among common carriers subject to this part relating to the inland divisions (as opposed to the inland portions) of through rates within the United States;

(3) an agreement among common carriers subject to this part to establish, operate, or maintain a marine terminal in the United States; or

(d) RELIEF UNDER CLAYTON ACT.—A person may not recover damages under section 4 of the Clayton Act (15 U.S.C. 15), or obtain injunctive

relief under section 16 of that Act (15 U.S.C. 26), for conduct prohibited by this part.

CHAPTER 405—TARIFFS, SERVICE CONTRACTS, REFUNDS, AND WAIVERS

Sec.	
40501.	General rate and tariff requirements.
40502.	Service contracts.
40503.	Refunds and waivers.

§ 40501. General rate and tariff requirements

(a) AUTOMATED TARIFF SYSTEM.—

(1) IN GENERAL.—Each common carrier and conference shall keep open to public inspection in an automated tariff system, tariffs showing all its rates, charges, classifications, rules, and practices between all points or ports on its own route and on any through transportation route that has been established. However, a common carrier is not required to state separately or otherwise reveal in tariffs the inland divisions of a through rate.

(2) EXCEPTIONS.—Paragraph (1) does not apply with respect to bulk cargo, forest products, recycled metal scrap, new assembled motor vehicles, waste paper, or paper waste.

(b) CONTENTS OF TARIFFS.—A tariff under subsection (a) shall—

(1) state the places between which cargo will be carried;

(2) list each classification of cargo in use;

(3) state the level of compensation, if any, of any ocean freight forwarder by a carrier or conference;

(4) state separately each terminal or other charge, privilege, or facility under the control of the carrier or conference and any rules that in any way change, affect, or determine any part or the total of the rates or charges;

(5) include sample copies of any bill of lading, contract of affreightment, or other document evidencing the transportation agreement; and

(6) include copies of any loyalty contract, omitting the shipper’s name.

(c) ELECTRONIC ACCESS.—A tariff under subsection (a) shall be made available electronically to any person, without time, quantity, or other limitation, through appropriate access from remote locations. A reasonable fee may be charged for such access, except that no fee may be charged for access by a Federal agency.

(d) TIME-VOLUME RATES.—A rate contained in a tariff under subsection (a) may vary with the volume of cargo offered over a specified period of time.

(e) EFFECTIVE DATES.—

(1) INCREASES.—A new or initial rate or change in an existing rate that results in an increased cost to a shipper may not become effective earlier than 30 days after publication. However, for good cause, the Federal Maritime Commission may allow the rate to become effective sooner.

(2) DECREASES.—A change in an existing rate that results in a decreased cost to a shipper may become effective on publication.

(f) MARINE TERMINAL OPERATOR SCHEDULES.—A marine terminal operator may make available to the public a schedule of rates, regulations, and practices, including limitations of liability for cargo loss or damage, pertaining to receiving, delivering, handling, or storing property at its marine terminal. Any such schedule made available to the public is enforceable by an appropriate court as an implied contract without proof of actual knowledge of its provisions.

(g) REGULATIONS.—

(1) IN GENERAL.—The Commission shall by regulation prescribe the requirements for the accessibility and accuracy of automated tariff systems established under this section. The Commission, after periodic review, may prohibit the use of any automated tariff system that fails to meet the requirements established under this section.

(2) REMOTE TERMINALS.—The Commission may not require a common carrier to provide a remote terminal for electronic access under subsection (c).

(3) MARINE TERMINAL OPERATOR SCHEDULES.—The Commission shall by regulation prescribe the form and manner in which marine terminal operator schedules authorized by this section shall be published.

In subsection (e), the word “calendar” is omitted as unnecessary.

In subsection (f)(1), the words “subject to section 1709(d) of this Appendix” are omitted as unnecessary.

§ 40502. Service contracts

(a) IN GENERAL.—An individual ocean common carrier or an agreement between or among ocean common carriers may enter into a service contract with one or more shippers subject to the requirements of this part.

(b) FILING REQUIREMENTS.—

(1) IN GENERAL.—Each service contract entered into under this section by an individual ocean common carrier or an agreement shall be filed confidentially with the Federal Maritime Commission.

(2) EXCEPTIONS.—Paragraph (1) does not apply to contracts regarding bulk cargo, forest products, recycled metal scrap, new assembled motor vehicles, waste paper, or paper waste.

(c) ESSENTIAL TERMS.—Each service contract shall include—

- (1) the origin and destination port ranges;
- (2) the origin and destination geographic areas in the case of through intermodal movements;
- (3) the commodities involved;
- (4) the minimum volume or portion;
- (5) the line-haul rate;
- (6) the duration;
- (7) service commitments; and
- (8) the liquidated damages for nonperformance, if any.

(d) PUBLICATION OF CERTAIN TERMS.—When a service contract is filed confidentially with the Commission, a concise statement of the essential terms specified in paragraphs (1), (3), (4), and (6) of subsection (c) shall be published and made available to the general public in tariff format.

(e) DISCLOSURE OF CERTAIN TERMS.—

(1) DEFINITIONS.—In this subsection, the terms “dock area” and “within the port area” have the same meaning and scope as in the applicable collective bargaining agreement between the requesting labor organization and the carrier.

(2) DISCLOSURE.—An ocean common carrier that is a party to or is otherwise subject to a collective bargaining agreement with a labor organization shall, in response to a written request by the labor organization, state whether it is responsible for the following work at a dock area or within a port area in the United States with respect to cargo transportation under a service contract:

(A) The movement of the shipper’s cargo on a dock area or within the port area or to or from railroad cars on a dock area or within the port area.

(B) The assignment of intraport carriage of the shipper’s cargo between areas on a dock or within the port area.

(C) The assignment of the carriage of the shipper’s cargo between a container yard on a dock area or within the port area and a rail yard adjacent to the container yard.

(D) The assignment of container freight station work and container maintenance and repair work performed at a dock area or within the port area.

(3) WITHIN REASONABLE TIME.—The common carrier shall provide the information described in paragraph (2) to the requesting labor organization within a reasonable period of time.

(4) EXISTENCE OF COLLECTIVE BARGAINING AGREEMENT.—This subsection does not require the disclosure of information by an ocean common carrier unless there exists an applicable and otherwise lawful collective bargaining agreement pertaining to that carrier. A disclosure by an ocean common carrier may not be deemed an admission or an agreement that any work is covered by a collective bargaining agreement. A dispute about whether any work is covered by a collective bargaining agreement and the responsibility of an ocean common carrier under a collective bargaining agreement shall be resolved solely in accordance with the dispute resolution procedures contained in the collective bargaining agreement and the National Labor Relations Act (29 U.S.C. 151 et seq.), and without reference to this subsection.

(5) EFFECT UNDER OTHER LAWS.—This subsection does not affect the lawfulness or unlawfulness under this part or any other Federal or State law of any collective bargaining agreement or element thereof, including any element that constitutes an essential term of a service contract.

(f) REMEDY FOR BREACH.—Unless the parties agree otherwise, the exclusive remedy for a breach of a service contract is an action in an appropriate court. The contract dispute resolution forum may not be controlled by or in any way affiliated with a controlled carrier or by the government that owns or controls the carrier.

§ 40503. Refunds and waivers

The Federal Maritime Commission, on application of a carrier or shipper, may permit a common carrier or conference to refund a portion of the freight charges collected from a shipper, or to waive collection of a portion of the charges from a shipper, if—

(1) there is an error in a tariff, a failure to publish a new tariff, or an error in quoting a tariff, and the refund or waiver will not result in discrimination among shippers, ports, or carriers;

(2) the common carrier or conference, before filing an application for authority to refund or waive any charges for an error in a tariff or a failure to publish a tariff, has published a new tariff setting forth the rate on which the refund or waiver would be based; and

(3) the application for the refund or waiver is filed with the Commission within 180 days from the date of shipment.

§ 40701. Rates

(a) IN GENERAL.—A controlled carrier may not—

(1) maintain a rate or charge in a tariff or service contract, or charge or assess a rate, that is below a just and reasonable level; or

(2) establish, maintain, or enforce in a tariff or service contract a classification, rule, or regulation that results, or is likely to result, in the carriage or handling of cargo at a rate or charge that is below a just and reasonable level.

(b) COMMISSION PROHIBITION.—The Federal Maritime Commission, at any time after notice and opportunity for a hearing, may prohibit the publication or use of a rate, charge, classification, rule, or regulation that a controlled carrier has failed to demonstrate is just and reasonable.

(c) BURDEN OF PROOF.—In a proceeding under this section, the burden of proof is on the controlled carrier to demonstrate that its rate, charge, classification, rule, or regulation is just and reasonable.

(d) VOIDNESS.—A rate, charge, classification, rule, or regulation that has been suspended or prohibited by the Commission is void and its use is unlawful.

(b) STANDARDS.—In determining whether a rate, charge, classification, rule, or regulation of a controlled carrier is just and reasonable, the Federal Maritime Commission—

(1) shall take into account whether the rate or charge that has been published or assessed, or that would result from the pertinent classification, rule, or regulation, is below a level that is fully compensatory to the controlled carrier based on the carrier’s actual costs or constructive costs; and

(2) may take into account other appropriate factors, including whether the rate, charge, classification, rule, or regulation is—

(A) the same as, or similar to, those published or assessed by other carriers in the same trade;

(B) required to ensure movement of particular cargo in the same trade; or

(C) required to maintain acceptable continuity, level, or quality of common carrier service to or from affected ports.

§ 40704. Commission review

(a) REQUEST FOR JUSTIFICATION.—On request of the Federal Maritime Commission, a controlled carrier shall file with the Commission, within 20 days of the request, a statement of justification that sufficiently details the carrier’s need and purpose for an existing or proposed rate, charge, classification, rule, or regulation and upon which the Commission may reasonably base a determination of its lawfulness.

(b) DETERMINATION.—Within 120 days after receipt of information requested under subsection (a), the Commission shall determine whether the rate, charge, classification, rule, or regulation may be unjust and unreasonable.

(c) SHOW CAUSE ORDER.—Whenever the Commission is of the opinion that a rate, charge, classification, rule, or regulation published or assessed by a controlled carrier may be unjust and unreasonable, the Commission shall issue an order to the controlled carrier to show cause why the rate, charge, classification, rule, or regulation should not be prohibited.

(d) SUSPENSION PENDING DETERMINATION.—

(1) NOT YET EFFECTIVE.—Pending a determination of the lawfulness of a rate, charge, classification, rule, or regulation in a proceeding under subsection (c), the Commission may suspend the rate, charge, classification, rule, or regulation at any time before its effective date.

(2) ALREADY EFFECTIVE.—If a rate, charge, classification, rule, or regulation has already become effective, the Commission, on issuance of an order to show cause, may suspend the rate, charge, classification, rule, or regulation on at least 30 days’ notice to the controlled carrier.

(3) MAXIMUM SUSPENSION.—A period of suspension under this subsection may not exceed 180 days.

(e) REPLACEMENT DURING SUSPENSION.—Whenever the Commission has suspended a rate, charge, classification, rule, or regulation under this section, the controlled carrier may publish a new rate, charge, classification, rule, or regulation to take effect immediately during the suspension in lieu of the suspended rate, charge, classification, rule, or regulation. However, the Commission may reject the new rate, charge, classification, rule, or regulation if the Commission believes it is unjust and unreasonable.

(b) SCOPE OF FINANCIAL RESPONSIBILITY.—A bond, insurance, or other surety obtained under this section—

(1) shall be available to pay any penalty assessed under section 41109 of this title or any order for reparation issued under section 41305 of this title;

(2) may be available to pay any claim against an ocean transportation intermediary arising from its transportation-related activities—

(A) with the consent of the insured ocean transportation intermediary and subject to review by the surety company; or

(B) when the claim is deemed valid by the surety company after the ocean transportation intermediary has failed to respond to adequate notice to address the validity of the claim; and

§ 40904. Compensation by common carriers

(a) CERTIFICATION OF LICENSE AND SERVICES.—A common carrier may compensate an ocean freight forwarder for a shipment dispatched for others only when the ocean freight forwarder has certified in writing that it holds an ocean transportation intermediary's license (if required under section 40901 of this title) and has—

- (1) engaged, booked, secured, reserved, or contracted directly with the carrier or its agent for space aboard a vessel or confirmed the availability of the space; and
(2) prepared and processed the ocean bill of lading, dock receipt, or other similar document for the shipment.

(b) DUAL COMPENSATION.—A common carrier may not pay compensation for services de-

scribed in subsection (a) more than once on the same shipment.

(c) BENEFICIAL INTEREST SHIPMENTS.—An ocean freight forwarder may not receive compensation from a common carrier for a shipment in which the ocean freight forwarder has a direct or indirect beneficial interest. A common carrier may not knowingly pay compensation on that shipment.

(d) LIMITS ON AUTHORITY OF CONFERENCE OR GROUP.—A conference or group of two or more ocean common carriers in the foreign commerce of the United States that is authorized to agree on the level of compensation paid to an ocean freight forwarder may not—

(2) agree to limit the payment of compensation to an ocean freight forwarder to less than 1.25 percent of the aggregate of all rates and charges applicable under a tariff and assessed against the cargo on which the services of the ocean freight forwarder are provided.

§ 41103. Disclosure of information

(a) PROHIBITION.—A common carrier, marine terminal operator, or ocean freight forwarder, either alone or in conjunction with any other person, directly or indirectly, may not knowingly disclose, offer, solicit, or receive any information concerning the nature, kind, quantity, destination, consignee, or routing of any property tendered or delivered to a common carrier, without the consent of the shipper or consignee, if the information—

(1) may be used to the detriment or prejudice of the shipper, the consignee, or any common carrier; or

(2) may improperly disclose its business transaction to a competitor.

(b) EXCEPTIONS.—Subsection (a) does not prevent providing the information—

(1) in response to legal process;

(2) to the Federal Maritime Commission or an agency of the United States Government; or

(3) to an independent neutral body operating within the scope of its authority to fulfill the policing obligations of the parties to an agreement effective under this part.

(A) determining whether a shipper or consignee has breached an agreement with the conference or its member lines;

In subsection (a), the words “marine terminal operator, or ocean freight forwarder” are added because of 46 App. U.S.C. 1709(d)(3) and (5). The words “ocean freight forwarder” are substituted for “ocean transportation intermediaries, as defined by section 1702(17)(A) of this Appendix” in 46 App. U.S.C. 1709(d)(5) because the definition of “ocean transportation intermediary” in section 1702(17)(A) contains a definition of “ocean freight forwarder” which is restated as a separate definition.

In subsection (b), the words “does not prevent” are substituted for “Nothing . . . shall be construed to prevent” to eliminate unnecessary words.

In subsection (c)(1), the words “may give information” are substituted for “Nor shall it be prohibited . . . to give information” to eliminate unnecessary words. The words “firm, corporation” are omitted as unnecessary because firms and corporations are persons.

In subsection (c)(2), the words “may not prevent” are substituted for “Nor shall it be prohibited . . . to prevent” to reflect the probable intent of Congress. The words “but the use of such information for any other purpose prohibited by this chapter or any other Act is prohibited” are omitted as unnecessary.

§ 41104. Common carriers

A common carrier, either alone or in conjunction with any other person, directly or indirectly, may not—

(2) provide service in the liner trade that is—

(A) not in accordance with the rates, charges, classifications, rules, and practices contained in a tariff published or a service contract entered into under chapter 405 of this title, unless excepted or exempted under section 40103 or 40501(a)(2) of this title; or

(B) under a tariff or service contract that has been suspended or prohibited by the Federal Maritime Commission under chapter 407 or 423 of this title;

(3) retaliate against a shipper by refusing, or threatening to refuse, cargo space accommodations when available, or resort to other unfair or unjustly discriminatory methods because the shipper has patronized another carrier, or has filed a complaint, or for any other reason;

(4) for service pursuant to a tariff, engage in any unfair or unjustly discriminatory practice in the matter of—

(A) rates or charges;

(B) cargo classifications;

(C) cargo space accommodations or other facilities, with due regard being given to the proper loading of the vessel and the available tonnage;

(D) loading and landing of freight; or

(E) adjustment and settlement of claims;

(5) for service pursuant to a service contract, engage in any unfair or unjustly discriminatory practice in the matter of rates or charges with respect to any port;

(6) use a vessel in a particular trade for the purpose of excluding, preventing, or reducing competition by driving another ocean common carrier out of that trade;

(7) offer or pay any deferred rebates;

(8) for service pursuant to a tariff, give any undue or unreasonable preference or advantage or impose any undue or unreasonable prejudice or disadvantage;

(9) for service pursuant to a service contract, give any undue or unreasonable preference or advantage or impose any undue or unreasonable prejudice or disadvantage with respect to any port;

(10) unreasonably refuse to deal or negotiate;

(11) knowingly and willfully accept cargo from or transport cargo for the account of an ocean transportation intermediary that does not have a tariff as required by section 40501 of this title and a bond, insurance, or other surety as required by section 40902 of this title; or

(12) knowingly and willfully enter into a service contract with an ocean transportation intermediary that does not have a tariff as required by section 40501 of this title and a bond, insurance, or other surety as required by section 40902 of this title, or with an affiliate of such an ocean transportation intermediary.

(1) boycott or take any other concerted action resulting in an unreasonable refusal to deal;

(2) engage in conduct that unreasonably restricts the use of intermodal services or technological innovations;

(3) engage in any predatory practice designed to eliminate the participation, or deny the entry, in a particular trade of a common carrier not a member of the conference, a group of common carriers, an ocean tramp, or a bulk carrier;

(4) negotiate with a non-ocean carrier or group of non-ocean carriers (such as truck, rail, or air operators) on any matter relating to rates or services provided to ocean common carriers within the United States by those non-ocean carriers, unless the negotiations and any resulting agreements are not in violation of the antitrust laws and are consistent with the purposes of this part, except that this paragraph does not prohibit the setting and publishing of a joint through rate by a conference, joint venture, or association of ocean common carriers;

(5) deny in the export foreign commerce of the United States compensation to an ocean freight forwarder or limit that compensation to less than a reasonable amount;

(6) allocate shippers among specific carriers that are parties to the agreement or prohibit a carrier that is a party to the agreement from soliciting cargo from a particular shipper, except as—

(A) authorized by section 40303(d) of this title;

(B) required by the law of the United States or the importing or exporting country; or

(C) agreed to by a shipper in a service contract;

(7) for service pursuant to a service contract, engage in any unjustly discriminatory practice in the matter of rates or charges with respect to any locality, port, or person due to the person's status as a shippers' association or ocean transportation intermediary; or

Unless otherwise provided in this part, the amount of the penalty may not exceed \$5,000 for each violation or, if the violation was willfully and knowingly committed, \$25,000 for each violation. Each day of a continuing violation is a separate violation.

(b) LIEN ON CARRIER'S VESSELS.—The amount of a civil penalty imposed on a common carrier under this section constitutes a lien on the vessels operated by the carrier. In subsection (b), the words “is subject to an action in rem to enforce the lien” are substituted for “may be libeled therefore” to modernize the language.

§ 41108. Additional penalties

(a) **SUSPENSION OF TARIFFS.**—For a violation of section 41104(1), (2), or (7) of this title, the Federal Maritime Commission may suspend any or all tariffs of the common carrier, or that common carrier’s right to use any or all tariffs of conferences of which it is a member, for a period not to exceed 12 months.

(b) **OPERATING UNDER SUSPENDED TARIFF.**—A common carrier that accepts or handles cargo for carriage under a tariff that has been suspended, or after its right to use that tariff has been suspended, is liable to the United States Government for a civil penalty of not more than \$50,000 for each shipment.

(1) **PENALTIES.**—If the Commission finds, after notice and opportunity for a hearing, that a common carrier has failed to supply information ordered to be produced or compelled by subpoena under section 41303 of this title, the Commission may—

(A) suspend any or all tariffs of the carrier or the carrier’s right to use any or all tariffs of conferences of which it is a member; and

(2) **DEFENSE BASED ON FOREIGN LAW.**—If, in defense of its failure to comply with a subpoena or discovery order, a common carrier alleges that information or documents located in a foreign country cannot be produced because of the laws of that country, the Commission shall immediately notify the Secretary of State of the failure to comply and of the allegation relating to foreign laws. On receiving the notification, the Secretary of State shall promptly consult with the government of the nation within which the information or documents are alleged to be located for the purpose of assisting the Commission in obtaining the information or documents.

(d) **IMPAIRING ACCESS TO FOREIGN TRADE.**—If the Commission finds, after notice and opportunity for a hearing, that the action of a common carrier, acting alone or in concert with another person, or a foreign government has unduly impaired access of a vessel documented under the laws of the United States to ocean trade between foreign ports, the Commission shall take action that it finds appropriate, including imposing any of the penalties authorized by this section. The Commission also may take any of the actions authorized by sections 42304 and 42305 of this title.

(e) **SUBMISSION OF ORDER TO PRESIDENT.**—Before an order under this section becomes effective, it shall be submitted immediately to the President. The President, within 10 days after receiving it, may disapprove it if the President finds that disapproval is required for reasons of national defense or foreign policy.

(a) DEFINITION.—In this section, the term “actual injury” includes the loss of interest at commercial rates compounded from the date of injury.

(b) BASIC AMOUNT.—If the complaint was filed within the period specified in section 41301(a) of this title, the Federal Maritime Commission shall direct the payment of reparations to the complainant for actual injury caused by a violation of this part, plus reasonable attorney fees.

(c) ADDITIONAL AMOUNTS.—On a showing that the injury was caused by an activity prohibited by section 41102(b), 41104(3) or (6), or 41105(1) or (3) of this title, the Commission may order the payment of additional amounts, but the total recovery of a complainant may not exceed twice the amount of the actual injury.

In subsection (b), the words “within the period specified in section 41301(a) of this title” are substituted for “within 3 years after the cause of action accrued” because the time limit is restated in section 41301(a) instead of in this section. § 41306. Injunctive relief sought by complainants

(a) IN GENERAL.—After filing a complaint with the Federal Maritime Commission under section 41301 of this title, the complainant may bring a civil action in a district court of the United States to enjoin conduct in violation of this part.

(b) VENUE.—The action must be brought in the judicial district in which—

(1) the Commission has brought a civil action against the defendant under section 41307(a) of this title; or

(2) the defendant resides or transacts business, if the Commission has not brought such an action.

(c) REMEDIES BY COURT.—After notice to the defendant, and a showing that the standards for granting injunctive relief by courts of equity are met, the court may grant a temporary restraining order or preliminary injunction for a period not to exceed 10 days after the Commission has issued an order disposing of the complaint.

(d) ATTORNEY FEES.—A defendant prevailing in a civil action under this section shall be allowed reasonable attorney fees to be assessed and collected as part of the costs of the action.

§ 41307. Injunctive relief sought by the Commission

(a) GENERAL VIOLATIONS.—In connection with an investigation under section 41301 or 41302 of this title, the Federal Maritime Commission may bring a civil action to enjoin conduct in violation of this part. The action must be brought in the district court of the United States for any judicial district in which the defendant resides or transacts business. After notice to the defendant, and a showing that the standards for granting injunctive relief by courts of equity are met, the court may grant a temporary restraining order or preliminary injunction for a period not to exceed 10 days after the Commission has issued an order disposing of the issues under investigation.

(b) REDUCTION IN COMPETITION.—

(1) ACTION BY COMMISSION.—If, at any time after the filing or effective date of an agreement under chapter 403 of this title, the Commission determines that the agreement is likely, by a reduction in competition, to produce an unreasonable reduction in transportation service or an unreasonable increase in transportation cost, the Commission, after notice to the person filing the agreement, may bring a civil action in the United States District Court for the District of Columbia to enjoin the operation of the agreement. The Commission's sole remedy with respect to an agreement likely to have such an effect is an action under this subsection.

(2) REMEDIES BY COURT.—In an action under this subsection, the court may issue—

- (A) a temporary restraining order or a preliminary injunction; and
- (B) a permanent injunction after a showing that the agreement is likely to have the effect described in paragraph (1).

(3) BURDEN OF PROOF AND THIRD PARTIES.—In an action under this subsection, the burden of proof is on the Commission. The court may not allow a third party to intervene.

(c) FAILURE TO PROVIDE INFORMATION.—If a person filing an agreement, or an officer, director, partner, agent, or employee of the person, fails substantially to comply with a request for the submission of additional information or documents within the period provided in section 40304(c) of this title, the Commission may bring a civil action in the United States District Court for the District of Columbia. At the request of the Commission, the Court—

- (1) may order compliance;
- (2) shall extend the period specified in section 40304(c)(2) of this title until there has been substantial compliance; and
- (3) may grant other equitable relief that the court decides is appropriate.

(d) REPRESENTATION.—The Commission may represent itself in a proceeding under this section in—

- (1) a district court of the United States, on notice to the Attorney General; and
- (2) a court of appeals of the United States, with the approval of the Attorney General.

§ 41309. Enforcement of reparation orders

(a) CIVIL ACTION.—If a person does not comply with an order of the Federal Maritime Commission for the payment of reparation, the person to whom the award was made may seek enforcement of the order in a district court of the United States having jurisdiction over the parties.

(b) PARTIES AND SERVICE OF PROCESS.—All parties in whose favor the Commission has made an award of reparation by a single order may be joined as plaintiffs, and all other parties in the order may be joined as defendants, in a single action in a judicial district in which any one plaintiff could maintain an action against any one defendant. Service of process against a defendant not found in that district may be made in a district in which any office of that defendant is located or in which any port of call on a regular route operated by that defendant is located. Judgment may be entered for any plaintiff against the defendant liable to that plaintiff.

(c) NATURE OF REVIEW.—In an action under this section, the findings and order of the Commission are prima facie evidence of the facts stated in the findings and order.

(d) COSTS AND ATTORNEY FEES.—The plaintiff is not liable for costs of the action or for costs of any subsequent stage of the proceedings unless they accrue on the plaintiff's appeal. A prevailing plaintiff shall be allowed reasonable attorney fees to be assessed and collected as part of the costs of the action.

(e) TIME LIMIT ON BRINGING ACTIONS.—An action under this section to enforce an order of the Commission must be brought within 3 years after the date the order was violated.

(d) PENALTIES.—For failure to supply information ordered to be produced or compelled by subpoena under this section, the Commission may—

- (1) after notice and opportunity for a hearing, suspend tariffs and service contracts of a

common carrier or the common carrier’s right to use tariffs of conferences and service contracts of agreements of which it is a member; or

(e) ENFORCEMENT.—If a person does not comply with an order or subpoena of the Commission under this section, the Commission may seek enforcement in a district court of the United States having jurisdiction over the parties. (b) **BULK CARGO CARRYING SERVICES.**—The Secretary shall investigate, determine, and keep current records of the bulk cargo carrying services that should be provided by vessels of the United States (whether or not operating on particular services, routes, or lines) for the promotion, development, expansion, and maintenance of the foreign commerce of the United States and the national defense or other national requirements.

(c) **TYPES OF VESSELS.**—The Secretary shall investigate, determine, and keep current records of the type, size, speed, method of propulsion, and other requirements of the vessels, including express-liner or super-liner vessels, that should be employed in—

(1) the services, routes, or lines described in subsection (a), and the frequency and regularity of the voyages of the vessels, with a view to furnishing adequate, regular, certain, and permanent service; and

The Fund has a working capital of \$20,000,000, to remain available until expended.

(b) RELATIONSHIP TO OTHER LAWS.—Notwithstanding any other law, rates for shipping services provided under the Fund shall be prescribed by the Secretary and the Fund shall be credited with receipts from vessel operations conducted under the Fund. Sections 1(a) and (c), 3(c), and 4 of the Act of March 24, 1943 (50 App. U.S.C. 1291(a), (c), 1293(c), 1294), apply to those operations and to seamen employed through general agents as employees of the United States Government. Notwithstanding any other law on the employment of persons by the Government, the seamen may be employed in accordance with customary commercial practices in the maritime industry.

(c) ADVANCEMENTS.—With the approval of the Director of the Office of Management and Budget, the Secretary may advance amounts the Secretary considers necessary, but not more than 2 percent of vessel operating expenses, from the Fund to the appropriation “Salaries and Expenses” in carrying out duties and powers related to vessel operations, without regard to the

limitations on amounts stated in that appropriation.

(d) TRANSFERS.—The unexpended balances of working funds or of allocation accounts established after January 1, 1951, for the activities provided for in subsection (a), and receipts received from those activities, may be transferred to the Fund, which shall be available for the purposes of those working funds or allocation accounts.

(e) LIMITATION.—

(1) IN GENERAL.—Amounts made available to the Secretary for maritime activities by this section or any other law may not be used to pay for a vessel described in paragraph (2) unless the compensation to be paid is computed under section 56303 of this title as that section is interpreted by the Comptroller General.

(2) APPLICABLE VESSELS.—Paragraph (1) applies to a vessel—

- (A) the title to which is acquired by the Government by requisition or purchase;
- (B) the use of which is taken by requisition or agreement; or
- (C) lost while insured by the Government.

(3) NONAPPLICABLE VESSELS.—Paragraph (1) does not apply to a vessel under a construction-differential subsidy contract.

(f) AVAILABILITY FOR ADDITIONAL PURPOSES.—The Fund is available for—

(1) necessary expenses incurred in the protection, preservation, maintenance, acquisition, or use of vessels involved in mortgage foreclosure or forfeiture proceedings instituted by the Government, including payment of prior claims and liens, expenses of sale, or other related charges;

(2) necessary expenses incident to the redelivery and lay-up, in the United States, of vessels chartered as of June 20, 1956, under agreements not calling for their return to the Government;

(3) the activation, repair, and deactivation of merchant vessels chartered for limited emergency purposes during fiscal year 1957 under the jurisdiction of the Secretary; and

(4) payment of expenses of custody and maintenance of Government-owned vessels not in the National Defense Reserve Fleet.

(g) EXPENSES AND RECEIPTS RELATED TO CHARTER OPERATIONS.—The Fund is available for expenses incurred in activating, repairing, and deactivating merchant vessels chartered under the jurisdiction of the Secretary. (ii) PROHIBITION ON TRANSFERS.—Except as provided in clause (iii), no funds appropriated or made available under title 23 or chapter 53 of title 49, United States Code, including funds from the Highway Trust Fund (section 9503(c) of the Internal Revenue Code of 1986), funds from the Mass Transit Account of the Highway Trust Fund (section 9503(e) of Internal Revenue Code of 1986), and funds provided for public transportation programs within the mass transit category (as defined in section 250(c)(4)(C) of the Balanced Budget and Emergency Deficit Control Act of 1985), shall be transferred into the Fund.

(iii) EXCEPTION.—

(I) IN GENERAL.—Amounts described in subclause (II) are eligible for transfer into the Fund if—

(aa) the recipient of the amounts has a specific agreement or contract with the Administrator;

(bb) the Department of Transportation agency that administers the amounts to be transferred has granted project approval for each component of the project that is to be funded using such amounts;

(cc) the Department of Transportation agency that administers the amounts to be transferred and the Maritime Administration agree to the transfer through a signed Memorandum of Understanding; and

AMENDMENTS

2008—Subsec. (a)(1). Pub. L. 110–181 inserted “vessels,” after “piers,” and substituted “control, except that the prior consent of the Secretary of Defense for such use shall be required with respect to any vessel in the Ready Reserve Force or in the National Defense Re-

serve Fleet which is maintained in a retention status for the Department of Defense;" for "control;".

§ 50304. Sale and transfer of property

(a) **AUTHORITY TO SELL.**—The Secretary of Transportation may sell property (other than vessels transferred under section 4 of the Merchant Marine Act, 1920 (ch. 250, 41 Stat. 990)) on terms the Secretary considers appropriate.

(b) **TRANSFERS FROM MILITARY TO CIVILIAN CONTROL.**—When the President considers it in the interest of the United States, the President may transfer to the Secretary of Transportation possession and control of property described in the second paragraph of section 17 of the Merchant Marine Act, 1920 (ch. 250, 41 Stat. 994), as originally enacted, that is possessed and controlled by the Secretary of a military department.

(c) **TRANSFERS FROM CIVILIAN TO MILITARY CONTROL.**—When the President considers it necessary, the President by executive order may transfer to the Secretary of a military department possession and control of property described in section 17 of the Merchant Marine Act, 1920 (ch. 250, 41 Stat. 994), as originally enacted, that is possessed and controlled by the Secretary of Transportation. The President's order shall state the need for the transfer and the period of the need. When the President decides that the need has ended, the possession and control shall revert to the Secretary of Transportation. The property may not be sold except as provided by law.

(d) **VESSEL CHARTERS TO OTHER DEPARTMENTS.**—On a reimbursable or nonreimbursable basis, as determined by the Secretary of Transportation, the Secretary may charter or otherwise make available a vessel under the jurisdiction of the Secretary to any other department, upon the request by the Secretary of the Department that receives the vessel. In subsections (b) and (c), the words "property described in the second paragraph of section 17 of the Merchant Marine Act, 1920 (ch. 250, 41 Stat. 994), as originally enacted" are substituted for "such other docks, piers, warehouses, wharves and terminal equipment and facilities or parts thereof, including all leasehold easements, rights of way, riparian rights and other rights, estates or interests therein or appur-

tenant thereto which were acquired . . . for military or naval purposes during the war emergency", and the words "property described in section 17 of the Merchant Marine Act, 1920 (ch. 250, 41 Stat. 994), as originally enacted" are substituted for "property taken over by or transferred to . . . under this section", because the first paragraph of section 17 of the Merchant Marine Act, 1920, was repealed in 1981 and reference to that paragraph is necessary for a complete understanding of these provisions. The words "Secretary of a military department" are substituted for "War Department or the Navy Department" and "Department of the Army, Department of the Air Force, or Department of the Navy" for consistency with other titles of the United States Code. For redesignation of the Department of War to the Department of the Army, and for transfer of certain functions to newly established Department of the Air Force, see sections 205(a) and 207(a) and (f) of the National Security Act of 1947 (ch. 343, 61 Stat. 501, 502, 503).

In subsection (b), the words "possessed and controlled by" are substituted for "acquired by" for clarity and for consistency in the section. The word "best" is omitted as unnecessary.

AMENDMENTS

2008—Subsec. (d). Pub. L. 110-181 added subsec. (d).

§ 50305. Appointment of trustee or receiver and operation of vessels

(a) **APPOINTMENT OF TRUSTEES AND RECEIVERS.**—

(1) **APPOINTMENT OF SECRETARY.**—In a proceeding in a court of the United States in which a trustee or receiver may be appointed for a corporation operating a vessel of United States registry between the United States and a foreign country, on which the United States Government holds a mortgage, the court may appoint the Secretary of Transportation as the sole trustee or receiver (subject to the direction of the court) if—

(A) the court finds that the appointment will—

- (i) inure to the advantage of the estate and the parties in interest; and
- (ii) tend to carry out the purposes of this subtitle; and

(B) the Secretary expressly consents to the appointment.

(2) **APPOINTMENT OF OTHER PERSON.**—The appointment of another person as trustee or receiver without a hearing becomes effective when ratified by the Secretary, but the Secretary may demand a hearing.

(b) **OPERATION OF VESSELS.**—

(1) **IN GENERAL.**—If the court is unwilling to allow the trustee or receiver to operate the vessel in foreign commerce without financial

aid from the Government pending termination of the proceeding, and the Secretary certifies to the court that the continued operation of the vessel is essential to the foreign commerce of the United States and is reasonably calculated to carry out the purposes of this subtitle, the court may allow the Secretary to operate the vessel, either directly or through a managing agent or operator employed by the Secretary. The Secretary must agree to comply with terms imposed by the court sufficient to protect the parties in interest. The Secretary also must agree to pay all operating losses resulting from the operation. The operation shall be for the account of the trustee or receiver.

(2) PAYMENT OF OPERATING LOSSES AND OTHER AMOUNTS.—The Secretary has no claim against the corporation, its estate, or its assets for operating losses paid by the Secretary, but the Secretary may pay amounts for depreciation the Secretary considers reasonable and other amounts the court considers just. The payment of operating losses and the other amounts and compliance with terms imposed by the court shall be in satisfaction of any claim against the Secretary resulting from the operation of the vessel.

(3) DEEMED OPERATION BY GOVERNMENT.—A vessel operated by the Secretary under this subsection is deemed to be a vessel operated by the United States under chapter 309 of this title.

- Sec. 50501. Entities deemed citizens of the United States.

- (3) no more of its directors are noncitizens than a minority of the number necessary to constitute a quorum.

(c) DETERMINATION OF CONTROLLING CORPORATE INTEREST.—The controlling interest in a cor-

poration is owned by citizens of the United States under subsection (a) only if—

(1) title to the majority of the stock in the corporation is vested in citizens of the United States free from any trust or fiduciary obligation in favor of a person not a citizen of the United States;

(2) the majority of the voting power in the corporation is vested in citizens of the United States;

(3) there is no contract or understanding by which the majority of the voting power in the corporation may be exercised, directly or indirectly, in behalf of a person not a citizen of the United States; and

In subsection (a), the words “and with respect to a corporation under subchapter VI of this chapter, all directors of the corporation are citizens of the United States” in 46 App. U.S.C. 1244(c) are omitted because part A of subchapter VI contains the operating-differential subsidy program which, under 46 App. U.S.C. 1185a, is being phased out, and part B of subchapter VI contains the Maritime Security Fleet program which is being repealed (effective October 1, 2005) and replaced by chapter 531 of title 46 as enacted by the Maritime

Security Act of 2003. Thus, subchapter VI is being omitted from the revised title and will instead appear as a note under section 53101. The words “and, in the case of a corporation, partnership, or association operating a vessel on the Great Lakes, or on bays, sounds, rivers, harbors, or inland lakes of the United States the amount of interest required to be owned by a citizen of the United States shall be not less than 75 per centum” in 46 App. U.S.C. 1244(c) are omitted as covered by the 75 percent ownership requirement for operation in the coastwise trade.

In subsection (b)(1), the words “Territory, District, or possession thereof” are omitted because of the definition of “State” in chapter 1 of the revised title.

This subtitle applies to receivers, trustees, successors, and assigns of any person to whom this subtitle applies.

The definitions of “oceanographic research vessel” and “scientific personnel” in 46 App. U.S.C. 441 are omitted because substantially the same definitions are already in 46 U.S.C. 2101.

The text of 46 App. U.S.C. 444 is omitted because section 10101(3) of title 46, which defines “seaman” for purposes of part G of subtitle II of title 46, already contains an exception for scientific personnel. Title 53 of the Revised Statutes, referred to [in] 46 App. U.S.C. 444, was previously codified principally in part G of subtitle II of title 46.

§ 50504. Sailing school vessels

(a) DEFINITIONS.—In this section, the terms “sailing school instructor”, “sailing school student”, and “sailing school vessel” have the meaning given those terms in section 2101 of this title.

(b) NOT SEAMEN.—A sailing school student or sailing school instructor is deemed not to be a seaman under—

(1) parts B, F, and G of subtitle II of this title; or

(2) the maritime law doctrines of maintenance and cure or warranty of seaworthiness.

(c) NOT MERCHANT VESSEL OR ENGAGED IN TRADE OR COMMERCE.—A sailing school vessel is deemed not to be—

(1) a merchant vessel under section 11101(a)–(c) of this title; or

(2) a vessel engaged in trade or commerce.

(d) EVIDENCE OF FINANCIAL RESPONSIBILITY.—The owner or charterer of a sailing school vessel shall maintain evidence of financial responsibility to meet liability for death or injury to sailing school students and sailing school instructors on a voyage on the vessel. The amount of financial responsibility shall be at least \$50,000 for each student and instructor. Financial responsibility under this subsection may be evidenced by insurance or other adequate financial resources.

In the definition of “State maritime academy”, the words “or territory of the United States” and “or territories of the United States” are omitted as unnecessary because of the definition of “State” in chapter 1 of the revised title.

§ 51103. General authority of Secretary of Transportation

(a) EDUCATION AND TRAINING.—The Secretary of Transportation may provide for the education and training of citizens of the United States for the safe and efficient operation of the merchant marine of the United States at all times, including operation as a naval and military auxiliary in time of war or national emergency.

(b) SURPLUS PROPERTY FOR INSTRUCTIONAL PURPOSES.—

(1) IN GENERAL.—The Secretary may cooperate with and assist the institutions named in paragraph (2) by making vessels, shipboard equipment, and other marine equipment, owned by the United States Government and determined to be excess or surplus, available to those institutions for instructional purposes, by gift, loan, sale, lease, or charter on terms the Secretary considers appropriate.

(2) INSTITUTIONS.—The institutions referred to in paragraph (1) are—

(a) GENERAL AUTHORITY.—If a State maritime academy has an agreement with the Secretary of Transportation under section 51505 of this title, the Secretary may make an agreement with a student at the academy who is a citizen of the United States to make student incentive payments to the individual. An agreement with a student may not be effective for more than 4 academic years. The Secretary shall allocate payments under this section among the various State maritime academies in an equitable manner.

(b) PAYMENTS.—Payments under an agreement under this section shall be equal to \$8,000 each academic year and be paid in such installments as the Secretary shall determine while the individual is attending the academy, as prescribed by the Secretary. The payments shall be used for uniforms, tuition, books, and subsistence.

(c) ENLISTED RESERVE STATUS.—An agreement under this section shall require the student to accept enlisted reserve status in the Navy Reserve (including the Merchant Marine Reserve, Navy Reserve) or the Coast Guard Reserve before receiving any payments under the agreement.

(d) AGREEMENT REQUIREMENTS.—An agreement under this section shall require the student to—

(1) complete the course of instruction at the academy the individual is attending;

(2) take the examination for a license as an officer in the merchant marine of the United States before graduation from the academy and fulfill the requirements for such a license within 3 months after graduation from the academy;

(3) maintain a valid license as an officer in the merchant marine of the United States for at least 6 years after graduation from the academy, accompanied by the appropriate national and international endorsements and certification required by the Coast Guard for service aboard vessels on domestic and international voyages;

(4) accept, if tendered, an appointment as a commissioned officer in the Navy Reserve (including the Merchant Marine Reserve, Navy Reserve), the Coast Guard Reserve, or any

other reserve unit of an armed force of the United States, and, if tendered the appointment, to serve for at least 6 years after graduation from the academy;

(5) serve the foreign and domestic commerce and the national defense of the United States for at least 3 years after graduation from the academy—

(A) as a merchant marine officer on a documented vessel or a vessel owned and operated by the United States Government or by a State;

(B) as an employee in a United States maritime-related industry, profession, or marine science (as determined by the Secretary), if the Secretary determines that service under subparagraph (A) is not available to the individual;

(C) as a commissioned officer on active duty in an armed force of the United States, as a commissioned officer in the National Oceanic and Atmospheric Administration, or in other maritime-related Federal employment which serves the national security interests of the United States, as determined by the Secretary; or

(D) by a combination of the service alternatives referred to in subparagraphs (A)–(C); and

(6) report to the Secretary on compliance with this subsection.

(e) FAILURE TO COMPLETE COURSE OF INSTRUCTION.—

In cases of hardship as determined by the Secretary of Transportation, the Secretary of Transportation may waive this paragraph in whole or in part.

(2) RECOVERY OF COST.—If the Secretary of Defense is unable or unwilling to order an individual to serve on active duty under paragraph (1), or if the Secretary of Transportation determines that reimbursement of the cost of education provided would better serve the interests of the United States, the Secretary of Transportation may recover from the individual the amount of student incentive payments, plus interest and attorney fees. section (d)(5). The Secretary of Transportation, in consultation with the Secretary of Defense, shall determine in which service the individual shall serve. In cases of hardship as determined by the Secretary of Transportation, the Secretary of Transportation may waive this paragraph in whole or in part.

(2) RECOVERY OF COST.—If the Secretary of Defense is unable or unwilling to order an individual to serve on active duty under paragraph (1), or if the Secretary of Transportation determines that reimbursement of the cost of education provided would better serve the interests of the United States, the Secretary of Transportation may recover from the individual the amount of student incentive payments, plus interest and attorney fees. The Secretary may reduce the amount to be recovered to reflect partial performance of service obligations and other factors the Secretary determines merit a reduction.

"(3) Licensed officers who are members of the United States Navy Reserve shall wear on their uniforms such special distinguishing insignia as may be approved by the Secretary of the Navy; officers being those men serving under licenses issued by the Bureau of Marine Inspection and Navigation or the Coast Guard;

"(4) The uniform stripes, decoration, or other insignia shall be of gold braid or woven gold or silver material, to be worn by officers, and no member of the

ship's crew other than licensed officers shall be allowed to wear any uniform with such officer's identifying insignia;

"(5) No discrimination shall be practiced against licensed officers, who are otherwise qualified, because of their failure to qualify as members of the United States Navy Reserve."

CONSTRUCTION-DIFFERENTIAL SUBSIDY

Act June 29, 1936, ch. 858, title V, 49 Stat. 1995, as amended, provided as follows:

Subsidy Authorized for Vessels To Be Operated in
Foreign Trade

"SEC. 501. (a) Any proposed ship purchaser who is a citizen of the United States or any shipyard of the United States may make application to the Secretary of Transportation for a construction-differential subsidy to aid in the construction of a new vessel to be used in the foreign commerce of the United States. No such application shall be approved by the Secretary of Transportation unless he determines that (1) the plans and specifications call for a new vessel which will meet the requirements of the foreign commerce of the United States, will aid in the promotion and development of such commerce, and be suitable for use by the United States for national defense or military purposes in time of war or national emergency; (2) if the applicant is the proposed ship purchaser, the applicant possesses the ability, experience, financial resources, and other qualifications necessary for the operation and maintenance of the proposed new vessel, and (3) the granting of the aid applied for is reasonably calculated to carry out effectively the purposes and policy of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title]. The contract of sale, and the mortgage given to secure the payment of the unpaid balance of the purchase price shall not restrict the lawful or proper use or operation of the vessel except to the extent expressly required by law. The Secretary of Transportation may give preferred consideration to applications that will tend to reduce construction-differential subsidies and that propose the construction of ships of higher transport capability and productivity.

"(b) The Secretary of Transportation shall submit the plans and specifications for the proposed vessel to the Navy Department for examination thereof and suggestions for such changes therein as may be deemed necessary or proper in order that such vessel shall be suitable for economical and speedy conversion into a naval or military auxiliary, or otherwise suitable for the use of the United States Government in time of war or national emergency. If the Secretary of the Navy approves such plans and specifications as submitted, or as modified, in accordance with the provisions of this subsection, he shall certify such approval to the Secretary of Transportation.

"(c) Any citizen of the United States or any shipyard of the United States may make application to the Secretary of Transportation for a construction-differential subsidy to aid in reconstructing or reconditioning any vessel that is to be used in the foreign commerce of the United States. If the Secretary of Transportation, in the exercise of his discretion, shall determine that the granting of the financial aid applied for is reasonably calculated to carry out effectively the purposes and policy of this Act, the Secretary of Transportation may approve such application and enter into a contract or contracts with the applicant therefor providing for the payment by the United States of a construction-differential subsidy that is to be ascertained, determined, controlled, granted, and paid, subject to all the applicable conditions and limitations of this title and under such further conditions and limitations as may be prescribed in the rules and regulations of the Secretary of Transportation has adopted as provided in section 204(b) of this Act [former 46 U.S.C. App. 1114(b)], repealed by Pub. L. 109-304, § 19, Oct. 6, 2006, 120 Stat.

1710]; but the financial aid authorized by this subsection shall be extended to reconstruction or reconditioning only in exceptional cases and after a thorough study and a formal determination by the Secretary of Transportation that the proposed reconstruction or reconditioning is consistent with the purposes and policy of this Act.”

(As amended June 23, 1938, ch. 600, § 8, 52 Stat. 955; July 17, 1952, ch. 939, §§ 1, 2, 66 Stat. 760, 761; Pub. L. 91-469, §§ 6, 35(a), (c), (d), Oct. 21, 1970, 84 Stat. 1019, 1035; Pub. L. 91-603, § 4(a), Dec. 31, 1970, 84 Stat. 1675; Pub. L. 97-31, § 12(84), Aug. 6, 1981, 95 Stat. 161.)

Construction of Vessels; Bids; Subsidies

“SEC. 502. (a) If the Secretary of the Navy certifies his approval under section 501(b) of this Act, and the Secretary of Transportation approves the application, he may secure bids for the construction of the proposed vessel according to the approved plans and specifications. If the bid of the shipbuilder who is the lowest responsible bidder is determined by the Secretary of Transportation to be fair and reasonable, the Secretary of Transportation may approve such bid, and if such approved bid is accepted by the proposed ship purchaser, the Secretary of Transportation is authorized to enter into a contract with the successful bidder for the construction, outfitting, and equipment of the proposed vessel, and for the payment by the Secretary of Transportation to the shipbuilder, on terms to be agreed upon in the contract, of the contract price of the vessel, out of the construction fund hereinbefore referred to, or out of other available funds. Notwithstanding the provisions of the first sentence of section 505 of this Act with respect to competitive bidding, the Secretary of Transportation is authorized to accept a price for the construction of the ship which has been negotiated between a shipyard and proposed ship purchaser if (1) the proposed ship purchaser and the shipyard submit backup cost details and evidence that the negotiated price is fair and reasonable; (2) the Secretary of Transportation finds that the negotiated price is fair and reasonable; and (3) the shipyard agrees that the Comptroller General of the United States or any of his duly authorized representatives shall, until the expiration of three years after final payment have access to and the right to examine any pertinent books, documents, papers, and records of the shipyard or any of its subcontractors related to the negotiation or performance of any contract or subcontract negotiated under this subsection and will include in its subcontracts a provision to that effect. Concurrently with entering into such contract with the shipbuilder, the Secretary of Transportation is authorized to enter into a contract for the sale of such vessel upon its completion, to the applicant if he is the proposed ship purchaser and if not to another citizen of the United States, if the Secretary of Transportation determines that such citizen possesses the ability, experience, financial resources, and other qualifications necessary for the operation and maintenance of the vessel at a price corresponding to the estimated cost, as determined by the Secretary of Transportation pursuant to the provisions of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title], of building such vessel in a foreign shipyard.

“(b) The amount of the reduction in selling price which is herein termed ‘construction differential subsidy’ shall equal, but not exceed, the excess of the bid of the shipbuilder constructing the proposed vessel (excluding the cost of any features incorporated in the vessel for national defense uses, which shall be paid by the Secretary in addition to the subsidy), over the fair and reasonable estimate of cost, as determined by the Secretary, of the construction of that type vessel if it were constructed under similar plans and specifications (excluding national defense features as above provided) in a foreign shipbuilding center which is deemed by the Secretary to furnish a fair and representative example for the determination of the estimated foreign cost of construction of vessels of the type proposed to be con-

structed. The Secretary of Transportation shall recompute such estimated foreign cost annually unless, in the opinion of the Secretary, there has been a significant change in shipbuilding market conditions. The Secretary shall publish notice of his intention to compute or recompute such estimated foreign cost and shall give interested persons, including but not limited to shipyards and shipowners and associations thereof, an opportunity to file written statements. The Secretary’s consideration shall include, but not be limited to, all relevant matter so filed, and his determination shall include or be accompanied by a concise explanation of the basis of his determination. The construction differential approved and paid by the Secretary shall not exceed 50 per centum of the cost of constructing, reconstructing, or reconditioning the vessel (excluding the cost of national defense features). If the Secretary finds that the construction differential exceeds, in any case, the foregoing percentage of such cost, the Secretary may negotiate with any bidder (whether or not such person is the lowest bidder) and may contract with such bidder (notwithstanding the first sentence of section 505) for the construction, reconstruction, or reconditioning of the vessel involved in a domestic shipyard at a cost which will reduce the construction differential to such percentage or less. In the event that the Secretary has reason to believe that the bidding in any instance is collusive, he shall report all of the evidence on which he acted (1) to the Attorney General of the United States, and (2) to the President of the Senate and to the Speaker of the House of Representatives if the Congress shall be in session or if the Congress shall not be in session, then to the Secretary of the Senate and Clerk of the House, respectively.

“(c) In such contract of sale between the purchaser and the Secretary of Transportation, the purchaser shall be required to make cash payments to the Secretary of Transportation of not less than 25 per centum of the price at which the vessel is sold to the purchaser. The cash payments shall be made at the time and in the same proportion as provided for the payments on account of the construction cost in the contract between the shipbuilder and the Secretary of Transportation. The purchaser shall pay, not less frequently than annually, interest on those portions of the Secretary of Transportation’s payments as made to the shipbuilder which are chargeable to the purchaser’s portion of the price of the vessel (after deduction of the purchaser’s cash payments) at a rate not less than (i) a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted to the nearest one-eighth of 1 per centum, plus (ii) an allowance adequate in the judgment of the Secretary of Transportation to cover administrative costs. The balance of such purchase price shall be paid by the purchaser, within twenty-five years after delivery of the vessel and in not to exceed twenty-five equal annual installments, the first of which shall be payable one year after the delivery of the vessel by the Secretary of Transportation to the purchaser. Interest at the rate per annum applicable to payments that are chargeable to the purchaser’s portion of the price of the vessel shall be paid on all such installments of the purchase price remaining unpaid.

“(d) [Repealed. Pub. L. 87-877, § 2(a), Oct. 24, 1962, 76 Stat. 1200.]

“(e) If no bids are received for the construction, outfitting, or equipping of such vessel, or if it appears to the Secretary of Transportation that the bids received from privately owned shipyards of the United States are collusive, excessive, or unreasonable, and if a citizen of the United States agrees to purchase said vessel as provided in this section, then, to provide employment for citizens of the United States, the Secretary of Transportation may have such vessel constructed, outfitted, or equipped at not in excess of the actual cost

thereof in a navy yard of the United States under such regulations as may be promulgated by the Secretary of the Navy and the Secretary of Transportation. In such event the Secretary of Transportation is authorized to pay for any such vessel so constructed from his construction fund. The Secretary of Transportation is authorized to sell any vessel so constructed, outfitted, or equipped in a navy yard to a citizen of the United States for the fair and reasonable value thereof, but at not less than the cost thereof less the equivalent to the construction differential subsidy determined as provided by subsection (b), such sale to be in accordance with all the provisions of this title.

“(f) The Secretary of Transportation, with the advice of and in coordination with the Secretary of the Navy, shall at least once each year, as required for purposes of this Act, survey the existing privately owned shipyards capable of merchant ship construction, or review available data on such shipyards if deemed adequate, to determine whether their capabilities for merchant ship construction, including facilities and skilled personnel, provide an adequate mobilization base at strategic points for purposes of national defense and national emergency. The Secretary of Transportation, in connection with ship construction, reconstruction, reconditioning, or remodeling under titles V and VII [former 46 U.S.C. App. 1191 et seq., see Disposition Table preceding section 101 of this title], upon a basis of a finding that the award of the proposed construction, reconstruction, reconditioning, or remodeling work will remedy an existing or impending inadequacy in such mobilization base as to the capabilities and capacities of a shipyard or shipyards at a strategic point, and after taking into consideration the benefits accruing from standardized construction, the conditions of unemployment, and the needs and reasonable requirements of all shipyards, may allocate such construction, reconstruction, reconditioning, or remodeling to such yard or yards in such manner as he may determine to be fair, just, and reasonable to all sections of the country, subject to the provisions of this subsection. In the allocation of construction work to such yards as herein provided, the Secretary of Transportation may, after first obtaining competitive bids for such work in compliance with the provisions of this Act, negotiate with the bidders and with other shipbuilders concerning the terms and conditions of any contract for such work, and is authorized to enter into such contract at a price deemed by the Secretary of Transportation to be fair and reasonable. Any contract entered into by the Secretary of Transportation under the provisions of this subsection shall be subject to all of the terms and conditions of this Act, excepting those pertaining to the awarding of contracts to the lowest bidder which are inconsistent with the provisions of this subsection. In the event that a contract is made providing for a price in excess of the lowest responsible bid which otherwise would be accepted, such excess shall be paid by the Secretary of Transportation as a part of the cost of national defense, and shall not be considered as a part of the construction-differential subsidy. In the event that a contract is made providing for a price lower than the lowest responsible bid which otherwise would be accepted, the construction-differential subsidy shall be computed on the contract price in lieu of such bid.

“If, as a result of allocation under this subsection, the purchaser incurs expenses for inspection and supervision of the vessel during construction and for the delivery voyage of the vessel in excess of the estimated expenses for the same services that he would have incurred if the vessel had been constructed by the lowest responsible bidder the Secretary of Transportation (with respect to construction under title V, except section 509) shall reimburse the purchaser for such excess, less one-half of any gross income the purchaser receives that is allocable to the delivery voyage minus one-half of the extra expenses incurred to produce such gross income, and such reimbursement shall not be considered part of the construction-differential subsidy: *Provided*, That no interest shall be paid on any re-

fund authorized under this Act. If the vessel is constructed under section 509 the Secretary of Transportation shall reduce the price of the vessel by such excess, less one-half of any gross income (minus one-half of the extra expenses incurred to produce such gross income) the purchaser receives that is allocable to the delivery voyage. In the case of a vessel that is not to receive operating-differential subsidy, the delivery voyage shall be deemed terminated at the port where the vessel begins loading. In the case of a vessel that is to receive operating-differential subsidy, the delivery voyage shall be deemed terminated when the vessel begins loading at a United States port in an essential service. In either case, however, the vessel owner shall not be compensated for excess vessel delivery costs in an amount greater than the expenses that would have been incurred in delivering the vessel from the shipyard at which it was built to the shipyard of the lowest responsible bidder. If as a result of such allocation, the expenses the purchaser incurs with respect to such services are less than the expenses he would have incurred for such services if the vessel had been constructed by the lowest responsible bidder, the purchaser shall pay to the Secretary of Transportation an amount equal to such reduction and, if the vessel was built with the aid of construction-differential subsidy, such payment shall not be considered a reduction of the construction-differential subsidy.

“(g) Upon the application of any citizen of the United States to purchase any vessel acquired by the Secretary of Transportation under the provisions of section 215 [former 46 U.S.C. App. 1125, see 46 U.S.C. 57105], the Secretary of Transportation is authorized to sell such vessel to the applicant for the fair and reasonable value thereof, but at not less than the cost thereof to the Secretary of Transportation less depreciation at the rate of 4 per centum per annum from the date of completion, excluding the cost of national-defense features added by the Secretary of Transportation, less the equivalent of any applicable construction-differential subsidy as provided by subsection (b), such sale to be in accordance with all the provisions of this title. Such vessel shall thereupon be eligible for an operating-differential subsidy under title VI of this Act [former 46 U.S.C. App. 1171 et seq., see Disposition Table preceding section 101 of this title], notwithstanding the provisions of section 601(a)(1), and section 610(1) [set out below], or any other provision of law.

“(h) The Secretary of Transportation is authorized to construct, purchase, lease, acquire, store, maintain, sell, or otherwise dispose of national defense features intended for installation on vessels. The Secretary of Transportation is authorized to install or remove such national defense features on any vessel (1) which is in the National Defense Reserve Fleet as defined by section 11(a) of the Merchant Ship Sales Act of 1946 [50 U.S.C. App. 1744(a)], (2) which is requisitioned, purchased, or chartered under section 902 of the Merchant Marine Act, 1936 [former 46 U.S.C. App. 1242, now 46 U.S.C. 56301 et seq.], (3) which serves as security for the guarantee of an obligation by the Secretary of Transportation under title XI of this Act [former 46 U.S.C. App. 1271 et seq., see 46 U.S.C. 53701 et seq.], or (4) which is the subject of an agreement between the owner of such vessel and the Secretary of Transportation to install or remove such national defense features. Title to such national defense features which the Secretary of Transportation determines are not to be permanently incorporated in a vessel shall not be affected by such installation or removal unless otherwise transferred in accordance with the provisions of this title V.

“(i) The Secretary of Transportation shall submit the plans and specifications for such national defense features and the proposals for their acquisition, storage, utilization, or disposition to the Navy Department for examination thereof and suggestion for such changes therein as may be deemed necessary or proper in order that such features shall be suitable for the use of the United States Government in time of war or national emergency. If the Secretary of the Navy approves such

plans, specifications, or proposals as submitted, or as modified in accordance with the provisions of this subsection, he shall certify such approval to the Secretary of Transportation.”

Documentation of Completed Vessel Under Laws of United States; Delivery to Purchaser; First Mortgage to Secure Deferred Payments

“SEC. 503. Upon completion of the construction of any vessel in respect to which a construction-differential subsidy is to be allowed under this title and its delivery by the shipbuilder to the Secretary of Transportation, the vessel shall be documented under the laws of the United States, and concurrently therewith, or as soon thereafter as practicable, the vessel shall be delivered with a bill of sale to the purchaser with warranty against liens, pursuant to the contract of sale between the purchaser and the Secretary of Transportation. The vessel shall remain documented under the laws of the United States for not less than twenty-five years, or so long as there remains due the United States any principal or interest on account of the purchaser price, whichever is the longer period. At the time of delivery of the vessel the purchaser shall execute and deliver a first-preferred mortgage to the United States to secure payment of any sums due from the purchaser in respect to said vessel: *Provided*, That notwithstanding any other provisions of law, the payment of any sums due in respect to a passenger vessel purchased under section 4(b) of the Merchant Ship Sales Act of 1946 [former 50 U.S.C. App. 1737(b)], reconverted or restored for normal operation in commercial services, or in respect to a passenger vessel purchased under title V of this Act, which is delivered subsequent to March 8, 1946, and which (i) is of not less than ten thousand gross tons, (ii) has a designed speed approved by the Secretary of Transportation but not less than eighteen knots, (iii) has accommodations for not less than two hundred passengers, and, (iv) is approved by the Secretary of Defense as being desirable for national defense purposes, may, with the approval of the Secretary of Transportation be secured only by a first-preferred mortgage on said vessel. With the approval of the Secretary of Transportation, such preferred mortgage may provide that the sole recourse against the purchaser of such a passenger vessel under such mortgage, and any of the notes secured thereby, shall be limited to repossession of the vessel by the United States and the assignment of insurance claims, if the purchaser shall have complied with all provisions of the mortgage other than those relating to the payment of principal and interest when due, and the obligation of the purchaser shall be satisfied and discharged by the surrender of the vessel, and all right, title, and interest therein to the United States. Such vessel upon surrender shall be (i) free and clear of all liens and encumbrances whatsoever, except the lien of the preferred mortgage, (ii) in class, and (iii) in as good order and condition, ordinary wear and tear excepted, as when acquired by the purchaser, except that any deficiencies with respect to freedom from encumbrances, condition, and class, may, to the extent covered by valid policies of insurance, be satisfied by the assignment to the United States of claims of the purchaser under such policies of insurance. The pur-

chaser shall also comply with all the provisions of section 9 of the Merchant Marine Act, 1920 [former 46 U.S.C. App. 868, repealed by Pub. L. 109–304, §19, Oct. 6, 2006, 120 Stat. 1710].”

(As amended June 23, 1938, ch. 600, §15, 52 Stat. 957; July 17, 1952, ch. 939, §3, 66 Stat. 761; Pub. L. 86–518, §1, June 12, 1960, 74 Stat. 216; Pub. L. 91–469, §§8, 35(a), Oct. 21, 1970, 84 Stat. 1021, 1035; Pub. L. 97–31, §12(84), Aug. 6, 1981, 95 Stat. 161.)

Purchase of Vessel Constructed in Accordance With Application for Subsidy; Bid or Negotiated Price Basis for Subsidy and Payments for Cost of National Defense Features; Documentation

“SEC. 504. If a qualified purchaser under the terms of this title desires to purchase a vessel to be constructed in accordance with an application for construction-differential subsidy under this title, the Secretary of Transportation may, in lieu of contracting to pay the entire cost of the vessel under section 502, contract to pay only construction-differential subsidy and the cost of national defense features to the shipyard constructing such vessel. The construction-differential subsidy and payments for the cost of national defense features shall be based upon the lowest responsible domestic bid unless the vessel is constructed at a negotiated price as provided by section 502(a) or under a contract negotiated by the Secretary of Transportation as provided in section 502(b) in which event the construction-differential subsidy and payments for the cost of national defense features shall be based upon such negotiated price. No construction-differential subsidy, as provided in this section, shall be paid unless the said contract or contracts or other arrangements contain such provisions as are provided in this title to protect the interests of the United States as the Secretary of Transportation deems necessary. Such vessel shall be documented under the laws of the United States as provided in section 503 of this title. The contract of sale, and the mortgage given to secure the payment of the unpaid balance of the purchase price, shall not restrict the lawful or proper use or operation of the vessel, except to the extent expressly required by law.”

(As amended June 23, 1938, ch. 600, §16, 52 Stat. 958; July 17, 1952, ch. 939, §4, 66 Stat. 761; Pub. L. 91–469, §§9, 35(a), Oct. 21, 1970, 84 Stat. 1021, 1035; Pub. L. 97–31, §12(84), Aug. 6, 1981, 95 Stat. 161.)

Eligible Shipyards; Materials; Conditions of Contracts; Limitation to American Shipyards; American Materials, Waiver; Ability of Bidders; Filing Bids and Data

“SEC. 505. All construction in respect of which a construction-differential subsidy is allowed under this title shall be performed in a shipyard of the United States as the result of competitive bidding, after due advertisement, with the right reserved in the Secretary of Transportation to disapprove, any or all bids. In all such construction the shipbuilder, subcontractors, materialmen, or suppliers shall use, so far as practicable, only articles, materials, and supplies of the growth, production, or manufacture of the United States as defined in paragraph K of section 401 of the Tariff Act of 1930 [now 19 U.S.C. 1401(h)]; *Provided, however*, That with respect to other than major components of the hull, superstructure, and any material used in the construction thereof, (1) if the Secretary of Transportation determines that the requirements of this sentence will unreasonably delay completion of any vessel beyond its contract delivery date, and (2) if such determination includes or is accompanied by a concise explanation of the basis therefor, then the Secretary of Transportation may waive such requirements to the extent necessary to prevent such delay. No shipbuilder shall be deemed a responsible bidder unless he possesses the ability, experience, financial resources, equipment, and other qualifications necessary properly to perform the proposed contract. Each bid submitted to the Secretary of Transportation shall be accompanied by all detailed

estimates upon which it is based. The Secretary of Transportation may require that the bids of any subcontractors, or other pertinent data, accompany such bid. All such bids and data relating thereto shall be kept on file until disposed of as provided by law. For the purposes of this title V, the term 'shipyard of the United States' means shipyards within any of the United States and the Commonwealth of Puerto Rico."

(As amended June 23, 1938, ch. 600, §§ 17, 40(a), 52 Stat. 958, 964; Oct. 25, 1951, ch. 562, § 3(4), 65 Stat. 639; Pub. L. 86-624, § 35(a), July 12, 1960, 74 Stat. 421; Pub. L. 91-469, §§ 10, 35(a), Oct. 21, 1970, 84 Stat. 1022, 1035; Pub. L. 97-31, § 12(84), Aug. 6, 1981, 95 Stat. 161.)

Operation of Subsidy Constructed Vessel Limited to Foreign Trade; Repayments to Secretary for Deviations

"SEC. 506. Every owner of a vessel for which a construction-differential subsidy has been paid shall agree that the vessel shall be operated exclusively in foreign trade, or on a round-the-world voyage, or on a round voyage from the west coast of the United States to a European port or ports which includes intercoastal ports of the United States, or a round voyage from the Atlantic coast of the United States to the Orient which includes intercoastal ports of the United States, or on a voyage in foreign trade on which the vessel may stop at the State of Hawaii, or an island possession or island territory of the United States, and that if the vessel is operated in the domestic trade on any of the above-enumerated services, he will pay annually to the Secretary of Transportation that proportion of one-twenty-fifth of the construction-differential subsidy paid for such vessel as the gross revenue derived from the domestic trade bears to the gross revenue derived from the entire voyages completed during the preceding year. The Secretary may consent in writing to the temporary transfer of such vessel to service other than the service covered by such agreement for periods not exceeding six months in any year, whenever the Secretary may determine that such transfer is necessary or appropriate to carry out the purposes of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title]. Such consent shall be conditioned upon the agreement by the owner to pay to the Secretary, upon such terms and conditions as he may prescribe, an amount which bears the same proportion to the construction-differential subsidy paid by the Secretary as such temporary period bears to the entire economic life of the vessel. No operating-differential subsidy shall be paid for the operation of such vessel for such temporary period."

(As amended June 23, 1938, ch. 600, § 18, 52 Stat. 958; Mar. 18, 1959, Pub. L. 86-3, § 18(b)(1), 73 Stat. 12; Pub. L. 86-518, § 3, June 12, 1960, 74 Stat. 216; Pub. L. 97-31, § 12(87), Aug. 6, 1981, 95 Stat. 161.)

Construction of New Vessel to Replace Obsolete; Purchase of Old Vessel by Secretary; Bond of Seller Against Liens

"SEC. 507. If a contract is made by the Secretary of Transportation under authority of this title for the construction and sale of a new vessel to replace a vessel then operated in foreign trade or domestic trade, which in the judgment of the Secretary of Transportation should be replaced because it is obsolete or inadequate for successful operation in such trade, the Secretary of Transportation is authorized, in his discretion, to buy such replaced vessel from the owner at a fair and reasonable valuation, which valuation shall not exceed the cost to the owner or any former owner plus the actual cost previously expended thereon for reconditioning, and less a reasonable and proper depreciation, based upon not more than twenty-five-year life of the vessel, and apply the purchase price agreed upon to that portion of the construction cost of such new vessel which is to be borne by the purchaser thereof: *Provided*, That the owner of such replaced vessel shall execute a bond, with one or more approved sureties, conditioned upon

indemnifying the United States from all loss resulting from any existing lien against such vessel: *And provided further*, That such vessel has been documented under the laws of the United States for a period of at least ten years prior to the date of its purchase by the United States."

Vessels To Be Operated in Domestic Trade; Terms and Conditions of Construction Aid and Sale to Purchaser

"SEC. 509. Any citizen of the United States may make application to the Secretary of Transportation for aid in the construction of a new vessel to be operated in the foreign or domestic trade (excepting vessels engaged solely in the transportation of property on inland rivers and canals exclusively). If such application is approved by the Secretary of Transportation, the vessel may be constructed under the terms and conditions of this title, but no construction-differential subsidy shall be allowed. The Secretary of Transportation shall pay for the cost of national-defense features incorporated in such vessel. In case the vessel is designed to be of not less than three thousand five hundred gross tons and to be capable of sustained speed of not less than ten knots, or in the case of a passenger vessel operating solely on the inland rivers and waterways which is designed to be of not less than one thousand gross tons and to be capable of sustained speed of not less than eight knots, or in the case of a ferry operating solely in point-to-point transportation which is designed to be of not less than seventy-five gross tons and to be capable of a sustained speed of not less than eight knots, in the case of an oceangoing tug of more than two thousand five hundred horsepower or oceangoing barge of more than two thousand five hundred gross tons, or in the case of a vessel of more than two thousand five hundred horsepower designed to be capable of sustained speed of not less than forty knots, the purchaser shall be required to pay the Secretary of Transportation not less than 12½ per centum of the cost of such vessel, and in the case of any other vessel the purchaser shall be required to pay the Secretary of Transportation not less than 25 per centum of the cost of such vessel (excluding from such cost, in either case, the cost of national defense features); and the balance of such purchase price shall be paid by the purchaser within twenty-five years in not to exceed twenty-five equal annual installments, with interest at a rate not less than (i) a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the United States with remaining periods to maturity comparable to the average maturities of such loans, adjusted to the nearest one-eighth of 1 per centum, plus (ii) an allowance adequate in the judgment of the Secretary of Transportation to cover administrative costs, the balance of such purchase price being secured by a preferred mortgage on the vessel sold and otherwise secured as the Secretary of Transportation may determine: *Provided*, That, notwithstanding any other provisions of law, the balance of the purchase price of a passenger vessel constructed under this section which is delivered subsequent to March 8, 1946, and which has the tonnage, speed, passenger accommodations, and other characteristics set forth in section 503 of this Act, may, with the approval of the Secretary of Transportation, be secured as provided in such section, and the obligation of the purchaser of such a vessel

shall be satisfied and discharged as provided in such section.”

OPERATING-DIFFERENTIAL SUBSIDY

Act June 29, 1936, ch. 858, title VI, 49 Stat. 2001, as amended, provided as follows:

Subtitle A—Operating-Differential Subsidy Program

Subsidy Authorized for Operation of Vessels in Foreign Trade or in Off-Season Cruises

“SEC. 601. (a) The Secretary of Transportation is authorized and directed to consider the application of any citizen of the United States for financial aid in the operation of a vessel or vessels, which are to be used in an essential service in the foreign commerce of the United States or in such service and in cruises authorized under section 613 of this title. In this title VI the term ‘essential service’ means the operation of a vessel on a service, route, or line described in section 211(a) [now 46 U.S.C. 50103(a)(1)] or in bulk cargo carrying service described in section 211(b) [now 46 U.S.C. 50103(b)]. No such application shall be approved by the Secretary of Transportation unless he determines that (1) the operation of such vessel or vessels in an essential service is required to meet foreign-flag competition and to promote the foreign commerce of the United States except to the extent such vessels are to be operated on cruises authorized under section 613 of this title, and that such vessel or vessels were built in the United States, or have been documented under the laws of the United States not later than February 1, 1928, or actually ordered and under construction for the account of citizens of the United States prior to such date; (2) the applicant owns, or leases or can and will build or purchase, or lease, a vessel or vessels of the size, type, speed, and number, and with the proper equipment required to enable him to operate in an essential service, in such manner as may be necessary to meet competitive conditions, and to promote foreign commerce; (3) the applicant possesses the ability, experience, financial resources, and other qualifications necessary to enable him to conduct the proposed operations of the vessel or vessels as to meet competitive conditions and promote foreign commerce; (4) the granting of the aid applied for is necessary to place the proposed operations of the vessel or vessels on a parity with those of foreign competitors, and is reasonably calculated to carry out effectively the purposes and policy of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title]. To the extent the application covers cruises, as authorized under section 613 of this title, the Secretary of Transportation may make the portion of this last determination relating to parity on the basis that any foreign flag cruise from the United States competes with any American flag cruise from the United States.

“(b) Every application for an operating-differential subsidy under the provisions of this title shall be accompanied by statements disclosing the names of all persons having any pecuniary interest, direct or indirect, in such application, or in the ownership or use of the vessel or vessels, routes, or lines covered thereby, and the nature and extent of any such interest, together with such financial and other statements as may be required by the Secretary of Transportation. All such statements shall be under oath or affirmation and in such form as the Secretary of Transportation shall prescribe. Any person who, in an application for financial aid under this title or in any statement required to be filed therewith, willfully makes any untrue statement of a material fact, shall be guilty of a misdemeanor.”

(As amended Pub. L. 87-45, §2, May 27, 1961, 75 Stat. 90; Pub. L. 91-469, §§14, 35(a), (h), Oct. 21, 1970, 84 Stat. 1023, 1035, 1036; Pub. L. 91-603, §4(c), (d), Dec. 31, 1970, 84 Stat. 1675; Pub. L. 97-31, §12(93), Aug. 6, 1981, 95 Stat. 161.)

Determination of Necessity of Subsidy To Meet Competition

“SEC. 602. Except with respect to cruises authorized under section 613 of this title, no contract for an operating-differential subsidy shall be made by the Secretary of Transportation for the operation of a vessel or vessels to meet foreign competition, except direct foreign-flag competition, until and unless the Secretary of Transportation, after a full and complete investigation and hearing, shall determine that an operating-differential subsidy is necessary to meet competition of foreign-flag ships.”

(As amended June 23, 1938, ch. 600, §40(b), 52 Stat. 964; Pub. L. 87-45, §3, May 27, 1961, 75 Stat. 91; Pub. L. 91-469, §35(a), Oct. 21, 1970, 84 Stat. 1035; Pub. L. 97-31, §12(94), Aug. 6, 1981, 95 Stat. 161.)

Contracts for Payment of Subsidy

“SEC. 603. (a) If the Secretary of Transportation approves the application, he may enter into a contract with the applicant for the payment of an operating-differential subsidy determined in accordance with the provisions of subsection (b) of this section, for the operation of such vessel or vessels in an essential service and in cruises authorized under section 613 of this title for a period not exceeding twenty years, and subject to such reasonable terms and conditions, consistent with this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title], as the Secretary of Transportation shall require to effectuate the purposes and policy of this Act, including a performance bond with approved sureties, if such bond is required by the Secretary of Transportation.

“(b) Such contract shall provide, except as the parties should agree upon a lesser amount, that the amount of the operating-differential subsidy for the operation of vessels in an essential service shall equal the excess of the subsidizable wage costs of the United States officers and crews, the fair and reasonable cost of insurance, subsistence of officers and crews on passenger vessels, as defined in section 613 of this Act, maintenance, and repairs not compensated by insurance, incurred in the operation under United States registry of the vessel or vessels covered by the contract, over the estimated fair and reasonable cost of the same items of expense (after deducting therefrom any estimated increase in such items necessitated by features incorporated pursuant to the provisions of section 501(b) [set out above]) if such vessel or vessels were operated under the registry of a foreign country whose vessels are substantial competitors of the vessel or vessels covered by the contract: *Provided, however*, That the Secretary of Transportation may, with respect to any vessel in an essential bulk cargo carrying service as described in section 211(b) [now 46 U.S.C. 50103(b)], pay, in lieu of the operating-differential subsidy provided by this subsection (b), such sums as he shall de-

termine to be necessary to make the cost of operating such vessel competitive with the cost of operating similar vessels under the registry of a foreign country. For any period during which a vessel cruises as authorized by section 613 of this Act, operating-differential subsidy shall be computed as though the vessel were operating on the essential service to which the vessel is assigned: *Provided, however*, That if the cruise vessel calls at a port or ports outside of its assigned service, but which is served with passenger vessels (as defined in section 613 of this Act) by another subsidized operator at an operating-differential subsidy rate for wages lower than the cruise vessel has on its assigned essential service, the operating-differential subsidy rates for each of the subsidizable items for each day (a fraction of a day to count as a day) that the vessel stops at such port shall be at the respective rates applicable to the subsidized operator regularly serving the area.

“(c)(1) When used in this section—

“(A) The term ‘collective bargaining costs’ means the annual cost, calculated on the basis of the per diem rate of expense as of any date, of all items of expense required of the applicant through collective bargaining or other agreement, covering the employ of United States officers and crew of a vessel, including payments required by law to assure old-age pensions, unemployment benefits, or similar benefits and taxes or other governmental assessments on crew payrolls, but excluding subsistence of officers and crews on vessels other than passenger vessels as defined in section 613 of this Act and costs relating to:

“(i) the officers or members of the crew that the Secretary of Transportation has found, prior to the award of a contract for the construction or reconstruction of a vessel, to be unnecessary for the efficient and economical operation of such vessel: *Provided*, That the Secretary of Transportation shall afford representatives of the collective-bargaining unit or units responsible for the manning of the vessel an opportunity to comment on such finding prior to the effective date of such finding: *And provided further*, That in determining whether officers or members of the crew are necessary for the efficient and economical operation of such vessel, the Secretary of Transportation shall give due consideration to, but shall not be bound by, wage and manning scales and working conditions required by a bona fide collective-bargaining agreement, or

“(ii) those officers or members of the crew that the Secretary of Transportation has found, prior to ninety days following the date of enactment of this subsection [Oct. 21, 1970], to be unnecessary for the efficient and economical operation of the vessel.

“(B) The term ‘base period costs’ means for the base period beginning July 1, 1970, and ending June 30, 1971, the collective-bargaining costs as of January 1, 1971, less all other items of cost that have been disallowed by the Secretary of Transportation prior to ninety days following the date of enactment of this subsection [Oct. 21, 1970], and not already excluded from collective-bargaining costs under subparagraph (A)(i) or (A)(ii) of this subsection. In any subsequent base period the term ‘base period costs’ means the average of the subsidizable wage cost of United States officers and crews for the preceding annual period ending June 30 (calculated without regard to the limitation of the last sentence of paragraph (D) of this subdivision but increased or decreased by the increase or decrease in the index described in subdivision (3) of this subsection from January 1 of such annual period to January 1 of the base period), and the collective-bargaining costs as of January 1 of the base period: *Provided*, That in no event shall the base period cost be such that the difference between the base period cost and the collective-bargaining costs as of January 1 of any base period subsequent to the first base period exceeds five-fourths of 1 per centum of the collective-bargaining costs as of such January 1 multiplied by the number of years that have elapsed since the most recent base period.

“(C) The term ‘base period’ means any annual period beginning July 1, and ending June 30 with respect to which a base period cost is established.

“(D) The term ‘subsidizable wage costs of United States officers and crews’ in any period other than a base period means the most recent base period costs increased or decreased by the increase or decrease from January 1 of such base period to January 1 of such period in the index described in subdivision (3) hereof, and with respect to a base period means the base period cost. The subsidizable wage costs of United States officers and crews in any period other than a base period shall not be less than 90 per centum of the collective-bargaining costs as of January 1 of such period nor greater than 110 per centum of such collective-bargaining costs.

“(2) The Secretary of Transportation shall determine the collective-bargaining costs on ships in subsidized operation as of January 1, 1971, and as of each January 1 thereafter, and shall as of intervals of not less than two years nor more than four years, establish a new base period cost, except that the Secretary shall not establish a new base period unless he announces his intention to do so prior to the December 31 that would be included in the new base period.

“(3) The Bureau of Labor Statistics shall compile the index referred to in subdivision (1). Such index shall consist of the average annual change in wages and benefits placed into effect for employees covered by collective-bargaining agreements with equal weight to be given to changes affecting employees in the transportation industry (excluding the offshore maritime industry) and to changes affecting employees in private non-agricultural industries other than transportation. Such index shall be based on the materials regularly used by the Bureau of Labor Statistics in compiling its regularly published statistical series on wage and benefit changes arrived at through collective bargaining. Such materials shall remain confidential and not be subject to disclosure.

“(d) Each foreign wage cost computation shall be made after an opportunity is given to the contractor to submit in writing and in timely fashion all relevant data within his possession. In making the computation, the Secretary shall consider all relevant matter so presented and all foreign wage cost data collected at his request or on his behalf. Such foreign cost data shall be made available to an interested contractor, unless the Secretary shall find that disclosure of the data will prevent him from obtaining such data in the future. In determining foreign manning for purposes of this section, the foreign manning determined for any ship type with respect to any base period shall not be redetermined until the beginning of a new base period.

“(e) The wage subsidy shall be payable monthly for the voyages completed during the month, upon the contractor’s certification that the subsidized vessels were in authorized service during the month. The Secretary of Transportation shall prescribe procedures for the calculation and payment of subsidy on items of expense which are included in ‘collective-bargaining costs’ but are not included in the daily rate because they are unpredictably timed.

“(f) Ninety percent of the amount of the insurance and maintenance and repair and subsistence of officers and crews subsidy shall be payable monthly for the voyages completed during the month on the basis of the subsidy estimated to have accrued with respect to such voyages. Any such payment shall be made only after there has been furnished to the Secretary of Transportation such security as he deems to be reasonable and necessary to assure refund of any overpayment. The contractor and the Secretary of Transportation shall audit the voyage accounts as soon as practicable after such payment. The remaining 10 per cent of such subsidy shall be payable after such audit.”

(As amended Aug. 4, 1939, ch. 417, §8, 53 Stat. 1185; Pub. L. 87-45, §4, May 27, 1961, 75 Stat. 91; Pub. L. 87-243, Sept. 14, 1961, 75 Stat. 513; Pub. L. 91-469, §§15-17, 35(a), (i), Oct. 21, 1970, 84 Stat. 1023, 1024, 1035, 1036; Pub. L. 97-31, §12(94), Aug. 6, 1981, 95 Stat. 161.)

Additional Subsidy; When Authorized

“SEC. 604. If in the case of any particular foreign-trade route the Secretary of Transportation shall find after consultation with the Secretary of State, that the subsidy provided for in this title is in any respect inadequate to offset the effect of governmental aid paid to foreign competitors, he may grant such additional subsidy as he determines to be necessary for that purpose.”

(As amended June 23, 1938, ch. 600, §21, 52 Stat. 959; Aug. 4, 1939, ch. 417, §9, 53 Stat. 1185; Pub. L. 97-31, §12(95), Aug. 6, 1981, 95 Stat. 162.)

Vessels Excluded From Subsidy

“SEC. 605. (a) No operating-differential subsidy shall be paid for the operation of any vessel on a voyage on which it engages in coastwise or intercoastal trade: *Provided, however,* That such subsidy may be paid on a round-the-world voyage or a round voyage from the west coast of the United States to a European port or ports or a round voyage from the Atlantic coast to the Orient which includes intercoastal ports of the United States or a voyage in foreign trade on which the vessel may stop at the State of Hawaii, or an island possession or island territory of the United States, and if the subsidized vessel earns any gross revenue on the carriage of mail, passengers, or cargo by reason of such coastal or intercoastal trade the subsidy payment for the entire voyage shall be reduced by an amount which bears the same ratio to the subsidy otherwise payable as such gross revenue bears to the gross revenue derived from the entire voyage. No vessel operating on the inland waterways of the United States shall be considered for the purposes of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title] to be operating in foreign trade.

“(b) No operating-differential subsidy shall be paid for the operation of a vessel after the calendar year the vessel becomes 25 years of age, unless the Secretary of Transportation has determined, before the date of enactment of the Maritime Security Act of 1996 [Oct. 8, 1996], that it is in the public interest to grant such financial aid for the operation of such vessel.

“(c) No contract shall be made under this title with respect to a vessel to be operated in an essential service served by citizens of the United States which would be in addition to the existing service, or services, unless the Secretary of Transportation shall determine after proper hearing of all parties that the service already provided by vessels of United States registry is inadequate, and that in the accomplishment of the purposes and policy of this Act additional vessels should be operated thereon; and no contract shall be made with respect to a vessel operated or to be operated in an essential service served by two or more citizens of the United States with vessels of United States registry, if the Secretary of Transportation shall determine the effect of such a contract would be to give undue advantage or be unduly prejudicial, as between citizens of the United States, in the operation of vessels in such essential service unless following public hearing, due notice of which shall be given to each operator serving such essential service, the Secretary of Transportation shall find that it is necessary to enter into such contract in order to provide adequate service by vessels of United States registry. The Secretary of Transportation in determining for the purposes of this section whether services are competitive, shall take into consideration the type, size, and speed of the vessels employed, whether passenger or cargo, or combination passenger and cargo, vessels, the ports or ranges between which they run, the character of cargo carried, and such other facts as he may deem proper.”

Readjustments; Change in Service; Withdrawal From Service; Payment of Excess Profits; Wages, Etc.; American Materials

“SEC. 606. Every contract for an operating-differential subsidy under this title shall provide (1) that the amount of the future payments to the contractor shall be subject to review and readjustment from time to time, but not more frequently than once a year, at the instance of the Secretary of Transportation or of the contractor. If any such readjustment cannot be reached by mutual agreement, the Secretary of Transportation, on his own motion or on the application of the contractor, shall, after a proper hearing, determine the facts and make such readjustment in the amount of such future payments as he may determine to be fair and reasonable and in the public interest. The testimony in every such proceeding shall be reduced to writing and filed in the office of the Secretary of Transportation. His decision shall be based upon and governed by the changes which may have occurred since the date of the said contract, with respect to the items theretofore considered and on which such contract was based, and other conditions affecting shipping, and shall be promulgated in a formal order, which shall be accompanied by a report in writing in which the Secretary of Transportation shall state his findings of fact; (2) that the compensation to be paid under it shall be reduced, under such terms and in such amounts as the Secretary of Transportation shall determine, for any periods in which the vessel or vessels are laid up; (3) that if the Secretary of Transportation shall determine that a change in an essential service, which is receiving an operating-differential subsidy under this title, is necessary in the accomplishment of the purposes of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title], it may make such change upon such readjustment of payments to the contractor as shall be arrived at by the method prescribed in clause (1) of these conditions; (4) that if at any time the contractor receiving an operating-differential subsidy claims that he cannot maintain and operate his vessels in such an essential service, with a reasonable profit upon his investment, and applies to the Secretary of Transportation for a modification or rescission of his contract to maintain such essential service, and the Secretary of Transportation determines that such claim is proved the Secretary of Transportation shall modify or rescind such contract and permit the contractor to withdraw such vessels from such essential service upon a date fixed by the Secretary of Transportation, and upon the date of such withdrawal the further payment of the operating differential subsidy shall cease and the contractor be discharged from any further obligation under such contract; (5) that the contractor shall conduct his operations with respect to essential services and any services authorized under section 613 of this title, covered by his contract in an economical and efficient manner, and (6) that whenever practicable, an operator who receives subsidy with respect to subsistence of officers and crews shall use as such subsistence items only articles, materials, and supplies of the growth, production, and manufacture of the United States, as defined in section 505 herein [set out above], except when it is necessary to purchase supplies outside the United States to enable such vessel to continue and complete her voyage, and an operator who receives subsidy with respect to repairs shall perform such repairs within any of the United States or the Commonwealth of Puerto Rico, except in an emergency.”

Sale or Assignment of Contract; Consent of Secretary; Purchaser Subject to Terms of Contract; Rescinding Contract on Transfer Without Consent

“SEC. 608. No contract executed under this title or any interest therein shall be sold, assigned, or transferred, either directly or indirectly, or through any reorganization, merger, or consolidation, nor shall any agreement or arrangement be made by the holder whereby the maintenance, management, or operation of the service, route, line, vessel, or vessels is to be performed by any other person, without the written consent of the Secretary of Transportation. If he consents to such agreement or arrangement, the agreement or arrangement shall make provision whereby the person undertaking such maintenance, management, or operation agrees to be bound by all of the provisions of the contract and of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title] applicable thereto, and the rules and regulations prescribed pursuant to this Act. If the holder of any such contract shall voluntarily sell such contract or any interest therein, or make such assignment, transfer, agreement, or arrangement whereby the maintenance, management, or operation of the service, route, line, vessel, or vessels is to be performed by any other person, without the consent of the Secretary of Transportation, or if the operation of the service, route, line, or vessel, shall pass out of the direct control of the holder of such contract by reason of any voluntary or involuntary receivership or bankruptcy proceedings, the Secretary of Transportation shall have the right to modify or rescind such contract, without further liability thereon by the United States, and is vested with exclusive jurisdiction to determine the purposes for which any payments made by him under such contract shall be expended.”

(As amended Pub. L. 97-31, §12(98), Aug. 6, 1981, 95 Stat. 162.)

Withholding Payment to Defaulting Contractor

“SEC. 609. The Secretary of Transportation shall withhold the payment of operating-differential subsidy while any contractor therefor is in default in any payments due on account of construction-loan, ship-sales mortgage notes, or any other obligation due the United States, and shall apply the amount so withheld to the satisfaction of such debt.”

(As amended June 23, 1938, ch. 600, §29, 52 Stat. 961; Pub. L. 97-31, §12(99), Aug. 6, 1981, 95 Stat. 162.)

Vessels Eligible for Subsidy

“SEC. 610. An operating-differential subsidy shall not be paid under authority of this title on account of the operation of any vessel which does not meet the following requirements: (1) The vessel shall be of steel or other acceptable metal, shall be propelled by steam or motor, shall be as nearly fireproof as practicable, shall be built in a domestic yard or shall have been documented under the laws of the United States not later than February 1, 1928, or actually ordered and under construction for the account of citizens of the United States prior to such date, and shall be documented under the laws of the United States, during the entire life of the subsidy contract; and (2) if the vessel shall be constructed after June 29, 1936 it shall be either a vessel constructed according to plans and specifications approved by the Secretary of Transportation and the Secretary of the Navy, with particular reference to economical conversion into an auxiliary naval vessel, or a vessel approved by the Secretary of Transportation

and the Navy Department as otherwise useful to the United States in time of national emergency.”

(As amended Pub. L. 97-31, §12(99), Aug. 6, 1981, 95 Stat. 162.)

Transfer of Vessels to Foreign Registry on Default of United States

“SEC. 611. (a) The contractor, upon compliance with the provisions of this section, may transfer to foreign registry the vessels covered by any operating-differential subsidy contract held by him, in the event that the United States defaults upon such contract or cancels it without just cause. Any contractor desiring to transfer any such vessel to foreign registry upon such default or cancelation shall file an application in writing with the Secretary of Transportation setting forth its contentions with respect to the lack of just cause or lawful grounds for such default or cancelation. The Secretary of Transportation shall afford the contractor an opportunity for a hearing within twenty days after such contractor files written application therefor, and after the testimony, if any, in such hearing has been reduced to writing and filed with the Secretary of Transportation, he shall, within a reasonable time, grant or deny the application by order.

“(b) If any such application is denied, the contractor may obtain a review of the order of denial in the United States Court of Appeals for the District of Columbia, by filing in such court, within twenty days after the entry of such order, a written petition praying that the order of the Secretary of Transportation be set aside. A copy of such petition shall be forthwith transmitted by the clerk of the court to the Secretary of Transportation or any officer designated by him for that purpose, and thereupon the Secretary of Transportation shall file in the court the record upon which the order complained of was entered, as provided in section 2112 of title 28, United States Code. Upon the filing of such petition such court shall have exclusive jurisdiction to determine whether such cancelation or default was without just cause, and to affirm or set aside such order. The judgment and decree of the court affirming or setting aside any such order of the Secretary of Transportation shall be final.

“(c) No transfer of vessels to foreign registry under this section shall become effective until any indebtedness to the Government or to any citizen of the United States, secured by such vessels, has been paid or discharged, and until after the expiration of ninety days from the date of final determination of the application or the appeal, if any. Within such ninety-day period the Secretary of Transportation may (1) with the consent of the contractor purchase the vessels at cost to the contractor plus cost of capital improvements thereon, less 4 per centum annual depreciation upon such vessel, and the actual depreciated costs of capital improvements thereon, or (2) reinstate the contract and adjust or settle the default found by the Secretary of Transportation or the court to exist.”

Subordination of Secretary's Interest to Reconstruction Finance Corporation

[Section 612 was classified to section 1182 of the former Appendix to this title and was repealed by Pub. L. 101-225, title III, §307(7), Dec. 12, 1989, 103 Stat. 1925.]

Off-Season Cruises by Passenger Vessels

“SEC. 613. (a) In this section, ‘passenger vessel’ means a vessel which (1) is of not less than ten thousand gross tons, and (2) has accommodations for not less than one hundred passengers.

“(b) If the Secretary of Transportation finds that the operation of any passenger vessel with respect to which a contract for the payment of an operating-differential subsidy has been entered into under section 603 of this

title effective before January 2, 1960, is not required for all of each year, in order to furnish adequate service on the service, route, or line covered by such contract, he may amend such contract to agree to pay an operating-differential subsidy for operation of the vessel (1) on such service, route, or line for some part or no part of each year, and (2) on cruises for all or part of each year if such specific cruise is approved by the Secretary of Transportation under subsection (e) of this section: *Provided, however,* That no such vessel may cruise for more than seven months of each year to ports which are regularly served by another United States-flag passenger vessel pursuant to an operating-differential subsidy contract.

“(c) The Secretary of Transportation may authorize passenger vessels under operating-differential subsidy contracts to provide domestic service between specified ports while the vessels are on voyages in an essential service in the foreign commerce of the United States without reduction of operating-differential subsidy and the partial payback of construction-differential subsidy for operating in the domestic trades, if he finds that such domestic service will not result in a substantial deviation from the service, route, or line for which operating-differential subsidy is paid and will not adversely affect service on such service, route, or line.

“(d) When a vessel is being operated on cruises or has been authorized under this section to provide domestic passenger services while on voyages in an essential service in foreign commerce of the United States—

“(1) except as provided in subdivision (4) of this subsection, it shall carry no mail unless required by law, or cargo except passengers’ luggage, except between those ports between which it may carry mail and cargo on its regular service assigned by contract;

“(2) it may not carry one-way passengers between those ports served by another United States carrier on its regular service assigned by contract, without the consent of such carrier, except between those ports between which it may carry one-way passengers on its own regular service assigned by contract;

“(3) it shall stop at other domestic ports only for the same time and the same purpose as is permitted with respect to a foreign-flag vessel which is carrying passengers who embarked at a domestic port, except that a cruise may end at a different port or coast from that where it began and may embark or disembark passengers at other domestic ports, either when not involving transportation in the domestic offshore trade in competition with a United States-flag passenger vessel offering berth service therein, or, if involving such transportation, with the consent of such carrier: *Provided, however,* That nothing herein shall be construed to repeal or modify section 805(a) of this Act [now 46 U.S.C. 58101].

“(4) Any other provisions of the Merchant Marine Act, 1936 [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title] or of the Shipping Act, 1916 [former 46 U.S.C. App. 801 et seq., see Disposition Table preceding section 101 of this title], to the contrary notwithstanding, with the approval of the Secretary of Transportation, it may carry cargo and mail between ports to the extent such carriage is not in direct competition with a carrier offering United States-flag berth service between those ports, or, if such carriage is in direct competition with one or more carriers offering United States-flag berth service between such ports, with the consent of the next scheduled United States-flag carrier, which consent shall not be unreasonably withheld in the judgment of the Maritime Administrator.

“Section 605(c) of this Act shall not apply to cruises authorized under this section. Notwithstanding the applicable provisions of sections 605(a) and 506 [set out above] of this Act requiring the reduction of operating differential subsidy and the partial payback of construction differential subsidy for operating in the domestic trades, such reduction of operating subsidy and partial payback of construction subsidy under sections 605(a) and 506, respectively, shall not apply to cruises or domestic services authorized under this section.

“(e) Upon the application of any operator for approval of a specific cruise, the Secretary of Transportation, after notice to all other American flag operators who may be affected and after affording all such operators an opportunity to submit written data, views or arguments, with or without opportunity to present the same orally in any manner, and after consideration of all relevant matter presented, shall approve the proposed cruise, if he determines that the proposed cruise will not substantially adversely affect an existing operator’s service performed with passenger vessels of United States registry. Such approval shall not be given more than two years in advance of the beginning of the cruise.”

(As added Pub. L. 87-45, §1, May 27, 1961, 75 Stat. 89; and amended Pub. L. 90-358, §§1, 2, June 22, 1968, 82 Stat. 248; Pub. L. 91-250, May 14, 1970, 84 Stat. 215; Pub. L. 92-323, June 30, 1972, 86 Stat. 389; Pub. L. 97-31, §12(102), Aug. 6, 1981, 95 Stat. 162.)

Suspension of Operating Differential Subsidy Contracts by Operator Recipients

“SEC. 614. (a) Any operator receiving operating differential subsidy funds may elect, for all or a portion of its ships, to suspend its operating differential subsidy contract with all attendant statutory and contractual restrictions, except as to those pertaining to the domestic intercoastal or coastwise service, including any agreement providing for the replacement of vessels, if—

“(1) the vessel is less than ten years of age;

“(2) the suspension period is not less than twelve months;

“(3) the operator’s financial condition is maintained at a level acceptable to the Secretary of Commerce; and

“(4) the owner agrees to pay to the Secretary, upon such terms and conditions as he may prescribe, an amount which bears the same proportion to the construction differential subsidy paid by the Secretary as the portion of the suspension period during which the vessel is operated in any preference trade from which a subsidized vessel would otherwise be excluded by law or contract bears to the entire economic life of the vessel.

“(b) Any operator making an election under this section is entitled to full reinstatement of the suspended contract on request. The Secretary of Commerce may prescribe rules and regulations consistent with the purpose of this section.”

(As added Pub. L. 97-35, title XVI, §1603, Aug. 13, 1981, 95 Stat. 751.)

Construction, Reconstruction, or Acquisition of Vessels Over Five Thousand Deadweight Tons in Foreign Shipyards; Preconditions

“SEC. 615. (a) The Secretary of Commerce may, until September 30, 1983, authorize an operator receiving or applying for operating differential subsidy under this title to construct, reconstruct, or acquire its vessels of over five thousand deadweight tons in a foreign shipyard if the Secretary finds and certifies in writing that such operator’s application for construction differential subsidy cannot be approved due to the unavailability of funds in the construction differential subsidy account. Vessels constructed, reconstructed, or modified pursuant to this section shall be deemed to have been United States built for the purposes of this title, section 901(b) of this Act [now 46 U.S.C. 55305], and section 5(7) of the Port and Tanker Safety Act of 1978 (46 U.S.C. 391(a)(7) [391a(7)]) [now 46 U.S.C. 3704-3709]: *Provided*, That the provisions of section 607 of this Act shall not apply to vessels constructed, reconstructed, modified, or acquired pursuant to this section.

“(b) The provisions of this section shall be effective for fiscal year 1983 only if the President in his annual budget message for that year requests at least \$100,000,000 in construction differential subsidy or proposes an alternate program that would create equiva-

lent merchant shipbuilding activity in privately owned United States shipyards and the Secretary reports to Congress on the effect such action will have on the shipyard mobilization base at least thirty days prior to making the certification referred to in subsection (a).”

(As added Pub. L. 97-35, title XVI, §1610, Aug. 13, 1981, 95 Stat. 753.)

Wind-Up of Program

“SEC. 616. (a) After the date of enactment of the Maritime Security Act of 1996 [Oct. 8, 1996], the Secretary of Transportation shall not enter into any new contract for operating-differential subsidy under this subtitle.

“(b) Notwithstanding any other provision of this Act [former 46 U.S.C. App. 1101 et seq., see Disposition Table preceding section 101 of this title], any operating-differential subsidy contract in effect under this title on the day before the date of enactment of the Maritime Security Act of 1996 [Oct. 8, 1996], shall continue in effect and terminate as set forth in the contract, unless voluntarily terminated at an earlier date by the parties (other than the United States Government) to the contract.

“(c) The essential service requirements of section[s] 601(a) and 603(b), and the provisions of sections 605(c) and 809(a) [set out as a note below], shall not apply to the operating-differential subsidy program under this subtitle effective upon the earlier of—

“(1) the date that a payment is made, under the Maritime Security Program established by subtitle B [former 46 U.S.C. App. 1187 et seq.] to a contractor under that subtitle who is not party to an operating-differential subsidy contract under this subtitle, with the Secretary to cause notice of the date of such payment to be published in the Federal Register as soon as possible; or

“(2) with respect to a particular contractor under the operating-differential subsidy program, the date that contractor enters into a contract with the Secretary under the Maritime Security Program established by subtitle B.

“(d)(1) Notwithstanding any other provision of law, a vessel may be transferred and registered under an effective United States-controlled foreign flag if—

“(A) the operator of the vessel receives an operating-differential subsidy pursuant to a contract under this subtitle which is in force on October 1, 1994, and the Secretary approves the replacement of such vessel with a comparable vessel, or

“(B) the vessel is covered by an operating agreement under subtitle B, and the Secretary approves the replacement of such vessel with a comparable vessel for inclusion in the Maritime Security Fleet established under subtitle B.

“(2) Any such vessel may be requisitioned by the Secretary of Transportation pursuant to section 902 [now 46 U.S.C. 56301 et seq.]”

et seq., see Disposition Table preceding section 101 of this title] shall contain provisions requiring (1) that, the contractor and every affiliate, domestic agent, subsidiary, or holding company connected with, or directly or indirectly controlling or controlled by, the contractor, to keep its books, records, and accounts, relating to the maintenance, operation, and servicing of the vessels, services, routes, and lines covered by the contract, in such form and under such regulations as may be prescribed by the Secretary of Transportation; *Provided*, That the provisions of this paragraph shall not require the duplication of books, records, and accounts required to be kept in some other form by the Interstate Commerce Commission; (2) that the contractor and every affiliate, domestic agent, subsidiary, or holding company connected with, or directly or indirectly controlling or controlled by, the contractor, to file, upon notice from the Secretary of Transportation, balance sheets, profit and loss statements, and such other statements of financial operations, special reports, memoranda of any facts and transactions, which in the opinion of the Secretary of Transportation affect the financial results in, the performance of, or transactions or operations under, such contract; (3) that the Secretary of Transportation shall be authorized to examine and audit the books, records, and accounts of all persons referred to in this section whenever he may deem it necessary or desirable; and (4) that upon the willful failure or refusal of any person described in this section to comply with the contract provisions required by this section, the Secretary of Transportation shall have the right to rescind the contract, and upon such rescission, the United States shall be relieved of all further liability on such contract.”

(As amended Pub. L. 97-31, §12(119), Aug. 6, 1981, 95 Stat. 164.)

Amount of Payment

“SEC. 802. Every contract executed by the Secretary of Transportation under authority of title V of this Act [former 46 U.S.C. App. 1151 et seq., see Disposition Table preceding section 101 of this title] shall provide that—

“In the event the United States shall, through purchase or requisition, acquire ownership of the vessel or vessels on which a construction-differential subsidy was paid, the owner shall be paid therefor the value thereof, but in no event shall such payment exceed the actual depreciated construction cost thereof (together with the actual depreciated cost of capital improvements thereon, but excluding the cost of national-defense features) less the depreciated amount of construction-differential subsidy theretofore paid incident to the construction or reconditioning of such vessel or vessels, or the fair and reasonable scrap value of such vessel as determined by the Secretary of Transportation, whichever is the greater. Such determination shall be final. In computing the depreciated value of such vessel, depreciation shall be computed on each vessel on the schedule adopted by the Bureau of Internal Revenue [Internal Revenue Service] for income-tax purposes.

“The foregoing provision respecting the requisition or the acquisition of ownership by the United States shall run with the title to such vessel or vessels and be binding on all owners thereof.”

(As amended June 29, 1936, ch. 858, title VIII, §802, 49 Stat. 2011; June 23, 1938, ch. 600, §33, 52 Stat. 962; Aug. 7, 1939, ch. 555, §2, 53 Stat. 1254; Pub. L. 97-31, §12(120), Aug. 6, 1981, 95 Stat. 164.)

requirements of the Atlantic, Gulf, Great Lakes, and Pacific ports of the United States. In order to assure equitable treatment for each range of ports referred to in the preceding sentence, not less than 10 percent of the funds appropriated for construction-differential subsidy and operating-differential subsidy pursuant to this Act or any law authorizing funds for the purposes of this Act shall be allocated to each such port range: *Provided, however*, That such allocation shall apply to the extent that subsidy contracts are approved by the Secretary of Transportation. For the purposes of this section, the Secretary shall establish trade routes, services, or lines that take into account the seasonal closure of the Saint Lawrence Seaway and provide for alternate routing of ships via a different range of ports during that closure so as to maintain continuity of service on a year-round basis. For the purposes of section 605(c) [set out above], such an alternate routing via a different range of ports shall be deemed to be service from Great Lakes ports, provided such alternative routing is based upon receipt or delivery of cargo at Great Lakes-Saint Lawrence Seaway ports under through intermodal bills of lading. The Secretary shall include in the annual report pursuant to section 208 of this Act [former 46 U.S.C. App. 1118, see 46 U.S.C. 50111(a)] a detailed report (1) describing the actions that have been taken pursuant to this Act to assure insofar as possible that direct and adequate service is provided by United States-flag commercial vessels to each range of ports referred to in this section; and (2) including any recommendations for additional legislation that may be necessary to achieve the purpose of this section. ¹ So in original. Probably should be “through”.

(f) PRIORITY IN ALLOCATION OF AVAILABLE AMOUNTS.—If the amount available for a fiscal year for making payments under operating agreements under this chapter is not sufficient to pay the full amount authorized under each agreement pursuant to this section for such fiscal year, the amount available shall be allocated among such agreements in a manner that gives priority to payments for vessels that are subject to agreements under section 3517 of the Maritime Security Act of 2003 (46 U.S.C. 53101 note). § 53107. National security requirements

(a) EMERGENCY PREPAREDNESS AGREEMENT REQUIRED.—The Secretary shall establish an Emergency Preparedness Program under this section that is approved by the Secretary of Defense. Under the program, the Secretary, in conjunction with the Secretary of Defense, shall include in each operating agreement under this chapter a requirement that the contractor enter into an Emergency Preparedness Agreement under this section with the Secretary. The Secretary shall negotiate and enter into an Emergency Preparedness Agreement with each contractor as promptly as practicable after the contractor has entered into an operating agreement under this chapter.

(b) TERMS OF AGREEMENT.—

(1) IN GENERAL.—An Emergency Preparedness Agreement under this section shall require that upon a request by the Secretary of Defense during time of war or national emergency, or whenever determined by the Secretary of Defense to be necessary for national security or contingency operation (as that term is defined in section 101 of title 10, United States Code), a contractor for a vessel covered by an operating agreement under this

chapter shall make available commercial transportation resources (including services).

(2) BASIC TERMS.—(A) The basic terms of the Emergency Preparedness Agreement shall be established (subject to subparagraph (B)) by the Secretary and the Secretary of Defense.

(B) In any Emergency Preparedness Agreement, the Secretary and a contractor may agree to additional or modifying terms appropriate to the contractor’s circumstances if those terms have been approved by the Secretary of Defense.

(3) DEFENSE MEASURES AGAINST UNAUTHORIZED SEIZURES.—(A) The Emergency Preparedness Agreement for any operating agreement that first takes effect or is renewed after the date of enactment of the National Defense Authorization Act for Fiscal Year 2010 shall require that any vessel operating under the agreement in the carriage of cargo for the Department of Defense in an area that is designated by the Coast Guard as an area of high risk of piracy shall be equipped with, at a minimum, appropriate non-lethal defense measures to protect the vessel, crew, and cargo from unauthorized seizure at sea.

(B) The Secretary of Defense and the Secretary of the department in which the Coast Guard is operating shall jointly prescribe the non-lethal defense measures that are required under this paragraph.

(c) PARTICIPATION AFTER EXPIRATION OF OPERATING AGREEMENT.—Except as provided by section 53105(d), the Secretary may not require, through an Emergency Preparedness Agreement or operating agreement, that a contractor continue to participate in an Emergency Preparedness Agreement after the operating agreement with the contractor has expired according to its terms or is otherwise no longer in effect. After expiration of an Emergency Preparedness Agreement, a contractor may volunteer to continue to participate in such an agreement.

(d) RESOURCES MADE AVAILABLE.—The commercial transportation resources to be made available under an Emergency Preparedness Agreement shall include vessels or capacity in vessels, intermodal systems and equipment, terminal facilities, intermodal and management services, and other related services, or any agreed portion of such nonvessel resources for activation as the Secretary of Defense may determine to be necessary, seeking to minimize disruption of the contractor’s service to commercial shippers.

(e) COMPENSATION.—

(1) IN GENERAL.—The Secretary shall include in each Emergency Preparedness Agreement provisions approved by the Secretary of Defense under which the Secretary of Defense shall pay fair and reasonable compensation for all commercial transportation resources provided pursuant to this section.

(2) SPECIFIC REQUIREMENTS.—Compensation under this subsection—

(A) shall not be less than the contractor’s commercial market charges for like transportation resources;

(B) shall be fair and reasonable considering all circumstances;

(C) shall be provided from the time that a vessel or resource is required by the Sec-

retary of Defense until the time that it is re-delivered to the contractor and is available to reenter commercial service; and

(D) shall be in addition to and shall not in any way reflect amounts payable under section 53106.

(f) TEMPORARY REPLACEMENT VESSELS.—Notwithstanding section 55302(a), 55304, 55305, or 55314 of this title, section 2631 of title 10, or any other cargo preference law of the United States—

(1) a contractor may operate or employ in foreign commerce a foreign-flag vessel or foreign-flag vessel capacity as a temporary replacement for a United States-documented vessel or United States-documented vessel capacity that is activated by the Secretary of Defense under an Emergency Preparedness Agreement or under a primary Department of Defense-approved sealift readiness program; and

(2) such replacement vessel or vessel capacity shall be eligible during the replacement period to transport preference cargoes subject to sections 55302(a), 55304, 55305, and 55314 of this title and section 2631 of title 10 to the same extent as the eligibility of the vessel or vessel capacity replaced.

(g) REDELIVERY AND LIABILITY OF UNITED STATES FOR DAMAGES.—

(1) IN GENERAL.—All commercial transportation resources activated under an Emergency Preparedness Agreement shall, upon termination of the period of activation, be re-delivered to the contractor in the same good order and condition as when received, less ordinary wear and tear, or the Secretary of Defense shall fully compensate the contractor for any necessary repair or replacement.

(2) LIMITATION ON LIABILITY OF U.S.—Except as may be expressly agreed to in an Emergency Preparedness Agreement, or as otherwise provided by law, the Government shall not be liable for disruption of a contractor's commercial business or other consequential damages to a contractor arising from activation of commercial transportation resources under an Emergency Preparedness Agreement.

§ 53301. Definitions

(a) IN GENERAL.—In this chapter:

(1) CONSTRUCTION CONTRACT.—The term “construction contract” includes, for a taxpayer constructing a new vessel in a shipyard owned by that taxpayer, an agreement between the taxpayer and the Secretary of Transportation for that construction containing provisions the Secretary considers advisable to carry out this chapter.

(2) NEW VESSEL.—The term “new vessel” means—

(A) a vessel—

(i) constructed in the United States after December 31, 1939, constructed with a construction-differential subsidy under title V of the Merchant Marine Act, 1936, or constructed with financing or a financing guarantee under chapter 537 or 575 of this title;

(ii) documented or agreed with the Secretary to be documented under the laws of the United States; and

(iii)(I) of a type, size, and speed that the Secretary determines is suitable for use on the high seas or Great Lakes in carrying out this subtitle, but not less than 2,000 gross tons or less than 12 knots speed unless the Secretary certifies in each case that a vessel of lesser tonnage or speed is desirable for use by the United States Government in case of war or national emergency; or

(II) constructed to replace a vessel bought or requisitioned by the Government; and

(B) a vessel reconstructed or reconditioned for use only on the Great Lakes, including the Saint Lawrence River and Gulf, if the Secretary finds that the reconstruction or reconditioning will promote the objectives of this subtitle.

In subsection (a)(2)(A)(i), the words “constructed with a construction-differential subsidy under title V of the Merchant Marine Act, 1936, or constructed with financing or a financing guarantee under chapter 537 or 575 of this title” are substituted for “the construction of which has been financed under subchapters V or VII of this chapter, or the construction of which has been aided by a mortgage insured under subchapter XI of this chapter” because of the reorganization of the material and the omission from the revised title of the provisions relating to the construction-differential subsidy program.

Subsection (a)(2)(B) is substituted for the source provision to state more directly that a vessel described in

the source provision is a new vessel for purposes of this chapter.

In paragraph (4), the words “interest or other amounts accrued on deposits in the fund” are substituted for “receipts, in the form of interest or otherwise, with respect to amounts previously deposited” for clarity and to eliminate unnecessary words.

§ 53306. Recognition of gain for tax purposes

(a) DEFINITIONS.—In this section, the terms “net proceeds” and “net indemnity” mean the sum of—

- (1) the adjusted basis of the vessel; and
- (2) the amount of gain the taxpayer would recognize without regard to this section.

(b) RECOGNITION OF GAIN.—In computing net income under the income or excess profits tax laws of the United States, a taxpayer does not recognize a gain on the sale or the actual or constructive total loss of a vessel if the taxpayer—

(1) deposits an amount equal to the net proceeds of the sale or the net indemnity for the loss in a construction reserve fund within 60 days after receiving the payment of proceeds or indemnity; and

(2) elects under this section not to recognize the gain.

(c) WHEN ELECTION MUST BE MADE.—

(1) IN GENERAL.—Except as provided in paragraph (2), the taxpayer must make the election referred to in subsection (b) in the taxpayer's income tax return for the taxable year in which the gain was realized.

(2) RECEIPT AFTER TAXABLE YEAR.—If the vessel is bought or requisitioned by the United States Government, or is lost, and the taxpayer receives payment for the vessel or indemnity for the loss from the Government after the end of the taxable year in which it was bought, requisitioned, or lost, the taxpayer must make the election referred to in subsection (b) within 60 days after receiving the payment or indemnity, on a form prescribed by the Secretary of the Treasury.

The words "are deemed to have been retained for the reasonable needs of the business within the meaning of section 537(a) of the Internal Revenue Code of 1986 (26 U.S.C. 537(a))" are substituted for "shall not constitute an accumulation of earnings or profits within the meaning of section 102 of the Internal Revenue Code" because section 102 of the Internal Revenue Code of 1939 has been superseded by part 1 of subchapter G of chapter 1 of the Internal Revenue Code of 1986 (26 U.S.C. 531 et seq.). § 53310. Obligation of deposits and period for construction of certain vessels

(a) APPLICATION OF SECTIONS 53306 AND 53309.—Sections 53306 and 53309 of this title apply to a deposit in a construction reserve fund only if, within 3 years after the date of the deposit (and any extension under subsection (c))—

- (1)(A) a contract is made for the construction or acquisition of a new vessel or, with the approval of the Secretary of Transportation, for a part interest in a new vessel or for the reconstruction or reconditioning of a new vessel;
- (B) the deposit is expended or obligated for expenditure under that contract;
- (C) at least 12.5 percent of the construction or contract price of the vessel is paid or irrevocably committed for payment; and
- (D) the plans and specifications for the vessel are approved by the Secretary to the extent the Secretary considers necessary; or

(2) the deposit is expended or obligated for expenditure for the liquidation of existing or subsequently incurred purchase-money indebtedness to a person not a parent company of, or a company affiliated or associated with, the mortgagor on a new vessel.

(b) ADDITIONAL REQUIREMENTS FOR CERTAIN VESSELS.—In addition to the requirements of subsection (a)(1), for a vessel not constructed under a construction-differential subsidy contract or not bought from the Secretary of Transportation—

- (1) at least 5 percent of the construction (or, if the contract covers more than one vessel, at least 5 percent of the construction of the first vessel) must be completed within 6 months after the date of the construction contract (or within the period of an extension under subsection (c)), as estimated by the Secretary and certified by the Secretary to the Secretary of the Treasury; and
- (2) construction under the contract must be completed with reasonable dispatch thereafter.

(c) EXTENSIONS.—The Secretary of Transportation may grant extensions of the period within which the deposits must be expended or obligated or within which the construction must have progressed to the extent of 5 percent completion under this section. However, the extensions may not be for a total of more than 2 years for the expenditure or obligation of deposits or one year for the progress of construction.

In this section, the language about joint regulations in 46 App. U.S.C. 1161(g) and (h) is omitted as unnecessary because of section 53302(b) of the revised title.

§ 53311. Taxation of deposits on failure of conditions

A deposited gain, if otherwise taxable income under the law applicable to the taxable year in which the gain was realized, shall be included in gross income for that taxable year, except for purposes of the declared value excess profits tax and the capital stock tax, if—

- (1) the deposited gain is not expended or obligated within the appropriate period under section 53310 of this title;
- (2) the deposited gain is withdrawn before the end of that period;
- (3) the construction related to that deposited gain has not progressed to the extent of 5 percent of completion within the appropriate period under section 53310 of this title; or
- (4) the Secretary of Transportation finds and certifies to the Secretary of the Treasury that, for causes within the control of the taxpayer, the entire construction related to that deposited gain is not completed with reasonable dispatch.

The remaining amount of the withdrawal shall be treated as a nonqualified withdrawal.

(A) no interest shall be payable under section 6601 of such Code (26 U.S.C. 6601) and no addition to the tax shall be payable under section 6651 of such Code (26 U.S.C. 6651);

(4) EXCESS EARNINGS.—If the Secretary determines that the balance in a capital construction fund exceeds the amount appropriate to meet the vessel construction program objectives of the person that established the fund, the amount of the excess shall be treated as a nonqualified withdrawal under paragraph (1) unless the person develops appropriate program objectives within 3 years to dissipate the excess.

In paragraph (2), the words “but shall not be limited to” are omitted as unnecessary.

In paragraph (4)(B), the words “become or remain” are substituted for “be placed under or continued to be” for clarity.

In paragraph (5)(B)(i), the words “individual who is a citizen of the United States” are substituted for “individual who is a citizen or national of the United States or a citizen of the Northern Mariana Islands” in 46 App. U.S.C. 1271(k) because of the definition of “citizen of the United States” in chapter 1 of the revised title. Citizens of the Northern Mariana Islands became citizens or non-citizen nationals of the United States (either of which is a “citizen of the United States” as de-

defined in chapter 1 of the revised title) when the Covenant establishing the Commonwealth of the Northern Mariana Islands became effective on November 4, 1986.

In paragraph (5)(B)(ii), the words “corporation, partnership, association, or other” are omitted as *suplus* [sic]. The words “the term ‘State’ as used therein includes any State, the District of Columbia, the Commonwealth of Puerto Rico, American Samoa, the Virgin Islands of the United States, Guam, the Northern Mariana Islands, or any other Commonwealth, territory, or possession of the United States” in 46 App. U.S.C. 1271(k) are omitted as unnecessary because of the definitions of “State” and “United States” in chapter 1 of the revised title. The definition of “United States” in 46 App. U.S.C. 1271(m) is omitted as unnecessary because of the definition of “United States” in chapter 1. The words “and nationals of the United States or citizens of the Northern Mariana Islands shall be treated as citizens of the United States in meeting such ownership requirement” are omitted as unnecessary because of the definition of “citizen of the United States” in chapter 1 of the revised title.

In paragraph (8), before subparagraph (A), the words “instrument of indebtedness” are substituted for “note, bond, debenture, or other evidence of indebtedness” to eliminate unnecessary words. In subparagraph (B), the reference to section 53717 is substituted for the reference to 46 App. U.S.C. 1272 because the accounts under section 53717 replace the Federal Ship Financing Fund. See the explanation for section 53717.

AMENDMENTS

2008—Pub. L. 110-181, §3522(b), repealed Pub. L. 109-163, §3507(a)(1)(A), (b)(1). See 2006 Amendment note below.

Pub. L. 110-181, §3522(a)(10)(B), incorporated the substance of the amendment by Pub. L. 109-163, §3507(a)(1)(A), into this section by inserting “or Administrator” after “Secretary” wherever appearing in pars. (1)(B), (4), and (9)(A). See 2006 Amendment note below and section 18(a) of Pub. L. 109-304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

Pub. L. 110-181, §3522(a)(1), incorporated the substance of the amendment by Pub. L. 109-163, §3507(b)(1), into this section by adding pars. (2) and (13), redesignating former pars. (2) to (13) as (3) to (14), respectively, and striking out former par. (13), which defined “Secretary”. See 2006 Amendment note below and section 18(a) of Pub. L. 109-304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

2006—Pub. L. 109-163, §3507(a)(1)(A), (b)(1), which directed the amendment of section 1271 of the former Appendix to this title from which this section was derived, was repealed by Pub. L. 110-181, §3522(b). See 2008 Amendment notes and Historical and Revision notes above.

§ 53702. General authority

(a) IN GENERAL.—The Secretary or Administrator, on terms the Secretary or Administrator may prescribe, may guarantee or make a commitment to guarantee the payment of the principal of and interest on an obligation eligible to be guaranteed under this chapter. A guarantee or commitment to guarantee shall cover 100 percent of the principal and interest.

(b) DIRECT LOANS FOR FISHERIES.—

(1) IN GENERAL.—Notwithstanding any other provision of this chapter, any obligation involving a fishing vessel, fishery facility, aquaculture facility, individual fishing quota, or fishing capacity reduction program issued under this chapter after October 11, 1996, shall be a direct loan obligation for which the Secretary shall be the obligee, rather than an ob-

ligation issued to an obligee other than the Secretary and guaranteed by the Secretary. A direct loan obligation under this subsection shall be treated in the same manner and to the same extent as an obligation guaranteed under this chapter except with respect to provisions of this chapter that by their nature can only be applied to obligations guaranteed under this chapter.

(2) INTEREST RATE.—Notwithstanding any other provision of this chapter, the annual rate of interest an obligor shall pay on a direct loan obligation under this subsection is 2 percent plus the additional percent the Secretary must pay as interest to borrow from the Treasury the funds to make the loan.

REVIEW OF APPLICATIONS FOR LOANS AND GUARANTEES

Pub. L. 110-181, div. C, title XXXV, §3517, Jan. 28, 2008, 122 Stat. 595, provided that:

“(a) FINDINGS.—The Congress makes the following findings:

“(1) The maritime loan guarantee program was established by the Congress through the Merchant Marine Act, 1936 [see Short Title of 1936 Amendment

note set out under section 101 of this title] to encourage domestic shipbuilding by making available federally backed loan guarantees for new construction to ship owners and operators.

“(2) The maritime loan guarantee program has a long and successful history of ship construction with a low historical default rate.

“(3) The current process for review of applications for maritime loans in the Department of Transportation has effectively discontinued the program as envisioned by the Congress.

“(4) The President has requested no funding for the loan guarantee program despite the stated national policy to foster the development and encourage the maintenance of a merchant marine in section 50101 of title 46, United States Code.

“(5) United States commercial shipyards were placed at a competitive disadvantage in the world shipbuilding market by government subsidized foreign commercial shipyards.

“(6) The maritime loan guarantee program has the potential to modernize shipyards and the ships of the United States coastwise trade and restore a competitive position in the world shipbuilding market for United States shipyards.

“(7) The maritime loan guarantee program is a useful tool to encourage domestic shipbuilding, preserving a vital industrial capacity critical to the security of the United States.

“(b) REQUIREMENTS.—

“(1) IN GENERAL.—Within 180 days after the date of enactment of this Act [Jan. 28, 2008], the Administrator of the Maritime Administration shall develop and implement a comprehensive plan for the review of applications for loan guarantees under chapter 537 of title 46, United States Code.

“(2) DEADLINE FOR ACTION ON APPLICATION.—

“(A) TRADITIONAL APPLICATIONS.—In the comprehensive plan the Administrator will ensure that within the 90-day period following receipt of all pertinent documentation required for review of a traditional loan application, the application shall be either accepted or rejected.

“(B) NONTRADITIONAL APPLICATIONS.—In the comprehensive plan the Administrator will ensure that within the 180-day period following receipt of all pertinent documentation required for review of a nontraditional loan application, the application shall be either accepted or rejected.

“(c) SUBMISSION TO CONGRESS.—The Administrator shall submit a copy of the comprehensive plan to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Armed Services of the House of Representatives within 180 days after the date of enactment of this Act [Jan. 28, 2008].

“(d) DEFINITIONS.—In this section:

“(1) TRADITIONAL APPLICATION.—The term ‘traditional application’ means an application for a loan, guarantee, or commitment to guarantee submitted pursuant to chapter 537 of title 46, United States Code, that involves a market, technology, and financial structure of a type that has proven successful in previous applications and does not present an unreasonable risk to the United States, as determined by the Administrator of the Maritime Administration.

“(2) NONTRADITIONAL APPLICATION.—The term ‘nontraditional application’ means an application for a loan, guarantee, or commitment to guarantee submitted pursuant to chapter 537 of title 46, United States Code, that is not a traditional application, as determined by the Administrator of the Maritime Administration.”

§ 53704. Funding limits

(a) GENERAL LIMITATIONS.—The total unpaid principal amount of obligations guaranteed under this chapter and outstanding at one time may not exceed \$12,000,000,000. Of that amount—

(1) \$850,000,000 shall be limited to obligations related to fishing vessels and fishery facilities; and

(2) \$3,000,000,000 shall be limited to obligations related to eligible export vessels.

(b) ADDITIONAL LIMITATIONS.—Additional limitations may not be imposed on new commitments to guarantee loans for any fiscal year, except in amounts established in advance by annual authorization laws. A vessel eligible for a guarantee under this chapter may not be denied eligibility because of its type.

(c) LIMITS BASED ON RISK FACTORS.—

(1) DEFINITION.—In this subsection, the term “cost” has the meaning given that term in section 502 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661a).

(2) SYSTEM OF RISK CATEGORIES.—The Secretary or Administrator shall—

(A) establish, and update annually, a system of risk categories for obligations guaranteed under this chapter that categorizes the relative risk of guarantees based on the risk factors set forth in paragraph (4);

(B) determine annually for each risk category a subsidy rate equivalent to the cost of obligations in the category, expressed as a percentage of the amount guaranteed for obligations in the category; and

(C) ensure that each risk category is comprised of loans that are relatively homogeneous in cost and share characteristics predictive of defaults and other costs, given the facts known at the time of obligation or commitment, using a risk category system that is based on historical analysis of program data and statistical evidence concerning the likely costs of defaults or other costs that are expected to be associated with the loans in the category.

(3) USE OF SYSTEM.—

(A) PLACING OBLIGATION IN CATEGORY.—Before making a guarantee under this chapter for an obligation, and annually for projects subject to a guarantee, the Secretary or Administrator shall apply the risk factors specified in paragraph (4) to place the obligation in a risk category established under paragraph (2).

(B) REDUCTION OF AVAILABLE AMOUNT.—The Secretary or Administrator shall consider the total amount available to the Secretary or Administrator for making guarantees under this chapter to be reduced by the amount determined by multiplying—

(i) the amount guaranteed under this chapter for an obligation; by

(ii) the subsidy rate for the category in which the obligation is placed under subparagraph (A).

(C) ESTIMATED COST.—The estimated cost to the United States Government of a guarantee under this chapter for an obligation is deemed to be the amount determined under subparagraph (B) for the obligation.

(D) RESTRICTION ON FURTHER GUARANTEES.—The Secretary or Administrator may not guarantee obligations under this chapter after the total amount available to the Secretary or Administrator under appropriations laws for the cost of loan guarantees is considered to be reduced to zero under subparagraph (B).

(4) RISK FACTORS.—The risk factors referred to in this subsection are—

(A) if applicable, the country risk for each eligible export vessel financed or to be financed by an obligation;

(B) the period for which an obligation is guaranteed or to be guaranteed;

(C) the amount of an obligation guaranteed or to be guaranteed in relation to the total cost of the project financed or to be financed by the obligation;

(D) the financial condition of an obligor or applicant for a guarantee;

(E) if applicable, other guarantees related to the project;

(F) if applicable, the projected employment of each vessel or equipment to be financed with an obligation;

(G) if applicable, the projected market that will be served by each vessel or equipment to be financed with an obligation;

(H) the collateral provided for a guarantee for an obligation;

(I) the management and operating experience of an obligor or applicant for a guarantee;

(J) whether a guarantee under this chapter is or will be in effect during the construction period of the project; and

(K) the concentration risk presented by an unduly large percentage of loans outstanding by any one borrower or group of affiliated borrowers.

§ 53705. Pledge of United States Government

(a) FULL FAITH AND CREDIT.—The full faith and credit of the United States Government is pledged to the payment of a guarantee made under this chapter, for both principal and interest, including interest (as may be provided for in the guarantee) accruing between the date of default under a guaranteed obligation and the date of payment in full of the guarantee.

(b) INCONTESTABILITY.—A guarantee or commitment to guarantee made under this chapter is conclusive evidence of the eligibility of the obligation for the guarantee. The validity of a guarantee or commitment to guarantee made under this chapter is incontestable.

L. 110-181. See Historical and Revision notes above.

§ 53706. Eligible purposes of obligations

(a) IN GENERAL.—To be eligible for a guarantee under this chapter, an obligation must aid in any of the following:

(1)(A) Financing (including reimbursement of an obligor for expenditures previously made

for) the construction, reconstruction, or reconditioning of a vessel (including an eligible export vessel) designed principally for research, or for commercial use—

- (i) in the coastwise or intercoastal trade;
- (ii) on the Great Lakes, or on bays, sounds, rivers, harbors, or inland lakes of the United States;
- (iii) in foreign trade as defined in section 109(b) of this title;
- (iv) as an ocean thermal energy conversion facility or plantship;
- (v) as a floating drydock in the construction, reconstruction, reconditioning, or repair of vessels; or
- (vi) as an eligible export vessel in worldwide trade.

(B) A guarantee under subparagraph (A) may not be made more than one year after delivery of the vessel (or redelivery if the vessel was reconstructed or reconditioned) unless the proceeds of the obligation are used to finance the construction, reconstruction, or reconditioning of a vessel or of facilities or equipment related to marine operations.

(2) Financing (including reimbursement of an obligor for expenditures previously made for) the construction, reconstruction, reconditioning, or purchase of a vessel owned by citizens of the United States and designed principally for research, or for commercial use in the fishing industry.

(3) Financing the purchase, reconstruction, or reconditioning of a vessel or fishery facility—

(A) for which an obligation was guaranteed under this chapter; and

(B) that, under subchapter II of this chapter—

(i) is a vessel or fishery facility for which an obligation was accelerated and paid;

(ii) was acquired by the Federal Ship Financing Fund or successor account under section 53717 of this title; or

(iii) was sold at foreclosure begun or intervened in by the Secretary or Administrator.

(4) Financing any part of the repayment to the United States Government of any amount of a construction-differential subsidy paid for a vessel.

(5) Refinancing an existing obligation (regardless of whether guaranteed under this chapter) issued for a purpose described in paragraphs (1)–(4), including a short-term obligation incurred to obtain temporary funds with the intention of refinancing.

(6) Financing or refinancing (including reimbursement of an obligor for expenditures previously made for) the construction, reconstruction, reconditioning, or purchase of a fishery facility.

(7) Financing or refinancing—

(A) the purchase of individual fishing quotas in accordance with section 303(d)(4) of the Magnuson-Stevens Fishery Conservation and Management Act (including the reimbursement of obligors for expenditures previously made for such a purchase);

(B) activities that assist in the transition to reduced fishing capacity; or

(C) technologies or upgrades designed to improve collection and reporting of fishery-dependent data, to reduce bycatch, to improve selectivity or reduce adverse impacts of fishing gear, or to improve safety.

(b) NON-VESSELS TREATED AS VESSELS.—An obligation guaranteed under subsection (a)(6) or (7) shall be treated, for purposes of this chapter, in the same manner and to the same extent as an obligation that aids in financing the construction, reconstruction, reconditioning, or purchase of a vessel, except with respect to provisions that by their nature can only be applied to vessels.

(c) PRIORITIES FOR CERTAIN VESSELS.—

(1) VESSELS.—In guaranteeing or making a commitment to guarantee an obligation under this chapter, the Administrator shall give priority to—

(A) a vessel that is otherwise eligible for a guarantee and is constructed with assistance under subtitle D of the Maritime Security Act of 2003 (46 U.S.C. 53101 note); and

(B) after applying subparagraph (A), a vessel that is otherwise eligible for a guarantee and that the Secretary of Defense determines—

§ 53708. Findings related to economic soundness

(a) BY ADMINISTRATOR.—The Administrator may not guarantee or make a commitment to guarantee an obligation under this chapter unless the Administrator finds that the property or project for which the obligation will be executed will be economically sound. In making that finding, the Administrator shall consider—

- (1) the need in the particular segment of the maritime industry for new or additional capacity, including any impact on existing equipment for which a guarantee under this chapter is in effect;
- (2) the market potential for employment of the vessel over the life of the guarantee;
- (3) projected revenues and expenses associated with employment of the vessel;
- (4) any charter, contract of affreightment, transportation agreement, or similar agreement or undertaking relevant to the employment of the vessel;
- (5) other relevant criteria; and
- (6) for inland waterways, the need for technical improvements, including increased fuel efficiency or improved safety.

(b) BY SECRETARY.—The Secretary may not guarantee or make a commitment to guarantee an obligation under this chapter unless the Secretary finds, at or prior to the time the commitment is made or the guarantee becomes effective, that—

- (1) the property or project for which the obligation will be executed will be economically sound; and
- (2) for a fishing vessel, the purpose of the financing or refinancing is consistent with—
 - (A) the wise use of the fisheries resources and the development, advancement, management, conservation, and protection of the fisheries resources; or
 - (B) the need for technical improvements, including increased fuel efficiency or improved safety.

(c) USED FISHING VESSELS AND FACILITIES.—The Secretary may not guarantee or make a commitment to guarantee an obligation under this chapter for the purchase of a used fishing vessel or used fishery facility unless the vessel or facility will be—

aspects of an application under this chapter require independent analysis to be conducted by third party experts due to risk factors associated with markets, technology, or financial structures. A third party independent analysis conducted under this subsection shall be performed by a private sector expert in assessing such risk factors who is selected by the Secretary or Administrator.

(e) ADDITIONAL EQUITY BECAUSE OF INCREASED RISKS.—Notwithstanding any other provision of this chapter, the Secretary or Administrator may make a determination that an application under this title requires additional equity because of increased risk factors associated with markets, technology, or financial structures.

§ 53709. Amount of obligations

(a) IN GENERAL.—The principal of an obligation may not be guaranteed in an amount greater than the amount determined by multiplying the percentage applicable under subsection (b) by—

(1) the amount paid by or for the account of the obligor (as determined by the Secretary or Administrator, which determination shall be conclusive) for the construction, reconstruction, or reconditioning of the vessel used as security for the guarantee; or

(2) if the obligor creates an escrow fund under section 53715 of this title, the actual cost of the vessel.

(2) CERTAIN APPROVED VESSELS.—The principal amount may not exceed 87.5 percent of the actual cost or depreciated actual cost if—

(A) the size and speed of the vessel are approved by the Secretary or Administrator;

(B) the vessel is or would have been eligible for mortgage aid for construction under section 509 of the Merchant Marine Act, 1936, or would have been eligible except that the vessel was built with a construction-differential subsidy and the subsidy has been repaid; and

(C) the vessel is of a type described in that section for which the minimum down payment required by that section is 12.5 percent of the cost of the vessel.

(3) BARGES.—For a barge constructed without a construction-differential subsidy or for which the subsidy has been repaid, the principal amount may not exceed 87.5 percent of the actual cost or depreciated actual cost.

(6) ELIGIBLE EXPORT VESSELS.—For an eligible export vessel, the principal amount may not exceed 87.5 percent of the actual cost or depreciated actual cost.

(c) SECURITY INVOLVING MULTIPLE VESSELS.—The principal amount of an obligation having more than one vessel as security for the guarantee may not exceed the sum of the principal amounts allowable for all the vessels.

(d) PROHIBITION ON UNIFORM PERCENTAGE LIMITATIONS.—The Secretary or Administrator may not establish a percentage under any provision of subsection (b) that is to be applied uniformly to all guarantees or commitments to guarantee made under that provision.

(e) PROHIBITION ON MINIMUM PRINCIPAL AMOUNT.—The Secretary may not establish, as a condition of eligibility for a guarantee under this chapter, a minimum principal amount for an obligation covering the reconstruction or reconditioning of a fishing vessel or fishery facility. For purposes of this chapter, the reconstruction or reconditioning of a fishing vessel or fishery facility does not include the routine minor repair or maintenance of the vessel or facility.

§ 53710. Contents of obligations

(a) IN GENERAL.—An obligation guaranteed under this chapter must—

(1) provide for payments by the obligor satisfactory to the Secretary or Administrator;

(2) provide for interest (exclusive of guarantee fees and other fees) at a rate not more than the annual rate on the unpaid principal that the Secretary or Administrator determines is reasonable, considering the range of interest rates prevailing in the private market for similar loans and the risks assumed by the Secretary or Administrator;

(3) have a maturity date satisfactory to the Secretary or Administrator, but—

(A) not more than 25 years after the date of delivery of the vessel used as security for the guarantee; or

(B) if the vessel has been reconstructed or reconditioned, not more than the later of—

(i) 25 years after the date of delivery of the vessel; or

(ii) the remaining years of useful life of the vessel as determined by the Secretary or Administrator; and

(4) provide, or a related agreement must provide, that if the vessel used as security for the guarantee is a delivered vessel, the vessel shall be—

(A) in class A-1, American Bureau of Shipping, or meet other standards acceptable to the Secretary or Administrator, with all required certificates, including marine inspection certificates of the Coast Guard or, in the case of an eligible export vessel, of the appropriate foreign authorities under a treaty, convention, or other international agreement to which the United States is a party, and with all outstanding requirements and recommendations necessary for class retention accomplished, unless the Secretary or Administrator permits a deferment of repairs necessary to meet these requirements; and

(B) well equipped, in good repair, and in every respect seaworthy and fit for service.

(b) PROVISIONS FOR CERTAIN PASSENGER VESSELS.—

(1) IN GENERAL.—With the Administrator’s approval, if the vessel used as security for the guarantee is a passenger vessel having the tonnage, speed, passenger accommodations, and other characteristics described in section 503 of the Merchant Marine Act, 1936, an obligation guaranteed under this chapter or a related agreement may provide that—

(A) the only recourse by the United States Government against the obligor for payments under the guarantee will be repossession of the vessel and assignment of insurance claims; and

(B) the obligor’s liability for payments under the guarantee will be satisfied and discharged by the surrender of the vessel and all interest in the vessel to the Government in the condition described in paragraph (2).

(2) SURRENDER OF VESSEL.—

(A) IN GENERAL.—On surrender, the vessel must be—

(i) free and clear of all liens and encumbrances except the security interest conveyed to the Administrator under this chapter;

- (ii) in class; and
- (iii) in as good order and condition (ordinary wear and tear excepted) as when acquired by the obligor.

(B) COVERING DEFICIENCIES BY INSURANCE.—To the extent covered by insurance, a deficiency related to a requirement in subparagraph (A) may be satisfied by assignment of the obligor’s insurance claims to the Government.

(C) OTHER PROVISIONS TO PROTECT SECURITY INTERESTS.—An obligation guaranteed under this chapter and any related agreement must contain other provisions for the protection of the security interests of the Government (including acceleration, assumption, and subrogation provisions and the issuance of notes by the obligor to the Secretary or Administrator), liens and releases of liens, payment of taxes, and other matters that the Secretary or Administrator may prescribe.

During review of this bill, the American Bureau of Shipping, through counsel, explained that it disagrees with an existing interpretation by the Maritime Administration of language restated in subsection (a)(4)(A) of this section, and requested the Committee to clarify that this codification should not be construed as a ratification of that regulatory interpretation. The Committee therefore states that this codification should not be construed as an expression of any opinion whatsoever concerning any such administrative interpretation.

In subsection (a)(3), the words “subject to the provisions of paragraph (2) of subsection (c) of this section” are omitted as unnecessary.

In subsection (a)(4)(B), the words “well equipped, in good repair, and in every respect seaworthy and fit for service” are substituted for “tight, stanch, strong, and well and sufficiently tackled, appareled, furnished, and equipped, and in every respect seaworthy and in good running condition and repair, and in all respects fit for service” to eliminate unnecessary words.

In subsection (b)(1), the reference to section 503 of the Merchant Marine Act, 1936, is substituted for the reference to “subchapter V of this chapter” because the relevant characteristics referred to in the text are contained in that section and because that section is part of the construction-differential subsidy program, which is not being restated.

§ 53711. Security interest

(a) IN GENERAL.—The Secretary or Administrator may guarantee an obligation under this chapter only if the obligor conveys or agrees to convey to the Secretary or Administrator a security interest the Secretary or Administrator considers necessary to protect the interest of the United States Government.

(b) MULTIPLE VESSELS AND TYPES OF SECURITY.—The security interest may relate to more than one vessel and may consist of more than one type of security. If the security interest relates to more than one vessel, the obligation may have the latest maturity date allowable under section 53710(a)(3) of this title for any of the vessels used as security for the guarantee. However, the Secretary or Administrator may require such payments of principal prior to maturity, with respect to all related obligations, as the Secretary or Administrator considers necessary to maintain adequate security for the guarantee.

(Pub. L. 109-304, §8(c), Oct. 6, 2006, 120 Stat. 1612; Pub. L. 109-163, div. C, title XXXV, §3507(a)(1)(C), (D), Jan. 6, 2006, 119 Stat. 3555; Pub. L. 110-181, div. C, title XXXV, §3522(a)(10)(B), (b), Jan. 28, 2008, 122 Stat. 598.)

Administrator shall document the results of the monitoring on an annual or quarterly basis depending on the condition of the obligor. If the Secretary or Administrator determines that the financial condition of the obligor warrants additional protections to the Secretary or Administrator, the Secretary or Administrator shall take appropriate action under subsection (b). If the Secretary or Administrator determines that the financial condition of the obligor jeopardizes its continued ability to perform its responsibilities in connection with the guarantee of an obligation by the Secretary or Administrator, the Secretary or Administrator shall make an immediate determination whether default should take place and whether further measures described in subsection (b) should be taken to protect the interests of the Secretary or Administrator while ensuring that program objectives are met.

§ 53714. Guarantee fees

(a) REGULATIONS.—Subject to this section, the Secretary or Administrator shall prescribe regulations to assess a fee for guaranteeing an obligation under this chapter.

(b) COMPUTATION OF FEE.—

(1) IN GENERAL.—The amount of the fee for a guarantee under this chapter shall be equal to the sum of the amounts determined under paragraph (2) for the years in which the guarantee is in effect.

(2) PRESENT VALUE FOR EACH YEAR.—The amount referred to in paragraph (1) for a year in which the guarantee is in effect is the present value of the amount calculated under paragraph (3). To determine the present value, the Secretary or Administrator shall apply a discount rate determined by the Secretary of the Treasury, considering current market yields on outstanding obligations of the United States Government having periods to maturity comparable to the period to maturity for the guaranteed obligation.

(3) CALCULATION OF AMOUNT.—The amount referred to in paragraph (2) shall be calculated by multiplying—

(A) the estimated average unpaid principal amount of the obligation that will be outstanding during the year (excluding the average amount, other than interest, on deposit during the year in an escrow fund under section 53715 of this title); by

(B) the fee rate set under paragraph (4).

(4) SETTING FEE RATES.—To set the fee rate referred to in paragraph (3)(B), the Secretary or Administrator shall establish a formula that—

(A) takes into account the security provided for the guaranteed obligation; and

(B) is a sliding scale based on the creditworthiness of the obligor, using—

(i) the lowest allowable rate under paragraph (5) for the most creditworthy obligors; and

(ii) the highest allowable rate under paragraph (5) for the least creditworthy obligors.

(5) PERMISSIBLE RANGE OF RATES.—The fee rate set under paragraph (4) shall be—

(A) for a delivered vessel or equipment, at least 0.5 percent and not more than 1 percent; and

(B) for a vessel to be constructed, reconstructed, or reconditioned or equipment to be delivered, at least 0.25 percent and not more than 0.5 percent.

(c) WHEN FEE COLLECTED.—A fee for the guarantee of an obligation under this chapter shall be collected not later than the date on which an amount is first paid on the obligation.

(d) FINANCING THE FEE.—A fee paid under this section is eligible to be financed under this chapter and shall be included in the actual cost of the obligation guaranteed.

(e) NOT REFUNDABLE.—A fee paid under this section is not refundable. However, an obligor shall receive credit for the amount paid for the remaining term of the obligation if the obligation is refinanced and guaranteed under this chapter after the refinancing.

§ 53715. Escrow fund

(a) IN GENERAL.—If the proceeds of an obligation guaranteed under this chapter are to be used to finance the construction, reconstruction, or reconditioning of a vessel that will serve as security for a guarantee under this chapter, the Secretary or Administrator may accept and hold in escrow, under an escrow agreement with the obligor, a portion of the proceeds of all obligations guaranteed under this chapter whose proceeds are to be so used which is equal to—

(1) the excess of—

(A) the principal amount of all obligations whose proceeds are to be so used; over

(B) 75 percent or 87.5 percent, whichever is applicable under section 53709(b) of this title, of the amount paid by or for the account of the obligor for the construction, reconstruction, or reconditioning of the vessel; plus

(2) any interest the Secretary or Administrator may require on the amount described in paragraph (1).

(b) SECURITY INVOLVING BOTH UNCOMPLETED AND DELIVERED VESSELS.—If the security for the

guarantee of an obligation relates both to a vessel to be constructed, reconstructed, or reconditioned and to a delivered vessel, the principal amount of the obligation shall be prorated for purposes of subsection (a) under regulations prescribed by the Secretary or Administrator.

(c) DISBURSEMENT BEFORE TERMINATION OF AGREEMENT.—

(1) PURPOSES.—The Secretary or Administrator shall disburse amounts in the escrow fund, as specified in the escrow agreement, to—

(A) pay amounts the obligor is obligated to pay for—

(i) the construction, reconstruction, or reconditioning of a vessel used as security for the guarantee; and

(ii) interest on the obligations;

(B) redeem the obligations under a refinancing guaranteed under this chapter; and

(C) pay any excess interest deposits to the obligor at times provided for in the escrow agreement.

(2) MANNER OF PAYMENT.—If a payment becomes due under the guarantee before the termination of the escrow agreement, the amount in the escrow fund at the time the payment becomes due, including realized income not yet paid to the obligor, shall be paid into the appropriate account under section 53717 of this title. The amount shall be credited against amounts due or to become due from the obligor to the Secretary or Administrator on the guaranteed obligations or, to the extent not so required, be paid to the obligor.

(d) PAYMENTS REQUIRED BEFORE DISBURSEMENT.—

(1) IN GENERAL.—No disbursement shall be made under subsection (c) to any person until the total amount paid by or for the account of the obligor from sources other than the proceeds of the obligation equals at least 25 percent or 12.5 percent, whichever is applicable under section 53709(b) of this title, of the aggregate actual cost of the vessel, as previously approved by the Secretary or Administrator. If the aggregate actual cost of the vessel has increased since the Secretary's or Administrator's initial approval or if it increases after the first disbursement is permitted under this subsection, then no further disbursements shall be made under subsection (c) until the total amount paid by or for the account of the obligor from sources other than the proceeds of the obligation equals at least 25 percent or 12.5 percent, as applicable, of the increase, as determined by the Secretary or Administrator, in the aggregate actual cost of the vessel. This paragraph does not require the Secretary or Administrator to consent to finance any increase in actual cost unless the Secretary or Administrator determines that such an increase in the obligation meets all the terms and conditions of this chapter or other applicable law.

(2) DOCUMENTED PROOF OF PROGRESS REQUIREMENT.—The Secretary or Administrator shall, by regulation, establish a transparent, independent, and risk-based process for verifying and documenting the progress of projects

under construction before disbursing guaranteed loan funds. At a minimum, the process shall require documented proof of progress in connection with the construction, reconstruction, or reconditioning of a vessel or vessels before disbursements are made from the escrow fund. The Secretary or Administrator may require that the obligor provide a certificate from an independent party certifying that the requisite progress in construction, reconstruction, or reconditioning has taken place.

(e) DISBURSEMENT ON TERMINATION OF AGREEMENT.—

(1) IN GENERAL.—If a payment has not become due under the guarantee before the termination of the escrow agreement, the balance of the escrow fund at the time of termination shall be disbursed to—

(A) prepay the excess of—

(i) the principal amount of all obligations whose proceeds are to be used to finance the construction, reconstruction, or reconditioning of the vessel used or to be used as security for the guarantee; over

(ii) 75 percent or 87.5 percent, whichever is applicable under section 53709(b) of this title, of the actual cost of the vessel to the extent paid; and

(B) pay interest on that prepaid amount of principal.

(2) REMAINING BALANCE.—Any remaining balance of the escrow fund shall be paid to the obligor.

(f) INVESTMENT.—The Secretary or Administrator may invest and reinvest any part of an escrow fund in obligations of the United States Government with maturities such that the escrow fund will be available as required for purposes of the escrow agreement. Investment income shall be paid to the obligor when received.

(g) TERMS TO PROTECT GOVERNMENT.—The escrow agreement shall contain other terms the Secretary or Administrator considers necessary to protect fully the interests of the Government.

(a) CASH PAYMENT.—Amounts required to be paid by the Secretary or Administrator under section 53721 or 53722 of this title shall be paid in cash.

(b) ISSUANCE OF OBLIGATIONS.—If amounts in the appropriate account under section 53717 of this title are not sufficient to make a payment required under section 53721 or 53722 of this title, the Secretary or Administrator may issue obligations to the Secretary of the Treasury. The Secretary or Administrator, with the approval of the Secretary of the Treasury, shall prescribe the form, denomination, maturity, and other terms (except the interest rate) of the obligations. AMENDMENTS

2008—Pub. L. 110-181, §3522(b), repealed Pub. L. 109-163, §3507(a)(1)(F). See 2006 Amendment note below.

Pub. L. 110-181, §3522(a)(10)(B), incorporated the substance of the amendment by Pub. L. 109-163, §3507(a)(1)(F), into this section by inserting “or Administrator” after “Secretary” wherever appearing. See 2006 Amendment note below and section 18(a) of Pub. L. 109-304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

2006—Pub. L. 109-163, §3507(a)(1)(F), which directed the amendment of section 1275(e) of the former Appendix to this title from which this section was derived, was repealed by Pub. L. 110-181, §3522(b). See 2008 Amendment notes and Historical and Revision notes above.

SUBCHAPTER III—PARTICULAR PROJECTS

§ 53731. Commercial demonstration ocean thermal energy conversion facilities and plantships

(a) IN GENERAL.—Under subchapter I of this chapter, the Administrator may guarantee or

make a commitment to guarantee the payment of the principal of and interest on an obligation that aids in financing (including reimbursement of an obligor for expenditures previously made for) the construction, reconstruction, or reconditioning of a commercial demonstration ocean thermal energy conversion facility or plantship. This section may be used to guarantee obligations for a total of not more than 5 separate facilities and plantships or a demonstrated 400 megawatt capacity, whichever comes first.

(b) APPLICABILITY OF OTHER PROVISIONS.—Except as otherwise provided in this section, a guarantee or commitment to guarantee under this section is subject to all the provisions applicable to a guarantee or commitment to guarantee under subchapter I of this chapter.

(c) ECONOMIC SOUNDNESS.—The required determination of economic soundness under section 53708 of this title applies to a guarantee or commitment to guarantee for that portion of a facility or plantship not to be supported with appropriated Federal funds.

(d) REASONABLENESS OF RISK.—A guarantee or commitment to guarantee may not be made under this section unless the Secretary of Energy, in consultation with the Administrator, certifies to the Administrator that, for the facility or plantship for which the guarantee or commitment to guarantee is sought, there is sufficient guarantee of performance and payment to lower the risk to the United States Government to a reasonable level. In deciding whether to issue such a certification, the Secretary of Energy shall consider—

(1) the successful demonstration of the technology to be used in the facility at a scale sufficient to establish the likelihood of technical and economic viability in the proposed market; and

(2) the need of the United States to develop new and renewable sources of energy and the benefits to be realized from the construction and successful operation of the facility or plantship.

(e) AMOUNT OF OBLIGATION.—The total principal amount of an obligation guaranteed under this section may not exceed 87.5 percent of—

(1) the actual cost or depreciated actual cost of the facility or plantship; or

(2) if the facility or plantship is supported with appropriated Federal funds, the total principal amount of that portion of the actual cost or depreciated actual cost for which the obligor is obligated to secure financing under the agreement between the obligor and the Department of Energy or other Federal agency.

(f) OTEC DEMONSTRATION FUND.—

(1) IN GENERAL.—There is a special subaccount, known as the OTEC Demonstration Fund, in the account established under section 53717(b)(1) of this title.

(2) USE AND OPERATION.—The OTEC Demonstration Fund shall be used for obligation guarantees authorized under this section that do not qualify under subchapter I of this chapter. Except as otherwise provided in this section, the OTEC Demonstration Fund shall be operated in the same manner as the parent account. However—

(A) amounts received by the Administrator under subchapter I of this chapter related to guarantees or commitments to guarantee made under this section shall be deposited only in the OTEC Demonstration Fund; and

(B) when obligations issued by the Administrator under section 53723 of this title related to the OTEC Demonstration Fund are outstanding, any amount received by the Administrator under subchapter I of this chapter related to ocean thermal energy conversion facilities or plantships shall be deposited in the OTEC Demonstration Fund.

(3) TRANSFERS.—Assets in the OTEC Demonstration Fund may be transferred to the parent account when and to the extent the balance in the OTEC Demonstration Fund exceeds the total guarantees or commitments to guarantee made under this section then outstanding, plus obligations issued by the Administrator under section 53723 of this title related to the OTEC Demonstration Fund.

(4) LIABILITY.—The parent account is not liable for a guarantee or commitment to guarantee made under this section.

(5) MAXIMUM UNPAID PRINCIPAL AMOUNT.—The total unpaid principal amount of the obligations guaranteed with the backing of the OTEC Demonstration Fund and outstanding at any one time may not exceed \$1,650,000,000.

(g) ISSUANCE AND PAYMENT OF OBLIGATIONS.—Section 53723 of this title applies to the OTEC Demonstration Fund. However, obligations issued by the Administrator under that section related to the OTEC Demonstration Fund shall be payable only from proceeds realized by the OTEC Demonstration Fund.

(h) TAXATION OF INTEREST.—Interest on an obligation guaranteed under this section shall be included in gross income under chapter 1 of the Internal Revenue Code of 1986 (26 U.S.C. ch. 1).

In subsection (f)(1), the words “account established under section 53717(b)(1) of this title” are substituted for “Federal Ship Financing Fund” because the accounts under section 53717 replace the Federal Ship Financing Fund. See the explanation for section 53717.

In subsection (f)(2)(B), the word “conversion” is substituted for “conversional” to correct an apparent error.

AMENDMENTS

2008—Pub. L. 110-181, §3522(b), repealed Pub. L. 109-163, §3507(a)(2)(H). See 2006 Amendment note below.

Pub. L. 110-181, §3522(a)(9)(D), incorporated the substance of the amendment by Pub. L. 109-163, §3507(a)(2)(H), into this section by substituting “Administrator” for “Secretary” wherever appearing, except when followed by “of Energy”. See 2006 Amendment note below and section 18(a) of Pub. L. 109-304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

2006—Pub. L. 109-163, §3507(a)(2)(H), which directed the amendment of section 1279c of the former Appendix to this title from which this section was derived, was repealed by Pub. L. 110-181, §3522(b). See 2008 Amendment notes and Historical and Revision notes above.

§ 53732. Eligible export vessels

(a) APPLICABLE TERMS.—The Administrator may guarantee an obligation for an eligible export vessel in accordance with—

(1) the terms applicable under this chapter for vessels documented under the laws of the United States; or

(2) other terms the Administrator determines are more favorable than those terms and compatible with export credit terms offered by foreign governments for the sale of vessels built in foreign shipyards.

(b) INTERAGENCY COUNCIL.—

(1) ESTABLISHMENT.—There is an interagency council to carry out this section.

(2) COMPOSITION.—The council is composed of the following individuals or their designees:

(A) The Administrator, who is the chairman of the council.

(B) The Secretary of the Treasury.

(C) The Secretary of State.

(D) The Assistant to the President for Economic Policy.

(E) The United States Trade Representative.

(F) The President and Chairman of the Export-Import Bank of the United States.

(3) FUNCTIONS.—The council shall—

(A) obtain information on shipbuilding loan guarantees, direct and indirect subsidies, and other favorable treatment of shipyards provided by foreign governments to shipyards in competition with United States shipyards;

(B) consult regularly with United States shipbuilders to obtain the essential information about international shipbuilding competition on which to set terms for loan guarantees under subsection (a)(2); and

(C) provide guidance to the Administrator in establishing terms for loan guarantees under subsection (a)(2).

(4) ANNUAL REPORT.—Not later than January 31 of each year, the Administrator shall sub-

mit to Congress a report on activities of the Administrator under this section during the preceding year. The report shall include—

(A) documentation of sources of information about assistance by governments of other countries to shipyards in those countries; and

(B) a summary of recommendations made to the Administrator during the preceding year about applications submitted to the Administrator during that year for loan guarantees to construct eligible export vessels.

(c) REQUIRED FINDINGS.—

(1) BENEFIT TO SHIPBUILDING INDUSTRY.—The Administrator may not guarantee or make a commitment to guarantee an obligation for an eligible export vessel unless the Administrator finds that the construction, reconstruction, or reconditioning of the vessel will aid in the transition of United States shipyards to commercial activities or will preserve shipbuilding assets that would be essential in time of war or national emergency.

(2) PRIORITY OF DOCUMENTED VESSELS.—The Administrator may not make a commitment to guarantee an obligation for an eligible export vessel unless the Administrator determines that making the commitment will not result in denial of an economically sound application for a commitment to guarantee an obligation for a vessel documented under the laws of the United States and operating in the domestic or foreign commerce of the United States. The Administrator has sole discretion in making the determination. In making the determination, the Administrator shall consider—

(A) the status and economic soundness of pending applications for commitments to guarantee obligations for vessels documented under the laws of the United States that are operating or will be operating in the domestic or foreign commerce of the United States; and

(B) the amount of guarantee authority available.

(d) RESTRICTION ON TRANSFER OF VESSEL.—The Administrator may not guarantee or make a commitment to guarantee an obligation for an eligible export vessel unless the owner of the vessel agrees with the Administrator that the vessel will not be transferred to a country designated by the Secretary of Defense as a country whose interests are hostile to the interests of the United States.

(e) REVIEW BY SECRETARY OF DEFENSE.—

(1) NOTIFICATION.—The Administrator shall promptly notify the Secretary of Defense of the receipt of an application for a loan guarantee for an eligible export vessel.

(2) DISAPPROVAL.—The Secretary of Defense, within 30 days after receiving the notice, may disapprove the guarantee based on an assessment of the potential use of the vessel in a manner that may harm the national security interests of the United States. The Secretary of Defense may not disapprove a guarantee solely because of the type of vessel to be constructed.

(3) DELEGATION.—The authority of the Secretary of Defense to disapprove a guarantee under this subsection may be delegated only to a civilian officer of the Department of Defense appointed by the President by and with the advice and consent of the Senate.

(4) PROHIBITION.—The Administrator may not make a loan guarantee disapproved by the Secretary of Defense under this subsection.

(f) EXPIRATION OF AUTHORITY.—The Administrator may not issue a commitment to guarantee an obligation for an eligible export vessel under this chapter after the last date on which such a commitment may be issued under any treaty or convention entered into after November 30, 1993, that prohibits guarantee of such an obligation.

In subsection (f), the source provides that the authority to issue commitments to guarantee obligations for eligible export vessels expires after the later of three events. The first event, which is “(A) the 5th anniversary of the date on which the Secretary publishes final regulations setting forth the application procedures for the issuance of commitments to guarantee obligations for eligible export vessels”, is omitted because the final regulations were published on September 16, 1994. See 59 Fed. Reg. 47548. The second event, which is “(B) the last day of any 5-year period in which funding and guarantee authority for obligations for eligible export vessels have been continuously available”, is omitted because that date was November 11, 1998, five years after enactment of the Department of Defense Appropriations Act, 1994 (Pub. L. 103–139, Nov. 11, 1993, 107 Stat. 1418).

§ 53733. Shipyard modernization and improvement

(a) DEFINITIONS.—In this section:

(1) ADVANCED SHIPBUILDING TECHNOLOGY.—The term “advanced shipbuilding technology” includes—

(A) numerically controlled machine tools, robots, automated process control equipment, computerized flexible manufacturing systems, associated computer software, and other technology for improving shipbuilding and related industrial production that advance the state-of-the-art; and

(B) novel techniques and processes designed to improve shipbuilding quality, productivity, and practice, and to promote sustainable development, including engineering design, quality assurance, concurrent engineering, continuous process production technology, energy efficiency, waste minimization, design for recyclability or parts reuse, inventory management, upgraded worker skills, and communications with customers and suppliers.

(2) GENERAL SHIPYARD FACILITY.—The term “general shipyard facility” means—

(A) for operations on land—

(i) a structure or appurtenance thereto designed for the construction, reconstruction, repair, rehabilitation, or refurbishment of a vessel, including a graving dock, building way, ship lift, wharf, or pier crane;

(ii) the land necessary for the structure or appurtenance; and

(iii) equipment that is for use with the structure or appurtenance and that is necessary for performing a function referred to in clause (i); and

(B) for operations not on land, a vessel, floating drydock, or barge built in the United States and used for, equipped to be used for, or of a type normally used for, performing a function referred to in subparagraph (A)(i).

(3) MODERN SHIPBUILDING TECHNOLOGY.—The term “modern shipbuilding technology” means the best available proven technology, techniques, and processes appropriate to enhancing the productivity of shipyards.

(b) GENERAL AUTHORITY.—Under subchapter I of this chapter, the Administrator may guarantee or make a commitment to guarantee the payment of the principal of and interest on an obligation for advanced shipbuilding technology and modern shipbuilding technology of a general shipyard facility in the United States. Only a private shipyard is eligible to receive a guarantee.

(c) APPLICABILITY OF OTHER PROVISIONS.—Except as otherwise provided in this section, a guarantee or commitment to guarantee under this section is subject to all the provisions applicable to a guarantee or commitment to guarantee under subchapter I of this chapter.

(d) AMOUNT OF OBLIGATION.—The principal amount of an obligation guaranteed under this chapter may not exceed 87.5 percent of the actual cost of the advanced shipbuilding technology or modern shipbuilding technology.

(e) TRANSFER OF AMOUNTS.—The Administrator may accept the transfer of amounts from a department, agency, or instrumentality of the United States Government and may use those amounts to cover the cost (as defined in section 502 of the Federal Credit Reform Act of 1990 (2 U.S.C. 661a)) of making guarantees or commitments to guarantee under this section.

(Pub. L. 109–304, §8(c), Oct. 6, 2006, 120 Stat. 1623; Pub. L. 109–163, div. C, title XXXV, §3507(a)(2)(K), Jan. 6, 2006, 119 Stat. 3555; Pub. L. 110–181, div. C, title XXXV, §3522(a)(9)(F), (b), Jan. 28, 2008, 122 Stat. 598.)

In subsection (b), the words “and subject to the terms the Secretary shall be prescribe” are omitted as unnecessary because section 53702(a) of the revised title provides the Secretary authority to prescribe the terms. The words “Only a private shipyard is eligible to receive a guarantee” are substituted for 46 App. U.S.C. 1280a to eliminate unnecessary words.

AMENDMENTS

2008—Pub. L. 110–181, §3522(b), repealed Pub. L. 109–163, §3507(a)(2)(K). See 2006 Amendment note below.

See 2006 Amendment note below and section 18(a) of Pub. L. 109–304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

§ 53734. Replacement of vessels because of changes in operating standards

(a) GENERAL AUTHORITY.—Notwithstanding any other provision of this chapter, the Sec-

retary or Administrator, on terms the Secretary or Administrator may prescribe, may guarantee or make a commitment to guarantee the payment of the principal of and interest on an obligation that aids in financing or refinancing (including reimbursement of an obligor for expenditures previously made for) a contract for the construction or reconstruction of a vessel if—

(1) the vessel is designed and to be used for commercial use in coastwise, intercoastal, or foreign trade;

(2) the construction or reconstruction is necessary to replace a vessel that cannot continue to be operated because of a change required by law in the standards for the operation of vessels, and the applicant for the guarantee or commitment would not otherwise legally be able to continue operating vessels in the trades in which the applicant operated vessels before the change;

(3) the applicant is presently engaged in transporting cargoes in vessels of the type and class that will be constructed or reconstructed under this section and agrees to employ vessels constructed or reconstructed under this section as replacements only for vessels made obsolete by the change in operating standards;

(4) the capacity of the vessels to be constructed or reconstructed under this section will not increase the cargo carrying capacity of the vessels being replaced;

(5) the Secretary or Administrator has not determined that the market demand for the vessel over its useful life will diminish so as to make granting the guarantee fiduciarily imprudent;

(6) the vessel, if to be reconstructed, will have a useful life of at least 15 years after the reconstruction; and

(7) the Secretary or Administrator has considered the criteria specified in section 53708(a)(3)–(5) of this title.

(b) TERM AND AMOUNT OF OBLIGATION.—

(1) TERM.—The term of an obligation guaranteed under this section may not exceed 25 years.

(2) AMOUNT.—The amount of an obligation guaranteed under this section may not exceed 87.5 percent of the actual cost or depreciated actual cost to the applicant for the construction or reconstruction of the vessel. The Secretary or Administrator may not establish a percentage under this paragraph that is to be applied uniformly to all guarantees or commitments to guarantee made under this section.

(c) APPLICABILITY OF OTHER PROVISIONS.—A guarantee or commitment to guarantee under this section is also subject to sections 53701, 53702(a), 53704, 53705, 53707(a), 53708(d) and (e), 53709(a), 53710(a)(1), (2), and (4) and (c), 53711(a), 53713, 53714, 53717, and 53721–53725 of this title.

(d) SECURITY AGAINST DEFAULT.—The Secretary or Administrator shall require by regulation that an applicant under this section provide adequate security against default.

(e) GUARANTEE FEES.—The Secretary or Administrator may establish a fee for the guarantee of an obligation under this section that is in addition to the fee established under section 53714 of this title. The fee may be—

(1) an annual fee of not more than an additional 1 percent added to the fee established under section 53714 of this title; or

(2) a fee based on the amount of the obligation versus the percentage of the obligor's fleet being replaced by vessels constructed or reconstructed under this section.

In subsection (a), in paragraph (1), the words “as defined in section 1244 of this Appendix” are omitted because the definition of “foreign commerce or trade” in chapter 1 of the revised title applies without having to say so specifically. Paragraph (6) is substituted for 46 App. U.S.C. 1274a(b)(3) to improve the organization of the source provisions.

(3) not exceed \$100,000,000 in an unpaid principal amount outstanding at any one time for a program;

(4) have such maturity (not to exceed 20 years), take such form, and contain such conditions as the Secretary determines necessary for the program to which they relate;

(2) AVAILABILITY OF AMOUNTS.—Amounts in the Fund shall be available, without appropriation or fiscal year limitation, to the Secretary to pay the cost of the program, including payments to financial institutions to pay debt obligations incurred by entities under this section. Funds available for this purpose from other amounts available for the program may also be used to pay those debt obligations.

§ 53906. Hull insurance valuation

(a) **STATED VALUATION.**—The valuation in a hull insurance policy for actual or constructive total loss of the insured vessel shall be a stated valuation determined by the Secretary of Transportation. The stated valuation—

(1) shall exclude national defense features paid for by the United States Government; and

(2) may not exceed the amount that would be payable if the ownership of the vessel had been requisitioned under chapter 563 of this title at the time the insurance attached under the policy.

(b) **REJECTING STATED VALUATION.**—Within 60 days after the insurance attaches under a policy referred to in subsection (a) or within 60 days after the Secretary determines the valuation, whichever is later, the insured may reject the valuation and pay, at the rate provided in the policy, premiums based on the asserted valuation the insured specifies at the time of rejection. However, the asserted valuation is not binding on the Government in any subsequent action on the policy.

(c) **AMOUNT OF CLAIM.**—If a vessel is actually or constructively totally lost and the insured under a policy referred to in subsection (a) has not rejected the stated valuation determined by the Secretary, the amount of a claim adjusted, compromised, settled, adjudged, or paid may not exceed the stated valuation. However, if the insured has rejected the valuation, the insured—

(1) shall be paid, as a tentative advance only, 75 percent of the stated valuation; and

(2) may bring a civil action against the United States in a court having jurisdiction of the claim to recover a valuation equal to the just compensation the court determines would have been payable if the ownership of the vessel had been requisitioned under chapter 563 of this title at the time the insurance attached under the policy.

(d) **ADJUSTING PREMIUMS.**—If a court makes a determination as provided under subsection

(c)(2), premiums paid under the policy shall be adjusted based on the court's determination and the rates provided for in the policy.

§ 53907. Reinsurance

The Secretary may obtain reinsurance from such a company for any insurance provided by the Secretary under this chapter.

(b) **RATES.**—The Secretary may not provide reinsurance at rates less than, nor obtain reinsurance at rates more than, the rates established by the Secretary on the same or similar risks or the rates charged by the insurance company for the insurance reinsured, whichever is more advantageous to the Secretary. However, the Secretary may provide an allowance to the insurance company for the costs of services and facilities the company provides, in an amount the Secretary considers reasonable according to good business practice. The allowance to the company may not include any amount for soliciting or stimulating insurance business.

§ 53911. Civil actions for losses

(a) IN GENERAL.—If there is a disagreement about a loss insured under this chapter, a civil action in admiralty may be brought against the United States in the district court of the United States for the district in which the plaintiff or the plaintiff’s agent resides. If the plaintiff has no residence in the United States, the action may be brought in the United States District Court for the District of Columbia or in the district court for any district in which the Attorney General agrees to accept service. (e) INTERPLEADER.—If the Secretary acknowledges the indebtedness of the Government under the insurance and there is a dispute about the persons entitled to receive payment, the Government may bring a civil action interpleading those persons. The action shall be brought in the United States District Court for the District of Columbia or in the district court for the district in which any of those persons resides. A person not residing or found in the district may be made a party by service in any reasonable manner the court directs. If the court is satisfied that unknown persons might make a claim under the insurance, the court may direct service on those unknown persons by publication in the Federal Register. Judgment after service by publication in the Federal Register discharges the Government from further liability to all persons.

(b)(2), is contained in section 1 of Pub. L. 94-241, set out as a note under section 1801 of Title 48, Territories and Insular Possessions.

AMENDMENTS

2008—Subsec. (b). Pub. L. 110-181 inserted “or” after semicolon at end of par. (2), redesignated par. (4) as (3), and struck out former par. (3) which read as follows: “Canton Island until the President declares by proclamation that the coastwise laws apply to Canton Island; or”.

§ 55102. Transportation of merchandise

(a) DEFINITION.—In this section, the term “merchandise” includes—

- (1) merchandise owned by the United States Government, a State, or a subdivision of a State; and
- (2) valueless material.

(b) REQUIREMENTS.—Except as otherwise provided in this chapter or chapter 121 of this title, a vessel may not provide any part of the transportation of merchandise by water, or by land and water, between points in the United States to which the coastwise laws apply, either directly or via a foreign port, unless the vessel—

- (1) is wholly owned by citizens of the United States for purposes of engaging in the coastwise trade; and
- (2) has been issued a certificate of documentation with a coastwise endorsement under chapter 121 or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement.

(c) PENALTY.—Merchandise transported in violation of subsection (b) is liable to seizure by and forfeiture to the Government. Alternatively, an amount equal to the value of the merchandise (as determined by the Secretary of Homeland Security) or the actual cost of the transportation, whichever is greater, may be recovered from any person transporting the merchandise or causing the merchandise to be transported.

In subsection (a)(1), the words “(as defined in section 2101 of the [sic] title 46)” are omitted because the definition of “State” is being moved to chapter 1 and will apply to the entire title.

In subsection (b), the words “may not provide any part of the transportation of” are substituted for “No . . . shall be transported” and “or for any part of the transportation” because of the reorganization of the language. The words “including Districts, Territories,

and possessions thereof” are omitted because of the definition of “United States” in chapter 1 of the revised title. The words “to which the coastwise laws apply” are substituted for “embraced within the coastwise laws” for consistency with section 55101. The words “is wholly owned by citizens of the United States for purposes of engaging in the coastwise trade” are substituted for “owned by persons who are citizens of the United States”, and the words “has been issued a certificate of documentation with a coastwise endorsement under chapter 121” are substituted for “documented under the laws of the United States”, for clarity and consistency in the revised title. The words “or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement” are added for consistency with section 12102 as revised by the bill. The requirement that the vessel be built in the United States is omitted from this section for consistency with the requirements for a coastwise endorsement, which also require that the vessel be built in the United States except in certain circumstances. The words “or vessels to which the privilege of engaging in the coastwise trade is extended by section 808 of this Appendix or section 22 of this Act” are omitted because the relevant portion of section 808, and section 22, have been repealed.

In subsection (c), the words “any person” are substituted for “any consignor, seller, owner, importer, consignee, agent, or other person or persons” to eliminate unnecessary words.

§ 55103. Transportation of passengers

(a) IN GENERAL.—Except as otherwise provided in this chapter or chapter 121 of this title, a vessel may not transport passengers between ports or places in the United States to which the coastwise laws apply, either directly or via a foreign port, unless the vessel—

- (1) is wholly owned by citizens of the United States for purposes of engaging in the coastwise trade; and
- (2) has been issued a certificate of documentation with a coastwise endorsement under chapter 121 or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement.

(b) PENALTY.—The penalty for violating subsection (a) is \$300 for each passenger transported and landed.

(d) DELAYING EXPIRATION.—If the vessel offering or advertising the service described in subsection (c) has not begun that service within 270 days after the Secretary’s notification, the expiration provided by subsection (c) is delayed until 90 days after the vessel offering or advertising the service begins that service.

(e) REINSTATEMENT OF EXEMPTION.—If the Secretary finds that the service on which an expiration was based is no longer available, the expired authority to transport passengers is reinstated.

In subsection (a), the definition of “certificate” is added based on the language in 46 App. U.S.C. 289c(b)(1)

and (2) to avoid repeating the substance of the definition twice in the section.

In subsection (b), the words “Notwithstanding any other provision of law” and “directly or by way of a foreign port” are omitted as unnecessary.

§ 55105. Transportation of hazardous waste

(a) IN GENERAL.—The transportation of hazardous waste, as defined in section 1004(5) of the Resource Conservation and Recovery Act of 1976 (42 U.S.C. 6903(5)), from a point in the United States to sea for incineration is deemed to be transportation of merchandise under section 55102 of this title.

(b) NONAPPLICATION TO CERTAIN FOREIGN VESSELS.—

(1) IN GENERAL.—Subsection (a) does not apply to transportation performed by a foreign ocean incineration vessel owned by or under construction on May 1, 1982, for a corporation wholly owned by citizens of the United States under section 50501(a)–(c) of this title.

(2) STANDARDS FOR INCINERATION EQUIPMENT.—Incineration equipment on a vessel described in paragraph (1) must meet standards of the Coast Guard and the Environmental Protection Agency.

(3) INSPECTION.—A vessel described in paragraph (1) shall be inspected by the Coast Guard, regardless of whether inspected by the nation in which it is registered. The inspection shall be the same as would be required of a vessel of the United States, including dry-dock inspection and internal examination of tanks and void spaces. The inspection may be made concurrently with an inspection by that nation or within one year after the initial issuance or next scheduled issuance of the Safety of Life at Sea Safety Construction Certificate. In making the inspection, the Coast Guard shall refer to the condition of the hull and superstructure established by the initial foreign certification as the basis for evaluating the current condition of the hull and superstructure. The Coast Guard shall allow the substitution of fittings, material, apparatus, equipment, and appliances different from those required for vessels of the United States if satisfied they are equivalent and at least as effective as those required for vessels of the United States. A satisfactory inspection under this paragraph shall be certified in writing by the Secretary of Homeland Security.

(c) EFFECTIVE DATE.—Subsection (a) is not effective until an appropriate vessel has been built and documented under chapter 121 of this title.

AMENDMENTS

2008—Pub. L. 110-181, §3525(b), repealed Pub. L. 109-241, §902(o). See 2006 Amendment note below.

Subsec. (b)(3). Pub. L. 110-181, §3525(a)(4), incorporated the substance of the amendment by Pub. L. 109-241, §902(o), into this section by substituting “Secretary of Homeland Security” for “Secretary of the department in which the Coast Guard is operating”. See 2006 Amendment note below and section 18(a) of Pub. L. 109-304, set out as a Legislative Purpose and Construction note preceding section 101 of this title.

2006—Pub. L. 109-241, §902(o), which directed the amendment of section 883 of the former Appendix to this title from which this section was derived, was repealed by Pub. L. 110-181, §3525(b). See 2008 Amendment note for subsec. (b)(3) and Historical and Revision notes above.

§ 55106. Merchandise transferred between barges

(a) IN GENERAL.—On terms and conditions the Secretary of Homeland Security may prescribe by regulation, the Secretary may suspend the application of section 55102 of this title to the transportation of merchandise that is transferred, when moving in the foreign trade of the United States, from a barge certified by the owner or operator as designed specifically for carriage on a vessel and carried regularly on a vessel in foreign trade, to another such barge owned or leased by the same owner or operator. However, this subsection does not apply to transportation between the continental United States and noncontiguous States, territories, or possessions to which the coastwise laws apply.

(b) RECIPROCITY REQUIREMENT FOR FOREIGN VESSELS.—This section applies to a vessel of foreign registry only if the Secretary of Homeland Security finds, based on information from the Secretary of State, that the government of the nation of registry extends reciprocal privileges to vessels of the United States.

In subsection (a), the words “non-self-propelled” are omitted as unnecessary because of the definition of “barge” in chapter 1 of the revised title. The words “between points in the United States” and “without re-

gard to whether any such barge is under foreign registry or qualified to engage in the coastwise trade” are omitted as surplus.

§ 55107. Empty cargo containers and barges

(a) IN GENERAL.—Subject to subsections (b) and (c), and on terms and conditions the Secretary of Homeland Security may prescribe by regulation, section 55102 of this title does not apply to the transportation of—

- (1) empty cargo vans, empty lift vans, or empty shipping tanks;
- (2) equipment for use with cargo vans, lift vans, or shipping tanks;
- (3) empty barges specifically designed for carriage aboard a vessel and equipment (except propulsion equipment) for use with those barges;
- (4) empty instruments for international traffic exempted from the customs laws under section 322(a) of the Tariff Act of 1930 (19 U.S.C. 1322(a)); or
- (5) stevedoring equipment and material.

(b) CONDITIONS.—

(1) PARAGRAPHS (1)–(4).—Paragraphs (1)–(4) of subsection (a) apply only if the items named are owned or leased by the owner or operator of the vessel and transported for its use in handling its cargo in foreign trade.

(2) PARAGRAPH (5).—Paragraph (5) of subsection (a) applies only if the items named are—

- (A) owned or leased by the owner or operator of the vessel or by the stevedoring company having the contract for the loading or unloading of the vessel; and
- (B) transported without charge for use in the handling of cargo in foreign trade.

(c) RECIPROCITY REQUIREMENT FOR FOREIGN VESSELS.—This section applies to a vessel of foreign registry only if the Secretary of Homeland Security finds, based on information from the Secretary of State, that the government of the nation of registry extends reciprocal privileges to vessels of the United States.

§ 55108. Platform jackets

(a) DEFINITIONS.—In this section:

(1) COASTWISE QUALIFIED VESSEL.—The term “coastwise qualified vessel” means a vessel that has been issued a certificate of docu-

mentation with a coastwise endorsement under chapter 121 of this title.

(2) PLATFORM JACKET.—The term “platform jacket” refers to a single physical component and includes any type of offshore exploration, development, or production structure or component thereof, including—

- (A) platform jackets;
- (B) tension leg or SPAR platform superstructures (including the deck, drilling rig and support utilities, and supporting structure);
- (C) hull (including vertical legs and connecting pontoons or vertical cylinder);
- (D) tower and base sections of a platform jacket;
- (E) jacket structures; and
- (F) deck modules (known as “topsides”).

(b) AUTHORIZED TRANSPORTATION.—Section 55102 of this title does not apply to the transportation of a platform jacket in or on a non-coastwise qualified launch barge between two points in the United States, at one of which there is an installation or other device within the meaning of section 4(a) of the Outer Continental Shelf Lands Act (43 U.S.C. 1333(a)), if—

(1) the launch barge was built before December 31, 2000, and has a launch capacity of at least 12,000 long tons; and

(2) the Secretary of Transportation makes a determination, in accordance with procedures established under subsection (c), that a suitable coastwise qualified vessel is not available for use in the transportation and, if needed, launch or installation of a platform jacket.

(c) PROCEDURES TO MAXIMIZE USE OF COASTWISE QUALIFIED VESSELS.—The Secretary of Transportation shall adopt procedures implementing this section that are reasonably designed to provide timely information so as to maximize the use of coastwise qualified vessels. The procedures shall, among other things, establish that for purposes of this section, a coastwise qualified vessel shall be deemed to be not available only if—

(1) on application by an owner or operator for the use of a non-coastwise qualified launch barge for transportation of a platform jacket under this section (which application shall include all relevant information, including engineering details and timing requirements), the Secretary promptly publishes a notice in the Federal Register—

(A) describing the project and the platform jacket involved;

(B) advising that all relevant information reasonably needed to assess the transportation requirements for the platform jacket will be made available to interested parties on request; and

(C) requesting that information on the availability of coastwise qualified vessels be submitted within 30 days after publication of that notice; and

(2)(A) no information is submitted to the Secretary within that 30 day period; or

(B) the owner or operator of a coastwise qualified vessel submits information to the Secretary asserting that the owner or operator has a suitable coastwise qualified vessel avail-

able for the transportation, but the Secretary determines, within 90 days after the notice is first published, that the coastwise qualified vessel is not suitable or reasonably available for the transportation.

In subsection (b), the words “Section 55102 of this title does not apply” are substituted for “shall not be deemed transportation subject to this section” for consistency in the chapter.

§ 55109. Dredging

(a) IN GENERAL.—Except as provided in subsection (b), a vessel may engage in dredging in the navigable waters of the United States only if—

(1) the vessel is wholly owned by citizens of the United States for purposes of engaging in the coastwise trade;

(2) the charterer, if any, is a citizen of the United States for purposes of engaging in the coastwise trade; and

(3) the vessel has been issued a certificate of documentation with a coastwise endorsement under chapter 121 of this title or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement.

(b) DREDGING OF GOLD IN ALASKA.—A documented vessel with a registry endorsement may engage in the dredging of gold in Alaska.

(c) PENALTY.—If a vessel is operated in knowing violation of this section, the vessel and its equipment are liable to seizure by and forfeiture to the United States Government.

Subsection (a)(1) is substituted for “(1) the vessel meets the requirements of section 883 of this Appendix and sections 802 and 803 of this Appendix for engaging in the coastwise trade” for consistency with other sections of the revised title and to eliminate unnecessary words. Section 883 requires (among other things) that the vessel be owned by citizens of the United States, and section 802 contains the requirements for certain entities to qualify as citizens. Those requirements are restated in section 50501 which applies to this section.

Section 883 also requires that the vessel be built in and documented under the laws of the United States. Those latter two requirements are covered by subsection (a)(3). Note that the build requirement is a requirement for a coastwise endorsement.

In subsection (a)(3), the words “or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement” are added for consistency with section 12102 as revised by the bill.

NONAPPLICABILITY TO CERTAIN VESSELS

Pub. L. 109-304, §19, Oct. 6, 2006, 120 Stat. 1711, repealed section 1 of act May 28, 1906, ch. 2566, 34 Stat. 204 (section 292 of the former Appendix to this title, from which this section was derived), except as may be applicable under section 5501(a)(2) of Pub. L. 102-587, set out below.

Pub. L. 102-587, title V, §5501(a)(2), (3), Nov. 4, 1992, 106 Stat. 5084, as amended by Pub. L. 109-304, §17(i), Oct. 6, 2006, 120 Stat. 1709, provided that:

“(2) The amendment made by paragraph (1) [amending section 292 of the former Appendix to this title, from which this section was derived] does not apply to—

“(A)(i) the vessel STUYVESANT, official number 648540;

“(ii) any other hopper dredging vessel documented under chapter 121 of title 46, United States Code before the effective date of this Act [Nov. 4, 1992] and chartered to Stuyvesant Dredging Company or to an entity in which it has an ownership interest; however, this exception expires on December 3, 2022 or when the vessel STUYVESANT ceases to be documented under chapter 121, whichever first occurs; and

“(iii) any other non-hopper dredging vessel documented under chapter 121 and chartered to Stuyvesant Dredging Company or to an entity in which it has an ownership interest, as is necessary (a) to fulfill dredging obligations under a specific contract, including any extension periods; or (b) as temporary replacement capacity for a vessel which has become disabled but only for so long as the disability shall last and until the vessel is in a position to fully resume dredging operations; however, this exception expires on December 8, 2022 or when the vessel STUYVESANT ceases to be documented under chapter 121, whichever first occurs;

“(B) the vessel COLUMBUS, official number 590658, except that the vessel’s certificate of documentation shall be endorsed to prohibit the vessel from engaging in the transportation of merchandise (except valueless material), including dredge material of value, between places within the navigable waters of the United States;

“(C) a vessel that is engaged in dredged material excavation if that excavation is not more than a minority of the total cost of the construction contract in which the excavation is a single, integral part, and the vessel is—

“(i) built in the United States;

“(ii) a non-self-propelled mechanical clamshell dredging vessel; and

“(iii) owned or chartered by a corporation that had on file with the Secretary of Transportation, on August 1, 1989, the certificate specified in section 27A of the Merchant Marine Act, 1920 (46 App. U.S.C. 883-1) [now 46 U.S.C. 12118]; or

“(D) any other documented vessel engaged in dredging and time chartered to an entity that, on August 1, 1989, was, and has continuously remained, the parent of a corporation that had on file with the Secretary of Transportation on August 1, 1989, a certificate specified in section 27A of the Merchant Marine Act, 1920 (46 App. U.S.C. 883-1) [now 46 U.S.C. 12118] if the vessel is—

“(i) not engaged in a federally funded navigation dredging project; and

“(ii) engaged only in dredging associated with, and integral to, accomplishment of that parent’s regular business requirements.

“(3) The exceptions provided by paragraph (2) shall apply under section 55109 of title 46, United States Code, to the same extent as under former section 1 of the Act of May 28, 1906 [section 292 of the former Appendix to this title, from which this section was derived], as amended by paragraph (1).”

HISTORICAL AND REVISION NOTES

[H.R. Rep. No. 109-170, at 180 (2005) provided: Section 17(i) of the bill [H.R. 1442, enacted as Pub. L. 109-304] amends section 5501(a) of the Oceans Act of 1992 (Public Law 102-587, 106 Stat. 5084) [see note above] by adding a new paragraph (3). The intent of this amendment is to maintain the status quo under paragraph (2) of section 5501(a) of that Act, as it exists prior to the enactment of this codification legislation. Section 55109 of title 46, United States Code, as contained in this bill, is intended as a codification without substantive change of section 1 of the Act of May 28, 1906, as amended (46 App. U.S.C. 292). Therefore, the exceptions from that latter provision, which currently exist under such paragraph (2), are intended to continue to exist to the same extent under new section 55109 of title 46. In addition, if the original intent of such paragraph (2) was that the restriction contained in the pre-1992 amended version of that 1906 provision continues to apply to the vessels, persons, and entities described in such paragraph (2), then that outcome is intended to remain unchanged by this legislation, despite the repeal by this legislation of that 1906 provision. No expression as to the original intent of such paragraph (2) is intended by this legislation.]

§ 55110. Transportation of valueless material or dredged material

Section 55102 of this title applies to the transportation of valueless material or dredged material, regardless of whether it has commercial value, from a point in the United States or on the high seas within the exclusive economic zone, to another point in the United States or on the high seas within the exclusive economic zone.

Pub. “(1) engaged in the transportation of valueless material or valueless dredged material; and

“(2) owned or chartered by a corporation that had on file with the Secretary of Transportation on Au-

- “(2) is under contract with a municipality for the transportation of sewage sludge.”

VESSEL UNDER CONTRACT WITH MUNICIPALITY FOR TRANSPORTATION OF SEWAGE SLUDGE: APPLICABILITY OF PROVISIONS

Pub. Pub. L. 100-329, §5, June 7, 1988, 102 Stat. 589, provided that: “Notwithstanding the provisions of section 1 of this Act [amending section 883 of the former Appendix to this title, from which this section was derived], the Secretary of the department in which the Coast Guard is operating may issue a certificate of documentation under section 12106 [see section 12112] of title 46, United States Code, to a vessel that—

- “(1) is engaged in transporting only valueless material in the coastwise trade or transporting dredged material, whether or not of value, (A) from a point or place on the high seas within the Exclusive Economic Zone as defined in the Presidential Proclamation of March 10, 1983 [16 U.S.C. 1453 note], to a point or place in the United States or to another point or place on the high seas within such Exclusive Economic Zone or (B) from a point or place within the United States to a point or place on the high seas within such Exclusive Economic Zone;

“(2) had a certificate of documentation issued under section 12105 [see section 12111] of that title on October 1, 1987;

“(3) had been sold foreign or placed under a foreign registry before that certificate was issued; and

“(4) was built in the United States;

except that such certificate of documentation shall be endorsed to restrict the use of such vessel to the transportation of valueless material in the coastwise trade, and to the transportation of dredged material, whether or not of value, (i) from a point or place on the high seas within such Exclusive Economic Zone to a point or place in the United States or to another point or place on the high seas within such Exclusive Economic Zone, or (ii) from a point or place within the United States to a point or place on the high seas within such Exclusive Economic Zone.”

§ 55111. Towing

(a) IN GENERAL.—Except when towing a vessel in distress, a vessel may not do any part of any towing described in subsection (b) unless the towing vessel—

- (1) is wholly owned by citizens of the United States for purposes of engaging in the coastwise trade; and

(2) has been issued a certificate of documentation with a coastwise endorsement under chapter 121 of this title or is exempt from documentation but would otherwise be eligible for such a certificate and endorsement.

(b) APPLICABLE TOWING.—Subsection (a) applies to the towing of—

(1) a vessel between ports or places in the United States to which the coastwise laws apply, either directly or via a foreign port or place;

(2) a vessel from point to point within the harbors of ports or places to which the coastwise laws apply; or

(3) a vessel transporting valueless material or dredged material, regardless of whether it has commercial value, from a point in the United States or on the high seas within the exclusive economic zone, to another point in the United States or on the high seas within the exclusive economic zone.

(c) PENALTIES.—

(1) OWNER AND MASTER.—The owner and master of a vessel towing another vessel in violation of this section are each liable for a penalty of at least \$350 but not more than \$1,100. A penalty under this paragraph constitutes a lien on the vessel. The lien is enforceable in a district court of the United States for any district in which the vessel is found. Clearance may not be granted to the vessel until the penalties have been paid.

(2) VESSEL.—In addition to the penalties under paragraph (1), the towing vessel is liable for a penalty of \$60 per ton based on the tonnage of each towed vessel.

HISTORICAL AND REVISION NOTES

55111	46 App.:316(a), (b).	R.S. §4370; June 11, 1940, ch. 324, §4 Stat. 304; Pub. L. 99-307, §10, May 19, 1986, 100 Stat. 447; Pub. L. 100-329, §2, June 7, 1988, 102 Stat. 589; Pub. L. 104-324, title XI, §1115(b)(3), Oct. 19, 1996, 110 Stat. 3972.

In subsection (a), the words “or to do any part of such towing” and “other than a vessel in distress” in the source provision are made applicable to all the towing described in subsection (b) for clarity and consistency. In paragraph (1), the words “wholly owned by citizens of the United States for purposes of engaging in the coastwise trade” are substituted for “wholly owned by a person who is a citizen of the United States within the meaning of the laws respecting the documentation of vessels” for consistency in this chapter.

Subsection (a)(2) is substituted for “having in force a certificate of documentation issued under section 12106 of title 46” for consistency in this chapter and with section 12102(b) as revised by the bill.

In subsection (b)(1), the words “in the United States to which the coastwise laws apply” are substituted for “in the United States, its Territories or possessions, embraced within the coastwise laws of the United States” because of the definition of “United States” in chapter 1 of the revised title and because of section 55101 of the revised title.

In subsection (b)(3), the words “or place” are omitted as surplus. The words “as defined in the Presidential

Proclamation of March 10, 1983” are omitted because “exclusive economic zone” is defined in chapter 1 of the revised title.

In subsection (c), the penalty amounts reflect the adjustment for inflation pursuant to the Federal Civil Penalties Inflation Adjustment Act of 1990 (28 U.S.C. 2461 note). See 19 C.F.R. § 4.92 (2004). In paragraph (2), the words “which sum may be recovered by way of libel or suit” are omitted as surplus.

The text of 46 App. U.S.C. 316(b) is omitted as unnecessary because of the definition of “person” in section 1 of title 1.

NONAPPLICABILITY OF PUB. L. 100-329 TO CERTAIN
VESSEL

Amendment by Pub. L. 100-329 to section 316 of the former Appendix to this title, from which this section was derived, not applicable to a vessel engaged in the transportation of valueless material or valueless dredged material and owned or chartered by a corporation that had on file with Secretary of Transportation on Aug. 1, 1989, the certificate specified in section 883-1 of the former Appendix to this title (now section 12118 of this title), see section 5501(c) of Pub. L. 102-587, set out as a note under section 55110 of this title.

§ 55112. Vessel escort operations and towing assistance

(a) IN GENERAL.—Except in the case of a vessel in distress, only a vessel of the United States may perform the following escort vessel operations within the navigable waters of the United States:

(1) Operations that commence or terminate at a port or place in the United States.

(2) Operations required by United States law or regulation.

(3) Operations provided in whole or in part within or through navigation facilities owned, maintained, or operated by the United States Government or the approaches to those facilities, other than facilities operated by the St. Lawrence Seaway Development Corporation on the St. Lawrence River portion of the Seaway.

(b) ESCORT VESSELS.—For purposes of this section, an escort vessel is—

(1) any vessel that is assigned and dedicated to assist another vessel, whether or not tethered to that vessel, solely as a safety precaution to assist in controlling the speed or course of the assisted vessel in the event of a steering or propulsion equipment failure, or any other similar emergency circumstance, or in restricted waters where additional assistance in maneuvering the vessel is required to ensure its safe operation; and

(2) in the case of a vessel being towed under section 55111 of this title, any vessel that is assigned and dedicated to the vessel being towed in addition to any towing vessel required under that section.

(c) RELATIONSHIP TO OTHER LAW.—This section does not affect section 55111 of this title.

(d) PENALTY.—A person violating this section is liable to the Government for a civil penalty of not more than \$10,000 for each day during which the violation occurs.

§ 55113. Use of foreign documented oil spill response vessels

Notwithstanding any other provision of law, an oil spill response vessel documented under the laws of a foreign country may operate in waters of the United States on an emergency and temporary basis, for the purpose of recovering, transporting, and unloading in a United States port oil discharged as a result of an oil spill in or near those waters, if—

(1) an adequate number and type of oil spill response vessels documented under the laws of the United States cannot be engaged to recover oil from an oil spill in or near those waters in a timely manner, as determined by the Federal On-Scene Coordinator for a discharge or threat of a discharge of oil; and

(2) the foreign country has by its laws accorded to vessels of the United States the same privileges accorded to vessels of the foreign country under this section.

§ 55114. Unloading fish from foreign vessels

(a) PROHIBITIONS.—Except as otherwise provided by this section or a treaty or convention to which the United States is a party, a foreign vessel may not unload, in a port of the United States—

(1) its catch of fish taken on board on the high seas or fish products processed from that catch of fish; or

(2) fish or fish products taken on board that vessel on the high seas from a vessel engaged in fishing operations or the processing of fish or fish products.

(b) REGULATIONS ON OBTAINING INFORMATION.—The Secretary of Commerce may prescribe regulations the Secretary considers necessary to obtain information on the transportation of fish products by vessels of the United States for foreign fish processing vessels to points in the United States.

(c) VIRGIN ISLANDS.—

(1) IN GENERAL.—A foreign vessel of not more than 50 feet overall in length may unload its catch of fresh fish (whole or with the heads, viscera, or fins removed, but not frozen, otherwise processed, or further advanced) in a port of the Virgin Islands for immediate consump-

tion in those islands. Fish unloaded under this paragraph may be sold or transferred only for immediate consumption. In the absence of satisfactory evidence that a sale or transfer to an agent, representative, or employee of a freezer or cannery is for immediate consumption, the sale or transfer is deemed not to be for immediate consumption. This paragraph does not prohibit the freezing, smoking, or other processing of fresh fish by the ultimate consumer of the fish.

(2) SEIZURE, FORFEITURE, AND PENALTY.—Fish unloaded in the Virgin Islands that are retained, sold, or transferred, except as allowed by paragraph (1), are liable to seizure by and forfeiture to the United States Government. A person retaining, selling, transferring, buying, or receiving the fish is liable to the Government for a civil penalty of not more than \$1,000 for each violation. A penalty or forfeiture under this paragraph may be compromised, modified, or remitted under section 2107(b) of this title.

This section codifies the Joint Resolution of March 26, 1934 (ch. 90, 48 Stat. 500) (also commonly known as Public Resolution 17). The codification of this provision is not intended to change its status as a “Sense of Congress” provision in any way. The words “Reconstruction Finance Corporation or” are omitted as obsolete because the Reconstruction Finance Corporation was abolished by section 6 of Reorganization Plan No. 1 of 1957 (5 App. U.S.C.).

§ 55305. Cargoes procured, furnished, or financed by the United States Government

(a) DEFINITION.—In this section, the term “privately-owned commercial vessel of the United States” does not include a vessel that, after September 21, 1961, was built or rebuilt outside the United States or documented under the laws of a foreign country, until the vessel has been documented under the laws of the United States for at least 3 years.

(b) MINIMUM TONNAGE.—When the United States Government procures, contracts for, or otherwise obtains for its own account, or furnishes to or for the account of a foreign country, organization, or persons without provision for reimbursement, any equipment, materials, or commodities, or provides financing in any way with Federal funds for the account of any persons unless otherwise exempted, within or without the United States, or advances funds or credits, or guarantees the convertibility of foreign currencies in connection with the furnishing or obtaining of the equipment, materials, or commodities, the appropriate agencies shall take steps necessary and practicable to ensure that at least 50 percent of the gross tonnage of the equipment, materials, or commodities (computed separately for dry bulk carriers, dry cargo liners, and tankers) which may be transported on ocean vessels is transported on privately-owned commercial vessels of the United States, to the extent those vessels are available at fair and reasonable rates for commercial vessels of the United States, in a manner that will ensure a fair and reasonable participation of commercial vessels of the United States in those cargoes by geographic areas.

(c) WAIVERS.—The President, the Secretary of Defense, or Congress (by concurrent resolution or otherwise) may waive this section temporarily by—

- (1) declaring the existence of an emergency justifying a waiver; and
- (2) notifying the appropriate agencies of the waiver.

(d) PROGRAMS OF OTHER AGENCIES.—

(1) Each department or agency that has responsibility for a program under this section shall administer that program with respect to

SUBCHAPTER II—EXPORT TRANSPORTATION OF AGRICULTURAL COMMODITIES

§ 55311. Findings and purposes

(a) FINDINGS.—Congress finds that—

(1) a productive and healthy agricultural industry and a strong and active United States maritime industry are vitally important to the economic well-being and security of the United States;

(2) both industries must compete in international markets increasingly dominated by foreign trade barriers and the subsidization practices of foreign governments; and

(3) increased agricultural exports and the use of merchant vessels of the United States contribute positively to the United States balance of trade and generate employment opportunities in the United States.

(b) PURPOSES.—The purposes of this subchapter are to—

(1) enable the Secretary of Agriculture to plan export programs effectively, by clarifying the ocean transportation requirements applicable to those programs;

(2) take immediate and positive steps to promote the growth of the cargo-carrying capacity of the United States merchant marine;

(3) expand international trade in United States agricultural commodities and products and develop, maintain, and expand markets for United States agricultural exports;

(4) improve the efficiency of administration of both the commodity purchasing and selling activities and the ocean transportation activities associated with export programs sponsored by the Secretary;

(5) stimulate and promote the agricultural and maritime industries of the United States and encourage cooperative efforts by both industries to address their common problems; and

(6) provide for the appropriate disposition of these findings and purposes.

In subsection (b), the words “Secretary of Agriculture” in paragraph (1) and “Secretary” in paragraph (4) are substituted for “Department of Agriculture” because all functions of the Department are vested in the Secretary under 7 U.S.C. 2202 and 6911 and Reorganization Plan No. 2 of 1953 (5 App. U.S.C.).

§ 55312. Determining prevailing world market price

(a) AGRICULTURAL COMMODITIES AND PRODUCTS.—The prevailing world market price for agricultural commodities or their products shall be determined under this subchapter under procedures prescribed by the Secretary of Agriculture. The Secretary shall prescribe the procedures by regulation, with notice and opportunity for public comment under section 553 of title 5.

(b) SERVICES AND NON-AGRICULTURAL COMMODITIES AND PRODUCTS.—If a determination of the prevailing world market price of any other type of materials, goods, equipment, or service is required to determine whether a barter or exchange transaction is subject to section 55314(b)(6) or (7) of this title, the determination shall be made by the Secretary of Agriculture in consultation with the heads of other appropriate agencies.

§ 55313. Exemption of certain agricultural exports from cargo preference provisions

Sections 55304 and 55305 of this title do not apply to export activities of the Secretary of Agriculture or the Commodity Credit Corporation under which—

(1) agricultural commodities or their products acquired by the Corporation are made available to United States exporters, users, processors, or foreign purchasers for the purpose of developing, maintaining, or expanding export markets for United States agricultural commodities or their products at prevailing world market prices;

(2) payments are made available to United States exporters, users, or processors or, except as provided in section 55314 of this title, cash grants are made available to foreign purchasers, for the purpose described in paragraph (1);

(3) commercial credit guarantees are blended with direct credits from the Corporation to reduce the effective rate of interest on export sales of United States agricultural commodities or their products;

(4) credit or credit guarantees for not more than 3 years are extended by the Corporation to finance or guarantee export sales of United States agricultural commodities or their products; or

(5) agricultural commodities or their products owned or controlled by or under loan from the Corporation are exchanged or bartered for materials, goods, equipment, or services at least equal in value to the agricultural commodities or their products for which they are exchanged or bartered (determined on the basis of prevailing world market prices at the time of the exchange or barter), but this paragraph does not exempt from the cargo preference provisions referred to in section 55314(b) of this title any requirement otherwise applicable to the materials, goods, equipment, or services imported under the transaction.

§ 55314. Transportation requirements for certain exports sponsored by the Secretary of Agriculture

(a) MINIMUM TONNAGE.—

(1) IN GENERAL.—In addition to the requirement under section 55305 of this title for the transportation of a percentage of gross tonnage on commercial vessels of the United States, 25 percent of the gross tonnage of agricultural commodities or their products specified in subsection (b) shall be transported each fiscal year on commercial vessels of the United States that—

(A) are necessary for national security; and

(B) if more than 25 years old, were rebuilt within the last 5 years and certified by the Secretary of Transportation as having a useful life of at least 5 years after that rebuilding.

(2) FISCAL YEAR.—To provide for effective and equitable administration of the cargo preference laws, the fiscal year for the purpose of compliance with minimum percentage requirements is the 12-month period beginning October 1 of each year.

(b) APPLICABLE EXPORT ACTIVITY.—This section applies to export activity (except inspection or weighing activities, other activities carried out for health or safety, or technical assistance provided in the handling of commercial transactions) of the Secretary of Agriculture or the Commodity Credit Corporation—

(1) carried out under the Food for Peace Act (7 U.S.C. 1691 et seq.);

(2) carried out under section 416 of the Agricultural Act of 1949 (7 U.S.C. 1431);

(3) carried out under the Bill Emerson Humanitarian Trust Act (7 U.S.C. 1736f-1);

(4) under which agricultural commodities or their products are—

(A) donated through foreign governments or private or public agencies, including intergovernmental organizations; or

(B) sold for foreign currencies or for dollars on credit terms of more than 10 years;

(5) under which agricultural commodities or their products are made available for emergency food relief at less than prevailing world market prices;

(6) under which a cash grant is made directly or through an intermediary to a foreign purchaser to enable the purchaser to obtain United States agricultural commodities or their products in an amount greater than the difference between the prevailing world market price and the United States market price, free along side vessel at a United States port; or

(7) under which agricultural commodities owned or controlled by or under loan from the Corporation are exchanged or bartered for materials, goods, equipment, or services produced in foreign countries, except export activities described in section 55313(5) of this title.

(c) ADDITIONAL REQUIREMENTS.—

(1) APPLICATION OF SECTION 55305.—The requirement for transportation on vessels of the United States under subsection (a) is subject to the same terms and conditions as provided in section 55305 of this title.

(2) ALLOCATION OF COMMODITIES.—Subject to paragraph (3), in carrying out this section and section 55305 of this title, the Corporation shall take steps necessary and practicable, and consistent with this section and section 55305, without detriment to any port range to allocate, on the principle of lowest landed cost without regard to the country of registry of the vessel, 25 percent of the bagged, processed, or fortified commodities provided under title II of the Food for Peace Act (7 U.S.C. 1721 et seq.).

(3) CALCULATIONS.—In carrying out paragraph (2), first there shall be calculated the allocation of 100 percent of the quantity to be procured on an overall lowest landed cost basis without regard to the country of registry of the vessel, and then there shall be allocated to the Great Lakes port range any cargoes for which it has the lowest landed cost under that calculation. The requirements for transportation on vessels of the United States under this section and section 55305 of this title do not apply to commodities allocated to the Great Lakes port range under paragraph (2). Commodities allocated to the Great Lakes port range under paragraph (2) may not be re-allocated or diverted to another port range to meet those requirements to the extent that the total tonnage of commodities to which paragraph (2) applies that is furnished and transported from the Great Lakes port range is less than 25 percent of the total annual tonnage of the commodities furnished.

(4) **AWARDING CONTRACTS.**—In awarding a contract for the transportation by vessel of commodities from the Great Lakes port range pursuant to an export activity referred to in subsection (b), an agency—

(A) shall consider expressions of freight interest for any vessel from a vessel operator who meets reasonable requirements for financial and operational integrity; and

(B) may not deny award of the contract to a person based on the type of vessel on which the transportation would be provided (including on the basis that the transportation would not be provided on a liner vessel, as that term is used in the Shipping Act of 1984, as in effect on November 14, 1995), if the person otherwise satisfies reasonable requirements for financial and operational integrity.

(5) **NONAVAILABILITY OF VESSELS.**—A determination of nonavailability of vessels of the United States resulting from the application of this subsection may not reduce the gross tonnage of commodities required by this section and section 55305 of this title to be transported on vessels of the United States.

§ 55316. Financing the transportation of agricultural commodities

(a) FINANCING OF INCREASED CHARGES.—The Secretary of Transportation shall finance any increased ocean freight charges incurred in any fiscal year that result from the application of section 55314 of this title.

(b) REIMBURSEMENT OF INCREASED CHARGES.—

(1) IN GENERAL.—The Secretary of Transportation shall reimburse the Secretary of Agriculture and the Commodity Credit Corporation for the amount by which, in any fiscal year—

(A) the total cost of ocean freight and ocean freight differential for which obligations are incurred by the Secretary of Agriculture and the Corporation on exports of agricultural commodities and their products under the agricultural export programs specified in section 55314(b) of this title; exceeds

(B) 20 percent of the value of the commodities and their products and the cost of the ocean freight and ocean freight differential on which obligations are incurred by the Secretary of Agriculture and the Corporation during that fiscal year.

(2) COMMODITIES SHIPPED FROM INVENTORY.—For purposes of this subsection, commodities shipped from the inventory of the Corporation shall be valued as provided in section 412(d) of the Food for Peace Act (7 U.S.C. 1736f(d)).

(c) ISSUANCE AND PURCHASE OF OBLIGATIONS.—

(1) ISSUANCE.—To meet the expenses required to be assumed under subsections (a) and (b), the Secretary of Transportation shall issue obligations to the Secretary of the Treasury. The Secretary of Transportation, with the approval of the Secretary of the Treasury, shall prescribe the form, denomination, maturity, and other terms (except the interest rate) of the obligations. The Secretary of the Treasury shall set the interest rate for the obligations, considering the average market yield on outstanding marketable obligations of the United States Government of comparable maturities during the month before the obligations are issued.

(2) PURCHASE.—The Secretary of the Treasury shall purchase the obligations issued under this subsection. To purchase the obligations, the Secretary of the Treasury may use as a public debt transaction the proceeds from the sale of securities issued under chapter 31 of title 31. The purposes for which securities may be issued under that chapter are extended to include the purchase of obligations under this subsection. A redemption or purchase of the obligations by the Secretary of the Treasury is a public debt transaction of the Government.

(d) SOURCE OF FUNDS FOR REIMBURSEMENT.—Reimbursement of the Secretary of Transportation for costs incurred under this section shall be made with appropriated funds rather than through cancellation of notes.

(e) APPROPRIATIONS.—

(1) AUTHORIZATION.—Each fiscal year, there is authorized to be appropriated an amount sufficient to reimburse the Secretary of Trans-

portation for the costs incurred under this section, including administrative expenses and the principal and interest due on obligations issued to the Secretary of the Treasury.

(2) APPROPRIATION FOR ADMINISTRATIVE EXPENSES.—Each fiscal year, such amounts as may be necessary are hereby appropriated to pay interest and to liquidate debt on obligations issued to the Secretary of the Treasury under this section.

(f) NOTIFICATION TO CONGRESS OF INSUFFICIENCY.—If the Secretary of Transportation is unable to obtain the funds necessary to finance the increased ocean freight charges resulting from the requirements of subsections (a) and (b) and section 55314(a) of this title, the Secretary shall notify Congress within 10 working days of the discovery of the insufficiency.

This subchapter terminates 90 days after the date on which a notification is made under section 55316(f) of this title, except for shipments of agricultural commodities and their products subject to contracts made before the end of that 90-day period, unless within that 90-day period the Secretary of Transportation proclaims that funds are available to finance increased freight charges resulting from the requirements of sections 55314(a) and 55316(a) and (b) of this title. On the termination of this subchapter under this section—

(1) this subchapter does not exempt export activities from, or subject export activities to, the cargo preference laws; and

(2) the 50-percent requirement in section 55305 of this title remains in effect.

In paragraph (3), the words “created by the Act of May 13, 1954 (33 U.S.C. 981 et seq.)” are omitted as unnecessary.

The definition of “Secretary” in 46 App. U.S.C. 1241v(4) is omitted as unnecessary because the full title of the Secretary of Transportation is used the first time the Secretary is referred to in each section.

§ 55332. Designating American Great Lakes vessels

(a) DESIGNATIONS.—The Secretary of Transportation shall designate a vessel as an American Great Lakes vessel if—

(1) an application for designation is submitted to the Secretary under regulations prescribed by the Secretary;

(2) the vessel is documented under the laws of the United States;

(3) the vessel, on the effective date of the designation, is—

(A) at least 1, but not more than 6, years old; or

(B) at least 1, but not more than 11, years old if the Secretary finds that suitable vessels are not available to provide the type of service for which the vessel will be used after the designation;

(4) the vessel has not previously been designated as an American Great Lakes vessel; and

(5) the owner makes an agreement as provided under subsection (b).

(b) AGREEMENTS.—A vessel may be designated as an American Great Lakes vessel only if the person that will be the owner of the vessel at the time of the designation makes an agreement with the Secretary providing that if the Secretary determines that the vessel is necessary to the defense of the United States, the United States Government will have an exclusive right, during the 120-day period following the date of a revocation of the designation under section 55335 of this title, to purchase the vessel for a price equal to the greater of—

(1) the approximate world market value of the vessel; or

(2) the cost of the vessel to the owner less a reasonable amount for depreciation.

(c) CERTAIN FOREIGN DOCUMENTATION AND SALE NOT PROHIBITED.—Notwithstanding any other law, if the Government does not exercise its right of purchase under an agreement under subsection (b), the owner of the vessel is not prohibited from—

(1) documenting the vessel under the laws of a foreign country; or

(2) selling the vessel to a person not a citizen of the United States.

(d) REGULATIONS.—The Secretary shall prescribe regulations establishing requirements for submitting applications under this section.

§ 55335. Revocations and terminations of designations

(a) REVOCATIONS.—After notice and an opportunity for a hearing, the Secretary of Transportation may revoke a designation of a vessel as an American Great Lakes vessel if the Secretary finds that—

- (1) the vessel does not meet a requirement for the designation;
- (2) the vessel has been operated in violation of this subchapter; or

- 55605. Short sea transportation defined.

§ 55601. Short sea transportation program

(a) ESTABLISHMENT.—The Secretary of Transportation shall establish a short sea transportation program and designate short sea transportation projects to be conducted under the program to mitigate landside congestion.

(b) PROGRAM ELEMENTS.—The program shall encourage the use of short sea transportation through the development and expansion of—

The Secretary may collect and disseminate data for the designation and delineation of short sea transportation routes.

- (1) offer a waterborne alternative to available landside transportation services using documented vessels; and
- (2) provide transportation services for passengers or freight (or both) that may reduce congestion on landside infrastructure using documented vessels.

(e) ELEMENTS OF PROGRAM.—For a short sea transportation project designated under this section, the Secretary may—

- (1) promote the development of short sea transportation services;
- (2) coordinate, with ports, State departments of transportation, localities, other public agencies, and the private sector and on the development of landside facilities and infrastructure to support short sea transportation services; and

- (iii) a market exists for the services of the proposed project as evidenced by contracts or written statements of intent from potential customers.

(3) NON-FEDERAL SHARE.—An applicant shall provide at least 20 percent of the project costs from non-Federal sources. In awarding grants under the program, the Secretary shall give a preference to those projects or components that present the most financially viable transportation services and require the lowest percentage Federal share of the costs.

(3) OPERATION OF VESSEL.—During a period when subsection (a) applies, a trustee referred to in subsection (a)(3), even though approved as a trustee by the Secretary, may not operate the vessel under the mortgage or assignment without the Secretary’s approval.

(c) STATUS OF PROHIBITED TRANSACTION.—A transaction in violation of this section is void.

(d) RECOVERY OF CONSIDERATION.—

(1) IN GENERAL.—A person that deposited or paid consideration in connection with a transaction prohibited by this section may recover the consideration after tender of the vessel, facility, stock, or other security, or interest therein, to the person entitled to it, or the forfeiture thereof to the United States Government.

(2) EXCEPTION.—Paragraph (1) does not apply if the person in whose interest the consideration was deposited, or to whom it was paid, entered into the transaction in the belief that the person depositing or paying the consideration was a citizen of the United States.

(e) PENALTIES.—

(1) CRIMINAL PENALTY.—A person that violates, or attempts or conspires to violate, this section shall be fined under title 18, imprisoned for not more than 5 years, or both.

(2) FORFEITURE.—The following shall be forfeited to the Government:

(A) A vessel, a facility for building or repairing vessels, or an interest in a vessel or such a facility, that is sold, mortgaged,

leased, chartered, delivered, transferred, or documented, or agreed to be sold, mortgaged, leased, chartered, delivered, transferred, or documented, in violation of this section.

(B) Stock and other securities sold or transferred, or agreed to be sold or transferred, in violation of this section.

(d) LOSS OR DAMAGE DURING CHARTER.—If a vessel is lost or damaged by a risk assumed by the Government under the charter, but a valuation for the vessel or a means of compensation has not been agreed to, the Secretary shall pay just compensation for the loss or damage, to the extent the person is not reimbursed through insurance.

§ 56305. Vessel encumbrances

(a) IN GENERAL.—The existence of an encumbrance on a vessel does not prevent the requisition of the vessel under this chapter.

(b) DEPOSIT IN TREASURY.—

(1) IN GENERAL.—If an encumbrance exists, the Secretary of Transportation may deposit part of the compensation or advance of compensation to be paid under this chapter (but not more than the total amount of all encumbrances) in a fund in the Treasury. The Secretary shall publish notice of the creation of the fund in the Federal Register.

(2) AVAILABILITY OF AMOUNTS DEPOSITED.—Amounts deposited in the fund shall be available to pay the compensation or any of the encumbrances (including encumbrances stipulated to in a court of the United States or a State) existing at the time the vessel was requisitioned.

(1) IN GENERAL.—Within 6 months after publication of notice under subsection (b), the holder of an encumbrance may bring a civil action in admiralty, according to the principles of libels in rem, against the fund.

(2) VENUE.—The action must be brought in the district court of the United States—

(A) from whose custody the vessel was or may be requisitioned; or

(B) in whose district the vessel was located when it was requisitioned.

(3) SERVICE OF PROCESS.—Service of process shall be made on the appropriate United States Attorney, the Attorney General, and the Secretary, in the manner provided by the Federal Rules of Civil Procedure (28 App. U.S.C.). Notice of the action shall be given to all interested persons as ordered by the court.

(4) AS BETWEEN PRIVATE PARTIES.—The action shall proceed and be determined according to the principles of law and the rules of practice applicable in like cases between private parties.

In subsection (b)(1), the words “The Secretary shall publish notice of the creation of the fund in the Federal Register” are added for clarity, based on language barring a civil action not brought within 6 months after publication of such a notice.

§ 56502. Adjusting obligations and arranging maintenance

(a) GENERAL AUTHORITY.—On written application, the Secretary of Transportation may adjust obligations and arrange for maintenance of an essential vessel as provided in this chapter if the Secretary determines, after any investigation or proceeding the Secretary considers desirable, that—

- (1) the operation of the vessel in the service, route, or line to which it is assigned under this subtitle, or in which it otherwise would be operated, is not—
(A) lawful under the Neutrality Act of 1939 (22 U.S.C. 441 et seq.) or a proclamation issued under that Act; or
(B) compatible with maintaining the availability of the vessel for national defense and commerce;

- (2) it is not feasible under existing law to employ the vessel in any other service or operation in foreign or domestic trade (except temporary or emergency operation under section 56503(b)(5) of this title); and

(3) the applicant, because of the restrictions of the Neutrality Act of 1939 (22 U.S.C. 441 et seq.) or the withdrawal of vessels for national defense under paragraph (1), is not earning or will not earn a reasonable return on the capital necessarily employed in its business.

(b) EFFECTIVE PERIOD.—Adjustments and arrangements under subsection (a) shall continue in effect only as long as the circumstances described in subsection (a) continue to exist.

§ 56503. Types of adjustments and arrangements

(a) SUSPENSION REQUIREMENTS.—An adjustment or arrangement under this chapter shall include suspension of—

(1) the requirement to operate the vessel in foreign trade under the applicable operating-differential or construction-differential subsidy contract or mortgage or other agreement; and

(2) the right to operating-differential subsidy for the vessel.

(b) DISCRETIONARY ADJUSTMENTS AND ARRANGEMENTS.—To the extent the Secretary of Transportation considers appropriate to carry out the purposes of this subtitle, an adjustment or arrangement under this chapter may include any of the following:

(1) Lay-up of the vessel by the owner or in the custody of the Secretary, with payment or reimbursement by the Secretary of necessary and proper expenses (including reasonable overhead and insurance) or a fixed periodic allowance instead of payment or reimbursement.

(2) Postponement, for not more than the total period of the lay-up, of the maturity date of each installment of the principal of obligations to the United States Government for the vessel (regardless of whether the maturity date is during a lay-up period), or rearrangement of those maturities.

(3) Postponement or cancellation of interest accruing on the obligations during a lay-up period.

(4) Extension, for not more than the total period of the lay-up, of the 20-year life limitation for the vessel and other limitations and provisions of this subtitle based on a 20-year life.

(5) Provision for temporary or emergency employment of the vessel (instead of lay-up) as may be practicable, with such arrangements for management of the vessel, payment of expenses, and application of the proceeds of the employment, as the Secretary may approve, with any period of operation being included as part of the lay-up period.

(6) Payment to the Secretary, on termination of the arrangements with the applicant, of the applicant's net profits (earned while the arrangements were in effect) in excess of 10 percent a year on the capital necessarily employed in the applicant's business, as reimbursement for obligations postponed or canceled and expenses incurred or paid by the Secretary under this section.

(c) LAID-UP VESSELS.—Under subsection (b)(6), capital of the applicant represented by a vessel of the applicant laid-up or operated under this section shall be included in capital necessarily employed in the applicant's business. In subsection (b), the words “except as provided in section 57102, 57103, or 57104 or chapter 533, 537, 573, or 575 of this title” are substituted for “except as provided for in subsections (g) and (i) of this section. “(2) there is no available capacity in the United States to conduct the dismantling, recycling, or scrapping of the vessel;

The Secretary shall invite senior representatives from the Maritime Administration, the Coast Guard, the Environmental Protection Agency, the National Oceanic and Atmospheric Administration, and the United States Navy to participate in the working group. The Secretary may request the participation of senior representatives of any other Federal department or agency, as appropriate, and may also request participation from concerned State environmental agencies.

“(1) IN GENERAL.—As soon as practicable after the date of enactment of the [this] Act [Jan. 28, 2008], the head of each Federal department or agency participating in the working group, in consultation with the other Federal departments and agencies participating in the working group, shall take such action as may be necessary, including the promulgation of regulations, under existing authorities to ensure that the implementation of the plan provides for compliance with all Federal and State laws and for the protection of the environment in the storage, interim transportation, and disposal of obsolete vessels owned or operated by Federal agencies.

“(2) ARMED SERVICES VESSELS.—The Secretary and the Secretary of Defense, in consultation with the Administrator of the Environmental Protection Agency, shall each ensure that environmental best practices are observed with respect to the storage, disposal, and interim transportation of obsolete vessels owned or operated by the Department of Defense.

“(f) RULE OF CONSTRUCTION.—Nothing in this section shall be construed to supersede, limit, modify, or otherwise affect any other provision of law, including environmental law.”

§ 57103. Sale of obsolete vessels in National Defense Reserve Fleet

(a) IN GENERAL.—The Secretary of Transportation may convey the right, title, and interest of the United States Government in any vessel of the National Defense Reserve Fleet that has been identified by the Secretary as an obsolete vessel of insufficient value to warrant its further preservation, if the recipient—

(1) is a non-profit organization, a State, or a municipal corporation or political subdivision of a State;

(2) agrees not to use, or allow others to use, the vessel for commercial transportation purposes;

(3) agrees to make the vessel available to the Government whenever the Secretary indicates that it is needed by the Government;

(4) agrees to hold the Government harmless for any claims arising from exposure to asbestos, polychlorinated biphenyls, lead paint, or other hazardous substances after conveyance of the vessel, except for claims arising from use of the vessel by the Government;

(5) has a conveyance plan and a business plan that describes the intended use of the vessel, each of which has been submitted to and approved by the Secretary;

(6) has provided proof, as determined by the Secretary, of resources sufficient to accomplish the transfer, necessary repairs and modifications, and initiation of the intended use of the vessel; and

(7) agrees that when the recipient no longer requires the vessel for use as described in the business plan required under paragraph (5)—

(A) the recipient will, at the discretion of the Secretary, reconvey the vessel to the Government in good condition except for ordinary wear and tear; or

(B) if the Board of Trustees of the recipient has decided to dissolve the recipient according to the laws of the State in which the recipient is incorporated, then—

(i) the recipient shall distribute the vessel, as an asset of the recipient, to a person that has been determined exempt from taxation under section 501(c)(3) of the Internal Revenue Code of 1986 (26 U.S.C. 501(c)(3)), or to the Federal Government or a State or local government for a public purpose; and

(ii) the vessel shall be disposed of by a court of competent jurisdiction of the county in which the principal office of the recipient is located, for such purposes as the court shall determine, or to such organizations as the court shall determine are organized exclusively for public purposes.

(b) OTHER EQUIPMENT.—At the Secretary’s discretion, additional equipment from other obsolete vessels of the Fleet may be conveyed to assist the recipient with maintenance, repairs, or modifications.

(c) ADDITIONAL TERMS.—The Secretary may require any additional terms the Secretary considers appropriate.

(d) DELIVERY OF VESSEL.—If conveyance is made under this section, the vessel shall be delivered to the recipient at a time and place to be determined by the Secretary. The vessel shall be conveyed in an “as is” condition.

(e) LIMITATIONS.—If at any time prior to delivery of the vessel to the recipient, the Secretary determines that a different disposition of the vessel would better serve the interests of the Government, the Secretary shall pursue the more favorable disposition of the obsolete vessel and shall not be liable for any damages that may result from an intended recipient’s reliance upon a proposed transfer.

(f) REVERSION.—The Secretary shall include in any conveyance under this section terms under which all right, title, and interest conveyed by the Secretary shall revert to the Government if the Secretary determines the vessel has been used other than as described in the business plan required under subsection (a)(5).

In subsection (a), before paragraph (1), the words “Notwithstanding section 1160(j) of this title” are omitted as unnecessary because section 46 App. U.S.C. 1160(j) is restated in section 57101 of the revised title and that section contains an exception which includes this section. In paragraph (1), the words “Commonwealth, or possession of the United States” and “or the District of Columbia” are omitted as unnecessary because of the definition of “State” in chapter 1 of the revised title.

§ 57104. Acquisition of vessels from sale of obsolete vessels

(a) IN GENERAL.—The Secretary of Transportation may acquire suitable documented vessels with amounts in the Vessel Operations Revolving Fund derived from the sale of obsolete vessels in the National Defense Reserve Fleet.

(b) VALUATION.—The acquired and obsolete vessels shall be valued at their scrap value in domestic or foreign markets as of the date of the acquisition for or sale from the Fleet. However, the value assigned to those vessels shall be determined on the same basis, with consideration given to the fair value of the cost of moving the vessel sold from the Fleet to the place of scrapping.

(c) COSTS INCIDENT TO LAY-UP.—Costs incident to the lay-up of the vessel acquired under this section may be paid from amounts in the Fund.

(d) TRANSFERS TO NON-CITIZENS.—A vessel sold from the Fleet under this section may be scrapped in an approved foreign market without obtaining additional separate approval from the Secretary to transfer the vessel to a person not a citizen of the United States.

In subsection (b), the words “vessel sold from the Fleet” are substituted for “traded-out vessel” for clarity and consistency.

In subsection (d), the words “without obtaining additional separate approval from the Secretary to transfer the vessel to a person not a citizen of the United States” are substituted for “Notwithstanding the provisions of sections 808 and 835 of this Appendix” for clarity and to avoid the cross references.

§ 57105. Acquisition of vessels for essential services, routes, or lines

(a) IN GENERAL.—The Secretary of Transportation may acquire a vessel, by purchase or otherwise, if—

(1) the Secretary considers the vessel necessary to establish, maintain, improve, or serve as a replacement on an essential service, route, or line in the foreign commerce of the United States, as determined under section 50103 of this title;

(2) the vessel was constructed in the United States; and

(3) the Secretary of the Navy has certified to the Secretary of Transportation that the vessel is suitable for economical and speedy conversion into a naval or military auxiliary or otherwise suitable for use by the United States Government in time of war or national emergency.

(b) PRICE.—The price paid for the vessel shall be based on a fair and reasonable valuation. However, the price may not exceed by more than 5 percent the cost of the vessel to the owner (excluding any construction-differential subsidy and the cost of national defense features paid by the Secretary of Transportation) plus the actual cost previously expended for reconditioning, less depreciation based on a 25-year life for a dry-cargo or passenger vessel and a 20-year life for a tanker or other liquid bulk carrier vessel.

(c) DOCUMENTATION.—A vessel acquired under this section that is not documented under the laws of the United States at the time of acquisition shall be so documented as soon as practicable.

In subsection (a), the words “and to pay for the same out of his construction fund” are omitted as obsolete because the construction fund established under 46 App. U.S.C. 1116 was impliedly abolished by 46 App. U.S.C. 1119, as amended.

In subsection (b), the words “less depreciation based on a 25-year life for a dry-cargo or passenger vessel and a 20-year life for a tanker or other liquid bulk carrier vessel” are substituted for “less depreciation based upon a twenty-five year life expectancy of the vessel” because of section 9 of Public Law 86-518 (June 12, 1960, 74 Stat. 217), which provided that “Nothing in any amendment made by this Act [including section 1 substituting ‘twenty-five’ for ‘twenty’ in 46 App. U.S.C. 1125] shall operate or be interpreted to change from twenty to twenty-five years the provisions of the Merchant Marine Act, 1936, as amended, relating to the commercial expectancy or period of depreciation of any tanker or other liquid bulk carrier.”

§ 57106. Maintenance, improvement, and operation of vessels

(a) IN GENERAL.—The Secretary of Transportation may maintain, repair, recondition, re-

model, and improve vessels owned by the United States Government and in the possession or under the control of the Secretary, to equip them adequately for competition in the foreign trade of the United States. The Secretary may operate such a vessel or charter the vessel on terms and conditions the Secretary considers appropriate to carry out the purposes of this subtitle.

(b) DOCUMENTATION AND RESTRICTIONS ON OPERATION.—A vessel reconditioned, remodeled, or improved under subsection (a) shall be documented under the laws of the United States and remain so documented for at least 5 years after completion of the reconditioning, remodeling, or improvement. During that period, it shall be operated on voyages that are not exclusively coastwise.

§ 57303. Utility value and tonnage requirements

(a) UTILITY VALUE.—The utility value of a new vessel to be acquired under this chapter for operation in the domestic or foreign commerce of the United States may not be substantially less than that of the obsolete vessel acquired in exchange under this chapter.

(b) TONNAGE.—If the Secretary of Transportation finds that the new vessel will have a util-

ity value at least equal to that of the obsolete vessel, the new vessel may be of lesser gross tonnage than the obsolete vessel. However, the gross tonnage of the new vessel must be at least one-third the gross tonnage of the obsolete vessel.

§ 57305. Determination of trade-in allowance

(a) IN GENERAL.—The Secretary of Transportation shall determine the trade-in allowance for an obsolete vessel at the time of acquisition of the vessel. The allowance shall be the fair value of the vessel. In determining the value, the Secretary shall consider—

(1) the scrap value of the obsolete vessel in American and foreign markets;

(2) the depreciated value based on a 20-year or 25-year life, whichever applies to the obsolete vessel; and

(3) the market value of the obsolete vessel for operation in world commerce or in the domestic or foreign commerce of the United States.

(b) USE OF OBSOLETE VESSELS.—If acquisition of the obsolete vessel occurs when the owner contracts for the construction of the new vessel, and the owner uses the obsolete vessel during the period of construction of the new vessel, the Secretary shall reduce the trade-in allowance by an amount representing the fair value of that use. The Secretary shall establish the rate for use of the obsolete vessel when the contract for construction of the new vessel is made.

§ 57306. Payment of trade-in allowance

(a) ACQUISITION AT TIME OF CONTRACT.—If acquisition of an obsolete vessel under this chapter occurs when the owner contracts for the construction or purchase of the new vessel, the Secretary of Transportation shall apply the trade-in allowance to the purchase price of the new vessel rather than paying it to the owner. If the new vessel is constructed under this subtitle, the Secretary may apply the trade-in allowance to the required cash payments on terms and conditions the Secretary may prescribe. If the new vessel is not constructed under this subtitle, the Secretary shall pay the trade-in allowance to the builder of the vessel for the account of the owner when the Secretary acquires the obsolete vessel.

(b) ACQUISITION AT TIME OF DELIVERY.—If acquisition of the obsolete vessel occurs when the new vessel is delivered to the owner, the Secretary shall deposit the trade-in allowance in the owner’s capital construction fund.

The owner of an obsolete vessel does not recognize a gain under the Federal income tax laws when the vessel is transferred to the Secretary of Transportation in exchange for a trade-in allowance under this chapter. The basis of the new vessel acquired with the allowance is the same as the basis of the obsolete vessel—

(1) increased by the difference between the cost of the new vessel and the trade-in allowance of the obsolete vessel; and

(2) decreased by the amount of loss recognized on the transfer.

In subsection (b)(1), the words "in the manner provided in section 7 of the Merchant Marine Act, 1920 [46 App. U.S.C. 866], and in strict accordance with the provisions of section 5 of said Act" are omitted because section 5 of that Act was repealed in 1988, and section 7 is being repealed as obsolete by this bill without being restated.

§ 57506. Minimum selling price of vessels

(a) IN GENERAL.—A vessel constructed under this subtitle or the Merchant Marine Act, 1936, may not be sold by the Secretary of Transportation

for less than the price specified in this section.

(c) OPERATION IN DOMESTIC TRADE.—If the vessel is to be operated in domestic trade, the minimum price is the cost of construction in the United States (exclusive of national defense features), less depreciation under subsection (d).

(d) DEPRECIATION.—Depreciation under subsections (b) and (c) shall be based on—

- (1) a 25-year life for dry-cargo and passenger vessels; and
- (2) a 20-year life for tankers and other bulk liquid carrier vessels.

However, the Secretary may reject the highest or most advantageous or any other bid if the Secretary considers the charter hire offered too low or determines that the bidder lacks the qualifications required by section 57514 of this title.

(b) HIGHEST BID REJECTED.—If the Secretary rejects the highest bid, the Secretary may—

- (1) award the charter to the next highest bidder; or
(2) reject all bids and either readvertise the line or operate the line until conditions appear more favorable to reoffer the line for private charter.

(c) REASON FOR REJECTION.—On request of a bidder, the reason for rejection shall be stated in writing to the bidder.

§ 57517. Recovery of excess profits

(a) IN GENERAL.—A charter under this chapter shall provide that if, at the end of a calendar year subsequent to the execution of the charter, the cumulative net voyage profit (after payment of the charter hire reserved in the charter and payment of the charterer’s fair and reasonable overhead expenses applicable to operation of the chartered vessel) exceeds 10 percent a year of the charterer’s capital necessarily employed in the business of the chartered vessel, the charterer shall pay to the Secretary of Transportation, as additional charter hire, half the cumulative net voyage profit in excess of 10 percent a year. However, any cumulative net voyage profit accounted for under this subsection is not to be included in the calculation of cumulative net voyage profit in any subsequent year.

(b) TERMS TO BE DEFINED AND USED.—The Secretary shall define the terms “net voyage profit”, “fair and reasonable overhead expenses”, and “capital necessarily employed” for this section. SUBCHAPTER III—MISCELLANEOUS

§ 57531. Construction and charter of vessels for unsuccessful routes

(a) IN GENERAL.—If the Secretary of Transportation finds that a trade route determined to be essential under section 50103 of this title cannot be successfully developed and maintained and the Secretary’s replacement program cannot be achieved under private operation of the trade route by a citizen of the United States with vessels documented under chapter 121 of this title, without further aid by the United States Government in addition to the financial aid authorized under titles V and VI of the Merchant Marine Act, 1936, the Secretary, without advertisement or competition, may—

(1) have constructed, in private shipyards or in navy yards, vessels of the types necessary for the trade route; and

(2) demise charter those new vessels to the operator of vessels of the United States established on the trade route.

(b) AMOUNT OF CHARTER HIRE.—

(1) IN GENERAL.—The annual charter hire under subsection (a) shall be at least 4 percent of the price (referred to in this section as the “foreign cost”) at which the vessel would be sold if constructed under title V of the Merchant Marine Act, 1936, plus—

(A) a percentage of the depreciated foreign cost computed annually determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the Government with remaining periods to maturity comparable to the term of the charter, adjusted to the nearest one-eighth percent; and

(B) an allowance adequate in the judgment of the Secretary of Transportation to cover administrative costs.

(2) DEPRECIATION.—Depreciation under paragraph (1)(A) shall be based on—

(A) a 25-year life for dry-cargo and passenger vessels; and

(B) a 20-year life for tankers and other bulk liquid carrier vessels.

(c) OPTION TO PURCHASE.—The charter may contain an option to the charterer to purchase the vessels from the Secretary of Transportation within 5 years after delivery under the charter, on the same terms and conditions as provided in title V of the Merchant Marine Act, 1936, for the purchase of new vessels from the Secretary. However—

(1) the purchase price shall be the foreign cost less depreciation to the date of purchase based on the useful life specified in subsection (b)(2);

(2) the required cash payment payable at the time of the purchase shall be 25 percent of the purchase price;

(3) the charter may provide that any part of the charter hire paid in excess of the minimum charter hire provided for in this section may be credited against the cash payment payable at the time of the purchase;

(4) the balance of the purchase price shall be paid within the remaining years of useful life (as specified in subsection (b)(2)) after the date of delivery of the vessel under the charter and in approximately equal annual installments, except that the first installment, which shall be payable on the next ensuing anniversary date of the delivery under the charter, shall be a proportionate part of the annual installment; and

(5) interest shall be payable on the unpaid balances from the date of purchase, at a rate not less than—

(A) a rate determined by the Secretary of the Treasury, taking into consideration the current average market yield on outstanding marketable obligations of the Government with remaining periods to maturity comparable to the average maturities of the loans, adjusted to the nearest one-eighth percent; plus

(B) an allowance adequate in the judgment of the Secretary of Transportation to cover administrative costs.

(d) OPERATION OF VESSEL.—

(1) PERMISSIBLE VOYAGES.—The charter shall provide for operation of the vessel exclusively—

(A) in foreign trade;

(B) on a round-the-world voyage;

(C) on a round voyage from the west coast of the United States to a European port that includes an intercoastal port of the United States;

(D) on a round voyage from the Atlantic coast of the United States to the Orient that includes an intercoastal port of the United States; or

(E) on a voyage in foreign trade on which the vessel may stop at Hawaii or an island territory or possession of the United States.

(2) DOMESTIC TRADE.—The charter shall provide if the vessel is operated in domestic trade on any of the services specified in paragraph (1), the charterer will pay annually to the Secretary of Transportation that proportion of 1/25 of the difference between the domestic and foreign cost of the vessel as the gross revenue derived from the domestic trade bears to the gross revenue derived from the entire voyages completed during the preceding year.

In subsection (a)(2), the words “demise charter” are substituted for “demise . . . or bare-boat charter” to eliminate unnecessary words. The words “operator of vessels of the United States” are substituted for “American-flag operator” for consistency in the revised title.

Subsection (b)(2) is substituted for “Upon the basis of a twenty-five year life of the vessel” because of section 9 of Public Law 86-518 (June 12, 1960, 74 Stat. 217), which provided that “Nothing in any amendment made by this Act [including section 5 substituting ‘twenty-five’ for ‘twenty’ in 46 App. U.S.C. 1204] shall operate or be interpreted to change from twenty to twenty-five years the provisions of the Merchant Marine Act, 1936, as amended, relating to the commercial expectancy or period of depreciation of any tanker or other liquid bulk carrier.”

In subsection (c), in paragraphs (1) and (4), references to the useful life specified in subsection (b)(2) are substituted for references to the twenty-five year useful life for the reason stated in explaining subsection (b)(2).

§ 57532. Operation of experimental vessels

(a) DEFINITION.—In this section, the term “experimental vessel” means a vessel owned by the United States Government (including a vessel in the National Defense Reserve Fleet) that has been constructed, reconditioned, or remodeled for experimental or testing purposes.

(b) AUTHORITY TO OPERATE.—The Secretary of Transportation, for the purpose of practical development, trial, and testing, may operate an experimental vessel under a bareboat charter or general agency agreement in the foreign or domestic trade of the United States or for use for the account of a department or agency of the Government, without regard to other provisions of this subtitle and other laws related to char-

tering and general agency operations. Not more than 10 vessels may be operated and tested under this section in any one year.

(c) TERMS OF OPERATION.—Operation of a vessel under this section shall be on terms the Secretary considers appropriate to carry out the purposes of this subtitle. A bareboat charter under this section shall be at reasonable rates and include restrictions the Secretary considers appropriate to protect the public interest, including provisions for recapture of profits under section 57517 of this title. A charter or general agency agreement under this section shall be reviewed annually to determine whether conditions exist to justify continuance of the charter or agreement.

(d) RIGHTS OF SEAMEN.—A seaman engaged in vessel operations of the Secretary under this section and employed through a general agent in connection with a charter or agreement under this section is entitled to all the rights and remedies provided in sections 1(a) and (c), 3(c), and 4 of the Act of March 24, 1943 (50 App. U.S.C. 1291(a), (c), 1293(c), 1294).

- Sec.
58108. Charges for transportation subject to subtitle IV of title 49.
58109. Penalties.

§ 58101. Operating in domestic intercoastal or coastwise service

(a) PROHIBITION.—A subsidy may not be awarded or paid to a contractor under the operating-differential subsidy program, and a vessel may not be chartered to a person under chapter 575 of this title, if the contractor or charterer, or a holding company, subsidiary, affiliate, or associate of the contractor or charterer, or an officer, director, agent, or executive thereof, directly or indirectly—

- (1) owns, charters, or operates a vessel engaged in the domestic intercoastal or coastwise service; or
- (2) owns a pecuniary interest in a person that owns, charters, or operates a vessel in the domestic intercoastal or coastwise service.

(b) WAIVER.—A person may apply to the Secretary of Transportation for a waiver of subsection (a). Before deciding on the waiver, the Secretary shall give the applicant and other interested persons an opportunity for a hearing. The Secretary may not grant the waiver if the Secretary finds it would—

- (1) result in unfair competition to a person operating exclusively in the domestic intercoastal or coastwise service; or
- (2) be prejudicial to the objectives and policy of this subtitle.

(c) CONTINUOUS OPERATION SINCE 1935.—The Secretary shall grant an application under subsection (b) without requiring further proof that the public interest and convenience will be served and without further proceedings as to the competition in the route or trade, if the contractor or other person, or a predecessor in interest, was in bona-fide operation as a common carrier by water in the domestic intercoastal or coastwise trade in 1935 over the route or in the trade for which the application is made and has so operated since that time or, if engaged in furnishing seasonal service only, was in bona-fide operation in 1935 during the season ordinarily covered by its operation, except in either event as to interruptions of service over which the applicant or its predecessor in interest had no control.

(d) DIVERSION INTO INTERCOASTAL OR COASTWISE OPERATIONS.—If an application under subsection (b) is approved, a person referred to in this section may not divert, directly or indirectly, money, property, or any other thing of value, used in a foreign-trade operation for which a subsidy is paid by the United States Government, into intercoastal or coastwise operations.

In this chapter, references to the “operating-differential subsidy program” are substituted for references to “part A of subchapter VI of this chapter”, meaning 46 App. U.S.C. 1171-1185a, because part A of subchapter VI contains the operating-differential subsidy program and under 46 App. U.S.C. 1185a that program is being phased out. Consequently, part A is being omitted from the revised title and will instead appear as a note under section 53101, except for 46 App. U.S.C. 1177 and 1177-1 which are restated in chapter 535. References to “chapter 575 of this title” are substituted for references to “subchapter VII of this chapter”, meaning 46 App. U.S.C. 1191-1205, because those sections are restated in chapter 575.

In subsection (b), the words “A person may apply to the Secretary of Transportation for a waiver of subsection (a). Before deciding on the waiver, the Secretary shall give the applicant and other interested persons an opportunity for a hearing.” are substituted for “without the written permission of the Secretary of Transportation. Every person, firm, or corporation having any interest in such application shall be permitted to intervene and the Secretary of Transportation shall give a hearing to the applicant and the intervenors.” for clarity.

In subsection (c), the words “domestic intercoastal or coastwise trade” are substituted for “domestic, intercoastal, or coastwise trade” for consistency in the section.

In subsection (d), the words “and whosoever shall violate this provision shall be guilty of a misdemeanor” are omitted because section 3559 of title 18 provides for the classification of offenses. See the revision notes for section 58109 of the revised title.

§ 58102. Default on payment or maintenance of reserves

The Secretary of Transportation may supervise the number and compensation of all officers and employees of a contractor under the operating-differential subsidy program or a charterer under chapter 575 of this title, receiving an operating-differential subsidy, if the contractor or charterer—

- (1) is in default on a mortgage, note, purchase contract, or other obligation to the Secretary; or
- (2) has not maintained, in a manner satisfactory to the Secretary, all of the reserves provided for in this subtitle.

§ 58103. Employing another person as managing or operating agent

(a) PROHIBITION.—Except with the written consent of the Secretary of Transportation, a contractor holding a contract under the operating-differential subsidy program or under chapter 575 of this title may not—

- (1) employ another person as the managing or operating agent of the operator; or
- (2) charter a vessel, on which an operating-differential subsidy is to be paid, for operation by another person.

(b) **APPLICABILITY OF PROVISIONS TO CHARTERER.**—If a charter prohibited by this section is made, the person operating the chartered vessel is subject to all the provisions of this subtitle and the operating-differential subsidy program, including limitations of profits and salaries.

In subsection (b), the words “United States Government” are substituted for “United States or any agency of the United States” for consistency and to eliminate unnecessary words.

In subsection (c), the words “bring a civil action” are substituted for “sue” for consistency in the revised title. The words “without respect to the amount in controversy” are omitted because section 1331 of title 28 no longer contains a requirement of any particular amount in controversy for jurisdiction of civil actions arising under the laws of the United States. The words “If the person prevails” are added for clarity.

§ 58107. Discrimination at ports by water common carriers

(a) **PROHIBITION.**—A common carrier by water may not, directly or indirectly, through an agreement, conference, association, understanding, or otherwise, prevent or attempt to prevent any other common carrier by water from serving any port described in subsection (b) at the same rates the first carrier charges at the nearest port already regularly served by it.

(b) **PORTS.**—A port referred to in subsection (a) is one that is—

(1) designed for the accommodation of ocean-going vessels;

(2) located on an improvement project authorized by law or by a Federal agency; and

(3) located within the continental limits of the United States.

(c) OTHER AUTHORITY NOT LIMITED.—This section does not limit the authority otherwise vested in the Secretary of Transportation and the Federal Maritime Commission.

§ 58108. Charges for transportation subject to subtitle IV of title 49

(a) PROHIBITION.—A carrier may not charge, collect, or receive for transportation subject to subtitle IV of title 49 of persons or property, under any joint rate, fare, or charge, or under any export, import, or other proportional rate, fare, or charge, that is based in whole or in part on the fact that the persons or property affected are to be transported to, or have been transported from, a port in a territory or possession of the United States or in a foreign country, by a carrier by water in foreign commerce, any lower rate, fare, or charge than the carrier charges, collects, or receives for the transportation of persons or similar property for the same distance, in the same direction, and over the same route, in commerce wholly within the United States, unless the vessel used for the transportation is or was at the time of the transportation documented under the laws of the United States.

(b) SUSPENSION OF PROHIBITION.—Whenever the Secretary of Transportation believes that adequate shipping facilities to or from any port in a territory or possession of the United States or a foreign country are not being provided by vessels documented under the laws of the United States, the Secretary shall certify this fact to the Surface Transportation Board. On receiving the certification, the Board may by order suspend the operation of subsection (a) with respect to the rates, fares, and charges for the transportation by rail of persons and property transported from or to be transported to those ports, for such time and under such terms and conditions as the Secretary may specify in the order or in any supplemental order.

(c) TERMINATION OF SUSPENSION.—Whenever the Secretary believes that adequate shipping facilities are being provided to those ports by vessels documented under the laws of the United States, and certifies that fact to the Board, the Board may order the termination of the suspension.

In subsection (a), the word “individual” is substituted for “natural person” for consistency in the revised title. The words “convicted of violating section 58101(d), 58103, or 58105 of this title” are substituted for “found guilty of any act or acts declared in this chapter to constitute a misdemeanor” because the sections referred to restate the provisions which declare certain acts to be misdemeanors and because the restatement of those provisions does not use the word “misdemeanor”. The words “in any district court of the United States” are omitted as unnecessary. The words “shall be fined under title 18, imprisoned for at least one year but not more than five years, or both” are substituted for “shall be punished by a fine of not more than \$10,000, or by imprisonment for not less than one year or more than five years, or by both fine and imprisonment” because of chapter 227 of title 18. See 18 U.S.C. 3559 (which classifies offenses based on the maximum term of imprisonment) and 3571 (which establishes fines based on those classifications).

In subsection (b), the word “organization” is substituted for “corporation” to reflect the probable intent that the penalty should apply to other organizations in addition to corporations. The words “convicted of committing an act prohibited by this subtitle” are substituted for “found guilty of any act or acts declared in this chapter to be unlawful” for clarity and consistency. The words “shall be fined under title 18” are substituted for “shall be punished by a fine of not more than \$25,000” for consistency with subsection (a).

In subsection (c), the words “An individual or organization convicted of violating a section referred to in

subsection (a)” are substituted for “any person or corporation convicted of a misdemeanor under the provisions of this chapter” for consistency in the section. Reference to the Federal Maritime Commission is omitted because the Commission does not administer any of the provisions referred to.

An identical amendment was made by Pub. L. 109-304, §9(a), Oct. 6, 2006, 120 Stat. 1674, prior to its repeal by Pub. L. 110-181, div. C, title XXXV, §3529(c)(1), Jan. 28, 2008, 122 Stat. 603.

In subsection (a), the Secretary of Homeland Security is substituted for the Commissioner of Customs because the functions of the Customs Service and of the Secretary of the Treasury relating thereto were transferred to the Secretary of Homeland Security by section 403(1) of the Homeland Security Act of 2002 (Pub. L. 107-296, 116 Stat. 2178). The functions of the Commissioner of Customs previously were vested in the Secretary of the Treasury under section 321(c) of title 31. For prior related transfers of functions, see the transfer of functions note under 46 App. U.S.C. 163. The word

“shall” is substituted for “is authorized and directed to” for consistency in the revised title and to eliminate unnecessary words. The word “port” is substituted for “seaports” for consistency in the revised title. The word “secured” is substituted for “placed in security” to eliminate unnecessary words. The words “from time to time”, “properly”, and “and for that purpose to employ any of the officers of the United States Customs Service” are omitted as unnecessary.

In subsection (b), the words “fined under title 18, imprisoned for not more than 6 months, or both” are substituted for “subject to a penalty of not more than \$100 or imprisonment not to exceed six months, or both” because of chapter 227 of title 18. The words “in the discretion of the court” are omitted as unnecessary.

In subsection (c), the words “section 2279 of title 18” are substituted for “section forty-six hundred and six of the Revised Statutes” in the Act of Mar. 31, 1900, because R.S. §4606 (formerly classified to 46 U.S.C. 708 (1946 ed.)) was replaced by 18 U.S.C. 2279 in the codification of title 18 by the Act of June 25, 1948 (ch. 645, 62 Stat. 683). The words “section 9 of act August 2, 1882 (22 Stat. 189)” are omitted because that law was repealed by section 4(b) of Public Law 98-89 (Aug. 26, 1983, 97 Stat. 600).

§ 60102. Production of certificate on entry

On entry of a vessel documented under chapter 121 of this title, the master or other individual in charge of the vessel shall produce the certificate of documentation to the customs officer at the place where the vessel is entered. If the certificate is not produced, the vessel is not entitled to the privileges of a documented vessel.

The words “in charge” are substituted for “having the command or charge” to eliminate unnecessary words. The words “customs officer” are substituted for “collector of the district” because the office of collector of customs was abolished by Reorganization Plan No. 1 of 1965. For additional requirements relating to entry of vessels, see 19 U.S.C. 1434.

§ 60103. Oath of ownership on entry

(a) REQUIRED STATEMENT.—On entry of a vessel of the United States from a foreign port, the individual designated under subsection (b) shall state under oath that—

(1) the vessel’s certificate of documentation contains the names of all the owners of the vessel; or

(2) part of the ownership has been transferred since the certificate was issued and, to the best of the individual’s knowledge and belief, the vessel is still owned only by citizens of the United States.

(b) PERSON TO MAKE STATEMENT.—The statement under subsection (a) shall be made by—

(1) an owner if one resides at the port of entry; or

§ 60104. Depositing certificates of documentation with consular officers

(a) REQUIREMENT OF MASTER.—When a vessel owned by citizens of the United States, on a voyage from a port in the United States, arrives at a foreign port, the master of the vessel shall deposit the vessel’s certificate of documentation with a consular officer at the foreign port if there is a consular officer at that port.

(b) RETURN OF CERTIFICATE.—When the master produces a clearance from the appropriate officer of the foreign port, the consular officer shall return the certificate of documentation to the master if the master has complied with the provisions of law related to the discharge of seamen in a foreign country and the payment of fees of consular officers.

(c) CIVIL PENALTY AND COLLECTION.—The master of a vessel failing to deposit the certificate of documentation as required by subsection (a) is liable to the United States Government for a civil penalty of \$500. The consular officer shall bring an action to recover the penalty in any court of competent jurisdiction. In this section, the words “certificate of documentation” are substituted for “register” and “papers” for consistency with chapter 121 of title 46. The words “sea-letter, and Mediterranean passport” in R.S. §4309 are omitted because the use of those documents was discontinued by Presidential proclamation on April 10, 1815. (c) REGULATIONS.—The Secretary may by regulation—

- (1) prescribe the manner in which clearance under this section is to be obtained, including the documents, data, or information which shall be submitted or transmitted, pursuant to an authorized data interchange system, to obtain the clearance;
- (2) permit clearance to be obtained before all requirements for clearance are complied with, but only if the owner or operator of the vessel files a bond in an amount set by the Secretary conditioned on the compliance by the owner or operator with all specified requirements for clearance within a time period (not exceeding 4 business days) established by the Secretary; and
- (3) permit clearance to be obtained at a place other than a designated port of entry, under conditions the Secretary may prescribe.

60302(c)	46 App.:121 (4th sentence proviso).	Mar. 4, 1915, ch. 171, § 1, 38 Stat. 1193.

In subsections (a) and (b), the words “Regardless of whether a tax is imposed under section 60301 of this title” are added for clarity. See 19 C.F.R. § 4.20(c) (2003).

In subsection (a)(1), the word “owned” is substituted for “belonging” for consistency in the revised title.

In subsection (a)(3), the words “vessel of the United States” are substituted for “vessel” for clarity.

In subsection (c), the words “The tax of 50 cents per ton” are substituted for “no such duty” in 46 App. U.S.C. 121 to conform more closely to the language in section 1 of the Act of March 4, 1915 (ch. 171, 38 Stat. 1193). The word “documented” is substituted for “registered” for consistency in the revised title.

The words “In addition to the tonnage-duty above imposed, there shall be paid a tax, at the rate of thirty cents per ton, on vessels which shall be entered at any custom-house within the United States from any foreign port or place” in R.S. § 4219 were omitted from the original codification of R.S. § 4219 in 46 U.S.C. 121 (1926 edition, 44 Stat. 1467). A codification note which first appeared in the 1958 edition of the United States Code for 46 U.S.C. 121 says that the words apparently were omitted as superseded and repealed by section 14 of the Act of June 26, 1884 (ch. 121, 23 Stat. 57), as amended by section 11 of the Act of June 19, 1886 (ch. 421, 24 Stat. 81), and section 1 of the Act of April 4, 1888 (ch. 61, 25 Stat. 80).

§ 60303. Light money

(a) IMPOSITION OF TAX.—A tax of 50 cents per ton, to be called “light money”, is imposed on a vessel not of the United States at each entry in a port of the United States. This tax shall be imposed and collected under the same regulations that apply to tonnage taxes.

(b) EXCEPTION FOR VESSELS OWNED BY CITIZENS.—

(1) IN GENERAL.—Subsection (a) does not apply to a vessel owned only by citizens of the United States if—

(A) the vessel is carrying a regular document issued by a customhouse of the United States proving the vessel to be owned only by citizens of the United States; and

(B) on entry of the vessel from a foreign port, the individual designated under paragraph (2) states under oath that—

(i) the document contains the names of all the owners of the vessel; or

(ii) part of the ownership has been transferred since the document was issued and, to the best of that individual’s knowledge and belief, the vessel is still owned only by citizens of the United States.

(2) PERSON TO MAKE STATEMENT.—The statement under paragraph (1)(B) shall be made by—

(A) an owner if one resides at the port of entry; or

(B) the master if an owner does not reside at the port of entry.

(c) EXCEPTION FOR VESSELS BECOMING DOCUMENTED.—Subsection (a) section does not apply to a vessel that—

(1) is owned only by citizens of the United States; and

(2) after entering a port of the United States, becomes documented as a vessel of the United States before leaving that port.

(a) GENERAL AUTHORITY.—On receiving satisfactory proof from the government of a foreign country that it has suspended, in any part, the imposition of discriminating duties for any class of vessels owned by citizens of the United States or goods imported in those vessels, the President may proclaim a reciprocal suspension of discriminating duties for the same class of vessels owned by citizens of that country or goods imported in those vessels.

When the President is satisfied that yachts owned by residents of the United States and used only for pleasure are allowed to arrive at, depart from, and cruise in the waters of a foreign port without entering, clearing, or paying any duties or fees (including cruising license fees), the Secretary of Homeland Security may allow yachts from that foreign port used only for pleasure to arrive at and depart from the ports of the United States and to cruise in the waters of the United States without paying any duties or fees. (b) GENERAL AUTHORITY.—When the President is satisfied that vessels of the United States, or passengers or cargo being transported to a port of the United States, are prohibited from passing through a canal or lock connected with the navigation of the Saint Lawrence River, the Great Lakes, or their connecting waterways, or burdened in that passage by tolls or other means that are unreasonable in view of the free passage through the Saint Marys Falls Canal allowed to vessels of all countries, the President by proclamation may suspend the right of free passage through the Saint Marys Falls Canal for vessels owned by subjects of the country imposing the prohibition, tolls, or other burdens and for passengers and cargo being transported to the ports of that country, even when carried in vessels of the United States. The suspension shall apply to the extent and for the time the President considers appropriate.

Subsection (a) is substituted for “With a view of securing reciprocal advantages for the citizens, ports, and vessels of the United States” to improve the organization of the section.

“(g) EVALUATION OF CARGO INSPECTION TARGETING SYSTEM FOR INTERNATIONAL INTERMODAL CARGO CONTAINERS.—Within 180 days after the date of the enactment of this Act [Aug. 9, 2004] and annually thereafter, the Inspector General of the department in which the Coast Guard is operating shall prepare a report that includes an assessment of—

“(1) the effectiveness of the current tracking system to determine whether it is adequate to prevent international intermodal containers from being used for purposes of terrorism;

“(2) the sources of information, and the quality of the information at the time of reporting, used by the system to determine whether targeting information is collected from the best and most credible sources and evaluate data sources to determine information gaps and weaknesses;

“(3) the targeting system for reporting and analyzing inspection statistics, as well as testing effectiveness;

“(4) the competence and training of employees operating the system to determine whether they are sufficiently capable to detect potential terrorist threats; and

“(5) whether the system is an effective system to detect potential acts of terrorism and whether additional steps need to be taken in order to remedy defi-

ciencies in targeting international intermodal containers for inspection.

“(h) ACTION REPORT.—If the Inspector General of the department in which the Coast Guard is operating determines in any of the reports prepared under subsection (g) that the targeting system is insufficiently effective as a means of detecting potential acts of terrorism utilizing international intermodal containers, then the Secretary of the department in which the Coast Guard is operating shall, within 90 days, submit a report to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure [of the] House of Representatives on what actions will be taken to correct deficiencies identified in the Inspector General Report.

“(i) COMPLIANCE WITH SECURITY STANDARDS ESTABLISHED PURSUANT TO MARITIME TRANSPORTATION SECURITY PLANS.—Within 180 days after the date of the enactment of this Act [Aug. 9, 2004] and annually thereafter, the Secretary of the department in which the Coast Guard is operating shall prepare a report on compliance and steps taken to ensure compliance by ports, terminals, vessel operators, and shippers with security standards established pursuant to section 70103 of title 46, United States Code. The reports shall also include a summary of security standards established pursuant to such section during the previous year. The Secretary shall submit the reports to the Committee on Commerce, Science, and Transportation of the Senate and the Committee on Transportation and Infrastructure of the House of Representatives.

“(k) REPORT AND PLAN FORMATS.—The Secretary and the Inspector General of the department in which the Coast Guard is operating may submit any plan or report required by this section in both classified and redacted formats, if the Secretary determines that it is appropriate or necessary.”

FINDINGS

Pub. L. 107-295, title I, §101, Nov. 25, 2002, 116 Stat. 2066, provided that:

“The Congress makes the following findings:

“(1) There are 361 public ports in the United States that are an integral part of our Nation’s commerce.

“(2) United States ports handle over 95 percent of United States overseas trade. The total volume of goods imported and exported through ports is expected to more than double over the next 20 years.

“(3) The variety of trade and commerce carried out at ports includes bulk cargo, containerized cargo, passenger transport and tourism, and intermodal transportation systems that are complex to secure.

“(4) The United States is increasingly dependent on imported energy for a substantial share of its energy supply, and a disruption of that share of supply would seriously harm consumers and our economy.

“(5) The top 50 ports in the United States account for about 90 percent of all the cargo tonnage. Twenty-five United States ports account for 98 percent of all container shipments. Cruise ships visiting foreign destinations embark from at least 16 ports. Ferries in the United States transport 113,000,000 passengers and 32,000,000 vehicles per year.

“(6) Ports often are a major locus of Federal crime, including drug trafficking, cargo theft, and smuggling of contraband and aliens.

“(7) Ports are often very open and exposed and are susceptible to large scale acts of terrorism that could cause a large loss of life or economic disruption.

“(8) Current inspection levels of containerized cargo are insufficient to counter potential security risks. Technology is currently not adequately deployed to allow for the nonintrusive inspection of containerized cargo.

“(9) The cruise ship industry poses a special risk from a security perspective.

“(10) Securing entry points and other areas of port facilities and examining or inspecting containers would increase security at United States ports.

“(11) Biometric identification procedures for individuals having access to secure areas in port facilities are important tools to deter and prevent port cargo crimes, smuggling, and terrorist actions.

“(12) United States ports are international boundaries that—

“(A) are particularly vulnerable to breaches in security;

“(B) may present weaknesses in the ability of the United States to realize its national security objectives; and

“(C) may serve as a vector or target for terrorist attacks aimed at the United States.

“(13) It is in the best interests of the United States—

“(A) to have a free flow of interstate and foreign commerce and to ensure the efficient movement of cargo;

“(B) to increase United States port security by establishing improving communication among law enforcement officials responsible for port security;

“(C) to formulate requirements for physical port security, recognizing the different character and nature of United States port facilities, and to require the establishment of security programs at port facilities;

“(D) to provide financial assistance to help the States and the private sector to increase physical security of United States ports;

“(E) to invest in long-term technology to facilitate the private sector development of technology that will assist in the nonintrusive timely detection of crime or potential crime at United States ports;

“(F) to increase intelligence collection on cargo and intermodal movements to address areas of potential threat to safety and security; and

“(G) to promote private sector procedures that provide for in-transit visibility and support law enforcement efforts directed at managing the security risks of cargo shipments.

“(14) On April 27, 1999, the President established the Interagency Commission on Crime and Security in United States Ports to undertake a comprehensive study of the nature and extent of the problem of crime in our ports, as well as the ways in which governments at all levels are responding. The Commission concluded that frequent crimes in ports include drug smuggling, illegal car exports, fraud, and cargo theft. Internal conspiracies are an issue at many ports and contribute to Federal crime. Criminal organizations are exploiting weak security at ports to commit a wide range of cargo crimes. Intelligence and information sharing among law enforcement agencies needs to be improved and coordinated at many ports. A lack of minimum physical and personnel security standards at ports and related facilities leaves many ports and port users very vulnerable. Access to ports and operations within ports is often uncontrolled. Security-related and detection-related equipment, such as small boats, cameras, large-scale x-ray machines, and vessel tracking devices, are lacking at many ports.

“(15) The International Maritime Organization and other similar international organizations are currently developing a new maritime security system that contains the essential elements for enhancing global maritime security. Therefore, it is in the best interests of the United States to implement new international instruments that establish such a system.”

The agreement would establish seaport and vessel security measures and could include—

- (1) seaport screening of cargo and baggage similar to that done at airports;
- (2) security measures to restrict access to cargo, vessels, and dockside property to authorized personnel only;
- (3) additional security on board vessels;
- (4) licensing or certification of compliance with appropriate security standards; and
- (5) other appropriate measures to prevent unlawful acts against passengers and crews on vessels.

AMENDMENTS

2010—Subsec. (c). Pub. L. 111-281 added subsec. (c).

§ 70507. Forfeitures

(a) IN GENERAL.—Property described in section 511(a) of the Comprehensive Drug Abuse Prevention and Control Act of 1970 (21 U.S.C. 881(a)) that is used or intended for use to commit, or to facilitate the commission of, an offense under section 70503 of this title may be seized and forfeited in the same manner that similar property may be seized and forfeited under section 511 of that Act (21 U.S.C. 881).

(b) PRIMA FACIE EVIDENCE OF VIOLATION.—Practices commonly recognized as smuggling tactics may provide prima facie evidence of intent to use a vessel to commit, or to facilitate the commission of, an offense under section 70503 of this title, and may support seizure and forfeiture of the vessel, even in the absence of controlled substances aboard the vessel. The following indicia, among others, may be considered, in the totality of the circumstances, to be prima facie evidence that a vessel is intended to be used to commit, or to facilitate the commission of, such an offense:

(1) The construction or adaptation of the vessel in a manner that facilitates smuggling, including—

(A) the configuration of the vessel to ride low in the water or present a low hull profile to avoid being detected visually or by radar;

(B) the presence of any compartment or equipment that is built or fitted out for smuggling, not including items such as a safe or lock-box reasonably used for the storage of personal valuables;

(C) the presence of an auxiliary tank not installed in accordance with applicable law or installed in such a manner as to enhance the vessel’s smuggling capability;

(D) the presence of engines that are excessively over-powered in relation to the design and size of the vessel;

(E) the presence of materials used to reduce or alter the heat or radar signature of the vessel and avoid detection;

(F) the presence of a camouflaging paint scheme, or of materials used to camouflage the vessel, to avoid detection; or

(G) the display of false vessel registration numbers, false indicia of vessel nationality, false vessel name, or false vessel homeport.

(2) The presence or absence of equipment, personnel, or cargo inconsistent with the type or declared purpose of the vessel.

(3) The presence of excessive fuel, lube oil, food, water, or spare parts, inconsistent with legitimate vessel operation, inconsistent with the construction or equipment of the vessel, or inconsistent with the character of the vessel’s stated purpose.

(4) The operation of the vessel without lights during times lights are required to be displayed under applicable law or regulation and in a manner of navigation consistent with smuggling tactics used to avoid detection by law enforcement authorities.

(5) The failure of the vessel to stop or respond or heave to when hailed by government authority, especially where the vessel conducts evasive maneuvering when hailed.

(6) The declaration to government authority of apparently false information about the vessel, crew, or voyage or the failure to identify the vessel by name or country of registration when requested to do so by government authority.

(7) The presence of controlled substance residue on the vessel, on an item aboard the vessel, or on an individual aboard the vessel, of a quantity or other nature that reasonably indicates manufacturing or distribution activity.

(8) The use of petroleum products or other substances on the vessel to foil the detection of controlled substance residue.

(9) The presence of a controlled substance in the water in the vicinity of the vessel, where given the currents, weather conditions, and course and speed of the vessel, the quantity or other nature is such that it reasonably indicates manufacturing or distribution activity.

(a) IN GENERAL.—An individual may not operate by any means or embark in any submersible vessel or semi-submersible vessel that is without nationality and that is navigating or has navigated into, through, or from waters beyond the outer limit of the territorial sea of a single country or a lateral limit of that country’s territorial sea with an adjacent country, with the intent to evade detection.

(b) EVIDENCE OF INTENT TO EVADE DETECTION.—In any civil enforcement proceeding for a violation of subsection (a), the presence of any of the indicia described in paragraph (1)(A), (E), (F), or (G), or in paragraph (4), (5), or (6), of section 70507(b) may be considered, in the totality of the circumstances, to be prima facie evidence of intent to evade detection.

(c) DEFENSES.—

(1) IN GENERAL.—It is a defense in any civil enforcement proceeding for a violation of subsection (a) that the submersible vessel or semi-submersible vessel involved was, at the time of the violation—

(A) a vessel of the United States or lawfully registered in a foreign nation as claimed by the master or individual in charge of the vessel when requested to make a claim by an officer of the United States authorized to enforce applicable provisions of United States law;

(C) lawfully operated in government-regulated or licensed activity, including commerce, research, or exploration; or

(D) equipped with and using an operable automatic identification system, vessel monitoring system, or long range identification and tracking system.

(2) PRODUCTION OF DOCUMENTS.—The defenses provided by this subsection are proved conclusively by the production of—

(A) government documents evidencing the vessel’s nationality at the time of the offense, as provided in article 5 of the 1958 Convention on the High Seas;

(B) a certificate of classification issued by the vessel’s classification society upon completion of relevant classification surveys and valid at the time of the offense; or

(C) government documents evidencing licensure, regulation, or registration for research or exploration.

(d) CIVIL PENALTY.—A person violating this section shall be liable to the United States for a civil penalty of not more than \$1,000,000.

§ 80104. Salvaging operations by foreign vessels

(a) PROHIBITION.—Except as provided in this section or section 80105 of this title, a foreign vessel may not, under penalty of forfeiture, engage in salvaging operations on the Atlantic or Pacific coast of the United States, in any portion of the Great Lakes or their connecting or tributary waters, including any portion of the Saint Lawrence River through which the international boundary line extends, or in territorial waters of the United States on the Gulf of Mexico.

(2) documented under chapter 121 of this title or numbered under chapter 123 of this title.

(c) OPERATIONS AUTHORIZED BY TREATY.—This section does not prohibit or restrict assistance to vessels or salvaging operations authorized by treaty, including—

In subsection (a), the words “authorized by a treaty” are omitted because they are restated in subsection (c).

In subsection (b), before paragraph (1), the Secretary of Homeland Security is substituted for the Commissioner of Customs because the functions of the Customs Service and of the Secretary of the Treasury relating thereto were transferred to the Secretary of Homeland Security by section 403(1) of the Homeland Security Act of 2002 (Pub. The words “and no penalty shall be incurred for such authorized use” are omitted as unnecessary.

In subsection (b)(1), the words “(including a Bowaters corporation under section 12118 of this title)” are added because the source for section 12118 (46 App. U.S.C. 883–1) provides that a corporation meeting the requirements of that section is also a citizen of the United States under 46 App. U.S.C. 316, restated in part in this section.

§ 80107. Salvors of life to share in remuneration

(a) ENTITLEMENT OF SALVORS.—A salvor of human life, who gave aid following an accident giving rise to salvage, is entitled to a fair share of the payment awarded to the salvor for salvaging the vessel or other property or preventing or minimizing damage to the environment.

(b) COMMON OWNERSHIP OF VESSELS.—The right to remuneration for aid or salvage services is not affected by common ownership of the vessels giving and receiving the aid or salvage services.

(c) TIME LIMIT ON BRINGING ACTIONS.—A civil action to recover remuneration for giving aid or salvage services must be brought within 2 years after the date the aid or salvage services were given, unless the court in which the action is brought is satisfied that during that 2-year period there had not been a reasonable opportunity to seize the aided or salvaged vessel within the jurisdiction of the court or within the territorial waters of the country of the plaintiff's residence or principal place of business.

(2) maintain a service of study and observation of ice and current conditions in the waters affecting the set and drift of ice in the North Atlantic Ocean; and

§ 80302. Patrol services

(a) GENERAL REQUIREMENTS.—Unless the agreements made under section 80301 of this title provide otherwise, an ice patrol shall be maintained during the entire ice season in guarding the southeastern, southern, and southwestern limits of the region of icebergs in the vicinity of the Grand Banks of Newfoundland. The patrol shall inform trans-Atlantic and other passing vessels by radio and other available means of the ice conditions and the extent of the dangerous region. During the ice season, there shall be maintained a service of study of ice and current conditions, a service of providing assistance to vessels and crews requiring assistance, and a service of removing and destroying derelicts. Any of these services may be maintained during the remainder of the year as may be advisable.

(b) WARNINGS TO VESSELS.—An ice patrol vessel shall warn any vessel known to be approaching a dangerous area and recommend safe routes.

(c) RECORDING AND REPORTING INCIDENTS.—

(1) RECORDING.—An ice patrol vessel shall record the name of a vessel and the facts of the case when the patrol observes or knows that the vessel—

(A) is on other than a regular recognized or advertised route crossing the North Atlantic Ocean;

(B) has crossed the fishing banks of Newfoundland north of latitude 43 degrees north during the fishing season; or

(C) has passed through regions known or believed to be endangered by ice when proceeding to and from ports of North America.

(d) ADMINISTRATION.—The Commandant of the Coast Guard, under the direction of the Secretary of the department in which the Coast Guard is operating, shall carry out the services provided for in this section and shall assign necessary vessels, material, and personnel of the Coast Guard. On request of such Secretary, the head of an agency may detail personnel, lend or contribute material or equipment, or otherwise assist in carrying out the services provided for in this section.

(e) ANNUAL REPORT.—The Commandant shall publish an annual report of the activities of the services provided for in this section. A copy of the report shall be provided to each interested foreign government and to each agency assisting in the work.

80501	46 App.:1501.	Pub. L. 95-208, §2, Dec. 13, 1977, 91 Stat. 1475.

In the definition of “international transport”, subparagraphs (A) and (B) are substituted for 46 App. U.S.C. 1501(d)(1)–(3) to eliminate unnecessary words.

In the definition of “owner”, the words “includes the lessee or bailee of a container if a written lease or bailment provides for the lessee or bailee to exercise the owner’s responsibility for maintaining and examining the container” are substituted for “means a person who owns a container, or, if a written lease or bailment provides for the lessee or bailee to exercise the owner’s responsibility for maintaining and examining the container, the lessee or bailee of a container, to the extent such agreement so provides” to eliminate unnecessary words.

The definition of “Secretary” is omitted because a complete reference to the appropriate Secretary is used the first time the Secretary is named in each section. Throughout this chapter, the phrase “Secretary of the department in which the Coast Guard is operating” is substituted for “Secretary of Transportation” because the Coast Guard has been transferred to the Department of Homeland Security (except when operating as a service in the Navy) by section 888 of the Homeland Security Act of 2002 (Pub. L. 107-296, 116 Stat. 2249).

The definition of “United States” is omitted because “United States” is defined in chapter 1 of the revised

title. The definitions of “new container” and “existing container” are omitted as obsolete.

§ 80502. Application of Convention

The Convention applies to an owner of a container used in international transport if the owner is domiciled or has its principal office in the United States.
