(2) In the case of the establishment or expansion of a military installation, assistance may be made under paragraph (1) only if (A) community impact assistance or special impact assistance is not otherwise available, and (B) the establishment or expansion involves the assignment to the installation of (i) more than 2,000 military, civilian, and contractor Department of Defense personnel, or (ii) more military, civilian, and contractor Department of Defense personnel than the number equal to 10 percent of the number of persons employed in counties or independent municipalities within fifteen miles of the installation, whichever is lesser.

(3) In the case of a publicly announced planned reduction in Department of Defense spending, the closure or realignment of a military installation, the cancellation or termination of a Department of Defense contract, or the failure to proceed with a previously approved major defense acquisition program, assistance may be made under paragraph (1) only if the reduction, closure or realignment, cancellation or termination, or failure will have a direct and significant adverse impact on a community or its residents.

(4)(A) In the case of a State or local government eligible for assistance under paragraph (1), the Secretary of Defense may also make grants, conclude cooperative agreements, and supplement other Federal funds in order to assist the State or local government to carry out a community adjustment and economic diversification program (including State industrial extension or modernization efforts to facilitate the economic diversification of defense contractors and subcontractors) in addition to planning such a program.

(C) The Secretary shall carry out this paragraph in coordination with the Secretary of Commerce.

(5)(A) The Secretary of Defense may also make grants, conclude cooperative agreements, and supplement other Federal funds in order to assist a State or local government in planning community adjustments and economic diversification even though the State or local government is not currently eligible for assistance under paragraph (1) if the Secretary determines that a substantial portion of the economic activity or population of the geographic area to be subject to the advance planning is dependent on defense expenditures.

(B) The Secretary of Defense may also make grants, conclude cooperative agreements, and supplement other Federal funds in order to assist a State in enhancing its capacities—

(i) to assist communities, businesses, and workers adversely affected by an action described in paragraph (1);

(ii) to support local adjustment and diversification initiatives; and

(iii) to stimulate cooperation between statewide and local adjustment and diversification efforts.

(C) The Secretary of Defense may also make grants, conclude cooperative agreements, and supplement other Federal funds in order to assist a State or local government in enhancing the capabilities of the government to support efforts of the Department of Defense to privatize, contract for, or diversify the performance of military family support services in cases in which the capability of the Department to provide such services is adversely affected by an action described in paragraph (1).

(D) The Secretary of Defense may also make grants, conclude cooperative agreements, and supplement other Federal funds, in order to assist a State or local government in planning, enhancing infrastructure, and implementing measures and projects (to include resilience measures and projects involving the protection, restoration, and maintenance of natural features) that, as determined by the Secretary of Defense, will contribute to maintaining or improving military installation resilience or will prevent or mitigate encroachment that could affect operations of the Department of Defense.

(6) Funds provided to State and local governments and regional organizations under this section may be used as part or all of any required non-Federal contribution to a Federal grant-in-aid program for the purposes stated in paragraph (1).

(7) To the extent practicable, the Secretary of Defense shall inform a State or local government applying for assistance under this subsection of the approval or rejection by the Secretary of the application for such assistance as follows:

(B) Before the end of the 30-day period beginning on such date, in the case of an application for assistance to carry out a community adjustments and economic diversifications program.

(8)(A) In attempting to complete consideration of applications within the time period specified in paragraph (7), the Secretary of Defense shall give priority to those applications requesting assistance for a community described in subsection (f)(1).

(B) If an application under paragraph (7) is rejected by the Secretary, the Secretary shall promptly inform the State or local government of the reasons for the rejection of the application.

(c) RESEARCH AND TECHNICAL ASSISTANCE.—The Secretary of Defense may make grants to, or conclude cooperative agreements or enter into contracts with, another Federal agency, a State or local government, or any private entity to conduct research and provide technical assistance in support of activities under this section or Executive Order 12788 (57 Fed. graph (B), the State or local government agree to contribute not less than 30 percent of the funding for the community infrastructure project.

(B) If a proposed community infrastructure project will be carried out in a rural area or the Secretary of Defense determines that a proposed community infrastructure project is advantageous for reasons related to national security, the Secretary—

(i) shall not penalize a State or local government for offering to make a contribution of 30 percent or less of the funding for the community infrastructure project; and

(ii) may reduce the requirement for a State or local government contribution to 30 percent or less or waive the cost-sharing requirement entirely.

(3) In selecting community infrastructure projects to receive assistance under this subsection, the Secretary shall consider infrastructure improvements identified in the report on strategic seaports required by section 3515 of the National Defense Authorization Act for Fiscal Year 2020 (Public Law 116-92; 133 Stat. 1985).

(4) Amounts appropriated or otherwise made available for assistance under paragraph (1) may remain available until expended.

In subsection (a), the words “On and after July 13, 1955” are omitted as executed. The words “An advance” are substituted for “section 529 of this title shall not apply in the case of payments” because of the restatement.

In subsection (b), the words “armed force of the United States” are substituted for “Army, Navy, Air

Force, Marine Corps, or Coast Guard” because of 10:101(4) and to avoid confusion with the phrase “armed force of a friendly foreign country”.

In subsection (b)(1), before clause (A), the words “the Secretary of Transportation with respect to the Coast Guard when it is not operating as a service in the Navy” are substituted for “the Secretary of the Treasury in their respective areas of responsibility” because of 14:3 and 49:1655(b)(1) and (2). The words “disbursing official” are substituted for “cashiers, disbursing officers” for consistency with other titles of the United States Code and to eliminate unnecessary words.

§ 2451. Defense supply management

(a) The Secretary of Defense shall develop a single catalog system and related program of standardizing supplies for the Department of Defense.

(b) In cataloging, the Secretary shall name, describe, classify, and number each item recurrently used, bought, stocked, or distributed by the Department of Defense, so that only one distinctive combination of letters or numerals, or both, identifies the same item throughout the Department of Defense. Only one identification may be used for each item for all supply functions from purchase to final disposal in the field or other area. The catalog may consist of a number of volumes, sections, or supplements. It shall include all items of supply and, for each

item, information needed for supply operations, such as descriptive and performance data, size, weight, cubage, packaging and packing data, a standard quantitative unit of measurement, and other related data that the Secretary determines to be desirable.

(c) In standardizing supplies the Secretary shall, to the highest degree practicable—

(1) standardize items used throughout the Department of Defense by developing and using single specifications, eliminating overlapping and duplicate specifications, and reducing the number of sizes and kinds of items that are generally similar;

(2) standardize the methods of packing, packaging, and preserving such items; and

(3) make efficient use of the services and facilities for inspecting, testing, and accepting such items.

(d) The Secretary shall coordinate with the Administrator of General Services to enable the use of commercial identifiers for commercial products (as defined in section 103 of title 41) within the Federal cataloging system.

§ 2457. Standardization of equipment with North Atlantic Treaty Organization members

(a) It is the policy of the United States to standardize equipment, including weapons systems, ammunition, and fuel, procured for the use of the armed forces of the United States stationed in Europe under the North Atlantic Treaty or at least to make that equipment interoperable with equipment of other members of the North Atlantic Treaty Organization. To carry out this policy, the Secretary of Defense shall—

(1) assess the costs and possible loss of non-nuclear combat effectiveness of the military forces of the members of the Organization caused by the failure of the members to standardize equipment;

(2) maintain a list of actions to be taken, including an evaluation of the priority and effect of the action, to standardize equipment that may improve the overall nonnuclear defense capability of the Organization or save resources for the Organization; and

(3) initiate and carry out, to the maximum extent feasible, procurement procedures to acquire standardized or interoperable equip-

ment, considering the cost, function, quality, and availability of the equipment.

(b) Progress in realizing the objectives of standardization and interoperability would be enhanced by expanded inter-Allied procurement of arms and equipment within the North Atlantic Treaty Organization. Expanded inter-Allied procurement would be made easier by greater reliance on licensing and coproduction cooperative agreements among the signatories of the North Atlantic Treaty. If constructed to preserve the efficiencies associated with economies of scale, the agreements could minimize potential economic hardship to parties to the agreements and increase the survivability, in time of war, of the North Atlantic Alliance's armaments production base by dispersing manufacturing facilities. In conjunction with other members of the Organization and to the maximum extent feasible, the Secretary shall—

(1) identify areas in which those cooperative agreements may be made with members of the Alliance; and

(2) negotiate those agreements.

(c)(1) It is the sense of Congress that weapons systems being developed wholly or primarily for employment in the North Atlantic Treaty Organization theater should conform to a common Organization requirement in order to proceed toward joint doctrine and planning and to facilitate maximum feasible standardization and interoperability of equipment, and that a common Organization requirement should be understood to include a common definition of the military threat to the members of the Organization.

(2) It is further the sense of Congress that standardization of weapons and equipment within the Organization on the basis of a “two-way street” concept of cooperation in defense procurement between Europe and North America can only work in a realistic sense if the European nations operate on a united and collective basis. Therefore, the governments of Europe are encouraged to accelerate their present efforts to achieve European armaments collaboration among all European members of the Organization.

[(d) Repealed. Pub. L. 108-136, div. A, title X, § 1031(a)(22), Nov. 24, 2003, 117 Stat. 1598.]

(e) If the Secretary decides that procurement of equipment manufactured outside the United States is necessary to carry out the policy of subsection (a), the Secretary may determine under section 8302 of title 41 that acquiring that equipment manufactured in the United States is inconsistent with the public interest.

(f) The Secretary shall submit the results of each assessment and evaluation made under subsection (a)(1) and (2) to the appropriate North Atlantic Treaty Organization body to become an integral part of the overall Organization review of force goals and development of force plans.

§ 2460. Definition of depot-level maintenance and repair

(a) IN GENERAL.—In this chapter, the term “depot-level maintenance and repair” means (except as provided in subsection (b)) material maintenance or repair requiring the overhaul, upgrading, or rebuilding of parts, assemblies, or subassemblies, and the testing and reclamation of equipment as necessary, regardless of the source of funds for the maintenance or repair or the location at which the maintenance or repair is performed. The term includes (1) all aspects of software maintenance classified by the Department of Defense as of July 1, 1995, as depot-level maintenance and repair, and (2) interim contractor support or contractor logistics support (or any similar contractor support), to the extent that such support is for the performance of services described in the preceding sentence.

(b) EXCEPTIONS.—(1) The term does not include the procurement of major modifications or upgrades of weapon systems that are designed to improve program performance or the nuclear refueling or defueling of an aircraft carrier and any concurrent complex overhaul. A major upgrade program covered by this exception could continue to be performed by private or public sector activities.

(2) The term also does not include the procurement of parts for safety modifications. However, the term does include the installation of parts for that purpose.

§ 2461. Public-private competition required before conversion to contractor performance

(a) PUBLIC-PRIVATE COMPETITION.—(1) No function of the Department of Defense performed by Department of Defense civilian employees may be converted, in whole or in part, to performance by a contractor unless the conversion is based on the results of a public-private competition that—

(A) formally compares the cost of performance of the function by Department of Defense civilian employees with the cost of performance by a contractor;

(B) creates an agency tender, including a most efficient organization plan, in accordance with Office of Management and Budget Circular A-76, as implemented on May 29, 2003, or any successor circular;

(C) includes the issuance of a solicitation;

(D) determines whether the submitted offers meet the needs of the Department of Defense with respect to factors other than cost, including quality, reliability, and timeliness;

(E) examines the cost of performance of the function by Department of Defense civilian employees and the cost of performance of the function by one or more contractors to demonstrate whether converting to performance by a contractor will result in savings to the Government over the life of the contract, including—

(i) the estimated cost to the Government (based on offers received) for performance of the function by a contractor;

(ii) the estimated cost to the Government for performance of the function by Department of Defense civilian employees; and

(iii) an estimate of all other costs and expenditures that the Government would incur because of the award of such a contract;

(F) requires continued performance of the function by Department of Defense civilian employees unless the difference in the cost of performance of the function by a contractor compared to the cost of performance of the function by Department of Defense civilian employees would, over all performance periods required by the solicitation, be equal to or exceed the lesser of—

(i) 10 percent of the personnel-related costs for performance of that function in the agency tender; or

(ii) \$10,000,000;

(G) requires that the contractor shall not receive an advantage for a proposal that would reduce costs for the Department of Defense by—

(i) not making an employer-sponsored health insurance plan (or payment that could be used in lieu of such a plan), health savings account, or medical savings account available to the workers who are to be employed to perform the function under the contract;

(ii) offering to such workers an employer-sponsored health benefits plan that requires the employer to contribute less towards the premium or subscription share than the amount that is paid by the Department of Defense for health benefits for civilian em-

ployees of the Department under chapter 89 of title 5; or

(iii) offering to such workers a retirement benefit that, in any year, costs less than the annual retirement cost factor applicable to civilian employees of the Department of Defense under chapter 84 of title 5; and

(H) examines the effect of performance of the function by a contractor on the military mission associated with the performance of the function.

(2) A function that is performed by the Department of Defense and is reengineered, reorganized, modernized, upgraded, expanded, or changed to become more efficient, but still essentially provides the same service, shall not be considered a new requirement.

(3) In no case may a function being performed by Department of Defense personnel be—

(A) modified, reorganized, divided, or in any way changed for the purpose of exempting the conversion of the function from the requirements of this section; or

(B) converted to performance by a contractor to circumvent a civilian personnel ceiling.

(4) A military department or Defense Agency may not be required to conduct a public-private competition under Office of Management and Budget Circular A-76 or any other provision of law at the end of the performance period specified in a letter of obligation or other agreement entered into with Department of Defense civilian employees pursuant to a public-private competition for any function of the Department of Defense performed by Department of Defense civilian employees.

(5)(A) Except as provided in subparagraph (B), the duration of a public-private competition conducted pursuant to Office of Management and Budget Circular A-76 or any other provision of law for any function of the Department of Defense performed by Department of Defense civilian employees may not exceed a period of 24 months, commencing on the date on which the preliminary planning for the public-private competition begins and ending on the date on which a performance decision is rendered with respect to the function.

(B)(i) The Secretary of Defense may specify an alternative period of time for a public-private competition, which may not exceed 33 months, if the Secretary—

(I) determines that the competition is of such complexity that it cannot be completed within 24 months; and

(II) submits to Congress, as part of the formal congressional notification of a public-private competition pursuant to subsection (c), written notification that explains the basis of such determination.

(ii) The notification under clause (i)(II) shall also address each of the following:

(I) Any efforts of the Secretary to break up the study geographically or functionally.

(II) The Secretary's justification for undertaking a public-private competition instead of using internal reengineering alternatives.

(III) The cost savings that the Secretary expects to achieve as a result of the public-private competition.

(iii) If the Secretary specifies an alternative time period under this subparagraph, the alternative time period shall be binding on the Department in the same manner and to the same extent as the limitation provided in subparagraph (A).

(C) The time period specified in subparagraph (A) for a public-private competition does not include any day during which the public-private competition is delayed by reason of the filing of a protest before the Government Accountability Office or a complaint in the United States Court of Federal Claims up until the day the decision or recommendation of either authority becomes final. In the case of a protest before the Government Accountability Office, the recommendation becomes final after the period of time for filing a request for reconsideration, or if a request for reconsideration is filed, on the day the Government Accountability Office issues a decision on the reconsideration.

(D) If a protest with respect to a public-private competition before the Government Accountability Office or the United States Court of Federal Claims is sustained, and the recommendation is final as described in subparagraph (C), and if such protest and recommendation result in an unforeseen delay in implementing a final performance decision, the Secretary of Defense may terminate the public-private competition or extend the period of time specified for the public-private competition under subparagraph (A) or subparagraph (B). If the Secretary decides not to terminate a competition, the Secretary shall submit to Congress written notice of such decision. Any such notification shall include a justification for the Secretary's decision and a new time limitation for the competition, which shall not exceed 12 months from the final decision and shall be binding on the Department.

(E) For the purposes of this paragraph, preliminary planning with respect to a public-private competition shall be conducted in accordance with guidance and procedures that shall be issued and maintained by the Under Secretary of Defense for Personnel and Readiness and shall begin on the date on which a component of the Department of Defense first obligates funds specifically for the acquisition of contract support for the preliminary planning effort, or formally assigns Department of Defense personnel, to carry out any of the following activities:

(i) Determining the scope of the public-private competition.

(ii) Conducting research to determine the appropriate grouping of functions for the competition.

(iii) Assessing the availability of workload data, quantifiable outputs of functions, and agency or industry performance standards applicable to the competition.

(iv) Determining the baseline cost of any function for which the competition is conducted.

(F) To effectively establish the date that is the first day of preliminary planning for a public-private competition, the head of a military department or Defense Agency shall submit to Congress written notice of the actions intended to be taken during the preliminary planning

process and shall provide public notice of such actions by announcing such date on an appropriate Internet website and through other means as determined necessary. The date of such announcement shall be used for the purpose of computing the duration of the public private competition for purposes of this section.

(G) The Secretary of Defense shall submit to the congressional defense committees an annual report on the use, during the year covered by the report, of alternative time periods for public-private competitions under this section, and the explanations of the Secretary for such alternative time periods.

(b) REQUIREMENT TO CONSULT DOD EMPLOYEES.—(1) Each officer or employee of the Department of Defense responsible for determining under Office of Management and Budget Circular A-76 whether to convert to contractor performance any function of the Department of Defense—

(A) shall, at least monthly during the development and preparation of the performance work statement and the management efficiency study used in making that determination, consult with civilian employees who will be affected by that determination and consider the views of such employees on the development and preparation of that statement and that study; and

(B) may consult with such employees on other matters relating to that determination.

(2)(A) In the case of employees represented by a labor organization accorded exclusive recognition under section 7111 of title 5, consultation with representatives of that labor organization shall satisfy the consultation requirement in paragraph (1).

(B) In the case of employees other than employees referred to in subparagraph (A), consultation with appropriate representatives of those employees shall satisfy the consultation requirement in paragraph (1).

(C) The Secretary of Defense shall prescribe regulations to carry out this subsection. The regulations shall include provisions for the selection or designation of appropriate representatives of employees referred to in subparagraph (B) for purposes of the consultation required by paragraph (1).

(c) CONGRESSIONAL NOTIFICATION.—(1) Before commencing a public-private competition under subsection (a), the Secretary of Defense shall submit to Congress a report containing the following:

(A) The function for which such public-private competition is to be conducted.

(B) The location at which the function is performed by Department of Defense civilian employees.

(C) The number of Department of Defense civilian employee positions potentially affected.

(D) The anticipated length and cost of the public-private competition, and a specific identification of the budgetary line item from which funds will be used to cover the cost of the public-private competition.

(E) A certification that a proposed performance of the function by a contractor is not a result of a decision by an official of a military department or Defense Agency to impose pre-

determined constraints or limitations on such employees in terms of man years, end strengths, full-time equivalent positions, or maximum number of employees.

(2) The report required under paragraph (1) shall include an examination of the potential economic effect of performance of the function by a contractor on—

(A) Department of Defense civilian employees who would be affected by such a conversion in performance; and

(B) the local community and the Government, if more than 50 Department of Defense civilian employees perform the function.

(3)(A) A representative individual or entity at a facility where a public-private competition is conducted may submit to the Secretary of Defense an objection to the public-private competition on the grounds that the report required by paragraph (1) has not been submitted or that the certification required by paragraph (1)(E) is not included in the report submitted as a condition for the public-private competition. The objection shall be in writing and shall be submitted within 90 days after the following date:

(i) In the case of a failure to submit the report when required, the date on which the representative individual or an official of the representative entity authorized to pose the objection first knew or should have known of that failure.

(ii) In the case of a failure to include the certification in a submitted report, the date on which the report was submitted to Congress.

(B) If the Secretary determines that the report required by paragraph (1) was not submitted or that the required certification was not included in the submitted report, the function for which the public-private competition was conducted for which the objection was submitted may not be the subject of a solicitation of offers for, or award of, a contract until, respectively, the report is submitted or a report containing the certification in full compliance with the certification requirement is submitted.

(d) EXEMPTION FOR THE PURCHASE OF PRODUCTS AND SERVICES OF THE BLIND AND OTHER SEVERELY HANDICAPPED PERSONS.—This section shall not apply to a commercial or industrial type function of the Department of Defense that—

(1) is included on the procurement list established pursuant to section 8503 of title 41; or

(2) is planned to be changed to performance by a qualified nonprofit agency for the blind or by a qualified nonprofit agency for other severely handicapped persons in accordance with such section.

(e) INAPPLICABILITY DURING WAR OR EMERGENCY.—The provisions of this section shall not apply during war or during a period of national emergency declared by the President or Congress.

“(a) STANDARDIZATION OF REQUIREMENTS.—The Secretary of Defense is authorized and encouraged to develop standard forms (to be known as a ‘standard performance work statement’ and a ‘standard request for proposal’) for use in the consideration for conversion to contractor performance of commercial services and functions at military installations. A separate standard form shall be developed for each service and function.

“(b) RELATIONSHIP TO OMB REQUIREMENTS.—A standard performance work statement or a standard request for proposal developed under subsection (a) must fulfill the basic requirements of the performance work statement or request for proposal otherwise required under the procedures and requirements of Office of Management and Budget Circular A-76 (or any successor administrative regulation or policy) in effect at the time the standard form will be used.

“(c) PRIORITY DEVELOPMENT OF CERTAIN FORMS.—In developing standard performance work statements and standard requests for proposal, the Secretary shall give first priority to those commercial services and functions that the Secretary determines have been successfully converted to contractor performance on a repeated basis.

“(d) INCENTIVE FOR USE.—Beginning not later than October 1, 1998, if a standard performance work statement or a standard request for proposal is developed under subsection (a) for a particular service and function, the standard form may be used in lieu of the performance work statement or request for proposal otherwise required under the procedures and requirements of Office of Management and Budget Circular A-76 in connection with the consideration for conversion to contractor performance of that service or function at a military installation.

“(e) EXCLUSION OF MULTIFUNCTION CONVERSION.—If a commercial service or function for which a standard form is developed under subsection (a) is combined with another service or function (for which such a form has not yet been developed) for purposes of considering the services and functions at the military installation for conversion to contractor performance, a standard performance work statement or a standard request for a proposal developed under subsection (a) may not be used in the conversion process in lieu of the procedures and requirements of Office of Management and Budget Circular A-76.

“(f) EFFECT ON OTHER LAWS.—Nothing in this section shall be construed to supersede any other requirements or limitations, specifically contained in chapter 146 of title 10, United States Code, on the conversion to contractor performance of activities performed by civilian employees of the Department of Defense.

“(g) GAO REPORT.—Not later than June 1, 1999, the Comptroller General shall submit to Congress a report reviewing the implementation of this section.

“(4) Unauthorized charges.

“(5) Other discrepancies between the amount paid to the vendor and the amount actually due the vendor under the purchase agreement.

§ 2481. Defense commissary and exchange systems: existence and purpose

(a) SEPARATE SYSTEMS.—The Secretary of Defense shall operate, in the manner provided by this chapter and other provisions of law, a world-wide system of commissary stores and a separate world-wide system of exchange stores. The stores of each system may sell, at reduced prices, food and other merchandise to members of the uniformed services on active duty, members of the uniformed services entitled to retired pay, dependents of such members, and persons authorized to use the system under chapter 54 of this title. Any reference in this chapter to “the exchange system” shall be treated as referring to each separate administrative entity within the Department of Defense through which the Secretary has implemented the requirement under this subsection for a world-wide system of exchange stores.

(b) PURPOSE OF SYSTEMS.—The defense commissary system and the exchange system are intended to enhance the quality of life of members of the uniformed services, retired members, and dependents of such members, and to support military readiness, recruitment, and retention.

(c) OVERSIGHT.—(1) The Secretary of Defense shall designate a senior official of the Department of Defense to oversee the operation of both the defense commissary system and the exchange system.

(2) The Secretary of Defense shall establish an executive governing body to provide advice to the senior official designated under paragraph (1) regarding the operation of the defense commissary and exchange systems and to ensure the complementary operation of the systems.

(3)(A) The Secretary of Defense shall develop and implement a comprehensive strategy to optimize management practices across the defense commissary system and the exchange system that reduce reliance of those systems on appropriated funding without reducing benefits to the patrons of those systems or the revenue generated by nonappropriated fund entities or instrumentalities of the Department of Defense for the morale, welfare, and recreation of members of the armed forces.

(B) The Secretary shall ensure that savings generated due to such optimization practices are shared by the defense commissary system and the exchange system through contracts or agreements that appropriately reflect the participation of the systems in the development and implementation of such practices.

(C) If the Secretary determines that the reduced reliance on appropriated funding pursuant to subparagraph (A) is insufficient to maintain the benefits to the patrons of the defense commissary system, and if the Secretary converts the defense commissary system to a non-appropriated fund entity or instrumentality pursuant to paragraph (1) of section 2484(j) of this title, the Secretary shall transfer appropriated funds pursuant to paragraph (2) of such section to ensure the maintenance of such benefits.

(4) On not less than a quarterly basis, the Secretary shall provide to the congressional defense committees a briefing on the defense commissary system, including—

(A) an assessment of the savings the system provides patrons;

(B) the status of implementing section 2484(i) of this title;

(C) the status of implementing section 2484(j) of this title, including whether the system requires any appropriated funds pursuant to paragraph (2) of such section;

(D) the status of carrying out a program for such system to sell private label merchandise; and

(E) any other matters the Secretary considers appropriate.

(d) **REDUCED PRICES DEFINED.**—In this section, the term “reduced prices” means prices for food and other merchandise determined using the price setting process specified in section 2484 of this title.

Any funds so transferred shall be considered to be nonappropriated funds for such purpose.

Such functions shall be carried out by personnel of the Department of Defense under regulations approved by the Secretary of Defense.

(b) **CONTRACTS WITH OTHER AGENCIES AND INSTRUMENTALITIES.**—(1) The Defense Commissary Agency, and any other agency of the Department of Defense that supports the operation of the commissary system, may enter into a contract or other agreement with another element of the Department of Defense or with another Federal department, agency, or instrumentality to provide or obtain services beneficial to the efficient management and operation of the commissary system. However, the Defense Commissary Agency may not pay for any such service provided by the United States Transportation Command any amount that exceeds the price at which the service could be procured through full and open competition, as such term is defined in section 107 of title 41.

(2) A commissary store operated by a non-appropriated fund instrumentality of the Department of Defense shall be operated in accordance with section 2483 of this title. Subject to such section, the Secretary of Defense may authorize a transfer of goods, supplies, and facilities of, and funds appropriated for, the Defense Commissary Agency or any other agency of the Department of Defense that supports the operation of the commissary system to a non-appropriated fund instrumentality for the operation of a commissary store.

(c) **GOVERNING BOARD.**—(1) Notwithstanding section 192(d) of this title, the Secretary of Defense shall establish a governing board for the commissary system to provide advice to the Secretary regarding the prudent operation of

the commissary system and to assist in the overall supervision of the Defense Commissary Agency. The Secretary may authorize the board to have such supervisory authority as the Secretary considers appropriate to permit the board to carry out its responsibilities.

(2) The Secretary of Defense shall determine the membership of the governing board, which shall include, at a minimum, appropriate representatives from each military department. The chairman of the governing board shall be a commissioned officer or member of the senior executive service who has demonstrated experience or knowledge relevant to the management of the defense commissary system. In selecting other members of the governing board, the Secretary shall give priority to persons with experience related to logistics, military personnel, military entitlements or other experiences of value of management of commissaries.

(3) The governing board shall be accountable only to the Secretary of Defense and to the civilian officer of the Department of Defense who is assigned the responsibility for the overall supervision of the Defense Commissary Agency pursuant to section 192(a) of this title. The Director of the Defense Commissary Agency shall be accountable to and report to the board.

(d) ASSIGNMENT OF ACTIVE DUTY MEMBERS.—(1) Except as provided in paragraph (2), members of the armed forces on active duty may not be assigned to the operation of a commissary store.

(2)(A) The Secretary of Defense may assign an officer on the active-duty list to serve as the Director of the Defense Commissary Agency.

Members who may be assigned under this subparagraph to regional headquarters of the agency shall be limited to enlisted members assigned to duty as advisers in the regional headquarters responsible for overseas commissaries and to veterinary specialists.

(e) REIMBURSEMENT FOR USE OF COMMISSARY FACILITIES BY MILITARY DEPARTMENTS.—(1) The Secretary of a military department shall pay the Defense Commissary Agency the amount determined under paragraph (2) for any use of a commissary facility by the military department for a purpose other than commissary sales or operations in support of commissary sales.

(2) The amount payable under paragraph (1) for use of a commissary facility by a military department shall be equal to the share of depreciation of the facility that is attributable to that use, as determined under regulations prescribed by the Secretary of Defense.

(3) The Director of the Defense Commissary Agency shall credit amounts paid under paragraph (1) for use of a facility to an appropriate account to which proceeds of a surcharge applied under section 2484(d) of this title are credited.

(4) This subsection applies with respect to a commissary facility that is acquired, constructed, converted, expanded, installed, or otherwise improved (in whole or in part) with the proceeds of a surcharge applied under section 2484(d) of this title.

(f) DONATION OF UNUSABLE FOOD.—(1) The Secretary of Defense may donate food described in paragraph (2) to any of the following entities:

(2) Food that may be donated under this subsection is commissary store food, mess food, meals ready-to-eat (MREs), rations known as humanitarian daily rations (HDRs), and other food available to the Secretary of Defense that—

(A) is certified as edible by appropriate food inspection technicians;

(B) would otherwise be destroyed as unusable; and

(C) in the case of commissary store food, is unmarketable and unsaleable.

(3) In the case of commissary store food, a donation under this subsection shall take place at the site of the commissary store that is donating the food.

(4) This subsection does not authorize any service (including transportation) to be provided in connection with a donation under this subsection.

(g) COLLECTION OF DISHONORED CHECKS.—(1) The Secretary of Defense may impose a charge for the collection of a check accepted at a commissary store that is not honored by the financial institution on which the check is drawn. The imposition and amounts of charges shall be consistent with practices of commercial grocery stores regarding dishonored checks.

(2)(A) The following persons are liable to the United States for the amount of a check referred to in paragraph (1) that is returned unpaid to the United States, together with any charge imposed under that paragraph:

(i) The person who presented the check.

(ii) Any person whose status and relationship to the person who presented the check provide the basis for that person's eligibility to make purchases at a commissary store.

(B) Any amount for which a person is liable under subparagraph (A) may be collected by deducting and withholding such amount from any amounts payable to that person by the United States.

(3) Amounts collected as charges imposed under paragraph (1) shall be credited to the commissary trust revolving fund.

(4) Appropriated funds may be used to pay any costs incurred in the collection of checks and charges referred to in paragraph (1). An appropriation account charged a cost under the pre-

ceding sentence shall be reimbursed the amount of that cost out of funds in the commissary trust revolving fund.

(5) In this subsection, the term “commissary trust revolving fund” means the trust revolving fund maintained by the Department of Defense for surcharge collections and proceeds of sales of commissary stores.

(h) **RELEASE OF CERTAIN COMMERCIALLY VALUABLE INFORMATION TO PUBLIC.**—(1) The Secretary of Defense may limit the release to the public of any information described in paragraph (2) if the Secretary determines that it is in the best interest of the Department of Defense to limit the release of such information. If the Secretary determines to limit the release of any such information, the Secretary may provide for limited release of such information in accordance with paragraph (3).

(2) Paragraph (1) applies to the following:

(D) The Secretary of Defense may, by contract entered into with a business, grant to the business a license to use business programs referred to in paragraph (2)(B), including software used in or comprising any such program. The fee charged for the license shall be based on the costs of similar programs developed and marketed by businesses in the private sector, determined by means of surveys.

(E) Each contract entered into under this paragraph shall specify the amount to be paid for information released or a license granted under the contract, as the case may be.

(4) Information described in paragraph (2) may not be released, under paragraph (3) or otherwise, in a form that identifies any customer or that provides information making it possible to identify any customer.

(5) Amounts received by the Secretary under this section shall be credited to funds derived

from commissary surcharges applied under section 2484(e) of this title, shall be merged with those funds, and shall be available for the same purposes as the funds with which merged.

§ 2575. Disposition of unclaimed property

(a) The Secretary of any military department, and the Secretary of Homeland Security, under such regulations as they may respectively prescribe, may each by public or private sale or otherwise, dispose of all lost, abandoned, or unclaimed personal property that comes into the custody or control of the Secretary’s department, other than property subject to section 7712, 8392, or 9712 of this title or subject to subsection (c). However, property may not be disposed of until diligent effort has been made to find the owner (or the heirs, next of kin, or legal representative of the owner). The diligent effort to find the owner (or the heirs, next of kin, or legal representative of the owner) shall begin, to the maximum extent practicable, not later than seven days after the date on which the property comes into the custody or control of the Secretary. The period for which that effort is continued may not exceed 45 days. If the owner (or the heirs, next of kin, or legal representative of the owner) is determined but not found, the property may not be disposed of until the expiration of 45 days after the date when notice, giving the time and place of the intended sale or other disposition, has been sent by certified or registered mail to that person at his last known address. When diligent effort to determine the owner (or heirs, next of kin, or legal representative of the owner) is unsuccessful, the property may be disposed of without delay, except that if it has a fair market value of more than \$300, the Secretary may not dispose of the property until 45 days after the date it is received at a storage point designated by the Secretary.

(b)(1) In the case of lost, abandoned, or unclaimed personal property found on a military installation, the proceeds from the sale of the property under this section shall be credited to the operation and maintenance account of that installation and used—

(A) to reimburse the installation for any costs incurred by the installation to collect, transport, store, protect, or sell the property; and

(B) to the extent that the amount of the proceeds exceeds the amount necessary for reimbursing all such costs, to support morale, welfare, and recreation activities under the jurisdiction of the armed forces that are conducted for the comfort, pleasure, contentment, or physical or mental improvement of members of the armed forces at such installation.

(2) The net proceeds from the sale of other property under this section shall be covered into the Treasury as miscellaneous receipts.

(c) No property covered by this section may be delivered to the Armed Forces Retirement Home by the Secretary of a military department, except papers of value, sabers, insignia, decorations, medals, watches, trinkets, manuscripts, and other articles valuable chiefly as keepsakes.

(d)(1) The owner (or heirs, next of kin, or legal representative of the owner) of personal property the proceeds of which are credited to a military installation under subsection (b)(1) may file a claim with the Secretary of Defense for the amount equal to the proceeds (less costs referred to in subparagraph (A) of such subsection). Amounts to pay the claim shall be drawn from the morale, welfare, and recreation account for the installation that received the proceeds.

(2) The owner (or heirs, next of kin, or legal representative of the owner) may file a claim with the Secretary of Defense for proceeds covered into the Treasury under subsection (b)(2).

(3) Unless a claim is filed under this subsection within 5 years after the date of the disposal of the property to which the claim relates, the claim may not be considered by a court, the Secretary of Defense (in the case of a claim filed under paragraph (1)), or the Secretary of Defense (in the case of a claim filed under paragraph (2)).

If the Secretary of the military department concerned determines that such an adoption is justified under circumstances under which the han-

§ 2640. Charter air transportation of members of the armed forces or cargo

(a) REQUIREMENTS.—(1) The Secretary of Defense may not enter into a contract with an air

carrier for the charter air transportation of members of the armed forces or cargo unless the air carrier—

(A) meets, at a minimum, the safety standards established by the Secretary of Transportation under chapter 447 of title 49;

(B) has at least 12 months of experience operating services in air transportation that are substantially equivalent to the service sought by the Department of Defense; and

(C) undergoes a technical safety evaluation.

(2) For purposes of paragraph (1)(C), a technical safety evaluation—

(A) shall include inspection of a representative number of aircraft; and

(B) shall be conducted in accordance with regulations prescribed by the Secretary, after consultation with the Secretary of Transportation.

(b) INSPECTIONS.—The Secretary shall provide for inspections of each air carrier that contracts with the Department of Defense for the charter air transportation of members of the armed forces or cargo. The inspections shall be conducted in accordance with standards established by the Secretary, after consultation with the Secretary of Transportation, and shall include, at a minimum, the following:

(1) An on-site capability survey of the air carrier conducted at least once every two years.

(2) A performance evaluation of the air carrier conducted at least once every six months.

(3) A preflight safety inspection of each aircraft conducted at any time during the operation of, but not more than 72 hours before, each internationally scheduled charter mission departing the United States.

(4) A preflight safety inspection of each aircraft used for domestic charter missions conducted to the greatest extent practical.

(5) Operational check-rides on aircraft conducted periodically.

(c) COMMERCIAL AIRLIFT REVIEW BOARD.—The Secretary shall establish a Commercial Airlift Review Board within the Department of Defense. The Board shall consist of personnel from the Department of Defense and other Government personnel as may be appropriate. The duties of the Board shall be—

(1) to make recommendations to the Secretary on suspension and reinstatement of air carriers under subsection (d);

(2) to make recommendations to the Secretary on waivers under subsection (g); and

(3) to carry out such other duties and make recommendations on such other matters as the Secretary considers appropriate.

(d) SUSPENSION AND REINSTATEMENT.—(1) The Secretary shall establish guidelines for the suspension of air carriers under contract with the Department of Defense for the charter air transportation of members of the armed forces or cargo and for the reinstatement of air carriers that have been so suspended. The guidelines—

(A) shall require the immediate determination of whether to suspend an air carrier if an aircraft of the air carrier is involved in a fatal accident; and

(B) may require the suspension of an air carrier—

(i) if the carrier is in violation of any order, rule, regulation, or standard prescribed under chapter 447 of title 49; or

(ii) if an aircraft of the air carrier is involved in a serious accident.

(2) The Commercial Airlift Review Board shall make recommendations to the Secretary on suspension and reinstatement under this subsection.

(3) The Secretary shall include in each contract subject to this section the provisions on suspension and reinstatement established under this subsection.

(e) **AUTHORITY TO LEAVE UNSAFE AIRCRAFT.**—A representative of the Military Airlift Command, the Military Traffic Management Command, or such other agency as may be designated by the Secretary of Defense (or if there is no such representative reasonably available, the senior officer on board a chartered aircraft) may order members of the armed forces or cargo to leave a chartered aircraft if the representative (or officer) determines that a condition exists on the aircraft which may endanger the safety of the members or cargo.

(f) **FAA INFORMATION.**—The Secretary shall request the Secretary of Transportation to provide to the Secretary a report on each inspection performed by Federal Aviation Administration personnel, and the status of corrective actions taken, on each aircraft of an air carrier under contract with the Department of Defense for the charter air transportation of members of the armed forces or cargo.

(g) **WAIVER.**—After considering recommendations by the Commercial Airlift Review Board, the Secretary may waive any provision of this section in an emergency.

(h) **AUTHORITY TO PROTECT SAFETY-RELATED INFORMATION VOLUNTARILY PROVIDED BY AN AIR CARRIER.**—(1) Subject to paragraph (2), the Secretary of Defense may (notwithstanding any other provision of law) withhold from public disclosure safety-related information that is provided to the Secretary voluntarily by an air carrier for the purposes of this section.

(2) Information may be withheld under paragraph (1) from public disclosure only if the Secretary determines that—

(A) the disclosure of the information would inhibit an air carrier from voluntarily providing, in the future, safety-related information for the purposes of this section or for other air safety purposes involving the Department of Defense or another Federal agency; and

(B) the receipt of such information generally enhances the fulfillment of responsibilities under this section or other air safety responsibilities involving the Department of Defense or another Federal agency.

(3) If the Secretary provides to the head of another agency safety-related information described in paragraph (1) with respect to which the Secretary has made a determination described in paragraph (2), the head of that agency shall (notwithstanding any other provision of law) withhold the information from public dis-

closure unless the disclosure is specifically authorized by the Secretary.

(i) **REGULATIONS.**—The Secretary shall prescribe regulations to carry out this section, including requirements and identification of inspecting personnel with respect to preflight safety inspections required by subsection (b)(3).

(j) **DEFINITIONS.**—In this section:

(1) The terms “air carrier”, “aircraft”, “air transportation”, “cargo”, and “charter air transportation” have the meanings given such terms by section 40102(a) of title 49.

HISTORICAL AND REVISION NOTES

Revised section	Source (U.S. Code)	Source (Statutes at Large)
4746	10:1371a.	Nov. 21, 1941, ch. 483; re-stated July 25, 1947, ch. 321, 61 Stat. 423.

Before the enactment of the National Security Act of 1947, the transport functions covered by this section were performed only by the Army. Under section 2(a)(3) of the National Security Act (as it existed before August 10, 1949), the sea and air transportation functions of the Army, Navy, and Air Force were respectively consolidated into the “Military Sea Transportation Service”, under the Department of the Navy, and the “Military Air Transport Service”, under the Department of the Air Force. Instead of having space on its own transport vessels and airplanes, the Army is now allotted bulk space on vessels and airplanes operated by those transport services. The words “or, within bulk space allocations made to the Department of the Army, on vessels or airplanes operated by any military transport agency of the Department of Defense” are inserted, in accordance with an opinion of the Judge Advocate General of the Army (JAGA 1953/5885, 22 July 1953), to make clear that the rule applicable to Army vessels and airplanes applies to the bulk space allocated to the Army. Since the authority to perform transportation functions could again be transferred as between the military departments, the reference to “vessels or airplanes of Army transport agencies” is retained. The word “considers” is substituted for the words “in the opinion of”. The words “Persons residing in Alaska who are and have been employed there by the United States” are substituted for the words “employees of the United States, residing in Alaska, who have been in such employment”. The word “commercial” is substituted for the word “civil” for clarity. The words “from and after November 21, 1941”, “and the carriage of all such air traffic shall be terminated”, “dire”, “the privilege herein granted”, and “as to each eligible individual” are omitted as surplusage. The words “the continental” are omitted, since section 101(1) of this title defines the United States as “the States and the District of Columbia”.

(iii) the use of the Department of Defense property would interfere with the ongoing military mission of the property.

(b) **ADDITIONAL REPORTING REQUIREMENTS REGARDING LEASES OF REAL PROPERTY OWNED BY THE UNITED STATES.**—(1) In the case of a proposed lease, license, or easement of real property owned by the United States covered by paragraph (1)(C) of subsection (a), the Secretary concerned shall comply with the notice-and-wait requirements of paragraph (3) of such subsection before—

§ 2663. Land acquisition authorities

(a) ACQUISITION OF LAND BY CONDEMNATION FOR CERTAIN MILITARY PURPOSES.—(1) Subject to subsection (f), the Secretary of a military department may have proceedings brought in the name of the United States, in a court of proper jurisdiction, to acquire by condemnation any interest in land, including temporary use, needed for—

(A) the site, construction, or operation of fortifications, coast defenses, or military training camps;

(B) the construction and operation of plants for the production of nitrate and other compounds, and the manufacture of explosives or other munitions of war; or

(C) the development and transmission of power for the operation of plants under subparagraph (B).

(2) In time of war or when war is imminent, the United States may, immediately upon the filing of a petition for condemnation under paragraph (1), take and use the land to the extent of the interest sought to be acquired.

(b) ACQUISITION BY PURCHASE IN LIEU OF CONDEMNATION.—The Secretary of the military department concerned may contract for or buy any interest in land, including temporary use, needed for any purpose named in subsection (a),

as soon as the owner fixes a price for it and the Secretary considers that price to be reasonable.

(c) ACQUISITION OF LOW-COST INTERESTS IN LAND.—(1) The Secretary of a military department may acquire any interest in land that—

(A) the Secretary determines is needed in the interest of national defense; and

(B) does not cost more than \$750,000, exclusive of administrative costs and the amounts of any deficiency judgments.

(2) The Secretary of a military department may acquire any interest in land that—

(A) the Secretary determines is needed solely to correct a deficiency that is life-threatening, health-threatening, or safety-threatening; and

(B) does not cost more than \$1,500,000, exclusive of administrative costs and the amounts of any deficiency judgments.

(3) This subsection does not apply to the acquisition, as a part of the same project, of more than one parcel of land unless the parcels are noncontiguous, or, if contiguous, unless the total cost is not more than \$750,000, in the case of an acquisition under paragraph (1), or \$1,500,000, in the case of an acquisition under paragraph (2).

(4) Appropriations available to the Department of Defense for operation and maintenance or construction may be used for the acquisition of land or interests in land under this subsection.

(d) ACQUISITION OF INTERESTS IN LAND WHEN NEED IS URGENT.—(1) The Secretary of a military department may acquire any interest in land in any case in which the Secretary determines that—

(A) the acquisition is needed in the interest of national defense;

(B) the acquisition is required to maintain the operational integrity of a military installation; and

(C) considerations of urgency do not permit the delay necessary to include the required acquisition in an annual Military Construction Authorization Act.

(2) Not later than 10 days after the date on which the Secretary of a military department determines to acquire an interest in land under the authority of this subsection, the Secretary shall submit, in an electronic medium pursuant to section 480 of this title, to the Committee on Armed Services of the Senate and the Committee on Armed Services of the House of Representatives a notice containing a description of the property and interest to be acquired and the reasons for the acquisition.

(3) Appropriations available for military construction may be used for the purposes of this subsection.

(e) SURVEY AUTHORITY; ACQUISITION METHODS.—Authority provided the Secretary of a military department by law to acquire an interest in real property (including a temporary interest) includes authority—

(1) to make surveys; and

(2) to acquire the interest in real property by gift, purchase, exchange of real property owned by the United States, or otherwise.

(f) ADVANCE NOTICE OF USE OF CONDEMNATION.—(1) Before commencing any legal pro-

ceeding to acquire any interest in land under subsection (a), including acquisition for temporary use, by condemnation, eminent domain, or seizure, the Secretary of the military department concerned shall—

(A) pursue, to the maximum extent practicable, all other available options for the acquisition or use of the land, such as the purchase of an easement or the execution of a land exchange; and

(B) submit to the congressional defense committees a report containing—

(i) a description of the land to be acquired;

(ii) a certification that negotiations with the owner or owners of the land occurred, and that the Secretary tendered consideration in an amount equal to the fair market value of the land, as determined by the Secretary; and

(iii) an explanation of the other approaches considered for acquiring use of the land, the reasons for the acquisition of the land, and the reasons why alternative acquisition strategies are inadequate.

(2) The Secretary concerned may have proceedings brought in the name of the United States to acquire the land after the end of the 21-day period beginning on the date on which the report is received by the committees in an electronic medium pursuant to section 480 of this title.

(g) EXCEPTION TO ADVANCE NOTICE REQUIREMENT.—If the Secretary of a military department determines that the use of condemnation, eminent domain, or seizure to acquire an interest in land is required under subsection (a) to satisfy a requirement vital to national security, and that any delay would be detrimental to national security or the protection of health, safety, or the environment, the Secretary may have proceedings brought in the name of the United States to acquire the land in advance of submitting the report required by subsection (f)(1)(B). However, the Secretary shall submit the report not later than seven days after commencement of the legal proceedings with respect to the land.

(h) LAND ACQUISITION OPTIONS IN ADVANCE OF MILITARY CONSTRUCTION PROJECTS.—(1) The Secretary of a military department may acquire an option on a parcel of real property before or after its acquisition is authorized by law, if the Secretary considers it suitable and likely to be needed for a military project of the military department under the jurisdiction of the Secretary.

(2) As consideration for an option acquired under paragraph (1), the Secretary may pay, from funds available to the military department under the jurisdiction of the Secretary for real property activities, an amount that is not more than 12 percent of the appraised fair market value of the property.

Amendment by Pub. L. 85-861 effective Aug. 10, 1956, see section 33(g) of Pub. L. 85-861, set out as a note under section 101 of this title.

SENSE OF CONGRESS

Pub. L. 109-364, div. B, title XXVIII, §2821(a), Oct. 17, 2006, 120 Stat. 2473, provided that: “It is the sense of Congress that the Secretary of Defense, when acquiring land for military purposes, should—

“(1) make every effort to acquire the land by means of purchases from willing sellers; and

“(2) employ condemnation, eminent domain, or seizure procedures only as a measure of last resort in cases of compelling national security requirements or at the request of the seller.”

§ 2664. Limitations on real property acquisition

(a) **AUTHORIZATION FOR ACQUISITION REQUIRED.**—No military department may acquire real property not owned by the United States unless the acquisition is expressly authorized by law. The foregoing limitation shall not apply to the acceptance by a military department of real property acquired under the authority of the Administrator of General Services to acquire property by the exchange of Government property pursuant to subtitle I of title 40 and division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41.

(b) **COMMISSIONS ON LAND PURCHASE CONTRACTS.**—The maximum amount payable as a commission on a contract for the purchase of land from funds appropriated for the Department of Defense is two percent of the purchase price.

(c) **COST LIMITATIONS.**—(1) Except as provided in paragraph (2), the cost authorized for a land acquisition project may be increased by not more than 25 percent of the amount appropriated for the project by Congress or 200 percent of the amount specified by law as the maximum amount for a minor military construction project, whichever is lesser, if the Secretary concerned determines (A) that such an increase is required for the sole purpose of meeting unusual variations in cost, and (B) that such variations in cost could not have been reasonably

anticipated at the time the project was originally approved by Congress.

(2) Until subsection (d) is complied with, a land acquisition project may not be placed under contract if, based upon the agreed price for the land or, in the case of land to be acquired by condemnation, the amount to be deposited with the court as just compensation for the land—

(A) the scope of the acquisition, as approved by Congress, is proposed to be reduced by more than 25 percent; or

(B) the agreed price for the land or, in the case of land to be acquired by condemnation, the amount to be deposited with the court as just compensation for the land, exceeds the amount appropriated for the project by more than (i) 25 percent, or (ii) 200 percent of the amount specified by law as the maximum amount for a minor military construction project, whichever is lesser.

(d) **CONGRESSIONAL NOTIFICATION.**—The limitations on reduction in scope or increase in cost of a land acquisition in subsection (c) do not apply if the reduction in scope or the increase in cost, as the case may be, is approved by the Secretary concerned and a notification of the facts relating to the proposed reduced scope or increased cost (including a statement of the reasons therefor) is submitted by the Secretary concerned to the congressional defense committees. A contract for the acquisition may then be awarded only after the end of the 14-day period beginning on the date the notification is received by the committees in an electronic medium pursuant to section 480 of this title.

(e) **PAYMENT OF JUDGEMENTS AND SETTLEMENTS.**—The Secretary concerned shall promptly pay any deficiency judgment against the United States awarded by a court in an action for condemnation of any interest in land or resulting from a final settlement of an action for condemnation of any interest in land. Payments under this subsection may be made from funds available to the Secretary concerned for military construction projects and without regard to the limitations of subsections (c) and (d).

AMENDMENTS

2017—Subsec. (d). Pub. L. 115-91 struck out “written” before “notification of the facts” and “or, if over sooner, a period of 14 days elapses from the date on which a copy of that notification is provided” before “in an electronic medium” and substituted “the end of the 14-day period beginning on” for “a period of 21 days elapses from”.

2006—Pub. L. 109-163, § 2821(c), renumbered section 2676 of this title as this section and substituted “Limitations on real property acquisition” for “Acquisition: limitation” in section catchline.

2665(d)	50:172 (91st through 109th words of last par.).	

In subsection (a), the words “an executive department or the Federal Maritime Board” are substituted for the words “any department or the United States Maritime Commission” to reflect an opinion of the Judge Advocate General of the Army (JAGA 1954/1723) and to name the successor of the United States Maritime Commission. The last 18 words are inserted to reflect that opinion (see the Act of February 20, 1931 (10 U.S.C. 1354)). The words “and dispose of” are omitted as surplusage.

In subsection (b), the words “an executive department or the Federal Maritime Board” are inserted for clarity and to name the successor of the United States Maritime Commission.

In subsections (a) and (b), the word “person” is substituted for the words “individuals, corporations,” since section 1 of title 1 defines the word “person” to cover both individuals and corporations. The words “States or” are omitted as surplusage.

In subsection (c), the words “the selling agency” are substituted for the words “his above representatives selling or disposing of the same”.

1982 ACT

This corrects an error in an amendment to 10:2665 made by section 12(3)(B) of the Maritime Act of 1981 (Pub. L. 97-31, Aug. 6, 1981, 95 Stat. 153).

AMENDMENTS

2006—Subsec. (a). Pub. L. 109-163 struck out “under section 2664 of this title” after “land that is acquired”.

2002—Subsec. (b). Pub. L. 107-296 substituted “Department in which the Coast Guard is operating” for “Department of Transportation”.

1986—Subsec. (d). Pub. L. 99-561, §4(1), struck out “available for operation and maintenance during a fiscal year” after “Defense”, substituted “costs” for “expenses”, and struck out “during such fiscal year” after “such property”.

Subsec. (f)(1). Pub. L. 99-561, §4(3)(A), (B), substituted “costs” for “expenses” in provisions preceding subpar. (A) and amended subpar. (C) generally. Prior to amendment, subpar. (C) read as follows: “for expenses to enable operations of forest lands and the production of forest products to continue from the end of one fiscal year through the beginning of the next fiscal year without disruption.”

Subsec. (f)(2), (3). Pub. L. 99-561, §4(3)(C), amended pars. (2) and (3) generally. Prior to amendment, pars. (2) and (3) read as follows:

“(2) Subject to paragraph (3), there shall be deposited into the reserve account not later than December 31 of each year, for credit to the preceding fiscal year, an amount equal to one-half of the amount (if any) remaining of the total amount received by the United States during that fiscal year as proceeds from the sale of forest products after (A) the reimbursement of appropriations of the Department of Defense under subsection (d) for expenses of production of forest products during that fiscal year, and (B) the payment to States under subsection (e) for that fiscal year.

“(3) The balance in the reserve account may not exceed \$4,000,000. If a deposit under paragraph (2) would

cause the balance in the account to exceed that amount, the deposit shall be made only to the extent the amount of the deposit would not cause the balance in the account to exceed \$4,000,000.”

1984—Subsec. (b). Pub. L. 98-407, §809(a)(1), substituted “forest products produced on land owned or leased by a military department or the” for “logs wholly or partly manufactured by, or otherwise procured for, the Army, Navy, or Air Force, or”.

1982—Subsecs. (a), (b). Pub. L. 97-295 substituted “executive department, may sell” for “executive department” and all that followed through “may sell” in subsecs. (a) and (b), and substituted “Air Force, or Department of Transportation.” for “Air Force” and all that followed in subsec. (b), clarifying the ambiguity created by the conflicting language of Pub. L. 96-513 and Pub. L. 97-31.

(a), and substituted “or Department of Transportation” for “or Federal Maritime Commission” and struck out “or the Federal Maritime Commission” after “department” in subsec. (b). L. 96-513 which substituted different language than language contained in amendatory provisions of Pub. L. 97-31.

Subsec. (e). Pub. L. 97-99 added subsec. (e).

Section, act Aug. 10, 1956, ch. 1041, 70A Stat. 149, related to limitation on commission on a contract for the purchase of land payable from funds appropriated for the Department of Defense.

§ 2667. Leases: non-excess property of military departments and Defense Agencies

(a) LEASE AUTHORITY.—Whenever the Secretary concerned considers it advantageous to the United States, the Secretary concerned may lease to such lessee and upon such terms as the Secretary concerned considers will promote the national defense or to be in the public interest, real or personal property that—

- (1) is under the control of the Secretary concerned;
- (2) is not for the time needed for public use; and
- (3) is not excess property, as defined by section 102 of title 40.

(b) CONDITIONS ON LEASES.—A lease under subsection (a)—

(1) may not be for more than five years, unless the Secretary concerned determines that a lease for a longer period will promote the national defense or be in the public interest;

(2) may give the lessee the first right to buy the property if the lease is revoked to allow the United States to sell the property under any other provision of law;

(3) shall permit the Secretary to revoke the lease at any time, unless he determines that the omission of such a provision will promote the national defense or be in the public interest;

(4) shall provide for the payment (in cash or in kind) by the lessee of consideration in an amount that is not less than the fair market value of the lease interest, as determined by the Secretary;

(5) may provide, notwithstanding section 1302 of title 40 or any other provision of law, for the alteration, repair, or improvement, by the lessee, of the property leased as the payment of part or all of the consideration for the lease;

(6) except as otherwise provided in subsection (d), shall require the lessee to provide the covered entities specified in paragraph (1) of that subsection the right to establish and operate a community support facility or provide community support services, or seek equitable compensation for morale, welfare, and recreation programs of the Department of Defense in lieu of the operation of such a facility or the provision of such services, if the Secretary determines that the lessee will provide merchandise or services in direct competition with covered entities through the lease;

(7) may not provide for a leaseback by the Secretary concerned with an annual payment

in excess of \$500,000, or otherwise commit the Secretary concerned or the Department of Defense to annual payments in excess of such amount; and

(8) shall provide that any facilities constructed on the property may be constructed using commercial standards in a manner that provides force protection safeguards appropriate to the activities conducted in, and the location of, such facilities.

(c) TYPES OF IN-KIND CONSIDERATION.—(1) In addition to any in-kind consideration accepted under subsection (b)(5), in-kind consideration accepted with respect to a lease under this section may include the following:

(A) Maintenance, protection, alteration, repair, improvement, or restoration (including environmental restoration) of property or facilities under the control of the Secretary concerned.

(B) Construction of new facilities for the Secretary concerned.

(C) Provision of facilities for use by the Secretary concerned.

(D) Provision or payment of utility services for the Secretary concerned, which shall prioritize energy resilience in the event of commercial grid outages.

(5) The Secretary of Defense shall prescribe in regulations uniform procedures and criteria for the evaluation of proposals for enhanced use leases involving the operation of community support facilities or the provision of community support services by either a lessee under this section or a covered entity.

(4) Money rentals received by the United States from a lease under subsection (g) at a military installation approved for closure or realignment under a base closure law shall be deposited into the Department of Defense Base Closure Account established under section 2906(a) of the Defense Base Closure and Realignment Act of 1990 (part A of title XXIX of Public Law 101-510; 10 U.S.C. 2687 note).

(f) TREATMENT OF LESSEE INTEREST IN PROPERTY.—The interest of a lessee of property leased under this section may be taxed by State or local governments. A lease under this section shall provide that, if and to the extent that the leased property is later made taxable by State or local governments under an Act of Congress, the lease shall be renegotiated.

(g) SPECIAL RULES FOR BASE CLOSURE AND REALIGNMENT PROPERTY.—(1) Notwithstanding subtitle I of title 40 and division C (except sections 3302, 3501(b), 3509, 3906, 4710, and 4711) of subtitle I of title 41 (to the extent those provisions are inconsistent with this subsection) or subsection (a)(2) of this section, pending the final disposition of real property and personal property located at a military installation to be closed or realigned under a base closure law, the Secretary concerned may lease the property to any individual or entity under this subsection if the Secretary determines that such a lease would facilitate State or local economic adjustment efforts.

(2) Notwithstanding subsection (b)(4), the Secretary concerned may accept consideration in an amount that is less than the fair market value of the lease interest if the Secretary concerned determines that—

(A) a public interest will be served as a result of the lease; and

(B) the fair market value of the lease is (i) unobtainable, or (ii) not compatible with such public benefit.

(3) Before entering into any lease under this subsection, the Secretary shall consult with the Administrator of the Environmental Protection Agency in order to determine whether the environmental condition of the property proposed for leasing is such that the lease of the property is advisable. The Secretary and the Administrator shall enter into a memorandum of understanding setting forth procedures for carrying out the determinations under this paragraph.

(4)(A) Notwithstanding the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.),

(B) Interim leases entered into under this subsection shall be deemed not to prejudice the final disposal decision with respect to the property, even if final disposal of the property is delayed until completion of the term of the interim lease. An interim lease under this subsection shall not be entered into without prior consultation with the redevelopment authority concerned.

(C) Subparagraphs (A) and (B) shall not apply to an interim lease under this subsection if authorized activities under the lease would—

(i) significantly affect the quality of the human environment; or

(ii) irreversibly alter the environment in a way that would preclude any reasonable disposal alternative of the property concerned.

(h) COMPETITIVE PROCEDURES FOR SELECTION OF CERTAIN LESSEES; EXCEPTION.—(1) If a proposed lease under subsection (a) involves only personal property, the lease term exceeds one year, or the fair market value of the lease interest exceeds \$100,000, as determined by the Secretary concerned, the Secretary shall use competitive procedures to select the lessee.

(2) Paragraph (1) does not apply if the Secretary concerned determines that—

(A) a public interest will be served as a result of the lease; and

(B) the use of competitive procedures for the selection of certain lessees is unobtainable or not compatible with the public benefit served under subparagraph (A).

(3) Paragraph (1) does not apply to a renewal or extension of a lease by the Secretary of the Navy with a selected institution for operation of a ship within the University National Oceanographic Laboratory System if, under the lease, each of the following applies:

(A) Use of the ship is restricted to federally supported research programs and to non-Federal uses under specific conditions with approval by the Secretary of the Navy.

(B) Because of the anticipated value to the Navy of the oceanographic research and training that will result from the ship's operation, no monetary lease payments are required from the lessee under the initial lease or under any renewal or extension.

(C) The lessee is required to maintain the ship in a good state of repair, readiness, and efficient operating condition, conform to all applicable regulatory requirements, and assume full responsibility for the safety of the ship, its crew, and scientific personnel aboard.

(4)(A) Paragraph (1) does not apply to a renewal, extension, or succeeding lease by the Secretary concerned with a financial institution selected in accordance with the Department of Defense Financial Management Regulation providing for the selection of financial institutions to operate on military installations if each of the following applies:

(i) The on-base financial institution was selected before the date of the enactment of this paragraph or competitive procedures are used for the selection of any new financial institutions.

(ii) A current and binding operating agreement is in place between the installation commander and the selected on-base financial institution.

(B) The renewal, extension, or succeeding lease shall terminate upon the termination of the operating agreement described in subparagraph (A)(ii) associated with that lease.

(k) LEASES FOR EDUCATION.—Notwithstanding subsection (b)(4), the Secretary concerned may accept consideration in an amount that is less than the fair market value of the lease, if the lease is to a local education agency or an elementary or secondary school (as those terms are defined in section 8101 of the Elementary and Secondary Education Act of 1965 (20 U.S.C. 7801)).

(2) Property or interests may not be acquired pursuant to the agreement unless the owner of the property or interests consents to the acquisition.

(2) any realignment with respect to any military installation referred to in paragraph (1) involving a reduction by more than 1,000, or by more than 50 percent, in the number of civilian personnel authorized to be employed at such military installation at the time the Secretary of Defense or the Secretary of the military department concerned notifies the Congress under subsection (b) of the Secretary’s plan to close or realign such installation; or

“(D) Before any action may be taken with respect to the disposal of any surplus real property or facility located at any military installation to be closed or realigned under this part, the Secretary of Defense shall consult with the Governor of the State and the heads of the local governments concerned for the purpose of considering any plan for the use of such property by the local community concerned.

“(E) If a military installation to be closed, realigned, or placed in an inactive status under this part includes a road used for public access through, into, or around the installation, the Secretary of Defense shall consult with the Governor of the State and the heads of the local governments concerned for the purpose of considering the continued availability of the road for public use after the installation is closed, realigned, or placed in an inactive status.

“(3)(A) Not later than 6 months after the date of approval of the closure or realignment of a military installation under this part, the Secretary, in consultation with the redevelopment authority with respect to the installation, shall—

“(i) inventory the personal property located at the installation; and

“(ii) identify the items (or categories of items) of such personal property that the Secretary determines to be related to real property and anticipates will support the implementation of the redevelopment plan with respect to the installation.

“(B) If no redevelopment authority referred to in subparagraph (A) exists with respect to an installation, the Secretary shall consult with—

“(i) the local government in whose jurisdiction the installation is wholly located; or

“(ii) a local government agency or State government agency designated for the purpose of such consultation by the chief executive officer of the State in which the installation is located.

“(C)(i) Except as provided in subparagraphs (E) and (F), the Secretary may not carry out any of the activities referred to in clause (ii) with respect to an installation referred to in that clause until the earlier of—

“(I) one week after the date on which the redevelopment plan for the installation is submitted to the Secretary;

“(II) the date on which the redevelopment authority notifies the Secretary that it will not submit such a plan;

“(III) twenty-four months after the date of approval of the closure or realignment of the installation; or

“(IV) ninety days before the date of the closure or realignment of the installation.

“(ii) The activities referred to in clause (i) are activities relating to the closure or realignment of an installation to be closed or realigned under this part as follows:

“(I) The transfer from the installation of items of personal property at the installation identified in accordance with subparagraph (A).

“(II) The reduction in maintenance and repair of facilities or equipment located at the installation below the minimum levels required to support the use of such facilities or equipment for nonmilitary purposes.

“(D) Except as provided in paragraph (4), the Secretary may not transfer items of personal property located at an installation to be closed or realigned under this part to another installation, or dispose of such items, if such items are identified in the redevelopment plan for the installation as items essential to the reuse or redevelopment of the installation. In connection with the development of the redevelopment plan for the installation, the Secretary shall consult with the entity responsible for developing the redevelopment plan to identify the items of personal property located at the installation, if any, that the entity desires to be retained at the installation for reuse or redevelopment of the installation.

“(E) This paragraph shall not apply to any personal property located at an installation to be closed or realigned under this part if the property—

“(i) is required for the operation of a unit, function, component, weapon, or weapons system at another installation;

“(ii) is uniquely military in character, and is likely to have no civilian use (other than use for its material content or as a source of commonly used components);

“(iii) is not required for the reutilization or redevelopment of the installation (as jointly determined by the Secretary and the redevelopment authority);

“(iv) is stored at the installation for purposes of distribution (including spare parts or stock items); or

“(v)(I) meets known requirements of an authorized program of another Federal department or agency for which expenditures for similar property would be necessary, and (II) is the subject of a written request by the head of the department or agency.

“(F) Notwithstanding subparagraphs (C)(i) and (D), the Secretary may carry out any activity referred to in subparagraph (C)(ii) or (D) if the Secretary determines that the carrying out of such activity is in the national security interest of the United States.

“(4)(A) The Secretary may transfer real property and personal property located at a military installation to be closed or realigned under this part to the redevelopment authority with respect to the installation for purposes of job generation on the installation.

“(B) The transfer of property located at a military installation under subparagraph (A) may be for consideration at or below the estimated fair market value or without consideration. The determination of such consideration may account for the economic conditions of the local affected community and the estimated costs to redevelop the property. The Secretary may accept, as consideration, a share of the revenues that the redevelopment authority receives from third-party buyers or lessees from sales and long-term leases of the conveyed property, consideration in kind (including goods and services), real property and improvements, or such other consideration as the Secretary considers appropriate. The transfer of property located at a military installation under subparagraph (A) may be made for consideration below the estimated fair market value or without consideration only if the redevelopment authority with respect to the installation—

“(i) agrees that the proceeds from any sale or lease of the property (or any portion thereof) received by the redevelopment authority during at least the first seven years after the date of the initial transfer of property under subparagraph (A) shall be used to support the economic redevelopment of, or related to, the installation; and

“(ii) executes the agreement for transfer of the property and accepts control of the property within a reasonable time after the date of the property disposal record of decision or finding of no significant impact under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

“(C) For purposes of subparagraph (B)(i), the use of proceeds from a sale or lease described in such subparagraph to pay for, or offset the costs of, public investment on or related to the installation for any of the following purposes shall be considered a use to support the economic redevelopment of, or related to, the installation:

“(i) Road construction.

“(ii) Transportation management facilities.

“(iii) Storm and sanitary sewer construction.

“(iv) Police and fire protection facilities and other public facilities.

“(v) Utility construction.

“(vii) Historic property preservation.

“(viii) Pollution prevention equipment or facilities.

“(ix) Demolition.

“(x) Disposal of hazardous materials generated by demolition.

“(xi) Landscaping, grading, and other site or public improvements.

“(xii) Planning for or the marketing of the development and reuse of the installation.

“(D) The Secretary may recoup from a redevelopment authority such portion of the proceeds from a sale or lease described in subparagraph (B) as the Secretary determines appropriate if the redevelopment authority does not use the proceeds to support economic redevelopment of, or related to, the installation for the period specified in subparagraph (B).

“(E)(i) The Secretary may transfer real property at an installation approved for closure or realignment under this part (including property at an installation approved for realignment which will be retained by the Department of Defense or another Federal agency after realignment) to the redevelopment authority for the installation if the redevelopment authority agrees to lease, directly upon transfer, one or more portions of the property transferred under this subparagraph to the Secretary or to the head of another department or agency of the Federal Government. Subparagraph (B) shall apply to a transfer under this subparagraph.

“(ii) A lease under clause (i) shall be for a term of not to exceed 50 years, but may provide for options for renewal or extension of the term by the department or agency concerned.

“(iii) A lease under clause (i) may not require rental payments by the United States.

“(iv) A lease under clause (i) shall include a provision specifying that if the department or agency concerned ceases requiring the use of the leased property before the expiration of the term of the lease, the remainder of the lease term may be satisfied by the same or another department or agency of the Federal Government using the property for a use similar to the use under the lease. Exercise of the authority provided by this clause shall be made in consultation with the redevelopment authority concerned.

“(v) Notwithstanding clause (iii), if a lease under clause (i) involves a substantial portion of the installation, the department or agency concerned may obtain facility services for the leased property and common area maintenance from the redevelopment authority or the redevelopment authority's assignee as a provision of the lease. The facility services and common area maintenance shall be provided at a rate no higher than the rate charged to non-Federal tenants of the trans-

ferred property. Facility services and common area maintenance covered by the lease shall not include—

“(I) municipal services that a State or local government is required by law to provide to all landowners in its jurisdiction without direct charge; or

“(II) firefighting or security-guard functions.

“(F) The transfer of personal property under subparagraph (A) shall not be subject to the provisions of subchapters II and III of chapter 5 of title 40, United States Code, if the Secretary determines that the transfer of such property is necessary for the effective implementation of a redevelopment plan with respect to the installation at which such property is located.

“(G) The provisions of section 120(h) of the Comprehensive Environmental Response, Compensation, and Liability Act of 1980 (42 U.S.C. 9620(h)) shall apply to any transfer of real property under this paragraph.

“(H)(i) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into before April 21, 1999, the Secretary may modify the agreement, and in so doing compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States, if—

“(I) the Secretary determines that as a result of changed economic circumstances, a modification of the agreement is necessary;

“(II) the terms of the modification do not require the return of any payments that have been made to the Secretary;

“(III) the terms of the modification do not compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States with respect to in-kind consideration; and

“(IV) the cash consideration to which the United States is entitled under the modified agreement, when combined with the cash consideration to be received by the United States for the disposal of other real property assets on the installation, are as sufficient as they were under the original agreement to fund the reserve account established under section 204(b)(7)(C) of the Defense Authorization Amendments and Base Closure and Realignment Act [Pub. L. 100-526, 10 U.S.C. 2687 note], with the depreciated value of the investment made with commissary store funds or nonappropriated funds in property disposed of pursuant to the agreement being modified, in accordance with section 2906(d).

“(ii) When exercising the authority granted by clause (i), the Secretary may waive some or all future payments if, and to the extent that, the Secretary determines such waiver is necessary.

“(iii) With the exception of the requirement that the transfer be without consideration, the requirements of subparagraphs (B), (C), and (D) shall be applicable to any agreement modified pursuant to clause (i).

“(I) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into during the period beginning on April 21, 1999, and ending on the date of enactment of the National Defense Authorization Act for Fiscal Year 2000 [Oct. 5, 1999], at the request of the redevelopment authority concerned, the Secretary shall modify the agreement to conform to all the requirements of subparagraphs (B), (C), and (D). Such a modification may include the compromise, waiver, adjustment, release, or reduction of any right, title, claim, lien, or demand of the United States under the agreement.

“(J) The Secretary may require any additional terms and conditions in connection with a transfer under this paragraph as such Secretary considers appropriate to protect the interests of the United States.

“(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Secretary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed or realigned under this part, or will accept transfer of any portion of such installation, are

made not later than 6 months after the date of approval of closure or realignment of that installation.

“(B) The Secretary may, in consultation with the redevelopment authority with respect to an installation, postpone making the final determinations referred to in subparagraph (A) with respect to the installation for such period as the Secretary determines appropriate if the Secretary determines that such postponement is in the best interests of the communities affected by the closure or realignment of the installation.

“(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this part as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

“(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be served by the new or replacement Federal facility or within a 200-mile radius of the new or replacement facility, whichever area is greater, were considered to be unsuitable or unavailable for the site of the new or replacement facility.

“(iii) This subparagraph shall apply during the period beginning on the date of the enactment of the National Defense Authorization Act for Fiscal Year 1998 [Nov. 18, 1997] and ending on July 31, 2001.

“(6)(A) Except as provided in this paragraph, nothing in this section shall limit or otherwise affect the application of the provisions of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.) to military installations closed under this part. For procedures relating to the use to assist the homeless of buildings and property at installations closed under this part after the date of the enactment of this sentence [Oct. 25, 1994], see paragraph (7).

“(B)(i) Not later than the date on which the Secretary of Defense completes the determination under paragraph (5) of the transferability of any portion of an installation to be closed under this part, the Secretary shall—

“(I) complete any determinations or surveys necessary to determine whether any building or property referred to in clause (ii) is excess property, surplus property, or unutilized or underutilized property for the purpose of the information referred to in section 501(a) of such Act (42 U.S.C. 11411(a)); and

“(II) submit to the Secretary of Housing and Urban Development information on any building or property that is so determined.

“(ii) The buildings and property referred to in clause (i) are any buildings or property located at an installation referred to in that clause for which no use is identified, or of which no Federal department or agency will accept transfer, pursuant to the determination of transferability referred to in that clause.

“(C) Not later than 60 days after the date on which the Secretary of Defense submits information to the Secretary of Housing and Urban Development under subparagraph (B)(ii), the Secretary of Housing and Urban Development shall—

“(i) identify the buildings and property described in such information that are suitable for use to assist the homeless;

“(ii) notify the Secretary of Defense of the buildings and property that are so identified;

“(iii) publish in the Federal Register a list of the buildings and property that are so identified, includ-

ing with respect to each building or property the information referred to in section 501(c)(1)(B) of such Act [42 U.S.C. 11411(c)(1)(B)]; and

“(iv) make available with respect to each building and property the information referred to in section 501(c)(1)(C) of such Act in accordance with such section 501(c)(1)(C).

“(D) Any buildings and property included in a list published under subparagraph (C)(iii) shall be treated as property available for application for use to assist the homeless under section 501(d) of such Act.

“(E) The Secretary of Defense shall make available in accordance with section 501(f) of such Act any buildings or property referred to in subparagraph (D) for which—

“(i) a written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act;

“(ii) an application for use of such buildings or property for such purpose is submitted to the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act; and

“(iii) the Secretary of Health and Human Services—

“(I) completes all actions on the application in accordance with section 501(e)(3) of such Act; and

“(II) approves the application under section 501(e) of such Act.

“(F)(i) Subject to clause (ii), a redevelopment authority may express in writing an interest in using buildings and property referred to in subparagraph (D), and buildings and property referred to in subparagraph (B)(ii) which have not been identified as suitable for use to assist the homeless under subparagraph (C), or use such buildings and property, in accordance with the redevelopment plan with respect to the installation at which such buildings and property are located as follows:

“(I) If no written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act during the 60-day period beginning on the date of the publication of the buildings and property under subparagraph (C)(iii).

“(II) In the case of buildings and property for which such notice is so received, if no completed application for use of the buildings or property for such purpose is received by the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act during the 90-day period beginning on the date of the receipt of such notice.

“(III) In the case of buildings and property for which such application is so received, if the Secretary of Health and Human Services rejects the application under section 501(e) of such Act.

“(III) In the case of buildings and property referred to in clause (i)(III), during the one-year period beginning on the date of the rejection of the application referred to in that clause.

“(iii) A redevelopment authority shall express an interest in the use of buildings and property under this subparagraph by notifying the Secretary of Defense, in writing, of such an interest.

“(G)(i) Buildings and property available for a redevelopment authority under subparagraph (F) shall not be available for use to assist the homeless under section 501 of such Act [42 U.S.C. 11411] while so available for a redevelopment authority.

“(ii) If a redevelopment authority does not express an interest in the use of buildings or property, or commence the use of buildings or property, under subparagraph (F) within the applicable time periods specified in clause (ii) of such subparagraph, such buildings or property shall be treated as property available for use to assist the homeless under section 501(a) of such Act.

“(7)(A) The disposal of buildings and property located at installations approved for closure or realignment under this part after October 25, 1994, shall be carried out in accordance with this paragraph rather than paragraph (6).

“(C)(i) State and local governments, representatives of the homeless, and other interested parties located in the communities in the vicinity of an installation covered by this paragraph shall submit to the redevelopment authority for the installation a notice of the interest, if any, of such governments, representatives, and parties in the buildings or property, or any portion thereof, at the installation that are identified under subparagraph (B)(i)(II). A notice of interest under this clause shall describe the need of the government, representative, or party concerned for the buildings or property covered by the notice.

“(D)(i) State and local governments, representatives of the homeless, and other interested parties shall submit a notice of interest to a redevelopment authority

under subparagraph (C) not later than the date specified for such notice by the redevelopment authority.

“(ii) The date specified under clause (i) shall be—

“(I) in the case of an installation for which a redevelopment authority has been recognized as of the date of the completion of the determinations referred to in paragraph (5), not earlier than 3 months and not later than 6 months after the date of publication of such determination in a newspaper of general circulation in the communities in the vicinity of the installation under subparagraph (B)(i)(IV); and

“(II) in the case of an installation for which a redevelopment authority is not recognized as of such date, not earlier than 3 months and not later than 6 months after the date of the recognition of a redevelopment authority for the installation.

“(F)(i) The redevelopment authority for each installation covered by this paragraph shall prepare a redevelopment plan for the installation. The redevelopment authority shall, in preparing the plan, consider the interests in the use to assist the homeless of the buildings and property at the installation that are expressed in the notices submitted to the redevelopment authority under subparagraph (C).

“(i)(I) In connection with a redevelopment plan for an installation, a redevelopment authority and representatives of the homeless shall prepare legally binding agreements that provide for the use to assist the homeless of buildings and property, resources, and assistance on or off the installation. The implementation of such agreements shall be contingent upon the decision regarding the disposal of the buildings and property covered by the agreements by the Secretary of Defense under subparagraph (K) or (L).

“(II) Agreements under this clause shall provide for the reversion to the redevelopment authority concerned, or to such other entity or entities as the agreements shall provide, of buildings and property that are made available under this paragraph for use to assist the homeless in the event that such buildings and property cease being used for that purpose.

“(VI) Copies of the agreements that the redevelopment authority proposes to enter into under subparagraph (F)(ii).

“(H)(i) Not later than 60 days after receiving a redevelopment plan under subparagraph (G), the Secretary of Housing and Urban Development shall complete a review of the plan. The purpose of the review is to determine whether the plan, with respect to the expressed interest and requests of representatives of the homeless—

“(I) takes into consideration the size and nature of the homeless population in the communities in the vicinity of the installation, the availability of existing services in such communities to meet the needs of the homeless in such communities, and the suitability of the buildings and property covered by the plan for the use and needs of the homeless in such communities;

“(iii) The Secretary of Housing and Urban Development may engage in negotiations and consultations with a redevelopment authority before or during the course of a review under clause (i) with a view toward

resolving any preliminary determination of the Secretary that a redevelopment plan does not meet a requirement set forth in that clause. The redevelopment authority may modify the redevelopment plan as a result of such negotiations and consultations.

“(iv) Upon completion of a review of a redevelopment plan under clause (i), the Secretary of Housing and Urban Development shall notify the Secretary of Defense and the redevelopment authority concerned of the determination of the Secretary of Housing and Urban Development under that clause.

“(v) If the Secretary of Housing and Urban Development determines as a result of such a review that a redevelopment plan does not meet the requirements set forth in clause (i), a notice under clause (iv) shall include—

“(I) an explanation of that determination; and

“(II) a statement of the actions that the redevelopment authority must undertake in order to address that determination.

“(II) submit the revised plan to the Secretary of Defense and the Secretary of Housing and Urban Development.

“(ii) A redevelopment authority shall submit a revised plan under this subparagraph to such Secretaries, if at all, not later than 90 days after the date on which the redevelopment authority receives the notice referred to in clause (i).

“(ii) The Secretary of Housing and Urban Development shall notify the Secretary of Defense and the redevelopment authority concerned of the determination of the Secretary of Housing and Urban Development under this subparagraph.

“(K)(i) Upon receipt of a notice under subparagraph (H)(iv) or (J)(ii) of the determination of the Secretary of Housing and Urban Development that a redevelopment plan for an installation meets the requirements set forth in subparagraph (H)(i), the Secretary of Defense shall dispose of the buildings and property at the installation.

“(ii) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation.

“(iii) The Secretary of Defense shall dispose of buildings and property under clause (i) in accordance with the record of decision or other decision document prepared by the Secretary in accordance with the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.). In preparing the record of decision or other decision document, the Secretary shall give substantial deference to the redevelopment plan concerned.

“(iv) The disposal under clause (i) of buildings and property to assist the homeless shall be without consideration.

“(v) In the case of a request for a conveyance under clause (i) of buildings and property for public benefit under section 550 of title 40, United States Code, or sections 47151 through 47153 of title 49, United States Code, the sponsoring Federal agency shall use the eligibility criteria set forth in such section or such subchapter [probably means subchapter II (§47151 et seq.) of chapter 471 of Title 49, Transportation] (as the case may be) to determine the eligibility of the applicant and use

proposed in the request for the public benefit conveyance. The determination of such eligibility should be made before submission of the redevelopment plan concerned under subparagraph (G).

“(L)(i) If the Secretary of Housing and Urban Development determines under subparagraph (J) that a revised redevelopment plan for an installation does not meet the requirements set forth in subparagraph (H)(i), or if no revised plan is so submitted, that Secretary shall—

“(II) consult with the representatives referred to in subclause (I), if any, for purposes of evaluating the continuing interest of such representatives in the use of buildings or property at the installation to assist the homeless;

“(III) request that each such representative submit to that Secretary the items described in clause (i); and

“(IV) based on the actions of that Secretary under subclauses (I) and (II), and on any information obtained by that Secretary as a result of such actions, indicate to the Secretary of Defense the buildings and property at the installation that meet the requirements set forth in subparagraph (H)(i).

“(ii) The Secretary of Housing and Urban Development may request under clause (i)(III) that a representative of the homeless submit to that Secretary the following:

“(I) A description of the program of such representative to assist the homeless.

“(II) A description of the manner in which the buildings and property that the representative proposes to use for such purpose will assist the homeless.

“(III) Such information as that Secretary requires in order to determine the financial capacity of the representative to carry out the program and to ensure that the program will be carried out in compliance with Federal environmental law and Federal law against discrimination.

“(IV) A certification that police services, fire protection services, and water and sewer services available in the communities in the vicinity of the installation concerned are adequate for the program.

“(iv)(I) Upon notice from the Secretary of Housing and Urban Development with respect to an installation under clause (iii), the Secretary of Defense shall dispose of buildings and property at the installation in consultation with the Secretary of Housing and Urban Development and the redevelopment authority concerned.

“(II) For purposes of carrying out an environmental assessment of the closure or realignment of an installation, the Secretary of Defense shall treat the redevelopment plan submitted by the redevelopment authority for the installation (including the aspects of the plan providing for disposal to State or local governments, representatives of the homeless, and other interested parties) as part of the proposed Federal action for the installation. The determination of such eligibility should be made before submission of the redevelopment plan concerned under subparagraph (G).

A redevelopment authority may not be required to utilize the building or property to assist the homeless.

“(N) The Secretary of Defense may postpone or extend any deadline provided for under this paragraph in the case of an installation covered by this paragraph for such period as the Secretary considers appropriate if the Secretary determines that such postponement is in the interests of the communities affected by the closure or realignment of the installation. “(i) inventory the personal property located at the installation; and

“(ii) identify the items (or categories of items) of such personal property that the Secretary determines to be related to real property and anticipates will support the implementation of the redevelopment plan with respect to the installation.

“(B) If no redevelopment authority referred to in subparagraph (A) exists with respect to an installation, the Secretary shall consult with—

“(i) the local government in whose jurisdiction the installation is wholly located; or

“(ii) a local government agency or State government agency designated for the purpose of such consultation by the chief executive officer of the State in which the installation is located.

In connection with the development of the redevelopment plan for the installation, the Secretary shall consult with the entity responsible for developing the redevelopment plan to identify the items of personal property located at the installation, if any, that the entity desires to be retained at the installation for reuse or redevelopment of the installation.

“(E) This paragraph shall not apply to any related personal property located at an installation to be closed under this title if the property—

“(i) is required for the operation of a unit, function, component, weapon, or weapons system at another installation;

“(ii) is uniquely military in character, and is likely to have no civilian use (other than use for its material content or as a source of commonly used components);

“(iv) is stored at the installation for purposes of distribution (including spare parts or stock items); or

“(v)(I) meets known requirements of an authorized program of another Federal department or agency for which expenditures for similar property would be necessary, and (II) is the subject of a written request by the head of the department or agency.

“(F) Notwithstanding subparagraphs (C)(i) and (D), the Secretary may carry out any activity referred to in subparagraph (C)(ii) or (D) if the Secretary determines that the carrying out of such activity is in the national security interest of the United States.

“(4)(A) The Secretary may transfer real property and personal property located at a military installation to be closed or realigned under this title to the redevelopment authority with respect to the installation for purposes of job generation on the installation.

“(B) The transfer of property of a military installation under subparagraph (A) shall be without consideration if the redevelopment authority with respect to the installation—

“(i) agrees that the proceeds from any sale or lease of the property (or any portion thereof) received by the redevelopment authority during at least the first seven years after the date of the initial transfer of property under subparagraph (A) shall be used to support the economic redevelopment of, or related to, the installation; and

“(ii) executes the agreement for transfer of the property and accepts control of the property within a reasonable time after the date of the property disposal record of decision or finding of no significant impact under the National Environmental Policy Act of 1969 (42 U.S.C. 4321 et seq.).

“(C) For purposes of subparagraph (B), the use of proceeds from a sale or lease described in such subparagraph to pay for, or offset the costs of, public investment on or related to the installation for any of the following purposes shall be considered a use to support the economic redevelopment of, or related to, the installation:

“(E)(i) The Secretary may transfer real property at an installation approved for closure or realignment under this title (including property at an installation approved for realignment which will be retained by the Department of Defense or another Federal agency after realignment) to the redevelopment authority for the installation if the redevelopment authority agrees to lease, directly upon transfer, one or more portions of the property transferred under this subparagraph to the Secretary or to the head of another department or agency of the Federal Government. Subparagraph (B) shall apply to a transfer under this subparagraph.

“(ii) A lease under clause (i) shall be for a term of not to exceed 50 years, but may provide for options for renewal or extension of the term by the department or agency concerned.

“(iii) A lease under clause (i) may not require rental payments by the United States.

“(iv) A lease under clause (i) shall include a provision specifying that if the department or agency concerned ceases requiring the use of the leased property before the expiration of the term of the lease, the remainder of the lease term may be satisfied by the same or another department or agency of the Federal Government using the property for a use similar to the use under the lease. Exercise of the authority provided by this clause shall be made in consultation with the redevelopment authority concerned.

“(v) Notwithstanding clause (iii), if a lease under clause (i) involves a substantial portion of the installation, the department or agency concerned may obtain facility services for the leased property and common area maintenance from the redevelopment authority or the redevelopment authority’s assignee as a provision of the lease. The facility services and common area maintenance shall be provided at a rate no higher than the rate charged to non-Federal tenants of the transferred property. Facility services and common area maintenance covered by the lease shall not include—

“(I) municipal services that a State or local government is required by law to provide to all landowners in its jurisdiction without direct charge; or

“(II) firefighting or security-guard functions.

“(F) The transfer of personal property under subparagraph (A) shall not be subject to the provisions of subchapters II and III of chapter 5 of title 40, United States Code, if the Secretary determines that the transfer of such property is necessary for the effective implementation of a redevelopment plan with respect to the installation at which such property is located.

“(H)(i) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into before April 21, 1999, the Secretary may modify the agreement, and in so doing compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States, if—

“(I) the Secretary determines that as a result of changed economic circumstances, a modification of the agreement is necessary;

“(II) the terms of the modification do not require the return of any payments that have been made to the Secretary;

“(III) the terms of the modification do not compromise, waive, adjust, release, or reduce any right, title, claim, lien, or demand of the United States with respect to in-kind consideration; and

“(IV) the cash consideration to which the United States is entitled under the modified agreement, when combined with the cash consideration to be received by the United States for the disposal of other real property assets on the installation, are as suffi-

L. 101-510, 10 U.S.C. 2687 note].

“(ii) When exercising the authority granted by clause (i), the Secretary may waive some or all future payments if, and to the extent that, the Secretary determines such waiver is necessary.

“(iii) With the exception of the requirement that the transfer be without consideration, the requirements of subparagraphs (B), (C), and (D) shall be applicable to any agreement modified pursuant to clause (i).

“(I) In the case of an agreement for the transfer of property of a military installation under this paragraph that was entered into during the period beginning on April 21, 1999, and ending on the date of enactment of the National Defense Authorization Act for Fiscal Year 2000 [Oct. 5, 1999], at the request of the redevelopment authority concerned, the Secretary shall modify the agreement to conform to all the requirements of subparagraphs (B), (C), and (D). Such a modification may include the compromise, waiver, adjustment, release, or reduction of any right, title, claim, lien, or demand of the United States under the agreement.

“(J) The Secretary may require any additional terms and conditions in connection with a transfer under this paragraph as such Secretary considers appropriate to protect the interests of the United States.

“(5)(A) Except as provided in subparagraphs (B) and (C), the Secretary shall take such actions as the Secretary determines necessary to ensure that final determinations under paragraph (1) regarding whether another department or agency of the Federal Government has identified a use for any portion of a military installation to be closed under this title after the date of the enactment of the National Defense Authorization Act for Fiscal Year 1994 [Nov. 30, 1993], or will accept transfer of any portion of such installation, are made not later than 6 months after such date of enactment.

“(B) The Secretary may, in consultation with the redevelopment authority with respect to an installation, postpone making the final determinations referred to in subparagraph (A) with respect to the installation for such period as the Secretary determines appropriate if the Secretary determines that such postponement is in the best interests of the communities affected by the closure of the installation.

“(C)(i) Before acquiring non-Federal real property as the location for a new or replacement Federal facility of any type, the head of the Federal agency acquiring the property shall consult with the Secretary regarding the feasibility and cost advantages of using Federal property or facilities at a military installation closed or realigned or to be closed or realigned under this title as the location for the new or replacement facility. In considering the availability and suitability of a specific military installation, the Secretary and the head of the Federal agency involved shall obtain the concurrence of the redevelopment authority with respect to the installation and comply with the redevelopment plan for the installation.

“(ii) Not later than 30 days after acquiring non-Federal real property as the location for a new or replacement Federal facility, the head of the Federal agency acquiring the property shall submit to Congress a report containing the results of the consultation under clause (i) and the reasons why military installations referred to in such clause that are located within the area to be served by the new or replacement Federal facility or within a 200-mile radius of the new or replacement facility, whichever area is greater, were considered to be unsuitable or unavailable for the site of the new or replacement facility.

“(iii) This subparagraph shall apply during the period beginning on the date of the enactment of the National

Defense Authorization Act for Fiscal Year 1998 [Nov. 18, 1997] and ending on July 31, 2001.

“(6)(A) Except as provided in this paragraph, nothing in this section shall limit or otherwise affect the application of the provisions of the McKinney-Vento Homeless Assistance Act (42 U.S.C. 11301 et seq.) to military installations closed under this title.

“(B)(i) Not later than the date on which the Secretary of Defense completes the determination under paragraph (5) of the transferability of any portion of an installation to be closed under this title, the Secretary shall—

“(I) complete any determinations or surveys necessary to determine whether any building or property referred to in clause (i) is excess property, surplus property, or unutilized or underutilized property for the purpose of the information referred to in section 501(a) of such Act (42 U.S.C. 11411(a)); and

“(II) submit to the Secretary of Housing and Urban Development information on any building or property that is so determined.

“(i) identify the buildings and property described in such information that are suitable for use to assist the homeless;

“(ii) notify the Secretary of Defense of the buildings and property that are so identified;

“(iii) publish in the Federal Register a list of the buildings and property that are so identified, including with respect to each building or property the information referred to in section 501(c)(1)(B) of such Act [42 U.S.C. 11411(c)(1)(B)]; and

“(iv) make available with respect to each building and property the information referred to in section 501(c)(1)(C) of such Act in accordance with such section 501(c)(1)(C).

“(D) Any buildings and property included in a list published under subparagraph (C)(iii) shall be treated as property available for application for use to assist the homeless under section 501(d) of such Act.

“(E) The Secretary of Defense shall make available in accordance with section 501(f) of such Act any buildings or property referred to in subparagraph (D) for which—

“(i) a written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act;

“(ii) an application for use of such buildings or property for such purpose is submitted to the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act; and

“(II) approves the application under section 501(e) of such Act.

“(F)(i) Subject to clause (ii), a redevelopment authority may express in writing an interest in using buildings and property referred to in subparagraph (D), and buildings and property referred to in subparagraph (B)(ii) which have not been identified as suitable for use to assist the homeless under subparagraph (C), or use such buildings and property, in accordance with the redevelopment plan with respect to the installation at which such buildings and property are located as follows:

“(I) If no written notice of an intent to use such buildings or property to assist the homeless is received by the Secretary of Health and Human Services in accordance with section 501(d)(2) of such Act

during the 60-day period beginning on the date of the publication of the buildings and property under subparagraph (C)(iii).

“(II) In the case of buildings and property for which such notice is so received, if no completed application for use of the buildings or property for such purpose is received by the Secretary of Health and Human Services in accordance with section 501(e)(2) of such Act during the 90-day period beginning on the date of the receipt of such notice.

“(III) In the case of building and property for which such application is so received, if the Secretary of Health and Human Services rejects the application under section 501(e) of such Act.

“(i) Buildings and property shall be available only for the purpose of permitting a redevelopment authority to express in writing an interest in the use of such buildings and property, or to use such buildings and property, under clause (i) as follows:

“(I) In the case of buildings and property referred to in clause (i)(I), during the one-year period beginning on the first day after the 60-day period referred to in that clause.

“(III) In the case of buildings and property referred to in clause (i)(III), during the one-year period beginning on the date of the rejection of the application referred to in that clause.

“(iii) A redevelopment authority shall express an interest in the use of buildings and property under this subparagraph by notifying the Secretary of Defense, in writing, of such an interest.

“(G)(i) Buildings and property available for a redevelopment authority under subparagraph (F) shall not be available for use to assist the homeless under section 501 of such Act [42 U.S.C. 11411] while so available for a redevelopment authority.

“(ii) If a redevelopment authority does not express an interest in the use of buildings or property, or commence the use of buildings or property, under subparagraph (F) within the applicable time periods specified in clause (ii) of such subparagraph, such buildings or property shall be treated as property available for use to assist the homeless under section 501(a) of such Act.

“(7)(A) Except as provided in subparagraph (B) or (C), all proceeds—

“(i) from any transfer under paragraphs (3) through (6); and

“(ii) from the transfer or disposal of any other property or facility made as a result of a closure or realignment under this title, shall be deposited into the Account.

“(B) In any case in which the General Services Administration is involved in the management or disposal of such property or facility, the Secretary shall reimburse the Administrator of General Services from the proceeds of such disposal, in accordance with section 1535 of title 31, United States Code, for any expenses incurred in such activities.

“(C)(i) If any real property or facility acquired, constructed, or improved (in whole or in part) with commissary store funds or nonappropriated funds is transferred or disposed of in connection with the closure or realignment of a military installation under this title, a portion of the proceeds of the transfer or other disposal of property on that installation shall be deposited in a reserve account established in the Treasury to be administered by the Secretary. Subject to the limitation in clause (iii), amounts in the reserve account are hereby made available to the Secretary, without appropriation and until expended, for the purpose of acquiring, constructing, and improving—

“(I) commissary stores; and

“(II) real property and facilities for non-appropriated fund instrumentalities.

“(ii) The amount deposited under clause (i) shall be equal to the depreciated value of the investment made

with such funds in the acquisition, construction, or improvement of that particular real property or facility. The depreciated value of the investment shall be computed in accordance with regulations prescribed by the Secretary of Defense.

“(iii) The aggregate amount obligated from the reserve account established under clause (i) may not exceed the following:

§ 2688. Utility systems: conveyance authority

(a) CONVEYANCE AUTHORITY.—The Secretary of a military department may convey a utility system, or part of a utility system, under the jurisdiction of the Secretary to a municipal, private, regional, district, or cooperative utility company or other entity. (2) The Secretary concerned may authorize a contract for utility services described in paragraph (1) or the renewal of such a contract to have a term in excess of 10 years, but not to exceed 50 years, if the Secretary concerned determines that a contract for a longer term will be cost effective. The determination of cost effectiveness shall be made using a business case analysis that includes an independent estimate of the level of investment that should be required to maintain adequate operation of the utility system over the proposed term of the contract or contract renewal. The business case analysis must also demonstrate how a privatized system will operate in a manner consistent with subsection (g)(3). A renewal of a contract pursuant to this paragraph may be entered into only within the last five years of the existing contract term.

(e) TREATMENT OF PAYMENTS.—(1) A lump sum payment received under subsection (c) shall be credited, at the election of the Secretary concerned—

tional terms and conditions in connection with a conveyance under subsection (a) as the Secretary considers appropriate to protect the interests of the United States.

(2) The Secretary concerned shall require in any contract for the conveyance of a utility system (or part of a utility system) under subsection (a) that the conveyee manage and operate the utility system in a manner consistent with applicable Federal and State regulations pertaining to health, safety, fire, and environmental requirements.

(3) The Secretary concerned shall require in any contract for the conveyance of a utility system (or part of a utility system) under subsection (a) that the conveyee manage and operate the utility system in a manner consistent with energy resilience and cybersecurity requirements and associated metrics provided to the conveyee to ensure that the reliability of the utility system meets mission requirements.

(4) The Secretary of Defense, in consultation with the Secretaries of the military departments, shall include in the installation energy report submitted under section 2925(a)¹ of this title a description of progress in meeting energy resilience metrics for all conveyance contracts entered into pursuant to this section.

(h) ASSISTANCE FOR CONSTRUCTION, REPAIR, OR REPLACEMENT OF UTILITY SYSTEMS.—In lieu of carrying out a military construction project to construct, repair, or replace a utility system, the Secretary concerned may use funds authorized and appropriated for the project to facilitate the conveyance of the utility system under this section by making a contribution toward the cost of construction, repair, or replacement of the utility system by the entity to which the utility system is being conveyed.

which a utility system for the installation has been conveyed under subsection (a) if the Secretary determines that—

(A) the additional utility infrastructure cannot operate without being a part of the conveyed utility system or operation of the additional utility infrastructure by the utility or entity would be in the best interest of the Government; and

(B) the military department receives as consideration an amount for the utility infrastructure determined in the same manner as the consideration the Secretary could require under subsection (c) for a conveyance under subsection (a).

(2) The conveyance under this paragraph may consist of all right, title, and interest of the United States or such lesser estate as the Secretary considers appropriate to serve the interests of the United States.

(k) IMPROVEMENT OF CONVEYED UTILITY SYSTEM.—(1) In the case of a utility system that has been conveyed under this section and that only provides utility services to a military installation, the Secretary of Defense or the Secretary of a military department may authorize a contract on a sole source basis with the conveyee of the utility system to carry out a military construction project as authorized and appropriated for by law for an infrastructure improvement that enhances the reliability, resilience, efficiency, physical security, or cybersecurity of the utility system.

EFFECTIVE DATE

Pub. L. 104-201, div. A, title III, §332(b), Sept. 23, 1996, 110 Stat. 2485, provided that: “Section 2694 of title 10, United States Code, as added by subsection (a), shall take effect on October 1, 1996.”

§ 2694a. Conveyance of surplus real property for natural resource conservation

(a) AUTHORITY TO CONVEY.—The Secretary of a military department may convey to an eligible entity described in subsection (b) any surplus real property that—

(1) is under the administrative control of the Secretary;

(2) is suitable and desirable for conservation purposes;

(3) has been made available for public benefit transfer for a sufficient period of time to potential claimants; and

(4) is not subject to a pending request for transfer to another Federal agency or for conveyance to any other qualified recipient for public benefit transfer under the real property disposal processes and authorities under subtitle I of title 40.

(b) ELIGIBLE ENTITIES.—The conveyance of surplus real property under this section may be made to any of the following:

(1) A State or political subdivision of a State.

(2) A nonprofit organization that exists for the primary purpose of conservation of natural resources on real property.

(c) REVERSIONARY INTEREST AND OTHER DEED REQUIREMENTS.—(1) The deed of conveyance of any surplus real property conveyed under this section shall require the property to be used and maintained for the conservation of natural resources in perpetuity. If the Secretary concerned determines at any time that the property is not being used or maintained for such purpose, then, at the option of the Secretary, all or any portion of the property shall revert to the United States.

(2) The deed of conveyance may permit the recipient of the property—

(A) to convey the property to another eligible entity, subject to the approval of the Sec-

retary concerned and subject to the same covenants and terms and conditions as provided in the deed from the United States; and

(B) to conduct incidental revenue-producing activities on the property that are compatible with the use of the property for conservation purposes.

(3) The deed of conveyance may contain such additional terms, reservations, restrictions, and conditions as the Secretary concerned considers appropriate to protect the interests of the United States.

(d) RELEASE OF COVENANTS.—With the concurrence of the Secretary of Interior, the Secretary concerned may grant a release from a covenant included in the deed of conveyance of real property conveyed under this section, subject to the condition that the recipient of the property pay the fair market value, as determined by the Secretary concerned, of the property at the time of the release of the covenant. The Secretary concerned may reduce the amount required to be paid under this subsection to account for the value of the natural resource conservation benefit that has accrued to the United States during the period the covenant was in effect, if the benefit was not taken into account in determining the original consideration for the conveyance.

(e) NOTICE AND WAIT REQUIREMENTS.—The Secretary concerned may not approve of the reconveyance of real property under subsection (c) or grant the release of a covenant under subsection (d) until after the end of the 14-day period beginning on the date on which the Secretary submits, in an electronic medium pursuant to section 480 of this title, to the appropriate committees of Congress a notice of the proposed reconveyance or release.

(f) LIMITATIONS.—The conveyance of real property under this section shall not be used as a condition of allowing any defense activity under any Federal, State, or local permitting or review process. The Secretary concerned may make the conveyance, with the restrictions specified in subsection (c), to establish a mitigation bank, but only if the establishment of the mitigation bank does not occur in order to satisfy any condition for permitting military activity under a Federal, State, or local permitting or review process.

(g) CONSIDERATION.—In fixing the consideration for the conveyance of real property under this section, or in determining the amount of any reduction of the amount to be paid for the release of a covenant under subsection (d), the Secretary concerned shall take into consideration any benefit that has accrued or may accrue to the United States from the use of such property for the conservation of natural resources.

(h) RELATION TO OTHER CONVEYANCE AUTHORITIES.—(1) The Secretary concerned may not make a conveyance under this section of any real property to be disposed of under a base closure law in a manner that is inconsistent with the requirements and conditions of the base closure law.

(2) In the case of real property on Guam, the Secretary concerned may not make a conveyance under this section unless the Government

of Guam has been first afforded the opportunity to acquire the real property as authorized by section 1 of Public Law 106-504 (114 Stat. 2309).

(i) DEFINITIONS.—In this section:

(1) The term “appropriate committees of Congress” has the meaning given such term in section 2801 of this title.

(g) REMOVAL OF UNSAFE BUILDINGS AND DEBRIS BEFORE RELEASE FROM FEDERAL CONTROL.—In the case of property formerly used by the Department of Defense which is to be released from Federal Government control and at which there are unsafe buildings or debris of the Department of Defense, all actions necessary to comply with regulations of the General Services Administration on the transfer of property in a safe condition shall be completed before the property is released from Federal Government control, except in the case of property to be conveyed to an entity of State or local government or to a native corporation.

(h) SURETY-CONTRACTOR RELATIONSHIP.—Any surety which provides a bid, performance, or payment bond in connection with any direct Federal procurement for a response action contract under the Defense Environmental Restoration Program and begins activities to meet its obligations under such bond, shall, in connection with such activities or obligations, be entitled to any indemnification and the same standard of liability to which its principal was entitled under the contract or under any applicable law or regulation.

(3) **LIABILITY OF SURETIES UNDER BONDS.**—If, under applicable Federal law, surety bonds are required for any direct Federal procurement of any response action contract under the Defense Environmental Restoration Program, unless otherwise provided for by the Secretary in the bond, in the event of a default, the surety's liability on a performance bond shall be only for the cost of completion of the contract work in accordance with the plans and specifications of the contract less the balance of funds remaining to be paid under the contract, up to the penal sum of the bond. The surety shall in no event be liable on bonds to indemnify or compensate the obligee for loss or liability arising from personal injury or property damage whether or not caused by a breach of the bonded contract.

§ 2708. Contracts for handling hazardous waste from defense facilities

(a) REIMBURSEMENT REQUIREMENT.—(1) Each contract or subcontract to which this section applies shall provide that, upon receipt of hazardous wastes properly characterized pursuant to applicable laws and regulations, the contractor or subcontractor will reimburse the Federal Government for all liabilities incurred by, penalties assessed against, costs incurred by, and damages suffered by, the Government that are caused by—

“(3) INTERIM REPORTS.—The Secretary shall periodically, but no less often than annually, release any new information obtained during the historical review conducted under paragraph (1). The Secretary may withhold from public release the exact nature and locations of munitions the potential unauthorized retrieval of which could pose a significant threat to the national defense or public safety.

“(4) INCLUSION OF INFORMATION IN ANNUAL REPORT ON ENVIRONMENTAL RESTORATION ACTIVITIES.—The Secretary shall include the information obtained pursuant to the review conducted under paragraph (1) in the annual report on environmental restoration activities submitted to Congress under [former] section 2706 of title 10, United States Code.

“(b) IDENTIFICATION OF NAVIGATIONAL AND SAFETY HAZARDS.—

“(1) IDENTIFICATION OF HAZARDS.—The Secretary of Defense shall provide available information to the Secretary of Commerce to assist the National Oceanic and Atmospheric Administration in preparing nautical charts and other navigational materials for coastal waters that identify known or potential hazards posed by disposed military munitions to private activities, including commercial shipping and fishing operations.

“(2) CONTINUATION OF INFORMATION ACTIVITIES.—The Secretary of Defense shall continue activities to inform potentially affected users of the ocean environment, particularly fishing operations, of the possible hazards from contact with disposed military munitions and the proper methods to mitigate such hazards.

“(B) investigation into the long-term effects of seawater exposure on disposed military munitions, particularly effects on chemical munitions;

“(C) investigation into the impacts any such contamination may have on the ocean environment and those who use it, including public health risks;

“(D) investigation into the feasibility of removing or otherwise remediating the military munitions; and

“(E) the development of effective safety measures for dealing with such military munitions.

“(3) RESEARCH CRITERIA.—In conducting the research required by this subsection, the Secretary shall ensure that the sampling, analysis, and investigations are conducted at representative sites, taking into account factors such as depth, water temperature, nature of the military munitions present, and relative proximity to onshore populations. In conducting such research, the Secretary shall select at least two representative sites each in the areas of the Atlantic coast, the Pacific coast (including Alaska), and the Hawaiian Islands.

“(4) AUTHORITY TO MAKE GRANTS AND ENTER INTO COOPERATIVE AGREEMENTS.—In conducting research under this subsection, the Secretary may make grants to, and enter into cooperative agreements with, qualified research entities.

“(d) MONITORING.—If the historical review required by subsection (a) or the research required by subsection (c) indicates that contamination is being released into the ocean waters from disposed military munitions at a particular site or that the site poses a significant public health or safety risk, the Secretary of Defense shall institute appropriate monitoring mechanisms at that site and report to the congressional defense committees [Committees on Armed Services and Appropriations of the Senate and the House of Representatives] on any additional measures that may be necessary to address the release or risk, as applicable.

L. 88-558, § 5(3), Aug. 31, 1964, 78 Stat. 768, effective two years from Aug. 31, 1964. See section 3701 et seq. of Title 31, Money and Finance.

§ 2733. Property loss; personal injury or death: incident to noncombat activities of Department of Army, Navy, or Air Force

(a) Under such regulations as the Secretary concerned may prescribe, he, or, subject to appeal to him, the Judge Advocate General of an armed force under his jurisdiction, or the chief Counsel of the Coast Guard, as appropriate, if designated by him, may settle, and pay in an amount not more than \$100,000, a claim against the United States for—

(1) damage to or loss of real property, including damage or loss incident to use and occupancy;

(2) damage to or loss of personal property, including property bailed to the United States and including registered or insured mail damaged, lost, or destroyed by a criminal act while in the possession of the Army, Navy, Air Force, Marine Corps, Space Force, or Coast Guard, as the case may be; or

(3) personal injury or death;

either caused by a civilian officer or employee of that department, or the Coast Guard, or a member of the Army, Navy, Air Force, Marine Corps, Space Force, or Coast Guard, as the case may be, acting within the scope of his employment, or otherwise incident to noncombat activities of that department, or the Coast Guard.

(b) A claim may be allowed under subsection (a) only if—

(1) it is presented in writing within two years after it accrues, except that if the claim accrues in time of war or armed conflict or if such a war or armed conflict intervenes within two years after it accrues, and if good cause is shown, the claim may be presented not later than two years after the war or armed conflict is terminated;

(2) it is not covered by section 2734 of this title or section 2672 of title 28;

(3) it is not for personal injury or death of such a member or civilian officer or employee whose injury or death is incident to his service;

(4) the damage to, or loss of, property, or the personal injury or death, was not caused wholly or partly by a negligent or wrongful act of the claimant, his agent, or his employee; or, if so caused, allowed only to the extent that the law of the place where the act or omission complained of occurred would permit recovery from a private individual under like circumstances; and

(5) it is substantiated as prescribed in regulations of the Secretary concerned.

For the purposes of clause (1), the dates of the beginning and ending of an armed conflict are the dates established by concurrent resolution of Congress or by a determination of the President.

(c) Payment may not be made under this section for reimbursement for medical, hospital, or burial services furnished at the expense of the United States.

(d) If the Secretary concerned considers that a claim in excess of \$100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant \$100,000 and report any meritorious amount in excess of \$100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(e) Except as provided in subsection (d), no claim may be paid under this section unless the amount tendered is accepted by the claimant in full satisfaction.

(f) For the purposes of this section, a member of the National Oceanic and Atmospheric Administration or of the Public Health Service who is serving with the Navy or Marine Corps shall be treated as if he were a member of that armed force.

(g) Under regulations prescribed by the Secretary concerned, an officer or employee under

the jurisdiction of the Secretary may settle a claim that otherwise would be payable under this section in an amount not to exceed \$25,000. A decision of the officer or employee who makes a final settlement decision under this section may be appealed by the claimant to the Secretary concerned or an officer or employee designated by the Secretary for that purpose.

(h) Under such regulations as the Secretary of Defense may prescribe, he or his designee has the same authority as the Secretary of a military department under this section with respect to the settlement of claims based on damage, loss, personal injury, or death caused by a civilian officer or employee of the Department of Defense acting within the scope of his employment or otherwise incident to noncombat activities of that department.

In subsection (a), the words “a civilian officer or employee of that department, or a member of the Army, Navy, Air Force, or Marine Corps, as the case may be” are substituted for the words “military personnel or civilian employees of the Department of the Army or of the Army”. The words “whether under a lease, express or implied” are omitted as surplusage. The words “consider, ascertain, adjust, determine” are omitted as covered by the word “settle”, as defined in section 2731 of this title. The words “arising on or after May 27, 1941” are omitted as executed, since, under revised subsection (b), a claim must be filed within one year after it accrues, or within one year after the war is terminated, if it accrues in time of war.

In subsection (a)(1), the words “or loss” are inserted before the word “incident”, for clarity.

In subsection (b)(1), the words “it accrues” are substituted for the words “the accident or incident out of

which such claim arises shall have occurred”, in 31:223b. The words “the claim accrues” are substituted for the words “That if such accident or incident occurs”. The words “not later than” are substituted for the words “within” to make it clear that a claim may be presented during a war. The words “the war is terminated” are substituted for the words “after peace is established”, since the other time covered is “time of war”. 31:223b (last 49 words of proviso of 2d sentence) is omitted as executed.

In subsection (b)(2), the words “or section 2672 of title 28” are substituted for the words “claims cognizable under part 2 of this title”, to reflect the express amendment of 31:223b and 223c by the fourth clause of section 424(a) of the Federal Tort Claims Act, 60 Stat. 847. Section 424(a) of the Federal Tort Claims Act referred to “claims cognizable under part 2 of this title”. Part 2 of that act consisted of sections 403 and 404 which were repealed by section 39 of the Act of June 25, 1948, ch. 646, 62 Stat. 1008, and replaced by sections 2672 and 2673 of title 28. The words “or possessions thereof” are omitted, since possessions of foreign countries are not specifically covered by the section to which the words refer.

In subsection (d), the words “claim * * * that would otherwise be covered by this section” are substituted for the words “such claims”.

In subsection (e), the words “and final settlement” are omitted as surplusage.

EFFECTIVE DATE

Pub. L. 116-92, div. A, title VII, §731(d), Dec. 20, 2019, 133 Stat. 1460, provided that:

“(1) EFFECTIVE DATE.—The amendments made by this section [enacting this section and amending section 2735 of this title and section 1304 of Title 31, Money and Finance] shall apply to any claim filed under section 2733a of such title, as added by subsection (a)(1), on or after January 1, 2020.

“(2) TRANSITION.—Any claim filed in calendar year 2020 shall be deemed to be filed within the time period specified in section 2733a(b)(4) of such title, as so added, if it is filed within three years after it accrues.”

§ 2734. Property loss; personal injury or death: incident to noncombat activities of the armed forces; foreign countries

(a) To promote and to maintain friendly relations through the prompt settlement of meritorious claims, the Secretary concerned, or an officer or employee designated by the Secretary, may appoint, under such regulations as the Secretary may prescribe, one or more claims commissions, each composed of one or more officers or employees or combination of officers or employees of the armed forces, to settle and pay in an amount not more than \$100,000, a claim against the United States for—

(1) damage to, or loss of, real property of any foreign country or of any political subdivision or inhabitant of a foreign country, including damage or loss incident to use and occupancy;

(2) damage to, or loss of, personal property of any foreign country or of any political subdivision or inhabitant of a foreign country, including property bailed to the United States; or

(3) personal injury to, or death of, any inhabitant of a foreign country;

if the damage, loss, personal injury, or death occurs outside the United States, or the Commonwealths or possessions, and is caused by, or is otherwise incident to noncombat activities of, the armed forces under his jurisdiction, or is caused by a member thereof or by a civilian employee of the military department concerned or the Coast Guard, as the case may be. The claim of an insured, but not that of a subrogee, may be considered under this subsection. In this section, “foreign country” includes any place under the jurisdiction of the United States in a foreign country. An officer or employee may serve on a claims commission under the jurisdiction of another armed force only with the consent of the Secretary of his department, or his designee, but shall perform his duties under regulations of the department appointing the commission.

(b) A claim may be allowed under subsection (a) only if—

(1) it is presented within two years after it accrues;

(2) in the case of a national of a country at war with the United States, or of any ally of that country, the claimant is determined by

the commission or by the local military commander to be friendly to the United States; and

(3) it did not arise from action by an enemy or result directly or indirectly from an act of the armed forces of the United States in combat, except that a claim may be allowed if it arises from an accident or malfunction incident to the operation of an aircraft of the armed forces of the United States, including its airborne ordnance, indirectly related to combat, and occurring while preparing for, going to, or returning from a combat mission.

(c) The Secretary concerned may appoint any officer or employee under the jurisdiction of the Secretary to act as an approval authority for claims determined to be allowable under subsection (a) in an amount in excess of \$10,000.

(d) If the Secretary concerned considers that a claim in excess of \$100,000 is meritorious, and the claim otherwise is payable under this section, the Secretary may pay the claimant \$100,000 and report any meritorious amount in excess of \$100,000 to the Secretary of the Treasury for payment under section 1304 of title 31.

(e) Except as provided in subsection (d), no claim may be paid under this section unless the amount tendered is accepted by the claimant in full satisfaction.

(f) Upon the request of the department concerned, a claim arising in that department and covered by subsection (a) may be settled and paid by a commission appointed under subsection (a) and composed of officers of an armed force under the jurisdiction of another department.

(g) Payment of claims against the Coast Guard arising while it is operating as a service in the Department of Homeland Security shall be made out of the appropriation for the operating expenses of the Coast Guard.

(h) The Secretary of Defense may designate any claims commission appointed under subsection (a) to settle and pay, as provided in this section, claims for damage caused by a civilian employee of the Department of Defense other than an employee of a military department. Payments of claims under this subsection shall be made from appropriations as provided in section 2732 of this title.

The words "his legal representative" are substituted for the words "a duly appointed legal representative of the estate", since an estate, being property and not an entity, has no representative. The words "duly appointed" are omitted as surplusage. The words "highest on the following list" are substituted for the words "following order of precedence", in 10:868 and 34:941a. Clauses (1)-(4) are substituted for the words between the first and second colons of 10:868 and 34:941a. 1982 ACT

Revised section	Source (U.S. Code)	Source (Statutes at Large)
2773(a)	10:2773. 31:103a.	July 3, 1926, ch. 775, 44 Stat. 888; June 6, 1972, Pub. L. 92-310, § 231(bb), 86 Stat. 212.
2773(b)	31:103b.	July 31, 1953, ch. 300, 67 Stat. 296; June 6, 1972, Pub. L. 92-310, § 231(ff), 86 Stat. 213.

In the section, the words “disbursing official” are substituted for “disbursing officer” for consistency with other titles of the United States Code. The words “Secretary of the Treasury” are substituted for “Treasurer of the United States” because of section 1(a) of Reorganization Plan No. 26 of 1950 (eff. July 31, 1950, 64 Stat. 1280), restated as section 321 of the revised title contained in section 1 of the bill. The text of 10:2773 is omitted as being superseded by 31:103a and 103b.

In subsection (a)(1), before clause (A), the words “With the approval of a Secretary of a military department when the Secretary considers it necessary” are substituted for “When, in the opinion of the Secretary of the Army, Navy, or Air Force, the exigencies of the service so require . . . with the approval of the head of their executive department” in 31:103a because of 10:101(7), to eliminate unnecessary words, and for consistency. The title of Secretary of War was changed to Secretary of the Army by section 205(a) of the Act of July 26, 1947 (ch. 343, 61 Stat. 501), and by sections 1 and 53 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 157, 676). The Secretary of the Air Force is included because of sections 205(a) and 207(a) and (f) of the Act of July 26, 1947 (ch. 343, 61 Stat. 501, 502), and section 1 of the Act of August 10, 1956 (ch. 1041, 70A Stat. 488). The words “deputy disbursing official” are substituted for “deputies” for clarity. In clause (A), the words “to make payments” are substituted for “for the purpose of having them make disbursements” to eliminate unnecessary words. In clause (C), the words “to be performed by such disbursing officers” are omitted as unnecessary.

In subsection (a)(2), the words “deputy disbursing official” are substituted for “agent officer” for clarity and consistency.

In subsection (b)(1), the word “disabled” is substituted for “incapacity” for consistency in the title. The word “until” is substituted for “for a period of time not to extend beyond” to eliminate unnecessary words.

In subsection (b)(2), the words “The deputy disbursing official, and not the former disbursing official

or the estate of the former disbursing official” are substituted for “The former disbursing officer or his estate . . . but the deputy disbursing officer shall be responsible therefor” for clarity and because of the restatement. The word “liable” is substituted for “subject to any legal liability or penalty” to eliminate unnecessary words. The word “actions” is substituted for “official acts and defaults”. The words “in the name or in the place of the former disbursing officer” are omitted as unnecessary.

Any such determination shall be by a preponderance of the evidence.

(2) Except as provided in paragraph (3), in the case of property, the possession of which could undermine national security or create a hazard to public health or safety, the determination under paragraph (1) may be made after the seizure of the property, as long as the United States files an action seeking such determination within 90 days after seizure of the property. If the person from whom the property is seized is found to have been lawfully in possession of the property and the return of the property could undermine national security or create a hazard to public health or safety, the Secretary of Defense shall reimburse the person for the market value for the property.
