

Public Law 102-225
102d Congress

An Act

Dec. 11, 1991
[H.R. 3881]

To expand the boundaries of Stones River National Battlefield, Tennessee, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled,

SECTION 1. STONES RIVER NATIONAL BATTLEFIELD BOUNDARY CHANGE.

The Act entitled "An Act to amend the boundaries of Stones River National Battlefield, Tennessee, and for other purposes", approved December 23, 1987 (101 Stat. 1433), is amended as follows:

16 USC 426n.

(1) In the first sentence of section 1(a) strike "numbered 327/80,001, and dated March 1987" and insert "numbered 327/80,004B, and dated November 1991".

(2) In section 1(b), insert "(1)" after "LANDS.—", and add at the end thereof the following:

"(2)(A) Before acquiring any lands under this Act where the surface of such lands has been substantially disturbed or which are believed by the Secretary to contain hazardous substances, the Secretary shall prepare a report on the potential hazardous substances associated with such lands and the estimated cost of restoring such lands, together with a plan of the remedial measures necessary to allow acquisition of such lands to proceed in a timely manner, consistent with the requirements of subparagraph (B). The Secretary shall submit such report to the Committee on Energy and Natural Resources of the United States Senate and the Committee on Interior and Insular Affairs of the United States House of Representatives.

"(B) The Secretary shall not acquire any lands under this Act if the Secretary determines that such lands, or any portion thereof, have become contaminated with hazardous substances (as defined in the Comprehensive Environmental Response, Compensation, and Liability Act (42 U.S.C. 9601)).

"(3)(A) Except for property which the Secretary determines to be necessary for the purposes of administration, development, access, or public use, an owner of improved property which is used solely for noncommercial residential purposes on the date of its acquisition by the Secretary may retain, as a condition of such acquisition, a right of use and occupancy of the property for such residential purposes. The right retained may be for a definite term which shall not exceed 25 years or, in lieu thereof, for a term ending at the death of the owner or the death of the spouse, whichever is later. The owner shall elect the term to be retained. The Secretary shall pay the owner the fair market value of the property on the date of such acquisition, less the fair market value of the term retained by the owner.

"(B) Any right of use and occupancy retained pursuant to this section may, during its existence, be conveyed or transferred, but all rights of use and occupancy shall be subject to such terms and conditions as the Secretary deems appropriate to assure the use of

the property in accordance with the purposes of this Act. Upon his determination that the property, or any portion thereof, has ceased to be so used in accordance with such terms and conditions, the Secretary may terminate the right of use and occupancy by tendering to the holder of such right an amount equal to the fair market value, as of the date of the tender, of that portion of the right which remains unexpired on the date of termination.

“(C) This paragraph applies only to owners who have reached the age of majority.

“(D) As used in this paragraph, the term ‘improved property’ means a detached, year-round noncommercial residential dwelling, the construction of which was begun before the date of enactment of this paragraph, together with so much of the land on which the dwelling is situated, such land being in the same ownership as the dwelling, as the Secretary shall designate to be reasonably necessary for the enjoyment of the dwelling for the sole purpose of noncommercial residential use, together with any structures accessory to the dwelling which are situated on the land so designated.”.

(3) Section 2 is amended to read as follows:

“SEC. 2. AGREEMENT.

16 USC 426o.

“The Secretary is authorized to enter into an agreement with the city of Murfreesboro, Tennessee, containing each of the following provisions—

“(1) If the city agrees to acquire sufficient interest in land to construct a trail linking the battlefield with Fortress Rosecrans, to construct such trail, and to operate and maintain the trail in accordance with standards approved by the Secretary, the Secretary shall (A) transfer to the city the funds available to the Secretary for the acquisition of such lands and for the construction of the trail, and (B) provide technical assistance to the city and to Rutherford County for the purpose of development and planning of the trail.

“(2) The Secretary shall agree to accept the transfer by donation from the city of the remnants of Fortress Rosecrans at Old Fort Park, and following such transfer, to preserve and interpret the fortress as part of the battlefield.

“(3) In administering the Fortress Rosecrans, the Secretary is authorized to enter a cooperative agreement with the city of Murfreesboro, Tennessee, for the rendering, on a nonreimbursable basis, of rescue, firefighting, and law enforcement services and cooperative assistance by nearby law enforcement and fire preventive agencies.”.

(4) Redesignate section 3 as section 4, and insert the following new section after section 2:

16 USC 426p.

“SEC. 3. PLANNING.

16 USC 426o-1.

“(a) PREPARATION OF PLAN FOR REDOUBT BRANNAN.—The Secretary shall, on or before February 1, 1992, prepare a plan for the preservation and interpretation of Redoubt Brannan.

“(b) UPDATE OF GENERAL MANAGEMENT PLAN.—The Secretary shall, on or before March 31, 1993, update the General Management Plan for the Stones River National Battlefield.

“(c) TECHNICAL ASSISTANCE.—The Secretary is authorized to provide technical assistance to the city and to Rutherford County in the development of zoning ordinances and other land use controls that

would help preserve historically significant areas adjacent to the battlefield.

“(d) **MINOR BOUNDARY REVISIONS.**—If the planning activities conducted under subsections (a) and (b) of this section show a need for minor revisions of the boundaries indicated on the map referred to in section 1 of this Act, the Secretary may, following timely notice in writing to the Committee on Interior and Insular Affairs of the United States House of Representatives and to the Committee on Energy and Natural Resources of the United States Senate of his intention to do so and providing an opportunity for public comment, make such minor revisions by publication of a revised boundary map or other description in the Federal Register.”.
